

*"Watchman,
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"* Eze. 7:6 (Moffatt)

Revelation 12, 13

Luciferian

Age

Two Charts

This discussion presents two charts that reveal how the evolution of the **ten horns** of the **Great Red Dragon** and were devised by Satan to implement a theological construct over the millennia with the Doctrine of God.

Yes - the Godhead?

But Why?

Revelation 12 provides the ANSWER.

The attack was on the birth of the **MAN CHILD**.

The Man Child = Christ is nothing other than the **Doctrine of God**

The Incarnation = Gen 3:15 and humanity. Right?

In Revelation 12 you are seeing once more
John 1:1,14 and the concepts of the Alpha & Omega.

Revelation 12 has **seven prophetic** themes and
Yes, the Doctrine of God is insidiously attacked.

What will surprise many is how the **ten kings** feature in this desolation and abomination.

You will also note Rev 12 a summary of **the Alpha & Omega of Deadly Heresies** from
the ancient epochs to our present day and into the future.

You will see **REV12** proves this to be the case.

And you will see **all the beasts** of Revelation are featured in REV12.
Including the terrible 4th B of Daniel 7.

Revelation 12 begins from the time of the
"woman clothed with the sun, and the moon under her feet, and upon her head a
crown of twelve stars:

You will see a chart exhibits the vast INFLUENCE
of the **Great Red Dragon**.
When it comes to the Alpha & Omega of Deadly Heresies.

From the origins of its 7 **crowned** heads 12:2,3 = Dan 7

you will then realise they were inactive ten horns.

But that was soon to change
Upon the arrival of 4th terrible beast whose ten horns –

were **three Arian** and **seven Trinitarian**

[3+7=10] **kings** and they can be seen to rise also in REV12

How?

The 1260 **years** was the time of the Scarlet Woman and the Scarlet B and explains why the pure woman fled into the wilderness for

1260 years = **REV12:6**

Later in the same chapter God presents the **Lion mouthed B** of Revelation 13 with its ten **crowned** horns

And this Beast is the second prophetic wilderness event (anti-typical) = there you have the

1260 DAYS = **REV12:14.**

REV12 presents seven prophetic concepts.

These have been charted.

You will also note- two Biblical interpretive concepts exist in Revelation –

- a) the **prophetic active** - *active in the events of prophecy*
- b) the **prophetic inactive**. – *not active but silent or non-existent*

And alongside those exists there is the **prophetic interlocutory** of the Beasts of **Dan 7, REV 12, 13, 17**

Interlocutory =

Legal term that refers to an order, decree, or judgment, given in an *intermediate stage between the **commencement** and **conclusion** of a cause of action,*

and YES

all beasts and their TEN HORNS all influence, one way or another, from their commencement to their conclusion
the doctrine of the GDHD,

beginning from ancient times down to our day
and on into the immediate future.

God is telling you, the GRD is behind all the animal beast metaphors that everyone has taken for granted

And guess what

All the beasts are to be found inclusive in Revelation 12
and this chapter hosts the classic example of the
GRD being in its

Prophetic active and **Prophetic inactive** forms
and the prophetic interlocutory.

You will see clearly when and why from **Rev12**
the timeline of
the **Great Red Dragon is in Prophetic Action** –

whether **ACTIVE** or INACTIVE

All this information summarised in the chart and is to be
is to be seen in Revelation 12.

Here is the first chart for consideration.

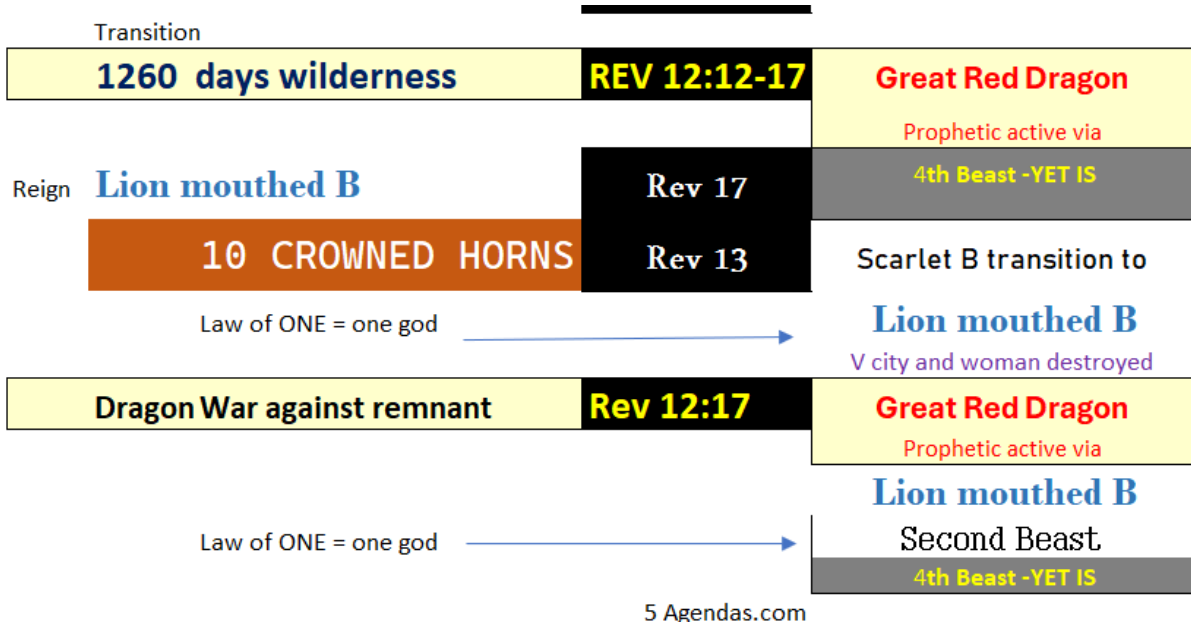

It will assist you to explain why the GRD and the '10 horns' of the beasts are all pursuant to the fact the **10/10 scenario (as discussed in this series)** is an evolving concept,

devised to ensure confusion when it comes to

the Doctrine of the GOD and the Alpha & Omega of Eternal Righteousness. **Christs Eternal Righteousness.**

And yes,
why the First Angels warning needs to exist in **Rev14.**

Mystery influence		PROPHECY	Prophetic Active
Woman 12 stars		Rev 12:1	Great Red Dragon
Great Red Dragon 7 CROWNED HEADS		Rev 12:3 = Dan 7	Prophetic Active
TEN HORNS		Rev 12:3	Prophetic INACTIVE
BIRTH ManChild		Rev 12:2,4,5	Great Red Dragon prophetic active via 4th Beast WAS
1260 Years Wilderness		Rev 12:6	Great Red Dragon Prophetic active via 4 B Prophetic INACTIVE = IS NOT
Reign	Scarlet Beast TEN HORNS 3 Arian kings uprooted	Rev 17:3,7	SCARLET B propetic active ridden by the woman 7 kings 5 fallen
War in Heaven Satan cast out		Rev 12:7-9	Great Red Dragon
Scarlet Beast		Rev 17	one is One yet to come

This first chart is not an exhaustive.

Pause and review the Chart
from your Bible.

The **second chart** will give you a better perspective from Gods viewpoint of the terrible 4th B of Dan 7 and as described in Revelation 17 the Beast that **WAS, IS NOT** and **YET IS**.

Important? Yes!

Every one you speak to cannot place this 4th B
in its proper context.

REV12 presents **seven** prophetic concepts
captioned with the pale-yellow background.

These seven prophetic markers
covers the GRD's **ten horns**
and thence in the formation of the
4th terrible Beast of Daniel 7

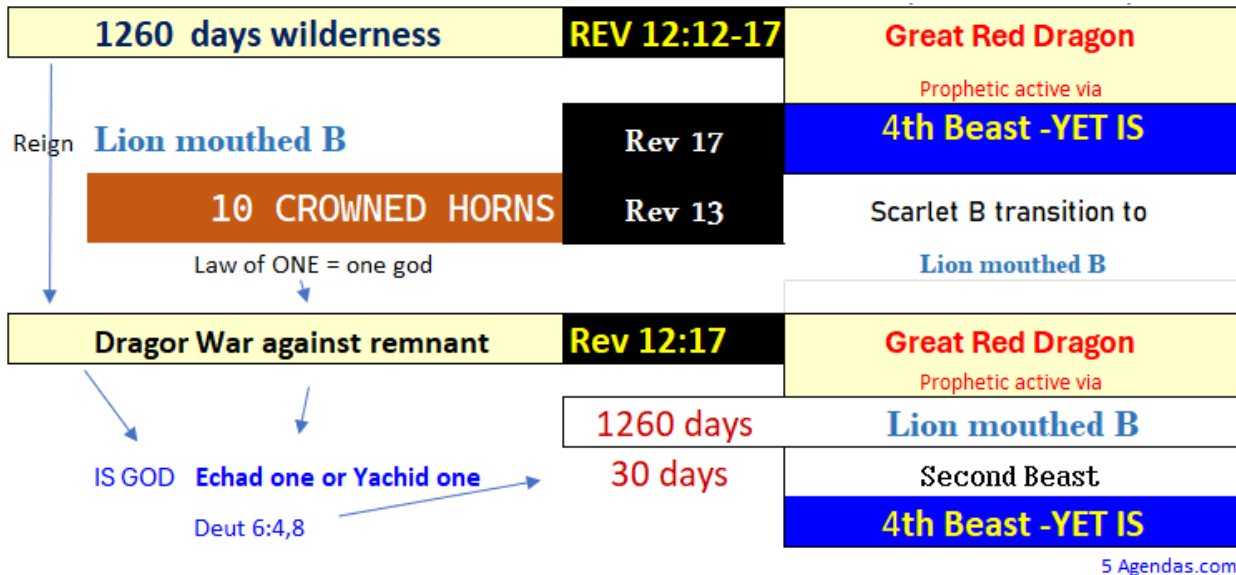

which history has proven

to consist of the **3 uprooted Arian kings**

+ the Trinity **doctrine** = **last 7 kings** of Revelation 17.

The emphasis on the second chart is about the Beast That **was, is not** and **yet is captioned in blue background** and its prophetic entrance in history as recorded in Bible Prophecy.

Mystery influence	PROPHECY	Prophetic Active
Woman 12 stars	Rev 12:1	Great Red Dragon
Great Red Dragon 7 CROWNED HEADS	Rev 12:3 = Dan 7	Prophetic Active
TEN HORNS	Rev 12:3	Prophetic INACTIVE
BIRTH ManChild	Rev 12:2,4,5	Great Red Dragon prophetic active via 4th Beast WAS
1260 Years Wilderness	Rev 12:6	Great Red Dragon Prophetic active via
Reign Scarlet Beast TEN HORNS	Rev 17:3,7	SCARLET B propetic active ridden by the woman 4 B Prophetic INACTIVE = IS NOT
3 Arian kings uprooted 7 Trinitarian Kings	7 kings	5 fallen
War in Heaven Satan cast out	Rev 12:7-9	Great Red Dragon
Scarlet Beast	Rev 17	one is One yet to come
Transition		V city and woman destroyed

Can you see –
how all the animal beasts feature in Revelation 12?

Can you see –
how the timeline progressed exactly as Scripture unveiled the animal beasts down
thru history.

In other words,

It can be concluded the = **TEN HORNS** of the various beasts of **Revelation 12, 17,13**
are summarised as

the **1g Arians** being revealed
Which is the Great Red Dragon's
first 3 horns at the time it was prophetic inactive.

can you see

there exists the theological proof of the evolution of the 10/10 scenario of the **ten**
horns = **3 Arian** and **7 Trinitarian kings** and then it transitions to
the **1g – law** of Isa 2:3 = “oppressive law”

Fact is Both 1g doctrines are active today within Laodicea
And you find both in Laodicea's FB 2,4

keep in mind the time of the events eventually arrive with Revelation 12:17.

The remnant of the woman - cannot be those who advance the Luciferian doctrine of Gd.

Revelation 12:17 lasts the first 1260 days then the +30 = 1290 days and then the +45 to the 1335 and yes involves a doctrinal **war** against the Dragon

Isaiah 2:3 already told you it's over one thing
the **doctrine of God**
Zech 8:23 tells you the key players

This war is with the **DRAGON**, to what is to be (near future) the **Luciferian age of Revelation 13**

and yes,

it's all there in
Revelation 12.

You should easily realise why the **ten horns** on the 7 crowned **heads** of the Great Red Dragon were **prophetically INACTIVE**,

The Doctrine of God came under a massive attack by as you all know - the 4th terrible Beast [Dan 7]
With the

direct attack
and death of
the **MAN CHILD** =

Killing The Lord Jesus Christ the Man child by Crucifixion.

If that's not enough evidence – well you will have to explain then the transition age from Pagan 4th B to the Scarlet HRE that developed the Council of Nicaea = the Trinity doctrine under Constantine in 321

What happens?

The 4th B transitions to

the **B that (IS NOT)**

= PROPHETIC INACTIVE

**Only to transition and emerge as
Revelation 17s**

the **Scarlet B + woman** who
became

= PROPHETICALLY ACTIVE

This established **the 1260 prophetic years**
from 554AD

= Revelation 12:6.

Confirming the question of Dan 8:13 –
where one saint to the other saint,
asked

'how long' the vision

Which was unto 1844.

The entire vision of the transgression of Desolation was 1290 years. This gives you the very reason why the **1290 days** of
Revelation 13 = the Abomination of Desolation = Matt 24:15

And the abomination against the Godhead Heaven,

there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue **forty [and] two months**.

13:6 And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.

13:7 And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

The war of 13:7 = Rev 12:17 = 17:13-14

And it's over the FIRST ANGELS WARNING - the Godhead.

The B of Revelation 13 has **ten crowned horns** that also effect the war on the Godhead doctrine. Doubt it? Notice the following

These [10/10] have one mind, and shall give their power and strength unto the beast. These shall make war with the Lamb

= Rev 17:13-14

The ten crowned horns of Revelation 13, = 10/10 scenario while no longer officially Arian or Trinitarian – you still are being dragged into the war over the GDHD whether you believe or disbelieve, because God told you all the world worship

the **GREAT RED DRAGON**

How? it's the 1g – Law of One.

The Luciferian Era

It's coming ready or not.

Time then to review, and review again
Revelation 12 and the two charts?
