

*"Watchman,  
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,  
the hour and the end!"* Eze. 7:6 (Moffatt)

## How is it Tovia?

Is the New Testament wrong?

Pt. 4

### The Clincher

Watching another TS video, and yes, it has flaws regarding the role of Satan. He states that Christians erroneously label him as the main problem when in reality he was used by God in the role of 'accuser' and then he states that Ezekiel 28 and Isaiah 14 have to be read in context.

So, here is the thing - TS is alluding to the **King of Tyre** – yet, that King wasn't in Eden and it had to be someone else.

Don't know how he escapes the matter of the anointed Cherub because the context is rather obvious and confirmed by the Mithraic mysteries website.

Tovia reckons that there is no anti-christ.

He doesn't properly address the matter of the Gnostic assault on Christianity in the first century and doesn't have a clue in relation to the Harlot and her riding over the Beast who is a descendent of Caesar Neron who = 666 = Beast "**that was**" - as well as the [Diocletian persecutions](#) and he doesn't address those [10](#)

[persecutions](#) and how anti-Christian Beast “**that was**”, dealt with Christians and how it will deal with Christians in the final years.

Gnostics were anti-christ as stated in the text itself. So was Caesar Neron whose name = 666.

The term anti-christ is just synonymous with the concept of pure evil and embodies it. There is also the spirit of anti-christ that blankets the nations.

TS also fails to address anti-christ in reference to the “man of fierce countenance” who wonderfully destroys the saints and is clearly in alignment with the description of Rev 13 since his role is played out in the latter days when transgression has reached its fulness.

## TEN MEN

Holding the skirt

TS also fails to see that the 10 men of Zecharia are clearly revealed in Rev 17:12-16 and their relationship with Benny Davd who is referred to as the Beast. And Revelation 17:12-16 clearly reveals this grabbing by the ten kings of the skirt of a J by way of giving their Kingdoms over to Ben Davd. “**Lead us! for god is with you**” is basically the same thing as handing over their authority to the Beast.

TS most certainly doesn't have a clue as to **the 7 Kings of Rev 17:10** and their anti-christian role which was murderous

and Feudalistic and erroneously deviated into Neo Platonism in Nicaea.

Once TS realizes that the NT clearly outlines the role of the little horn in prophecy and it's leading up to the 8th King - he is going to have some serious explaining to do - considering - that he correctly believes that Rome is pagan and scripture confirms it and reveals a prophetic map of this murderous anti-christ system which is drunken with the blood of the saints.

How is it Tovia?

Is the New Testament wrong?

So, according to TS the New Testament is wrong how is these inspired scriptures penned by John able to predict and identify the woman and the Beast that she rides over?

**How is it** that the NT predicted the transition age as well as its "is not" periods and later at the time of the end its reappearance in relation to the Benny Davd expansion of 10 global regions.

**How is it** that the NT identifies the true remnant church and its final struggle with the Syn of S? How does the fig tree prophecy explain the arrival of the so-called restoration of the Great City and its role in Isaiah 2 which TS believes is going to be fulfilled and so do we.

TS comparison of John 1:1 to anti-christ dualist doctrine is skew whiffed since John 1:1 presents no hint of Neo Platonism and its anti-christian concept

of an emanated logos which is termed as the Eternal Son which contradicts the Messianic concept of Genesis 3:15 and its throne of Isaiah 9:6-7.

**How is it** that the New Testament exposes the concept of the Messiah needing the Father's genetics, when Genesis 3:15 states that it's the seed of the woman and this is also confirmed by Galatians that at the proper time, Christ came born of the woman and under the law, thus confirming what had already been prophetically stated in Genesis 3:15.

**How is TS** able to impose the concept of Self-Righteousness - when the book of Job clearly outlines the fact that Job the most righteous man of his era had to repent? Which means that the Everlasting righteousness of Hashem is ultimately what saves a fallen planet since once the fall of Adam took place, death, disease and all types of misery, have entered the planet and now the Rabbinate believes that they will be the solution by way of their role as the suffering servant nation? The blinders are quite bad when TS claims to know the Book of Daniel. Time to remind what Daniel said.

Well, it was the statement of the Angel Gabriel that revealed that 490 years were determined upon Daniel's people in order to make a decision whether to accept or deny the message that was presented in Genesis 3:15 and later Isaiah 53 with regard to the suffering servant who would usher in Everlasting Righteousness by way of his perfect sacrifice.

The warning in Isaiah. 53, the following, **BUT WHO WOULD BELIEVE OUR MESSAGE** regarding the revelation of the arm of the Lord?

The Clincher

How is the Bible the clincher?

They say Revelation borrows from the Old Testament.

This is true and false - but in the particular case of the Beast as the Antichrist - 4th world empire and its final leader the 8th King - both the Old Testament and the New Testament - reveal that the Beast is the final Messianic leader of the Jews since Zechariah did say 10 men of different, nations, tongues and people take the skirt of a Jew and say God is with you lead us, cannot be anything other than Revelation 17:12-16 which is the equivalent text of Zechariah 8:23.

<sup>23</sup> Thus saith YHWH of hosts: In those days *it shall come to pass*, that **ten men shall take hold**, out of all the languages of the nations, they shall **take hold of the skirt of him** that is a Jew, saying, **We will go with you, for we have heard that God is with you.**

Equivalent text in Revelation 17:12-16

<sup>12</sup> And the **ten horns** that thou sawest are **ten kings**, who have received no kingdom as yet; but they receive authority as kings, with the beast, for one hour. <sup>13</sup> These have one mind, and they give their power and authority unto the beast. <sup>14</sup> These

shall war against the Lamb, and the Lamb shall overcome them, for he is Lord of lords, and King of kings; and they *also shall overcome* that are with him, called and chosen and faithful. <sup>15</sup> And he saith unto me, The waters which thou sawest, where the harlot sitteth, are peoples, and multitudes, and nations, and tongues. <sup>16</sup> And the ten horns which thou sawest, and the beast, these shall hate the harlot, and shall make her desolate and naked, and shall eat her flesh, and shall burn her utterly with fire.

Another equivalent text is Revelation 13:1 is the **7 head 10 horn 10 crown** scenario, of "crowns" on the horns, that are not in existence in Rev 17 but importantly it is indicative of two things they received their kingdom and they bring the fulfillment of [Zecharia 8:23](#)

## So, is the Beast of Rev 13 Messiah Ben Davd?

**The answer is yes.**

Since he is an enemy of Christ and [proceeds](#) from the 7th Scarlet King of Rev 17 as a **non-Scarlet** 8th King in Rev 13 who repudiates V [city and burns it](#) - alongside those [10 men who grab the skirt](#) of a Jew.

This is consistent with Hebrew laws pertaining to the destruction of paganism and witchcraft which according to them violates the "oneness" of god in relation to the [Noahide Covenant](#). Further, the mis-interpretation of the **Shema** brings

with it the fulfillment of Deuteronomy 6 verse 8 in counterfeit form = a mark, and a number, right hand and forehead. = Rev 13:16

<sup>8</sup> And thou shalt bind them for a sign upon thine [hand](#), and they shall be as [frontlets](#) between thine eyes.

Now compare Deut 6:8 with Rev 13:16

<sup>16</sup> And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their [right hand](#), or in their [foreheads](#):

Notice that it is stated that it's in the purpose of God for the ten kings to hand over their Kingdoms to the Beast.

<sup>12</sup> And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast. <sup>13</sup> These have one mind, and [shall give](#) their power and strength [unto](#) the beast.

So that God's words can be fulfilled regarding the destruction of this Pagan Harlot woman a modern-day Jezebel, with Messiah Ben Davd being a modern Jehu.

They repudiate the Church of Rome as stated in Revelation 17:12-16 and Revelation 18. Yet, when this is all said and done, will they repudiate the K Wizardry along with its witchcraft and Spiritualism?

## The Final Clincher

The final clincher is the betrayal of [Psalm 83](#) when the “Beast” will abandon his role of Messiah Ben David and fulfill Psalm 83 and this particular Psalm reveals the following.

The tents of Edom and the Ishmaelites;  
Moab, and the <sup>[a]</sup>Hagarenes;  
<sup>7</sup>Gebal, and Ammon, and Amalek;  
Philistia with the inhabitants of Tyre:  
<sup>8</sup>Assyria also is joined with them;

What is to be noted is Assyria or Asshur - fulfills the betrayal and they will not have a shoulder to cry over.

### Asshur's war

<sup>8</sup>Assyria also is joined with them;

The particular war is against the 144,000 of whom the Psalm refers to as the “[secret ones](#)”. This is the reason as to why the Syn of S is at that time **scared to death**, and worship at the feet of the saints as stated by Jesus.

### Revelation 3

<sup>8</sup>I know thy works [Phillies] (behold, I have <sup>[b]</sup>set before thee a door opened, which none can shut), that thou hast a little power, and didst keep my word, and didst not deny my name. <sup>9</sup>Behold, I give of the [synagogue of Satan](#), of them that say they are Jews, and they are not, but do lie; behold, I will [make them to come and <sup>\[c\]</sup>worship before thy feet](#), and to know that I have loved

thee. <sup>10</sup>Because thou didst keep the word of my <sup>[d]</sup>patience, I also will keep thee from the hour of <sup>[e]</sup>trial, that *hour* which is to come upon the whole <sup>[f]</sup>world, to <sup>[g]</sup>try them that dwell upon the earth. <sup>11</sup>I come quickly: hold fast that which thou hast, that no one take thy crown.

### Psalm 83

[Psalm 83](#) can - only be - the time of [Jacobs trouble](#) in the form of all Israel.

Both, the secret ones, the Phillies or 144,000 as well as the betrayed ones, the ones of the Birthright of national greatness that expired and the Laodiceans who betrayed the cause and were spewed out in 1980 with the fulfillment of Luke 21:24.

The attack is for all - but the protection is for the 144,000 they are the secret ones that are hidden. Maybe, taken away to a place of safety. It appears that they stand protected but will experience all sorts of demonic activity while protected.

As for the others - those who came out in response to the Loud Cry were presently persecuted the time of the Abom of Desolation = the 1290 of Matt 24:15.

God states they are [beheaded](#) for their witness. = Rev 20:4

<sup>4</sup>And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were [beheaded](#)

for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years.

“Birthright nations” at that point – time of the **THIRD WOE** - doesn't mean anything, their time expired. It’s the same as well as for the Syn of S and Laodicea. Some believe that they will be saved.

Paul says all [Israel will be saved Rom 11:26](#) this can be at the Loud Cry which are the events that follow Rev 17:16-18. And then Rev 18:1-5

But after the closing of the **SECOND WOE** = Rev 11:14 it just states that the rest were affrighted by the earthquake and gave glory to HWM.

11:13 And the same hour was there a great earthquake, and the tenth part of the city fell, and in the earthquake were slain of men seven thousand: and the remnant were affrighted, and gave glory to the God of heaven. 11:14 The second woe is past; [and], behold, the third woe cometh quickly.

**Joel** says whoever calls upon the name of the Lord shall be saved.

<sup>32</sup>And it shall come to pass, that whosoever shall call on the name of the LORD shall be delivered: for in mount Zion and in Jerusalem shall be deliverance, as the LORD hath said, and in the remnant whom the LORD shall call.

**Amos** mentions they will be looking for someone to preach the word traveling here and there - but it doesn't say that it will be done for them during the time frame of the **THIRD WOE**.

<sup>11</sup>Behold, the days come, saith the Lord GOD, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the words of the LORD:

<sup>12</sup>And they shall wander from sea to sea, and from the north even to the east, they shall run to and fro to seek the word of the LORD, and shall not find it.

The wise Virgins entered into the [chamber](#) since they received the [love of the truth](#) at the ascension of the Two Witnesses. Yet, the fact is, they already knew the truth about the First Angel and ERxF and LSFbTFOTW = Rev 13:8, which is prior to the Two Witnesses’ testimony.

Those working in narrow lines and endlessly insisting the NSL has to occur will be excruciatingly disappointed like at the time the Ten Kings who destroy the scarlet woman and her city.

Why?

Oh, HWM said they had no wisdom and no oil in their lamps.
