what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"* Eze. 7:6 (Moffatt)

Revelation 7

The Seal of God “in the sealing time of the 144”

“Awful is his work, fearful is his mission.”

Adjuncts of the Seal of God

Much in respect to Revelation 7 is poorly perceived for the fact is, Ezekiel 9 = last ministration of the seal of God. But what is to be noted, there are many discoveries by 5Agendas about Eternal Righteousness (ER) and the seal of Gd of Rev 7 these are summarised as “Adjuncts to Rev7.”

But then why would Egw say the seal of Gd in the sealing time with its bearing to the DoA was focused in its fullest respect to Laodicea?

Why did Egw say “the closing work **for** (not of or by, but for) the church, in the sealing time of the 144?

Why did Egw set forth Rev7 in relation to the sealing time of 144 and Laodicea? = [3T266-7](#)

And then, why would Egw describe the “Third Angel” –

Fearful is his work, Awful is his mission? [EW 118](#)

Was the reason why Egw ‘trembled’ was because the **Alpha & Omega of Deadly Heresies** would be “received” and WAS THIS A HUGE ATTEMPT by Satan in the sealing time of the 144 to be completely ineffective?

OK, What does the **A&O** of Christ have to do in the sealing time as is distinct to the fact there is such a thing as being **sealed** in Revelation 7?

The fact is the **AODH** is contrary to the First Angel warning and since it is not resolved by Laodicea, what exactly does that mean for the laity?

Fearful is his work, Awful is his mission’ - which is to what?

- Separate **wheat** from tares. = Matt 13:25-30.

Concerning the sealing time

“These things should engross the whole mind, the whole attention.”?

So, can anyone suggest why do you have today the massive emphasis of the love gospel in Laodicea? Why is there the distinct focus on humility and the love?

Answer

Well, consider what is highly pertinent and appropriate, to Rev 7 which is how Paul relates to the purpose of the sealing time of the 144 which is set out in 2The2:10.

[Even him], whose coming is after the working of Satan with all power and signs and lying wonders,

2:10 And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.

Everyone in Laodicea will respond - We are the remnant church, we have the truth.

OK. Good.

And yet how do you explain before Gd that your 27FBs = the central the chief doctrines of the RCC and that's one thing and why do Laodiceans not realise this fact annuls that comment – we have the truth?

But then does Gd wish you to have no idea the deception of the AODH of FB 2,4 exists and THEN WHAT?

Well God said -there's a final sifting – the **wheat** from the **tares**
In the sealing time, of 144.

The kingdom of heaven is likened unto a man which sowed good seed in his field:

13:25 But while men slept, his enemy came and sowed tares among the wheat, and went his way.

13:26 But when the blade was sprung up, and brought forth fruit, then appeared the tares also.

13:27 So the servants of the householder came and said unto him, Sir, didst not thou sow good seed in thy field? from whence then hath it tares?

13:28 He said unto them, An enemy hath done this. The servants said unto him, Wilt thou then that we go and gather them up?

13:29 But he said, Nay; lest while ye gather up the tares, ye root up also the wheat with them.

13:30 Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into my barn.

"Fearful is his work. Awful is his mission. He is the angel that is to **select the wheat from the tares, and seal**, or bind, the wheat for the heavenly garner. These things should engross the whole mind, the whole attention." [EW118](#)

So, sowing tares amongst the **wheat** as it turns out is the **AODH**.

And it can be concluded the awful work of the First Angel and fearful is his mission – which should do what? **engross your whole**

attention – in the sealing time?

Seems to be very plain clear language. But who today believes that?
So much for staying with the ship, the ship is going through?
Right?

The sealing time?

How long does this last?

Rev7:1-3

I saw four angels standing on the four corners of the earth, holding the four winds of the earth, that the wind should not blow on the earth, nor on the sea, nor on any tree.

7:2 And I saw another angel ascending from the east, having the seal of the living God: and he cried with a loud voice to the four angels, to whom it was given to hurt the earth and the sea,

7:3 Saying, Hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads.

What prophetic event tells you the sealing time has closed?

Answer

Fully ended by the time of **The fifth trumpet** of the first woe.

Rev9:4-6

When did the sealing time of 144 commence?

Answer – After the 'kairoi - times of the nations closed = Lk 21:24 = 1980. This correlates with the Christs closing ministration as GHP on the FA which is for the individual in the Court. cf Lev 16 and Ezek 9:4. What also occurred will be noted shortly.

Why is Laodicea the focus of Egw's counsel?

Answer

Laodicea was given a "[sacred trust](#)" - the unique Sanctuary Doctrine = Dan 8:14, = John 4:22.

Fact is today is the last generation, the Sabbath is not a unique doctrine see [here](#)

While it is not so stated in Rev7 or Rev14:1, or even Ezek 9:4,

the fact is Dan 8:14 = the Sanctuary Doctrine, captures the fullest sense of John 4:22, and Ezek 9,

and confirms the uniqueness of the **cleansing** of the Heavenly Sanctuary on the DoA and why the focus is now in the last ministration for **individuals**.

The sealing time commencement is relevant to what Egw said in the Tasmanian Camp meeting of 1896.

“My mind was carried to the future, when the **signal** will be given. Go ye out ... ” [Here](#)

What signal? Out of what?

Why is that relevant to the sealing time of the 144?

ANSWER

The fulfilment of Luke 21:24.

What happens if you ignore the signal and remain lukewarm, the condition of Laodicea?

HWM said that condition was **miserable poor blind and naked**.

Does that sound like tares?

But again, is the sealing time really about the First Angels warning and the AODH that Egw trembled?

Answer

Has to be.

Actually, God has set it all out in Rev 13 that ER of Christ is entirely related to the seal of God and the Testimony of HWM.

The ER of Christ = and Rev13:8 and John 1:1 and 2Tim1:9 establishes His Eternal Righteousness. And why He is the Alpha.

Otherwise Rev13:8 is a nonsensical in respect to the First and Second Beasts of that very chapter.

When the **ER** of Christ (who is the **Alpha & Omega** = Rev 22:13,16) is placed into all serious considerations (= the whole attention) with the very the First Angels warning, and then compared with

Rev 14:1 = those cleansed, and sealed,

in the sealing time,

you begin to get the answers why Egw was extremely concerned the Omega of DHs would be received, to the point, she trembled.

What really did Laodicea lose out on?

HWM said Laodicea is spued. Rev3:16

Was it that the 'seal of God' in the sealing time, was entirely related to the **ER of Christ** and the FA and remains entirely fused to the First Angel's warning which is about the GDHD?

First Angel, should engross the whole mind and attention?

How does Heaven summarise the rejection that Christ was not also an Eternal God – but the Eternal Son FB #4 or the Trinity FB #2?

Answer

Matt 12:31 is the only answer and Laodicea corporate body on behalf of the laity, committed the **unpardonable** sin

by insulting HWM.

How?

with **FBs 2,4** and denying the First Angel. [Here](#)

But then - Can Gd seal anyone in unrighteousness = AODH. = sealed in unrighteousness?
Absolutely not. Awful is his work, fearful is his mission?

Right?

The signal.

That in [1896](#) at the Tasmanian camp meeting was the strange out of context statement
"My mind was carried to the future when the signal would be given".

The commencement of the sealing time of the 144 was the prophetic event central to
Luke 21:24.

No one can say Laodicea was never alerted.

They were.

[here](#) & [here](#)

Was this why EGW she said FOR FREQUENT APPEARANCE - study Luke chapter 21? When
that event transpired in respect to the times of the nations this was the signal led to the
very end times, that the kairoi = probationary times of the nations had closed,

and from the Heavenly Sanctuary perspective

of the FA included the sealing time of Rev7

and 144?

Right?

Here it is, Egw said

- study [Luke 21](#) and
- read the [ninth chapter of Ezekiel](#).

Those familiar with the typology of the Sanctuary Service know there are three ministrations on the DoA with the **first** commencing in the (**MHP**) **followed** by the second in the (**HP**) was for the nations and corporate churches, and last ministration (**Court**) a ministration for the individual = Ezek 9 and Rev7.

And the Court is where?

Answer

The earth, not the MHP or the HP.

Laodicea has remained in theological turmoil over Dan 8:14 with the cleansing of the Sanctuary and the IJ. Glacier View Committee is the classic example of case in point.

But the **unthinkable** occurred at the GC session of **1980** and the **27FBs, with FB 2,4 = the central doctrine of the RCC.**

In the meantime, Laodicea has achieved a pretty good "patch-up-job" to allay all 'fears' concerns of the rank-and-file, and there is no question elders and padres are in lockstep with the central doctrine of the RCC and God the Eternal Son FB #4 = **Omega of heresies.**

The patch-up is leveraged with the lerve gospel as the primary objective of outreach and internal doctrinal harmony and this is very effective to restrain the laity from leaving or doubting the elders or padre. But regardless, The same lerve gospel is given by all the other churches who advance the Triune GDHD and God the Eternal Son FB #4.

Just prior to the 27FBs in 1980,

Laodicea, were embarrassed continually by Evangelical leadership since the 1950s, who said the IJ was mumbo-jumbo and so the conclusion was Laodicea was a "cult" [here](#) and Laodicea were not real Christians,

because Evangelicals said Laodicea lost their way with the error of Dan 8:14 = the IJ. They conclude the IJ was a "colossal face-saving phenomenon" to quote Dr Barnhouse. [here](#)

While the IJ is false construct because of John 5:24

– the Sanctuary Doctrine is not.

Why?

For the simple reason - **Jn 4:22 exists.**

But then, at the time of the fulfilment of Lk 21:24 –
what did Laodicea do?

Oh, yes, it was the very same year, even to the month in 1980, when the GC voted in **FB's 2,4 = Alpha & Omega of Deadly Heresies.**

The Conf called a special meeting at Glacier, over the Sanctuary Doctrine and Dan 8:14 and the answer to the predicament, they defrocked Dr Ford.

Lancing the theological wound so to speak.

Why?

To be **spiritual chums** of the other fallen churches – 'Hey, look at us we are real loving Christians!' which is what

serve gospel is all about;

but then an amazing **supernatural event** occurred in 1980,
when the 27FBs becoming official doctrine and FB 2,4

WHICH IS THE "central doctrine" of the LH. Became official doctrine
FB 2,4. What more evidence do you require?

Look [Here](#)

Anyone care to respond?

There was no Greater spiritual mischief and Laodicea betrayed her sacred trust.

Everyone in Laodicea waved the AODH thru as 'kosher orthodox' doctrine, regardless as to whether the RCC = purple woman was the originating author and that woman is utterly abhorrent to God. But of course, not to Laodicea. Right?

Its Baal worship revisited.

There is no wriggle room.

Then began the shaking. But worse many who separated from Laodicea either maintained FB #2 = Trinity, while others set their hearts against that with the **Arian** version = Gd had a Son who emanated, or was born in eternity,

which is the flip side of the coin of the Trinity = FB #2 and in the process astonishingly these ministries idolise God the Eternal Son = FB #4. And do not have a Mary Lou, Clue.

But regardless of the AODHs is ever to be of any concern (right?) it is reasoned - Laodicea likes to remind everyone –

Hey, guys, we just don't mess with the 4th Commandment. (Right?)

The tragedy is the **Omega of deadly heresies** exists in Laodicea and is exhorted from the pulpits from lips of clay to this very day. But few to this day even perceive how deadly is the AODHs –

ESPECIALLY IN THE closing work for the church in the SEALING TIME OF THE 144.

COMMENT

So how does Gd **seal** anyone in heresy, when Gds people are to be the "pillar and ground of truth?" Yet preach the Omega of deadly heresies.

Right?

The main doctrine of the scarlet woman surely has no basis for the seal of Gd. Otherwise she was wrongly judged. Right?

Laodicea acknowledged the **RCC** viewpoint of the doctrine of God which is **the central doctrine of catholic faith** [here](#)

= FB #2, & 4

and so,

Laodicea have never looked back,

Let alone realised they **insulted** HWM in the process and so,

Laodicea progressed to the point of **miserable poor blind and naked** and today, even though they claim to be joyful with an ever-growing church family are infatuated with the lerve gospel. But in the process have annulled the First Angels warning

All because of what?

Yep, the **AODHs** was **never resolved to this day by Laodicea**

and guess what is installed? This insidious heresy has eased the way for the spiritual calamity of **Isaiah 2** and Laodiceans will bow to the **Law of One**. Why? Laodicea say there is one Gd = FB 2 and there will be no trouble accepting the all-prevailing UC because they are spiritual chums.

“Fearful is his work, awful is his mission”?

The sealing time of the 144?

John 4:22 and First Angels warning?

John 4:22 is saying **Protestant** churches are **not** the ‘remnant of the woman’s seed’ due to the anti-typical fulfilment

of the **6th Feast.**

Why?

HWM said - **Salvation is of the Jews.**

And it is so easy to realise,

when you see the real issues of John 4:22

the theological **bunfight** the Evangelicals had and still have with Laodicea. And no one is the wiser.

But - The matter of the First Angels warning

= Godhead of John 1:1

= Rev7, the seal of Gd

are CRITICAL **adjuncts** in the sealing time,

because of John 4:22,

and what is important is a

basic understanding of the **6th feast.**

And Regarding the 6th feast ...

Protestants who say they believe
the **4 Spring feasts** as a shadow
and have their antitypical **fulfillment**;

then to have that belief harmonising,

with John 4:22

its hypocritical to believe the
last **3 Fall feasts**,
are not a shadow fulfilment,
as well.

Right?

And,

if they don't, only proves the Evangelical
do not conform to the dictum Jesus stated
in John 4:22.

Right?

Now notice something else.

Why does Jn 4:22 = the seal of Gd in sealing time of 144 = Rev7?

Laodicea holds a very special connection when it came to end time events.

How?

Laodicea were "BORN" from prophecy, (Dan 8:14),

and this answers the question stupid Evangelicals have with Laodicea, actually it is the
high level of ignorant of the 'sacred trust'

Laodicea was given = **born from prophecy** and given much light

and the uniqueness of Adventism is John 4:22 = the Sanctuary Doctrine and yet,
Evangelical Baptists forget why they existed **prior** to Laodicea.

No denying they had light.

God said Prov 4:18 rules.

Fact is **Evangelicals** emerged from
theological

Protest

and

not from the

antitypical DOA = **6th Feast.**

This is essential to be understood, or

HWM in John 4:22, is lying.

Protestants and Evangelicals need to be informed regarding all their attacks against
Laodicea are out of Biblical context

in light of

John 4:22 and

the **sixth feast** = **DoA.**

Even Laodicea needs to be reminded.

But guess what?

The attacks by the Evangelicals on Laodicea were centred on EGW.

Well, Stupid is, as stupid does.

For those queasy, piqued, displeased, bothered, hurt, peeved at that comment
Would you care to explain

Jeremiah 5

5:20 Declare this in the house of Jacob, and publish it in Judah, saying,

5:21 Hear now this, O foolish people, and without understanding; which have eyes, and see not; which have ears, and hear not:

Then explain why the **Greek** for foolish = the ten virgins = [moron](#)

Then explain why the **foolish virgins** = morons?

The Ten Virgins get one last opportunity to respond at Midnight. It's in the context of Rev17:16-18 and the fall, destruction of the RCC. And then the morons have to deal with their **spiritual HANGOVER** which is nothing other than sipping from the golden cup **the wine of Babylon** and drank deeply the **Omega** of **deadly heresies**.

Jer 51:7 = Revelation 14:8.

And mind you, Rev14:8 follows immediately after the First Angels warning which is all about the **AODH**.

Not the Sabbath.

And the only antidote to moronic stupidity is to grasp why Christ said

[I Am Alpha & Omega](#) = Rev 22:13,16 and why He appears specifically associated with **ER** in Rev13:8.

Rev13:8 = LSFOTW = **ER** of HWM

But wait, there's more.

Verse 9 is in context of the **First and Second B's** of the 1290 days of Rev 13 and HWM sets out the last appeal, to who?

ANSWER

⁹ If any man have an ear, let him hear.

Any man. Laodicea no longer the focus.

That is an "experiential relationship" of **listening** to God.

Right?

Got that sorted?

Ok, moving on.

God said Daniel 8:14
was centred on the 6th feast,
not EGW.

Hiram Edson's [vision](#) in the cornfield was valid, even though it couldn't be properly explained back then. Meaning the Holy Place ministration = the 'corporate agenda' and then the movement is to the

6th feast

antitypical

Day of Atonement,

which can now be properly explained and articulated, without EGW.

This doctrine was the major failing of Glacier View's Committee whose inquisitorial response to Dr Ford failed Laodicea in many ways. Astonishingly, the Committee guide was the 27FBs (not the Bible) and to make matters worse they defrocked Ford, and why?

Well, it's plain,
it was
all because Laodicea could not articulate **John 4:22**
in light of Dan 8:14,
and still cannot.

Why?

FBs 2,4 is the fruitage of contradiction of the First Angel warning
and its coupled with a subtle denial of John 4:22,
the Sanctuary Doctrine.
Regardless, of what they all say even today.

The other complication that makes matters actually far worse, was Ford also was given
to the belief of the Triune Godhead FB and includes God the Eternal Son FB #4.

Keep in mind, Laodicea still have not resolved **Dan 8:13**.

Seems they had an opportunity at Glacier.
Fumbled the ball, rest is history.

But then, as it is, here is the other side of the coin,

Protestants defend **Japhet** as a nation, apart from the religious destiny matter, saying
that they have a right to defend their heritage from Abraham.

God counters with **Genesis 9:27** = the event of [1948](#) and that wasn't a restoration. As to
[maps](#) of the land space, even that is no longer valid after the **70 weeks** of Dan 9, and
also
with what Jesus proclaimed

in **Matthew 23:38** –
about the House.

And guess what that means in respect to Revelation 7?

Well, the only conclusion is that Rev7 is **not** about
the literal ethnicity of 12 tribes.

Otherwise, HWM is lying again in Matt 23:38.

Paul confirmed with [Galatians 3:28-29](#).

And 1 Cor 15:50 - **flesh and blood does not inherit** what?

1952

The [1952 Bible Conference](#) – is worth mentioning. Laodicea were alerted to events of **1948** and wrote up some information to keep an eye on and then promptly went back to sleep.

Why?

Laodicea ignored the counsel of Egw in CWE p24.

She said – “Study Luke chapter 21.

God was gracious.

How?

Laodicea was warned in [the 2nd SSQ](#) of 1980 the fulfilment of Lk21.

Today, 2025 Laodicea talk and preach the modern sayings using the euphemisms like **‘church family’** the **‘love of Gd’** and **humility**.

But what about the Third Angel *“Awful is his work, fearful is his mission?”*

Today, there is very strong lerve emphasis and all who believe in Jesus are church family. This lerve is very subtle because it is the very early manifestation of the 8th king's intrigue and it's to be noted that in **Rev12, & 13 = Isaiah 2** and the Lucy fear era of Unity Consciousness.

The Law of One. Rev13 is the Lucy Fear Age.

Paul told Timothy

The church of Jesus Christ is the **pillar and ground of the truth.**

1 Tim 3:15 and then as you may well know, by now

Laodicea insist the 144 are the Great Multitude of Rev7 even those who stand on Mount Sion by way of the TT = FB 2 and God the Eternal Son FB#4.

Well that as you can realise is an impossibility.

The great multitude existence is based on the Gospel of the Kingdom and RxF. Whereas, God sets out the specifics of the seal of Gd = Ezek 9:4 = Rev3:12 = Rev14:1 etc.

If not, sealed in the sealing time, then what's left?

Answer

Rev20:4.

The seal of God = Ezek 9 presents what seems to be an inconceivable scenario as described in 3T266-267 in reference to the 144, and then, they are the teachers of **ER** = the dew that distils as rain, since they received

the Seal of God = ER.

They have the genuine A&O **testimony** of **Jesus** and it is mindful to note, everyone knows the Book of Revelation opens and closes with the picture of HWM = who states He is the **A&O** and that is especially poignant in the entire context of Revelation 12,13, and Three Angels Messages of Rev14.

The Great Multitude, defined in Revelation 20:4 and clearly states what seems to be an error, they pay with their lives and be beh'ded. They don't lose Heaven; it's that they were **not** sealed in the sealing time and are not the 144.

⁴ And I saw thrones, and they sat upon them, and judgment was given unto them: **and I saw** the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years.

²¹ For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be.

²² And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.

For those in disbelief, review the last portion of Rev 12:17. Then keep in mind - The Sabbath **is not and cannot be** the Seal of God.

The seal of God, = includes the name of the Two Fathers and is described in the discussion of [Rev14:1](#)

and is furthermore, it's Divinely Authorized

in Rev3:12.

¹² Him that overcometh will I make a pillar in the temple of my God, and he shall go no more out: and I will write upon him the name of my God, and the name of the city of my God, which is new Jerusalem, which cometh down out of heaven from my God: and I will write upon him my new name.

The work of the First and 3rd Angel is to what?

separates the **wheat** from the **Tares** and

"fearful is his work, awful is his mission"

Are you hanging out with tares?

Actually, here is what Egw said

I then saw the third angel. Said my accompanying angel, "**Fearful is his work. Awful is his mission.** He is the angel that is to select the wheat from the tares, **and seal**, or bind, the wheat for the heavenly garner. These things should engross the whole mind, the whole attention." [EW 118](#)

Who of you are to say the above is not Ezekiel 9?

Why has it not engrossed the whole mind and WHOLE ATTENTION?

To be ignorant is to be literally **wretched, poor blind and naked.**

This is the present predicament of Laodicea as stated by Gd

and Laodicea has a massive problem of Laodicea with and FB 2,4 doctrine of the **purple lady**,

and

With their love emphasis and not to realise Laodicea by FBs 2,4 are **insulting** Jesus Christ whose orders for the awake in the church = go ye out to a meeting of Him,

which in context is in days

of the sealing time of the 144.

If not, explain why Egw said

"Fearful is his work. Awful is his mission." 3T 266-267.

Many respond with this love response – 'we are all sinners from Adam to the present time blah blah,' trying to justify the Lerve Gospel.

Fact is by the time the events of **Rev 13** commence, those who advance the lerve join the chorus of unity consciousness, won't have a moral leg to stand on. Why? Because the Lerve gospel = UC.

Then, there are those who experienced an 'euphoric awareness' of a euphoric spiritual force of righteousness, after a season of prayer and fasting etc. Yes, this has a form of exalting Jesus, but doesn't do what

he tells those in Laodicea his church to do at the end.

Come out of her my people.

Revelation 7

- The correct understanding of the words for "**one**". Echad and Yachid and their relation to the Shema as well as to Genesis statement of the man and woman being one= Echad. As well as the understanding of the word Yachid in relation to Abraham's only literal son of the promise. Isaac.
- How Jesus used **Mark 12** to explain the statement that God is "one" when the teacher brought up the subject. - It is said to be "*energetic*" but it must be kept in mind that all things were created through him = Christ and for him, and that would include the energetic **void**.
- The discovery of Jupiter Dolichenus as the god of forces and fortresses and the link between this nature god and the tents of Mauzim = energetic forces of nature = Universe religion of emanationism **as presented** in the RCC whose Eternal Son teaching is based on Universe religion, which carries over into the last days of earth history from Neo Platonism into the K book and finally the cube religion of Saturn in relation to Psalm 83. The V city has always carried the seeds of Luciferianism.

Comment

A lot would agree = Vaticanus = hill of divination and witchcraft

A lot would disagree. They erroneously believe that Peter is the Rock. Jesus is the Rock which is synonymous with the Chief Cornerstone that holds the whole structure together.

The **scarlet woman** always had the Lucy fear seeds. = MBMOHs.

Yes, from the time of Constantine.

The great red dragon is seed (tares) sower. = Appears to be in conjunction with **Sol Invictus**

https://en.wikipedia.org/wiki/Sol_Invictus

Sol Invictus was **Mithras**.

Read Invictus as Epithet.

The whole system of **emanations from the void Universe** relates to Satan's fall from the void.

Here is a feature discovered by 5Agendas that is missing from the occult theological system, which originally was an Anthropomorphic fall of Satan and his Angels and was later converted into the descent of souls = Eternal Sons from the Void Universe.

The **seducing Lucy fear seeds** of MBTG are the doctrine of Eternal generation **and** the Eternal Son doctrine.

Later Laodicea played the harlot, of her doctrinal mother and made those Lucy fear seeds their official doctrine.

How?

With Acceptance of the Lucy fear seeds = FB 2,4

All the while, wanting to be the same as the daughters of harlotry but that was not her original heritage Laodicea was born into.

Laodicea heritage was never = A&O of DHs.

but it is now.

The RCC was never the mother of Laodicea.

Laodicea was raised by way of the antitype of the ancient **6th feast**
thus, linking her with John 4:22.

Yes, Laodicea borrowed the Lucy fear seeds from the mother of Harlots
and was adopted, thus
becoming a sister daughter to fallen Babylon.

What made the seeds of Lucy fear grow = The tares?
The lerve gospel.

And all the world in lerve unity, worship the B = **unclean** lips.

The First Angel heralds the basis of the cleansing of the DoA
Then there is **Rev 7** the Sealing time.
And Who is able to stand? Rev 6:17

Without Sealing of Gd in the sealing time, one cannot stand otherwise **Rev 9:4-8 is false.**

The seal of God Rev 14:1 = Rev3:12.
To stand when? in the time of the 1260, +30, +45.

Without the seal of **Two Fathers** = Rev 7,
One will be cut down = Ezekiel 9
Just as Egw said.

The outgrowth of the seeds of Lucy fear = Ezekiel 8 in type
where weeping for Tammuz.

The lerve of Tammuz

[Ezekiel](#)

[8:14](#)

Then he brought me to the door of the gate of the Lord's house which was toward
the north; and, behold, there sat women **weeping for Tammuz.**

= Lucy fear worship. = **1290 lit days** of Revelation 13.

Laodicea cannot resolve the A&O of DH =
that Lucy fear worship = FB 2,4.

Their emphasis on lerve made it a reality.

The lerve is like a sedative
The deceptive magans achieved the impossible.
The once faithful city became a h.....t ?

One might notice that when Jesus declared himself to be the Rock = the foundation,
therefore "not Peter"
there was the power to loosen and bind= power of the church.

This was followed by Jesus telling the church that they possessed the **Keys of the Kingdom** Matt 16:19
and that was in the First Century.

The problem is, that Jesus
said it that way, since this statement would eventually unveil the Eternal Son through a **false** understanding or concept of Peter,

and would also define the Remnant church with
possessing the **Key of David** by way of Jesus being
the chief cornerstone and not Peter.

Mark 12 elaborates on the **Key of David** since this chapter reveals a microcosm of what
will take
place in the near future.

The issue **NOT sealed in the sealing time of the 144** was the false 1g interpretation of the
Shema, by way of the example of the sincere guy in Mark 12 who was not far from the
Kingdom on account of his
exposition of the one g - **yet still wrong**, and
who was corrected, quite subtlety
by Jesus around verse 35.

The issue then, as today, is the Key of David = A&O which
Is this

- who was the One **before** David,
- who is the One **after** David?

Answer

HWM = The A&O.

and the **common people rejoiced** with this insight about the Key of David.

The KoD is preserved by the metaphor of the **True Olive tree**
with the **rich root, Romans 11:17**

and central to this **rich root** theme
of the KoD
is **ER**

as seen In and is Genesis 1:26,
Exodus 23:21, Exodus 3. Joshua 5:13, Isaiah 9:6-7. John 1:1, Isaiah 53. Daniel 9's 70 weeks
= **Everlasting R** 'ushered in' = Rev13;8.

Includes

Isaiah 44:6,
Gen 11:7 at Babel, "Let us go down".
Psalm 110:1-4, the original usage for the word
Elohim.

And from these several examples covered or to be covered by 5Agendas.com One can
now accurately explain **ER** of HWM
in the context of Romans 11.

Yes, all adjuncts provide full insights and light unto Rev7
and the seal of Gd.
