The Third Angel’s Message in Verity

Pg. 1

Editor’s Preface

What is hoped is that our readers will begin to recognize that there is a package deal about the imputed righteousness of the Godhead and it comes with an Everlasting Righteousness = the Everlasting Gospel.

Third Angel’s Message in Verity

²⁷ Let them shout for joy, and be glad, that favour my righteous cause: yea, let them say continually, Let the LORD be magnified, which hath pleasure in the prosperity of his servant. ²⁸ And my tongue shall speak of thy righteousness and of thy praise all the day long. (Ps. 35:27-28)

Many years ago, having read and studied much about RxF (Right by faith) - spent hours on that subject - read AT Jones GC bulletins and EJ Waggoner and for the most part was familiar with the history as well as the body of work of Weiland and Short. Yet when [Psa 35:28](#) is considered about the LSFTFOTW (Lamb slain from the foundation of the world) [Rev 13:8], all those huge # of hours of awareness on the subject hold nothing really. Albeit it was very useful to begin an understand the First Angel’s message.

How can anyone testify of Christ and His righteousness and bring to that a tinge of self-righteousness - without the sole awareness of the eternal righteousness of [He Who Made](#) = the LSFTFOTW [Rev 13:8](#)? It’s impossible!

It is true many exalt God and He Who Made - yet there is something missing in their testimonies of Christ and RxF. Many say right things, yet their teachings are tintured with one’s own effort as a tool of God. No, that is self-righteousness. It’s hard to pinpoint but something is there that voids eternal righteousness. What is this?

[Psalm 119:142](#) “Thy righteousness is an everlasting righteousness, and thy law is the truth”. Now without Christ being both the Alpha & Omega this could not be true. The 3rd Angel is RxF in verity. Emanationism [of Christ] is not eternal righteousness. Everlasting

Righteousness has to be underived, unborrowed. Case in point - the fallen angels were created. What Satan told one of Job's friends was correct. The heavens are not pure in thy sight. [See Hebrews 1:8, 10, 11, 12](#)

Eternal Righteousness

While one may hold the best intentions with RxF in Christ and for the most part will be blessed - there eventually comes the time of the *Abom of Desolation* as stated in [Matt 24:15](#). This means the *Abom of Des* ruins the purpose of Imputed Righteousness. Is this why the reminder is seen in Rev 13:8?

Correct! It's the Righteousness of Christ and it began before the foundation of the world [BTFOTW] as a plan called the Everlasting Gospel. Everlasting is for a reason and that reason is BTFOTW.

How? – Parrot the 1 god [1G] Gnostic/Arian theology of the Godhead = Christ was begotten / emanated as a literal Son = a lesser god, than what is stated in [Jn 1:1-3](#) - this same problem exists with the Triune Trinity doctrine [TTD]. In other words, there exists no basis of an eternal righteousness of the Two of Them who were both eternal and this is an eternal aspect of Imputed Righteousness [Imp R] and the plan called the Everlasting Gospel BTFOTW.

An unavoidable problem exists especially when the warning of the First and Third Angel arrive.

The residual attack on the First Angel of this 1G / TTD belief is that there is no eternal Righteousness of Christ = Imp R - but the fact is that is solely related to His Alpha Identity as Ho Logos = [Jn 1:1-3](#). This is another important reason why there is the reminder of Christ and His **eternal** Imp R in Rev 13:8. Get the Godhead wrong = false christ = no Imp R in verity. Whereas, True Godhead provides the eternalness of Imp R as based with LSFTFOTW = Rev 13:8.

[Rev13:8](#) is larger than all the created galaxies of the universe - an issue that has to be understood since its placed by God for relevance at the time of the First Beast. [Re-read Rev 13](#).

Gnosticism the spinoff theology of 1G/TTD gives rise to a false RxF since there can be no Imp R from the FOTW let alone BTFOTW - and if you believe Christ was begotten or emanated and as bad as it sounds - this is that *unholy influence* [[EW 56](#)] which is in fact merely the merits of the counterfeit christ. **It is a snare.**

That is the reason as to why the Luciferian [Aaron Donahue](#) stated in an interview that people have to stop worshiping the angel. This can be interpreted as the messenger of the Covenant and that is the reason why Paul warned in [Colossians 2](#) about the worship of angels

= emanations that proceed from the so-called unknowable god.

Yet, if you recognise so far there is the **package deal** about Imp R of the Godhead and it comes with an Everlasting Righteousness = Everlasting Gospel. The final generation of apostates will go beyond the angel and worship the sparks of their own kindling better known as the so-called higher self.

Folk today say all of our problems can be resolved within and promoting mysticism in a very subtle fashion. The details below provide the reader with the correct answer! Since the whole matter of the 3rd Angel's warning is tied into self-righteousness. So how can we show that this is a done deal? The answer is in [Revelation 16:15](#) Nakedness = self-righteousness.

Revelation 13:8-9

This is another important reason why there is the reminder of Christ and His eternal Imp R in Rev 13:8. Get the Godhead wrong = false christ = no Imp R in verity. Whereas, True Godhead provides the true substantive - the eternalness of Imp R as based with LSFTFOTW = Rev 13:8.

Now this fact of Imp R is rather something, and where appreciated, this detail is really of an infinite blessing - that Allos who is **faithful and True** [[Rev 3:14](#) / [Rev 19:10](#)] now provides the answer to the purpose of [Rev 13:8; 16:15](#)!

COMMENT 1

If you understand the Luciferian doctrine why Aaron Donahue said you have to stop worshiping the angel, we would not be ignorant of Paul's warning in Colossians 2 about the worship of Angels = emanations that proceed from the so-called unknowable god.

COMMENT 2

Rev 13:8 and 16:15 are just sitting there in those epic apocalyptic chapters of Revelation - and any consideration of Imp R cannot omit these verses, especially if you recognise Mat 24:15 with Dan 12:11 when featured in their proper context of the woes of Revelation. To be precise the 2nd portion of the 2nd woe and the 3rd woe - it is inconceivable that Rev 13, 16 would not have something less than eternal Imp R to feature during the 1260 days of the First Beast and then the time of the lamb like beast (LLB) which is the +30 days - as a prominent message.

The relevance to the Third Angel being a warning about self-righteousness brings the matter of salvation by faith alone and its relation to the eternal righteousness of HWM = Rev 13:8 - and if this is not heeded or understood - then the warning in Rev 16:15 about nakedness becomes a reality, and in fact that is a stunning reality. Laodicea place Rev 13:8 in their 1798 routine and therefore 16:15

lacks vigour and vibrancy for their combined special purpose. While considering these under the apotelesmatic 1290 days [Matt 24:15] = Dan 12:11 means that these two references to Imp R in Rev 13 & 16 play a significant part at the time of the Third Angel which is at the 1260 and the +30 days when the LLB is bestowed with the power of the First Beast. [\[Rev 13:11\]](#)

The Third Angel's Message in verity

It is amazing how He who is faithful and True - held a specific message for Laodicea in 1888 GC session. And yet – it's as if God blinked at the error concerning the doctrine of God with its Gnosticism of the Arian endorsements of Jones & Waggoner – although through that time EGW made a series of corrections – [original, unborrowed and underived – DA 533]. Then, Laodicea would descend later in 1980 GC session to accept the central dogma of the Little Horn. This was a signal of [Luke 21:24](#) fulfillment in 1980. But now in the latter end of time well after the fulfillment of Lk 21:24 - what Allos has shown is that the 1888 message of the righteousness of Christ is the 3rd Angels' message in verity [Rev 14:6-11](#) – and must be associated with [John 1:1-3](#) and [Rev 13:8](#) & [Rev 16:15](#).

But more, the fact of an important Eternal component of **Christ's everlasting righteousness** is the Everlasting Gospel from the Two of Them - God and Ho Logos - The Word who was with God and who was [also] God - John 1:1. This immutable fact welds the import of Imputed everlasting Righteousness and why The Word identifies Himself as the first and last = A&O – and why the Bible states He also was Eternal, since He said He was alive and was dead and alive forever [\[Rev 1:18\]](#).

He prophesied that the *Abom of Des* Matt 24:15 [apotelesmatic] (Dan 12:11) that would endure 1290 days and would include the time of the First and the second beast of Rev 13. So how can we not consider the importance of Imp R and its correct purpose and meaning in the context of the 1290 days? The purpose of Rev 13:8 and 16:15 must be understood.

The information in the 1888 materials in a sense does confirm the First Angel's Message concerning the worship of HWM - but what was not brought out by the 1888 messengers and subsequent messengers [Weiland/Short] was **Christ's eternal Identity** = eternal righteousness - and these are important details, because it is **His eternal righteousness** that is imputed to all names recorded in the Lamb's book of life LBOL. In other words - Imp R concerns the LSFTFOTW [= [Rev 4/5](#)].

Jones & Waggoner did not adopt the details of Christ's Eternal Identity - they said, He was born or emanated in eternity - and therefore did not make it known in the post 1888 era the theological implications of the why Christ is the A&O - and why Imp R from this vantage point means everything with justification, sanctification and the cleansing of the Day of Atonement [DoA] since it is, HE

who has the "keys of life and death" [Rev 1:18 b]. The post era folk were struck down with the issue of the daily controversy and did not - solve it.

Therefore, when the context of the Third Angel arrives in reality - what happens now if you adopt the original theology of Waggoner & Jones? Well, it goes like this – If you don't have the awareness of what the First Angel states (the Godhead - which requires attention) how can you read and understand the *abom of des* as spoken by Daniel the prophet [Matt 24:15]? You cannot!

It is vital - we must identify why Christ cannot be associated with anything Gnostic, Arian or Trinitarian. Otherwise, who will know (when there are many false christs - not to mention the force of argument from the guy at the Third Temple - 2Thes 2) to know unto Whom alone is also worthy of worship. Well?

Those who blithely dismiss these facts don't have a testimony of Jesus [Rev 12:11], nor do they know why He is A&O, nor why He is the LSFTFOTW as shown is an eternal Identity and an eternal righteousness = can only be Imp R = the Everlasting Gospel. In short - confusion will reign with these voices at the time of the First, Second, and Third Angel - at the time of Rev 13. Fact is the First Angel's warning grows exponentially in the Loud Cry and includes the second call and the Third. Laodicea laboured long with the 3AM honing solely with the Sabbath, the Law by grace and by faith. Yet Laodicea's various elders and messengers say little if anything when it came to the Ministry of the Man in linen [MiL] and His **eternal Identity** Jn 1:1. They too betrayed their sacred trust.

1888 in summary

The Lord in His great mercy sent a most precious message to His people through Elders Waggoner and Jones. This message was to bring more prominently before the world the uplifted Saviour, the sacrifice for the sins of the whole world. It presented justification through faith in the Surety; it invited the people to receive the righteousness of Christ, which is made manifest in obedience to all the commandments of God. Many had lost sight of Jesus. They needed to have their eyes directed to His divine person, His merits, and His changeless love for the human family. All power is given into His hands, that He may dispense rich gifts unto men, imparting the priceless gift of His own righteousness to the helpless human agent. This is the message that God commanded to be given to the world. It is the third angel's message, which is to be proclaimed with a loud voice, and attended with the outpouring of His Spirit in a large measure. {1888 1336.2}

CONCLUSION I

The [1888 materials](#) by EGW do not reveal that Jones & Wagg as well as Laodicea ever had the complete package concerning everlasting righteousness. Alas, they J&W advanced the Arian Gnostic doctrine of God - the twice born teaching and this **CAN NEVER** be used in the true setting of the First Angels message! And for that, neither can any variation of the TTD participate in the First or third Angels warning - because they too, only recognize 1G in whatever species they say. Whether it's the Triune Godhead or the Gnostic Arian teaching begotten in

eternity not made/emanated - all you have is a lesser god (denying His eternal identity/everlasting righteousness). How can you then with any confidence know the proper context of His Imp R in respect to Rev 13:8 and 16:15. **It's impossible!**

Nor is mainline Laodicea without excuse – they were given a sacred trust and abandoned that with [Fundamentals 2.4](#) . While many today are to be found in separated companies, they are impossible to speak to - and they all convey they are very satisfied with their renditions of RxF, importance of Commandment keeping and feasts. They in fact, deny they teach mysticism of Gnosticism with 1G theology - which only means they are increased with goods and have need of nothing. They dismiss their Saviour's Eternal Divinity and His Eternal Righteousness = [Psa 35:28](#), and this is a snare - because for them looms serious questions - they ARE NOT prepared for the time of the *abom of des* as spoken by Jesus [Matt 24:15]. Frankly by their arrogant attitudes they lead many to remain unprepared. Yet Jesus said - whoso readeth, let him understand.

Mainstream Laodicea flip flopped on the doctrine of RxF of 1888 - and if you asked any elder or pastor today the purpose of Imp R in respect to HWM as the Alpha and Omega, they would feel besmirched, and for that they too cannot participate in the Loud Cry due to [Fundamentals 2.4](#) - and it will be unto them as a snare - [Luke 21:35](#). The First Angel is so important - yet they are worried about avoiding the mark - yet are already snared and worship the image. Go figure that!

The 1888 messengers had a strong advocacy of doctrine of Christ's righteousness, the 10C and faith alone and uplifting Christ which as EGW said was the third Angel's message in verity. Unfortunately, fact is, with the light concerning the A&O and Imp R they could not fulfill the uplifting of Christ as the sin pardoning Saviour since they denied Who He was from times eternal. That's a problem! It means devotees of the 1888 message do not have the full package concerning the Everlasting Gospel. Why? Simple - they hold popular 1G conclusions on the doctrine of God omitting critical details about Ho Logos = they **do not** have a testimony of Jesus about His Eternal Identity prior to Bethlehem = First Angel and Imp R.

Conclusion II

This is the reason as to why Laodicea - of whatever species cannot kid themselves into thinking that they can give the 3rd Angel's message faithfully. If you cannot get the First Angel right - forget about the Third!

Also, the test of the Third Angel is for the world as well as Laodicea - since Laodicea failed the First Angel in the GC session of 1980 and both basically involve the same issue during the second phase of the second woe and the successive time of the 3rd. The 3rd Angel has the added weight of the scenario which took place at the [plain of](#)

[Dura](#) - which takes place during the last 30-day period following the 1260 days of Matt 24:15. This is the reason as to why the first set of the 3 Angels involved the type of the Sanctuary. But the message of the 4th Angel will most probably involve all 3 since the listeners need to hear the whole story in tandem - one with the other - if the Sanctuary and the True High Priest is to be understood - and if not, its purpose is for the exit after the stop at the station. We were told that those who have recently accepted the 3AM will have to become acquainted with these truths in a shorter period of time.

CONCLUSION III

The sealed of Rev 7 don't experience the wages of sin - they are cleansed, their filthy garments removed [Zech 3] and they receive new linen = the righteousness of the saint's [\[Rev 19:8\]](#) which is nothing less than the Eternal/Everlasting Righteousness of the LSFTFOTW. God states they give a **perfect witness** against the Dragon = [Rev 12:11,17; 19:10] = a cleansing, cleansed by Word, sanctified by Truth. Cleansed by the Word = Testimony not defiled by women [\[Rev 14:4,5\]](#), yet stand naked, in sinful flesh and later at the 1335 days new clothing is placed upon them. [Rev 16:15](#) poses a problem for the Laodicean theory of instant righteousness in the flesh. The warning of keeping the garments can only be in relation to the right Testimony. This verifies with Rev 14:6 which states the relation of this message to the Everlasting Gospel and the call is the worship of He who made HWM Rev 14:7 which includes the testimony of the Judgement hour. Laodicea always claims that it's the Sabbath. But as seen - Sabbath observance without the true knowledge of HWM in light of the one g problem is useless since the one g - 3T people also have a false witness that includes the Sabbath. And some claim that the Sabbath is not for gentiles. So, the counterfeit NL applies really well. At this point one would not be surprised if one day Laodicea drops the Sabbath by way of forced compliance to the [7](#) Noahides 7NL.
