

*"Watchman,
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"* Eze. 7:6 (Moffatt)

The Schematic of the Seal of God

The Bible mentions the **Seal of God** is to be a fulfilled prophecy just prior to the arrival of Jesus Christ through the blazing heavens as King of Kings and Lord of Lords.

Many in Laodicea believe that this Sealing is accomplished by way of a strict adherence to works based system and EGW is quoted from a legalistic point of view which brings into the doctrine of RxF a severe system of belief which is believed to be RxF is dictated to the human mind, that you must shape up or ship out, but the problem that is without the Seal of God.

Add to this fact that the **Investigative Judgement** concept is brought into the picture regarding "shaping-up" along with the Old Covenant belief that on the Day of Atonement, everyone was trembling.

This certainly runs contrary to [John 5:24](#), and the Final Atonement has to be seen in light of this statement of John 5, as well as the fact that believers who have already been forgiven and cleansed, and being cleansed to the uttermost in the FA, in order to have the white Robes of Christ's Everlasting Righteousness placed upon them, having nothing to fear.

In other words, you believe in Jesus, you believe that he died for your sins and **you believe that you are justified, when you accepted Jesus Christ into your heart, but is this latter statement true?**

The part of what Jesus did for you is true
but what exactly is the **context of Justification?**

The 1888 Message based on [Romans 5:8](#) that states

“while we were yet sinners Christ died for us”

And, that he died for the whole planet, and Justified everyone in the process. This understanding was based on the book of [Galatians 3:24](#) and [Romans 5:18](#).

¹⁸ So, then, as through one offence **to all men [it is] to condemnation**, so also through **one declaration of 'Righteous' [it is] to all men to justification of life;**

Mainline Laodicea still has a problem with this because in their mindset you can only be justified upon accepting Jesus Christ.

So, what does the concept of "while we were yet sinners" really imply?

Especially in relation to **2 timothy 1:9** that states

⁹ **who did save us, and did call with an holy calling, not according to our works, but according to His own purpose and grace, that was given to us in Christ Jesus, before the times of the ages,**

So, the fact is that 2 Timothy 1:9 goes well beyond Romans 5 and its exposition in the 1888 message.

Proof of this resides in its final role in Revelation 13:8

⁸ **And all that dwell on the earth shall [h]worship him, every one whose name hath not been [i]written from the foundation of the world in the book of life of the Lamb that hath been slain.**

Its importance for the last days, everything about the DoA and the Three Angels Messages - stands on the platform of **his Eternal Existence prior** to the foundation of the world.

This Eternal Existence also hinges upon the doctrinal fact of **John 1:1 in relation to the **First and Third Angel's** message.**

Back to the First Century

Back in the First Century, if you didn't have belief in the Son, you didn't have the Father, since you denied the Incarnation.

In these "last days" you won't have neither of the Two Fathers.

Why?

since with FB 2,4

you are now ascribing "Sonship"

to the Word,

who was alongside God and was God,

Yet, He became a son from the context of [John 1:14](#)

and [Romans 1:3,4](#) but not from John 1:1

which is in fact the Elohim, or Gods

of the [First and third Angel's](#) messages.

Last day deceivers like the Gnostics will say that they don't need RxF since upon experiencing the so-called mystical union between themselves and the Universe, known as

Unity Consciousness,

they will declare that they have become "Christ"

so, there will be no need of believing in Jesus Christ,

since you will also become

"Christed" or anointed by the
power of the Universe,
= false human construct.

These are the doctrines that are currently preparing the way for the end of the Christian era and the commencement of **the Luciferian age** and that is the **"why"** of the **warning of Revelation 13:8 exists and far exceeds the First and Second B of that chapter.**

The message of Revelation 13:8 you will discover

totally aligns with the **message of the Two Eternal Fathers and the conclusion of the sealing schematic = Revelation 14:1.** ([Here](#))

and One giving up his High Estate of Eternal Father # 2, by descending into this dark world and dying,
the second death.

Laodicea's Slur

The doctrine of Jesus Christ being the

"Eternal Son of God" = FB #2

is **the equivalent of a Matt 12:31 insult to Christ's Eternal Majesty prior to the Incarnation when He was according to Isaiah 9:6 = He was also an Everlasting Father #2.**

This "God the Eternal Son doctrine" = FB #4 origin is from the RCC,

is **the OMEGA OF DEADLY HERESY** as seen in
the statements of Beliefs of Laodicea
but and it is the common witness in ... **guess who?**

all churches,

And the fact is they all categorically do not know the [Seal of God](#)

**In its context of John 4:22 let alone why it involves the ABSOLUTE concept of the
First Angel warning which why Christ is as He claimed – the First and Last and
ALPHA AND OMEGA**

Which if you think about it

Concerns the Man in Linen and the LBOL of Revelation 13:8

and also guess what

there is absolutely nothing superior to
upholding Jesus Christ in actuality, because He was
also, an Eternal Absolute.

Divine Absolute = Father 2;

Just, as Eternal Father # 1
is an Absolute,
Divine Absolute.

Jesus confirmed this with
“Before Abraham “I Am”.

That our friends is an **EMPHATIC ABSOLUTE**
and indeed, the conclusion of the **Alpha and Omega**,
for He is the first and the last,
He is "absolute".

This concept aligns with [Isaiah 9:6-7](#)

**"A child is born a son is given, he shall be called Wonderful, Counsellor,
Everlasting Father and Prince of Peace.**

These are **Authentic** descriptions of **Everlasting Father # 2**,
not poetic descriptions of anyone else, like King
Hezekiah.

Notice Christ's reference to Manoah. What of it?

Since, Samson's father **Manoah**
asked the **Angel of the Lord** his name,
the Angel responded with a question,

**"Wherefore askest thou after my name,
seeing it is [a]wonderful?"?**

[Judges 13:18](#) = [Isaiah 9:6](#)

Then, Daniel referred to the “**Wonderful Numberer**” = [Palmoni](#)” in the book of **Daniel 8** = that ‘**certain saint**’ = the “[Man in Linen](#)”.

Then, there is [Michael](#) the Advocate of ancient Israel and Daniel’s [Prince](#) = a Messianic term, as told to Daniel by the Angel Gabriel.

²¹ But I will shew thee that which is noted in the scripture of truth: and there is none that holdeth with me in these things, but [Michael](#) your prince.

Summary

In summary it means that the Messiah came from “Days of old” or ancient times [prior to the foundation of the world](#) for

He was Everlasting Father # 2,

and was born as a child, and a son given to the human race

for the express purpose of God’s Kingdom presiding over planet earth as depicted in [Psalm 110:1-4](#) and [Psalm 2:7](#).

Summary 2

What has the “Absolutes” of the Godhead = Two Divines = John 1:1 to with John 5:24, = the A&O of HWM got to do with the Schematic of the Seal of God?

Well consider this –

Anything that has the faintest whiff of **Self Righteousness and includes the many variations and degrees of legalism** is not what

the Schematic of the Seal of God is about.

That, The Absolute of Eternal Righteousness in the sealing time requires the **lips of heresy** must be **cleansed** and **only then** are the Two Divines are engraved in the forefront of the forehead = SEALED.

And the purpose?

That one sealed “stands” in the war of Rev12:17 in the time of the 1290 days of the Abomination of Desolation = Matt 24:15 = Rev13.

No wonder Rev13:8-9 is of Divine Critical importance!

Laodicea’s “Mitsvah theology”

Well, furthermore,

in Laodicea they add to this a subtle pressure of falling into line or develop the ‘shape up’ way of life and guess what?

That leads one into various extremes of legalism = [mitsvah](#) and which when confronted by the truth of the ER of **2 Timothy 1:9**,

Even padres and elders all go into Cognitive Dissonance;

which means the mind turns away from the Scriptures to what seems to them, something **new** or **incredible**, but must be error, (sic)

on account of the

"conditioning process"

they underwent upon being born in Laodicea or having at some point enrolled in Laodicea's membership or taught at faculty – we have the truth.

Furthermore, what is very unfortunate, is many Protestants view Adventism in this 'mitsvah' light of extreme legalism

on account of the [Investigative Judgement](#) teaching and how it **tarnishes** [John 5:24](#). All Despite the lerve gospel that has gained massive inroads in Laodicea to be accepted as 'genuine' Christians.

But again, what is the basis of RxF

²⁴ Verily, verily, I say unto you, He that heareth my word, and believeth him that sent me, hath eternal life, and cometh not into judgment, but hath passed out of death into life.

You will recall after Glacier Conference in 1980, many at all levels abandoned and left Adventism

and it was all about the IJ and the Sanctuary Doctrine.

So, the question still stands - what does it mean

“while we were yet sinners Christ died for us”?

The first group will say, Jesus made it possible on the cross **to accept** him and be **Justified** at the point in time that we **accepted** him.

This first point is anti-thetical to the Everlasting Gospel.

You may ask why?

Look again at **2 Tim 1:9**,

⁹ who did save us, and did call with an holy calling, not according to our works, but according to His own purpose and grace, that was given to us in Christ Jesus, before the times of the ages,

according to his own purpose and
grace before times of the ages

meaning prior to the foundation of the world.

= Rev 13:8

Others will grasp something of this concept and **declare** - that justified is when Jesus died on the cross, and therefore that un-told numbers of Old Testament believers who existed prior to the cross were looking to the future, see “Hebrews 11” and millions of future Christians who were not yet born after the cross

were justified for both periods of time.

It's true that the Patriarchal sacrifices throughout the time frame of Genesis up to the construction of the Sanctuary and the building of the first and second Temples up to the year 31AD when Jesus died on the cross, all looked forward in faith as to the time when the Messiah would be born. We who live in this period of time look to the past which was 31AD.

Yet there is more to the story "stay tuned".

Some will say that the Sanctuary system was the Justification process or object lesson in the Old Testament.

Yes! it was an object lesson that he who created all things would use to "school" his people in the object lesson of RxF.

Yet, based on what?

Just as Paul said

Based on Christ,

not the bulls or goats.

The Bible tells us that the blood of Bulls and goats had no power to forgive sin. Then there is the theological explanation that is used from the book of Jude regarding Michael the Archangel

⁹ yet Michael, the chief messenger, when, with the devil contending, he was disputing about the body of Moses, did not dare to bring up an evil-speaking judgment, but said, 'The Lord rebuke thee!'

<https://www.merriam-webster.com/dictionary/rebuke>

Many conclude that it was based on RxF that the justification for Michael rebuking Satan would be based on the belief that Jesus would one day die on the cross, and that this would be sufficient' for the time frame of Moses, in order to save him from destruction.

While this is true, it is not

the ultimate reality of the subject matter.

That Michael aka Christ would need to look to the future and wait regarding his own sacrifice as being sufficient for the salvation of Moses **is an affront** to his Eternal Absolute Majesty, not because of the sacrifice, but on account of a waiting period.

God does not have to wait
for anything.

Michael **was** the Lawyer, or Advocate of ancient Israel and the major reason as to why he was able to rebuke Satan's legal claim against Moses **was based on his eternal existence**

being given up

for the salvation of Moses
and not only Moses, but for the whole planet.

No wonder the devil HAD NO ANSWERS.

Further, Both Elohim knew

that the planet would fall into the hands of Satan by way of Adam's transgression. They knew this **prior** to the foundation of the world.

So, the decision was made that **One of Them** would one day give up his eternal existence in heaven and descend and be born as a human in the form of the "uniquely begotten Son of God" on planet earth and **die** on the cross.

Once this decision was made it was a done deal because Gd doesn't lie and all things are possible with Gd and furthermore it's the eternal existence of gd that was on the balance with the possibility **failure**.

Read that again

**FURTHERMORE, IT'S THE ETERNAL EXISTENCE OF GD
THAT WAS ON THE BALANCE
WITH THE POSSIBILITY of FAILURE.**

This decision transcended **any**, and **every** event in the history of the Universe or planet earth,

and had to be the basis for the saving of Moses,
from the clutches of Satan (see book of Jude),
prior to the Incarnation.

It was based on the **Eternal Righteousness** of Christ giving up his Eternal existence = His decision in heaven and dying the death of a sinner, without having committed sin.

So - Was the **rebuke** valid?

Yes!

Because The Word = Christ, never lied.

Keep that word **liar** in mind as you read on.

Satan was a liar from the beginning and murderer of the Angels and of humans and therefore was **rebuked** for the 'mystery of Iniquity' began within himself. = Self Righteousness.

Whereas, 2 Tim 1:9 is saying

It was an **Eternally existent Righteousness**

prior to the foundation of the world,

that was slain in the moment of decision.

That is why in the [Mithraic mysteries](#) the slaughter of the Bull in the heavens is a prominent theme which was presented as Satan = Mithra getting back at Christ by metaphorically "speaking"

slaughtering him in the Heavens,

by way of the commencement of the sin problem in heaven.

Do you see now what 2 Tim 1:9 and Rev 13:8 ultimately are all about?

Even one fallen Angel told one of Job's friends that the Heavens were not pure in the sight of God.

Whereas the flipside of this is what is revealed in **Revelation 12**.

⁷ And there was war in heaven: **Michael** and his angels *going forth* to **war** with the dragon; and the dragon **warred** and his angels; ⁸ and they prevailed not, neither was their place found any more **in heaven**.

⁹ And the great dragon was cast down, the old serpent, he that is called the Devil and Satan, the deceiver of the whole ^[b]world; he was cast down to the earth, and his angels were cast down with him.

It was proven in heaven that Satan was a **liar**, a **thief** and a **murderer** from the very beginning. Jesus said it.

Michael upon getting ready to resurrect Moses encountered the **liar**, **thief** and **murderer**. It was Michael aka

Christ,

that by way of what Paul wrote in **2 Timothy 1:9**
was able to **rebuke** the thief, murderer and Liar in reference to Moses.

YES! Eternal Righteousness gave him the authority to do so.

Now notice the role that John 5:24 plays, in Revelation 12

Which was what?

No Investigative Judgement after Satan was cast down.

The saints are cleansed = forgiven by the blood of the Lamb = Passing from death unto life = John 5:24 in the daily services,

And

in the Yearly services = **cleansed** in the Final Atonement Sanctuary services metaphor of Bull and goat as a sin offerings

as well as, the **Azazel** responsibility factor.

The blood of a **Bull** for the **Household** of the High Priest = the Heavens
the **Goat** for the **corporate Tabernacle** of the Congregation

But later in the yearly there is the **blending** of the blood of the Bull and Goat for the families of God in the heavens, God's Congregation = people on earth, and the individual at the Altar in the Court.

All of these = the House of God.

Revelation 12

[C] Now is come the salvation, and the power, and the kingdom of our God, and the authority of his Christ: for the accuser of our brethren is cast down, who accuseth them before our God day and night.

¹¹ And they overcame him because of the blood of the Lamb, and **because** of the word of **their testimony**; and **they loved not their life even unto death**.

¹² Therefore rejoice, O heavens, and ye that **[d]** dwell in them. Woe for the earth and for the sea: because the devil is gone down unto you, having great wrath, knowing that he hath but a short time.

How did the saints overcome

1. because of their Testimony
2. They loved not their lives unto death.

In Revelation 12

The Investigative Judgement is not even mentioned or alluded to. Right?

This is why it is **so important** to understand why Jesus Christ was the "**Root of David**" as depicted in **Revelation 5**.

He was also the root of Moses and was **prior** to Lucifer, He was the root of Lucifer as in his Creator.

That is why when Jesus was tempted by Satan, he told Satan "**thou shalt not tempt the Lord thy God**."

Everyone who reads this might recall that Satan wanted to usurp the role of God by wanting to be "**like the Most High**".

Yet, the role that Michael had in heaven as the advocate of ancient Israel as well as being the arbiter of the Resurrection as seen in Daniel 12:1, along with his role as the Captain of the Lord's host

with the New Testament proving this by way of the following **Rev12** phrase "**Michael and his Angel's**" = Captain of the Lord's armies

as seen in Joshua [5:13-14](#)

Revelation 12

⁷ And there was war in heaven: **Michael and his angels going forth to war with the dragon;** and the dragon warred and his angels; ⁸ and they prevailed not, neither was their place found any more in heaven.

Joshua 5

¹³ And it cometh to pass in Joshua's being by Jericho, that he lifteth up his eyes, and looketh, and lo, one standing over-against him, and his drawn sword in his hand, and Joshua goeth unto him, and saith to him, '**Art thou for us or for our adversaries?**'

¹⁴ And He saith, 'No, for I **[am] Prince of Jehovah's host;** now I have come;' and Joshua falleth on his face to the earth, and doth obeisance, and saith to Him, '**What is my Lord speaking unto His servant?**'

Here again we see the Messianic term "**Prince**" which in the Orthodox Hebrew translation is "Sar" = Prince

The Eternal Righteousness of Christ as depicted in **2 Timothy 1:9** is clear and nothing can be added to such Eternal Perfection

which is mind boggling to say the least

since it was **prior** to the Foundation of the world

and is **devoid** of any human help. = Self R.

Whereas RxF,

When seen from the vantage point of Hebrews 11 is fine, **but lacks the fire power needed to 'survive' as unsealed** in these last days of deceptions regarding particularly

the **Alpha and Omega of Deadly heresies** which Satan has perfected and will be encountered by Gd's people in some form or another.

So, what about RxF?

Well, here's the thing,

It is not totally free from Laodicea's 'shape up or ship out' program, but at least defines a Righteousness according to Jesus Christ perfect sacrifice.

But with Laodicea and others something else takes place which brings into the picture the book of James that Faith without works is dead.

Behind the scenes there crouches the concept of Laodicea's **Mitsvah**.

This is a certain brand of wine = teaching that comes into play at the very end of the age and totally aligns with the teaching of James that faith without works is **useless**.

This is the reason why EGW stated that the 3rd Angel's message is RxF in verity.

The problem is that the deception of **Satan actually goes beyond RxF and** extends with many intrusions of doctrine of God when it comes to the First Angels warning and into the realm of Eternal Righteousness which is why Satan wanted to be like the Most High. Isa 14

Yes, and bares repeating – Anything that blurs or insults Christ's Eternal Identity whether you believe it or not extends into the realm of Eternal Righteousness.

This is the heart of the future attack

in reference to the First and Third Angel and **most people have not been able** to trace it from the time frame of the

Great Red Dragon of Revelation 12 and its **10 horns** as also depicted in

Revelation 13 and 17. [here](#)

As well as the reasons as to why the **Man Child** was snatched to heaven as well as the reason for the **empty coffer** exists in the Great Pyramid being empty in the Kings chamber.

Eternal Righteousness is the Root of Righteousness by Faith

One cannot add anything to **Revelation 13:8** or **2 Timothy 1:9** we simply didn't exist, and even if we did, that's an **impossible task** for humans to replicate.

Here is where the Laodicean mindset prevails and annuls the Sanctuary Doctrine -how? Since something has to be done to shape up.

While

it is true,

that one has to abstain from sin and sinning and that there is a struggle with the flesh and the world in general, our salvation is **not based** upon ourselves to resolve with our own power.

Examples of ERxF

Our best examples are from those sinners in the Old Testament that presented a perfect Testimony.

Case in point **Rahab** a prostitute who presented [a perfect testimony](#).

In the New Testament **Mary Magdalene**, then there is the **woman** who called herself a Dog and told Jesus that the Dogs also eat from the Master's table.

Jesus' response was hilarious in a way. It was like saying Oh woman get out of here, your faith is perfect. She lowered herself to Jesus and did what the Pharisees would never have done and her daughter was healed.

Read [Matt 15:22-28](#)

Then probably the **greatest** case of ERxF was the **Roman Centurion** under orders. A rough man. He didn't need to be around and simply told Jesus, "You give the order so my servant will be healed". He didn't

even want to be around when Jesus performed the miracle, but it was performed on his behalf, a soldier a rough man, a sinner.

Jesus stated that he [had not seen faith like the faith](#) of that **Centurion in all of Israel**.

Read [Luke 7:1-10](#)

These individuals were seen as sinners to the legalistic leadership of ancient Israel with the concept of Mitsvah being highly esteemed.

Nothing has changed.

Yet Jesus statement in reference to the Roman Centurion's faith in contrast to that of the religious leadership should be a **wakeup call** to all who live at the end of the age.

A DEEPER MATTER

But is there a **deeper matter** which is revealed in the book of **Job**.

Whereas in the book of **Job**,

Job presented a [perfect testimony](#), just like those you just read about in the New Testament.

Satan took note and attacked Job and converted him into a sinner, since Job kept insisting that he was innocent and wanted an audience before God to state his case.

Here is the point in time when

the Devil was laughing and even presented a dream to one of Job's friends or a supernatural encounter. Asking shall a man be just before God? The heavens are not pure in his sight neither are his Angels who committed folly and much less in men who live in houses of mud.

Read [Job 4:15-19](#)

This is all true.

Whereas in the next part of the story,

Job has an encounter with God and God challenges Job by asking him questions as to see if he = Job, can do this or that or create this and that?

Job fails miserably, and arrives at the conclusion that he could not do or perform what HWM

required of him

and therefore, he came to understand

what **True Eternal Righteousness** entails

and realized that he had to **repent** when the blinders were taken from his righteous eyes.

He saw himself in the true light as a sinner that needed to repent.

Whereas the present Mitzvah advocates (they are everywhere in and out of Laodicea) all see

Job as a 'righteous' man

and he truly was on account of what Gd stated regarding his observance of the life of Job.

Just let that sink in for a minute.

Was Job Righteous because he did nothing wrong? Well?

Yet with all this, **Job could not match the Eternal Righteousness** of the God in the whirlwind.

Job's Testimony

It was a factual declaration from Gd and it didn't make Satan happy. That is called a Perfect Testimony **but not Eternal Righteousness**.

The Young man close to the end

of the narrative told Job that he was talking **foolishness**.

So, are many today.

So, in summary

Are you beginning to see the importance of the “**Absolutes**” of the

The **Two Fathers** of Rev14:1 [here](#)

= The Two Divines = **John 1:1**

Are you beginning to be able to deal with the importance of **John 5:24**, & 2 **Tim 1:9** and therefore, how the Two Father’s validates the absolute fact why Christ would claim to be the **A&O** and also why it has a totality when it comes to the seal of God and the Schematic of the Seal of God?

That the ABSOLUTES of the Two Father’s are the First and Third Angels message in verity

And do not include and can **never** include
the Alpha & Omega of Deadly Heresies!

Right?

Satan was a liar and murderer, from beginning

so, what does that FACT mean when **you HAVE UNCLEAN lips and speak with guile** when it comes to the testimony of Jesus?

Can you be sealed in the sealing time with unclean lips = unclean testimony of HWM?

God said - The 144 have **no guile** in their mouths.

Right?

So, what then was cleansed on the DoA the ministration of the FA?

ANSWER

Their mouths,

And then what? then comes the seal of Gd of Ezek9 = Zech 3.

RIGHT?

Are you beginning to be sensing now that without **ER** that Job experienced through much hardship and even though Gd said he was Righteous who eschewed evil

Because there was a **deeper matter**,

and that deeper matter

has nothing to do with Laodicea mitsvahs or any version of extreme or soft legalism and this now involves the lerve gospel,

and therefore,

there can be no **seal of Gd** for those with lying lips about the A&O

in the sealing time of **Rev7** = **Ezek 9**.

The 144 are **not liars** when it comes to the doctrine of Gd and First Angels warning.

No wonder it's called the

Alpha & Omega of Deadly Heresies.

If you feel it's being a bit heavy handed, and Laodicea even to be also called liars by God = naked - when it comes to the A&O = FB #2,4?

Well?

Any examples?

Do you recall what Jesus said to Peter?

said unto Peter, Get thee behind me, Satan: thou art an offence unto me: for thou savourest not the things that be of God, but those that be of men.

“For thou savourest not the things that be of God,

= (Fathers 1 and 2 and ER)

“but those of men”

= (Alpha & Omega of Deadly Heresies)

You better begin to realise,

like today, what you truly believe about the First Angels warning and the seal of God in the sealing time and what are without question the consequential which is that “perilous times” forming.

Elsewise, what's left?

Sleepiness, indifference, and all the while have lips that are parroting lies against the Absolute Eternal Reality of Everlasting Father #2

of **Isaiah 9:6 and John 1:1**.

But then, why did EGW explain the context of the timeframe of the sealing time of the 144 = **REV7** and specifically designates to Laodicea

“in the closing work for the church (Laodicea) in the sealing time of the 144”.

Why would EGW focus the “seal of Gd” was In respect to Laodicea in the “closing work for the Church in the sealing time of 144” = Rev7 = Rev14:1?

The call of the closing work does not arise from within Laodicea when they see nothing wrong with FB 2,4.

Was the falling away of being accused of being a cult – was it because of a poor grasp of John **4:22** and **Dan 8:14** = the uniqueness of **the 6th Feast**

And notwithstanding the sacred trust of Sanctuary Doctrine, given to Laodicea, yet despised by Evangelicals who described it as a “face saving device” = mumbo-jumbo and was “flat stale and unprofitable”

and then what happened?

Laodicea lost their way and justifying their error of the IJ and then by 1980 – FB 2,4 were officially declared ‘truth’ in the 27FBs and what happened? The prophecy of Luke 21:24 saw the close of the times of the nations.

But then since 1980 the GC, faculty, padres and elders officially affirm the insult of HWM with FB’s 2,4; = Alpha & Omega of Deadly Heresies;

yet, Laodicea never recognised they were the flip sides of the Kellogg heresy of pantheism that Egw warned?

What was it all worth? –

well, HWM explained the ultimate condition

"because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth. Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked:

Laodicea today, naked = not clothed in the Eternal Righteousness of HWM and even though Laodicea are fully focused on the love gospel just as are the RCC and all the other daughters of Mystery B who bare the common witness of the BEM 1g.

But then, what about it?

Laodicea presents the First Angels warning in the purple woman's version of the GDHD = the Alpha & Omega of Deadly Heresies

no wonder EGW said it would be "received" and would be "startling"

and there you have it – Laodicea is spiritually

"parallaxed" by the Great Red Dragon of Rev12.

To be continued
