

“Watchman,  
what of the night?”

“The hour has come, the hour is striking, and striking at you,  
the hour and the end!” Eze. 7:6 (Moffatt)

## POPE FRANCIS ONE WORLD RELIGION STATEMENT:?

Pope Francis recent one world religion [statement](#) :

Well! This is an affront to the First Angel's message. Revelation 14:6,7 **Worship him that created the heavens and the earth** and the problem is that those who know better such as the SDAs, have gone off into Catholic doctrine by way of placing the **Eternal Son doctrine** and the **Trinity** into its statement of Beliefs in the form of [Fundamental Doctrines 2 and 4](#).

And for that SDA's abandoned the First Angels warning - see why FB 2,4 are an affront to the First Angel.

The **God Eternal Son and Trinity** is a Credal formula, that downgrades Christ as an emanation from the Father, since it is stated in the [Nicene Creed](#) that Christ was "begotten, not created" prior to the ages.

Contrary to what the Bible teaches about 'sonship' in Romans 1:3 and Romans 1:4.  
- **Sonship according to the flesh or seed of David and Son of God according to the resurrection from the dead.**

The Catholic Gdhd teaching comes from the Greek mystical theology known as [Neo Platonism](#) which teaches

the demonic doctrine of the [Law of One](#).

This entails the **false teaching** –

that the Universe prior to the emanation of the word was a void and then from that void there issued forth a thought that they the Greeks classified as the logos. This runs contrary to the Bible since John 1:1 does not teach that there was ever an emanated logos = word. In John 1:1 the Word = Logos was in the Beginning already existent and was alongside God and was God.

**In the true Biblical teaching,**

there were actually **Two Everlasting Fathers** who were singular beings and did not derive life from one another. One of them being the Word, lowered himself and became the uniquely begotten son of God since he took upon himself the human genetics of Mary alongside his divinity by way of the Holy Spirit which is himself in another form. This is the

meaning of the word "**Allos**" another of the same category but different.

**Pope Francis teaching is false –**

since Jesus Christ is to sit on the throne of King David which is the throne of God established on planet earth and is seen in Isaiah 9:6-7.

A child is born a son is given and he shall be called Wonderful, Counsellor, **Everlasting Father** and Prince of Peace.

Notice again - that **Everlasting Father** is one of the names of the **Messiah** who is **Jesus Christ**.

Then [Revelation 22:1](#) presents the Throne of God and the Lamb on planet earth. Jesus stated that he was the **Alpha and the Omega**. Alpha being his prior identity in heaven prior to the Incarnation

as **Everlasting Father # 2**

and this is proven by the fact that Jesus told Philip in [John 14:9](#)

if you have seen me, you have seen the father. He told Philip "So long I have been with you and you still haven't recognized me"?

Jesus also stated that "before Abraham, I am".

This is the reason as to why Pope Francis is wrong - since there is no other King, other than Jesus, who will sit on the Throne of his father David, and was referred to as someone being born on earth as a Child and given as a Son to humanity.

It's not Buddha or Krishna or any other man-made religious leader construct.

This individual whom Isaiah introduced in Isa 9:6-7 would then rule the Universe forever from his home base on planet earth. "Every knee shall bow of those in the heavens and on the earth, that Jesus Christ is Lord to the honor and glory of the Father. [Philippians 2:5-10](#).

This is not the same story that other religions teach. Most of which teach the same or similar doctrine of Neo Platonism and its emphasis on the one singular consciousness which is an empty void Universe and not a personal being.

Yet the Bible presents **Two personal Beings** in John 1:1.

1 In the beginning was the Word, and the Word was with God, and the Word was God.

One of them lowered Himself by taking the slave form of human genetics and combining it with his divine spirit to form

a uniquely begotten individual who would overcome sin in the flesh and destroy the devil and finally sit on the throne of David in the latter scenario of **the Omega**.

Most religions believe that at death the soul ascends to heaven to be with God or a state of consciousness such as Nirvana. Yet, Ecclesiastes 3:19-21 contradicts this matter by stating the following.

**Ecclesiastes 3** - Presents the fact that there is no hope for other religions and their teachings which are based on the devil's original lie that fallen humans will not die but will become immortal in another realm. The Bible says no to that.

<sup>19</sup> For that which befalleth the sons of men befalleth beasts; even one thing befalleth them: as the one dieth, so dieth the other; yea, they have all one <sup>[a]</sup>breath; and man hath no preeminence above the beasts: for all is vanity. <sup>20</sup> All go unto one place; all are of the dust, and all turn to dust again. <sup>21</sup> Who knoweth the spirit <sup>[b]</sup>of man, <sup>[c]</sup>whether it goeth upward, and the spirit of the beast, whether it goeth downward to the earth?

The only hope for fallen humanity **is not found** in the belief of the soul's so-called inherent immortality. The only hope is in Jesus Christ who came to this world and paid the penalty for our sins by dying on the cross and resurrecting on the third day.

What makes Christianity the true religion is a personal relationship with Jesus Christ and the fact that he was resurrected from the dead and so shall we if we have died believing in him.

The original Catholic teaching of an "emanated Logos" known as "begotten son prior to the ages", downgrades "Christ" and transforms him into an Eternal Son - that was birthed in the Universe, at some distant point in time, rather than being the "Child" which would be born on earth and given as a son which would define the reasons as to why Jesus Christ stated that he was the **Alpha and the Omega** which are synonymous with the first and the last or Everlasting Father # 2 and the offspring of David.

Whereas the **Catholic** teaching which is the same as [FB #2, 4](#) of Laodicea utilizes the **Eternal Son** teaching as the **root teaching** of the Trinity doctrine, since it designates the underlying role of the father as being the "**Universal one consciousness**" and the "Son" being the "**emanated logos**" that proceeds from the universe and the Holy Spirit as proceeding from Christ. Totally destroying the truth about the Alpha & Omega and why Christ said He was First and Last in Rev 22.

## **Cabala:**

In the occult, there is reference to the Holy Spirit as being a female energetic principle known as Sophia. Christ would be relegated to a male energetic principle which they refer to as Chokma. The First emanation being the Ketur or the crown would be the father and before that the Void Universe.

The second occult explanation is derived from the Cabala which is similar to Neo Platonism and has its origin in that teaching. The Cabala downgrades both Christ and the one known as Eternal Father # 1.

## **Trinity**

This is why the Trinity has been able to survive for such a long time since it's never been exposed by way of its link to Neo Platonism. **The root of the Trinity is the Eternal Son teaching.** What demolishes the Eternal son is John 1:1.

The **Catholic** church teaching places Christ as an 'eternal emanation' from the universe and this would also agree with the New Age teaching of "sparks of consciousness" emanating as "sons of god from the Universe" which was populated with Matter by way of the so-called first emanated son in the form of

the **eternal son consciousness** = **disembodied spirit**.

This is basically the teaching of the Jesuit order of which Pope Francis is a member.

The famous Jesuit [Pierre Teilhard de Chardin](#) wrote that when Mankind reaches a [mass consciousness](#), "woke" then there will be the formation of the Noosphere or hive mind of unity at what they call [Omega point](#).

**So, what then is the FALSE Alpha point?**

It would have to be the emanation of the Greek Logos from the original unknown 'source' or 'void universe' which is 'devoid of personality' who goes by the name =Ein soff = meaning [nothingness](#).

The original Catholic doctrine which was borrowed from Neo Platonism has the underlying teachings of Neo Platonism especially by way of the Jesuit teaching of Pierre Teilhard de Chardin since the **FALSE Alpha** of that teaching prepares the way for the [Omega Point](#), = [Noosphere](#) = [hive mind](#) of a fallen planet as the calls for unity come into play

such as that being promoted by Pope Francis,

and the union of all religions - whose path leads back to Rome.

And Rome leads to Neo Platonism and Neo Platonism leads to the Devil, who is the one that wanted to ascend to the Void of Isaiah 14. A place in the Universe which is called [The North](#). Above the clouds = Nebulas, stars planets, suns and Galaxies. "I will be like the "Most High". Yet he was cast down to the pit and will perish in the Lake of Fire.

## **First Angels warning**

**The message of the First Angel of Revelation 14:6-7 is now clearer than at any time in earth's history.**

After this will come the fall of Rome and the destruction of V city as seen

in Revelation 17:12-16 **and** Revelation 18. [In one hour and in one day will come her plagues. Death, mourning and suffering.](#) Rev 17:12-16; [and](#) 18:8,10,17,19

These two events marking the time frame of the **Second Angel's message** - the fall of the Catholic Church - which will be seen by those merchants off the coast of the Mediterranean Sea who will view her destruction.

## **The Conclusion**

Pastors and elders of Laodicea and sleeping Laity have a real predicament. The baptismal certificate is a formal

accord that includes articles of faith that are Catholic and it's all there in FBs 2&4.

**Well, Guess what!**

**This is the BAPTISM into the Omega of Deadly Heresies.**

And the sleeping virgins are none the wiser.

Yes, it's true since the Alpha = Everlasting father - **not** Eternal or emanated son. (\*)

**Laodicea are literally baptized into the Alpha and Omega of deadly heresies.**

That EGW [trembled](#).

Why? because Paul stated that the fulness of God was an issue in the flesh as stated in Colossians 2. The **Omega** is the opposite.

**It's an attack** on the fulness of Christ as Everlasting Father # 2 and downgrades the prophecy of **Isaiah 9:6-7** which correctly addresses the issue of the Omega scenario by way of Child is born a son is given statement.

Isaiah 9:6-7 then identifies the **Alpha** by calling him **Everlasting Father**. Both Alpha and Omega scenarios are addressed in Isaiah 9:6-7.

In the Catholic and SDA doctrine - **Melchizedek** is downgraded since the **Order of Melchizedek** is placed in the Alpha. An example is Trinitarian apologist Sam the Scam [Shamoun](#).

\* Includes the Waggoner & Jones "Father & the Son" Godhd camp and while Trinitarian deniers they too are not let off **Omega of deadly heresies** hook of difficulty either.
