

*“Watchman,  
what of the night?”*

*“The hour has come, the hour is striking, and striking at you,  
the hour and the end!”* Eze. 7:6 (Moffatt)

# The Alpha & Omega Treasure Map

## Key of David

The Treasure Map – The Key of David =  
Alpha & Omega

There is Biblical formula and it's the Key of David, it involves the Alpha & Omega and ERxF and has its own Map, includes Prophetic time, a Parable (time) clock as well as the 70 weeks and 2300 all fall under that category and then the Three angel's messages it is not from this world because it involves Wonderful, Counsellor, Everlasting Father and this discussion is mostly as a starting point of

unveiling messages from these categories.

### **The Map = the Map of Revelation 17's TEN KINGS.**

Why? Because it swallows up the world and no other religion outside of this present understanding has this revelation of the KoD and if they did, who then has it in its full capacity. They would also possess the map of the Key of David.

It proves that this knowledge has the truth regarding the destiny of the planet and notwithstanding the war of the Dragon. So, all systems of so-called religion are false since none have the understanding of earth's destiny in relation to the 10 successive and 10 contemporary kings of Rev 17.

Matthew 20

The field = the Vineyard of the Lord and the previous workers that were cast out have been replaced by the understanding of where in world history can the true Vineyard be located? Not in Jerusalem or Mount Gerizim but in "spirit and truth" but in the hours of 6, 9, 12 and 3 and 5. = Matthew 20

Micah the Prophet stated that Messiah comes from days of old or Everlasting which = Alpha scenario of Eternal righteousness = Rev 13:8.

The truth is within the **Key of David** since the 3rd Angel is supposed to be righteousness by faith in verity. It is not.

Why?

It is found in **Eternal Righteousness by Faith** [ERxF] which opens the entrance to the Jerusalem which is from above, as revealed in Isaiah 9: 5-7 = **Wonderful**, = Angel of the Lord; **Counsellor** = Allos and **Everlasting Father** = John 1:1 and **Prince of Peace** = the Final reign of Everlasting righteousness on planet earth.

What is Truth?

Pilot's question to Jesus, " what is truth" was never answered by Jesus.

But the answer that Jesus gives from scripture is the following.

### **Scripture points to truth.**

"I am the way the truth and the Life. No one comes to the Father except through me". [John 14](#)

He, Allos will guide you into all truth" [John 16](#)

"Sanctify them by truth they word is truth." [John 17](#)

The KoD Treasure Map has emphasis on Everlasting Righteousness - [Dan 9:24](#) which is an absolute explanation of the Everlasting Gospel [Rev 14:6-7](#) of the Two Divines of [John 1:1](#).

Whereas Pilot's question was from a subjective Greek perspective, since the Romans were influenced by the Greeks.

Scripture states the following:

### **Psalm 119:142**

**"Thy righteousness [is] an everlasting righteousness, and thy law [is] the truth.**

Pilate seemed to be implying that the truth is relative and he may have possibly alluded to some facets of Greek philosophy which envisions that all things in the material world are an illusion.

One may recall that the major battle of the early church was the fact that they had to deal with the Gnostics and their erroneous views regarding the material world of which Gd stated that what he had created was "good". Whereas the Gnostics said "no " the material world was evil.

Perhaps he was alluding to these philosophical systems and most scholars have not really figured out why Pilate said this.

If Jesus had answered, it would have made no difference - since Pilate had his opportunity to hear the truth by way of a dream that he received from his wife who stated. **"Have nothing to do with that just, God fearing man.**

She had tremendous trouble sleeping that night.

That is the reason that Jesus didn't get into a theological debate with Pilate. He never debated his enemies.

He just used clear cutting scripture and exposed their plots and schemes. Whereas Pilate was caught in a snare and rather than listening to his wife, he caved in to the threats of "if you let this man go, you are no friend of Caesars." In the case of Pilate. His wife revealed a dream that was "truth" and it was ignored.

The same will be for the followers of Jesus at the end of the age.

What is seen will be believed and will appear as truth,  
but what is not seen, will be the truth.

### **Key of David Treasure Map**

Yet, the 'teachers of righteousness' who know what truth is - will have in their possession the **Key of David**, and the Map, as well as the Parable time clock in reference to the hours of revealed truth

during the hours of the working day in the field of the Lord which is a metaphor for the specific time frames of earth history in which the truth has been revealed.

The true **Vineyard** which is not in Jerusalem or Mount Gerizim or fallen Laodicea - but in the "spirit and truth" of scripture. The **compass** marks out the heavenly direction as well as those things which the ancient prophets desired to look into [[Matt 13:17](#)] and understand since it meant to them the bestowal of the treasure.

The digging with the shovel = the zeal of those who desire to look deeply into the underlying facts of scripture which unveil the compass and the direction one needs to arrive at truth, pure and unadulterated, and also one thing that wasn't mentioned was the following question:

### **What then takes place when we reach the end of the map of the 10 kings?**

We then have as Daniel 12 stated - the 3 ½ yrs = 1260 days, and the + 30 = 1290 days. And Blessed is the expectant one that reaches the 1335.

<sup>11</sup>And from the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be a

**thousand two hundred and ninety days.**

<sup>11</sup>And from the time that HaTamid (the Daily Sacrifice) shall be taken away, and the Shikkutz Shomem (Abomination Causing Desolation) set up, there shall be a **thousand two hundred and ninety yamim.**

When the Abomination of Desolation is 'set up' = Dan 12:11 – it is prefaced by the TEN KINGS, the same 10 as that "one hour with the B" of Rev 17:12

In fact, the First B of Rev 13 is with the 10 kings

– why?

for the First B of Rev 13 has TEN HORNS who are by the time of the Abomination of Desolation of Matt 24:15 are **crowned**.

That occurs when?

After that ONE HOUR of Rev 17:12 then the B of Rev 13 is 'set up.

Then commences the abomination which is in three parts a) 1260, then there is b) the +30 days unto the end of the 1290 days, and c) blessed those who wait for the 1335 and all has to what HWM stated in Matt 24:15 and He quoted the prophet Daniel. See Dan 12:11.

## SUMMARY

### **Without the Book of Daniel and Revelation –**

There is no Map.

### **Without the solving the A&O of deadly heresies**

there is no Key to unlock the Map.

Laodicea in Rev 3 - were never given the KoD.

Laodicea had the Map - but floundered – and rejected the KoD.

Why?

Laodicea was warned it would be 'received' and EGW 'trembled.'

Laodicea is now in a deplorable condition – in dire need of eye-salve yet cannot see herself as being utterly deceived by the A&O of Deadly heresies FB 2,4.

The consequence?

Laodicea had no Key of David

And at Midnight what happened?

The door was shut and with no key – what then!!

Let that sink in.

Better - Pay close attention on the subject of A&O the KoD and ERxF.

These essential details must continue to be discussed.
