Pt. 6

Pg. 1

*E*ditor’s Preface

In prior thought papers, we have briefly pointed out how to deal a decisive blow to the Trinity **and** the Arian Father Son doctrine in all of its forms. Few realize the monotheistic teaching is stoking hatred against the core of the First Angel’s warning. Now, this thought paper is not about finalizing this subject, the fact is, John 1:1-3 does in deed sever the snake’s head. The Truth of the 1st Angel and its precise warning inflicts a decisive & deadly blow to the monotheism of the Trinity and the Arian Father Son doctrine and other related errors. God said few would believe it anyway. [Rev13.3-6](#) Nevertheless, God intends to put all snake charmers who peep and mutter to silence. Why? Their testimony is the same as that wicked [ho onomos] of 2 Thess 2 at the time of the 3rd Temple, and that is not the testimony of Rev 12:11. Please visit our YouTube channel ‘Five Agendas’ and watch our video on ‘Revelation 4 and 5’. Remember, Rev 4 & 5 contains the antidote for the deadly snake bite ‘The Masterpiece of Deception’ - ‘The Masterpiece of devilry’ and provides all men the heart of the Masterpiece of Divinity - ‘look and live’? Plus, check out our most recent video series - ‘The Masterpiece of Divinity which help to highlight & explain this Masterpiece of the TWO ETERNAL DIVINES. Lastly, the thought paper links are important, and we encourage further study. Feedback, questions, or concerns are always welcome.

Cutting the head off the snake!

<https://en.wikipedia.org/wiki/Tritheism>

Tritheism (from [Greek](#) τριθεΐα, "three divinity"^[1]) is a [nontrinitarian Christian heresy](#) in which the unity of the [Trinity](#) and thus [monotheism](#) are denied. It represents more a "possible deviation" than any actual school of thought positing three separate deities.^[2] It was usually "little more than a hostile label"^[3] applied to those who emphasized the individuality of each [hypostasis](#) or divine person—[Father](#), [Son](#) and [Holy Spirit](#)—over the unity of the Trinity as a whole.^[1] The accusation was especially popular between the 3rd and 7th centuries AD.^[1]

*“Watchman,
what of the night?”*

*“The hour has come, the hour is striking, and striking at you,
the hour and the end!”* Eze. 7:6 (Moffatt)

“Thus shall ye say unto them, The gods that have not made the heavens and the earth, *even* they shall perish from the earth, and from under these heavens.” [Jere 10:11](#)

The readers who have followed the Masterpiece of Divinity series know the decoupage of information above - is **snakelike** - and so alien it's quite subtle - yet beyond the actual revelation of the Elohim and it is, for what it is, - just another other form of devilry. More importantly the observant will note - it's another attack on the First Angel's message of Rev 14.

Similar alien fingerprints intrude in this discussion on [Binitarianism](#). If by reading both items - you cannot discern the difference - then it is time to know now.

That is the reason as to why the - **head of the snake** - has to be cut from a different angle and that angle resides in the **eternal son heresy** since Scripture proves there were in fact Two Eternal Fathers from Eternity and - One of Them- become a Son by way of a [decree](#) lowering Himself.

All the talk of hypostasis is just philosophical nonsense since these triune symbols appear outside of Christianity as well as in the occult, and oddly is found in the pages of the [NKJV](#) version.

The definitive verses of Two Fathers reside in [Zechariah 3:8](#) - [John 1:1](#) - [Philippians 2:5-7](#) - [Isaiah 9:5-7](#) - [Psalm 110:4](#). They are an anchor to our faith as to Who were [en arche](#) the Elohim - and anything contrary, one will never have [Rev 12:11](#) or [19:10](#) status.

Once it can be proven that there were two Everlasting Fathers then see [Exodus 3](#) - then both the Trinity & Arianism in eternity prior to the Incarnation - is debunked.

The reason as to why there were Two Eternal Fathers resides in the prophecy of [Isaiah 9:5-7](#) - on account of the fact that in order to be the Son - He had to be born. And if this is altered to an account of emanation or to be called God the eternal Son - either way it's the same thing. The reason as to what He previously was, is found in

the three names, [Wonderful](#), [Counsellor](#) as well as "[Everlasting Father](#)".

So how do we know this? The reason is simple.

Wonderful was the name of the **Angel of the Lord** [Judges 13:16](#) whose response to Samson's dad Manoah revealed this matter when He stated it with a question by asking, "is my name too Wonderful"? [Judges 13:18](#) In order to be called something, He had to be that something - prior to his birth.

Counsellor lowers Himself when overshadowing Mary = [Rev 4](#) and [Luke 1:35](#)

And He then appears in [Revelation 5](#) within the human genetics of Mary in the form of Jesus Christ a [two in one being](#). Lamb slain.

The [decreed](#) Son [proceeds](#) from Everlasting Father # 1 = Angel of the Lord = Christ prior to the Incarnation as proven from Zechariah 3:8. The Servant form that is born = the Son by way of the inclusion of human genetics into the picture.

Fact is, many sons are being called to glory, but in the beginning, it was Two Eternal Fathers with a plan. It could be stated that the plan was the decreed Sonship in the Alpha scenario, but not the literal aspect of an Eternal Son, since Hebrews 7:3,4 presents a firm bulwark against that error which stems from the Neo Platonism created Logos son who in turn created everything else. It is clear some manuscripts followed this influence.

The Prince - Let's not forget Prince of Peace.

"The Prince" which = a Messianic term comes from [Daniel 10](#).

Michael is Daniel's Prince and the Advocate of Israel = Counsellor which in the New Testament

is [Allos](#) Parakletos = Holy Spirit, one who is of the same category but distinct – and always keeping in mind that Jesus never used the word Heteros to describe His relationship to the Holy Spirit. This is backed by [2 Corinthians 3:16-17](#) which is the veil that is finally removed when we understand that the [Eternal Spirit](#) is another name for Christ prior to the incarnation as Jesus Christ.

[Revelation 4](#) simply presents the same arrangement of [John 1:1](#) with the veil not being present in John 1:1. The same veil of the Angel of the Lord as Counsellor is seen in [Exodus 3](#) when the Angel of the Lord appears to Moses in the vision of the Burning Bush - which wasn't burning and later Moses is told that it's the Angel of the Lord and instructed to remove his sandals since he was standing on Holy ground. When Jesus went through the curtain whether it be the Holy place or the Most Holy place - the Biblical wording is clear, it's the Hagia or Sanctuary.

What is being conveyed is not the misconstrued theology of a Final Atonement setting in the Spring of 31 AD. But the Revelation of the representation of who was revealed in the earthly Holy place as the 7 Branched Candle stick Menorah = Jesus as the light of the world or Bread that came down from Heaven.

This scenario is immediately seen in [Revelation 1](#) Jesus being surrounded by the 7 Lampstands - and if we are talking about His presence directly before the Father in a **non**-Final Atonement setting it is basically the revelation of the One Whose presence led Israel in the desert as well as the One Who manifested His presence in the Most Holy Place - the cloud by day and the pillar of fire by night. It is basically the same arrangement that is seen in [Revelation 4](#), the 7 Spirits of God before the throne which is the veiled form of John 1:1. And when He went through the curtain the veil was removed and

the new setting is seen in [Hebrews 8:1,2](#) = [Psalm 110:1-4](#) = Melchizedek = the Anthropomorphic Revelation of the Counsellor of Revelation chapter 4 = 7 Spirits of God. And once this fact is established we can understand why the Holy Spirit was poured out on the [Day of Pentecost](#).

The church now had a High Priest and would be led by the Counsellor which = "[Christ in you](#)" the hope of glory. Compare the tongues of fire on the Day of Pentecost with the manifestation of the Angel of the Lord to Moses as the Burning bush.

Once the mythological lore of [Neo Platonism](#) is separated and set aside from the true Eternal nature of the Word - Ho Logos = Christ, then what remains is His Eternal transcendence as being equal to the Father just as He stated in [John 14:9](#) as well as in [Philippians 2:5-7](#).

The Branch—

In [Zechariah 3:8](#) here again we see that the Angel of the Lord places a veil upon the identity of the Branch Servant which is actually Himself being born on earth as Jesus Christ - and He also appears to place a veil on the 7 Spirits of God yet He clearly states that the [Stone has 7 eyes](#).

That Stone is clearly Jesus Christ and the Angel of the Lord is very specific in reference to the two in one aspect of [Revelation 5](#) since he states that the Stone has 7 eyes. The only inscription [engrave the graving 3:9] that I recall is the one placed on the cross as well as the Lamb of God that takes away the sin of the world as seen in verse 9.

Here again 2 Corinthians 3:16-17 removes the veil.

Summary:

The Angel of the Lord is the Everlasting Father who brings forth the Branch. The Stone = the Branch Messiah and the 7 eyes or 7 Spirits is the Counsellor.

He then states that He will remove sin in one day. Here we have Melchizedek as the final Revelation of the Final Atonement = Psa 110:4

⁸“Listen, High Priest Joshua, you and your associates seated before you, who are men symbolic of things to come: I am going to bring my servant, the Branch. ⁹See, the stone I have set in front of Joshua! There are seven eyes[Ⓜ] on that one stone, and I will engrave an inscription on it,’ says the Lord Almighty, ‘and I will remove the sin of this land in a single day.

John 1:1 = LSFTFOTW (Lamb slain from the foundation of the world)

From before the Foundation of the world - but not necessarily from before the creation of the universe. How far back in time was this thought of? We don't know and it's irrelevant since the point in time was prior to the foundation of the world.

Yet the message of the plan of the [decreed](#) Son prior to David and the literal sonship after David [according to the seed of David [Rom 1](#)] is referred to as the Everlasting Gospel that is correct. It is Everlasting since Ho Logos is Eternal Father # 2 who backs it up with Everlasting Righteousness since He like the [Ancient of Days Father #1] never had a beginning, which takes us back to the in beginning [no article] of [John 1:1](#) = The Two of Them. Two Fathers. The Logos and the Theos. Further - The Alpha Identity = [Eternal Identity] of the Logos was prior to Bethlehem. His Identity in time from Bethlehem [Luke 1:35] = the genetics of Mary and the uniquely begotten God = Monogenes Theos = Omega scenario. Designated by decree from the time of Bethlehem - He shall be called the son of God.

Why the need for this [perspicuity](#)? This delineation and discussion is seen in [Rev 4 & 5](#)

Conclusion:

The head of the snake is [cut off](#) because the devilry of the **eternal son heresy** cannot survive now – severed by the [two-edge sword](#) of Truth = The [sword of the Spirit](#), which is the Word of God. The Two edge sword = Two Eternal Father's.

From this angle the Word of God severs the serpents head – and severs completely the eternal son heresy first – [The First Angel](#) is saying it is a most dangerous opponent.

The **eternal son heresy** was never designed to replace or match Christ's Divine Eternal Identity = as Ho Logos = Melchizedek = the I am Alpha Father #2. And when born of the flesh, Branch = Son of God = monogenes theos = I am the Omega. His Eternal Divine status is a Masterpiece of Divinity.

Understand the seriousness? Well, you now have in your possession the necessary spiritual armour, to testify of Christ that includes the breastplate of eternal righteousness. Divinely fitted to join the First Angel's warning. Remember – it is the only Two Edge Sword the sword of the Spirit that exposes the 'son of perdition' in the last battle.

Are you ready?
