Alpha & Omega

Laodicea's “Triune Holy Spirit”

SSQ Dec13,2024

Today, knowledge has increased exponentially - getting more difficult to 'tread the information water' when it comes to the A&O of deadly heresies and then there is the spiritual pollution in the sea of increased knowledge. – Dan 12:4

But thou, O Daniel, shut up the words, and seal the book, [even] to the time of the end: many shall run to and fro, and knowledge shall be increased.

Because of Laodicea's FB 2 & 4 - this discussion considers Laodicea's Triune Holy Spirit = [SSL Q4 2024](#)

where if you didn't know – you would think you were dealing with the real deal

and yet the lesson is delivering a disguised and subtle trinitarian perspective about the Holy Spirit.

So why does this problem even exist?

NOTICE 1 - -

this discussion is not to say folk in Laodicea are not being blessed by the real Holy Spirit – Allos Parakletos.

NOTICE 2 ---

The pending issue is this - what does the **A&O of Deadly Heresies** have to do with the “Heteros Triune Holy Spirit” Laodicea approved from the RCC doctrines

and what will it do to Laodicea when least expected, like during the time of the Abomination of Desolation – the 1290 days of Matt 24:15?

but when it comes to Laodicea trying to explain their **Triune Heteros Holy Spirit version** –

they don't seem to recognise they have no enemy from the world, as they too, are beholden to the Unity Consciousness and the Law of One

and so – there is a big difference – as to Whom is the Real Allos Parakletos and the ensuing deception abounds with the triune Heteros Holy Spirit of MBTG.

Verily, deceive, if possible, the very elect?

What's the difference?

Well, if you haven't figured it out by now – it all revolves around

the Alpha & Omega of Deadly Heresies.

And yet, have you even noticed, why the plainest reading of [John 1:1](#) is denied and misapplied by Laodicea with the Triune Godhead – but how? Laodicea's academic theologians and administrators agreed to consolidate their identity as being “Christian” to a nagging problem - to be besmirched with the CULT status and to install confidence of ‘true Christian’ church - the remedy was to segue to Romes Triune Godhead and - officially endorsed at General Conference Session into [FB 2.4](#). This was a supernatural achievement and these [FBs](#) had superimposed the central doctrine of the RCC into Laodicea's own doctrinal

cohort and for that – it shanghaied the Sanctuary Doctrine and Christs eternal Identity after the Order of Melchizedek

and Laodicea talk about the Sabbath and the Sanctuary Doctrine and yet completely unaware they have ambushed themselves when it comes to the First Angels warning in the process of [FBs 2,4](#)

and so,

Laodicea gave her fullest endorsement to MBTG the Mother of HARLOTS

With Papa Pointy Hats (PPH) Nicene Creed of God regardless of the fact John said under Inspiration Two Divines in beginning.

There is no question – PPH doctrinal themes exist in the quarterly lesson = [SSQ4 of 2024](#) but it's been smoothed over avoiding the terminologies of the RCC doctrine of Gd.

Quite tricky really.

For many, when PPH doctrines in FB 2,4 are pointed out - you get a strange look, or a sneer you are a heretic for even saying - and yet Laodicea do not see the A&O of deadly heresies is for them - impossible to detect yet official in the FBs and therefore taught in the SSQ

Is the spiritual malady because of the lukewarmness?

When **Romes Triune Heteros Trinity** is pointed out to pastors and elders in Laodicea – that PPH doctrines exist verbatim in the - yeh, they get quite uppity and worse quite censorious – get out!!

and with no spiritual eyes to see, how can they preach a sermon against PPH and in the same breath preach PPH doctrines about Godhead?

– and so unable to identify spiritual threats, let alone respond to the level of spiritual tampering especially when it comes to the First Angels warning.

In fact, as was noted [here](#) – sufficient information exists in this 2024 SSQ to **unravel and solve** to a reasonable extent the Alpha & Omega of Deadly Heresies which is as stated in [John 16:13](#).

Time now to discuss from the Bible Laodicea's commentary about their Triune Heteros Holy Spirit.

The Holy Spirit

John 1:10–13. What does this text teach us about the importance of the Holy Spirit for conversion?

In the first chapter of John, we can see just how central the role of the Holy Spirit is. John tells us that as many as received the Word (that is, as many as believed in Him) became children of God, those “who were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God” (John 1:13, NKJV). This comes only from the work of the Holy Spirit.

So, what does John 1:10-13 reveal?

Here is [John 1:10-13](#)

He was in the world, and the world was made by him, and the world knew him not.

1:11 **He** came unto his own, and his own received him not.

1:12 But as many as received him, to them gave **he** power to become the sons of God, [even] to them that believe on his name:

1:13 Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God.

We can take good courage - the **3 He's** are in reference to Jesus.
Not the Holy Spirit.

[Fundamental Belief #5](#)

The question asked in the SSQ lesson is non-sequitur because the Spirit is mentioned later in John 1. The holy spirit issue goes back to the matter of the veil of Heb 6:18-20 and not of or about another totally different third person which is Catholic doctrine

And what the PPH Triune Gdhd states –

The Holy Spirit is not the Son, the Son is not the Father

– [here](#)

and which is why Laodicea pastors, elders and laity get confused

and so, they just acquiesce to the Triune Doctrine of PPH and Laodicea's Holy Spirit is fully absorbed as part of the Omega of Deadly Heresies

And, what of it?

Simple: - the Triune - “Holy Spirit” rules the day = [FB#5](#)

And if you were to bother to read [FB#5](#)

you will see the **HS is not the father, and not the son**, and Laodicea requires that definition to honour their belief of the Triune Gdhd of John 1:1 which is false and because they have not established the Biblical difference of the word ANOTHER Comforter because there is another - another, a [Heteros](#) = different and not

the same and that's in stark contrast to [Allos Parakletos](#). – equal to and different.

Small detail but overwhelmingly important.

And that's a big problem.

The True **Allos Parakletos** is the same, yet distinct to HWM. Hence the use of the veil metaphor in [Heb 6:18-20](#).

¹⁸ That by two immutable things, in which it was impossible for God to lie, we might have a strong consolation, who have fled for refuge to lay hold upon the hope set before us:

¹⁹ Which hope we have as an anchor of the soul, both sure and stedfast, and which entereth into that within the [veil](#);

²⁰ Whither the forerunner is for us entered, even Jesus, made an high priest for ever after the order of Melchisedec.

The Greek terms **Allos** and [Heteros](#) requires focused attention. These Greek words for another - have different meanings without an awareness there is no chance of understanding why Laodicea's Triune Holy Spirit is Heteros when it should fully conform to what Jesus in **John 14:16** Jesus speaks of another (ALLOS) comforter.

¹⁶ And I will ask the Father, and he will
kagō erōtaō ho patēr kai
Paraclete, to be with you for all time
paraklētos hina eimi meta hymeis eis ho aiōn

[John 14:18](#)

best describes ALLOS, which is different but the same.

And the reason it's the same is because Jesus said about Allos Parakletos

¹⁸ I will not leave you comfortless: I will come to you.

The True – ALLOS Holy Spirit is the same as Christ,

but the Triune GDHD says all three are different.

That being settled – its time to discuss SSQ lesson question

John 1:10–13. What does this text teach us about the importance of the Holy Spirit for conversion?

But what does Scripture have to say about the Holy Spirit's role?

15:26 But when the Comforter is come, whom I will send unto you from the Father, [even] the **Spirit of truth**, which proceedeth from the Father, **he shall testify of me:**

15:27 And ye also shall bear witness, because ye have been with me from the beginning.

And what is the Spirit of Truth's role?

Note the two criteria.

16:13 Howbeit when he, the **Spirit of truth**, is come, he will guide you into all truth: **for he shall not speak of himself**; but whatsoever he shall hear, [that] shall he speak: and he will show you things to come.

16:14 **He shall glorify me:** for he shall receive of mine, and shall show [it] unto you.

He shall glorify Me = the glory He once had

= Eternal Righteousness

[John 7:38-43](#)

7:38 He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water.

7:39 (But this spake he of the Spirit, which they that believe on him should receive: for the Holy Ghost **was not yet [given]; because that Jesus was not yet glorified.**)

7:40 Many of the people therefore, when they heard this saying, said, Of a truth this is the Prophet.

7:41 **Others said**, This is the Christ.

But **some said**, Shall Christ come out of Galilee?

7:42 Hath not the scripture said, That Christ cometh of the **seed of David**, and out of the town of Bethlehem, where David was?

7:43 So **there was a division among the people** because of him.

DIVISION then – division today.

You will notice from John 7 the Godhead of Christ and His Divinity was a divider back then and His earthly Incarnation were formative arguments over His status as ALPHA & OMEGA and the enemy devised the A&O of deadly heresies.

John 7:43 is an important detail of **Allos** = Holy Spirit - confirming Allos as being Christ himself - prior to the Incarnation = what is stated in Phil 2 that

the form of God was spirit and that the Holy Spirit mentioned in John 7:39

had not been given –

Why?

because He who made - **in the flesh**

in His Omega Identity

was not yet glorified ...

John 7:39 is confirming the timeframe just after the Cross and confusion / division resided in the belief of the Messiah just being the Omega or Son of David was one thing to deal with

and then without realizing that the Alpha was within Jesus Christ as the Divine Spirit and that had everyone perplexed because at Pentecost that 'spirit' would later be poured out on all believers after

Christ would die on the cross and be glorified at the resurrection which meant dying to his former self as Melchizedek on the cross - "into thy hands I commit my Spirit"

and then retaking his former glory of Melchizedek

yet, now in glorified human flesh (His Omega Identity)

after his resurrection from the dead as veiled in Hebrews 6:19-20

and then - as our Great High Priest of the Order of Melchizedek and that completes the requirement of Melchizedek made like unto the Son of God. Heb 7:3

Yes!

Christ **died** to his **former glory of Melchizedek -ALPHA** and was begotten or born of the Resurrection from the dead as stated in Romans 1:4.

Glory -

that this [not yet glorified] is the reinstatement of Christ's Alpha Glory = John 1:1 but now in the Omega of human flesh – born of the seed of David

Are you now beginning to sense the doctrine of **Alpha & Omega** has fullest legitimacy today and it is encompassed to the First Angels warning

and the truth angered Satan back then in John 7 = division

and nowadays as well

since Lucifer wanted to be like the Most-High
to have that glory

but never qualified since he was a created being
and never would be equal to the highest Alpha.

Yet he was exposed by Jesus as being a thief
and murderer from the beginning.

Division among the ppl -

This division is not so much as to be we agree to disagree -the fact is plain there is no division with Rome and Laodicea when it comes to the Nicene Creed and FB 2,4 = a Triune Gd – and the abomination of God the eternal son takes the matter into hell itself.

In other words, there is no division with Laodicea and Papa pointy hat at all on the matter of the doctrine of Gd, since 1980 and there is no division when it comes to the Tridentine Trinity Doctrine and Neoplatonism or God the Eternal Son. The Omega of deadly heresies.

Back then, in John's day - there was **division** among the people regarding what true Messiahship involved. Even during the second century before Christ there arose

a Neo Platonist Jew by the name of [Philo of Alexandria](#)

who was trying to define the "Word" as an emanation from the one true God and this was nothing more than Neo Platonism which later influenced the Catholic fathers during the third century AD.

Today, some are aware of the Triune problem but have no answers nor are familiar in solving the Alpha & Omega of deadly heresies and worse those went across into the same problem with the Arian Neo Platonist doctrine of Jones & Waggoner of a begotten eternal son of God which is the same as FB #4. No difference at all.

The true ppl of Gd will appear to hold and insist upon division when it comes to the A&O of deadly heresies -

do they do it willingly?

No.

Do they speak to honour HWM –
Yes. It's their testimony. = Rev 12:11

They present Bible evidence for those who wish to be settled and not be deceived by the Alpha & Omega of deadly heresies and to respond to the First Angels Warning and

who will recognise Allos Parakletos from the Bible alone and the role of Another Comforter = Allos Parakletos.

CONCLUSION

The intrusion of [FB #2, #4](#) and FB #5 since 1980 has anaesthetised academics, pastors, elders and the laity who are fully asleep theologically and any discussion they only display the nakedness of incompetence, and unable to recognise the Alpha & Omega of deadly heresies in their own SS Lessons

let alone realise the opportunity to figure out the A&O of deadly heresies.

HWM said I will send the Comforter and said I will come to you = Allos and **not Heteros not FB #5**

Therefore, there Christ can never give endorsement of a separate third person which is PPH triune GDHD variety and as you should realise by now – that concept was never found in John 1.

[John 14:18](#)

describes why ALLOS, which is different, because “I WILL” establishes Allos and Christ are but the same.

¹⁸ I will not leave you comfortless: I will come to you.

For those who wish to verify Allos Parakletos = HWM Himself you only need to review [Revelation 5:5-6](#)

⁵ And one of the elders saith unto me, Weep not: behold, the Lion of the tribe of Judah, the Root of David, hath prevailed to open the book, and to loose the seven seals thereof.

⁶ And I beheld, and, lo, in the midst of the throne and of the four beasts, and in the midst of the elders, stood a Lamb as it had been slain, having seven horns and seven eyes, which are the seven Spirits of God sent forth into all the earth.

Conclusion 2

One of the roles of the Holy Spirit is to guide men into all truth – [John 16:13-14](#)

¹³ Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come.

¹⁴ He shall glorify me: for he shall receive of mine, and shall shew it unto you.

How can Laodicea even begin to explain or say Allos Parakletos the Holy Spirit guided the MYSTERY B THE

GREAT THE MOTHER OF HARLOTS – into all truth?

Answer - Impossible!

Then, Matt 12:31 ?

So, what is Laodicea’s Triune Holy Spirit about anyway?

The only conclusion left is that Laodicea has either unwittingly or wittingly woven the Alpha & Omega of Deadly Heresies of MYSTERY B THE GREAT, THE MOTHER OF HARLOTS doctrines into her own [FBs 2,4,5](#)

But at what a cost?
