The **SS Lesson - June 7 2024** discusses
Spiritualism Exposed.

- **"Spiritualism Exposed"**
- **"Deadly consequences of spiritualism"** = state of the dead

- **“Spiritualism in the Last Days: Part 1,2.**

Referring to 2Thes 2; Rev 13:13-14; with Matt 24.

The lesson asks an important question on p130 here

What subtle spiritualistic influences might Satan be using to influence the mind? What role does mass media play?

COMMENT

This is in fact, a very good question – it must be asked what has influenced the mind of millions for centuries when it comes to religion and what inroads have the “doctrines of devils” = 1 Tim 4, influenced cause of Spiritualism?

This will be discussed

A CHART for illustration is provided.

Includes TWO supernatural events in our generation that were missed.

It’s true, the state of the dead is important – **but guess what** – millions have not seen why the Godhead doctrine of Mystery Babylon the MoH is forged in the minds of millions and remains a fortress for spiritualism and mysticism,

yet found its way into Laodicea FBs in 1980.

Someone asks:

Is it true the central doctrine of the LH remains a fortress of spiritualism?

Yes.

Fact is - EGW warned about the Alpha and Omega of deadly heresies?

Secondly, many forget the strident warning of the **First Angel** concerning spiritualism and this has to be DISCUSSED.

Why?

– because **very few “get it”**

Why?

- **It’s the MASTERPIECE OF DECEPTION and**
- **the MASTERPIECE OF DEVILTRY.**

Don’t think for one minute – Laodicea’s doctrine of God is fine and nothing to worry about. The reason why this is very serious is that we are all dealing with the **Apex of Spiritualism** at the time of the PRE-ADVENT SEALING and what EGW called the Alpha & Omega of deadly deception.

The deadliest of the many forms of spiritualism that rules the day at the time of the AC.

Yes, the biggest issue bar none at the time Jesus described as the abomination of desolation – and worse – when you realise the A&O is official doctrine in Laodicea.

The perfect snare – of Luke 21?

In 1903

Egw warned Laodicea about the book **Living Temple** by John H Kellogg – was the Alpha of deadly heresies but as you will discover she never defined either the Alpha & Omega of deadly heresies.

LIVING TEMPLE

When the book [Living Temple](#) (1903) released by JH Kellogg was a classic health book but turns out – even with all the marvellous health advice- the subtle guile of spiritualism entered Laodicea. While EGW picked it up and signalled a clear warning what didn't change was the info on health was helpful - and was way more that - than the divine energy ideas. The elder a dean of a theology faculty had class read this book and find the alpha of heresy. **No one** in the class found it. It was so faint the alpha of

deadly heresies and the errors of believing that the body has a divine energy that works on its own was not noticed.

Examples of Energetic principles of Living Temple.

As an example, chiropractors exist believe the energetic universe nonsense. That the spine was where the blocked divine energy within the body that when released by the adjustment Subluxation bring healing. When back is adjusted – they would say the power is on.

SUPERNATURAL EVENT

A supernatural event of spiritualism occurred in Laodicea in 1980 that proved Egw concerns were accurate. She did say regarding these theories when taken to their extremes – would **annul** the cross of Christ.

Just as Docetism achieved in the first Century AD. **See Chart.**

That is true – and the reason is that Neo Platonism's original premise of the "void universe" presents the matter in its true light prior to the re-interpretation of the church fathers. **See chart.**

While EGW's premise was true, to a certain extent, there are Bible verses that can be used to support Kellogg - but

these verses are in relation to Christ upholding and sustaining the Universe by the same power that he will use to resurrect our bodies.

It comes down to the question what Kellogg inferred about pantheism - - are these laws or energies "divine" and some would say that they are and some not? Only but Allos, since everything including the Universe is subject to change. See Heb 1. And on this earth the creatures also die. In other words, the realm of spiritualism exists and few recognise the supernatural potency of spiritualism.

Fundamental Issues of the Alpha & Omega deadly heresies

Living Temple does **not** address the fundamental issues of the **Alpha and Omega of Neo Platonism** and its final frontier of spiritualism. But you have to ask yourself -why the fundamental issues of the A&O went unopposed that permitted a supernatural event to happen and then become Laodicean doctrine.

Why?

No one had a clue – The academics at faculty level waived thru the central doctrine of the LH, accepted without question as 'gospel'. The spiritual guardians and betrayed their sacred

trust. Spiritualism ruled the day because the leadership were so worried of bad press that SD Adventism was perceived to be a cult and not Christian. So, the LIMA text was adopted.

Jesus had noted the issue - we must worship God in spirit and Truth. Hence its connection to the First Angels warning.

Jesus saith unto her, Woman, believe me, the hour cometh, when ye shall neither in this mountain, nor yet at Jerusalem, worship the Father.

4:22 Ye worship ye know not what: we know what we worship: for salvation is of the Jews.

4:23 But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him. 4:24

God [is] a Spirit: and they that worship him must worship [him] in spirit and in truth.

Back to Kellogg

Kellogg down-plays the importance of the Anthropomorphic of the Divine - not realizing that analysing the HWM's = Ho Logos's greatness outside of the realm of the Anthropomorphic and is doing a **disservice** to the cause of Jesus Christ since the resurrection body was Anthropomorphic and had unlimited

powers and was not the hiding of energetic or consciousness principles.

The true doctrine of the Godhead establishes the Anthropomorphic Elohim in whose image man was created in Genesis 1:26.

The Sovereignty of HWM resides not in the micro or macro worlds but in the Anthropomorphic Divine that fills the Universe at all points with the church being the final manifestation of that matter.

And not the so-called unknowable Macro nature of God with things like take for example his beard being millions of light years in length or his hand extending into the Macro who knows how many miles. These illustrations are useless and revert back to the Gnostic nonsense when in fact it was the Anthro that presented the glorified Christ where every knee physically bows to the Anthropomorphic.

CONCLUSION

Living Temple takes attention away from what is truly defined by the Bible as the Alpha & Omega [Rev 22] which = Everlasting righteousness of an Eternal Divine – The Logos - whose life was un-borrowed, underived.

But it should exasperate by now why its counterfeit - **God Eternal Son** doctrine became official belief in FB 2,4. The alpha

heresy of Living Temple according to EGW is actually the Pantheistic principle.

But there is much more to spiritualisms attack on the First Angels warning.

Many never see the connection to spiritualism – Especially when **God Eternal Son doctrine** relegates Christ to an **emanation** from a Universe - that He Himself created.

Kellogg never totally denied Christ - but fell into the trap of denying the Anthropomorphic being is a necessity for humans to grasp and this pantheism is simply not so from the perspective of Ezekiel 1's vision as well as from Jesus Christ's resurrection body.

Both Elohim are Anthropomorphic.

How is this to be known?

Reason being is that Neo Platonism didn't believe in the Anthropomorphic they believed in the **Void and energetic principles** of creative intelligences.

- Void Universe prior to Creation and
- the **emanated Eternal son** is the energetic principle or thought projected by the void prior to the ages.

The mystical experience of the dark void or timeless experience which takes place in a split second is the key that brings the manifestation of these errors **to its fulness** at the end of the age.

Laodicea has no answers.

Yeh – in the book - **Living Temple** there isn't much about Alpha of Heresies because there isn't much at all.

It can be argued - Spiritualism was not ignored by Egw - but when one recognises **Eternal Righteousness by Faith** and why **Christ identified Himself as Alpha & Omega** in Rev 22 – it's easy to see EGW scratched the surface and Omega would be **"startling."**

She [trembled for the people](#) and they would be in peril.

And the extent of this trembling is best defined ... she said

"At the time of the loud cry of the third angel those who have been in any measure blinded by the enemy, who have not fully recovered themselves from the snare of Satan, will be in **peril**."

The problem of 1888

One of the problems of 1888 was what EGW did not correct.

Foremost example is **Waggoner & Jones'** = "born twice or begotten in eternity" which = one gd Arianism, which is the same as the one gd Trinitarian and one gd God the Eternal Son heresy.

The reason why EGW did not rebuke W & Jones was the message of Christ and His righteousness and a growing church and the NSL and Papa pointy hat was the priority, back in the day.

Back to the Case in point – SSQ lesson # 10 - June 7 Spiritualism Exposed.

One of the reasons for not **having not solved** the Alpha heresy is best realised when Laodicea adopted the Triune Godhead in GC Session.

"The Omega would follow" and God confirms it is the **"oppressive law"** from Isaiah 2

It's easy to see how the Drgn ran amok in Laodicea and the best of the best could not see the spiritualism entering the FBs and multiplied by academies, churches, publications. It led to Spiritualisms 'Ground Zero' in 1980 with FB #2,4.

Does God leave us in darkness?

No - But now comes the light on **Eternal Righteousness of HWM** = Rev 13:8 and Heaven makes way for the clear understanding of why HWM said **I AM Alpha & Omega the root and offspring of David.**

Nevertheless -The elder did lay a very solid foundation with the work on the Godhead and John 1 which until that awareness had matured - that would then arise the discoveries and detections of **Doctrinal Spiritualism.**

Rev 13:8 is a significant marker in the Book of Revelation and A&O.

DOCTRINAL SPIRITUALISM - DOCTRINES OF DEVILS-

The apex of doctrinal spiritualism – is the First Angels warning.

Why?

We are all to be confronted with Alpha & Omega of deadly Heresies.

The unity of the one gd

- = UC
- = 8th king of Rev 17, = 2Thes2
- = AC of Rev 13
- = The duration of Matt 24:15

The Godhead and the Alpha & Omega scenarios have been discussed in presentations and more to be discussed [here](#).

The following is a short summary.

You will see how the **True Alpha and Omega** of Rev 22:16 scenarios as well as John 1:1 apply and this is our only safeguard the Bible and can only detect the subtle deadliness of spiritualism of the that Old Serp, the Drgn.

Example 1

<https://www.gty.org/library/Articles/A235/Reexamining-the-Eternal-Sonship-of-Christ>

This guy really messed up big time. He assigns Hebrews 1:5 erroneously to a pre-incarnation scenario - disregarding what Isaiah 9:6-7 has to say as well as Romans 1:3 or John 1:1.

Example 2

Precisely the same problem can be seen in the following first sentence

<https://hermeneutics.stackexchange.com/questions/8617/what-is-indicated-by-the-title-holy-one-of-god-in-mark-124>

[Revelation 16:5](#)

⁵ And I heard the angel of the waters saying, Righteous art thou, who art and who wast, thou Holy One, because thou didst thus ^[a]judge:

- Holy one is one set apart, the Messiah.
- The Father left all judgement to the Son.

Example 3

<https://disntr.com/2024/03/01/the-spiritual-crack-dealing-of-little-god-theology-apostle-mary-banks-says-shes-part-of-the-godhead/>

This false prophet says God is 1x1x1 = 1 and that he is still one g.

Similar to the [Memra](#) - as God replicating himself in the Word **but still one g** which includes us as well. It's still Neo Platonism but through this confusion still states that we are part of the Godhead and this is not true on account of **no pre-existence**. This **second error** would cloud the [Original Duality of Two Divines](#) of John 1:1 and ascribe Alpha to fallen humans.

It is basically **the secret doctrine** of the occult.

It doesn't properly explain what Jesus stated in reference to "[ye are gods](#)" in terms of the partaking of the divine nature upon acceptance of Jesus in relation to John 17 an Echad oneness." Whence The Spirit - presence with you, as "Christ in you the hope of glory". [Col 1:27](#). The problem with her enemies who wrote this article is that they deny the words of Jesus as quoted above ... "ye are gods" and sons of the Most High.

SUPERNATURAL EVENTS

The deadly fruitage of ignorance to the concepts of the Alpha & Omega in respect to the true doctrine of God.

Two generations after EGW passed an incredible supernatural event happened.

The "**Omega would be accepted.**"

What happened?

Mystery Babylon's central doctrine became Laodicean doctrine in 1980.

Spiritualism's energy of DECEPTION is - **God the Eternal Son doctrine** and its papal and official doctrine of Laodicea. See [27FB 4](#).

The Omega is based on a unity of the "one true God" See [27FB 2](#).

but at what cost?

John 1:1 and John 17:11, 21-22.

Spiritualisms intrusion is both main stream religious life. Its ultimate goal is worship. Its embraced and no one recognises it.

The First Angels Warning (Rev 14) is Gods reminder to not denigrate HWM but to worship HWM.

It should be obvious the First Angel warning is not Sabbath centric. It is the warning of spiritualism and removal of Christs eternal Identity.

The 2Thes2 guy of the 3T is a Sabbath observer.
It's in the 7NL.

Paul warned about doctrines of devils and knowledge falsely so called and also made a point about the son of perdition the 2Thes2 guy. **See Chart**

THE PARABLE TIME CLOCK

THE ALPHA OF DEADLY HERESY IN THE FIRST CENTURY AD.

Following notes set out additional info on the New Vineyard CHART

Paul presents the heresy of the system of emanations and the worship of angelic intermediaries in Colossians 2. He exposes this by declaring that in Jesus Christ there is the fulness of the Godhead bodily.

The Parable time clock of Jesus in Matthew 20

Presents the Alpha of deadly heresy in the first Century, early morning hours of the Gospel right after 6:00 AM. Right at 9:00 with the Gnostics and Docetism. This Marked the use of spiritualism against the finished work of Jesus Christ on the cross in a very real material resurrection of the body of which Jesus stated was not a Ghost, therefore refuting the claims of the Gnostics. They didn't believe he came in the flesh to forgive and cleanse sin. They believed his flesh was a ghost.

There is then the transgression of Desolation between hours of 9 &12

Second Century BC

By way of Philo using Greek philosophy to explain the "Word" = Memra in the Old Testament as being a manifestation of the one g.

The denial of the correct interpretation of the Memra which was to be done by way of Genesis 1:26 and the Anthropomorphic as well as plurality in

the Creation process which was not conducted by Angels who were in fact created beings.

3rd Century

the Gnostic attack by way of [Marcion](#) who stated that the God of the Old Testament was evil and the God of the New Testament was good.

The Catholic church removed all the Gnostic Gospels and compiled the Canon of the New Testament writings which were known to be authentic as opposed to all of the Gnostic Gospels that were circulating throughout the Empire.

Neo Platonism and the Catholic fathers:

The Catholic Fathers formulated the Creeds of the church and formulated the **Eternal Son doctrine** by declaring that Jesus Christ was begotten prior to the ages, not created.

This was Classic Neoplatonism which depicted **the void Universe** which produced an emanation of the Logos which in turn created the rest of the material world.

Middle Ages

the church experienced the influx of the heresy of the Alumbrado mystics.

Catholic Saints such as [Theresa de Avila](#) and [St. John of the Cross](#) experienced UC by way of the introvertive black void of UC mysticism.

Then there was the intercession of the saints in heaven and the Bible clearly states in Ecclesiastes 3:19-21

The **Eastern Orthodox church** also experienced more direct spiritualism in the form of what is called [Hesychasm](#) which is Unity Consciousness which was at times fought and debated as being good or bad - but by now 2024 and way before that has become a main staple of the doctrinal teachings of the Orthodox branch of what is deemed to be the Universal church in the East which broke with the Catholic church in the Great Schism of the year 1000 AD.

The Monks on [Mount Athos](#) practice this so-called unity with god which is non-biblical since the Bible states that God dwells in unapproachable light where man cannot go. The dead are asleep - [Ecclesiastes 3:19; 9:5-10.](#)

During the parable clock hours of 12 and 3pm

The Devil brought in the [Fox sisters,](#) [Mesmerism,](#)

Holy Flesh teachings [1899-1901](#) were an early form of UC.

- Madame Blavatsky the Theosophist arrives in the United States
- and promoted the demonic entities known as the ascended masters.

Jones and Waggoner innocently believed the errors of Neo Platonism by advocating that Christ was begotten at some point far back in time. The result would be the failure of the 1888 message since spiritualism was not detected.

Later EGW brought up the errors of Harvey Kellogg who claimed that God was present in all living things by way of a creative intelligence which was his spirit and that there are laws which reveals this god in all things premise.

1 Timothy 4:1

The Omega of Deadly heresies at the end of the age

The Beatles arrived on the scene with a clean-cut image with suits and ties along with the long hair in 1967 things changed and took on an occult turn for the worse. Their album [Sargent Pepper's Lonely hearts club band](#) brought in rumours of Paul's death in songs like "I am the Walrus" along with a picture on the album cover that included the renown [occultist Aleister Crowley](#).

The year 1967 was marked by the commencement period of the [Achi hou](#) of Luke 21:24 and it is stated that when the Beatles got involved with [Eastern mysticism](#) and Indian music through George Harrison - some sources point to a belief that Indian Guru's started receiving orders from their supposed spiritual masters that it was time to come to America to evangelize the West.

4 But the Spirit saith expressly, that in later times some shall fall away from the faith, giving heed to seducing spirits and doctrines of demons, ² through the hypocrisy of men that speak lies, ^[a]branded in their own conscience as with a hot iron; ³forbidding to marry, *and commanding* to abstain from meats, which God created to be received with thanksgiving by them that believe and know the truth.

⁴ For every creature of God is good, and nothing is to be rejected, if it be received with thanksgiving: ⁵ for it is sanctified through the word of God and prayer.

Comment

Forbidden to Marry and to abstain - is a mark of identification when trying to achieve UC or Unity with the Universe.

Conclusion

One of the signs of UC will be the attempt to experience unity with the Universe along with the feeling of Ecstasy and flights to mystical realms by way of Astral projection etc as well as the extrovertive mystical experience in which the person perceives themselves to be united to physical objects such as birds, rocks and trees and the Universe in general.

What is spiritualism trying to influence?

Why is it the utmost concern of the First Angels warning?

How does it influence the next decision about the Third Angels warning?

What is the answer that God provides for awareness to worship HWM.

how does Rev 13:8 and eternal R get involved?

Most say spiritualism is ugly and more about black majik. Is this wise?

What about séances - the Witch of Endor - why is there white and dark witchcraft - what is the difference?

Aliens and UFO phenom is this an expression of spiritualism? Like galactic federation. Commander Thor, Gray's the slims thin men, or flying lights, orbs, and star gates and portals. Moth man or hearing voices?

What aspect of spiritualism healed the Deadly Wound of Rev 13 when one of the heads of the First B? Why did the world worship the dragon. Was it openly Dragon worship or veiled? Would ppl say the 2W of Rev 11 were into spiritualism when they breathed fire? What's breathing life into the machine by MWFP? Will AI be used for spiritualism?

Why did Hitler and the SS pursue the occult and Tibetan Masters prior to WW2? Why an interest in Vril and Maria Orsic's Arian ideas? How did it advance their cause?

Why does spiritualism seem close to the Truth, but not?

How and why does the one gd doctrine attack the First Angel?

What is the only antidote when it comes to the testimony against the war of the dragon? Why is it a deeper aspect with respect to the state of the dead?

Why was the Alpha of deadly heresies undetected by Lao? Why didn't Egw define the Alpha or Omega of heresies? Why did she not rebuke Waggoner and Jones with the Arian - born twice / emanated?

Why was the Omega of deadly heresies that caused Egw to tremble for Laodicea? She wrote *"Living Temple contains the alpha of these theories. I knew that the omega would follow in a little while; and I trembled for our people."*

Why doesn't the SSQ lesson even mention the Alpha & Omega of deadly heresies if it wishes to expose Spiritualism?

Why does spiritualism go undetected - until it's too late?
