
Alpha & Omega

If Possible deceive very elect ?

1290 days of Matthew 24

1290 days of Revelation 13 ?

24“For there shall arise false Christs, and false prophets, and shall shew great signs and wonders;

insomuch that,

if it were possible,

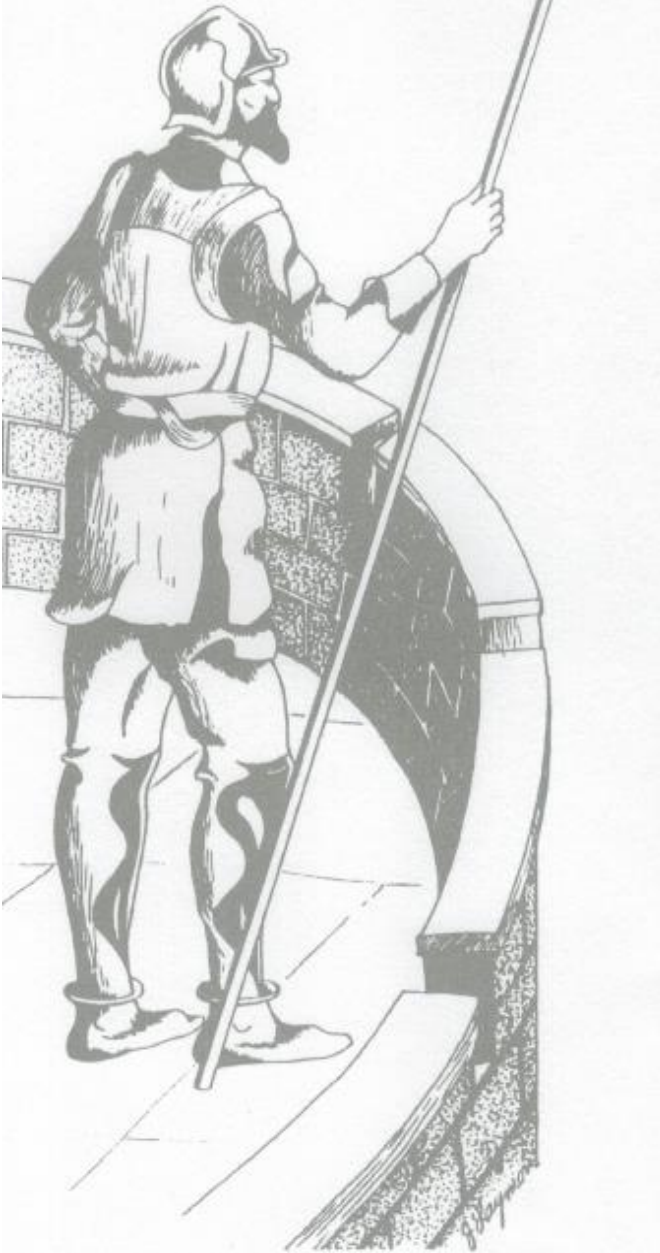

they shall deceive the very elect.”

When one considers the details of [Matt 24:24](#) - the same chapter that warns of the 'Abomination of Desolation,' there exists a set of immutable facts, to be encountered:

1. false Christ's,
2. and false prophets - who shall shew great signs and wonders and

“Watchman,
what of the night?”

“The hour has come, the hour is striking, and striking at you,
the hour and the end!” Eze. 7:6 (Moffatt)

3. HWM said its purpose - would "if possible" deceive –

then you have to ask yourself

Does this relate to the First Angels warning and the Alpha & Omega?

A famous author once called it '[the time of test](#)' and the context then, was the NSL.

But here is a question –

would the deception of the 1290 days of Matt 24:15 be to doubt what you believe what is true about RxF?

– at a basic level –

yes, quite likely,

It's important to recognise the ROOT of RxF

is ERxF of HWM John 1:1 Rev 13:8

this will be discussed ...

but worse,

is the emphasis of deception of Matt 24, where deception is said to be "spiritually maxed-out" and then is the deception originated

in defiance of the First Angel?

and

the Alpha & Omega?

Answer –

Yes indeed –

otherwise why do all the world worship the dragon anyway?

Well, that's the First Angels warning!

The culmination of deception is its long success to destroy Alpha & Omega Identity of HWM = John 1:1 and then that is to destroy ERxF?

– AND, here's the thing –

Important question

So, Have you been schooled sufficiently with the purpose of Rev 13:8-9 that is fully featured in Rev 13 [for a specific reason] which is about ERxF, of the LSFBTFTW –

Or is it that verse is more than likely represents a massive gap of knowledge, let alone awareness in the warnings about the mark and image of the B

and then,

who do you know – midst many spiritual voices today, can explain

those Rev 13:8-9?

Well?

Can't hear you? Huh?

Well how about an honest answer?

Would that not be the 'time of test' and much affliction = the 1290?

Answer – Yes

Why?

Because Rev 13:8-9 is smack-bang between

the First B and the Second B.

And for good reason.

For those who have followed the A&O discussions they know Rev 13:8-9 = 2 Tim1:9

and also,

that both texts are what speak to and **explicitly define**

Eternal Righteousness of HWM and

also tells you what is the **origin of Eternal RIGHTEOUSNESS** –

verily to be the very “ushering in of everlasting Righteousness”

AND that is famously recorded in

[Dan 9:24](#) and Isa 53 [here](#).

So, who do you know –pause and have a think - can explain why God purposely SLOTTED everything important about the **A&O and ERxF = John 1:1, like in the midst of Revelation chapter 13**

between the First Beast and the Second Beast?

Now here is the next thing

You know what? Rev 13 presents to all

The time-frame of the **1290 days** –

yes, the very same Matt 24:15 abomination of desolation

and therefore, must involve Matt 24:24 of the false Christs

and those scummy false prophets – right?

- but then –

Here is the problem of Laodicea

– arrogant pastors in Laodicea refuse to acknowledge the timeframe of the 1260 days in Rev 13 is actually says and means days –

-But worse –

Why is this?

they compound their blunder by the traditions of the elders by saying “oh Rev 13 - that’s 1260 YEARS.” And stare you down with the – don’t you know, it’s all about papal supremacy. That DUH look!

So - What is the root problem with Laodicea and Dan 8 anyway?

Simple.

The simple reason of course, is the arrogant Laodicean pastors and academics from seminary - are unable to distinguish the transgression of desolation of Dan 8:13 = reign of scarlet B = 1290 **years** ends in 1844

vs the Abomination of desolation of Dan 12:11-12 = Matt 24:15

which is the antitypical of Dan 8:13

and therefore, the timeframe in the antitypical is **DAYS**.

They perpetuate the Millerite error of the 1290 years insisting the

Ending of the transgression of desolation in **1798** – because the DW of PPH happened – but why did PPH attend the

coronation of Napoleon and what about the Concordat if it was a DW?

Conclusion [1798 and Pope Pius VI](#) was an interesting event in history but Dan 8:13-14 still leaves Laodicea with a 46 year gap and the problem with mistakes in the figures was never solved

And why?

By not seeing Heaven’s question and then the answer

given in Daniel 8

where the question asked - how long – admathay –

would be until the end of the transgression –

and the answer

transgression of D = 1290 years was unto 2300 days **then** shall the sanctuary be cleansed =1844 = then shall the Sanctuary be cleansed. In other words, Laodicea never corrected the 1290 error = “mistake in some of the figures” [here](#)

Leaves Laodicea with a 46-year gap in their own evidence.

Conclusion from Dan 8

The time frame of the 1290 **years** had to end in 1844. Not 1798.

46 years short.

Reread Daniel 8:13-14.

The 1290 days of Rev 13?

Yes, it exists.

Then, the other huge problem of course, is most, if not all this problem of Dan 8:13 is compounded by the surface readers is because in Rev 13 they only see the 42 months = 1260 days

and when the Millerite error is mentioned – error in the figures still exists

Laodicea goes into huge caution mode because the pastors /elders and padres say it cannot be so – for they haven't heard any of the such like a change was necessary to be confirmed by the Academy or the church paper... yet EGW said there was a mistake in some of the figures and of course, they stare you down in disbelief

Why?

Due to traditional rigidity cannot perceive the antitypical of the transgression of Desolation has its apotelesmatic fulfilment in Abomination of Desolation = Matt 24:15

And do not have eyes to see the Biblical evidence, that the

1290 days as described in Dan 12:11-13 would ever exist in Rev 13.

Is that correct?

If you are one of those surface readers – don't be shocked there are many

You would be cringing hearing this.

Right?

So, turn off now - and go away

or

sit on your seat pensively, pay attention as to the errors, and then you will begin to realise the reality of a failed spiritual eyesight because the 1290 days exist in Rev chapter 13

For - it is so!

The 1290 days does exist in Rev 13 why?

-otherwise- Matt 24:15 where HWM cites "Daniel the Prophet" of a future event is wrong when it comes to the 1260, 1290 & 1335 –

Right?

and so,

that means according to Laodicea, Jesus was wrong for including the 1290-days as being the abomination of desolation of Matt 24:15 = Dan 12:11 and = to Rev 13?

No.

Time now to discuss the Sealing time of Rev 7 and Ezekiel 9.

So, surely something should come to your immediate awareness especially for those following this series on the A&O which is this –

what's the point of the sealing time,

the seal of Gd = Rev 7

by the Man in Linen of Ezek 9 and Rev 1

Firstly - Its prior to the 1260 days of the First B

and then last ministration of the Final Atonement in the court = cleansing of those unclean lips prior to the 1290 days of the abomination of desolation?

Well, you will recall that is from Isaiah 6 - [here](#)

How does this sealing relate to being deceived if possible?

It has a lot to do with the matter.

Why? there is the call of Heaven – about **the First Angels warning**

So, ask yourself now - would Gd send anyone who has an incomplete testimony about the A&O

and ERxF = Rev 12:10

NO.

Which is the culmination of Christ and His Eternal Righteousness which is why the First Angels warning Rev 14:6-7 entails the warning against the Alpha & Omega of deadly heresies –

But – guess what - there are those who answer Heaven's question are they who heed the First Angels warning -

"Whom shall I send? = Isa 6:8-9.

⁸ Also I heard the voice of the Lord, saying,

Whom shall I send,

and who will go for us?

Then said I, **Here am I; send me.**

Guess what happens when the power of the "abomination of desolation" is in full swing? The sealing time entails oil in your lamps and for those with No oil in their lamps?

⁹ And he said, Go, and tell this people,
Hear ye indeed, but understand not;
and see ye indeed, but **perceive not.**

Deceives the foolish virgins of Matt 25 -
candidates to be midst the very elect?

Nothing worse than getting a spiritual
blood-nose.

Think that one through.

False Christs will be plenty.

The great signs and wonders -

One of the many 'wonders' that EGW said
was supernatural healing and bringing
folk back to life or from diseases and
healing maladies - but then, Laodicea
knows all about that. No issues there.

Ok, but let's discuss for a moment

great signs and wonders -

so, what's the chances of the 'great signs
and wonders' during the 1290 days of
Matt 24:15? that would include restoring
trees and landscapes and cities ruined by
the first four trumpets? Right?

and restoration of areas destroyed
because of the battle of the King of the

North and the King of the South? = Dan
11:40-45.

There is no doubt much devastation
occurs -

and so, what has this battle royal of KoS
v KoN

= WW3 Dan 11:40-45

got to do with the signs

and great wonders?

First, this battle occurs before the 1260
days of the First B of Rev 13 because the
Deadly Wound is healed and then
cometh the 1260 and so, with that
happening there would be nothing better
than the 8th king of Rev 17 = the king of
[Dan 8:23-25](#) in perpetuating great signs
and wonders from the 3T?

And you surely would recognise the 7th
king = one of the seven heads

who continues a "short space" Rev 17:10

¹⁰ And there are seven kings: five are
fallen, and one is, and the other is not yet
come; and when he cometh, **he must
continue a short space.**

That cessation of the short space of the
7th was because he suffered the Deadly
Wound = Rev 13 and confirms why Gd
said

'none shall help him' = Dan 11:45.

⁴⁵ And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him.

Further - The reason the great signs and "wonders" of restoration is a distinct possibility is because those famous airport [murals](#) show the young folk gathering for a new world of peace – whence weapons of war are turned into plough shears over an anvil.

This is precisely what saith - Isaiah 2:3-4

³ And many people shall go and say, Come ye, and let us go up to the mountain of the Lord, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word of the Lord from Jerusalem.

⁴ And he shall judge among the nations, and shall rebuke many people: and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more.

No question the great wonders of peace and signs and wonders are a restoration of a supernatural magnitude hosted by the 8th king = Daniel 8:23-25.

Example.

Though not specifically stated – could the signs and wonders include Rivers of blood restored to normal by the false Christs and false prophets? Yes.

Areas destroyed by KoN / KoS battle Dan 11:40-45 - healed.

Yes.

All during the time frame of 1290-days and why?

for preparations for Rev 16:16

– the Great Battle of God at Har Moed = the Great city.

¹³ And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.

¹⁴ For they are the spirits of devils, working miracles, which go forth

unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.

¹⁶ And he gathered them together into a place called in the Hebrew tongue Armageddon = [har moed](#).

Har Moed = Mount of the congregation in the sides of the north.

False prophets

This is an intriguing role for the reason that if the saints were familiar with 1260, 1290, 1335 that's one thing – but when considered to the sequence of three woes of Revelation – false prophecies can and must prevail –

so, what would be the prime example of false prophecy?

... Unity Consciousness, the occult Law of One,

Omega Point of humanity and the falsity that "time" continues that man must continue in this new golden age.

What was Isaiah's conclusion?

See [Isa 2:22](#)

What about the Miracle Working False Prophet?

This is some test –

which would be to doubt, what you remember what the Scriptures say and to know and believe is true which is why one's conversation

must be yea or nay,

anything otherwise cometh evil

Especially about John 1:1

but then –

what's the point of the sealing = the seal of Gd?

Easy -

The only other option is the Mark of the B and to worship the image.

Is that correct?

One thing is to have a momentary shock from

which you can recover

and the other is to fall away completely

by false Christ's and false prophecies because one was not grounded in the first angels warning

and don't think you are full of bravado today that nothing untoward could occur to you?

This is where the human heart is deceitful above all things and desperately wicked and who can know it [Jer 17:9](#)

and who then, can understand it?

- but this doesn't mean that there isn't a quick recovery!

It is a clear fact - spiritualism is miscalculated by everyone and will exert its influence on the saints.

See Dan 8:23-25 and Rev 13 - again.

Remember the spiritual Kung-Fu kick and Isa 48?

The verse about Alpha & Omega exists in Isaiah 48 and so too are the [48 furnaces](#) of affliction -

A blinding unexpected spiritual Kungfu kick can catch anyone by surprise but

many responded correctly that Isaiah 48 was a Messianic prophecy.

But what of it?

It's a precursor for what?

False Messiah's false Christs and false prophets generating the Alpha & Omega of deadly heresies and how would you know anyway from Isa 48?

How?

Isaiah 48 as you know - confirms the A&O at verse 12 and Isaiah helps you to distinguish between the Alpha & Omega of deadly heresies because it is centred in John 1:1 as well as Rev 13:8 and Rev 22:13,16

And TRUTH stands in the way of all false constructs

And therefore

The sealing has to be related to the First Angels warning and thereupon it precedes the reign of the First B which is as you know been given a defined 1260 days and its termination is at the end of the second woe = [Rev 11:14](#)

and it means the continuance of the **Abomination of Desolation** = Matt 24:15 is when the third woe commences

which is the timeframe of the +30 days of the second B

and basic math states $1260+30 = 1290$

and then the problem of oppressive law – of Isa 2

is fully maxed with the Second B this detail about the oppressive law (Isa 2) = 7N goes forth from the great city indicates its active during the reign of the First B in the 1260 days

and

and it authorises the **delivery system** of the second B of the +30 days

is fully described in the

Third Angels epic warning –

¹⁵ And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

¹⁶ And he causeth all, both small and great, rich and poor,

free and bond, to receive a mark in their right hand, or in their foreheads:

¹⁷ And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

¹⁸ Here is wisdom. Let him that hath understanding

which means the 1290 days would be a literal “furnace of affliction”

and because the 2Thes2 guy is the enemy of ERxF – it means

many a device is prepared to deceive, if possible, the very elect.

Then there is the time that follows the 1290

which is the +45 days - to the end of the 1335

and that’s deep into the timeframe of the 3rd woe.
