

A Rebuilt Temple?

Is Laodicea headed towards the New Jerusalem or the Great City of Revelation 11?

The definition of Israel according to the Everlasting Gospel is in the Sanctuary and the 5 agendas. Why is it that the Messianics don't understand that? Why so many charismatic wonders which veer them away from the path of truth? I am referring to the Charismatic Vineyard movement which was one of the progenitors of the Jewish Messianic Movement and others as well as the Messianic links to Rome as well as the Trinity doctrine in most cases but not all.

Daniel was concerned about the restoration of his people after those 70 years of captivity. So the question is the following, why did God give him a chronology which was also a restoration of truth in relation to a purification process as opposed to a restoration of a physical people? The answer is simple, the truth of God will always stand, physical people on the other hand as in literal Jews or Christians can fail without the correct truth regarding how God truly resolves the sin problem in man on account of the fact that when the system of truth is not properly understood it is supplanted with manmade theories regarding salvation which are unbiblical. Case in point Chasidic Judaism = mysticism, Roman Catholicism = the Mass, Protestantism = one atonement theology, spiritualism = the wheel of Karma.

Keep in mind that the physical restoration of Judah back to the land brought back with it extreme legalism as well as the Talmudic traditions which in the most cases were at odds with the teaching of Yeshua.

Why was Daniel given a revelation concerning a chronology which would not be fulfilled with physical or literal Israel? It is apparent that the physical and cultural aspects of Judaism are not important what is important is the system of truth which was revealed in the Old Testament and embodied in Christ and unveiled at restoration time which = 1844. There cannot be any other truth and whatever God decides to do, everyone will have to go through that same process of the FA since there is neither Jew or Greek or man or woman.

The bottom line, the Sanctuary is the root system of truth since it reveals the Way the Truth and the Life and all who are to be saved have to be grafted into that teaching and that includes the current Messianic Jewish errors. A good question to ask would be the following, was 1948 a counterfeit of 1844? What about 1967 and 1980? On the outward appearance it would seem that 48 67 and 80 cemented the concept of Palestine and Jerusalem belonging to the Jews in the minds of many devout believers in both the Jewish and Christian theological circles. But those who are wide awake can truly see what was taking place behind 1948, 1967 and 1980 in relation to the true restoration of 1844 and its link with Hebrews 8:2 as well as Revelation 14:6,7.

The track of truth at times runs parallel with that of error but then they both part ways. The different dates that have been mentioned 1948, 1967, 1980 run parallel to both

truth and error but the final outcome will be totally different, the truth diverts to the New Jerusalem and the counterfeit diverts to the events in Revelation 11 = the Great City where our Lord was crucified. Which one will you choose?

1844 lead to the entrance of our Great High Priest into the Most Holy Place.

A rebuilt Temple in Jerusalem will lead to a counterfeit as stated in 2 Thessalonians 2.

3 Let no one deceive you in any way; for that day will not come, unless the rebellion comes first, and the man of lawlessness[a] is revealed, the son of perdition, 4 who opposes and exalts himself against every so-called god or object of worship, so that he takes his seat in the temple of God, proclaiming himself to be God.

Conclusion

The 1844 Restoration leads to the entrance of the High Priest into the Most Holy Place as well as to the final resolution of the sin problem.

The counterfeit restoration which entails the Reconstruction of the Temple in Jerusalem entails the work of Satan by way of human instrumentality who will sit on the Mount of the Congregation which was always his objective, the exaltation of self and the destruction of God's masterpiece of creation (mankind) by way of erroneous worship. This is the final outcome of the 1948 restoration.

Yeshua Jesus sheds light on the matter.
