Alpha & OMEGA

Isaiah 48

48 Furnaces

[Isaiah 48](#) presented an experience where an individual was insistent, they knew what was the Doctrine of God. Now, for those **not ready** for the spiritual battle of Rev 12:17 and Dan 8:23-25 – you need to read on.

[Isaiah 48](#) caused an individual trying to execute a spiritual Kungfu kick on the subject of the GDHD – using God Eternal Son and one Gd heresy and in the process completely lost balance and fell over badly –

and this was because like many they don't know the facts and Scripture rendered the force of the spiritual kick - impotent.

This is precisely what happens with ISAIAH 48

because that chapter contains the Divine Deft Signature of – a) the Alpha & Omega of Rev 22:13,16 and how it is perfected with John 1:1 and Everlasting Gospel and b) the furnace of affliction as Isaiah described is not like silver. This is to be discussed.

For better perspective - since the fulfilment of Luke 21:24 - the subject of the Godhead is now the entire point of the First Angels warning.

Laodicea betrayed their sacred trust and joined full unity with MBTG with the Triune Godhead and God the Eternal son heresy =FB 2,4.

The First Angels warning is the response to Big Religion.

Those who disregard the relevance of John 1:1 -well, the Third Angels warning then becomes reality.

Yet, Laodicea for over a generation now has compromised its Godhead in FB 2,4 and has blunt the force of the First Angels warning and in so doing Laodicea was hazed with the spiritual nonsense =

Triune Trinity, God Eternal Son = FB 2,4 of Roman Catholicism.

Which was woven from the one gd of Neo-Platonism.

The same old story the Eternal Son heresy = FB 2,4. The Alpha & Omega of deadly heresies has been around a long, long time.

So, what has that to do with 48 Furnaces.

Well, in short – a lot.

[Isaiah 48](#) is in fact furnished with end time details which is none other than confronting the furnace of affliction [\[vs10\]](#)

¹⁰ Behold, I have refined thee, but not with silver; I have chosen thee in the furnace of affliction.

[Isaiah 48](#) records something very unique in respect to the First Angels warning – and guess what its lit up like a neon light and what you have is the Deft Signature of the

First Angels warning is all about ... [\[vs 12\]](#).

¹² Hearken unto me, O Jacob and Israel, my called;

I am he; I am the first, I also am the last.

[Isaiah 48:12](#) is signalling to the reader the Biblical doctrine of **Alpha & Omega** which is completely underestimated and why? All because of the NSL – Sunday being the Mark of the B – and yet, what’s the point of Laodicea holding Rome’s formulation of the Godhead and worrying about a Sunday Law that is impossible to occur due to Rev 17:16. If you haven’t read Rev 17 – it’s time for a refresher

because the important point of the First Angels warning is how HWM establishes ERxF which is the basis of the 3 Angels Messages. Eternal Righteousness of HWM = John 1:1 is at stake if you hadn’t realised this by now. How? Remove Christ’s eternal Divinity and you repeat what occurred before the Foundation of the world – see Rev 13:8.

What?

Yep – endorsing God the Eternal Son heresy – YOU – yes you,

slay the Lamb once more and if that’s not enough to sit up and pay attention – consider Heb 6:4-6. Crucifying afresh – HWM and all the time believing RxF. You are endorsing the Law of One.

Let that sink in for a while.

And if you hadn’t noticed –

The doctrine of the Alpha & Omega “Bookends”

the Book of Revelation at [chapter 1](#) and [chapter 22](#).

In fact,

God has provided everyone the opportunity to be aware of the A&O which is in fact the Great Controversy of Revelation and therefore every effort to dethrone and crucify HWM over and over all the while believing in RxF and the 2Thes2 guy will ensure there is the furnace of affliction = Isaiah 48 -furnace of affliction and the proxy of deception is using peace to destroy -see Dan 8:23-25 that culminates with the oppressive law of Isaiah 2.

Isa 48:10,12 is exceedingly important and rarely given any acceptance.

Why?

Fact is the **Alpha of deadly heresies** fooled Laodicea in 1901 with the Living Temple and still does and the Omega of deadly heresies would be greatly more difficult to unravel.

EGW said it would be received.

The 27 FBs in 1980 was received from the Scarlet Hag and that meant Laodicea clasp hands with spiritualism accepting the CREEDS of the Little Horn as their doctrine of Gd. See [FB 2,4](#).

And why?

Seems Laodicea forgotten about the war of Dragon of Rev 12:17

and this war is over the Godhead; a war that goes back a long way – originating with Isaiah 14. What Laodicea fail to see is by FB 2,4 attacks the First Angel.

As mentioned - It is to involve the [Law of one](#) - this law of one holds its existence with the false Shema of Deut 6:4 vs the True Shema of John 1:1 = Law of Two Divines, and it's all about the Great city of Isaiah 2 and the 3T.

And why?

Well, it's because the First Angel warning is all about John 1:1 confirming the Eternal Identity and Eternal Divinity of Ho Logos = Christ [and notice Ho Logos is not named Jesus Christ] just The Word and

HWM confirmed –

He was the first and the last - the Alpha & Omega = Rev 1:10 and 22:13,16 and this was by John who recognised by Isaiah 48 and fully established by John 1:1.

And why?

As to the **furnace of affliction** = '48 furnaces'?

this is the war of Rev 12:17 in its full unwind-mode through the timeframe of the Antitypical 1290 lit days

= the Abomination of Desolation as foretold in Matt 24:15.

The Abomination of Desolation led by the 8th king is furious against the truth of the Alpha & Omega and the First Angels warning,

Yes, this is confirmed in **Isaiah 2**

So, what about this furnace of affliction – war of Rev 12:17?

Well, this war, over the Gdhd and the best example of this detail is this king – known as the First B generates extremes of gross blasphemy ... and yes,

recorded for "those who have eyes to see" in Revelation 13

For - he (8th king) – for he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.

13:7 And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

Now consider Daniel 8 rendition of the same king = the 8th King of Rev 17 and Daniel provides a summary of the furnace of affliction

Dan 8

²³ And in the latter time of their kingdom, when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up.

²⁴ And his power shall be mighty, but not by his own power: and he shall destroy wonderfully, and shall prosper, and practise, and shall destroy the mighty and the holy people.

²⁵ And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many: he shall also stand up against the Prince of princes; but he shall be broken without hand.

Isaiah 48 confirms that war of Rev 12:17 and is a "furnace of affliction"

and why? What's the connection in Isaiah 48?

Well, as you read it's because Isaiah established the Identity of, He who is First and Last = the A&O in Isaiah 48:12. Nothing plainer.

Be a proper humbug to dispute that prophetic authority of why the true doctrine of - He who is First and Last - Alpha & Omega generates in the fullest sense the furnace of affliction. = 48 furnaces!

and all along God said

those exposed to this furnace of affliction have little strength and this is the Phillies of Rev 3

And why?

Because they have the **Key of David** – they realised what it took to solve the A&O of deadly heresies.

The A&O is central today to the First Angels Warning and Gd did say, they who expose the heresies enter full conflict with the Dragon = the furnace of affliction.

It's over the A&O and having the Key of David.

A key 'that openeth, and no man shutteth; and shutteth, and no man openeth;

Laodicea does not have the KoD, that is for the Phillies.

Now reread Dan 8:23-25

The end result of this conflict and controversy – is as you will recall

the syn of S worship at the Phillies feet.

Rev 3:9 ... behold, I will make them to come and worship before thy feet, and to know that I have loved thee.

¹⁰ Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth.

Nothing of the such for the Laodiceans – they are emesai - spewed.

**Not silver –
more precious than fine gold**

In respect to the 48 furnaces –

Isaiah said it's **not like silver** - but then it would have to be "gold" right?

Isaiah 13 explains the distinction of why not silver – but gold.

¹⁰ Behold, I have refined thee, but not with silver; I have chosen thee in the furnace of affliction.

Isaiah 13

¹² I will make a man more precious than fine gold; even a man than the golden wedge of Ophir.

¹³ Therefore I will shake the heavens, and the earth shall remove out of her place, in the wrath of the Lord of hosts, and in the day of his fierce anger.

The Furnace of affliction

Isaiah 48

¹⁰ Behold, I have refined thee, but not with silver; I have chosen thee in the furnace of affliction.

¹¹ For mine own sake, even for mine own sake, will I do it: for how should

my name be polluted? and I will not give my glory unto another.

¹²Hearken unto me, O Jacob and Israel, my called; **I am he; I am the first, I also am the last.**

There you have it - the proof of Isaiah's insight, the Divine evidence that HWM is the Alpha & Omega by confirming what is stated in Rev 22

I Am first and last = Rev 22:13,16.

= Alpha & Omega

And the **Phillies are refined like fine gold**, not silver and having the KoD that actually = "48 Furnaces" of Isaiah 48 and its nothing less than the furnace of affliction which is about the A&O and Rev 12:17.

The furnace of affliction has an important aspect associated with the seven churches and specifically to Laodicea and guess what they are counselled?

It is to **buy gold tried in the fire** and because of Eternal Righteousness was put to full sacrifice His Eternal Identity meant HWM went through the 'furnace of affliction' = Isa 53 and that the experience is in relation to John 1:1 in

respect to Rev 14:6-7 is all focused solely in the First Angels warning.

Mark 13:19

For [in] those days shall be **affliction**, such as was not from the beginning of the creation which God created unto this time, neither shall be.

Laodicea's counsel - Revelation 3

In fact, Laodicea was counselled told to buy of HWM, gold tried in the fire and their self-Righteousness = their own nakedness was caused by the Credal belief of Triune Gdhd = Neoplatonism's God the eternal son.

3:18 **I counsel thee to buy of me gold tried in the fire**, that thou mayest be rich; and white raiment, that thou mayest be clothed, and [that] the **shame of thy nakedness do not appear**; and anoint thine eyes with eyesalve, that thou mayest see.

This is confirmed in Rev 16

16:15 Behold, I come as a thief. Blessed [is] he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame.

The First Angels warning concerning the infestation of the A&O of deadly heresies is true – and explains the command to - worship HWM = John 1:1 = Two Everlasting Fathers

and those who do have the awareness of the A&O heresy have mouths without guile and the true testimony of Jesus and ERxF can only bring forth the truth of the A&O and Eternal Righteousness and the KoD.

Seven times hotter – Dan 3:19

¹⁹ Then Nebuchadnezzar hath been full of fury, and the expression of his face hath been changed concerning Shadrach, Meshach, and Abed-Nego; he answered and said to heat the furnace seven times above that which it is seen to be heated;

The 'furnace of affliction' in the testimony of HWM = Rev 12:11

and is in fact everything about the truth of the Alpha & Omega of HWM = John 1:1 becomes seven times hotter and when is that time frame?

Otherwise, why bother to ignore and even remain deceived by the A&O of deadly heresies and remain naked with no garment of Righteousness?

Jesus described the timeframe of furnace of affliction as Abomination of Desolation = Matt 24:15.

It entails a total of 1290 days.

Rev 13 explains its broken into two segments – the time portion of the First B = the 1260 days and then a transition to the second B and that segment according to Dan 12 lasts into the +30 = the total of 1290 and then culminates thru to the + 45 days which is the end at the 1335.

Dan 12.11-12

¹¹ And from the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days.

¹² Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days.

A lot of uncertainty exists about Revelation 10. Does it relate to Rev 18 and the Loud Cry?

But in the days of the voice of the seventh angel,

when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.

10:8 And the voice which I heard from heaven spake unto me again, and said, Go [and] take the little book which is open in the hand of the angel which standeth upon the sea and upon the earth.

10:9 And I went unto the angel, and said unto him, Give me the little book. And he said unto me, Take [it], and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey.

10:10 And I took the little book out of the angel's hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter.

10:11 And he said unto me, Thou must prophesy again before many peoples, and nations, and tongues, and kings.

What's the "voice" of the 7th angel?

It's the timeframe of the 2nd and 3rd woe – the time of First B and then the second B = 1260, and then the +30 and then on to the 1335 of Daniel 12:11-12.

What is the prophecy about?

Daniel 12:11-12 and Matt 24:15 = The imminence of the Second coming. It definitely follows the Loud Cry of the 7th king which is followed by the Deadly Wound

Furnace of Affliction in its context

7:14 And I said unto him, Sir, thou knowest. And he said to me, These are they which came out of great tribulation, and have washed their robes, and made them white in the blood of the Lamb.

7:15 Therefore are they before the throne of God, and serve him day and night in his temple: and he that sitteth on the throne shall dwell among them.

7:16 They shall hunger no more, neither thirst any more; neither shall the sun light on them, nor any heat.

7:17 For the Lamb which is in the midst of the throne shall feed them, and shall lead them unto living fountains of waters: and God shall wipe away all tears from their eyes.

There is no prophetic disappointment prior to the 7th Angel since the 5:00pm call has the glorious weight of the Loud Cry and all fear is removed by the refreshing of the latter rain

then it's the count down from the 1290 to the 1335.

=====

So, what happens when folk who study the Scriptures realise the basis of the 'fire of Affliction' = First Angels warning about the Alpha & Omega of deadly heresies and of course the KoD = Phillies.

There will be a complete lack of tolerance in every respect by the 8th king and all those ten guys of Rev 17 = Zech 8:23; they will be fierce, intolerant about the Key of D and the A&O and there is Laodicea problem of the foolish virgins who blew their chances looking for oil -their oil ran out – the foolish at Midnight turn on the Phillies? - no question.

Note

The 5 PM call is singular, whereas the call to preach to many people's nations and

tongues of Rev 10 is describing the concurrent call of 12 and 3pm the former being the bitter scroll and the latter preaching to many peoples, nations, and tongues up to 1980.

Whereas the Phillies by way of the Loud Cry of Rev 18 - lighten **the earth** with its glory –

unlike the 3 PM workers who reach many peoples nations and tongues ... and with the fulfilment of Luke 21:24 and the supernatural event of FBs 2 & 4 that are from the RCC - God put a stop to the many people's nations and tongues in 1980.

What? Well, yeh –

The unity of Big Religion is the same they all teach the same FB 2,4 doctrines. Right?

Does the Loud Cry = Rev 10.
= era of the voice of 7th Angel?

No Not really!

Because the second movement culminates in many people, nations and tongues; **not all** peoples, nations and tongues as required by the Loud Cry with the earth being lightened with the glory of HWM.

See [Rev 18:1-5](#)

And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory.

² And he cried mightily with a strong voice, saying,

The Voice of the 7th Angel is not contemporaneous with the 5PM call.

The 5 PM call is the Loud Cry.

The Voice of the 7th Angel is after 6:00 PM

and marks the time frame of the great earthquake along with the 7 thunders.

This was discussed in reference to the 6th seal

The only missing component in relation to the 6th Seal are the voices, lightening's and thunders - yet the great earthquake is present and tied into the second coming of Christ in verse 16.

Rev 6

¹² And I saw when he opened the sixth seal, and there was a great earthquake; and the sun became black as sackcloth of hair, and the whole moon became as blood; ¹³ and the stars of the heaven fell unto the earth, as a fig

tree casteth her unripe figs when she is shaken of a great wind.

the 7th Seal extends from the Trumpets up to the 7th Angel blowing his trumpet

⁸ And when he opened the **seventh seal**, there followed a silence in heaven about the space of half an hour. ² And I saw the seven angels that stand before God; and there were given unto them seven trumpets.

The 7th Seal appears to last up to the time when the 7th Angel blows his Trumpet - prior to that comes the 7 Trumpets

Rev 8

¹⁵ And the **seventh angel sounded**; and there followed great voices in heaven, and they said,

¹⁹ And there was opened the ^ltemple of God that is in heaven; and there was seen in his ^mtemple the ark of his covenant; and there followed lightnings, and voices, and thunders, and an earthquake, and great hail.

Voice of the Seventh Angel - Takes place in 3rd woe

17 And the seventh poured out his bowl upon the air; and there came forth a great voice out of the ^[m]temple, from the throne, saying, **It is done: ¹⁸and there were lightnings, and voices, and thunders; and there was a great earthquake, such as was not since ^[n]there were men upon the earth, so great an earthquake, so mighty. ¹⁹And the great city was divided into three parts, and the cities of the ^[o]nations fell: and Babylon the great was remembered in the sight of God, to give unto her the cup of the wine of the fierceness of his wrath. ²⁰And every island fled away, and the mountains were not found. ²¹And great hail, every stone about the weight of a talent, cometh down out of heaven upon men: and men blasphemed God because of the plague of the hail; for the plague thereof is exceeding great.**

The era of the Loud Cry of Rev 18 does not take place during the 3rd woe yet it's very close. The LC precedes the 1260 since it takes place right after the fatal wound of the Grand Monarch = and the

fall of MBTG - but this is still not the third woe.

There is no preaching of the Gospel during the third woe - there is only the testimony of the saints who are living in a world after the departure of Allos - who are standing firm in the faith just as Jacob wrestled with the Angel and whose name was changed to Israel =overcomer. Furnace of Affliction?

And while that is true that there are bitter experiences, It is unlike that of the experience of the pioneers since the – [Great Disappointment](#) delay shattered their hopes.

Yet, at this point in time, after the LC - there remains 1290 days [Matt 24:15] while that is indeed bitter along with the remaining 45 days what awaits the saints who are aware of it, is the completion of the 1335 and the blessed and expectant one.

What is illustrated in Rev 10 is only in relation to the fulfillment of 12 and 3pm on the parabolic time clock of Matt 20; in particular the second movement in relation to the bitter scroll. It being the second movement preached faithfully until fulfillment of Luke 21:24.

There is no evidence that this is tied to the 5:00 PM call of the vineyard workers which takes the Loud Cry to the world

and lightens the earth with its glory.
None.

The bitter experience of the saints at the very end is nothing new and also took place in the first century which was terrible, being thrown to Lions etc. Later, the inquisitions as well as throughout history up to the very end of the age.

Revelation 10's task

Rev 10's task confirms the Parable clock of Matthew 20 in reference to the concurrent call. Whereas Rev 18 reveals the earth being lightened with the glory of God in the Loud Cry of Rev 18

The Loud Cry of Rev 18

And after these things (Rev 17:10-18) I saw another angel come down from heaven, having great power; and the earth was lightened with his glory. ²And he cried mightily with a strong voice, ...

The earth was lightened is by a great power is in fact a totally different scenario than that of Rev 10 - whose message is Trumpets = Millerites, and the Day of Atonement = First Angel up to the time frame of its demise which = 1980 = Luke 21:24

and then

the First Angel reverts back to its original purpose of John 1:1.

Yes, the entire issue of the Alpha & Omega.

The Alpha & Omega and KoD involves according to Isaiah 48

The fire of affliction and requires the full armour of Gd Eph 6.

First Angel = Alpha & Omega and eternal Righteousness

Furnace of affliction, seven times hotter? gold tried in the fire?

- 48 furnaces of Isaiah 48?
