The Masterpiece of Deception—

The Masterpiece of devilry—

Australia's Bush Fires

Our sincerest and deepest sympathies, condolences and prayers go out to those who have lost loved ones, property and livestock in the recent bush fires. In our experience—my family and I have been offering thanksgivings to our loving Heavenly Father and to Christ our merciful and faithful Great High Priest for their protecting hands during this time of catastrophic fires. Especially - when on the morning of Tuesday December 31st I was in Corryong (Victoria) when the Walwa fire came towards Corryong, having been unable to get home the night before after work due to the road back to Tallangatta being closed. Thankfully - I was graciously provided a place to stay that night in town by one of my colleagues and her Mother, who were both very kind, and who at the time was housesitting another families home. Which family without any further thought gave permission and so opened it up for me to stay, so that I did not have to drive back home in all the smoke - as this was all before we knew the road was closed. I watched the fire that whole night get closer and closer - keeping my eyes and ears tuned to the news and the VicEmergency app. When Tuesday morning finally came, and when I could see the fire within bowshot, it was then I had the decision to either drive East and leave Corryong or stay and help. I chose to go to the relief centre at the High School. But not wanting to just stand around and do nothing, thankful I am that I was able to go up to the hospital and help out with those who were either asthmatic or having trouble breathing from all the smoke. From there we watched through an East window the spot fires. The Firefighting crews did an incredible job putting them out and protecting the town. You see—it was early that morning when I saw the fire, that I remembered when the Apostle Paul was on his way to Rome - and before the shipwreck was told by the Angel of God *“God hath given thee all them that sail with thee”* – it was for this that I prayed. It was a soul-searching experience. Later that morning we lost all phone and internet communication. Then as the day drew to a close, one of the Paramedics advised me of the Convoy that was being organised escorting people through to Tallangatta. I arrived just in time to register. In driving back through the burn zone (which entailed driving under a low hanging powerline) I have never before seen such devastation. My family were so glad to see me and I them. My heart truly goes out to those who have suffered loss. Truly, it is during this time (and the times we are going to have to face just ahead that) we all need to keep our eyes on and **“consider the Apostle and High Priest of our profession, Christ Jesus”** (Heb. 3:1) so that we can *“Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God.”* (Phil. 4:6) This consideration and the ‘traditions of the elders’ are not compatible! The Book of Hebrews summarises the

"*Everlasting Gospel*"—which means the Bible and the Bible only = safety—and it's time that we know it!

Strange Occult origins (See Appendix)

The First Angel's warning—

The **doctrine of God** pronounced by the **first Angel** has to be upheld - because the 7NL strikes at the heart of John 1:1 when the 7NL states God has no partners. When the Arians or Trinitarians bring up the issue of Sons being **equal** to the Father and that this was the reason why Christ was crucified back then, the problem is that back then, the theology was not as developed as it is today; since evil and truth have come to fruition and now **we must all choose** which way we will go on the subject matter.

God presented advanced warning which commenced in 1844 (Dan. 8:14) regarding the implications as well as what it takes to violate the true Divine Partnership of the First Angels message revealed in John 1:1.

In reality **a Son does not equal the Father** since the Angels being **Beni Elohim** do not equal the Father nor do they equal the Word.

Missing factor—

The missing factor in both the Arian and the Trinitarian doctrine lays in the fact that they **both assume** that by some sort of decree Christ was an **emanation from the Father** as in Begotten in eternity or created at some point in time and the rest of the universe which includes the angels were told that he as a **begotten son**, or **emanation**, or as a **created son**, has to be worshiped as God.

The problem is that this statement is made when the Father introduces the Firstborn into the world and the first born is not an emanation from the universe its pre-eminence in all things.

The **Omega of deadly heresy** teaches this same concept just as the Arians or Trinitarians. **There is basically no difference.**

The introduction of the firstborn into the world is in reference to this planet and the order is given to the Angels to worship Him **in the human form** considering the fact that in the **Alpha** status He was equal to God [John 1:1-3] and in the **Omega** scenario He is made like unto his brethren. [Heb. 2:17]

What bothers the devil so much is the fact that humans which were created being inferior to Angels will have this same status by way of God's true matrix which comes in the form of Acceptance that the WORD was God en arche [in beginning] – “He who made(s)” has an eternal Identity as God and that this then includes the Acceptance of His incarnation of the **root of David as Jesus Christ**. Just as Paul

defined the Gospel of God ([Rom 1:1-4](#)) and later the Acceptance of the bodily resurrection or physical transformation at Jesus Christ's second coming.

This Acceptance includes Christ's Ministration after the Order of Melchizedek, and Paul confirms His Eternal Identity, He was without generation. [c.f. Heb. 7:1-3]

7NL, Trinitarianism and Arianism—

So, these teachings fly in the face of the evidence which is presented in John 1:1 as well as Revelation 22 's alpha and omega scenarios of **root of David** and **offspring of David**.

He, Christ, could only be equal to the Father in the Alpha scenario of Divine Eternal equality and not the Omega scenario of Sonship - which theoretically speaking without the Alpha would be the slave form which was later restored to its Melchizedek status which is actually the original Alpha - but without the Alpha this would make him more like angels since He would be pre-existent. But as the Trinitarians and Arians make an addition to the words of Revelation [see warning [here](#)] (Rev. 22:18-19) by teaching He was created or emanated and not His own being meaning that His life would be borrowed and derived from the Father.

Psalms 110:1-4 and Hebrews 7:3 (last portion) "*made like unto the Son of God*" bring about the total picture of the Alpha and Omega scenarios in eternity and later on earth.

The initial equality of Alpha in relation to Christ in eternity as "in beginning" brings about the true equality of Sonship in the Omega scenario since there is a restoration of eternal Melchizedek Alpha scenario in Hebrews 6:20 - but the difference being Melchizedek now being in the form of perfected man = the ultimate purpose of God as in John 10. [John 10:34-36 RSV](#)

Fact that the main difference between the Omega of deadly heresy and the Truth lays in the fact that in the Alpha of apostasy the belief was that all sons in the form of souls **emanated** from the universe whereas in the Truth of God, we humans were never emanated from the universe, we were born in this world and the only way of escaping the matrix of death was by way of the indwelling of the Holy Spirit when we made the decision to serve Jesus Christ.

It is not our so-called pre-existence which is false that makes us 'gods.' It is the indwelling of the Holy Spirit Himself, "*Christ in you*" that takes our non-pre-existence as well as mortal nature in fulfilment of what Christ wrote in [John 10](#) which was quoted from [Psalm 82:6-8](#).

Fact is that Christ in you the hope of glory is the pre-existent Alpha which = [Revelation 4](#) in us, the hope of glory. This is clearly stated in [Revelation 5](#) where the 7 Spirits are sent out to all the earth.

It is the Alpha of God which = Christ in us.

It is called partaking of the divine nature. What a choice!

Whereas if the **emanation begotten concept** of Christ in eternity is accepted as fact **then this means** that **we also** proceed from **this same emanated logos** as taught by **Philo the Jewish mystical** theologian.

- **This subtle detail the messengers of 1888 never saw nor understood.**
- **They rightly presented the light of the message of righteousness by faith and Christ and His righteousness. Nothing more. But both messengers applied the Arian error.**

Final result of the Arian teaching?

The final result is the underlying deception an incredible occult deception of being sons **from an emanated logos = humans** with souls that emanated and return in a cycle of descent from the so-called "ONE", who was then life in dark world of matter - which in the Omega heresy fosters the belief that the dark world of matter hides the Christ in us in the form of souls **that don't know their true identity.**

Why is this, the case?

Since they are in the tomb of the material universe and then the soul's self-judgment by **Karmic law** in a cycle of life death and rebirth and then the eventual return to the universe **thus fulfilling** what the devil told Eve in the garden that she and Adam **would not die** that they would be **as gods** knowing good and evil.

The only way back from the world of the spirit of the occult realm according to them is by the infusion of false righteousness, and the crucifying of material things by a program of works righteousness as seen in the other systems which have perfected in these Omega of apostasy concepts for more than 5,000 years.

After this has been completed in the form of a living human being then comes the **next chapter of the deception** which is known in occult circles as **Unity Consciousness** - which will be the chief opponent of the true Gospel at the end of the age as stated in 1 Timothy 4:1-4 - in the latter days many will give heed to doctrines of demons. This teaching of Arian theology will be also the chief opponent to the Three Angels Messages and why it is essential to know **He who made**, that He was, that He was Eternal, that He was also God and that He was known in beginning as Ho Logos - **The WORD**. Not the Son of God.

John never stated in beginning that the Elohim held the status of Father and Son.

It should be obvious with the occult problem it's for a very good reason!

The Final abomination—

How can the True Elohim - the Eternal Two Identities of **John 1** (& the 1st Angel's msg) who were Associates in the pictures in Revelation 4 & 5 even begin to resolve the sin problem in sinful flesh - when They are appropriated upon Themselves a false version of the Godhead about an emanated Son in eternity is to be believed? It is an impossibility!

Here lies the deception - the **One God** - yes, the **Arian Father/ and the begotten Son** from prior to the Incarnation is in fact a god that cannot resolve the sin problem in sinful flesh. **This is the ultimate mystery of iniquity concerning the Omega of deadly heresies.**

This Luciferian matrix of the begotten Son in "eternity" doctrine holds a very basic and easy to know concept - which is that a **One God** that precedes a Son who emanated presents the **same problem** Eve believed - ye shall not surely die.

Quite a problem.

Since the True Elohim are not believed but are substituted with the Arian theory, which is denying Christ had no beginning of days Hebrews 7 this false worship ensures the occult holds sway and therefore a false Elohim cannot resolve the sin problem under any circumstances. How can one be **sealed** unto righteousness in this set of circumstances? Christ after the Order of Melchizedek cannot do this sealing because of disbelief of who He was eternally - Heb. 7.

7NL and the last moments of time—

Summary:

- The rule of law [7NL] is pronounced from Jerusalem [Micah 4, Isaiah 2].
- The last moment of time presents the horrors of the final Beast systems.
- The ultimate confrontation 'one hour' is delivered personally by the Red Dragon [c.f. [Rev 12:17](#)].

Legal basis—

The legal basis for 'peace' and the good moral behaviour of the nations is given under the **One God doctrine of the 7NL**. Their basis of the legal theological application is the false Shema and it gets applied by the rule of law. The 'oppressive law' pronounced for the statutory punishment for transgressing any one of the Seven Laws and it = death.

Behind this 'law' from the Third Temple is an epic abomination of desolation. It needs to be kept in mind that the Tabernacle of the Congregation involved the people of the Prince that shall come and will destroy the city and the Sanctuary. Although what took place with General Cestius was a sign to flee, **the deeper meaning** is found in relation to the statement "the people of the Prince that shall come shall destroy the city and the Sanctuary".

Some have tried to analyse this statement and cannot find the answer as pertaining to the Romans and others will say that there were ethnic groups of such as Arabs among the Roman contingent that hated the Jews. This rule of law is an abomination as spoken by Daniel the prophet. It is to remove He who made from worship. The connection is [Rev 13:6](#).

If peradventure you choose to **refuse to bow to the One God** and that 'one god' has in its two main components Trinitarian and Arian teachings and the variations that exist because you know the True Elohim - watch the 'testimony of Jesus' it is surely clear that that testimony has nothing to do with the One Father Son God in eternity because this belief is to deny the eternal Identity of the WORD.

You cannot make such a testimony and defy the Scriptures at the same time!

The Beast of Revelation 13's warning

The Beast who uses the 7NL has its warning

- as to what it insists = 'true' worship - See [vs 13-17](#)

Concerning Rev. 13 and the Beasts warning - we should take pains to understand what it means to acknowledge our Great High Priest as having **neither beginning of days, nor end of life; but made like unto the Son of God [Heb. 7:1-3]**

The issue at the end is **worship** of He who made had no eternal origins.

The only available alternative is a **false Godhead of monotheism** – the One God of the false Shema.

Therefore, if we make the wrong decision about the principles of Christ's testimony about Himself in Revelation 22:16 and what He said in fact defines Himself as being the Alpha and Omega that He was the root and seed of [David](#) we literally would **tremble** like Sr White said would happen.

Yes, only two options –

We either worship the True Elohim of Revelation 14 or the worship of the dragon = [Rev 13:4](#)

The One God version is fully imposed and backed by the rule of law!

It is hoped this information will begin to assist you to determine the seriousness of what the rule of law means in respect to the 7NL and the **doctrine of God** and especially its **sub plot** - the Arian disaster – **the masterpiece of deviltry** in respect to Christ who is the Alpha and Omega. There is no other way to make sense of the **Alpha and the Omega of Deadly heresies**.

Sincerely,

Swift Messenger
