

*"Watchman,
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"* Eze. 7:6 (Moffatt)

Matthew 12:31

Unpardonable sin

ALPHA &
OMEGA

PART 3

Laodicea fails the Omega
of Deadly Heresies

In this discussion, you will discover Alpha & Omega of Deadly Heresies is the **root** cause of the **Unpardonable sin** of Matthew 12:31, which Jesus said is the blasphemy of the Holy Spirit and also the perfect deception.

And its deadly.
How deadly?

Do you recall Hosea 4:6?

⁶ My people are destroyed for lack of knowledge: because thou hast **rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.**

David told everyone -the measure of **Eternal Righteousness** is the Law = Psa 119:142

**Thy righteousness [is] an everlasting righteousness,
and thy law [is] the truth.**

Then a lack of knowledge of Eternal Righteousness (ERxF) at the sealing time of Revelation 7 what of it? But then, ask yourself – why did EGW present the following counsel?

"Read the ninth chapter of Ezekiel" and
the "**general slaughter**" (GS)?
[3T267](#)

Have a slow read of this

Mark this point with care: Those who receive the **pure mark of truth**, wrought in them by the power of the Holy Ghost, represented by a mark by the man in linen, are those "that sigh and that cry for all the abominations that be done" in the church. Their love for purity and the honor and glory of God is such, and they have so clear a view of the exceeding sinfulness of sin, that they are represented as being in agony, even sighing and crying.
Read the ninth chapter of Ezekiel. {3T 267.1}

But the **general slaughter** of all those who do **not** thus see the **wide contrast between sin and righteousness**, and do not feel as those do who stand in the counsel of God and receive the mark, is described in the order to the five men with slaughter weapons: "Go ye after him through the city, and smite: let not your eye spare, **neither have ye pity: slay utterly** old and young, both maids, and little children, and women: **but come not near** any man upon whom is the mark; and begin at My sanctuary."

How deadly?

Does Ezekiel 9 now make sense, in the Final Atonement? Let alone why EGW [trembled](#) for the people – but then, the great deception of the **Alpha & Omega of Deadly**

Heresies that would be as she said "**received**" and then was this why she held its bearing in the sealing time of Revelation 7?

Does it not make sense now?

why, she spoke of the '**the wide contrast between sin and righteousness**'?

This then bring you the reader to the biggest problem facing Laodicea – their rejection of knowledge about Everlasting Righteousness and the First Angels warning and why it must be about Matt 12:31.

The unpardonable sin.

You will see shortly why the foolish virgins rejected knowledge (Hos 4:6) and committed the unpardonable sin.

Its repeated - Does it not make sense now – why, EGW spoke of the 'wide contrast between sin and Righteousness'? That this wide contrast is In the context of Revelation 7 and Ezekiel 9 and that

Sin = Alpha & Omega of Deadly Heresies = she trembled

Righteousness = Eternal Righteousness of HWM. – is rejected.

Does it not now make sense EGW said about – **the pure mark of TRUTH** = no guile, and that this is **ERxF** which is fully integral to the sealing time of the 144k?

Even the special counsel to Laodicea found in 3T267 and 5T210.

That without that seal of God = Revelation 7 –
what really is the cost and deadliness?

Did EGW really mean the "**General Slaughter**" (GS) for Laodicea by the 5 men with sharp weapons in their hands?

Make the wrong decision, **today**, this moment of time and take no care for the details of Ezekiel 9 – then what?

Take a deep breath -

What is the cost?

What is lost?

ANSWER

- Lost - The seal of Gd in the sealing time of Revelation 7 Described by EGW the sealing time of the "144k" = [3T266-7](#)
- Lost – never to be sealed with The pure mark of truth.

And there is much more – the Omega of DHs robs men of much and the cost – the (GS). But suffice for now – there is a critical aspect, **you** must do your **own** research, and ERxF it's all there in the Sanctuary Doctrine, the DoA at the Court = Ezek 9 and why is it infinitely important – well, without it one is not seal and has to deal with Trumpet #5, and then the First and Second Beast of Rev13. For the simple reason Revelation 13:8-9 is there to tell you why .

But as EGW said - Laodicea continues in the forms of religion. [5T210](#)
Yet all the while Laodicea believing
they are blessed by HWM.

What was the True Witness' counsel for Laodicea?

To **buy gold of Him gold tried in the fire** and that **GOLD** is
His **Eternal Righteousness**, it is His Eternal Deity,
His Eternal Divinity
= Father #2, = (Isa 9:6 cf John 14:9)
= John 1:1.

It means that **GOLD all along is** ERxF
That gold is the seal of God of Rev7

This 'gold' is the Foundation for the purposes of Rev13:8 and absolutely necessary to FIRST ANGELS warning with the Testimony of HWM, because He is the true A&O and one is sealed in testimony for the 1290 days of Rev 13.

BE WARNED –

**The following is quite something to consider.
How deadly is the A&O of DH's and what of it?**

The OMEGA of DHs = FB 2,4

The OMEGA of DHs is BLASPHEMY

Note now how Matt 12:31 is involved.

What's has the Omega of Deadly Heresies got to do with - Matt 12:31

HWM said the unpardonable sin is the sin against the Holy Spirit
The **unforgivable sin** is squarely related to A&O of deadly heresies.

Christ stated

³¹ Wherefore I say unto **you**, All manner of sin and blasphemy shall be forgiven unto men: but the blasphemy against the Holy Ghost shall **not be forgiven unto men.**

What cost is the unforgivable blasphemy of the A&O of DH?

It shall **not be forgiven** unto men and the conclusion is extremely deadly.

Therefore, there is no seal of Gd in the time of Revelation 7 the sealing time of the 144k.

The Sanctuary Doctrine is so unique and yet so provocative as a doctrine generally and is perceived as controversial in theological circles yet ignored

But then with Ezek 9 + 3T267 and the seal of God in 5T the wise realise this Sanctuary Doctrine –

involves the Man with the Writers inkhorn

and if you are familiar with the Sanctuary Doctrine -the final ministration = sealing of the Man in Linen = cleansing of GUILT occurs in the COURT.

Yet, everyone in ignorance say – Oh, you have lost your marbles.

Not realising and forgetting Matt 12:31 exists.

And its cost. The cost is far worse for Laodicea.

So why talk about Isaiah 2 once more?

Well, The law of one = the 7N is blasphemy unto HWM and inexcusable to the First Angels warning.

Therefore – unforgivable sin.

The other contiguous proof is when you read the extent of the blasphemy of the First B's.

Read Revelation 13!

Who is like unto the beast? who is able to make war with him?

⁵ And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.

⁶ And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.

⁷ And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

Then the **son of perdition** = 8th king is all about the "LAW" of Isaiah 2 goes forth and this is then another Omega of DHs and full-blown spiritualism and it is deadly and unforgivable

In the context of the Alpha & Omega of Deadly Heresies that EGW trembled - **Matt 12:31 is very real.**

Therefore, Heb 6:4-6 becomes reality.

Matt 12:31 in Summation.

In [Part 2](#) you read how

Laodicea faced and is to be facing multiple Alpha & Omega of Deadly Heresies scenarios

The **first** facing Omega of DHs was **27 FBs**

The **second** facing of A&O of DH is facing **First B**
= 1260 days and son of perdition

Then a **third** A&O DH is facing the **Second B**

Then there's the **ultimate** expression which is the **29th** scenario of the Alpha & Omega of Deadly Heresies that coalesces at Armageddon = Revelation 16.

The foolish virgins – lost all.

Yes!!

That's the cause of why Allos Parakletos withdraws from earth.

Yes!

that is absolutely true

The first of 4 Omegas of heresy and its failure represented in the first with the 27 FBs – (FB 2,4,5).

The second will catch them by **surprise** –

thinking that it's the PPH and they would have to recover at the "Loud cry" of Revelation 18,

but since they didn't realize that the destruction of V city was the key to unravelling the reasons for the apostasy from the First Angel,

this means that rejection of this evidence = the second Angel's call of the fall of Babylon = and the fall of PPH results in UC acceptance.

The 3rd irony will just bring Laodicea into line as a corporation along with individuals with the worship of the Beast, as well as the dragon, along with the more emergent globalism of the Vendors of false oil and UC= 'sparks of their own kindling' which descend from the so-called higher consciousness of Lucifers appearances as well as the false prophets of Matthew 24.

The 4th being the final test for Laodicea which closes the door on the individual is sealing time of Rev7 = Ezekiel 9.

Then, looking at the Second B and its ruling +30-day timeframe

there is the number of the B = 666 - it's the number of a man
to obtain the mark in right hand, or forehead, is easy.

The antithesis to the Mark of the B - is **seal of Gd** which makes Revelation 7 of critical importance in the sealing time, and to be sealed to the refusal of the Mark, the refusal to worship the image and its repeated is why Revelation 7 is so important. Otherwise its Matt 12:31.

And the entire deal is arranged - to not be able to buy or sell
so how is that related to the 7N = Deut 6:8
concerns Deut 6:4 the Shema.

When it comes to conform, the non-tefillin wearers must have the mark, or the number,
to be good goy in the economic community

Well, if you don't go along with the 7N program
you won't be in the economic 'golden age' system,

seems the mark and the number are auxiliary discussions to be had early enough to be able to be part of the matrix prior to the +30.

From the 3T perspective, how is the worship of the image, not Idol worship and contrary to the 7N?

how does the one transgress the 7N when the image is an idol?
Seems it cannot be an idol as in the dedication of the image of the king of Daniel 3 – right?

and therefore, based on the presentation of the the [Ha Midrash](#) in their adjudications, one would have to be able to situate the distinction of idol worship

For Japheth - the Mashiach is worshipped and according to the 7N the Mashiach is to be accepted by the goy as the True Mashiach and the goy would not know it's not real deal – because all along the goy are expecting the AC, but many are deceived not knowing the difference.

If the 7N are to be what they say to be (i.e., for the goy)
then what is idol worship?
the acceptance of Benny Davd = God the eternal Son
which is no different to the RCC version,

And if the goy, do not bow to the image, set up by the AC –
the 8th king the oppressive law -

Then what?

It's the image is a false Gd, its blasphemy against HWM

and according to the 7n that is to be punished, over worshipping idols – so, why does Japhet not accept partners but accepts the image to be true? – and then, this is full expression thru the MWFP
who brings to life the image.

In other words, - to worship, or not worship the image - is a no-win situation either way for the goy, as constructed on the 7N

The MWFP **must** have an arrangement with Japhet at the full transfer of power from the First B to the Second B as noted in Revelation 13 which is to cause life to be brought into the inanimate and all to worship –
but of course, 7N #1 has all bases covered when it comes to accepting false idols or defying the 1g.

It's really a special deal like [Daniel 6:7-12](#) and the **law** an equivalent of the lion's den for **30 days** and one could also include the +45 days out unto the 1335.

When the focus is zoomed in on the idol worship of the Image of the Beast, the cultural aspect as well as true Biblical teaching prohibits this, yet it is still carried out.

Yet, there is a paganism/witchcraft steeped within the folkloric traditions of Japhet in relation to the Golem (an image created from mud) so that is actually the precursor of the concept - yet the image can be a machine projected world-wide on social media.

<https://en.wikipedia.org/wiki/Golem>

You will note the movie Terminator is mentioned.

The movie construct was time travel from 2029 back to 1984. Interesting date analogy because of the emphasis these days to **2030** which is referred today like everywhere.

But more so is the fact the earlier date range was the time frame of the fulfilment of Luke 21:24.

And the shooting forth of the fig tree **never** abated from 1980 = Luke 21:29.

And that's interesting considering the fact that it's going to be Japhet who will be highlighted as the nation that develops all this tech and blesses the world (sarcastically speaking) with this Golem.

CONCLUSION 1

Japhet who will be highlighted as the nation that develops all this tech and 'blesses' the world with this Golem. Yep, it's the **Fig Tree parable** in full bloom. See Luke 21.

CONCLUSION 2

You now have Japhet's idea of their version of the Key of Davd.

With the 7N – Japhet apparently shut down the problem of endless wars with eternal peace on earth is confirmed
in [Isaiah 2:4](#)

² And it shall come to pass in the last days, that the mountain of the Lord's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it.

³ And many people shall go and say, Come ye, and let us go up to the mountain of the Lord, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word of the Lord from Jerusalem.

⁴ And he shall judge among the nations, and shall rebuke many people: and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more.

Then there are Those Unlimited signs and wonders of Matt 24 "unlocking" the Limitations imposed on mankind. Every one is in awe of the golden age.

The liberators with their "Key of Dvd", with the blessed nation have solved the problems of mankind including what they say is best kept secret which is eternal Peace because of their 7N moral law is global for all men.

Keep in mind the Two Witnesses of Revelation 11 are also involved in the reign of the First B – and this fact will really disturb Laodicea because it is not so believed to be the case. Well it is.

"Holy Fire"

The Beast and the MWFP they are separate individuals with the same purpose. With regard to the Beast and the MWFP both were thrown into the Lake of Fire. Whereas the devil was cast into the Lake of Fire after the Millennium.

Notice in Revelation 13 the MWFP brings fire down and historically it was meant to convey to the Muslim world that the church had power.

Would it mean the same today regarding the earth as being the territory of the Beast especially after the Friday keepers have been taken down by the 7th king, the King of the North? Later all 3 are cast into the 'Holy fire' -of the Lake of fire.

Investigative journalism in reference to Holy fire

<https://youtu.be/U2fq3-LTAd0>

from the investigative journalist the accounts of the blue flame have lasted the test of time, but whether true, **that's another matter** - but as mentioned the Friday 1g guys needed a reminder of who had the real power.

the MWFP will have the proselyte market cornered
and bringing fire down from Heaven
is for all to see

but the question is – is it the same as the holy fire needed for
their 3T "Pentecost"

The fire comes down and ends any doubt
and brings a euphoria of UC

13:12 And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.

13:13 And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men,

The power of the First B is epic to destroy and blaspheme,
the second B gets the right-of-passage + power
to do all sorts of things

the 3.5 years of the 3T was epic test –
the last 30 days of the 1290
is the final push for all to bow

Elijah v Baal

The MWFP can be seen in the type comparison
of Elijah and the 450
prophets of Baal

yet the "holy fire" for the 3T - has no contenders -
why? the Two Witnesses are gone,
Allos Parakletos has withdrawn from earth

and keep in mind
there was no holy fire prior to Rev 13:12-13
= the 1260-day reign of the First B

It's the final contention of the First Angel
the reality of the third angels warning.

The other question is whether the “holy fire” is in the land of the Second B or over in the great city –

but one thing is certain ISAIAH 2 says

The origination of events occurs at the great city
and then after the Second B and includes the fire of the MWFP

Fire comes down and ends of any doubt
and brings the euphoria of UC

13:12 And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.

13:13 And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men,

13:14 And deceiveth them that dwell on the earth by [the means of] those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.

The Second B exercises all the power of the first Beast
and that would have to include a 7 N decreed in the
early days of the 1290

Whereas the Second B brings in its ultimate expression
Speaks as a dragon – and what do you get?

Another iteration of the Alpha & Omega of Deadly Heresies

Oh, the **extreme form of 7N**
which includes **capital punish**

no buy nor sell

gotta bow to an image

So, what is SEALED in your forehead at this point?

The seal of the Two Fathers name or not?

The **destruction** of the saints by the 8th king = Lion mouthed B = Dan 8:23-25 and the cost? Yeh, = Revelation 20:4

This is not a perceived blasphemy which runs counter to 7N so the threading down of the saints for 42 months

would involve this matter that brought
to light a while back.

Ten Kings

Now, with respect to the Ten Kings of Rev17 which is involved with end events of the latter days - it needs to be understood that in [the Keys of this blood](#) by Malachi Martin where he mentions that all of these Provencial globalist groups (10 kings) would have to expand their globalist mentality and cease to commend their so-called identity in their region of the world and

conform to a global mindset
or cease to exist as operative
parts in the emerging
global system.

Spiritually - This has already been accomplished with Laodicea's "New Movement" and as EGW said nothing would stop it – and the loss?

With FBs 2,4 Laodicea has abandoned the confines of the 3 Angels warning in order to embrace the globalist mindset of [BEM](#) as predicted.

The **Eastern Orthodox** church has a history of UC as seen with [hesychasm](#) practised on Mount Athos

and can logically be used to eliminate the PPH in the West,
on account of the PPH's historic bailout
and rescue by way of the Orthodox
in 554 AD, under Justinian.

The Western PPH owes a debt to the East and payback time
Is soon arrive with the events of Rev 17:12-16 and Rev 18
which [Isaiah](#) refers to as "**striking the hand with foreigners**"
This will be the next in line discussion next week.

EGW termed that as stretching of
hands across the Gulf to employ spiritualism.

You know by now Alpha & Omega of Deadly Heresies is SPIRITUALISM and also Robert
Sepher described the [Magan state](#) in present day Japhet and the mysticism of Mount
Athos is no different.

A regional accommodation which would eliminate the
PPH and bring about a more
compliant system

involving a 7N

The Orthodox view is not out of the question since the PPH itself has already ascribed to
Z'sm which goes to prove that these occult Magan systems can mutate to suit
changes just as the Maga movement is now bring the land of the Second B into an
alignment with the one g and it's all done by the M guys underneath the table.

https://en.wikipedia.org/wiki/Relations_between_Eastern_Orthodoxy_and_Judaism

Think about it, the dragon was cast where the Beast and the false prophet were already
burning

- The Dragon that old serpent = Lucifer
Isa 14 and Rev 17:8,11 = B that was, is not and yet is.

- The Beast - incarnate version of Satan. = Son of perdition
See - John 17:12, = 2Thes2 guy.
- MWFP. Miracle Working False Prophet = another incarnation of Lucifer? that proves **Heteros** another spirit, and not Allos Parakletos = True Holy Spirit.

Summary

The Triune Trinity had been the standard bearer for the A&O of Deadly Heresies for centuries. Laodicea to with stand cult status in the Christian Community made official the Triune Trinity and God Eternal Son and Seems fitting the A&O of DHs is represented at the time of destruction in the lake of fire.

The Real Fire?

The real fire is of course, the **true Alpha and Omega**
First and Last and

As seen by John

His head and his hairs were white like wool, as white as snow; and his **eyes** were as a flame of fire; ¹⁵ And his feet like unto fine brass, as if they burned in a furnace; and his voice as the sound of many waters.

So it gets back to what Matt 12:31 and the true Holy Spirit
the "another COMFORTER" "allos Parakletos"
and why Alpha & Omega of Deadly Heresies
is the unforgivable sin Matt 12:31.

Heteros | Allos

Let's quickly - return to word meanings in respect to their associations with the **Holy Spirit** and its relation to the **Alpha & Omega of Deadly Heresies.**
Matt 12:31

What is interesting is the word [Heterodoxy](#) means – doctrines at variance with an official or [orthodox](#) position"

Heteros

From the Heteros perspective, Japhet will be highlighted as the nation that develops all this tech and blesses the world sarcastically speaking with this Golem because of the matter with Deut 6:4 – The Shema.

Sounds like it's Japhet's idea of the Key of David. The 8th king of Daniel 8 and Isaiah 2 indicates Japhet apparently unlocked an 'eternal age of peace' on earth

HWM said in Matt 24 –those Unlimited signs and wonders legitimised the unlocking of the Limitations of peace imposed on mankind.

Therefore,

The 8th king in this time frame = Abomination of Desolation of Matt 25 = 1260 days that as you read by **peace** shall destroy many:

They be liberators of the world with their Key of David version,
as the 'blessed nation' resolving the intractable problems
of mankind, wars and as Isaiah 2 stated –
'peace' is based on the 7N moral law
which is the same as you see in
Dan 8:24-25

The heresy:

There is NO other authority than HEAVEN when it comes to the fact that the Alpha Identity of Christ is as in Everlasting Righteousness = ERxF

which **exposes** the heinous and blasphemous **error** of an **eternal or emanated sonship**.

This is best summarised as Laodicea's

God the Eternal Son

heresy FB #4

that

invoked the Omega blasphemy on the Alpha of John 1:1
as Laodicea's main doctrine of Christ – FB#4

which means Laodicea blaspheme the Holy Spirit of Matt 12:31
and do NOT advance by one jot or tittle Christ and His Everlasting
Righteousness = Everlasting Gospel and have obliterated in the process the First Angels
warning.

And then, like the failure of 1888 forget about ERxF
which is why they don't see ERxF importance
for Rev13:8

So, write in the comments section and explain how can they claim to be giving the third
angels
message in verity?

In the meantime, the abomination of desolation of Matt 24:15 brings to fruition the
Omega of Deadly Heresies of the **2Thes2 guy** thus being the **"sonship" of Benny Dvd**
which in the K book
would be considered possibly as
the highest emanation.

Since, their [10/10 tree of life](#) doctrine reveals the 10 aspects of the one g's character,
they might say that he is the **Ketur** or crown
and prior to that is probably Lucifer,

who also claims to be the void energetic consciousness [itself](#)
as the "father" of the human race.

And the Mithraic mysteries as being born in a cave appears to hint at that concept self- birth.

Result is that worship is rendered to the Beast,
as well as the Dragon.
= Revelation 13.

Anyone beginning to see the issues?

Then pray tell, Why would "**Man of sin**" aka the '**son of perdition**' be considered the highest consciousness of the Universe at the time of the 1290?
Well, it's there in Isaiah 14.

The 2Thes2 guy goes into the 3T – "Holy of Holies" –
And is the "Mashiach"
which is "representative"

on earth as the footstool of Mount Zion.
= Abomination desolation. Matt 24:15.

Fact is the **Second Temple** had been left **desolate** from the time of Jesus = **Matt 23:38**.
And how would a 3T obtain a reversal of the curse?

Only supernaturally –

Or have you, so soon forgotten, Matt 23:38 already?

What this "highest consciousness" represents - is a sign of deep disrespect - to eternal righteousness of John 1:1.

The Result?

Eternal disrespect = any of its enemy's specious doctrines –
deserves Everlasting punishment.

Is Matt 12:31 beginning to make sense yet?

Who knows,
there might be an Everlasting hell fire
for the Dragon, the Beast and the MWFP.
All others are burnt up root and branch.
If not, it might last for a very long time.
Think about it, the dragon was cast where the
Beast and the false prophet were already burning,
from the time frame of the commencement of the millennium,

up to the end of the millennium which is
when the devil is cast in alongside them.

CONCLUSION

Laodicea faces the A&O of deadly heresies in all future scenarios
And forfeiting the seal of Gd is something **you should not despise**
but earnestly seek HWM for light about ERxF –

ERxF – (John 1:1) is the First Angels message in verity –

ERxF = (John 1:1) = Christ & His Eternal Righteousness in verity

Discussion on Matthew 12:31 with A&O of DHs,
could be continued, but You,
you yourself, will have to search
the pearl of great
price.
Why?

What is the cost of the sealing time of Revelation 7?

The **unforgiveable** sin –
blasphemy of the

Holy Spirit

**The Alpha & Omega of Deadly Heresies
presents Matt 12:31 in its proper and final context.**
