Editor’s Preface

Visit our YouTube channel ‘Five Agendas’ and watch our video on ‘Revelation 4 and 5’. Remember, Rev 4 & 5 contains the antidote for the deadly snake bite ‘The Masterpiece of Deception and devilry’ and provides all men the significance of the Masterpiece of Divinity – as explained in the series – ‘Alpha and Omega, Domain of the Divine, The Masterpiece of Divinity of the TWO ETERNAL DIVINES – John 1.

“And ye shall know the truth, and the truth shall make you free.”

Self-righteousness & Dead Ovums—

[GreggBradenOfficial](#)

The author/scientist featured in the above video presents how he ciphered the insights of DNA from ancient texts by applying a gematria comparison of the various ancient languages and then to the DNA encodement. Achieved by comparing the Periodic table side by side with spiritual tables such as the [Ein Soff](#) sefirot and proceeds to bring an analysis that the evolutionist Charles Darwin had no access and thereby rendering his conclusions errant.

What this author stated is to be found at the commencement of the genome structure there is a watermark for want of a word that the DNA reads = **God eternal within the body** = and this fact is superimposed on the DNA matrix ordained unto the genetics of humanity and life.

Keep in mind in the near future when the full Vatican archives are open for full stream research of an underground [archive of some 50 miles](#) will without doubt bring similar findings about DNA and creation because in those archives are rare and unknown MS of ancient texts which will without question bring a global spiritual awakening and awareness to a Creator to an entirely new level of awareness and unity - where atheists will survive by dogged choice – yet not for long, since they too, join the chorus of [Rev 13:4](#) where God said all the world worship the dragon. The question you must ask - how this all relates to the Two Divines of John 1 and the First Angels Message.

“Thus shall ye say unto them, The gods that have not made the heavens and the earth, *even* they shall perish from the earth, and from under these heavens.” [Jere 10:11](#)

The speaker of the video by establishing the spiritual awareness with an unassailable crossover with science – via ancient knowledge recorded in ancient texts plus the detail of gematria conclusions that such things gain momentum supporting the New Age of peace and order that brings humanity to unity consciousness - but - confronting these things is the First Angels Message and the confrontation with the guy who resides at the 3Temple (3T) = 2Thes 2.

Finding Code and how to interpret it:

Finding the code and how to interpret it? This aspect presents Creation from the vantage of another preconceived notion and this = Omega point science - merging with religion = Pantheism = simulation = Gnosticism = Maya = illusion = speaker – and if you are aware the speaker has merged the conclusions straight from the Luciferian matrix. Satan will answer the questions of all mankind by stating that he is the father of the human race and perhaps that there was a spiritual fall from enlightenment and that he has returned to complete the cycle of mankind's ascension as co-creators of the universe.

At this time, it serves no point to be bogged down on the matter of God eternal within and Pantheism. What one ought to focus upon is there exists an image and the potential aspects of man after the resolution of the sin problem. Add to the fact and this is important to understand - that the DNA is not the ultimate explanation as to how man fell from grace.

Jesus also stated "[you are god's](#)" = Anthropomorphic in the New Testament - but in the Old He stated but you shall die as men = Anthropomorphic. [Gen 2:17; Ecc 3:19](#) The serpent however says you will continue in that evolution after death. [Gen 3:4](#) God's matrix states the opposite in [Rev 20](#) = Second death.

John 17 -

Read carefully the verses below in relation to the potential of the DNA which is for the followers of Christ, the [others](#) are basically [dead ovums](#) = [living dead](#).

[John 17](#) is very important for the following reasons.

Verse 24 is intrinsically linked with [LSFBTFOTW](#)

Only the LSFOTW can explain eternal righteousness and God eternal within in terms of everlasting righteousness = Everlasting Gospel and that is not known or understood and only when it is accepted can true oneness of Echad be received as presented in [John 17:21-26](#) = In relation to the Anthropomorphic and not the Pantheistic which is being insinuated in the video presentation of DNA.

Pantheism -

Pantheism which = ultimate objective of EinSoff theology which was masked in the video and is a preconceived notion is disembodied spirit whereas DNA is Anthropomorphic as found in man and not a spiritual essence but a code with the specific

designation of Anthropomorphic in its original untampered setting without any alterations.

If he is referring to DNA of all living things then here again would be a preconceived notion which propels the thinker into the world of Pantheism.

John 17

[21](#) that they all may be one, as Thou Father [art] in me, and I in Thee; that they also in us may be one, that the world may believe that Thou didst send me.

[22](#) `And I, the glory that thou hast given to me, have given to them, that they may be one as we are one;

[23](#) I in them, and Thou in me, that they may be perfected into one, and that the world may know that Thou didst send me, and didst love them as Thou didst love me.

[24](#) `Father, those whom Thou hast given to me, I will that where I am they also may be with me, that they may behold my glory that Thou didst give to me, because Thou didst love me before the foundation of the world.

[25](#) `Righteous Father, also the world did not know Thee, and I knew Thee, and these have known that Thou didst send me,

[26](#) and I made known to them Thy name, and will make known, that the love with which Thou lovedst me in them may be, and I in them.'

Conclusion 1

The oneness that the guy is talking about can only be accomplished in the fantasyland of life after death which is the Luciferian matrix. [Ecclesiastes 3:19-21](#) and [Ecclesiastes 9:5-10](#) form a Bulwark of protection against those theories as does the book of [Job 19:25-27](#) which is clearly Anthropomorphic.

Conclusion 2

The author of the video in discussion explains the book [Yetzir S](#) in the form of someone who [was](#) there and [beheld](#) how man was being created. So, who would that be? The only one presenting a counterfeit theology would be Lucifer.

[2](#) `Son of man, say to the leader of Tyre: Thus said the Lord Jehovah: Because thy heart hath been high, And thou dost say: A god I [am], The habitation of God I have inhabited, In the heart of the seas, And thou [art] man, and not God, And thou givest out thy heart as the heart of God,

[3](#) Lo, thou [art] wiser than Daniel, No hidden thing have they concealed from thee.

[12](#) `Son of man, lift up a lamentation for the king of Tyre, And thou hast said to him: Thus said the Lord Jehovah: Thou art sealing up a measurement, Full of wisdom, and perfect in beauty.

¹³ In Eden, the garden of God, thou hast been, Every precious stone thy covering, Ruby, topaz, and diamond, beryl, onyx, and jasper, Sapphire, emerald, and carbuncle, and gold, The workmanship of thy tabrets, and of thy pipes, In thee in the day of thy being produced, have been prepared.

Conclusion 3

The warning message of the [Paracas](#) is that this is the same individual [Lucifer] who was watching and crafting his plans and later brought about the scientific alteration of human genetics. He was indeed wiser than Daniel. This would explain why the Phoenicians were so close to Satanic beliefs since it was through Baal worship and the system of sacrifices that it entailed. The result was sons of Lucifer were in the Anthropomorphic but not in the perfection of it meaning = hideous giants. Definitely not, [original](#) genuine DNA.

Perhaps Lucifer was experimenting with the genome and coming up with Bigfoot and other creatures which later produced the [coneheads](#) as well as egg heads and other abnormalities based on unknown DNA as well as possible alterations and mutations of those who would give themselves over to him in order to debase the human body in order to bring about Transhuman results as seen in the giants.

What is supposedly stated in ancient Sumer as the so-called Genesis of man was most probably in relation to the Genesis of hybridization. Videos exist, that explain the archaeology of Gobekli Tepe which hinted at [Transgenic amalgamations](#) and this area is very close to where Noah landed. Approx. 365 miles.

Conclusion 4

DNA speaks of its Author and Creator - as it turns out, its inextricably related to the First Angels message. Where a wrong understanding of The Elohim of John 1 especially at the time of [Abomination of Desolation](#) is the blasphemy of worship and other deceptions - the pressure will be to accept a lesser author of our genetic identity = one's birthright. The advances of science will be the touted and insights of ancient manuscripts serve to confirm genetic markers to eliminate things like diseases in humanity.

Readers will recall in this series of the Masterpiece of Divinity one can lose their birthright by a poor decision concerning the First Angel. The offer the First Angel is awareness of true worship = eternal life = names retained in the [LBOL](#). (Lamb's book of life)

Conclusion 5 - We all get the choice

Only two options

A) Acknowledge The First Angel = Two Fathers of Eternity = the recognition and worship HWM = LSFTFOTW = decreed to be a Son = monogenesis theos = Author of the true anthropomorphic genome of humanity.

B) Be in unity of the many of [Rev 13:3-4](#) and forfeit our birthright = the abomination of desolation of HWM's eternal Identity. Note the [consequence](#) of the three warnings?

Related to option B) is the theology that insists HWM was not eternal = no eternal righteousness = self-righteousness and denies the eternal righteousness of the LSFTFOTW = Rev 13:8 = errant reasoning = decision in the forehead = deceptive mark of ownership = the comparison of filthy rags - Isa 64:6 = dead ovum.

The transition point - Rev 13

Those, observant, will see verses 8, 9 presents a peculiar transition occur in respect to the [1260 days](#) = 42 months of the first beast – so that to the next phase is specifically stated as that of the Lamblike beast = the next 30 days of the 1290 days of [Matt 24:15](#). In doubt? [Re-read Rev 13](#).

Is this transition the earnest of the Everlasting Gospel and purpose of the 3 angels = Rev 13:8 will be heard. The unity of a false Elohim and Shema = a poor choice = dire consequences = point of no return.

A testimony that acknowledges the eternal righteousness of LSFTFOTW means they recognise who is the Author of the anthropomorphic genome - overcame him [Dragon] by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death. In their mouths was [no guile](#) because of a cleansing by the [water of the word](#) from a [coal off the altar](#) = Rev 12:11 status.

Conclusion 6

Jesus warned of the Abomination of Desolation, as spoken by Daniel the prophet - endures [1290 days](#) = Matt 24:15 c.f. Dan 12:11.

A perfect synthesis at this time will include the insights of DNA science with theology of Pantheism and mysticism = **God eternal within the body.**

Well, what you must decide - who were the Elohim?

What one ought to focus upon is that there exists an image and the potential aspects of man after the resolution of the sin problem. Add to the fact - and this is important to understand - that the DNA is not the ultimate explanation as to how man fell from grace.

Conclusion 7

The Anthropomorphic God in all His splendour

²⁵ [And there is a voice from above the expanse, that \[is\] above their head: in their standing they let fall their wings.](#)

²⁶ And above the expanse that [is] over their head, as an appearance of a sapphire stone, [is] the likeness of a throne, and on the likeness of the throne a likeness, as the appearance of man upon it from above.

²⁷ And I see as the colour of copper, as the appearance of fire within it round about, from the appearance of his loins and upward, and from the appearance of his loins and downward, I have seen as the appearance of fire, and brightness [is] to it round about.

²⁸ As the appearance of the bow that is in a cloud in a day of rain, so [is] the appearance of the brightness round about.

Conclusion 8

The true story of the potential in human DNA lays in this simple phrase "Christ in you" the hope of glory. While human DNA appears to reveal a faint understanding of what Adam was at creation time, the true story is revealed in Jesus' statement with regard to the implications of the so-called discovery of **God Eternal within** which according to the words of Jesus in this final revelation would make the discovery as being irrelevant in terms as to how the matter is accomplished.

Here it is:

John 14:16-21

¹⁶ and I will ask the Father, and another Comforter He will give to you, that he may remain with you -- to the age;

¹⁷ the Spirit of truth, whom the world is not able to receive, because it doth not behold him, nor know him, and ye know him, because he doth remain with you, and shall be in you.

¹⁸ 'I will not leave you bereaved, I come unto you;

¹⁹ yet a little, and the world doth no more behold me, and ye behold me, because I live, and ye shall live;

²⁰ in that day ye shall know that I [am] in my Father, and ye in me, and I in you;

²¹ he who is having my commands, and is keeping them, that one it is who is loving me, and he who is loving me shall be loved by my Father, and I will love him, and will manifest myself to him.'

Take note of the fact that the latter part of the statement reveals that God will manifest Himself to the person who walks in the light of the knowledge of Jesus Christ and this would include a true understanding of the DNA signature. The wicked = dead ovum will not understand this.

Conclusion 9

A wrong interpretation of the signature of the author in the DNA leads to the acceptance of a false Tree of Life which = the so-

called 10 emanations from the Ein Soff which = the occult Judaism's interpretation of God's signature in human DNA or all other life forms.

Conclusion 10

The correct interpretation is revealed in John 17 and summed up by the Apostle Paul in [Hebrews 2:](#)

¹⁰ For it was becoming to Him, because of whom [are] the all things, and through whom [are] the all things, many sons to glory bringing, the author of their salvation through sufferings to make perfect,

¹¹ for both he who is sanctifying and those sanctified [are] all of one, for which cause he is not ashamed to call them brethren,

¹² saying, 'I will declare Thy name to my brethren, in the midst of an assembly I will sing praise to Thee;' and again, 'I will be trusting on Him;'

¹³ and again, 'Behold I and the children that God did give to me.'

Conclusion 11

The Final Question:

So, the final question is - how does one interpret the signature of the Author?

It could not possibly be by way of chemicals and elements and language formulas and Gematrias = numerical meanings that forge a link with a so-called eternal essence that pervades all elements of nature down to the last molecule.

Conclusion 12

Here is why - Romans 1

¹⁹ Because that which is known of God is manifest among them, for God did manifest [it] to them,

²⁰ for the invisible things of Him from the creation of the world, by the things made being understood, are plainly seen, both His eternal power and Godhead -- to their being inexcusable;

²¹ because, having known God they did not glorify [Him] as God, nor gave thanks, but were made vain in their reasonings, and their unintelligent heart was darkened,

²² professing to be wise, they were made fools,

²³ and changed the glory of the incorruptible God into the likeness of an image of corruptible man, and of fowls, and of quadrupeds, and of reptiles.

A final question would be -

Would God use fallen DNA as a signature of His Creation considering that the book of Job mentions that the heavens are not pure in his sight? And could this verse of Romans 1 be applied to human DNA as well?

The answer is Yes and No - since the latter reveals that DNA in its fallen form, results in the question as to what took place in order for it to arrive at that state of imperfection and what is needed to bring the matter to its completeness and final recognition of truth.

God's signature is revealed in His handiwork and this is not to be interpreted as God dwelling inside of the fallen DNA of humans as the Pantheistic theories suggest. One might recall what was previously presented in [John 14:16-21](#) as the final answer.

The time of the very end:

Daniel 12

¹⁰ Purify themselves, yea, make themselves white, yea, refined are many: and the wicked have done wickedly, **and none of the wicked understand, and those acting wisely do understand;**

¹¹ and from the time of the turning aside of the perpetual [sacrifice], and to the giving out of the desolating abomination, [are] days a thousand, two hundred, and ninety.

The Final revelation of the two paths of human DNA will be revealed or unveiled at the final manifestation of the wicked one which will be a time of decision for each individual on planet earth. Will they follow the original program as outlined by Jesus in John 14 or will they follow another individual with his promise of so-called godhood by way of Transhumanism and the alteration of the DNA by perhaps an alteration thus creating a third strand? Time will tell.
