Editor's Preface

"And now I am no more in the world, but these are in the world, and I come to thee. Holy Father, keep through thine own name those whom thou hast given me, that they may be one, as we are. While I was with them in the world, I kept them in thy name: those that thou gavest me I have kept, and none of them is lost, but the son of perdition; that the scripture might be fulfilled. And now come I to thee; and these things I speak in the world, that they might have my joy fulfilled in themselves. I have given them thy word; and the world hath hated them, because they are not of the world, even as I am not of the world. I pray not that thou shouldest take them out of the world, but that thou shouldest keep them from the evil. They are not of the world, even as I am not of the world. Sanctify them through thy truth: thy word is truth."

—Melchisedec

A generation has passed since the time of 1984 when the movie **Terminator** and its subsequent sequels are termed "sci fi" movies. But are they something otherwise?

A generation has passed where millions of people have been subliminally entertained - yet at the same time - there is a massive theological apocalyptic parody being portrayed to the viewer. Some have already shared their concerns – [here](#) and [here](#).

Yet to this time never compared with the Bible and the Everlasting Gospel.

To all you readers out there, you might say this – Oh this is just a coincidence and over reaction or even conclude this is a fearsome obnoxious theological folly - but with what is about to be discussed - could there really be an underlying message in the Terminator movie which was registered subliminally at the 1:44 mark in the following episode?

<https://youtu.be/jxoowglHU2w>

Pause at precisely 1.44

Notice the camera pans to the Telephone Directory – and precisely at the centre is the name of a church. The Conference at Chevy Chase Boulevard. But why? When does a coincidence of an apocalyptic theme become a mathematical impossibility?

These are details that cannot be deferred for later, tossed out as rubbish. Here is why:

The theme of the movie is **JUDGEMENT DAY** and the fact is that Judgement Day is a Biblical concept and that Biblical concept according to the occultists and all of the transhumanist elements out there they refer to this time frame - as the era of "Unity Consciousness".

Occult practitioners know only too well what the movie spectacle conveys in the cosmic occult world of their consciousness - and these movies have had enormous popularity, seen by millions grossing billions of dollars applauded even today as the gold standard of Sci Fi movies. However, this discussion explains why sleeping virgins are not aware of the implications of the movies on the unsuspecting Christian believing public – for there is coming a time when humanity will stop believing in a personal God and worship the B and supposedly accept their

so-called "inner godhood" based on Universe Religion or the belief that the "Universe is god" and that we all descend or come forth from this so-called "singularity" or as some would call it the "one god" or the "one" or the one utterance as being "om".

Also <https://truthaboutmatrix.com/about-sophia-stewart/>

"Sophia" a buzzword for wisdom and also notice the matter of oneness = law of one and she was the original source for the concepts of the Terminator and Matrix. Her mindset is She mama. There is one God. It's the entire issue of the Deut 4:6-8 at the time of the mark and image of the B in Rev 13 as discussed previously.

Fact is that the true adherents of the Christian faith will not be allowed to live when the new order of **SENTIENCE** takes control of human senses. And humans will be duped into believing that machines have acquired Universal Consciousness when it is in fact demonic possession of a machine. Have you ever heard of the expression Or **LOAB**? Or "ghost in the machine?"

This appears to have been coined by experiences with machines that at times don't appear to be under human control or in a subtle way appear to have a mind of their own. This might be for seconds or minutes or hours. There are people who have experienced the phenomena without knowing or understanding what it might entail for the near future. Notice that the movie speaks about Sentience of machines at some future date. These were in the sequel [Rise of the Machines](#)

Back to the movie link

Notice at what point you had to stop in the link is 1:44 not 1:45.

This is a subliminal message. Also, what else did you see? Answer is The Conference located at Chevy Chase Blvd meaning that in the Judgement Day or hour of its Judgement = Luke 21:24 = 1980 it was spewed out. Its 4 years later the movie came out as a metaphor. Of all Churches that are in existence the term Judgement Day means the Day of Atonement. What is the metaphor saying?

The church failed and is a joke to the world since Chevy chase is a comedian. The key which determines that this is real is the location time 1:44 which is an identification metaphor for the 144,000. The 144,000 church was to be the SDA but it failed and the True and Faithful Witness spues Laodicea. Rev 3:16.

Also keeping in mind that Terminator is also a reference to the destroyer whose name is Apollyon. = Beast from the Bottomless Pit. Rev 9

Also, the mother and the son John Conner and strangely whose initials = JC = Jesus Christ appear to be a constant allusion to Revelation 12 - the woman that is chased by the Dragon whose son was snatched by God and ascended to Heaven.

At the end of time God's secret ones or manifest sons of God will persecuted by a Germanic individual named Asshur. = The First Beast of Rev 13.

Notice [Psa 82:3](#)

They take crafty counsel against thy people,
And consult together against thy hidden ones.
=144,000

They have said, Come, and let us cut them off
from being a nation;
That the name of Israel may be no more in
remembrance.

⁵For they have consulted together with one

consent;

Against thee do they make a covenant:

⁶The tents of Edom and the Ishmaelites;
Moab, and the Hagarenes;

⁷Gebal, and Ammon, and Amalek;
Philistia with the inhabitants of Tyre:

⁸Assyria also is joined with them;

Notice who is joined with the Islam alliance – God states Asshur = Assyria and modern day Asshur is Germany. Rev 13 = The Terminator or the 8th King

Now consider this - The main actor of the Terminator series endorses a philosophical reasoning concerning the 6th king of Rev 17.

Transhumance aspect of the image highlighted.

BREATH

The reader is asked - What animates the Image of the B?

God states it is "**breath**"

You will see an example in [Ezekiel 37:4-5](#)

⁴Again he said unto me, Prophecy over these bones, and say unto them, O ye dry bones, hear the word of Jehovah. ⁵Thus saith the Lord Jehovah unto these bones: Behold, I will cause **breath** to enter into you, and ye shall live.

Concerning the Beast

And he deceiveth them that dwell on the earth by reason of the signs which it was given him to do in the sight of the beast;

saying to them that dwell on the earth, that they should make an image to the beast who hath the stroke of the sword and lived. ¹⁵ **And it was given unto him to give breath to it, even to the image of the beast, that the image of the beast should both speak,** and cause that as many as should not worship the image of the beast should be killed.

Dan 8

²⁴ And his power shall be mighty, but not by his own power; and he shall destroy wonderfully, and shall prosper and do his pleasure; and he shall destroy the mighty ones and the holy people.

When did the Judgement hour or Judgement Day begin?

Daniel 8:14

¹⁴ And he said unto me, Unto two thousand and three hundred evenings and mornings; then shall the sanctuary be cleansed.

To the Jewish mind the Day of Atonement was Judgement Day. It was celebrated every year as a metaphor for the Judgement hour at the end of the age which is located above in Daniel 8:14 as well as its fulfillment in the New Testament book of **Revelation 14:6-7 ...**

⁶ And I saw another angel flying in mid heaven, having eternal good tidings to proclaim unto them that dwell on the earth, and unto every nation and tribe and tongue and people; ⁷ and he saith with a great voice, Fear God, and give him glory; for the hour of his judgment is

come: and worship him that made the heaven and the earth and sea and fountains of waters.

... and takes the believer from its starting point of 1844 up to the time of the downfall of the true church which was with the fulfillment of Luke 21:24 in its **two prophetic phases**, 1) times of the nations fulfilled in 1980 and 2) the blossoming of the Fig Tree.

But that is not all

... for finally the prophecy then takes us deep into the time of the 3rd woe – and just prior to this the transhumance era is ushered in - when the **Image of the Beast** becomes Sentient – its life was beathed into it - and will promulgate a death decree based on its acquired Sentience which will be based on Demonic agencies posing as Universal Consciousness in the form of the Law of one.

Doubt this? – reread [Rev 16:13-16](#)

This the image of the B - will take place immediately after the ending of the second woe which marks the termination point of the Beast's 3 1/2-year reign and what few perceive is the one month extending this period - or - during the course of this month – the rise of the second beast and we reach the time frame of the 1290 days...

... When the following will take place at the **close** of Christ's intercession as Great High Priest which is the Daily = the continual. This is clearly stated in Daniel 12:11

¹¹ And from the time that the continual burnt-offering shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days.

The door is shut!

Finally – adamant readers who insist the First B of Rev 13 = the scarlet B of Rev 17 that harks back to the original findings of Wm Miller of 1833 era where they took the 538-1798 as the answer of the 1290 years. Even worse, is the plain grammar of Rev 13:5 that says the deadly wound occurs first then the 1260 days ensues. Just as God said. Miller reversed this.

To this time, no one can provide cogent replies about the error of the Deadly Wound let alone to the following questions -

- 1) Why is the woman not riding the First B of Rev 13 since she is destroyed as said in 17:16?
- 2) Why is the B of Rev 13 not attired in Scarlet but is depicted as a leopard with a lion mouth and
- 3) Why are the ten horns who destroyed the scarlet hag in one hour with the B anyway, are now crowned in unison with the First B of Rev 13? The woman is finished as is her great city.
- 4) Why does Jesus confirm an apotelesmatic application of Dan 12:11 with Matt 24:15?

Jesus did say - (whoso readeth, let him understand:)

So, what do YOU make of the Terminator movies and its Apocalyptic applications? A mere coincidence or a sublime masterpiece of predictive programming by the enemy of righteousness?
