

*"Watchman,
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"* Eze. 7:6 (Moffatt)

ALPHA & OMEGA

Laodicea faces
the Omega of
Deadly Heresies

PART 2

4, 5, 6 times

What?

Continuing from Part 1 – the question is asked of -you- the reader, how many times will Laodicea face the Omega of DHs?

Is it 4,5,6 times or multiple times?

Surely- this is not an exaggeration?

Well, it's not.

And when you are finished considering the BIBLICAL COUNT the number of times Laodicea faces the Omega of DHs - by the end of part 2 discussion, any honest soul will be quite perplexed for some will say

“Sirs, what must I do to be saved? ”

And rightly so

because whether you believe or not

the Omega of DHs is REAL and

the fact is, it is very much related today to the 'sealing time' of Revelation 7 and Ezekiel 9 = the last ministration of the DoA of the Man in Linen.

God's word presents a no denial opportunity and is final.

The Shema

The theological controversy of the Shema is over the ALPHA & Omega of DHs and Christs eternal Identity as ALSO Gd

And it is all about the "law" of Isaiah 2:3

And the latter times, the controversy of the law is over the

Shema of Israel = Deut 6:4

It is compelled

- there is one Gd – the [Law of 1](#)

And yet as you will begin to see it is total controversy with the First Angel warning.

Underestimate role of Deut 6:4 with the First Angels warning and you have real problems because the 1g monotheistic doctrine removes HWM from the First Angels Warning and you have only one thing left,

= A&O of DHs.

= [7N #1](#)

Isaiah 2:3 explains

³ And many people shall go and say, Come ye, and let us go up to the mountain of the Lord, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall **go forth the law**, and the word of the Lord from Jerusalem.

The accuracy of the FIRST ANGELS warning proves the "law going forth" out of Jerusalem. This law all about one thing – which is
1g = monotheism –
there is one Gd.

The Shema of Israel Deut 6:4 = Law of One.

But when you look at the word ONE in this verse = is it
Yachid one, or **Echad** one?

Keep that in mind as you proceed.

Firstly, the fact is - the **Law of One** is in defiance to John 1:1

John tells all men there were Two Divines in beginning - and Ho Logos = Everlasting Father #2 = was also God, He is the true ALPHA & OMEGA.

The Law of One is a very deep level spiritualism – [here](#)

It must be repeated for the poor of hearing - **John 1:1**, tells all men there were Two Divines in beginning, and Ho Logos = The Word was **also** God and with God; and The Word = Everlasting Father #2

HE is the true ALPHA & OMEGA.

The Antithesis of the Law of One is the **Law of Two** = John 1:1.

The Law of Two – echad one = two.

Then there is the Biblical - **Law of Two** – John 1:1.

1 In the beginning was the Word, and the Word **was with** God, and the Word was God.

The First Angel warning Revelation 14 is not about endorsing the “Law of One” Gd because

- 1) it identifies God, and
- 2) 2) states to worship HWM and
- 3) the Law of Two must = John 1:1

Therefore, based on John 1:1 – it is quite easy to reason why ECHAD in Deut 6:4 is **not** singularly one, by definition or grammatical meaning.

YACHID which is **ONE ALONE**,

Yet, a supernatural influence exists to say - the “Yachid premise” is actually applied to Deut 6:4 for ECHAD.

Let that sink in and now do your own research.

Conclusion

ECHAD "one" = Two Divines = Duality of John 1:1, the Two Divines, the Two Fathers from eternity.

See Isaiah 9:6.

John under Inspiration in Revelation 14 is correct as to why HWM is to be worshiped and it even states why the First Angels warning also God,

Right?

and due to John 1 –

the First Angels warning is **not** a recognition of **God the eternal son** = FB #4,

but, the First Angels warning provides the purpose of why Rev 13:8 exists,

and also,

why HWM acknowledged Himself to be the ALPHA & OMEGA. Revelation 22 = John 1:1,

otherwise, **God the eternal Son** OMEGA HERESY

renders the First Angels warning as baloney and then

– think of it -

Ho Logos, The Word, who was, with no beginning in eternity - who was God and was with God

is not also Gd.

**First Angels warning is identified with Isaiah 2
and the True Shema**

The First Angels warning is confirming the [Law of 2](#)

Two Divines, a Divine Fact from John 1:1

therefore, there is a big difference - between

the Law of 1 of the First B of Revelation 13, who uses the "law" of Isaiah 2:3 and keep in mind, its fully predicated upon one maxim

- there is one Gd

Whereas, when the **True Shema of Israel**

Is understood = John 1:1 = the **Echad** of Deut 6:4

= - **Law of ECHAD One = Law of Two = Two Divines**

which is why, you have

Revelation 13:8,9 in its existence, between 2 Beasts.

The word ONE in the Shema of Deut 6:4 is -ECHAD

Not Yachid.

ECHAD GOD is not singularly one –

but 'one in DUALITY'

*Sh'ma, Yisra'el! Adonai Eloheinu, Adonai **echad***

[Hear, Isra'el! Adonai our God, Adonai is one];

You just read it

Adonai Echad.

Right?

Not Adonai YACHID

Right?

The true Shema Deut 6:4 = John 1:1

= **echad Two Divines**

If you consider this maxim under theological law or any jurist principle

Deut 6:4 cannot negate the fact what the Holy Spirit has established that Echad one must confirm and never contradict John 1:1.

Right?

Therefore

– The True Shema must = John 1:1

There is one ECHAD Elohim = the Law of 2 = John 1:1

How does all of this relate to the Omega of Deadly Heresies and Laodicea encounters. Well, without a good grasp of the Godhead fundamentals of John 1:1 - you will never realise how deadly spiritualism really is and this will be covered towards the end of this discussion.

The **Law of 2** is the First Angels warning and it is

The DIVINE stand-off with the Two Beasts of Revelation 13 and the First Angel warning is – contrary to the Law of 1.

How many times does Laodicea face the

Alpha & Omega of Deadly Heresies in summary?

When you see the list of encounters shortly, you will probably be shocked.

Time to discuss NSL

For all the hand wringing - the National Sunday Law must occur

– here is YOUR twofold problem –

First –

The Founding Editor of this thought paper once asked –

"Can anyone provide a single reference in the Writings - and I have asked many; I cannot find it - that after 1901, Ellen White ever referred to a National Sunday Law as a "sign" for God's people?

Three weeks later, she did write about the "false Sabbath" being "enforced by an oppressive law" but does not note it as a "National Sunday Law," but as an event to occur "after the truth has been proclaimed as a witness to all nations." (R&H, Dec. 13, 1892) Something went wrong, which caused the warning that "we may have to remain here...many more years." [Jerusalem in Bible Prophecy p.5](#)

Secondly,

Because your Bible states the **NSL is impossible**, surely the reader will recall what Gd confirms in Revelation 17 as to why

The 7th king lasts a **SHORT SPACE** Revelation 17:10-11

¹⁰ And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space.

Keep in mind – Revelation 17 is telling you - PPH is destroyed due to events of the TEN KINGS = Rev 17:12-16.

¹⁶ And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.

¹⁷ For God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.

¹⁸ And the woman which thou sawest is that great city, which reigneth over the kings of the earth.

An Additional problem for Laodicea
there is no commentary by EGW.

CONCLUSION

When the woman of scarlet and her city is destroyed in ONE HOUR by the ten kings - it means PPH is gone

17:12 ... receive power as kings one hour with the beast.

NSL is no longer relevant. And cannot be considered in the duration of the **1290 days** = Abomination of Desolation = Matt 24:15 of the first and second B's reigns of Revelation 13.

and so,

Laodicea has a massive problem with NSL
and still has to deal with the A&O of DHs = FB 2,4.

Laodicea is so fully absorbed naturally into the 1 gd Abomination of Desolation that Laodicea today, stands naked and embarrassed

Read = REVELATION 16:15

¹⁵ Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame.

What are the "Garments" in context of Revelation 16?

Answer

ERxF

It must be repeated –

Isaiah 2 states there is the investiture
of the 3T =

"the mountain of the LORD's **house** shall be
established in the top of the mountains" [Isa 2:2](#)

for out of Zion shall go forth the **law**, [Isa 2:3](#) -

It's easy for Laodicea today - to deny because again
there is no commentary by EGW.
But with the stiff neck – Laodiceans say –

"Oh, those concerns about **"Gd the Eternal Son" FB# 4** cannot be the Omega of
Deadly Heresy – cannot be true – and why is this?

ANSWER

because Laodicea increased with goods and lukewarm and in need of nothing
- believe they can do no doctrinal wrong - for she says in her heart, 'increased
with goods and need of nothing – Laodicea she is the remnant church of
Revelation 12:17;

and therefore, Laodicea cannot be in doctrinal error.

Yet, The True and Faithful Witness says Laodicea is

“lukewarm and in need of nothing **only to be spued” = Revelation 3**

So how can Laodicea be at war with the Dragon, at the time of the First and Second Beasts of Revelation 13 when Laodicea acknowledges the 1g doctrine of the Dragon and is bowing to the Omega of DHs?

So, according to Laodicea, any discussion today of the 7N = law of Isa 2 – currently holds no bearing on their theology, or end events, because of Laodicea’s emphasis of the NSL – all Despite Revelation 17:16?

According to Laodicea, Revelation 17:16 really should not be in the Bible?
Right?

So, to borrow the expression from [Ezekiel 8:17](#) - just exactly who is putting the

“branch to the nose” anyway?

Right?

but guess what –

with 7N = the law = Isaiah 2:3 and authenticated by GOD to occur;
It must be noted EGW did speak of an “oppressive law” –

**For those still affirming National Sunday Law -
can you answer the following question ...**

**HOW DOES
NATIONAL SUNDAY LAW
GO FORTH FROM**

JERUSALEM?

Isaiah said - NSL cannot go forth from Jerusalem, period.

It can only go forth by an encyclical via Rome.

You read according to Rev17 that "great city"
is reduced to rubble by the ten kings.

So, why do PASTORS, elders in Laodicea – disagree completely
with Isaiah 2.

But why?

They say with the authority of EGW that there is to
be no 3T –

because she said

"Old Jerusalem would not be built up" in [EW 75](#)

and yet Isaiah 2:2 states "in the last days" –
the "Lords house will be established, exalted = 3T
and Isa 2:3 says - Law goes forth from Jerusalem.

So, here's the thing - you really need to take your NSL problem and have a talk to Gd.

But who wants to believe Isaiah 2 anyway?

PASTORS and elders in Laodicea say Isaiah cannot
be the case because
of EW 75.
Right?

Yet, Laodicea have botched the timeline adjustment from CWE 24.

But like here is the problem - Is Laodicea immune from any error for its theological claim to have the "truth" and be the remnant church, when Laodicea officially endorses the RCC doctrine of the GDHD = FB 2,4,5

which is the very problem of the Omega of DHs that EGW foresaw would be "received" and she "trembled"

the **Omega of deadly heresies** – remains unresolved by Laodicea and at what cost?

– wait to you see the cost, shortly.

but hey,

you know how they get around that Omega difficulty?
by insisting she, Laodicea is the "remnant church."

Wrong Day and Wrong Gd.
Right?

Laodicea is **infested** with the A&O of DHs

– because FBs 2,4,5 –

**is the
A&O
of DHs**

The A&O of DHs is of such a deadliness, obliterating from the minds of men the knowledge of God,

especially "**The Gospel of God**" you encountered in Part 1

and 1 Peter 4:17.

right?

So, at issue with Laodicea is the First Angels warning.

FB 2,4,5 has everything to do with the 'oppressive' Law of Isaiah 2.

The ONE **GOD** and it's extremely successful Law of One
Is in full agreement with the 7N,

yeh, the oppressive law of the 8th king
issues from the 3T in Jerusalem.
Read again Isaiah 2:3.

Why is this a problem?

Everyone in Laodicea **do not** see their official doctrines =
1gd TRIUNE monotheism =
doctrine FB 2,4,5
is the same problem

and with a wink and a nudge, they belie
spiritualisms deadlines.

God said - My people are destroyed because of a lack of ... Hos 4:6

⁶My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

Keep Hosea always in mind when reviewing Ezekiel 9

yet, all the while, Laodicea with FB 2,4

venerates the very monotheistic sentiments of the 7N,

= Law #1,

Spiritualism is imperceptible, its captivating

And Laodicea cannot see
why the 1g emphasis - is completely
defiant against and

cancels John 1:1.

And in due process has **obliterated** the **First Angels** warning.

QUESTION

How are you "sealed" with the 'pure mark of Truth' (3T266) in the sealing time of Revelation 7 with that sort of problem?

ANSWER

You are not sealed in the sealing time of Revelation 7.

So, if you haven't gathered by now, Laodicea has not ceased facing the Alpha & Omega of Deadly Heresies, since **1901** and **1980** and

God however, inform **-you-** of further events
That makes monotheistic theology so spiritually deadly
It is an Abomination of Desolation = Matt 24:15

For example –

No one in Laodicea can explain why HWM
was **also** called "Everlasting Father"
in Isaiah 9:6

⁶For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.

or why there is **no sonship** = Gd the eternal son
conveyed in eternal times
in John 1:1 = Heb 7:1-3.

Right?

Laodicea hosts officially the 1g **Theological Madness** of the woman of ill-repute from Revelation 17 and it's there
In [FB 2,4,5](#)

and yet, Laodicea
believe they are witnessing the truth of the
Three Angels Messages.

How deceptive and deadly
is the A&O of Deadly Heresies?

How deceptive?

It's the supernatural power a masterpiece of deception with the Law of One and its very strong today, and very likely the first time you have noticed.

For example –

No one in Laodicea can begin to acknowledge why the 7N holds bearings upon the Shema of Deut 6:4 and therefore the First Angel

let alone

the mention of why **the**

right hand and **forehead** exists in

in Deut 6:8

let alone how Deut 6:8 holds its antitypical application revealed in Revelation 13:16-17?

Right?

So here it is again. Take another look

Deut 6:8

⁸ And thou shalt bind them for a sign upon thine hand, and they shall be as frontlets between thine eyes.

Revelation 13:16-17

¹⁶ And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

¹⁷ And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

and the context?

Its Duet 6:4

= the Shema = Revelation 13

and Isaiah said its relation to the 3T

and hence you have the First Angels warning CONTRARY TO
the Law of One

which goes into full propulsion at
Revelation 13:16-17.

So, who then

has a problem with John 1:1 – just about everyone.

For the fact remains the 8th king at the 3T

presents their version **of Deut 6:4**

and applies the antitypical of **Deut 6:8**
with **Revelation 13:16-17**

Right?

it's all captured in the 7N controversy because
they are the very same concept prewarned
by the FIRST ANGEL – there are Echad Two Divines.

Now that's a problem.

Laodicea faces successive encounters of the A&O of deadly heresies

and yet, Laodicea insist they are the
remnant church of Rev12:17.

Like Wow!

Does that make any sense?

Ok time to consider the long list of the Omega of DHs encounters

1. The call today in respect to the Sealing time of Revelation 7

You must read the testimonies of EGW – 3T266 and 5T207-210 and its bearings with Ezekiel 9 that = Revelation 7 = “the sealing time of 144k” and it's the final ministration of Christ after the Order of Melchizedek, in the Court. Yes, the same Man in linen with the writer's inkhorn. **That's an encounter right now.**

2. At Midnight = Matt 25 = events of Revelation 17:16 and the destruction of PPH and what replaces **FB 2,4?** The **LOUD CRY** to come out of everything related to the FAILURE of PPH doctrines and due to the destruction of PPH – **What does that mean for Laodicea?** A) There can be No NSL and then B) what replaces FB 2,4? Well, it's the 7N = the Shema, and it is the “time of test”. [RH](#)

[Nov 22, 1892 par 7](#) But how do you face the time of test if you are not prepared and lacked in knowledge?

3. Why? It's the last call now prior to the – the LOUD CRY which is about the Alpha & Omega of Deadly Heresies = **DECISION TIME** - because the Third Angels warning is the response to the no response to the First Angel warning- which identifies the requirement to come out of the apostasy of Laodicea and see the impending controversy of abomination of the 8th king and the LOUD CRY is to recognise John 1:1 and worship HWM = the True Alpha & Omega.
4. The last opportunity for individuals in Laodicea -the five wise? who do not respond now – must make a decision at MIDNIGHT - the **LOUD CRY** of Rev 18:1-5, yet only five were wise? And so, What about you reading this?
5. According to Ezek 9 it's their last chance and they "scrape-in" but did they miss the sealing time of Revelation 7? **Let that sink in.** Make the wrong decision now about the truth of the First Angel – it's a sure thing, you will continue to fully agree with the A&O of Deadly Heresies and UC all the way through to the end. And you read from the Bible the end **has nothing to do with NSL.**
6. Sunday law scenario was for the 1800 era and that is not going to happen and what is going to take place is the upcoming 3T as the NWO and what Jesus stated about the Fig tree in Luke 21 as a sign of why Jerusalem is no longer trodden down of the gentiles and ALSO why in the same chapter the 3T is literally around the corner – the 'last days' of Isaiah 2:3.
7. For those who have forgotten why NSL is no longer relevant as the end event in the last days – read Revelation 17:16. EGW said study EZEKIEL 9 and also LUKE 21.
8. Then **after the Loud Cry of Revelation 18** – the foolish of Laodicea by then are in full agreement with the 1g the UC = the 'hive mind' the Law of One = Isaiah 2:3. That's a real encounter.

9. The foolish virgins endorse UC in the timeframe of the Abomination of Desolation = the full fruiting of the A&O of DH = Isaiah 2:3-4 and it's in full flight – as defined by HWM.
10. And yes, its first **1260 days** of the Abomination of Desolation = Matt 24:15 with **First Beast of Rev 13** and you are in **full unity** = The First B is **Phase 1**
11. **Then to complete the 1290 days** of Matt 24:15 = **Dan 12**. The reign of the Second B of Rev 13 occurs, its [**Phase 2**] and **Laodicea are now fully complicit with the First B and reap the vengeance of a Just God = third angels warning. This next scenario = The LION mouthed Second B** of Rev 13 clasps hands with Protestantism and with the Spiritualism and there is a transfer of power = Revelation 13:12 and what remains is “[National Ruin](#)” over the course of the last 30-days of the 1290 day scenario of Dan 12.
12. **There is NO WAY OUT.** The point of no return, a one-way ticket to perdition. Reread [Revelation 14:10-11](#). And no respite. Why? Probation had **closed** – you are deep in the timeframe of the [THIRD WOE](#). Absolutely **too late**. The five foolish with the world, are fully endorsing the A&O of DH which is the unity for the 1g after Midnight and accept the MoB and the image. But Paid the ultimate price. Loss of eternal life.

There you have **Twelve instances** of how Laodicea has faced, still faces and must face the A&O of DH.

But is that all the instances?

Few are aware of the first two actual events noted in [Part 1](#) are past – most could care less and explains they be asleep

- but the problem is Laodicea is not prepared to face off with the **Great Red Dragons** ultimate Alpha & Omega of Deadly Heresy's longlist of encounters.

Apparently, all is well with their Triune Gdhd of the RCC. FB 2 –

All is really well with the Papal doctrine of **Gd the eternal son** and as is the case they confidently stair you down – oh, it's different. What about [Isa 27:11](#)

But the great problem is **God the eternal Son** heresy that prepares for the 2Thes2 guy and full-blown spiritualism

But then - What has A&O of Deadly heresy of yesterday, have to do with A&O of Deadly Heresy existing today and the near future?

ANSWER

The worship of the doctrinal 1g image.

That 1g image = FB 2,4.

Laodicea has further ENCOUNTER with the A&O of DH? What?

Is it possible there is another encounter?

13. Those who heed finally the First Angel = Law of Two = Jn 1:1 - **are destroyed by 'peace'** by the 8th king of (Dan 8:23-25) = A&O of DH in its "peaceful" form and its result is Revelation 20:4

Because 7N is the 'moral law' of peace in the "last days" it means what Isaiah said is true that

= Isaiah 2 = the 3T = the law = 2Thes2 guy.

Any Proof? Yes Daniel 8

²³ And in the latter time of their kingdom, when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up.
(= 8th king of Revelation 17)

²⁴ And his power shall be mighty, but not by his own power: and he shall **destroy** wonderfully, and shall prosper, and practise, and shall **destroy** the mighty and the holy people.

²⁵ And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart,

and by peace shall destroy many:

he shall also stand up against the Prince of princes;
but he shall be broken without hand.

14. The law enforced by the Second B. Buy sell, the mark, or worship the image. That's a tough test.

So does Everyone really know [Rev13:11-18](#)

From Isaiah 2 perspective – definitely not.

– right?

Here's the thing –

When events of Rev 13 reach verse 11-12 Well, the fact is, this Second B already have the precedent at law to override the First Amendment – yes ratified at the [102nd Congress](#). And that is LAW.

Once it goes forth from Jerusalem phase 1 – the transition to the Second B – the phase 2 of Revelation 13 - the 7N become Law and **national ruin** follows. So, you best sharpen up on the First Angels warning knowledge or be left as cast aways. This really needs to be discussed

Why?

God says what is to occur that **sets aside** EW 75 due to events of Isaiah 2. And EGW was given that new light in CWE 24.

And guess what – as you saw and read for yourselves - John in Revelation 13 said there is the **transfer** of power from the First B to the Second B and keep in mind that instituted the oppressive law of Isaiah 2 issued first from Jerusalem

and hands all power over to the Second B and
its time you saw for yourselves what it is saying.

¹¹ And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. ¹² And he exerciseth all the power of the first beast before him,

And when?

Just as Daniel 12:11 summarised the detail for everyone – with the 1290 days which means

the Second Beasts reign is the **last 30-days** of the 1290 days of Matt 24:15 because the First B of Revelation 13 reign is 1260 days of the 1290 lit days.

¹¹ And from the time that the daily sacrifice shall be taken away, and the **abomination that maketh desolate** set up, there shall be a thousand two hundred and ninety days.

Some are saying the 7N will be invoked in USA first.

Isaiah however - said the law in the "last days" the law goes forth [=first] from the great city,

Jerusalem

God has said so.

So – and with the above in mind

Are there any additional situations Laodicea faces the Alpha & Omega of Deadly Heresies?

15. The call today in respect to the Sealing time of Revelation 7

Just read the testimonies of EGW – 3T266 and 5T207-210 = Ezekiel 9 = Revelation 7 – “the sealing time” and it’s the final ministration of Christ after the Order of Melchizedek in the Court yes, the man in linen with the writer’s inkhorn.

16. At Midnight = Matt 25 = events of Revelation 17:16 and the destruction of PPH **and what replaces FB 2,4? The LOUD CRY** to come out of everything related to PPH doctrines and due to the **destruction of PPH** - There can be No NSL and then exactly what replaces FB 2,4? Yeh, the 7N = the Shema and it is the “time of test”. [RH Nov 22, 1892 par 7](#) But how do you face the time of test if you are not prepared with the First Angels warning?

17. Why? It’s the last call now in the sealing time of Revelation 7 **prior** to the – the LOUD CRY and it’s about the Alpha & Omega of Deadly Heresies = **DECISION TIME** - because the Third Angels warning is Gods response to, the no response to the First Angel warning- which identifies the requirement to come out of the apostasy of Laodicea to identify Christ’s Eternal Righteousness as Father #2 and see the impending controversy of abomination of the 8th king and the LOUD CRY is to recognise John 1:1 and worship HWM = the True Alpha & Omega.

18. The last opportunity for individuals in Laodicea - the five wise? who do not respond now – must make a decision at MIDNIGHT - the **LOUD CRY** of Rev 18:1-5, yet only five were wise?

19. According to Ezek 9 it’s their last chance and they “scrape-in” but did they miss the sealing time of Revelation 7? **Let that sink in.** Make the wrong decision now about the truth of the First Angel – it’s a sure thing, you will continue to fully agree with the A&O of Deadly Heresies and UC all the way through to the end. And the end **has nothing to do with NSL.**

20. Sunday law scenario was for the 1800 era and that is not going to happen and what is going to take place is the upcoming 3T as the NWO and what Jesus

stated about **the Fig tree in Luke 21** as a **sign** of why Jerusalem is no longer trodden down of the gentiles **and why** the 3T is literally around the corner – the ‘last days’ of Isaiah 2:3. You are facing the Omega of DHs if you deny Luke 21:29.

21. For those who have forgotten why NSL is no longer relevant as the end event in the last days – read Revelation 17:16. EGW said study EZEKIEL 9 and also LUKE 21. You don’t and you cannot determine the Omega of DHs in its bearings to all end events

22. Then after the Loud Cry of Revelation 18 – the foolish of Laodicea by then are in full agreement with the 1g the UC the hive mind and the Law of One = Isaiah 2:3. That’s an encounter with Omega of DHs

23. The foolish virgins endorse UC in the timeframe of the Abomination of Desolation = the full fruiting of the A&O of DH = Isaiah 2:3-4 and it’s in full flight – as defined by HWM.

24. And yes, its first **1260 days** of the Abomination of Desolation = Matt 24:15 with **First Beast of Revelation 13** and **mind you are in full unity.** = **Phase 1**

25. **Then to complete the 1290 days of Matt 24:15 = Dan 12.** The reign of the Second B of Revelation 13 occurs [**Phase 2**] and **Laodicea are now fully complicit with the First B and reap the vengeance of a Just God = third angels warning.** **This next scenario = The LION mouthed Second B** of Revelation 13 clasps hands with Spiritualism and the transfer of power = Revelation 13:12 and what remains is “[National Ruin](#)” over the course of the last 30-days of the 1290 day scenario of Dan 12.

26. **There is NO WAY OUT.** The point of no return, a one-way ticket to perdition. Reread [Revelation 14:10-11](#). And there is no respite. Why? Probation had closed – you are deep in the timeframe of the [THIRD WOE](#). Absolutely too late. The five foolish with all the world are fully endorsing the

A&O of DH which is the unity for the 1g after Midnight and accept the MoB and the image. But Paid the ultimate price. Loss of eternal life.

There you have **a lot of instances** of how Laodicea has faced, still faces **and must face** all courtesy of the Alpha & Omega of Deadly Heresies.

But is that all the instances?

Few are aware of the first two actual events noted in Part 1 that are **past** encounters and most could care less and confirms they are asleep

- but the problem is this - Laodicea is not prepared to face off with the Great Red Dragons ultimate Alpha & Omega of Deadly Heresies longlist of encounters.

Apparently, all is well with their **Triune 1g** of the RCC = FB 2.

Apparently, all is really hunky-dory but its actual blasphemy so grotesque Matt 12:31 becomes REAL, by defying Papal doctrine of **Gd the eternal son** = FB #4 and as is the case,

Laodiceans confidently stair you down – oh, it's different and still to this day cannot explain why.

Worse is **God the eternal Son heresy** that prepares for the 2Thes2 guy and full-blown spiritualism. = Matt 12:31 this will be discussed in Part 3.

But then –

What has A&O of Deadly heresy of yesteryear have to do with A&O of Deadly Heresy existing today, and into the immediate future?

ANSWER

The worship of the doctrinal 1g image.

That 1g image = FB 2,4.

Is it possible there is another encounter with Omega of DHs?

What?

27. Those who heed the First Angel & the Law of Two (Jn 1:1) are destroyed by 'peace' by the 8th king (Dan 8:23-25) = A&O of DH in its "peaceful" form. Check out Revelation 20:4.

Any Proof?

²³ And in the latter time of their kingdom, when the transgressors are come to the full, **a king of fierce** countenance, and understanding dark sentences, shall stand up.
(= 8th king of Revelation 17)

²⁴ And his power shall be mighty, but not by his own power: and he shall **destroy** wonderfully, and shall prosper, and practise, and shall **destroy** the mighty and the holy people.

²⁵ And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart,
and by peace shall destroy many:

he shall also stand up against the Prince of princes;
but he shall be broken without hand.

Because 7N is the 'moral law'
of the "latter time" = "last days"
= Isaiah 2 = the 3T = the law
= the 2Thes2 guy.

A 28th encounter? Yep.

28. The ultimate scenario - The law enforced in the land of the Second B, by the power conveyed from the First B and then it's the Buy sell prohibitions of the mark, = (Deut 6:4,8) the worship the image AND there's the face off with the **Miracle Working False Prophet**.

That's a tough test.

So, everyone knows [Rev13:11-18](#)?

Right?

Do you now have a better picture of the Alpha & Omega of Deadly Heresies?

Why?

The Luciferian era is targeted in Revelation 13 after the fatal wound is healed.

By the way there is a 29th

Part 3 to follow
