## A Fake ARMAGEDDON?

Pg. 1

### *Editor's Preface*

Dear Readers, this month's thought paper covers more of what I received from the Bible Student writing under the penname 'Swift Messenger'. It will give us something to think about!

My previous understanding of this month's thought paper topic can be explained as follows – Let's just say I had a rough mud map drawn out with a stick in the sand of two particular cities along with the two highways that run in and out of these two cities. However, it was the following material that provided me with the top of the line GPS so as to see more of the whole 'BIG PICTURE', accompanied by a detailed Atlas and Earth app on my Tablet so as to see everything in more detail from above. Now I am better equipped. So, buckle up with me and hold on! Now, let's go! I mean – *“Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.”* (2 Tim. 2:15)

There are some abbreviations throughout: KoN - KoS = King of the North - King of the South. MWFP = Miracle Working False Prophet. GM = Grand Monarch. NWO = New World Order. 7NL = 7 Noahide Laws. 2W = Two Witnesses.

### A FAKE ARMAGEDDON?

'In our age of “information disinformation” who is speaking truth on matters of importance? It's hard to gauge if we do not have the Master Template – the Holy Bible as the rule over assumptions and theories and test them all against the Holy Bible – It is Written. This thoughtful paper is prepared to provide insight to the Books of Daniel & Revelation so that we can be prepared for the unexpected - and should it not eventuate, we will be wiser for the investigation.

**Does Dan 8:13-14 which holds a connection in respect to the 1290 days' abomination of desolation [see Dan 12:11] as well as other aspects of chapter 12 provide that also confirms the battle of the KoN and the KoS is a fake Armageddon?**

### ARMAGEDDON

The interpretation by mainstream Christianity today suggests the place called in the Hebrew tongue Armageddon – is the plain of meggido or also known as

the Jezreel Valley as interpreted from the koine Greek the plain of Esdraelon

[https://en.wikipedia.org/wiki/Jezreel\\_Valley](https://en.wikipedia.org/wiki/Jezreel_Valley)

<https://en.wikipedia.org/wiki/Armageddon>

It is north of Jerusalem

<https://www.google.com/maps/search/Jezreel+Valley/@32.5639344,34.1185436,8.25z>

<https://bibleatlas.org/full/armageddon.htm>

[https://en.wikipedia.org/wiki/Middle\\_East#/media/File:Middle\\_east.jpg](https://en.wikipedia.org/wiki/Middle_East#/media/File:Middle_east.jpg)

Where does this interpretation of Rev 16 = Esdraelon Valley leave us when considering there is a war at the end times, in fact a furious battle that in all respects - would this be considered the end of the world and Armageddon? Yes, of course.

But is it reliable news or a reliable interpretation or a fake Armageddon?

#### A FAKE ARMAGEDDON?

Daniel 11, the last 5 verses a war is prophesied between **two kings** and then the Scripture reads Dan 12:1 and Michael stands. **But is this battle Armageddon or is it a fake Armageddon?**

Many would say when the events of Dan 11:40-45 arise – oh, look, this has to be the battle of Armageddon because *"He shall enter also into the glorious land, and many [countries] shall be overthrown"* regardless whether *"Edom, and Moab, and the chief of the children of Ammon"* escape.

Armageddon is a once used basis word [Rev 16:16] and if this location was Esdraelon then this would be the end of this study since the details of the war of Dan 11:40-45 would be considered = Armageddon.

When this once used word is *transliterated* in reverse from the English back to the Greek then back to the Hebrew = Har Mo éd = Mount of the congregation [Rev 16:16 = Ps. 48:2]. David was this cities king.

[write/email our office for a free digital copy of the Bible Study Guide]

Since it's a place called in the Hebrew tongue the transliteration of the word found in Revelation 16 identifies the real Har Mo 'ed [not meggido], and its location is the mount of the congregation not the valley, and for that matter it is as stated – it is *the battle of God Almighty*. Because there ... *the spirits of devils, working miracles, [which] go forth unto the kings of the earth and*

*of the **whole world***, [and not just the ones listed in Dan 11] *to gather them to the battle of that great day of God Almighty.*

Whereas, the battle of Dan 11:40-45 = a war and as Daniel explains - the combatants' identities are **two kings** – the King of the North and King of the South. The battle specifies the location and it is important to observe this includes *"the glorious holy land, [and] many countries will be overthrown including Egypt"* – but *Edom, Moab and children of Ammon* escape. The fury of this event includes *confiscating the treasuries of Egypt, and the Libyans and Ethiopians fall in with him.*

The news bulletins of this time will feature pundits such as eminent theology professors who can easily portray this war as the battle of Armageddon – Due to its location in the territories of the Middle East – it can be viewed as the end of the world because many perish. [c.f. Dan 11:40-45]

It can be easily considered the end of the world. Was not there a peace deal [Joel 2] in the land of Israel and for and on behalf of its great city? Yet the Scripture reads that after much devastation and defeating the KoS, the victor [KoN] as the prophecy advises that he in fact rather suddenly comes to his end, and none shall help him. [Dan 11:40-45]. He comes to his end in the glorious holy mountain. The city. Despite the mainstream media - this war is a **Fake Armageddon**.

#### Fact 1

The war described in Dan 11:44 does not occur in the Great City [Jerusalem = Har Mo éd = since the KoN enters the glorious holy mountain. See Dan 11:44-45

#### Fact 2

God does not associate the battle of the King of the North and the King of the south as compared to a gathering of unclean spirits or call it the battle of that great day of God Almighty. [c.f. Rev 16:12-14]

#### Fact 3

The events of the KoN vs the KoS is not at the time of the Seven Last Plagues. [c.f. Rev 16]

#### Fact 4

**The fact that the KoN = 7<sup>th</sup> King of Rev 17 enters the glorious holy mountain as distinct from the glorious holy land [Dan 11:42 c.f. vs 44] – and none shall help him. Then, at that time Michael stands up. And for those who are following the WWN thought papers on the Man in Linen that makes for some interesting comparison to Ezekiel 9.**

God does say concerning the KoN that news from the North and East troubles the victor. What is it that would trouble the ascent of the KoN = 7<sup>th</sup> king of Rev 17 = is the king who is widely known in Catholic prophecies as the Grand Monarch (GM).

See [https://en.wikipedia.org/wiki/Last\\_Roman\\_Emperor](https://en.wikipedia.org/wiki/Last_Roman_Emperor) who foretells of a GM.

Daniel states he comes to his end and none shall help him – the relation to the 7<sup>th</sup> king is the foremost dominance of the 8<sup>th</sup> who is of the 7 [Rev 17:10] and is cast down as a trouble maker to the NWO. What does that mean?

The often-overlooked matter of Rev 17 exists which is the very fact the Scarlet woman of Rev 17 is destroyed [vs 16] and as God has said she is fully behind the GM or 7<sup>th</sup> king as foreseen in Catholic prophecies. It really needs to be repeated this scarlet woman and her 7<sup>th</sup> king consort is destroyed by ten kings who hate her – see Rev 17:16.

There is no doubt the scarlet Church has to be blamed for all the troubles of history and since the GM suffers a deadly wound is it possible Rev 17:16 = Rev 13:3? There can be no doubt because God states after the deadly wound [c.f. Dan 11:45] then comes the 1260 days or 3.5-year reign of the Beast of Rev 13 **and God does not say the 1260 preceded the deadly wound.**

For the readers who feel there is not much by way of events that transpires between Dan 11:45 and Dan 12:1 is not familiar with the Book of Revelation and would easily be of the view the battle of the KoN v KoS = Armageddon. Why is this?

Into the picture between the events of Dan 11:45 and 12:1 there is or has been the materialisation of the 3<sup>rd</sup> temple and the matter of that temple relates to the testimony of the **2 witnesses** especially when they are killed in the streets of the Great City.

This will be a much celebrated but short-lived victory since the 2 witnesses rise from the dead and ascend in a cloud.

The fake Har mo'ed battle is the tipping point of events in the Middle East and to what God said is the Mount of the Congregation [Har Mo éd] and this ensures the securing of global rebellion in relation to the 2 Thessalonians 2 (man of sin) and then, that time frame includes the phenomena known as the "law of one" with unity consciousness and how Satan tries to do away with the duality of the Godhead applying the strict interpretation of the (counterfeit) Shema in respect to the Godhead and the invoking of the 7 Noahide laws (7NL). [Isa 2]

The enemy does not always tell a lie. The preparations for the Law of One have already been extensive.

<http://www.mindreality.com/universal-and-personal-aspect-of-god>

Here in this link above is an occult interpretation which is a mixture of the tree of good and evil. Does this interpretation fit with what God states about the gathering of spirits like devils - a unity of consciousness?

Notice what is stated from an occult viewpoint -

- God has three personal aspects. The Father, the Son and the Holy Spirit. You can relate with any of these three because you are still relating **to the One God.**
- We human beings are also "fallen angels" because we have fallen from our consciousness of being divine beings.

It is to be known however, that humans have no pre-existence but the matter of the calling of God - is as the Bible states - is to be a partaker of the divine nature.

The occult neo gnostic concept -

- **Jesus is such a grand concept that it cannot be something that is made up in a linear fashion in time.** It had to come forth simultaneously with all things in existence from Eternity.

The deceptiveness of this information is something.

When these excerpts are taken the wrong way it's the Neoplatonic view of an emanated Logos called Jesus and that is wrong according to John 1:1 and the Book of Revelations – identity of The Divine Identity Who Identifies Himself as the Alpha Omega.

But as for the gnostic concept His sonship prior to the incarnation was and is in fact a decree from before the foundation of the world. [c.f. Ps 2] The importance of John 1 is truly underestimated for it exposes the deception of the devil concerning the Two Divines 1) Ho Theos and 2) Ho Logos who was en arche – [John 1:1-3 Gk]

Please review the Masterpiece of Devilry. (prior issues)

Further from the occult mindset is the following:

<http://www.mindreality.com/mystery-of-lucifer-ascension-into-supremacy>

Jesus is Alpha and Omega, the beginning and the end, the first and the last. In Christ, we are far above all principalities and powers. We have been seated together with Him on His throne. **Jesus died to give us what even Lucifer fought for but couldn't attain.** Can you believe how great a position and an honour that is? He has given us the highest Sonship with God the Father through Himself. As Christ is, so are we in this world. **In Christ, we are like the Most High.**

Fact remains Lucifer/Satan wants to eliminate the duality of John 1 and emphasize the oneness of God and this is the entire point of the warning of the First Angel Rev 14:7. **Since the first angel reminds us there is a second Identity worthy of worship.**

What events exist between the Dan 11:45 and Dan 12:1? The Book of Revelation reveals the details.

The first 4 Trumpets are natural calamities and provide their own distinctive time of trouble [c.f. 8:7-12], and the next 2 woes Trumpets Five [9:1-12] and Trumpet Six [9:13-21] reveal a two-phased war which is the 1) KoN KoS conflict with Nazi Fascist forces defeating the KoS [c.f. Dan 11:40-45]. Oddly, the Denver NWO mural shows the image of a Nazi Fascist GM. [Link](https://media.boingboing.net/wp-content/uploads/2011/08/img_3664.jpg) [https://media.boingboing.net/wp-content/uploads/2011/08/img\_3664.jpg]

And 2) The second phase = News from the North and East. Is this indicative of China and Russia taking down the GM. [c.f. Dan 11:44] Map below refers.

This prophecy in relation to the Quadriga [\[Brandenburg Gate\]](https://www.britannica.com/topic/Brandenburg-Gate) [https://www.britannica.com/topic/Brandenburg-Gate] in Berlin cannot be applied to the 8th King in the matter of direction as stated by Daniel as North and East. Of course not! Since North and East applies to Har Moéd based on the context of the 7th king entering and being destroyed between the seas and the glorious holy mountain.

In regard to the very matter - since the Question of Rev 13 is this - who can war with the Beast does in fact relate to the Quadriga in relation to the 8th and the Quadriga relates to the ultimate destiny of Asshur at his maximum greatness as the global leader of Rev 13.

The Quadriga relates to the 8th but also to the 7th as a Nazi Fascist. But at the present time it's in Asshurland and not in the land of romance since the last guy that had it was Napoleon.

The second woe of Revelation = this second phase of the war which = the first phase of the second woe or first portion and when it ends - this begins the second portion of the second woe which = the ascendant period of the 7th King at the Great City which is to be his religious Capital **and** his Political Capital **Berlin** where the Quadriga and the Pergamum Altar reside. They are placed in fact heartland of the ten horn Scarlet Beast [Rev 17] at the time of the 7<sup>th</sup> king.

The repair job of North and East is in relation to the fall of the 7th king [GM] and contextually speaking this deadly wound occurs between the two seas and the glorious land between those two seas. It is the shrewd cunning of the two phases of Asshur that will confuse many.

[https://www.history.com/news/Brandenburg-gate-a-brief-history]

Now let's address the matter of the Pergamum altar [= occult] and its relation to the 8th King. Originally it entailed the death of Antipas [Rev 2:13] and now it will entail the death of the Two witnesses since this will seem as the ultimate victory in the world of the occult and reflects the very same concept of the death of Antipas. The Trumpets of Revelation 8 and 9 are the road map to the war of Dan 11:40-45 especially with the 5th trumpet marking the defeat of the KoS which are the locusts in the form of the Friday keepers or demonic entities.

[https://www1.cbn.com/700club/seat-satan-ancient-pergamum]

It is rather interesting that in both instances whether literal or demonic it paves the way for Apollyon [9:11] who in reality is the god of the Friday keepers = Saturn and the bottomless pit = those waters of **the well of submerged chaos** [see 9:1 [Gk](#)] = Antarctica. [[https://www.concordant.org/version/read-concordant-new-testament-online/27\\_unveiling/](https://www.concordant.org/version/read-concordant-new-testament-online/27_unveiling/)]

It is from these waters that relate to the ascendance of the Beast from the bottomless pit [well of submerged chaos], and great evil that may come from that place [like great furnace], in relation to melting ice caps and this is not dissimilar to what Jesus stated in Luke 21:24-25 about the roaring of the waves and the sounds of the sea. And when vs 25 is read in context - does it mean it is actually in relation to forces that are now in motion down south? The irony is the occult animation is in fact presenting the mystery individual emerging from well of submerged chaos. ( I Pet Goat II - [link](#) ) [<https://www.youtube.com/watch?v=-cWRy0QJsRY>]

By the end of the First portion of the second woe, of Revelation - then comes, the contemporaneous showdown between the Beast and the Two witnesses. [See Rev 11]

There is no requirement that the Two witnesses have to be present immediately after the fall of the 7<sup>th</sup> king /GM since their witness = 3 1/2 years and when you add to the fact that the beast also reigns for 3 1/2 years both the reign of the beast and that of the 2W (Two witnesses) are contemporaneous since they are both presenting the **reason** regarding as to who has the truth and who is lying.

It seems that the 2 witnesses are working and no one can hurt them and sackcloth implies repentance. [see Rev 11] Later comes replay of Elijah versus the prophets of Baal and this time the order is inverted with the bad guys apparently winning.

The KoN / KoS conflict took place during the first woe = victory for the 7th GM and the second woe first portion sounds like the retaliation against the GM with the news from the North and East which is the defeat of the GM and the second portion of the second woe is the 3 1/2 years of contemporary witness between the Beast and 2witnesses which is basically the show down which brings into play the global celebration after the slaughter of the 2 witnesses. The ultimate victory of the occult?

And then the close of the second portion of the second woe and the resurrection of the 2 Witnesses which closes the second portion of the second woe. [Rev 11:9-14]

Then with the completion of the 30-day period = conviction that truth had been presented during the 1260

by the 2W as well as at the end we now see at the completion of 30 more days then comes the activity of the MWFP (Miracle Working False Prophet) in order to deviate the minds from what took place at the end of the 1260 mark.

The question is proposed – is God saying this is the reason as to why the final events will be rapid after the 3 1/2 are finished – be it known – and observe carefully what is clearly what is stated in respect to the **Ministration of the Man in Linen** as seen in Daniel 12:7 and Daniel 12:11,12

Daniel 12:7 = Continual = when it is taken away [shall be finished KJV] = the close of all human probation within the time frame of the third woe.

The perpetual sacrifice which is actually the Continual [tamid] Ministration of **Man in Lin** is finished. It is clearly identified by this particular event in 2 Thess 2.

#### 2Thessalonians2

<sup>7</sup> for the secret of the lawlessness doth already work, only he who is keeping down now [will hinder] -- till he may be out of the way

**Re-read 2 Thess chapter 2** and ask yourself - Is God saying in this chapter that this is the point of no return? The Comforter leaves and permits the final delusion since the love of the truth was rejected (vs 9-11) upon the earthquake and the ascendance of the Two Witnesses occurs. (c.f. Rev 11)

Then the deception of the miracle working false prophet [MWFP] begins around the 1290 mark with 45 more days of deception up to 1335.

Yet – lest we all soon forget what The Man in linen says - **Blessed [is] he that waiteth, and cometh to the thousand three hundred and five and thirty days.** This is the antitypical application in the end events in respect to the abomination and transgressions of desolations.

Notice that the second scenario Miracle working False prophet deceives the inhabitants of the earth into receiving the mark of the Beast = The mark of the 8th head leader which does not relate to the fallen 7th scarlet head but to the 8th ascendant head and its relation to the New Great City from which come the 7NL.

Interestingly - The same false prophet is presented in Rev 16:13 and then comes vs 14 and then the warning of vs 15 and then the **REAL ARMAGEDDON** vs 16.

Daniels prophecy has *stood in its lot* – the antitypical 1260, 1290 and 1335 are to be now comprehended *at the end of the days*. [Dan 12:13]
