*The First Angel’s Message—
“The Everlasting Gospel”*

Ushering in of Eternal Righteousness

Pg. 1

Editor’s Preface

“And now, O Father, glorify thou me with thine own self with the glory which I had with thee before the world was. I have manifested thy name unto the men which thou gavest me out of the world: thine they were, and thou gavest them me; and they have kept thy word. Now they have known that all things whatsoever thou hast given me are of thee. For I have given unto them the words which thou gavest me; and they have received them, and have known surely that I came out from thee, and they have believed that thou didst send me. I pray for them: I pray not for the world, but for them which thou hast given me; for they are thine. And all mine are thine, and thine are mine; and I am glorified in them.”

—Melchisedec

70 weeks- Dan 9:24

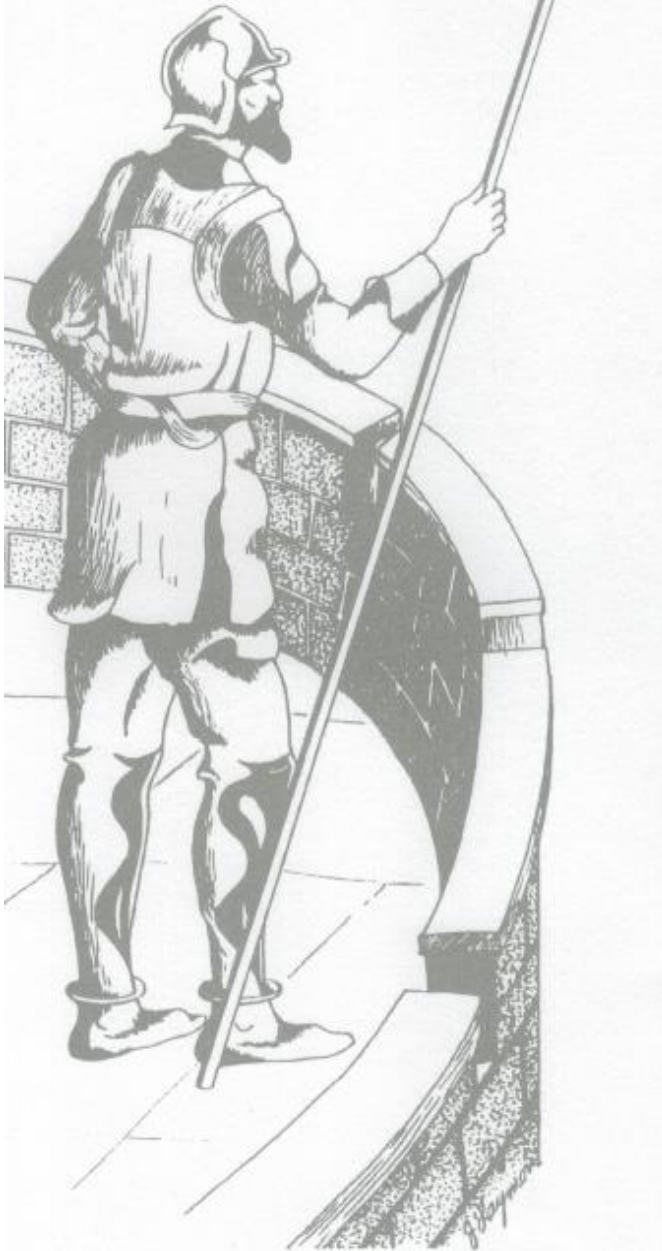

The Failure of 1888 - Super Soldiers?

This discussion is in fact related to the Elohim Declaration of Rev 22:11 as well as Rev 13:8 and the LSFBTOTW and who represents Eternal Righteousness which is the very core of the Everlasting Gospel. Nothing less.

The problem that most people do not see that what is stated in the 70 weeks of Daniel 9:24 that in the "midst of the week" - Eternal Righteousness was ushered in. And 1,810 years later from 34AD the end of the week = Dan 8:14 the commencement of the ministration of the Final Atonement. Laodicea, and rightly so, also believed in the restoration of the Sabbath but the matter concerning the First Angel entails the Lord of the Sabbath not the Sabbath which in this case was a metaphor of Everlasting Righteousness pointing to He Who Made [HWM] of [Rev 14:7](#) = [Rev 13:8](#).

*“Watchman,
what of the night?”*

*“The hour has come, the hour is striking, and striking at you,
the hour and the end!”* Eze. 7:6 (Moffatt)

Moreover, the reality of this **ushering in of Eternal Righteousness** lays in the fact that the **First Angel's message** states the following - *worship Him who created the heavens and the earth* - [Rev 14:7](#). This Divine heraldry of the First Angel is in fact [John 1:1](#) and not the emanationism doctrine of the Eternal Son [here](#), nor the [one god](#) of the Friday Keepers nor the [Ein sof](#) of the Kabbalah.

You will also note the LSFOTW was also ushered in since the heavens are not pure in His sight [Job 15](#) and the cleansing required and that takes place has to be in relation to the Eternal Righteousness of HWM and therefore [Heb 9:23](#).

Laodicea at the present time worships the Sabbath by the emphasis the Sabbath is the meaning of the First Angel - and based on their decision in [1980](#) they are currently worshipping the Neo Platonic hidden Pantheistic theory of [Philo of Alexandria](#) by believing that the Father Son and Holy Spirit as a Trinity **replaces** John 1:1.

Why is this antagonistic to the First Angel?

John said there were **Two Divines en arche**. [John 1](#)

This sophisticated and aberrant one god theology is soon going to be revised – time of the First Beast of Rev 13 and its already happening. Now you have pastors such as [TD Jakes](#) proclaiming the Trinity doctrine - yet instead of persons, they are saying manifestations. He is a oneness Pentecostal who is now confessing the Trinity in 3 manifestations and will not say persons. It is still basically the same thing since its one god, just as it is confessed in the Trinity.

Subtlety

It is this very subtle shift which now brings the Trinity into full Pantheism mode - which by the way was always Pantheistic since the Catholic Church fathers borrowed the Eternal Son doctrine from Philo of Alexandria yet whether he be a oneness Pentecostal or a Trinitarian pantheist all these roads lead to Philo of Alexandria and **do not reflect** the original two Independent Eternal Fathers of John 1:1 = Isa 9:5-7.

Christ being the [Alpha](#) = no beginning, no end, no human genetics, and later at the Incarnation He lowers Himself by taking the slave form of human genetics thus becoming the [Omega](#) or offspring of David by way of the Incarnation as Jesus Christ.

So, the bottom line is - that neither the teaching of [modalism](#) nor the [Trinity](#) nor [Arianism](#) are HWM of Rev 14:7. Are you now seeing the importance of the Divine heraldry of the First Angel? Worse Laodicea given the

three angels message trashed the Doctrine of God and wove the Trinity into its 27 FBs [#2,4](#) in 1980.

The problem that most people do not see in the Trinity is that the creed that says God the Eternal Son is begotten prior to the ages and not made, consubstantial with the Father. See Nicene Creed. <https://www.usccb.org/beliefs-and-teachings/what-we-believe>

This is false and it strikes at the heart of [John 1:1-3](#) which states that the Word – the Logos was with God and was God. **Two Divines en arche** or in beginning.

The First Angel ushers in Eternal Righteousness -

The First Angel ushers in Eternal Righteousness and the process of the Cleansing of the Household of the High Priest begins: Notice how Paul said this was so -

[Hebrews 1:10](#)

¹⁰ [and, 'Thou, at the beginning, Lord, the earth didst found, and a work of thy hands are the heavens; = The First Angel](#)

Now note how that - the Household of the Great High Priest, the Most Holy Place, the Universe = **needs cleansing**

¹¹ [these shall perish, = \(imperfect Universe which needs cleansing\) and Thou dost remain, = \(Eternal = Everlasting = Alpha\) and all, as a garment, shall become old,](#)

¹² [and as a mantle Thou shall roll them together, and they shall be changed, and Thou art the same, and Thy years shall not fail.'](#)

The relation of this matter of Eternal Righteousness and the 1888 message:

The relation of this matter of Eternal Righteousness and the 1888 message as the restoration of Everlasting Righteousness - **AT Jones** and **EJ Waggoner** didn't repair the breach = Failure of 1888. Because they didn't repair the breach with respect to the Godhead the First Angels Message remained compromised. And the heavens remain unclean.

How?

They both endorsed the Arian view of the doctrine of God. [Here](#) and [here](#)

The result was that **unrighteousness** was placed within the statement of beliefs in the form of what Jones and Waggoner believed and revolved around the central doctrine of the little Horn - the Triune Trinity. Doesn't mean that they are lost since they presented the matter just as Des Ford presented the righteousness of Christ in relation to the Final Atonement, as well as the apotelesmatic principle of the 1260 and 1290 days of Dan 12.

What should be noted is the ultimate "little horn" caused the sin problem in the universe and science proves that the universe has problems. It's in decay – just as Job 15:15 and Paul in Heb 9:23 already stated.

How does all of this relate to the beast from the bottomless pit? Rev 9?

One of the final delusions of the enemy, will most probably be, the welcoming back of the family of the fallen planet back to the universe by way of the visitations as well as the Revelation of Asshur's secret space program and the fact that they have been in the vicinity of our Solar system in the form of mining operations and this may include the mysterious phrase "**those**" - "**who are under the earth**" = The bottomless pit of Rev 9? Note the footnote for the word **abyss** = netherworld ... [Here](#)

God states ¹² [The first woe has passed, but^{\[ag\]} two woes are still coming after these things!](#)

Recent investigations by way of different whistle blowers are proving that planet earth **underground** has an occult secret history which little by little is being disclosed and this also involves what was stated in the book of Job in the first chapter.

Job 1:7

[American Standard Version](#) read "in" the earth.

[Douay Rheims Geneva Bible](#) "walking in it"

[BRG](#) version "to and fro in the earth"

This should not surprise us since during the 7th century B.C, Satan had the [Phoenicians](#) and how the **King of Tyre** was a microcosm of Satan in Eden or vice versa. The [worldwide travels](#) of these ancient peoples are evidenced in the many inscriptions found in different nations. The key to the puzzle appears to be the redheaded gene and its link to the cone heads of Peru and the Moi of Easter Island.

- <https://hanahou.com/19.6/from-a-hill-on-molokai>

There is no etymology in reference to the word, yet the archaeological evidence indicates that the ancient religious customs are derived possibly from the Phoenicians (master mariners) although there doesn't exist any evidence of their involvement on that Island, yet the word Molokai seems to be linked with Moloch and the ancient also had sacrifices as well as groves and altars.

[Brian Forester](#) for example cannot account for the alterations of DNA in the redheads saying there is nothing on earth that resembles these mutations. It comes from those Molech rituals of the Canaanite deity as noted by Stephen in [Acts 7](#) and is in fact a literal demonic science. Demons are also known to be shape shifters. The Transhuman element in relation to Satan is becoming clearer as time goes on. Also, why did Neptune or Poseidon = Sidon have a trident as a weapon and Trident happens to be a New Age symbol.

These Phoenicians prove to be almost more enigmatic than the UFO Phenomena itself. Notice what is stated in the link below in reference to the King of Tyre with Poseidon = Sidon.

- https://en.wikipedia.org/wiki/King_of_Tyre

The Phoenicians were Master Mariners and a type race of super-soldiers - The question is why?

We know they were Master Mariners - but the transhuman element had a specific purpose which is also seen in the giants of Canaan and why did God say to wipe them out? The Asshur connection is the Master race concept and uber man. The [Kandahar giant](#) in Afghanistan that killed American soldiers is an example.

The answer lays in the career of the descendants of Asshur and their other-worldly pursuits in the form of [spiritualism](#) and communication with the so-called Aliens and then the back engineering of these technologies and finally after WWII the long trek to the land [Admiral Byrd](#) visited down under.

And finally, the off-world pursuits which were proven to be a reality when [Gary McKinnon](#) hacked the wizards and M guys at the big establishment. Gary presented us with a little window as to what is truly taking place and this matter shines a clear light on the words of Jesus in relation to the upcoming snare - which would be a massive deception of self-righteousness and self-reliance by way of Satan's top nation on the Totem pole of the occult, namely Asshur. This also sheds light on those [winged deities](#) thus indicating that Asshur would fly very high in opposition to Man in Linen in the latter days.

Conclusion -

The failure of **1888** which was not repairing the breach concerning the First Angels warning and the missing component of Eternal Righteousness as it relates to Revelation 13 is a major lesson for Laodicea and why they absorbed the Arian and the Triune Trinity at the same time, and leaves them without voice, or testimony - concerning the First Angels Warning. Nothing, nada, kaput.

God has left the lessons of the Ancient Canaanites and Molech deity that has a tremendous fascination today within the symbolisms of corporations and also with the motion pictures of Hollywood - notwithstanding what is occurring in real life with human sacrifice and [SRA](#) and what is termed [occult integration](#).

What this means is the prophetic events as they transpire as God has stated will occur - will be a very confusing and a desperate time spiritually. We ought to begin to take seriously why Jesus said the Abomination of Desolation that refers to Dan 12:11 and the 1290 are literal days in its apotelesmatic application especially as to what occurs in the content of events listed by God in the second portion of the second woe.

If you are not familiar with the sequence of the three woes of the Apocalypse it's time for a heads-up to know why God associates these Divine markers to the end time events that unfold at a rapid pace.

So, what then ushers in Eternal Righteousness?

In respect to end events as a result of Dan 9:24 God is saying that Rev 13 has the answer and its more important than the mark or the two beasts - and the answer is in verse 8 of chapter 13 and the [LSFBTOFTW](#) and this is the ONLY testimony that will stand anyone with Divine protection. If you are unfamiliar - one should review the **Elohim Declaration** series [here](#).

Why?

The **#1 THEOLOGICAL ISSUE** of the 1290 days is the worship of the beast and its image - and the only thing that the [8th king](#) = [2 Thes 2](#) cannot defeat is the [Eternal Righteousness of Christ](#) = [the Man in Linen](#) = [LSFBTFOTW](#) = [John 1:1-3](#) which is as of His identified status as [Alpha and Omega](#) = [Rev 1:8,13](#) = a testimony that has no guile = Eternal Righteousness of LSFOTW.

Keep in mind the 8th king is the imposter of the [real Man in Linen](#) = [First Angels Warning](#). This discussion for many will be difficult to recognise - yet, has only scratched the surface.
