Sabbath - The Confrontation?

Walter Vieth

https://www.youtube.com/watch?v=MMQgg51thpM&ab_channel=ClashOfMinds

Dr Vieth at the recent camp meeting in Maine Aug 2024 emphasized the Sabbath confrontation as the end all, of end all's – he hosts the regular iterations from the era of the 1890's. Veith is bullish with Sabbath logic but missing is a lot of Bible for the end times we live.

Does Sabbath agitation exist nationally or internationally today?

No, nothing making the news.

That being the case – the Bible presents serious scenarios that are being fully neglected. Is this the case with Walter V?

Yes - indeed.

Walter's Problem

Problem is that the MoB is not of the 7th king - it's the 8th king.

See [Rev 17:10-11](#)

¹⁰ And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space.

¹¹ And the beast **that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.**

The eighth is the 8th king.

One can say that Sunday is the Mark of the Papa Pointy Hat authority - but that is not the MoB. It's the **early** transgression of desolation.

Dan 8:13

¹³ Then I heard one saint speaking, and another saint said unto that certain saint which spake, How long shall be the vision concerning the daily sacrifice, and the

transgression of desolation, to give both the sanctuary and the host to be trodden under foot?

Fact is - that the **Sunday laws** instituted in the past - **were not the 8th King's timeframe** –

which arrives during the era of [Zechariah 8:23](#)

and Rev 17:12-16 as well as Rev 18.

Yes, the 8th king's time frame involves ten contemporaneous kings

²³ Thus saith the Lord of hosts; **In those days** it shall come to pass, that **ten men** shall take hold out of all languages of the nations, even shall take hold of the skirt of him that is a Jew, saying, **We will** go with you: for we have heard that God is with you.

¹² And the **ten horns** which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.

¹³ These have one mind, and shall give their power and strength unto the beast.

¹⁴ These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful.

¹⁵ And he saith unto me, The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues.

¹⁶ And the **ten horns** which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.

And after these things (events of Rev 17)

I saw another angel come down from heaven, having great power; and the earth was lightened with his glory.

² And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

³ For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed

fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.

⁴ And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

⁵ For her sins have reached unto heaven, and God hath remembered her iniquities.

The fact is God has told us all that the 8th King arrives **after** the fatal wound and its later at the **1290 days** the abomination of desolation of Matt 24:15 occurs - and **not** prior to that scenario.

The 8th King is revealed as being the counterfeit Lord of the Sabbath since the [Talm book](#) states

on record that

Gentiles are not allowed to observe the Sabbath only the 7N.

The MoB **can only** be instituted **after** the events of the Contemporaneous TEN king's scenario of Rev 13:1-2 – they are crowned – which was specifically stated at the 1290 days of Matt 24:15 = the

Abomination of Desolation as spoken by Daniel the prophet = [Dan 12:11](#)

which is by way of the activities of the Miracle working false prophet - MWFP. And what would they be?

<https://medium.com/fourth-wave/have-we-reached-the-singularity-78aa6fd403cd>

Specifically, a one-month period.

Rev 13 presents the 1260 days of the First B and also introduces the Second B

but the question is this –

Did HWM confirm the duration of the Second B is **30 days** making

- the 1290 days of Dan 12:11 completely true?

By the Authority by HWM in Matt 24:15

it is emphatically true.

Does 1290 days exist in Rev 13?

Is this true?

Yes -

For, what Jesus said in Matt 24:15 in respect to the **ABOMINATION OF DESOLATION** is that He confirmed it was what Prophet Daniel said and Daniel said the Abomination of Desolation = last 1290 lit days

Daniel was fully informed about the **transgression of desolation** = 1290 years up until 1844 – see [Dan 8:13](#).

Therefore - Second B's one **month** = **30-day** reign of unbridled power is when the MoB and the worship of the Image is implemented and that will surprise many – but – hey who wants to take this issue up with Daniel of Jesus Christ?

The other thing is there actually exists a **30-day type precedent**

and yeh –

it's high-time to think that one over.

And where is it in the Bible you ask?

Daniel 6 prototype:

⁷All the presidents of the kingdom, the deputies and the

satraps, the counsellors and the governors, have consulted together ^[b]to establish a royal statute, and to make a strong interdict, that whosoever shall ask a petition of any god or man for **thirty days**, save of thee, O king, he shall be cast into the den of lions.

That specific decree shut out the duality of John 1:1 - and in its place was the King as being a prototype of the 8th King of Rev 17.

The **singularity** of Medo-Persian King was what was imposed. The outworking of that singularity was also seen in Daniel 3 when Daniel's 3 friends were cast into the **fiery furnace** and that also involved a single huge image.

In the upcoming days just ahead the issue of singularity will come into play and this time – by way of the deceptive work of the MWFP, an image is to be animated since the MWFP breathes life into the Image of the Beast and causes it to speak and to

pass a death sentence on all who do not comply.

The speaking will be conducted by demons who will possess these machines and it will be claimed that the **Universal one consciousness** = the Omega Point of Singularity - bringing the machines to life.

The problem with the traditional understanding of Laodicea lays in the fact that

Laodicea has not properly addressed the matter of the MOB and its correct time frame and how it, the 8th King, is going to be diverse from the other Kings before it –

since its Luciferian and **not** Christian at all –

but will entail the cultural aspects of the cursed Fig Tree of Isaiah 2

as well as what Jesus stated about learning the lesson from the Fig Tree in [Luke 21:29-31](#) and what the branches turning green = shooting forth implied, in relation to a House that was left desolate after he tried to cleanse it Matt 23:38

and in the LAST DAYS as is stated in [Isaiah 2](#) it returns once

again, at the end of the age to **challenge = confront**

the First and Third Angel's message.

The challenge to the First and Third angel

is the challenge against the Why HWM is the

Alpha & Omega and ERxF.

While the true Sabbath is as close as you can get to the Seal, it needs to be kept in mind that Benny Davd would observe the Sabbath and not Sunday.

The Talmud prohibits Gentiles from worshipping on the Sabbath. This could also be an oppressive law which works in tandem with [7N # 1](#)

which is the only law for gentiles.

Failure of compliance = capital punish.

MISSING COMPONENT

Furthermore, the missing component in both the Sabbath and Sunday is the issue of

singularity in the Godhead

as opposed to Duality of John 1:1.

Keep in mind Veith is an avowed Trinitarian and God the Eternal Son believer = FB 2,4 – not recognising both he and his audiences are ill-equipped to respond unto to the Law of One that attacks the First Angels warning.

Granted that in reality the Sabbath is linked with the First Angel on the basis of John 1:1 but the false interpretation of the Shema in the right hand and forehead= Deuteronomy 6:8

annuls John 1:1 **as well as the** Alpha and Omega

in relation to the most of the planet - which will be deceived.

That is why the 1888 Message did not progress when the so-called issue of the MOB came up during the era of 1888-1892 in reference to the agitation of a National Sunday Law and its association with the MOB.

That is why the most precious message **had to include the correct**

teaching on the Godhead

which had to align with the proper understanding of the **true Shema of John 1:1** and eternal righteousness based on the true concept of an ever-existent Logos

and not

an emanation from the heavens or Universe such as God Eternal Son and since the heavens are not pure in his sight and are

in fact, in a state of decay based on the Law of Entropy

which exposes the law of one as deficient since the Universe is subject to change and will be folded like a garment by those present in John 1:1 and Psalm 110:1-4=

The Law of Two.

This alone forms the basis for Deuteronomy 6:4.

When carried on the right hand and forehead.

Right hand

<https://www.gotquestions.org/right-hand-God.html>

When one accepts the Duality of John 1:1 – Two Eternal Gods -Father #1 and Father #2

and places it on his right hand

he is accepting the fact that the Messiah of Psalm 110:1-4 sits at the right hand of God as God

= **duality** and not a singularity.

ISAIAH 2

The Law of [Isaiah 2](#) is a law which is applied by the 8th king and that law is around today and it is the 7N and that brings

that matter to the forefront of

CONFRONTATION

not the Sabbath

For this law is

in relation to the **false interpretation of the Shema**

which is in contradistinction to **the true Shema.**

John 1:1 expands the Shema of Deuteronomy 6:4

by way of 2 presentations

1 The plurality of the Word **Elohim** in the original Hebrew

2 The use of the word **Echad** as oneness in duality **and not singularity**

Both of the above are fulfilled in John 1:1.

Whereas the error in the Shema would make use of the word Yachid that Gd is one singular

individual and needs no partners.

The answer to this deception is [Genesis 1:26](#).

CONCLUSION

Laodicea are not proficient with the Book of Revelation –

especially chapter 17.

Here's the thing – the 7th king is to soon emerge = Grand Monarch will bring every fibre to reinstate the HRE back into the strong man's control and may even insist a Sunday theme of a day of rest as noted in the encyclicals –

but are you ready for the hard-faced reality – which is this

according to Scripture it will never

come to pass

And why?

Rev 17:10 and Dan 11:45 explains why

¹⁰ And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space.

⁴⁵ And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him.

Yes - the 1290 days of Matt 24:15 occur after the events of Rev 17:10 and Dan 11:45

the Abomination of Desolation timeframe commences after 7th king suffers the deadly wound as stated in Rev13.

And Why?

well, a child trained in basic grammar can tell you the 1260 days of Rev 13 commences after the deadly wound.

You have read the DW text many, many times.

³ And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

⁴ And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?

⁵ And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.

Now will you give the words like the child in grammar class their own clear meaning? ANSWER - The continuance was of power was **after** 42 months

and then ask yourself was God wrong about the DW and the 1260 days of the First B?

therefore - the 30 days of the Second B + the 1260 days of the First B
= 1290 days of Matt 24:15.
