National Sunday Law?

This discussion brings your attention to **Project 2025** and the folk in Laodicea believe within in this policy platform lays an imminent problem because at some point this concept of Sunday Rest is found in the policies of Project 2025 will be mainstream by the next republican president in 2025.

The following vid is a presentation about the latest with NSL – and what they call the Biblical hope.

Summary of the vid

7.20 - The Shema

Speaker quotes Deut 6:4-8 = Fact is Deut 6:4 is interpreted as being solely monotheism and not the Sabbath - especially when it comes to Isaiah 2 there

comes the law – the 7NL. See [No Solis MOB](#)

9.20 - Sabbath

The sons of Japhet keep the Sabbath - right? The contents of Project 2025 recognise that problem and its important to recognise the amelioration to the policy – more later - and therefore Project 2025 can't be NSL and the reason is Deut 6:4-8 is about the 7NL and 3T

COMMENT

NSL and Project 2025 which is mentioned at 42:00 has no punitive discipline making no buy and sell impossible – it's a rest for the ecology and family wellness – there are no penalties or fines and capital punishment. Rerum Novarum while mentioned was issued in **1891** at the time of Sunday agitation in USA https://en.wikipedia.org/wiki/Rerum_novarum . It received a reiteration in 1991 for the rights of the workers in [Centesimus annus](#) Both have no penalties for non-compliance.

Last Day Events, [Little Time of Trouble](#) and the end of religious liberty in USA. Its important to note the EGW compilations Last Day Events were for the penned because there were real issues in 1888 the [50th Congress session](#) and into 1900's about Sunday legislation. The warning by EGW was about the ending religious liberty making laws to restrict religious liberty. The problem is this - **the 50th Congress 1888** - was completely

different time to the **102d Congress in 1991**. More later.

Project 2025

42.00 -

https://en.wikipedia.org/wiki/Project_2025

The Heritage Foundation a conservative think tank has prepared Project 2025. It's a presidential transition project – **Mandate for Leadership** a policy paper for the new republican president in 2025 to address a splintered country that is strategically adrift with many vulnerabilities, foreign and domestic. In this policy paper arises Laodicea's concern with Project 2025 - from p.589 [here](#)

It states

While metrics on the state of American families and civil society are important and useful, monthly statistics would be of little additional value and could end up causing unnecessary confusion and concern. Funding should be oriented towards improving the timeliness of annual family statistics.

Sabbath Rest.

God ordained the Sabbath as a day of rest, and until very recently the Judeo-Christian tradition

sought to honor that mandate by moral and legal regulation of work on that day. Moreover, a shared day off makes it possible for families and communities to enjoy time off together, rather than as atomized individuals, and provides a healthier cadence of life for everyone. Unfortunately, that communal day of rest has eroded under the pressures of consumerism and secularism, especially for low-income workers.

Congress should encourage communal rest by amending the **Fair Labor Standards Act (FLSA)**⁹ to require that workers be paid time and a half for hours worked on the Sabbath. That day would default to Sunday, except for employers with a sincere religious observance of a Sabbath at a different time (e.g., Friday sundown to Saturday sundown); the obligation **would transfer to that period instead**. Houses of worship (to the limited extent they may have FLSA-covered employees) and employers legally required to operate around the clock (such as hospitals and first responders) would be exempt, as would workers otherwise exempt from overtime.

Alternative View.

While some conservatives believe that the government should encourage certain religious observance by making it more expensive for employers and consumers to not partake in those observances, other conservatives believe that the government's role is to protect the free exercise of religion by eliminating

barriers as opposed to erecting them. Whereas imposing overtime rules on the Sabbath would lead to higher costs and limited access to goods and services and reduce work available on the Sabbath (while also incentivizing some people—through higher wages—to desire to work on the Sabbath), **the proper role of government in helping to enable individuals to practice their religion** is to reduce barriers to work options and to fruitful employer and employee relations. **The result:** ample job options that do not require work on the Sabbath so that individuals in roles that sometimes do require Sabbath work are empowered to negotiate directly with their employer to achieve their desired schedule

COMMENT

Project 2025 as you just read is big news for Laodicea and have latched onto a suggested policy clause that has been compared to AT Jones and the [Sunday Blair Bill](#) of 1888 and Sunday rest.

Project 2025 policy contends the need to restore the family and resting on Sabbath day.

Project 2025 brings Evangelical Protestantism's meaning of rest as Sunday. Religious liberty is not threatened - the FLSA can make adjustments for those who recognise the

seventh day Sabbath – Saturday. And no doubt Friday for the Friday guys.

It's impossible to miss the **Fair Standards Labor Act** that accommodates the Sabbath observance of a different time and no penalties are stated. In other words – **this policy is really NOT an issue** for Laodicea or Japhet who are both Sabbath observers.

For those who rely on EGWhite compilations such as **Last Day Events** to study end time prophecy - one thing is sure – those keenly watching for any and all developments about the NSL are now edgy because a policy paper for 2025 refers to a day of rest.

All of this attention to Project 2025 is missing the major problem

Most will not recall the [Education Bill of 1991- 102d Congress](#).

Have you ever wondered why the enactment of the 102d Congress - includes the [Seven Noahides](#)?

HJ 104 RDS

102d CONGRESS

1st Session

H. J. RES. 104

IN THE SENATE OF THE UNITED STATES

March 6 (legislative day, FEBRUARY 6),

1991

Received

JOINT RESOLUTION

To designate March 26, 1991, as 'Education Day, U.S.A.'.

Whereas Congress recognizes the historical tradition of ethical values and principles which are the basis of civilized society and upon which our great Nation was founded;

Whereas these ethical values and principles have been the bedrock of society from the dawn of civilization, when they were known as the **Seven Noahide Laws**;

Whereas without these ethical values and principles the edifice of civilization stands in serious peril of returning to chaos;

Whereas society is profoundly concerned with the recent weakening of these principles that has resulted in crises that beleaguer and threaten the fabric of civilized society;

Whereas the justified preoccupation with these crises must not let the citizens of this Nation lose sight of their responsibility to transmit these historical ethical values from our distinguished past to the generations of the future;

Whereas the Lubavitch movement has fostered and promoted these ethical values and principles throughout the world;

Whereas Rabbi Menachem Mendel Schneerson, leader of the Lubavitch movement, is universally respected and revered and his eighty-ninth birthday falls on March 26, 1991;

Whereas in tribute to this great spiritual leader, 'the rebbe,' this, his ninetieth year will be seen as one of 'education and giving,' the year in which we turn to education and charity to return the world to the moral and ethical values contained in the Seven Noahide Laws; and

Whereas this will be reflected in an international scroll of honor signed by the President of the United States and other heads of state: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That March 26, 1991,

the start of the ninetieth year of Rabbi Menachem

Schneerson, leader of the worldwide Lubavitch movement, is designated as 'Education Day, U.S.A.'. The president is requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities.

Passed the House of Representatives March 5, 1991.

Attest:
DONNARD K. ANDERSON,
Clerk.

CONCLUSION

Project 2025 has no comparison to ISAIAH 2.

And it shall come to pass in the last days, [that] the mountain of the LORD's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it.

2:3 And many people shall go and say, Come ye, and let us go up to the mountain of the LORD, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: **for out of Zion shall go forth the law, and the word of the LORD from Jerusalem.**

But Worse –

Laodicea have not been careful to review what transpired when 102d Congress

affirmed by JOINT RESOLUTION the **Education Bill** [here](#) and with that package comes - the [Seven Noahides](#).

That is as official as it gets and guess what happened >

This Bill defeated the [First Amendment](#)

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

QUESTION

Ask yourself how would the sons of Japhet be fined for not worshiping on Sunday with Project 2025 when they hold the steering wheel in USA?

Question is -Will Laodicea ever understand it?

If they don't totally understand the Noahide Laws – it will still take them by surprise. And it appears that Project 2025 is still in the 1890's.

NSL again

44.00

EGW – **national apostasy** - will be followed **by national ruin** and asks what is National Ruin?

Answer - It is financial and economic collapse not NSL.

But here is the Problem for right now today -- **2024** - -

Economists are edgy and their forecasts grave because there exists a massive US debt insolvency problem tied to a treasury bond default crisis - and it will really hurt many things when it goes belly-up [not if, but when] the non-metal backed US dollar AND the entirety of the financial system the share market, merchants of trade supply chains will be heavily buffeted.

Now ask yourself - what happens when a financial collapse of this magnitude occurs – like say before NOVEMBER Election this year?

Nothing to do with NSL. And would be quite a surprise and what's the unexpected spillage?

Oh, it requires a thorough theological review by many worried about the NSL. But then - God has already stated the NSL is a nonstarter with the events of Rev 17:16-18

Now for the utmost worse –

No commentary exists by EGWhite or Uriah Smith for Rev 17:16-18.

Major Problems indeed exist.
There is no commentary.

EGW and starvation and a "civil war" and then apparently Dan 12:1 follows.

In India, China, Russia, and the cities of America, thousands of men and women are dying of starvation. The monied men, because they have the power, control the market. They purchase at low rates all they can obtain, and then sell at greatly increased prices. This means starvation to the poorer classes, and will result in a civil war.

There will be a time of trouble such as never was since there was a nation. "And at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble such as never... [here](#)

COMMENT

A lot of Bible is missing from the transition of a "civil war" and the time of trouble of Daniel 12:1.

Quite a lot of Bible and it is not limited to Rev 17:16, Luke 21:29 and the Deadly Wound and then the 1260 days; the 7 seals, the 7 trumpets, and Rev 11 with Two Witnesses and more and more.

In other words, it pays to know your Bible - when speaking to the well-intentioned folk in Laodicea who quote the Writings.

The real issue is not Project 2025.

Why?

Why pursue a NSL when God said in Rev 17:16-18 it's an impossibility.

The emotional response from various LAODICEAN churches to the news reports in civil society with words Sabbath and Sunday is natural - but the clause of the 2025 policy is not an issue when you can have an exemption for Friday to Saturday. **Religious liberty is not threatened** because there are no fines involved or even capital punishment. Adjust the work schedules and live in peace.

Some might say - oh it will only get worse?

Ok - So how does Congress veto or change the First Amendment?

Congress cannot make a law in respect to religion - right?

But Congress did approve in 1991 the Education Bill signed by Bush and Rabb Schneerson and that Bill included the 7NL.

ISAIAH 2

Isaiah 2 states that the Law comes from Jeru city and naturally works in conjunction to the Education Bill signed by Bush and Rabb Schneerson. It needs

to be kept in mind that Rabb Schn was considered by Chabad as being the Messiah and there exists ~ deep spiritualism.

<https://bulletin.hds.harvard.edu/after-the-death-of-chabads-messiah/>

Note now the Rabbe's father

https://www.chabad.org/news/article_cdo/aid/4836952/jewish/Rabbi-Levi-Yitzchak-Schneersons-Grave-Declared-Heritage-Site.htm

Also, the **Harvard Divinity Bulletin** has a discourse by the Hasidic guy explaining his troubles with the messiah [[here](#)] and how his childhood up-bringing to be a Talmud Scholar interfered with life – and at the same time you read the **Hegelian internal construct** of right and left v left and right.

The author shares his inner tumult of a dead messiah and believes he is being played by Talmud theology because of the taboo of Pauline NT and compares the 'same' loss of Jesus messiah and his followers experienced. In other words, he says he is an emotional wreck. The upshoot? This sort of thing is prepping for Benny David = The 8th king of Rev 17, and Rev 13.

You will note - Papa pointy hat, that Roman power, via the Jezzy boys have been working closely with the Elder Brother of the faith = Japhet. This holds a

significant relevance to the Second Beast of Rev 13.

Why?

Rab Schn the renown [Chabad messiah](#) in fact brings forth the realm of spiritualism into modern theological and political parlance. And the spiritualism that is activated after Luke 21:24 - is at a minimum twofold on its supernatural strength.

And as you now know the 102d Congress "Protestants stretched forth their hands with spiritualism" with Rabb Schn and that's one thing but the enactment of the Education Bill includes the 7N.

This is a real wonder because it not only replaces the 10C but defeated the First Amendment.

That's spiritualism in action.

Some achievement really!

It occurred in 1991 – yeh, just after Lk 21:24 was fulfilled in 1980 and shows how rapid green shoots of summer that HWM instructed us in Luke 21 = the summer growth of the Fig Tree would emerge and this means it is was not only preserved for the efforts of Ben Ephraim the Birthright nation [the UK] and the epic events of 1896, 1917, 1948 and 1980.

The fact is the other Birthright nation [USA] has agreed and signed up to the Benny David program at the 102d Congress and it's the same spiritualism of the RCC. The scarlet hag being defined by God as MYSTERY BABYLON the MOHs.

What's the big deal?

Oh, nothing really, they say – but the fact is – all parties to the First Angel Controversy have the same one god belief.

The First Angel was strongly rebuffed by 102d Congress and while unrecognised that has threatened religious liberty and eventually the rights of conscience.

HWM said concerning the Fig Tree - it's a **snare** – read Lk 21:34-35

And take heed to yourselves, lest at any time your hearts be overcharged with surfeiting, and drunkenness, and cares of this life, and [so] that day come upon you unawares. 21:35 **For as a snare** [Fig Tree] shall it come on all them that dwell on the face of the whole earth.

Hasidism

https://en.wikipedia.org/wiki/Baal_Shem_Tov

Notice what is stated about ascend and unity and oneness with god.

It is from here that the concepts of [Jedi Knights](#) infiltrated Judaism.- and guess what - that level of spiritualism gained a significant foothold on Congress in 1991 via Hasidic leader of the Lubavitcher Hasidic dynasty [Rabbe Schneerson](#).

This history of Hasidism and Chabad Lubavitch has to be understood since these concepts are foreign to the Torah. **Whoever understands this matter can separate the true from the false in Judaism.** Also, there are references to '[sparks](#)' here as well.

Why should Hasidism be understood?

Well, if full Congress can authorise the Education Bill and it entails a religious law, to be law that bypasses the First Amendment– its **supernatural** and only can be achieved by deceptive spiritualism and everyone missed it – especially Laodicea.

Chabad Lubavitcher is deep spiritualism in the form of Kabbalism which has relation with Neo Platonism. It has been said the spirit of Rabbe Sch once made a personal appearance among of group of the Hasidic guys after passing away.

It is of a very high probability that the false prophets that are coming in Jeru

city, are [Jedi Knights](#) and it's all in relation to the one consciousness teaching.

The whole system of Kabalism is [spiritualism](#)

The Law that comes is "replenished from the East" through its One Consciousness teaching. And the law that issues forth = 7 NL is # 1
Isaiah 2:6

Therefore thou hast forsaken thy people the house of Jacob, because they be replenished from the east, and [are] soothsayers like the Philistines, and they please themselves in the children of strangers.

Is HWM saying that the Fig tree all sorts of abominations such as spiritualism are developed since K book sanctions reincarnation and soul immortality. The spiritualism gets back to Matt 23:38 where the house was declared desolate. The Fig tree is somehow blessed - the opposite to cursing of [Deut 11](#)

Whether Rabb Schn blessed 102d Congress is a moot point - the fact is the Fig Tree returns to full growth and it's after Lk 21:24. The strength of spiritualism is supernatural and surely should be recognisable.

Why? How does a cursed fig tree that withered and died - commence shooting forth in summer, **when HWM had not blessed the Fig tree?** Matt 23:38, it is therefore **Supernatural**.

Who is blessing the Fig Tree?

What occurred in 1991 and [102d Congress](#) and the defeat of the First Amendment and instilling the 7NL - was a supernatural event = [1 John 4:2-3](#) for the spirit of the AC is in the world and flourishing these end times.

HWM said this would happen – especially after Jerusalem is no longer trodden down of the nation's = Lk 21:24. HWM then said - you will see the Fig Tree shooting forth in its summer season. Verse 29

²⁹ And he spake to them a parable; Behold the fig tree, and all the trees; ³⁰ When they now shoot forth, ye see and know of your own selves that summer is now nigh at hand.

³¹ So likewise ye, when ye see these things come to pass, know ye that the kingdom of God is nigh at hand. ³² Verily I say unto you, This generation shall not pass away, till all be fulfilled. ³³

Heaven and earth shall pass away: but my words shall not pass away.

Coincidence or not, these things relate to events of Rabbinical spiritualism of mysticism, proponents of the K Book.

The summer season now in full bloom in all related locations. With events in the USA, the grain bowl - west of Russia and the land of the Philistines. The west responding by the vested interests of the jizzy boys. The missing group - for now - are the Friday guys.

Now - why does Isaiah 2 mention this matter in the context of the **second coming of HWM?**

⁵O house of Jacob, come ye, and let us walk in the light of Jehovah. ⁶For thou hast forsaken thy people the house of Jacob, because they are filled *with customs* from the east, and *are* soothsayers like the Philistines, and they strike hands with the children of foreigners.

⁷And their land is full of silver and gold, neither is there any end of their treasures; their land also is full of horses, neither is there any end of their chariots. ⁸Their land also is full of idols; they worship the work of their own hands, that which their own fingers have made.

⁹And the mean man ^[d]is bowed down, and the great man ^[e]is brought low: therefore forgive them not.

¹⁰Enter into the rock, and hide thee in the dust, from before the terror of Jehovah, and from the glory of his majesty. ¹¹The lofty looks of man shall be brought low, and the haughtiness of men shall be bowed down, and Jehovah alone shall be exalted in that day.

the context of the highlight is in reference to **Revelation 6**

¹⁴And the heaven was removed as a scroll when it is rolled up; and every mountain and island were moved out of their places. ¹⁵And the kings of the earth, and the princes, and the ^[k]chief captains, and the rich, and the strong, and every bondman and freeman, hid themselves in the caves and in the rocks of the mountains; ¹⁶and they say to the mountains and to the rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: ¹⁷for the great day of their wrath is come; and who is able to stand?

Project 2025

Conclusion –

it can be said Project 2025 is a Hegelian dialectic left right, right to left and from the chaotic and rumours of a [NDE](#) experience of USA do exist.

If you hadn't noticed - this also coincides with the rise of the 'right' in Europe since the immigration issue has also been socially engineered for the same result. With Europe it will soon become the Big Push by way of the King of the South = Dan 11 and the response?

A tilt to the [extreme right](#).

This means that the present-day humiliation of Europe by way of the U-crane crisis will probably lead to Ishmael and Persia getting bolder and more aggressive to the point that it will bring in the need for a defender of the Western World - a man who has the credentials - and money influence, to effect change in Europe and the rest of the world for a brief period of time.

The [Grand Monarch](#) of ancient Catholic prophecies.

There is even the possibility that they will march into V city itself prior to its final demise and get rid of whoever is in there. This comment is **not** saying it will be a fact - but Europe will also have a NDE near death experience. And be mindful

of the social engineering - by way of the fire in the [big church](#). And in Canada as well. [Here](#)

All these steps are precursors which will usher in a new Constantine and perhaps a so-called righteous pointy hat with a [Vigano](#) mindset who will be victorious - up until he hears news - from the North and East = [Dan 11:44](#) which are tied to the demise of his 'palatial tents' between the seas and the glorious Holy mountain = [Dan 11:45](#) when the Christian Empire comes to an end.

Yes, you read correctly - when the Christian Empire comes to its end.

Now ask yourself what does God say occurs from thence.

Rev 13 = Matt 24:15 = Rev 17:11.

It's quite interesting this immigration thing is happening at the southern border as well as into Europe because the last time in took place on a large scale = [Barbarian Invasions](#) –

And marked the demise of the Roman Empire in 476 AD when the internal defence mechanism came to be controlled by the [Foederati](#) itself which were the soldiers that were conscripted to defend the Empire.

It was stated by one specific female Japhet - that Europe would have to get use to this multicultural scenario. We

know why - because it is this scenario that leads to the supremacy of the Fig Tree in summer

What does the Fig Tree parable of Luke 21 and the events of Rev 17:16-18, Isaiah 2 and Matt 24:15 mean?
