Revelation 12

Inner EARTH

Revelation 12:7-13.

INNER EARTH

This brief discussion explores Rev 12 for there was "the war in heaven" and Satan is thrown out of Heaven = Revelation 12:7-13.

The war in Heaven brings to mind a deep sphere of material that many distant themselves from because they say it holds no bearing on their salvation.

Well, sin commenced in Heaven, there is the Divine Mandate = the cleansing of the DoA = Dan 8:14, and the High Priestly ministry of Christ after the Order of Melchizedek.

Folk from the field have asked – but why the need to discuss the inner earth, what have demonic chained entities got to do with the Apocalypse and end events. Well, for starters it dramatically is included in Rev12.

And then to be discussed about the inner earth are the memoirs of a famous Admiral who met with the inner earth “Arianni,” seemingly wise, noble virtuous and peaceful and this is one the many connections to INNER EARTH mysteries.

The Bible states Satan was cast down to the earth and his realm is **under** the earth.

Revelation 12:7
= Job 1:6-7
= Phil 2:10

The Book of Job, recorded in the early prophetic era of the Great Red dragon, and Job a righteous man who eschewed evil encountered painful experiences and finally recognises something exceedingly greater. Which was Christ’s **Eternal Righteousness**.

It so happens, it’s is the core theology of the “**Everlasting Gospel**” Rev 14, and the Eternal Righteousness of HWM transcends RxF and the war of Rev12,

Because **Eternal R** presents the purest form the doctrine of the Godhead it is the root of RxF and when you see that fact from what is the Divine Vantage Point, only then can the Alpha & Omega of Deadly Heresies be resolved. Period.

Why?

Because EGW never resolved the Alpha & Omega of Deadly Heresies.

But moreover, in respect to Rev 12 Christs Eternal identity = ALPHA scenario is fiercely challenged by those who emerge from the inner earth and that is no picnic and deception is rampant.

But guess what!

Both John and Paul conveyed Eternal Righteousness and ERxF.

Isaiah 14 already tells us the ultimate objective of Satan was equality with GODHOOD - Doctrine of God and why should it not be the last effort of contention at the very end of time?

INNER EARTH.

When it comes to the **Great Red Dragon** (GRD), one does not immediately relate **Rev 12** with the war in Heaven to the inner earth,

just as everyone does not immediately relate all the animal beasts of Revelation to be summarised in the same chapter, but then who takes time to examine Revelation 12:7-13 and there was war in Heaven which continues all the way to the end of time against the saints.

The careless, the indifferent are today [holpen](#) with the 'love gospel' they lose sight of Scripture and conclude the inner earth stuff,

"oh, is not important because its way out there.
Its **sci fi.**" It's got nothing to do with the Bible or the "love of Gd."

And yet Gd says,

the Beast rises up from
the **Bottomless Pit.**

[see Rev 9,11,17,20]

= The Inner earth.
For that reason –

God has uniquely placed **Rev 13:8,9** to be in existence as Heavens Divine response in the Luciferian Age = Rev13, and God positioned 13:8-9 of that chapter for an important purpose.

Which is what?

The awareness of Eternal Righteousness,
and the Seal of God = Rev7
in its relationship to the DoA.

It is of no coincidence;

the **TEN horns** of the animal beasts were part and parcel of the attack of the Doctrine of God = John 1:1 all through time and that attack you saw in the last discussion is summarised in Rev12.

Where the GRD morphed the transition age from B that **was** and **is not** – and there is no question it is accorded unto the 10/10 scenario and the ten kings of the 4th B were religiously associated

3 horns that were **Arian** and
7 horns that are **Trinitarian**.

So, what has the ten horns got to do with the **inner earth**?

It must be asked - Do inner earth "**Arians**" exist?

Admiral Byrd and the Arianni

<https://galacticanthropology.org/2023/07/03/the-arianni-from-the-inner-earth-near-one-of-the-poles-the-diary-of-rear-admiral-richard-byrd/>

The above article about **Admiral Byrd** sets out how he led a naval expedition fleet to the South Pole in 1947 and being he flew into the area of what he explains as a natural portal and his account relates, he was met by a Master of the **Arianni** race.

So, immediately here are some problems.

Should we immediately dismiss the account that inner earth **Arians** exist **as revealed** to Admiral Byrd or was the Adm Byrd a liar with his pants on fire?

Why **1947**?

Is it a coincidence his encounter is just shy of **1948** and fulfilment of Gen 9:27?

Most immediately think - in terms of the inner earth and its **bottomless pit** – exist indescribably evil demons and **in chains**. Including **four angels which are bound in the great river Euphrates**.

– Right?

Well, that's one thing, but Adm Byrd – conveyed the **Arianni** were noble **PEACEABLE**, Knowledgeable, with wisdom and concerned with the developments on the surface.

But then is this encounter, anything different to the many accounts of indigenous tribes across the world and their encounters with ETs, the [Galactic Federation](#), [Ascended Masters](#) or [Avatars](#) recorded on what some say is rock art?

Why are the **Arianni** and the many others – emerge as peaceable and wise?

Your other problem is God reveals there are TWO KEYS in Revelation.

- 1) The Key of D that is given to the Phillies in Rev 3.
- 2) The other given to Satan since his descent began from the Northern Universe he then ends up in the pit. It might look pretty down there in the inner earth even with cities and tropics, as Adm Byrd and others have said exist - but it's still the pit.

Are we to marvel the Wise and Peaceable from the inner earth?

Paul said

11:14 And **no marvel**; for Satan himself is transformed into an angel of light.

11:15 Therefore [it is] no great thing if **his ministers** also be transformed as the ministers of righteousness;
whose end shall be according to their works.

So how is the Adm Byrd encounter with the Arians related to the subversion of the Godhead doctrine?

Rev12 is the prophetic context:

Do you recall Daniel speaks of a king (8th king) who uses "peace" for a certain reason?

See **Daniel 8:23-25**

In Revelation 12 - The GRD's **attack** is on Christ – proves the Godhead Doctrine.

How?

The **killing** of the **MAN CHILD** in Rev 12
and as you know Satan used the terrible 4th B.

Further, as discussed previously, the attack on the Doctrine of God is an evolving process **and continues** all thru Rev12 to the end of time.

Just as you saw in the charts of Part 1 of the ten horns and the procession of the animal beasts.

Here is a quick reminder of the GRD's - 10 horns and the Doctrine of God.

The three **ARIAN** kings of Dan 7:8

[[Witiges](#) [Totilla](#) & [Teia](#)]

were part of the
4th Beast's
10 horns.

The **3 Arian Kings = first 3 horns** - were
instilled with **Arian belief**
= [Arius](#)

and yes, from the 1g **Arians**
there developed another version of
1g theology of the Godhead the Trinitarian.

God said the first 3 horns of the 4th B were plucked up by roots

= **Dan 7:8** = the GRD of **Rev 12:6** – see chart –

then commenced the Scarlet B / Woman scenario of

the **1260 years**

= Transgression of Desolation = Dan 8:13

from 554, and the **1290 years**, ending precisely in **1844**

Thought questions

- Why did Satan require the first 3 kings to be uprooted?
- Why did Satan **reverse** the 1g Arian theology and weave it back into the 1 gd Trinity Doctrine for the **1260 years** [Revelation 12:6]
- see chart part1.
- The GRD is once more prophetically active at the **1260 days** = (Revelation 12:14) –
- The time of the **1260 days** of the **1290** of Matt 24:15 = **Abomination of Desolation**.

Summary

The GRDs hostile attack was killing the Man Child – because He verily was one of the Two Elohim = John 1:1 and the **Deicide** was the ultimate objective of the GRD.

Then Following the Resurrection
the attack on the doctrine of God resumes and Satan
used the **4th Beast**

in its threefold prophetic active, and inactive, active

= **WAS,**
IS NOT,
and YET IS

AS DEFINED IN REVELATION 17

via the **Scarlet B +woman**

Five fallen kings thru to the 7th king

– who lasts a short space of time,

the **Scarlet B** and woman are destroyed by Ten kings

And then GRD morphs into the

First B of Rev 13 for the final push, the Luciferian Age.

Fact is, even though **3 Arian kings** and **their** 1g **theology** was uprooted by **Justinian**

the scarlet woman riding the scarlet 10 horned B advanced the **Alpha and the Omega of Deadly Heresies.**

Yes, all down thru all the 7kings = which was the era of the "Transgression of Desolation" and that reign was central to the desolation of the Doctrine of Gd

But Laodicea miss the point - God explains this scarlet woman and Beast are **not around** for the final **ten crowned kings** of the 10/10 scenario.

The First B of Rev13 is another B in the prophetic active and the Scarlet B is no longer = Rev17:16.

For those who think there is no change in the attack on the Doctrine of Gd at the time of the First B – well you need to rethink the First Angels warning and then read slowly Rev13:5-6.

And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty [and] two months.

13:6 And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.

Because of what you just read, there is another
transition age = a 'morphing' and the
global belief
AND
is all about the DOCTRINE OF GOD

Read Revelation 13:4

Just as God said

And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who [is] like unto the beast? who is able to make war with him?

All the world worship the Dragon, right?

= Luciferian Age, the 1g.

Can you now summon a smidgeon of interest to the detail Gd has provided let alone then recognise why the First Angels warning of Rev 14 can **never** be about NSL?

Hello, anyone home?

Well???

Why did Waggoner & Jones in 1888 advance the first "3 horns" Arian theology and EGW not even once rebuked this heresy?

Answer

they were hunkered down, and were certainly never going to be advocates of the HRE, the papacy, let alone the **Trinity** doctrine at the time of the NATIONAL SUNDAY LAW,

Everyone was
Anti PPH

and yet,

What **W&J** brought out – and many have taught since, that Christ's Righteousness was all about the doctrine of God. Yet they both said Christ was born twice, once in eternity. Right?

What is so deceiving both W&J were commandeering the Third Angels Message in verity – which was Christ and His Righteousness with the outrageous **Arian Heresy** - God had an emanated Son in Heaven = God the Eternal Son = RCC baloney, transgression of desolation of Dan 8:13 = FB #4.

That's it - all in a nutshell. The ruination of Christ – Eternal ALPHA identity and led to a continuation of the Omega of DHs.

And what happened since 1888?

Well, as strange as it sounds Laodicea did the unthinkable – and appeased the "**3 Arian** horns and the **7 Trinitarian** horns theology of the 10/10 scenario of the **inner earth** dogma.

How?

Laodicea officially recognising both ten horn version -papal and Arian
And it's all there in FB 2, 4 in their 27FBs

Yes, the 1g Arian and 1g Trinitarian of the **ten horns** of the GRD, and includes the terrible 4B and the woman who rode the ten horned scarlet B of 7kings.

But as you should know by now - **Arian** theology - is not about Christs **Eternal** Righteousness and is certainly not RxF.

No wonder **1888 was a failure** and explains why EGW never defined the Omega of DHs.

Right?

This 1g construct carries thru to the Luciferian Age of Revelation 13 – the time of the Lion Mouthed Beast and then enlivened by the Second B.

And brings to life the entities of the INNER EARTH.

Why did Laodicea adopt the 10/10 theology of the Doctrine of Gd at the time of the fulfilment of Lk 21:24?

That's as impossible an achievement, as one could think

and it's why Laodicea cannot resolve the deadliness of the Alpha & Omega of Deadly Heresies that EGW said would be received and trembled

Well, it's all there in Laodicea with

FB #2 = 7 Scarlet kings Trinity

FB #4 = 3 Arian kings **God Eternal Son**

= Alpha & Omega of Deadly Heresies

Why did Laodicea in 1980 officially agree to the GDHD theology of the 10 horns of the GR Dragon?

Answer 1

Laodicea's Failure to resolve "*until when*" of Dan 8:13, and remains unresolved to this day. EW74.

Laodicea compromised the Godhead Doctrine to host the 1g desolation theology of the Trinity and God Eternal Son - to be "**spiritual chums**" with the Evangelicals and BEM.

Answer 2

Lucifers supernatural power achieved the unthinkable;
immediately after the "times of the nations" closed
= Luke 21:24

Laodicea was permanently blinded to not recognise that
the **cleansing** of the Sanctuary moves to the
COURT = Lev 16 = Ezekiel 9 and not remain in the MHP.
Vindicating the Doctrine of God and salvation of John 4:22.

Answer 3

Satan = via the GRD seduced the "[once faithful 'city'](#)" = woman
to "[play the harlot.](#)" [8T250](#)

Satan is the arch enemy of Eternal Righteousness,
And hates the fact that HWM is the TRUE
ALPHA & OMEGA = Revelation 22:13,16
and knows he is defeated but still hostile
and at war

otherwise,

you would not have to account for,
let alone resolve the
huge problem of the **Alpha & Omega of Deadly Heresies.**

Right?

Luciferian Age

In Rev 12:14-17

God reveals the GR Dragon is **prophetically active**

For the duration of Revelation 13 in
what Daniel 12:7, 11-12 described the three prophetic durations

⁷ And I heard the man clothed in linen, which was upon the waters of the river, when he held up his right hand and his left hand unto heaven, and swore by him that liveth for ever that it shall be for a **time, times, and an half**; and when he shall have accomplished to scatter the power of the holy people, all these things shall be finished.

¹¹ And from the time that the daily sacrifice shall be taken away, and the **abomination** that maketh desolate set up, there shall be a **thousand two hundred and ninety days**.

¹² Blessed is he that waiteth, and cometh to the **thousand three hundred and five and thirty days**.

Specifically

- 1) 3.5 lit yrs = time, times and half = 1260-days,
- 2) then +30-days to the 1290 and then
- 3) the +45 days to the 1335.

Revelation 12 declares a war lost with Christ but ultimately is a war with the **remnant** of the woman's seed.

In this timeframe, of Revelation 12:17 is the Luciferian Age from the **inner earth emerges with**
the 8th king of Rev17 via Dan 8:23-25

“and power was given **him** over **all** kindreds,
and tongues, and nations.”

A war supported by the 10 men of Zech 8,
the ten crowned kings of the First B of **Rev 13**

The Great Contention and Luciferian Age.

What is THE WORLD's contention?

and **all the world** wondered after the beast.

And they worshipped the dragon which gave power unto the beast: and they worshipped the beast,

saying

**Who [is] like unto the beast?
who is able to make war with him?**

God responds

Revelation 14:1,4-5

And I looked, and, lo, a **Lamb** stood on the mount Sion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads.

⁴ These are they which were **not defiled** with women; for they are virgins. These are they which follow the Lamb whithersoever he goeth. These were redeemed from among men, being the firstfruits unto God and to the Lamb.

⁵ And in **their mouth was found no guile**: for they are **without fault** before the throne of God.

Why?

Because **Rev 13:8** presents

the Alpha & Omega Identity of the LAMB

13:8 And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from (before) the foundation of the world.

13:9 If any man have an ear, let him hear.

Those immersed in Laodicea theology refuse to believe **Rev 13:8** even indicates the Eternal Identity of HWM or Eternal Righteousness and the major blinder is because they say Christ was **"God the eternal Son"** the Arian doctrine from the RCC = **FB 4**,

which is why, Laodicea cannot establish Christ's Eternal Righteousness
= John 1:1 = Rev13:8 or 2 Tim 1:9

Laodicea entrusted with the Sanctuary Doctrine and the knowledge of the cleansing of the DoA, and are the initial focus of the **sealing of Rev7**, as amplified by EGW in 3T267

Laodicea got **really spooked** when they were called a cult by Walter Martin in his book Kingdom of the Cults and what else would you do, to save face? Well amazingly, the best retreat they figured to being 'normal' was the unity with the 1g theology of the GRD.

In so doing, there was less emphasis on Sanctuary Doctrine let alone the Seal of God from Rev7.

Quite something how Satan works. Right?

Yet all along there existed the theological fact **Eternal R** is enshrined in the Lambs Book of Life and established the Eternal Identity of HWM = LSFOTW

= **Rev 13:8**

= [2Tim 1:9](#)

⁹Who hath saved us, and called us with an holy calling, not according to our works, but according to his own purpose and grace, which was given us in Christ Jesus before the world began,

And of course there is the **cleansing** on the DoA.

The cleansing of what?

Cleansing by the Man in Linen of the Heavenly Sanctuary and then the final ministration in the Court which is the cleansing of guile from the lips of clay = Isa 6 = **no guile = Rev 14**

What is the insurmountable guile?

Answer

The Alpha & Omega of Deadly Heresies that today is Laodicea's testimony of Jesus. It is an abomination of desolation.

Are you now beginning to see the importance of Rev 13:8 and 2 Tim1:9?

And why?

It's only faith in the **Eternal R** of HWM
that answers fully, the worlds contention
"who is able to make war with the B"

Yes, the B who emerges from the Bottomless Pit.
the INNER EARTH – of Rev 12

And who can make war with the Dragon and prevail?

Only the **power of Christ** = Rev 12:10

And that power –

is His Eternal Righteousness.

Eternal Righteousness doesn't curry favour

any (guileful) version of the 1g whether Arian or Trinitarian doctrines

of the ten horns of the GRD that says Christ was **begotten or emanated** from the father.

Right?

Why?

Because contrary to the 10/10 kings

= Arian and Trinitarian belief of the **inner earth**

HWM had no beginning and

was also Gd,

and was Gd = John 1:1

HWMs Eternal Righteousness is sealed in the foreheads of the Phillies of Rev3:12

And certainly, **NO sealing for** the once faithful woman = Laodicea who played the harlot.

Why?

Laodicea 'annulled' HWM's Eternal Righteousness

with the FBs 2,4 = 27FBs which is why Laodicea

is spued = Rev 3:16?

Regardless of what Laodicea claim, and say, or protest or Sr W said this or that and being Trinitarian apologists only aligns with all things Scarlet. Right?

Are you beginning to see the real issue here?

**How ER has been the derision of the GRD
all thru time in the evolution
of the 10/10 scenario?**

**And the inner earth entities are about to take it all to a level
of supernatural deception hitherto never been seen or
experienced.**

INNER EARTH Post Script

Why was there significant research of the occult and expeditions to Tibet in the 1930s by the Nazis and the huge interest of the Great Red Dragon's home = Shangrila as well as some inner earth maps that can be found online.

<https://www.thenewearth.org/InnerEarth.html>

The mythological lore from different cultures spanning centuries hints at a subterranean paradise. It is rumoured that one Nazi officer stated on record that they had discovered a tropical paradise under the ice for the Fuhrer. The journey for the Nazis began with Tibet and the concept of the Lord of the world in Shangrila. The matter began with Job in chapter 1.

Whether true or false is irrelevant,
the map reveals the concept of
inner earth
as in Job 1:6-7.

Paul confirms what is relevant!

Colossians 2

¹⁸ Let no man rob you of your prize [i]by a voluntary humility and [i]worshipping of the angels,

This is the emanation system of inner earth intermediaries. The modern-day equivalent are the ascended masters and their humility. They are seen as energetic manifestations.

[k]dwelling in the things which he hath [l]seen,
vainly puffed up by his fleshly mind,

Colossians 2 sounds like UC.

On a personal level encounter

- If it's the **introversive mystical experience** it is a void that is seen or perceived.
- If it's the **extroverted type**, then physical object appears to be glued to the individual.

This is quite different from Paul's vision of the [third heaven](#) since he heard words that were unspeakable. He also experienced Paradise.

The Words that Paul heard are in fact empirical yet on an extraordinary level that man **could not repeat**

Here is a good lesson since in classic UC the experience is supposed to be mindless and then devoid of empirical content whereas in the Biblical visions you have thrones and Angelic figures such as seen by Isaiah in chapter 6.

Totally different than the UC type.

Astral projection or near-death experience is not a UC experience since a lot of empirical content is involved with so-called dead loved ones or green fields ... blah blah blah.

Then, there is the matter of the “Inner GPS” and discovered, that there is now very little information linking the inner GPS to left brain illusions. Almost as if they are trying to hide this fact from the masses and still maintain that soul travel is a reality from a spiritual perspective and not a brain-based illusion.

12 ^[a]I must needs glory, though it is not expedient; but I will come to visions and revelations of the Lord. ²I know a man in Christ, fourteen years ago (whether in the body, I know not; or whether out of the body, I know not; God knoweth), such a one caught up even to the **third heaven**. ³And I know such a man (whether in the body, or apart from the body, I know not; God knoweth), ⁴how that he was caught up into **Paradise**, and heard **unspeakable words**, which it is not lawful for a man to utter.

COLLOSSIANS 2

¹⁹and not holding fast the Head, from whom all the body, being supplied and knit together through the joints and bands, increaseth with the increase of God.

²⁰If ye died with Christ from the ^[m]rudiments of the world, why, as though living in the world, do ye subject yourselves to ordinances,

²¹**Handle not, nor taste, nor touch** ²²(all which things are to perish with the using), after the precepts and doctrines of men? ²³Which things **have indeed a show of wisdom** in will-worship, and **humility**, and severity to the body; *but are not of any* ^[n]value against the indulgence of the flesh.

Does the show of wisdom and humility remind you of Adm Byrd's **Arianni** Encounter?

The Handle not, nor taste nor touch has a purpose in UC, its purpose is to abstain from as much empirical content as you can = works-based renunciation of the world and **strict meditation** practices,

to **'wake up'** the Gnosis or UC experience.

Best example are the so-called holy men in India. Yes, it shows severity to the body and shows what appears to be humility.

In the mind of the world when they see these men and compare them to TV preachers like Kenneth Copeland they immediately gravitate to this assumed humility.

Martial Arts

For those who recall the [Kungfu](#) television series ([here](#)) you can see portrayed how humble Kwai Chang Cain was in comparison to the prejudiced cowboys that he used to beat up when they would attack him.

The UC comparison?

Even today, it's the same thing occurring – men measure righteousness by the fruits of whom they encounter and get to the time of striking hands with foreigners of Isa 2:6 and after the demons are released from the **inner earth** = the bottomless pit –

you will have the supernatural to contend as to what is true! For Satan and his magans will have that assumed "humility" and boy it does produce an effect in those who can be influenced by "character" from an external perspective.

Now do you realise why 8th King destroys the saints in [Dan 8:23-25](#) with 'peace'.

8th King

When it comes to the final influence of the Luciferian Age, = the inner earth and spiritualism, well it has its final analysis of the "10/10 scenario" and guess what is revealed in the K book itself,

which is Satan's way at the 3T of defining the 10/10 system

as Luciferian.

“All the world worship the dragon”

= Revelation 13:4

All worship what they perceive as **humility**, the good and virtuous and what all agree to be in agreeance as what they believe is Righteousness from an external perspective.

What you see and experience influences what you believe. Right? When that process is missing the Scriptures to assess what is true Righteousness one sees external Righteousness and you end up doing? All the world in Revelation 11, hand gifts to one another when the Two Witnesses are killed by the B from the Bottomless Pit. Because they could not tolerate the TWO WITNESSES testimony of Christ and His Eternal Righteousness. It was too forthright.

Revelation 11

11:7 And when they [Two Witnesses] shall have finished their testimony, the beast that ascendeth out of the **bottomless pit** shall make **war** against them, and shall overcome them, and kill them.

11:8 And their dead bodies [shall lie] in the street of the great city, which spiritually is called Sodom and Egypt, where also our Lord was crucified.

11:9 And they of the people and kindreds and tongues and nations shall see their dead bodies three days and an half, and shall not suffer their dead bodies to be put in graves.

11:10 And **they that dwell upon the earth shall rejoice over them, and make merry, and shall send gifts one to another; because these two prophets tormented them that dwelt on the earth.**

11:11 And after three days and an half the Spirit of life from God entered into them, and they stood upon their feet; and **great fear** fell upon them which saw them.

The second woe is past

What a contrast and a massively huge error. What could all the world not perceive? Only the big difference which is Eternal Righteousness and the influence of the GRD via the inner earth prevailed.

Best pay attention to why Rev13:8-9 exists in the era of how all the world perceive external Righteousness. You should recognise by now – the idea of humility =

Righteousness is not the real deal. Massive errors of "Righteousness judgment" exist today!! And Laodicea is not exempt from the significant spiritual problem that rises from the **inner earth**. Laodicea was trapped by Satan when Lk 21:24 was fulfilled.

But if you think the issue of humility and Righteousness has been exhausted in this discussion – far, be it the case.

Consider what's also install.

The K book of the 3T scenario

would complete the picture of 10/10 scenario.

Because the **First 3** emanations of the

Sefirot are in fact ten emanations

and the first three are

1. the **Ketur**, = the Crown,
2. **chokma** = a male energy
3. **Binah** = a female energy.

The **next 7** bring in the "10/10"
which is the K Luciferian religion.

Satan might actually want to topple this false revelation,
by way of the Friday keepers, and the final
revelation of the "Cube of Saturn."

cf **Psalm 83?**

Paul already explained the power of these mystical systems
in **Colossians 2**

¹⁸ Let no man rob you of your prize ^[i]by a voluntary humility and ^[i]worshipping of the angels, ^[k]dwelling in the things which he hath ^[i]seen, vainly puffed up by his fleshly mind,

¹⁹ and not holding fast the Head, from whom all the body, being supplied and knit together through the joints and bands, increaseth with the increase of God.

Further, the realm of Singularity, [noosphere](#), = the Law of One
Holds its essence with 'UNIVERSAL LOVE' the very direction of all the outreach of churches today

And
it's linked to the 1gd K book

the 1gd **Arian version** – Father and Son
and 1gd **PPH version** – Triunity.

It's all based on the so-called 'energetic' manifestations of the "**Universe**" in the form of "Eternal Generation" from the void

which is a PPH doctrine
= (God the Eternal Son)

Straight from Arius, woven into the Nicene Creed
and assented published by Laodicea in FB #2 #4.

SEFIROT

<https://en.wikipedia.org/wiki/Sefirot>

Ein Soff = formless state of the "**Universe**"
prior to the materialization of gd.

This echoes the theology of [Mithra](#) who was born from a rock inside a cave

= metaphor for the 'void' Universe,
prior to creation.

The GRD theology is manifested in **Arianism** and **Trinity** doctrine because they are
manifestations of so-called 'Universe religion'.

Even though they appear
to be at war.

The concept of war entails progression in the world of
the Luciferian mindset of **evolving ideas of false
constructs**, leading up to the final
false construct of Luciferianism,
at the very end.

Rev 9 confirms **the inner earth...**

9:1 And the **fifth angel** sounded, and I saw a star fall from heaven unto the earth:
and to him was given the **key of the bottomless pit**.

9:2 And he **opened the bottomless pit**; and there arose a smoke **out of the pit**, as
the smoke of a great furnace; and the sun and the air were darkened by reason of
the smoke of the pit.

The '**great furnace**' of the dark smoke = the demonic realm;

and

Gd confirms the inner earth in Rev 11 and, the
the B from the bottomless pit

Revelation 11

11:7 And when they [Two Witnesses] shall have finished their testimony, the **beast** that ascendeth out of **the bottomless pit** shall make war against them, and shall overcome them, and kill them.

Bottomless pit

= Job 1

1:6 Now there was a day when the sons of God came to present themselves before the LORD, and Satan came also among them.

1:7 And the LORD said unto Satan, Whence comest thou? Then Satan answered the LORD, and said, From going to and fro in the earth, and from walking up and down in it.

= Philippians 2:10

2:9 Wherefore God also hath highly exalted him, and given him a name which is above every name:

2:10 That at the name of Jesus every knee should bow, of [things] in heaven, and [things] in earth, and [things] under the earth;

Is there a connection to the prior discussion of

Isaiah 2:6,

and the striking of hands with spiritualism – [here](#) –

There is the ‘**replenishment from the kings of the east**’ = **sorcery** = the ascended masters with their peace and ‘wisdom’ at the time of the 3T

The reign of the 8th king of Rev 17 = Dan 8 = 2Thes2 guy.

Fact is - **Isaiah 2** previously fore-warned everyone.

Therefore thou hast forsaken thy people the house of Jacob, because they be replenished from the east, and [are] soothsayers like the Philistines, and they please themselves in the children of strangers.

ASV

For thou hast forsaken thy people the house of Jacob, because they are filled *with customs* from the east,
and *are* soothsayers like the Philistines,
and they *strike hands* with the children
of foreigners.

In other words, **one really needs
to wake up** – like today
not sometime later, when its “midnight”

Well, as you know - **Admiral Byrd** met the Arianni

Today, an abundance of UFO encounters with inner earth entities and while some say its predictive programming
and others will say, it's the 'alien card'
or demonic to the inner earth,

but then,

to authenticate 'anything' these days to even begin to determine
if it's TRUE and of God or the supernatural,
fact is it will only become far more difficult to
discern and no wonder EGW said you would
be in “peril”

So, if you completely miss the importance of
HWM who said

I AM - Alpha & Omega FIRST AND LAST

Fact remains Satan hates Christ and HIS
Eternal Righteousness, And from thence
= ERxF

And if that Divine Reality of Eternal R is insufficient for your thinking, you have the sealing
time of Revelation 7,
which is
now.

right?

The other option?

Be spiritually absorbed by the show of wisdom and humility
And as Isaiah has told everyone it is with the universal love
By those nice speaking 'righteous' guides
of **sorcery** = Luciferianism

= Isaiah 2,
= 2Thes2 guy
= Revelation 13
= the 8th king who is "of the seven" -

Matt 24 conveys the deception is unbelievably strong and common.

Yep - All related to the inner earth found in Rev 12:7-13

EGW rightly warned
Of being in [PERIL](#)

EGW context follows the fulfilment of Lk 21:24

“[After](#) the truth has been proclaimed as a witness to all nations, every conceivable power of evil
will be set in operation,

Every conceivable power of evil will be set in motion – appearing as light wisdom and
Righteousness - of **supernatural** developments and summarised in Rev 12.

The war of Revelation 12

The **war** of Rev 12 is the fullest expression of hostility to **Eternal Righteousness = vs 17**

A Luciferian war = **13:7** to be experienced and the details of what's going down are presented in Rev13.

Is today -your INKLING TIME?

Do you now get an clue of an idea why **Rev 14** presents the **three angels warnings** about the final 10/10 war?

The Three Angels Messages are considerable to the opposition of Christ,

And why
Christ is the Alpha & Omega

Rev 17:12-14 tells you the considerable opposition is via the 10/10 king 1g scenario

= 10 horns 3 Arian and 7 Trinitarian
The war against HWM is the continuation of the
"transgression of desolation," = Dan 8:13 = Rev 12:6

To finally emerge as

the **Abomination of Desolation** = Matt 24:15 = Rev 12:14

And yeh, the 1g faith of
of the **ten contemporary kings** = Rev 17

who join the B of Revelation 13 and

transition to the ten **crowned** kings
led by the B from the Bottomless Pit
and its war against the Lamb = Rev 17:12-14

The GRD's hostile war against its 1g faith.

What constitutes the 1g war
= The universe religion of Gnostics

and by the way

= the Law of One = singularity
it's present in any version of
the 1g
Arian and Trinitarian construct.

But then, Gd already tells you
the 7 king Scarlet B and woman are
destroyed = **Rev 17:16**

And What about it?

Well, the Arian and Trinitarian 1g
is replaced by the Luciferian religion of Rev 13 from the inner earth
And all the world worship the Dragon!

Right?

and it's all as Isaiah 2 said is energetic manifestations all via
the 3T and its oppressive law = Isa 2:3

Satan uprooted the 3 Arian kings, and finally removes the
last king of the 7 Trinitarian kings –
and what's left?

The 8th who is "of the SEVEN"

Zechariah tells us - the Ten contemporary kings

Who discarded the Scarlet woman and her city – respond just as Zecharia states

Thus saith the LORD of hosts;
In those days [it shall come to pass],

that ten men shall take hold out of all languages of the nations, even shall take hold of the skirt of him that is a Jew, saying, We will go with you: for we have heard [that] God [is] with you.

Well, the ten agree and say,
will now go with you because we have heard Gd is with you.

The 10/10 scenario is still prophetically active and in contention is the First Angels warning. So, what about the Sanctuary Doctrine and then Revelation 7 and the "Seal of God" in the sealing time of the 144?

Well, here is the thing. How does Laodicea progress from its lukewarm situation in what will be for them an alien prophetic landscape – totally unprepared and worse have not resolved the Alpha & Omega of Deadly Heresies, nor interested in its contribution to the blasphemy against HWM and His Eternal Identity.

Next discussion will be Revelation 14 and the seal of the Two Fathers to be followed by The Schematic of the Seal of God.
