

*"Watchman,
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"* Eze. 7:6 (Moffatt)

ALPHA & OMEGA

Laodicea faces
the Omega
of Deadly
Heresies

**Once, Twice,
Thrice?**

**ISAIAH 2
THE LAW**

Occasionally, information arises from folk who are ahead of the curve when it comes to spiritual realities.

And the link [here](#) is in that category.

Leaving **-you-** the reader,

with some important things to consider. The research is good, yet at this juncture; what is not addressed, are the wider implications of the 7N specific to Isaiah 2, Zech 8:23, Daniel 12, and Revelation 13 and also Matt 24:15.

So, why the irony?

Few, if any, in Laodicea even seem to realise from their own Bibles, what constitutes “end-time” events or are prepared to acknowledge what Scripture says - is to come to pass – with the parable of the Fig Tree of Luke 21. Ask anyone in Laodicea what this Fig Tree parable is about and at best you get a shrug and they change the subject.

With that in mind time to consider the deeper irony which is Isaiah chapter 2 ...

“And it shall **come to pass** in the last days,”

Isaiah tells you what is to transpire from Jerusalem – The Bible describes city as the great city in Revelation. Isaiah told everyone who has ears to hear and eyes to see there will be a 3T and also the ‘law,’ - the [7N](#)

the new “moral law” the law of One

Here’s the thing - because it is not the NSL – Laodicea will not believe Isaiah.

So, what are your chances of being heard in the mean time?

You said Nil.

Yes, that’s correct - Nil.

Pastors, elders of Laodicea and yes, the pew sitters, are midst the euphoria of increased baptisms, church growth – and when asked –

Hey, are you familiar with the **law** of Isaiah 2 or the 3T or are you familiar with the fig tree parable in Luke 21?

At best, a momentary glance, or a pastoral / elder defiance – not possible for the 3T because of the 1858 statement ... EGW said

“old Jerusalem never would be built up.” [EW 75](#).

That’s one thing - but worse, is the instant dismissal of Bible evidence,
And The reason why?

Laodicea have a larger problem at hand in relation to [FB 18](#) –
Because EGW’s “prophetic authority” is absent with Isaiah 2
and Revelation 17:16.

But Laodiceans have their Bibles,

– surely?

But guess what – concerning Isaiah 2

there was a significant update in the Writings in 1901 at CWE p24 that changed completely about “Old Jerusalem would never be built up” = EW 75 penned in 1858.

[CWE 24](#) was updated and she gave good counsel

‘A Message for Frequent Appearance. —

In **the twenty-first chapter of Luke** Christ foretold what was to come upon **Jerusalem**, and with it He connected the scenes which were to take place in the history of this world just prior to the coming of the Son of man in the clouds of heaven with power and great glory. **Mark the words:**

CWE 24 completely changes everything a regular padre and elder states about the NSL and Old Jerusalem -which means it Time to consider the “last days” from the perspective of Luke 21 – that chapter speaks of the times of the nations finished and then the Fig Tree parable. But more so

how the Alpha & Omega of Deadly Heresies is woven into end events in the last days - and also how in the last days Isaiah 2 summarises the parable of the fig tree.

In the Last days

ISAIAH 2:2

And it shall come to pass **in the last days**,

[that] the mountain of the LORD's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it.

2:3 **And many people shall go**

and say,

Come ye, and let us go up to the **mountain of the LORD**, to the house of the God of Jacob;

(= 3T [here](#))

and he will teach us of his ways,
and we will walk in his paths: for **out of Zion**

shall go forth **the law**,
and the word of the LORD **from Jerusalem**.

2:4 And he shall judge among the nations, and shall rebuke many people: and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more.

For those who wish to consider the "[law](#)" of Isaah 2:3 in its "operational mode" see Revelation, that is chapters 13, and 14:6-9,

– read on –

As for the those, who at this stage fade-out, or
fogged out, and show little interest

because pastor or elder so and so
said this or that
it doesn't matter to them;

they insist it's not the purpose of the Laodicea these days – Oh No,
it's all about today and their outreach, winning souls with the heart melting love of Jesus
and yeh it's the same interfaith unity but then it's true - what HWM said - about the
sleeping ten virgins when at Midnight a Cry was made.

Right?

This background information with Isaiah 2 will help you to put a LOT of the **"IN THE
LAST DAYS"** pieces together and not remain slumbering.

Yes – and here's the thing - All the last day pieces whether you believe or not - have
everything to do with confronting the

A&O of Deadly Heresies

**Because this gets to the substance of this discussion of how many times Laodicea
faces the Alpha & Omega of Deadly Heresies. If you are not asleep – it's quite
something**

In fact –

Isaiah 2 sets out the number of times Laodicea
must be exposed to the
A&O of Deadly Heresies.

And as you will discover in **part 2** - it is not once or twice with events of 1901 and 1980 = how Laodicea had met the Alpha & Omega of Deadly Heresies in the past.

- **1901** The **Alpha** of Deadly heresies in 1901 – Harvey Kellogg's The Living Temple was met by EGW
- **1980** – Leadership Authorised Alpha & Omega of DH in [27FBs](#)
 - Triune Trinitarian Gdhd, - One God
 - God the eternal Son, of Roman Catholicism

Egw warned, the Omega of DH
would be “received” and “trembled”

So, who do you know in Laodicea can genuinely show you the issue of the Omega of DHs was resolved?

Spoiler alert – the 28FBs have not been updated since 1980. So, no, the Omega of DHs = FB 2,4 remain the same. No change. Same serious problem – the Omega of DHs of which EGW ‘trembled’.

She confirms the commencement of the Alpha of Deadly Heresies was actually IN THE church and she met the Alpha of Deadly Heresies and said it was spiritualism with the Kellogg's book Living Temple.
But what about the Omega which would be ‘received’?

**Laodicea faces the Alpha & Omega
of Deadly Heresies ...**

Is it - only ONCE, Twice, thrice or more times?

One must first recognise the Omega of DHs comes in a series of events and has an exponential multiplier of spiritual carnage; and its deadliness is first directed at Laodicea and 1 Peter 4 confirms the matter

Peter said

1 Peter 4:17 For the time [is come] that judgment must begin at the house of God: and if [it] first [begin] at us, what shall the end [be] of them that **obey not the gospel of God?**

Those of the 'house of Gd' = Laodicea – are they who Obey not the Gospel of God – and it must be noted -what Peter never said -doesn't say the Gospel of the Kingdom.

Paul has already told you what is the GOSPEL OF GOD and the truth of the Omega.

1:1 Paul, a servant of Jesus Christ, called [to be] an apostle, separated unto the gospel of God,

1:2 (Which he had promised afore by his prophets in the holy scriptures,)

1:3 Concerning his **Son** Jesus Christ our Lord, which was **made of the seed of David** according to the flesh;

1:4 **And** declared [to be] the Son of God with power, according to the spirit of holiness, by the resurrection from the dead:

The Gospel of Gd is set out by Paul in Romans 1:1-4 and the Gospel of Gd concerns SONSHIP of Jesus Christ when in the FLESH and not in eternal days of eternity as Gd eternal son

Paul said the Gospel of Gd is defined as being of the seed of David, and sonship is according to the flesh, not as Gd the eternal Son = FB 4 and that is terrible disobedience

-then Peter said judgment falls first on Laodicea with the Gospel of God in respect to the GODHEAD.

Think of it

When the Gospel of Gd is superimposed over the Alpha status of Christs eternal Identity = The Word – this if you have eyes to see - is the Omega of DHs and few 'get it'.

therefore, for those of you who are steady with your knowledge of the Scriptures - you may just now see why the series on the ALPHA & OMEGA is beyond VERY important and serious because of the disobedience of accepting the central dogma of the Little Horn =

that FB's 2,4 Laodicea has fully Roman Catholic in disobedience and -Houston we have a problem. But this becomes catastrophic at the time of the [8th king](#) in Rev13.

The Godhead and the Incarnation of HWM

Maybe you will see immediately what is **not** said in 1Peter 4:17

4:17 For the time [is come] that judgment **must begin** at the house of God: and if [it] first [begin] at us, what shall the end [be] of them that obey not the gospel of God?

– What is not said is the "Gospel of the Kingdom."

What is defined for JUDGMENT is disobedience to the Gospel of God – the GDHD and its bearing on the Alpha & Omega of Deadly Heresies.

So when you are bowing intellectually the RCC version of the Doctrine of Gd as is official in FB 2,4 then is anyone capable of explaining why is this not disobedience to the Gospel of Gd from 1 Peter 4:17?

So for Laodicea's "disobedience to the Gospel God" meant the corporate probation has closed to the nations and churches and the RC doctrine of Gd as official Doctrine in 1980 = FB 2,4,5 has sealed the spiritual deal.

What 1Pet 4:17 is confirming

is Corporate JUDGMENT for Laodicea HAS CLOSED – whence the second agenda of ministration of the DoA closes at the Holy Place

and because Laodicea has lauded the Alpha & Omega of Deadly Heresies is the doctrine of God in doctrinal disobedience to Romans 1:3,4 and John 1:14,18. And Found Wanting warning in **1903**.

Read 8T247 [here](#)

The point had to be repeated – and are you now getting at least some idea of the deadliness of the Alpha & Omega of Deadly Heresies when you read things from HWMs viewpoint?

Hello, anyone home!

**Consider again - what Laodicea has already faced
and still faces and includes a judgment warning that is past.**

- **1901** The **Alpha** of Deadly heresies in 1901 – Harvey Kellogg’s The Living Temple was met by EGW
- **1903** In balances of the sanctuary Laodicea will be judged - on her will be pronounced the sentence: "Found wanting." By the light bestowed, the opportunities given, will she be judged. . . [8T247](#)
- **1980** – Leadership Authorised Alpha & Omega of DH in [27FBs](#)
 - Triune Trinitarian Gdhd, - One God
 - God the eternal Son, of Roman Catholicism

Egw warned, the Omega of Deadly Heresies would be “received” and she “trembled”

As you can see - Laodicea had faced, **twice** the Alpha & Omega of Deadly Heresies and in 1903 was the warning – found wanting confirming 1 Peter 4:17.

But today the padre and elder all say she has the truth on the GDHD and denies she must continue to face the A&O of deadly heresies

and what is terribly worse Laodicea has not resolved what is the Omega of DHs anyway.

As EGW said the Omega of DHs would be “**received**” and she “**trembled**”

The ALPHA & OMEGA of Deadly Heresies is the perfect deception.

And its deadly. Read again Matt 24:24

How deadly?

make the wrong decision at this stage – today,
And the cost? And What is lost ?

ANSWER

What is lost - The seal of Gd of Revelation 7
As defined by EGW as the sealing time of
the "144k" of Rev 14. = [3T266-7](#)
Laodicea lost out on the "pure mark of truth."

So – it gets back to HWM – He who is the True Witness' and his counsel for Laodicea
which has always been

To buy of HIM gold tried in the fire and the First Angel – yes, and that gold tried in the
fire is ERxF and that Eternal Righteousness it's all about Christs Eternal Identity who was
also God in the beginning

That Eternal Righteousness of His Eternal Deity = Revelation 13:8 = LSFbTFOTW and that
identifies His Eternal Righteousness was as Father #2 [= Isa 9:6 = John] and necessary
basis of worship to FIRST ANGELS warning.

Laodicea, the antitypical of ancient Israel – is based
on John 4:22 and Dan 8:14.

But How deadly is the A&O of DH's

and what of it?

How many scenarios of the Omega of Deadly Heresies does Laodicea face?

That will be discussed in **part 2**

then, maybe then, you can see why part 1 is the foundation of the theological dilemma of the Alpha & Omega

and the Shema of Deut 6:4

= the "law" = 7N [here](#) = "worship" = Isaiah 2:3

and yes, = then there's the precinct of 3T

and the law goeth forth from Jerusalem;

but then, you must not forget in its relation to

the Fig Tree parable and the FIRST ANGELS warning.
