*Editor's Preface*

Dear Readers, the following exposé came across my desk from a Bible Student who writes under the penname Swift Messenger. This Bible exposé brings to our attention the importance of the warning of the third Angel—and it needs to be shared without any further delay. [This exposé will need to be paused and resumed from one issue to another, so some review of the prior thought paper may be necessary when once you receive the new one.]

‘Please find enclosed the discussion on the 7 Noahides (7NL), especially since it is in respect to the Doctrine of God and the Omega of deadly heresies. You will recall the Messenger of the Lord trembled for the people when it came to the Omega of Deadly heresies. The First Amendment of the U.S. Constitution has been compromised concerning the law prohibiting the establishment of religion and this is what the detail about the 7NL concerns.

The adoption of the 7NL, in fact, brings to fruition the Omega - and it is timely to understand why the 7NL exposes the Arian teaching of the doctrine of God. Therefore, the presentation requires undivided attention, and some parts are striking in its candidness and conclusions. May God bless your understanding.

I will say now – the readers will reach a fork in the road about the issues of Gnosticism and spiritualism that has woven its way into the ranks of separated Adventism. In fact, it may surprise you to discover that E.J. Waggoner would not have been aware that some of his conclusions about the doctrine of God were in fact gnostic in its deceptive sense. Spiritualism was little published in the late 1800's, albeit it was making a resurgence with various practitioners at the time of the epic message of Christ and

His Righteousness at the General Conference session in 1888—the 1888 message in verity. Suffice it to say - the Messenger of the Lord did point the finger at the Alpha of deadly heresies with the holy flesh movement and the work 'Living Temple' of John H. Kellogg. She said The Omega would follow.

Aspects are bolded/underlined [digital copies - highlighted in yellow] and evidences are in links that can be looked up [digital copies - clicked] and verified. It can be concluded - we are dealing with a masterpiece of devilry.

This original presentation back in 2006 was known as "The Masterpiece of Deception" [please contact our office for a free PDF or manuscript copy], which was in respect to the Triune Trinity. What follows is a complimentary presentation of Part 2. What you will read now is Part 2 of that earlier work that has come to completion and it emphasises the masterpiece of devilry that is in fact - in addition to the Trinity problem. This second edition is about exposing devilry at its deceptive best.

## "ADMATHAY" vs. 7NL

### The Masterpiece of Deception -

### The Masterpiece of devilry - Final

This presentation sets out the Alpha and Omega of deadly heresies, a warning given by the Messenger of the Lord which is in respect to the doctrine of God. The devilry involved is astounding.

Bible evidence unfolds how the doctrine of God features foremost in the end events of Rev. 13 & Rev. 12 - as emphasised in Rev. 14, with additional warnings in Rev. 19 & 22. And has a unique setting with Deut. 6 when considered with Isa. 2 and Micah 4.

Recent events, concerning the "rule of law" (in our lifetime,) present compelling evidence.

What in fact makes this memo important [fullest attention] is what the Messenger of the Lord cautioned about the **Alpha** and then warned unreservedly concerning the **Omega of deadly heresies** where the seducing spirits and doctrines of devils was so powerful that when the "Omega would follow" she 'trembled' for the people.

*"When I first left the State of Maine, it was to go through Vermont and Massachusetts, to bear a testimony against these sentiments. "Living Temple" contains the alpha of these theories. I knew that the omega would follow in a little while; and I trembled for our people. {SpTB02 53.3} [link](#)*

A depth of deception exists hitherto which is nearly impossible to discern. The Messenger of the Lord was compelled to speak - I am so compelled.

## The Rule of Law

Bible background:

- Micah stated a 'rule of law' would issue from Jerusalem. [See [Micah 4](#) ]
- Isaiah stated a 'rule of law' is decreed from Jerusalem. [see [Isa 2:3](#) ]

In 1892, the Messenger of the Lord stated there would be an '*oppressive law*'. See [RH Dec 13, 1892](#).

- Observe, the phrasing in this message - doesn't say or mention a National Sunday law (NSL).

But here is the question – what did this update in the RH 1892 with absolutely no context of a NSL mean as to be regarded with the 'Lamb-like beast' of [Rev 13](#) who speaks as a dragon and adopts the warning message of the first beast? How would this update in RH 1892 be related to another update found in [CWE p23-24](#)?

## United States Constitution

### Amendment I

'Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.' – see [First Amendment](#)

### Comment

Article one of the Establishment clause, reads - No law respecting the establishment of religion

- But what happened in recent times where we ought to have noted about events in relation to Rev. 13 and the existence of an "oppressive law"?
- How did the Enemy of Righteousness get around the First Amendment?

**102d CONGRESS - 1st Session - H. J. RES. 104 - JOINT RESOLUTION - To designate March 26, 1991, as 'Education Day, U.S.A.' - HJ 104 EH**

### JOINT RESOLUTION

To designate March 26, 1991, as 'Education Day, U.S.A.'

Whereas Congress recognizes the historical tradition of ethical values and principles which are the basis of civilized society and upon which our great Nation was founded;

Whereas these ethical values and principles have been the bedrock of society from the dawn of civilization, when they were known as the **Seven Noahide Laws**;

Whereas without these ethical values and principles the edifice of civilization stands in serious peril of returning to chaos;

Whereas society is profoundly concerned with the recent weakening of these principles that has resulted in crises that beleaguer and threaten the fabric of civilized society;

Whereas the justified preoccupation with these crises must not let the citizens of this Nation lose sight of their responsibility to transmit these historical ethical values from our distinguished past to the generations of the future;

Whereas the Lubavitch movement has fostered and promoted these ethical values and principles throughout the world;

Whereas Rabbi Menachem Mendel Schneerson, leader of the Lubavitch movement, is universally respected and revered and his eighty-ninth birthday falls on March 26, 1991;

Whereas in tribute to this great spiritual leader, 'the rebbe,' this, his ninetieth year will be seen as one of 'education and giving,' the year in which we turn to education and charity to

return the world to the moral and ethical values contained in the **Seven Noahide Laws**; and

Whereas this will be reflected in an international scroll of honor signed by the President of the United States and other heads of state: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That March 26, 1991, the start of the ninetieth year of Rabbi Menachem Schneerson, leader of the worldwide Lubavitch movement, is designated as 'Education Day, U.S.A.'. **The President is requested to issue a proclamation calling upon** the people of the United States to observe such day with appropriate ceremonies and activities.

Passed the House of Representatives March 5, 1991.

Attest: Clerk.

### QUESTION:

The first thing to figure out – how did the 'public law' of 1991 breach the First Amendment?

As you read what is in fact '**public law**' of the US code was authorised and issued under a Joint Resolution of Congress back in 1991. A plain reading of the facts confirms the First Amendment was breached.

The resolution introduces a new concept of the **new rule of law** – the **Seven Noahide Laws**. (7NL)

- See U.S. Presidents [POTUS endorsing the 7NL](#)
- Check again what Rev. 13 is saying.

Does this public law that requires each POTUS (President of the United States) to 'issue a **proclamation**' in fact saying what Rev [13:11-12](#) is saying?

### What are the Seven Noahides?

#### [Seven Laws of Noah](#)

The seven laws listed by the [Tosefta](#) (dated to 220 CE) and the [Babylonian Talmud](#) (dated to 300 CE) are:<sup>[6]</sup>

1. The prohibition of **idolatry**.

2. The prohibition of [murder](#).
3. The prohibition of [theft](#).
4. The prohibition of [sexual immorality](#).
5. The prohibition of [blasphemy](#).
6. The prohibition of eating flesh taken from an animal while it is still alive.
7. The requirement of maintaining courts to provide legal recourse.

## Punishment

The Talmud laid down the statutory punishment for transgressing any one of the [Seven Laws of Noah](#) (but not other parts of the Noahide code) [as capital punishment](#)<sup>[28]</sup> by [decapitation](#), which is considered one of the lightest<sup>[29]</sup> of the four modes of execution of criminals. According to some opinions, punishment is the same whether the individual transgresses with knowledge of the law or is ignorant of the law.<sup>[30]</sup>

## Public endorsement - United States Congress

The Seven Laws of Noah were [recognized](#) by the [United States Congress](#) in the preamble to the 1991 bill that established [Education Day](#) in honour of the birthday of [Rabbi Menachem Mendel Schneerson](#), the leader of the [Chabad](#) movement:

‘Whereas Congress [recognizes](#) the historical tradition of ethical values and principles which are the basis of civilized society and upon which our great Nation was founded; Whereas these ethical values and principles have been the bedrock of society from the dawn of civilization, when they were known as the [Seven Noahide Laws](#).<sup>[37]</sup>

### Recent law, recent reality?

The above information while taken from Wiki – is explaining to our dull eyes how the First Amendment of the Constitution was defeated - where it states ‘Congress shall make no law respecting an establishment of religion’.

The fact is the 1<sup>st</sup> and 5<sup>th</sup> Noahides (see above listing) has everything to do with [worship](#) - the [Doctrine of God](#) and the [Third Angels warning](#). Its clause for capital punishment is chilling and has everything to do with Rev. 13 and in contradistinction God’s warning in Rev. 14 – the third angel.

- Therefore, how does this rule of law even relate to the Trinitarian or Arian understanding of the Doctrine of God? The answer is of course [who is God!](#)

- The 7NL insists their ‘god’ is NOT to be considered falsely [blasphemed] let alone ignored in the acceptance of “Who” is actually to be worshipped as said by the First Angel.
- For failing to follow the rule of law prophesied by Micah and Isaiah, that’s capital punishment - statutory punishment for transgressing any one of the Seven Laws.
- Be it known – This [issue on the Godhead](#) is a sustained attack on John 1:1-3 an unrelenting attack on the “eternal Identity” of “He who made” and incredibly the deception is in fact accepted and pronounced and coming from all quarters in and including the independents in and of Adventism. Many insist – oh that’s a monstrous claim – alas, the deception can be proven.

Let’s face it - any serious Bible student familiar with end time prophecy ought to now be checking out their belief from the Bible as to PRECISELY who were the Elohim in beginning [en arche] as set forth by John in John 1:1-3. Why? The sharp claws of the first beast are woven into in US code defeating the First Amendment. It gives the second Beast, [all reason](#), according to the rule of law.

Therefore, to the being fully informed why the Trinity is gross heresy is one thing; you should become FULLY aware why Arian Father Son doctrine holds a deeper sense of deception, because either way these two teachings mean you lose. These are sister doctrines since both teach a Father and Son in eternity. [This point must never be forgotten.](#)

Why?

When understood why the Arian teaching is [more deceptive](#) than the Trinity, what this means is adherents of this version of the Doctrine of God DO NOT HAVE an argument against the first or the second beast of Rev 13. That fact must not be overlooked.

This means those who accept these two versions will be sidelined and not attacked by the dragon when it comes to Rev. 12:17.

How is this related to the 7NL?

The problem and confusion all stems with the belief that the National Sunday Law triggers the events of Rev. 13:11, 12, 15 and everyone that is waiting for the NSL to arrive.’ [paused...]
