

*"Watchman,
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"* Eze. 7:6 (Moffatt)

Noosphere

The Omega Point

Seven Biblical
Noospheres

Part 2

First NOOSPHERE

Going back to the past – the The Antediluvian **pre flood world** appears to have reached this same global consensus. But, prior to this, we first have to explain the **FIRST NOOSPHERE** which was the fall of Adam.

God tells Adam that if he was to eat of the tree of the knowledge of good and evil that he would die. The devil told Eve the contrary, by stating that the day that they would eat of the forbidden fruit,

their eyes would be opened, and they would be as gods, knowing good and evil.

The **FIRST NOOSPHERE** consisted of the Devil telling Eve that she and Adam would be like gods knowing good and evil. Gods are immortal. This is the **first hint** of the concept of **higher consciousness** and **soul immortality** as well as unity with a higher consciousness.

It must be repeated

The **FIRST NOOSPHERE** consisted of the Devil telling Eve that she and Adam would be like gods knowing good and evil. Gods are immortal. This is the **first hint** of the concept of **higher consciousness** and **soul immortality** as well as unity with a higher consciousness.

Eve had arrived at a consensus with Satan, by listening to his voice and point of view, and then literally partaking of the fruit meant she literally became the FIRST FEMINIST to oppose God and to take sides with Satan and later lure her husband who wasn't fooled, but since his love for her was so great, he decided to disobey God, and share her fate.

What Adam didn't realize was that God could have created another Eve for him or He may have permitted Eve to live, since Adam would have manifested his strength of character in not listening to

his wife. **Fact is** that Adam was put here to administer planet earth, not Eve.

It was after the fall that they began to physically die and they saw nature itself take a death spiral. Things in the animal world, as well as the plant kingdom, began to decay.

Yet, something persisted in the minds of men.

The concept that the soul of the person continues on after death and it was specifically for this reason that God placed an Angel with a flaming sword to bar Adam and Eve's entrance into the garden because if they were to re-enter it and eat of the Tree of Life then they would become immortal sinners.

Soul immortality

Mystical union with god

The foundation of the Noosphere

The propagation of this Satanic lie {**soul immortality**} is a major factor in this concept of Noosphere, since according to the so-called reports historically and down to our present time, specifically in reference to "out of body experiences" in relation to nearness of death. And as you recall, people appear to encounter a "light" which is supposedly all loving and some claim to see their dead loved ones.

This is a very ancient manifestation of the devil's trickery and appears in the [Tibetan book of the dead](#) as well as other sources of the occult, or non-Biblical literature.

So, the first Satanic agenda of the **FIRST NOOSPHERE** is a supposed mystical union with god - whether at death, or a supposed near-death experience.

What is death really?

It must also be repeated - The Bible is clear and concise in reference to what happens at death. [Ecclesiastes 3:19-21](#) and [Ecclesiastes 9:5-10](#) emphatically declare that the dead know nothing and are asleep.

¹⁹ For that which befalleth the sons of men befalleth beasts; even one thing befalleth them: as the one dieth, so dieth the other; yea, they have all one breath; so that a man hath no preeminence above a beast: for all is vanity.

²⁰ All go unto one place; all are of the dust, and all turn to dust again. ²¹ Who knoweth the spirit of man that goeth upward, and the spirit of the beast that goeth downward to the earth?

⁵ For the living know that they shall die: but the dead know not any thing, neither

have they any more a reward; for the memory of them is forgotten.⁶ Also their love, and their hatred, and their envy, is now [perished](#); neither have they any more a portion for ever in any thing that is done under the sun.

⁷ Go thy way, eat thy bread with joy, and drink thy wine with a merry heart; for God now accepteth thy works. ⁸ Let thy garments be always white; and let thy head lack no ointment. ⁹ Live joyfully with the wife whom thou lovest all the days of the life of thy vanity, which he hath given thee under the sun, all the days of thy vanity: for that is thy portion in this life, and in thy labour which thou takest under the sun.

¹⁰ Whatsoever thy hand findeth to do, do it with thy might; for there is no work, nor device, nor knowledge, nor wisdom, in the grave, whither thou goest.

Inner GPS

Lately, scientists have conducted studies in "out of body experiences" [OOBE](#) and have concluded that there is no soul that leaves the body and what is basically happening is the fact that we have an "inner GPS" that gives the body a sense of direction or Physical placement of oneself in our physical environment.

But what they have discovered is that this inner GPS can be fooled into thinking or seeing itself outside of the body.

Experiments have been conducted with camera and it appears that the human body or person can be fooled into thinking that they are outside of their body.

Another thing that was discovered is that when individuals who are prone to having these out of body episodes when tested in a lab it was discovered that the left brain goes into operation and the left brain is where illusions and dream states take place.

The Second Noosphere

Genesis 6: - the world unites with Satan:

⁵ And YHWH saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.

⁶ And it repented YHWH that he had made man on the earth, and it grieved him at his heart.

⁷ And YHWH said, I will ^[e]destroy man whom I have created from the face of the ground; both man, and beast, and

creeping things, and birds of the heavens; for it repenteth me that I have made them. ⁸ But Noah found favor in the eyes of YHWH.

⁹ These are the generations of Noah. Noah was a righteous man, *and* ^[f]perfect in his generations: Noah walked with God.

Afterwards, we all know the story; the world was then destroyed by a flood.

The Third Noosphere

The third time this took place was on the **Plain of Shinar**. It appears that once again the post diluvian patriarchs decided to try and build the super-civilization that they once had prior to the flood.

Here is another Noosphere in rebellion against the Eternal Two of John 1:1 and Gen 1:26.

11 And the whole earth was of one ^[a]language and of one ^[b]speech. ² And it came to pass, as they journeyed ^[c]east, that they found a plain in the land of Shinar; and they dwelt there. ³ And they said one to another, Come, let us make brick, and burn them thoroughly. And they had brick for stone, and ^[d]slime had they for mortar.

⁴And they said, Come, let us build us a city, and a tower, whose top *may reach* unto heaven, and let us make us a name; lest we be scattered abroad upon the face of the whole earth. ⁵And YHWH came down to see the city and the tower, which the children of men builded.

⁶And YHWH said, Behold, they are one people, and they have all one language; and this is what they begin to do: and now nothing will be withholden from them, which they purpose to do. ⁷Come, let us go down, and there confound their language, that they may not understand one another's speech.

⁸So YHWH scattered them abroad from thence upon the face of all the earth: and they left off building the city. ⁹Therefore was the name of it called Babel; because YHWH did there ^[e]confound the language of all the earth: and from thence did YHWH scatter them abroad upon the face of all the earth.

Notice some of the elements of this specific Noosphere

1. One language, one speech
2. They said one to another "let us build" a city and a tower
3. To reach Heaven
4. Let make us a name
5. YHWH said they are one people

6. YHWH also stated that being of "one mind" whatever they propose to do, they will accomplish it.

The unity of noosphere when seen in its historic phases brings easier awareness unto detection but again when its woven soul Immortality and state of Dead and NDE really feeds the ego. Self. Then it's a very short step to self-righteousness and sparks of own kindling.

Yes, because those are the points where supposedly the mind meets with the Universe or. higher self which is the opposite of eternal righteousness = self-righteousness. And what happens? It stupors full dependence on HWM.

The 4th Noosphere

Israel found itself in the land of Egypt during the time of Joseph and many years after that a Pharaoh arose who totally ignored the role Joseph played in relation to how he saved Egypt during the time of the Great Famine. He then began to persecute God's people.

The Noosphere at that time was in relation the mystical concepts of Egypt in relation to their beliefs such as a state of higher consciousness as well as polytheism and belief in universal forces or energies and to this day occult societies such as the [Rosicrucians](#) are

heavily influenced by the magic arts of Egypt.

Even the Bible tells us that Moses was schooled in the knowledge of the Egyptians prior to his calling from God.

One thing is certain...

Pharaoh's Atheism was the underlying factor in reference to Egyptian mysticism. Even though they had a pantheon of gods all of this translated to what in theological circles is known as Pantheism. When Pharaoh encountered the power of the God of Israel, he chose not to humble himself and to accept the evidence of the destruction of Egypt by way of the 10 plagues.

What took place in Egypt was a microcosm of what will take place at the end of the age when God will pour out his wrath on the world in the time frame which is designated as the 3rd woe when the 7 last plagues are poured out.

The Atheism manifested in Egypt is part of the same Atheism which took place at Babel as well as in every age of every Noosphere up to the last one.

The 5th Noosphere

The next Noosphere was the time of the Neo Babylonian Empire of King Nebuchadnezzar.

To this Noosphere **we must pay close attention** on account of the fact that it reveals what will be employed in the final Noosphere.

We might all recall the dream of King Nebuchadnezzar and how later Daniel revealed to him the dream that he could not explain which was a huge image or statue with 4 divisions representing the 4 world empires, the Babylonian, the Medo Persian, the Greco Macedonian and the Roman Empire and finally 10 toes of Iron mixed with clay.

The King was shown that a massive stone or rock would come from the sky and hit that image at the toes and the whole image would come tumbling down. Then the King was told that God's Kingdom would destroy all those human Kingdoms.

So, in order to exalt himself King Nebuchadnezzar had erected a massive statue or image out of gold meaning that his empire would never end since in his original dream the Babylonian empire was the head of gold and the rest of the empires would be of inferior metals such

as silver, bronze and iron and later iron mixed with clay at the toes.

The most important thing to note about this matter was the order that the King gave to bow down and worship that image on pain of death.

Here we see another Noosphere of one mind and forced consensus in relation to an image that represents the everlasting empire of King Nebuchadnezzar. One will immediately take note of the fact that the image was not alive and could not speak or give orders. The question is the following.

Will a future image have this capability?
The answer appears to be "Yes".

More on that later.

The 6th Noosphere

Daniel 11:30-32

³⁰ For ships of Kittim shall come against him; therefore he shall be grieved, and shall return, and have indignation against the holy covenant, and shall do *his pleasure*: he shall even return, and have regard unto them that forsake the holy covenant.

³¹ And forces shall stand on his part, and they shall profane the sanctuary, even the fortress, and shall take away the continual *burnt-offering*, and they shall set up the abomination that maketh desolate. ³² And such as do wickedly against the covenant shall he ^{will} pervert by flatteries; but the people that know their God shall be strong, and do *exploits*.

Was the time frame marked by **Antiochus Epiphanes** a Grecian Syrian despotic King who regarded himself as a 'divine presence' as revealed in his name Epiphanes. Antiochus desecrated the Temple in Jerusalem and forced the Israelites to eat swine. He also erected a statue of Jupiter Olympus in the Temple precincts.

The Noosphere of that time, greatly affected the social aspects and cultural norms of the people, as well as the religion of the Hebrews, by way of importing Greek customs especially in the gymnasiums where men exercised naked. One of the beliefs that appears to have been imported into the folklore as well as the religious concepts of the people appears to have been the concept of soul immortality.

Here is the parable as well as the influence of Greek mystical theology in the mind of the people and how Jesus spoke to them in a way, they could understand the fanciful concepts of

Abraham's bosom a spiritualistic concept which is antithetical to the truth since it deifies Abraham. This appeared to be a popular fanciful concept which is not found in scripture.

¹⁹ Now there was a certain rich man, and he was clothed in purple and fine linen, ^[a]faring sumptuously every day: ²⁰ and a certain beggar named Lazarus was laid at his gate, full of sores, ²¹ and desiring to be fed with the *crumbs* that fell from the rich man's table; yea, even the dogs came and licked his sores.

²² And it came to pass, that the beggar died, and that he was carried away by the angels into **Abraham's bosom**: and the rich man also died, and was buried.

²³ And in Hades he lifted up his eyes, being in torments, and seeth Abraham afar off, and Lazarus in his bosom.

²⁴ And he cried and said, Father Abraham, have mercy on me, and send Lazarus, that he may dip the tip of his finger in water, and cool my tongue; for I am in anguish in this flame. ²⁵ But Abraham said, ^[b]Son, remember that thou in thy lifetime receivedst thy good things, and Lazarus in like manner evil things: but now here he is comforted, and thou art in anguish.

²⁶ And ^[c]besides all this, between us and you there is a great gulf fixed, that they that would pass from hence to you may

not be able, and that none may cross over from thence to us.

²⁷ And he said, I pray thee therefore, father, that thou wouldest send him to my father's house; ²⁸ for I have five brethren; that he may testify unto them, lest they also come into this place of torment. ²⁹ But Abraham saith, They have Moses and the prophets; let them hear them. ³⁰ And he said, Nay, father Abraham: but if one go to them from the dead, they will repent. ³¹ And he said unto him, If they hear not Moses and the prophets, neither will they be persuaded, if one rise from the dead.

In verse 27 the idea of the rich man to send someone from the world of the dead - to that of the living - is basically the teaching of spiritualism.

Jesus corrects the matter in the parable itself and reveals the following.

They have Moses and the prophets, if one rise from the dead. Here again Jesus brings into play the correct matrix of God in the form of the resurrection.

Many believed that John the Baptist was the reincarnation of Elijah.

When Jesus resurrected and appeared to his disciples, they thought he was a ghost. Fact is that Ecclesiastes 3:19-21 and Ecclesiastes 9:5 clearly reveal that

this sort of reasoning by way of the disciples was most probably derived from the Greek mystical theology from the time frame of Antiochus.

Lazarus and the Rich Man

This appears in relation to the parable of Lazarus and the rich man and is devoid of the resurrection concept.

Yet, Jesus didn't go about explaining the differences - since he taught the people in ways that they could understand the next world to come according to their limited understanding which was based on soul immortality, whereas the proper setting of the parable, would be found in Revelation 20.

The separation between the rich man and Lazarus would be found in those outside the camp of the saints and Lazarus would be inside the camp of the saints.

It is amazing how many Protestants and Evangelical Christians, as well as Catholics, promote the parable of Lazarus and the rich man, not realizing that it doesn't prove soul immortality; and when interpreted wrongly, it brings in the **matrix of Satan** which is **soul immortality** which is antithetical to the resurrection concept which is purely Biblical.

⁵ The rest of the dead lived not until the thousand years should be finished. This is the first resurrection.

⁶ Blessed and holy is he that hath part in the first resurrection: over these the second death hath no ^[c]power; but they shall be priests of God and of Christ, and shall reign with him ^[d]a thousand years.

⁷ And when the thousand years are finished, Satan shall be loosed out of his prison, ⁸ and shall come forth to deceive the nations which are in the four corners of the earth, Gog and Magog, to gather them together to the war: the number of whom is as the sand of the sea.

⁹ And they went up over the breadth of the earth, and compassed the camp of the saints about, and the beloved city: and fire came down ^[e]out of heaven, and devoured them.

Whereas in the Book of Job, the oldest book of the Bible the resurrection concept is clearly presented in Job 19:25
-27

But as for me I know that
my ^[i]Redeemer liveth,
And at last he will stand up
upon the ^[j]earth:
²⁶ ^[k]And after my

skin, *even this body*, is
destroyed,
Then without my flesh shall I
see God;
²⁷ Whom I, even I, shall
see, [□] on my side,
And mine eyes shall behold,
and not as a stranger.
