

Genesis

9:27

NOT FOR NOW, IT IS
TOP SECRET.

[Genesis 12](#)

² and I will make of thee a **great nation**, and I will bless thee, and make thy name great; and be thou a blessing: ³ and I will bless them that bless thee, and him that curseth thee will I curse: and in thee shall all the families of the earth be blessed.

These verses, when used out of context, appear to be an "unconditional blessing" upon the advocates of the **so-called 1948 restoration**.

When these verses are analysed in their **true** contextual setting, it refutes all the preconceived notions of the so-called Evangelical scholars and those of the Z movement who have utilized the above as the fundamental reason for their settlement in what no longer belongs to them.

The first fundamental reason why the context of the verses is wrong - is on account of the fact that Israel was 12 tribes and the two tribes that received the Birthright promises of national greatness were - **Ephraim** and **Manasseh** which translates into the US and Great Britain in the latter days of earth history commencing in the year 1800 when these two global powers entered into the fulness of the Birthright which had been withheld from them for 2,520 years.

The blessing was **unconditional** in terms of the promise that God made to Abraham, since history reveals that the Northern Kingdom became very evil and God permitted the Assyrians to take them captive in 722-721 BC.

What people now perceive as the diminishing power of the US and Great Britain -- is nothing more than the **expiration** of the Birthright on account of National sin at the end of the probationary times of the nations as stated by Jesus in Luke 21:24.

21:24 And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled.

This prophecy as many are aware took place in [1980](#) when the State of Israel declared Jerusalem the Capital of a United Israel back in [1980](#).

The real problem with the application of the above prophecy to the present state of Israel - lays in the fact that - Judah was **not** supposed to be a world governing power. It was a Messianic nation which would give birth to the Messiah.

Whereas, Judah has never been a global power in its own right.

Both **Ephraim** and **Manasseh** had to be greater than Ishmael who also descends from Abraham and Ishmael. And at the present time claims this blessing since they are numerous nations. **This should tell you something.**

The fact is that whoever Ephraim and Manasseh are at the present time which = the end of the age, would have to be even more powerful than the Islamic nations.

The events of the [Balfour declaration](#) actually reveal this facet of history since it was Britain that ran the whole show by way of its global power status, and this **declaration is giving birth** to what is stated in Genesis 9:27.

Golden Age SOLOMON

Granted, that during the golden age of Solomon, as a prototype - there was indeed the fact that all the Kings of the earth went to Jerusalem to witness the wisdom and splendour of King

Solomon's Kingdom as well as the First Temple and this does present a good argument for such a thing to happen in terms of a counterfeit in the near future.

Daniel 9

Yet, Daniel 9's 70-week prophecy, presents the **expiration** of Judah's probationary time as stated in [Acts 8](#). This being the case, there is no reason for being deceived, yet many are at the present time.

So, the point that is being made, lays in the fact that it was that unconditional element that provided the blessings of **National Greatness** for the House of Israel, namely Ephraim and Manasseh as witnessed by the phrase- "[The sun shall never set on the British Empire](#)".

Yet, that prophecy was **unconditional**, but - it also has an expiration time frame based on the cursing's of Deuteronomy 28; as well as the fulfillment of Luke 21:24.

And now in reference to the House of Israel or Ephraim and Manasseh which translates as the US and Britain, as well as the world in general, which will be open to receiving the worldwide delusions which are presented in [Isaiah 2](#), as well as other places in the such as Revelation 11 which is the New Testament equivalent of Isaiah 2.

Daniel 9's 70-week prophecy:

Whereas, the original House of Judah was cursed by way of the expiration of the **70 weeks prophecy** of Daniel 9 on account of the fact that - **Eternal righteousness - was rejected** at the time that it was fulfilled which was in 31AD in reference to the death of Jesus on the cross.

Here again what followed afterwards were the cursing's of [Deuteronomy 28](#).

Jesus' scathing rebuke in [Matthew 23:38](#) - ³⁸[Behold, your house is left unto you desolate](#) clearly confirmed the fact that **the House would be left desolate** and that his enemies would not see Him again, until the time of his second coming with great power and glory.

These two facts clearly reveal that the building of the 3rd Temple which will be built in the near future does not have the blessings of Gd since the True Messiah was rejected.

The Restoration of 1948

The restoration of 1948 is nothing more than the counterfeit restoration of Genesis 9:27 which basically illustrates that fact that a non-Semitic people **did in fact fulfill** that prophecy in **1948** and the identity is based on the fact that Ashkenaz was a son of Japhet.

See Genesis 10's table of nations

²The sons of Japheth: Gomer, and Magog, and Madai, and Javan, and Tubal, and Meshech, and Tiras. ³And the sons of Gomer: Ashkenaz, and Riphath, and Togarmah.

This counterfeit enlargement the Tents of Shem is clearly under the Old Covenant

God shall enlarge Japheth,
And ^[a]let him dwell in the tents of Shem;
And let Canaan be his servant.

This explains the current scenario which is now taking place.

Arthur Kestler tried to warn the world with his book Khazariah [the 13th tribe](#), yet he came under attack as well, by way of so-called scientific research regarding the DNA. The claim being made that there was no evidence.

Yet, it is rather obvious, that if there was a conversion process, it would undoubtedly involve intermarriage, as well as the acquisition of Semitic DNA into the gene pool of a Turkic Mongol people.

Why the reference to Ashkenaz in the first place as **European** Jews?

This undoubtedly presents a problem for those who cry an - ti - sem - it - ism since [Japhet](#) and [Ashkenaz](#) are non-Semitic.

There is a saying that states "where there is smoke, there is fire.

The smoke = the rumours, and the fire = [Genesis 9:27](#).

²⁷ God shall enlarge Japheth, and he shall dwell in the tents of Shem; and Canaan shall be his servant.

It is rather obvious that Iraqi Jews are clearly in opposition to the present state and are clearly spelling out the horrors that are being conducted on the Pally'stynne people. So, if one group is saying that the restoration is true and the other is saying that it is not.

Then who is telling the truth?

Well, the answer to this is what Jesus said in [Matthew 23](#) as well as all the other things he stated about the Vineyard workers, as well as, what he told the woman at the well.

He said - The time is coming when worshippers of the Father will not worship him in Mount Gerizim or in Jerusalem - but in "spirit and truth." [John 4:21](#)

The counterfeit

The answer is yes, the counterfeit will take place and its clearly outlined in Isaiah chapter two along with the specific law that will come forth out of Jeru city.

- [Zechariah 8:23](#) is used by many advocates of this mindset **and they don't realize that the fulfillment of these verses** is found in [Revelation 17:12-16](#) and go **SEE FOR YOURSELF** who leads the 10 horns.
- Go **SEE FOR YOURSELF** what [Revelation 17:11](#) says about him, whose skirt is grabbed by the **10 men**.

Learn the Fig Tree Parable

Jesus warned in Matthew 24 to learn the parable of the **Fig tree**.

³² Now learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, ye know that summer is nigh:

³³ So likewise ye, when ye shall see all these things, know that it is near, even at the doors.

And those familiar with **Luke 21** are aware the Fig Tree is referred to occur immediately after the fulfilment of **verse 24** when in 1980 Jeru city was no longer be trodden down of the nations, that the times of the nations have ended.

As one might recall, there was an incident where Jesus cursed a fig tree [Mark 11](#) and that never again would it bear fruit, yet later in [Matthew 24](#) he tells his followers to learn a certain lesson regarding the Fig tree when its branches become tender = green. = then, the "summer" = (1948, 1967, 1980?)

HWM also mentions all the other trees as well.

It's all in reference to when transgression has **reached its fulness** with the expansion of the Fig Tree - **and then** - the events of Daniel 8:24 as well as Revelation 17:11 take place and also Rev 13.

Finally, HWM returned in Revelation 19 and is revealed as "**the Word of God**" and He comes with the armies from heaven and destroys all pretenders to the throne; but especially, the 8th, the last one of Revelation 17:11.

[17:11](#) And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.

Top secret

How can the advocates of the **Fig tree** restoration of 1948 say that America will not be blessed, if it withdraws its support of Israel.

This is the overmastering delusion, - considering the fact that God bestowed the greatest blessings on two specific nations in order to further his work in accordance with the parable time clock of Matthew 20, specifically at the concurrent hours of 12:00, and 3:00, which marked the arrival of the Millerites, and the 7th D Adventists.

It was during the time frame of the 5:00 PM call = from fulfilment of the times of the nations in 1980 that the blessings of the Birthright nations **have been diminishing** since they are being led into deception -by way of assisting- the counterfeit 3T program of Isaiah 2, and as well as Gods response with the Two Witnesses in Revelation 11.

So, how can a further blessing be conferred upon the birthright nations who are now using their national resources in order to aid the final deceptions of the evil one? It's happening before your very eyes.

Especially, when God determined in Daniel 9 - by way of the 70weeks, that the original workers of the Vineyard would be cast out and that the new truth for the last days would revolve around the parable time clock in relation to the call of the true Holy nation, royal priesthood workers who would be called at the specific times of 6, 9, 12 and 3 as well as 5 PM to work in the Vineyard of the Lord.

TWO WITNESSES

So, how will God resolve the problem of the overmastering delusion during the final 3 1/2 years of the Great City where our Lord was crucified?

The answer is that God will send the **Two Witnesses**, and they will not play around and **will point the finger at** those who trouble Israel which are the Syn of S.

God states - the final result being - that the Syn of S will kneel at the feet of the saints and worship them - knowing acutely - that God has loved the final remnant of the seed of the woman, who kept the word of Gods patience concerning **Eternal Righteousness of HWM** = the First Angels warning.

3:9 Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee.

Why?

3:10 Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth. 3:11 Behold, I come quickly: hold that fast which thou hast, that no man take thy crown.

What was kept and held fast?

The First Angels Warning and Eternal Righteousness of HWM.
