

*"Watchman,  
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,  
the hour and the end!"* Eze. 7:6 (Moffatt)

# Alpha & Omega

| Key of David |

## Isaiah 6

Part 2

This discussion continues the A&O and Isaiah 53, the Key of David and Daniel 9 and as you proceed with this discussion one is left shaking with the literal thundering evidence Isaiah saw from chapter 6 of Isaiah.

**The Alpha = Pre-incarnate Christ:**

**6** In the year that king Uzziah died I saw the Lord sitting upon a throne, high and lifted up; and his <sup>l</sup>train filled the temple. <sup>2</sup>Above him stood the seraphim: each one had six wings; with twain he covered his face, and with twain he covered his feet, and with twain he did fly.

<sup>3</sup>And one cried unto another, and said, Holy, holy, holy, is Jehovah of hosts: <sup>[b]</sup>the whole earth is full of his glory.

<sup>4</sup>And the foundations of the thresholds shook at the voice of him that cried, and the house was filled with smoke.

<sup>5</sup>Then said I, Woe is me! for I am undone; because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips: for mine eyes have seen the King, Jehovah of hosts.

What Isaiah saw – and that was the **glory** of HWM, and when considers the enormity of the Alpha & Omega when reading Isaiah 6 that should shake the threshold foundations of the readers own residence.

Why?

And the reason is twofold –

- 1) the eternal Identity of HWM = “I Am Alpha & Omega” and
- 2) those who know Isaiah 6 recognise the relation to the final cleansing of the Day of Atonement at the court = individual sins are purged, [atoned] but the ‘cleansing’ is the cleansing of unclean lips.

### But what about it?

Isaiah who saw the glory of HWM then explains how one is to consider what that eternal glory of HWM entails – since HWM said He was the Root and Offspring of Davd = the Key of Davd = Rev 22:13,16.

They the Phillies are described as having little strength – and yet, know why HWM conveyed that no man closes or opens the purpose of the Key of Davd.

Rev 3:7-8

These things saith he that is holy, he that is true, he that hath the key of David, he that openeth, and no man shutteth; and shutteth, and no man openeth;

This fact becomes full prominence at the sealing time but more importantly the last ministration of Christ as Great High Priest after the Order of Melchizedek who ministers the ‘seal of God’ = Ezek 9 = Rev 7 but also the ‘cleansing’ = atonement, at the altar in the Court for the individual = [Lev 16:18,20](#)

But not only that – Isaiah is setting out for those with eyes to see - the purpose of real-time cleansing, yes, the unclean lips = lips of guile = a false testimony – The lips are what must be cleansed on the DoA and it’s with a live coal from the

altar. Sealed unto truth, and then cleansed.

### **This is of absolute importance.**

Why? Note how its explained:

<sup>6</sup>Then flew one of the seraphims unto me, having a live coal in his hand, which he had taken with the tongs from off the altar:

<sup>7</sup>And he laid it upon my mouth, and said, Lo, this hath touched thy lips; and thine iniquity is taken away, and thy sin purged.

#### Comment

How could Isaiah, even begin to describe the glory, the eternal glory of eternal **Everlasting Father #2** [John 1:1] = the Alpha scenario and then immediately admit to his own unclean lips?

This takes you to the very core of the First Angels warning about any description about the Majesty of HWM and His eternal Identity; and therefore, any discussion about the doctrine of the Godhead means true worship. That means - anything less than the truth of the Alpha & Omega = Root and Offspring of David means one is unclean. Unclean Lips = blasphemy?

Isaiah saw the glory of the Alpha and Omega scenario.

How? – well it's what Isaiah said in 9:6-7.

Is Isaiah giving the reader the clearest expression of the Apotelesmatic application of what is the twofold purpose on the Final Atonement – which is

- 1) how the last ministration at the altar of the court reflects those whose sins are purged but the purpose of whose lips are cleansed and then known to have NO GUILF in their mouths = Rev 14:1-5 and
- 2) who are associated with the final testimony of the HWM in respect to the First Angels warning and the LOUD CRY.

Isaiah is providing special counsel for the dull of hearing about the eternal purpose of the ushering of Everlasting Righteousness in its twofold context of the **Key of Davd** and why HWM described Himself – **I Am Alpha and Omega first and the last** and the Everlasting Gospel.

What Isaiah saw - actually destroys everything about the confounded and confusing credal applications of the one gd = the Triune Trinity and especially "God the Eternal son" infernal heresy = [FB](#)

[2,4](#) as well as Shema and the Shahada that are all about the Law of one.

Now place Isaiah 6 into the context of the AC of 2Thes2 and disbelieve the Alpha & Omega notice what happens

2:9 [Even him], whose coming is after the working of Satan with all power and signs and lying wonders,

2:10 And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.

2:11 And for this cause God shall send them strong delusion, that they should believe a lie:

2:12 That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

2:13 But we are bound to give thanks always to God for you, brethren beloved of the Lord, because God hath from the beginning chosen you to salvation through sanctification of the Spirit and belief of the truth:

The belief of the delusional lie about the A&O then one believes the A&O of deadly heresies.

The context of 2Thes2 is the war of the AC with the ten kings of [Rev 17:13-14](#) upon the First Angels warning which is in the timeframe of the reign of the First B = the 1260 days.

The 1 gd doctrine of the AC blasphemes The Elohim = Two Fathers of John 1:1. So what about the lips of **uncleanness** sustaining those lies in the many forms of the Creeds of Neoplatonist Arian Gnosticism doctrines. Lips Not cleansed = no testimony.

Who then has a true testimony of the glory Isaiah = when it comes to the testimony of the Alpha & Omega and therefore the Key of Davd.

More later.

### **Alpha Identity of John 1**

The Alpha status of HWM is John 1:1.

HWM's Alpha Identity is His ETERNAL GLORY

= His eternal Righteousness = Rev 13:8.

Without, there is no basis of His Alpha glory; let alone the Alpha of Eternal Righteousness; let alone the pristine truth of the Everlasting Gospel; let alone the twofold conclusion the cleansing of

Christ's High Priestly ministration on the Final ministration.

The last ministration on the Day of Atonement. Let alone the entire purpose of the sealing of Revelation 7; Let alone the importance of ERxF and Rev 13:8-9.

## HEAVENLY TEMPLE SHOOK

**4** And the foundations of the thresholds shook at the voice of him that cried, and the house was filled with smoke.

**5** Then said I, Woe is me! for I am undone; because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips: for mine eyes have seen the King, Jehovah of hosts.

What Isaiah saw was some experience, he saw and heard what shook **the threshold of the house** in HEAVEN.

It was so IMPORTANT that shuddering is confirming John 1:1 = eternal glory of **Eternal Father #2** = ALPHA and unto us a Child is born = the son is given who was the **Everlasting Father of Isa 9:6-7 the OMEGA**.

What should shake the readers to the core is this fact renders the doctrine of

**"God the eternal son"** as the ultimate concept in spiritualism, the apex of spiritualism. As proven in prior discussions in this series. [here](#).

**The Omega of deadly heresies voids the Alpha and the result is zero awareness of Eternal Righteousness of HWM.**

That thunderous announcement Isaiah experienced in [Isaiah 6:4](#) should also **shake the very foundations of the readers mindset** about the First Angels warning and that any laziness about the entire concept of the Alpha & Omega of Rev 22:13,16 **and** the final cleansing on the DoA is the exposure and expression of the utmost spiritual danger.

The pronouncement of that Eternal glory was thunderous - shook the temple in Heaven; the foundations of the thresholds shook, the foundations in Heaven trembled; their voices shook the Temple to its foundations; The foundations of the thresholds quaked; their voices caused the frame around the door to shake.

## Isaiah 6 continues

Yet the strangest situation arises – ears to hear and don't, eyes to see and it's a big problem that extends to our age.

6:9 And he said, Go, and tell this people, Hear ye indeed, but understand not; and see ye indeed, but perceive not.

6:10 Make the heart of this people fat, and make their ears heavy, and shut their eyes; lest they see with their eyes, and hear with their ears, and understand with their heart, and convert, and be healed.

## So, does Isaiah 6:10 sound like 2 Thes 2:10-12?

And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.

2:11 And for this cause God shall send them strong delusion, that they should believe a lie: 2:12 That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

Those damned who believe not the First Angel and the A&O? Oh, that's ridiculous and impossible? Well, they had pleasure in unrighteousness = the denial of ERxP and Rev 13:8-9. Let that sink in because the timeframe is the time of the AC. The 8<sup>th</sup> king. Right?

## In Matthew 13 - HWM quotes Isaiah 6

13:14 And in them is fulfilled the prophecy of Esaias, which saith, By hearing ye shall hear, and shall not understand; and seeing ye shall see, and shall not perceive:

13:15 For this people's heart is waxed gross, and [their] ears are dull of hearing, and their eyes they have closed; lest at any time they should see with [their] eyes and hear with [their] ears, and should understand with [their] heart, and should be converted, and I should heal them.

13:16 But blessed [are] your eyes, for they see: and your ears, for they hear.

13:17 For verily I say unto you, That many prophets and righteous [men] have desired to see [those things] which ye see, and have not seen [them]; and to hear [those things] which ye hear, and have not heard [them].

## Some important questions

What is the importance of the Key of Davd = the Alpha & Omega status?

What are the issues to not have the Key of Davd?

Be honest, ask yourself –

can you give a truthful testimony of HWM consistent with Mark 12 or John 1:1 which is all about Christ's eternal identity with the Gnostic Neoplatonist Arian Father son in eternity doctrines contrary to John 1:1? When all along which is not your fault, thou hast ignored HWM's claim He is Alpha & Omega and the Root and Offspring of Davd? Right?

If, all you can do - is PARROT the Credal 1 gd formulation of the Trinity and then PARROT the 'Gd the eternal Son' = [FB #4](#) - well, that is speaking with unclean lips.

If you really want to know - Its perpetuating the **Omega of deadly heresies.**

Yet, when it came to the Alpha scenario of HWM of Mark 12 - the common people heard Him gladly and they believed Christ's own testimony not only to be the Promised Messiah but what they grasped was this - He had an Individual eternal Identity. Therefore, by citing Isaiah 6 as follows

<sup>35</sup> And Jesus answered and said, while he taught in the temple, **How say the scribes that Christ is the son of David?** [OMEGA = Rom 1:3,4]

<sup>36</sup> For David himself said by the Holy Ghost, The Lord said to my Lord, Sit thou on my right hand, till I make thine enemies thy footstool.

<sup>37</sup> **David therefore himself calleth him Lord; [ALPHA = Father #2] and whence is he then his son? [OMEGA]**

and the common people understood and heard Him gladly.

Mark 12:37

<sup>37</sup> **David therefore himself calleth him Lord; and whence is he then his son?**

And the common people heard him gladly.

Otherwise, if this discussion on the A&O and the eternal Identity of HWM in its fullest and completeness is unto His ETERNAL Righteousness and glory well it means it is the foundation of the First Angels warning. = Worship He who made.

Now if Isaiah 6 doesn't shake the very door posts of your understanding about the Gdhd - **as it did in Heaven** = Isa 6:4 - well here is the conclusion

and it's here is for those who are fat of heart and dull of hearing, having eyes that cannot see - all you have left from

that mouth of yours, is to parrot

**the Alpha & OMEGA**

**of Deadly heresies.**

Now notice

<sup>9</sup> And he said, Go, and tell this people, Hear ye indeed, but understand not; and see ye indeed, but perceive not.

<sup>10</sup> Make the heart of this people fat, and make their ears heavy, and shut their eyes; lest they see with their eyes, and hear with

their ears, and understand with their heart, and convert, and be healed.

<sup>11</sup> Then said I, **Lord, how long?**

And for that dullness about the A&O - Egw "trembled" for the people.

Worse - You cannot be used by God to bring a witness about the testimony of Jesus. It's impossible, because thine mouth is full of guile.

### **Listen to Isaiah 6**

It's the catchcry of the Loud Cry = Rev 18 and Matt 25.

<sup>8</sup> Also I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then said I, **Here am I; send me.**

<sup>9</sup> And he said, Go, and tell this people, Hear ye indeed, but understand not; and see ye indeed, but perceive not.

Now think for a minute

[Isa 6:8-9](#) and Heaven asks the question

**Whom shall I send, and who will go for us?**

**Then said I, Here am I; send me.**

The answer infers they who have the Key of Davd and are given the command to

go - Why are they chosen? they responded to the shaking of the Heavenly Temple.

They do not underestimate why the Key of Davd is implicit with the Alpha & Omega. And if you hadn't noticed it's one of the last validations and reminders in the Book of Revelation. See Rev 22:13,16.

Now ask yourself - Are those whose lips are cleansed, who go forth after the cleansing of their unclean lips with the testimony of HWM?

Yes - that is nothing other than what Isaiah saw, and explains that Eternal GLORY, and is what explains = the First Angel warning.

Yes - The A&O.

Most would not perceive by ear or sight.

Isa 6:4

Why?

What is required?

THAT'S THE CLEANSING OF THE LIVE COAL and the unclean lips who blah **Omega deadly heresies** and don't realise this why Christ is worshipped.

then for those who say - **Here I am send me** - they will speak up at the time of the LOUD CRY, for in their mouths is no guile, and thankfully the wise virgins respond

those who have some oil are those with ears to hear.

And it's a pure clean garment, a belief by faith to be SEALED of the eternal glory = the righteousness of the saints = ERxF.

Their testimony is the eternal righteousness of HWM and it's all from John 1:1 because the cleansing on the DoA – cleanses the lips by the live coal from off the altar.

Look again at Isaiah 6 and why the live coal was taken from off the altar and applied to cleanse one's mouth that produces what?

NO GUILLE.

And of course you know the sealing = The mark or seal of God = Ezekiel 9 = the sealing time of Rev 7 and from the cleansing of the DoA what does Isaiah conclude – yep, sins purged and the lips cleansed from all guile = no lies = GK - [psuedos](#).

What is the time frame "to be sent"? It's the time of the Loud Cry and on and beyond into the 1260 days = Isa 2.

Why?

Read Revelation chapter 10

10:7 But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery

of God should be finished, as he hath declared to his servants the prophets.

10:8 And the voice which I heard from heaven spake unto me again, and said, Go [and] take the little book which is open in the hand of the angel which standeth upon the sea and upon the earth.

10:9 And I went unto the angel, and said unto him, **Give me the little book**. And he said unto me, Take [it], and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey.

10:10 And I took the little book out of the angel's hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter.

10:11 And he said unto me, Thou must prophesy again before many peoples, and nations, and tongues, and kings.

The reason it was sweet and bitter, is simple.

Sweet to share the little book and bitter to endure the 1290 days = Matt 24:15 on to the 1335.

All because of the A&O = the Key of Davd proves Isa 53 and Isa 6 the Finla Atonement cleansing and Dan 9:25-27.

## FOUR Fundamental Dictums

### The conclusion

The REVELATION of that glory to **Isaiah 6 = the Key of Davd and the Final Atonement.**

How?

For the express purpose of calling many sons to glory.

If God, in Old Testament time, didn't speak through "sonship" then it is in New Testament times that he speaks through sonship based on four fundamental dictums.

1 A child is born a son is given

2 Son of God according to the flesh according to the seed of David

3 Jesus words, I am the Omega the offspring of David.

4 Psalm 110:1-4 David's Lord was already present alongside Eternal # 1 prior to the decree of the sent rod which issued forth and would be fulfilled

## **ROOT & OFFSPRING OF DAVD**

Therefore, the four dictums prove Christ cannot be the Root all the while the Creeds say "Gd the eternal son" = [apex of spiritualism](#). Let it be known, in this Alpha & Omega series the mystery of the 'Omega of deadly heresies' has been solved.

As for the **Root and Offspring of Davd** that is the A&O

Well, it's plain - this is the Key of Davd.

Why?

Because HWM described in Rev 22:13,16 = what Isaiah saw, the glory of Christ's Eternal Righteousness.

When one differentiates this - you would be abandoning everything Credal and Neoplatonist, Gnostic or Arian and any and all emanated sonship abominations, Father-Son in eternity mysteries.

Why?

The Omega of deadly heresies is **deadly**

**- that awareness of the Omega of deadly heresies is its sublime deftness and deceptiveness and should shake the very door posts of your dwelling - and even shake you to foundations-** just as the Angel visited Egypt and those doors that had not the blood of the Lamb on the posts. You know the story.

Now the **Key of Davd** brings to reality the Eternal Reality of the Lamb slain from the foundation of the earth = Rev 13:8 and eternal Righteousness.

Seems absurd this verse is even required in Revelation 13. Right?

No, it's not.

It is more important than the mark or the image and the reason?

– **because Rev 13:8-9** is the final proof testimony of the First Angels warning and it's in ultimate context of the **war upon why Christ is the Alpha & Omega**.

And it is the **only Divine Testimony** for the time of the mark and image of B as to those +30 days after the First B reign of the 1260 unto the 1290, and then follows the +45 days to the 1335. Right?

Keep in mind the Two Witnesses testimony Rev 11 ends at the 1260 = the end of the reign of the First B. Would the 2W not be giving witness to LSFOTW = ERxF and the Alpha & Omega of HWM = Rev 13:8?

Nevertheless, entering the +30 days after the 1260, unto the 1290, the fence sitters and the do nothings, the fat of heart, dull of hearing find it's too late to be responding to the First Angels warning; as one would be inclined to falsehood about the A&O during the time of the 1260-day reign of the 8<sup>th</sup> king = the reign of the First B anyway.

Why?

because at the time of the Loud Cry = Rev 18:1-5 = Midnight of Matt 25 and only the five wise virgins responded, the foolish went away to the vendors of oil their lamps going out. Keep in mind this decision which is about the A&O is at the

Loud Cry and then is the time of the Deadly Wound of the 7<sup>th</sup> king.

And only after the Loud Cry, thence commences the 1260 reign of the First B, then the second Beast emerges for the +30 days – there is real [peril](#) during the time known as the Abomination of Desolation.

And for those who arrived at this juncture thinking this is "**novel wonderment**," explain why in Rev 13:8 Christ = the LSFOTW and what is that all about – and why is [Rev 13:9](#) required to be said, let alone emphasising Eternal Righteousness about the A&O in that SAME CHAPTER?

**9 If any man have an ear, let him hear.**

Hey, wasn't that the conclusion of Isaiah 6, Mark 12 and the Key of Davd = the Eternal doctrine of both Elohim = the Two Divines = John 1:1, Isa 44:6, Psa 110 etc = HWM said He was The Alpha & Omega. Rev 22:13,16?

The common people heard Him gladly.

**Do you have an ear, to hear?**

Anyone home.

Hello!
