

*"Watchman,
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"*

Eze. 7:6 (Moffatt)

Revelation

14:9-11

A Laodicean's reward?

For a lot of people this discussion about **Rev14:9-11** will be **jarring**, to others **unbelievable**, to the overconfident in the traditions of the elders of Laodicea, **incredible** and they will be **dismissive**. To those who genuinely fear God it will be a **trembling**, others will be **startled** because the conclusion to be realised is **shocking**. Moses recognised the ER of HWM at Mt Sinai.

So, the decisions people make about the Three Angels Messages includes Laodicea and that means everyone will, **one way or the other**, have to face a choice about the First Angels warning about the AODH because the reward at the end of the 1290 is **astounding**.

HWM said many are called, right?
and how many did He say are chosen?

Read [Matt 22:14](#)

The theology of Revelation 7 is related to Rev 14:9-7 and summarised by the expression "In the sealing time of the 144" and the decisions about the Three Angels Messages of **Rev14:6-8**

are foremost for consideration.

Why?

because **verses 9-11** are the reward for ones rejection of their importance.

But what happens - if by tradition - you have been misled about the SoG being the Sabbath? When GOD SAID it's the engraving of the Two Fathers names and the city of God on the forehead.

Discussed [here](#)

[Revelation 14:1 RSV](#). = [Revelation 3:12](#)

These texts define why the Sabbath is not the SoG.

Why is the SoG not the Sabb?

ANSWER

because in Rev 14:1, & 3:12 there is no mention of the Sabb in respect to the SoG. Do yourself a favour, you will need to reread Revelation 14:1 and 3:12 and then rethink the NSL of the 1890's.

This is very basic principle about the **SoG** and the *Alpha & Omega of Deadly Heresies* must be established to even begin to consider why Revelation 14:9-11 exists. Let alone to even begin to determine why God has determined the reward for those who disbelieve His word about the First Angel .

Why?

With the First and Third Angels warnings

You are dealing face to face with

the **Alpha & Omega of DHs.**

= FBs 2,4.

FB 2,4 is easily summarised as the 1g doctrine because in Laodicea you are taught as RCC MBMOHs believe - there is 1g.

Whether it's the Nicene Creed = 3in1 version or

its Arian God the Eternal Son begotten you are in a huge spiritual entanglement.

Why?

It's the 1g whichever way

you cut the theological pie.

So, what is Gods warning message that is summed up in **Rev14:9-11?**

For Starters, it holds a very deep reference and meaning to

the straight gate
and **narrow is the way** of [Matt 7:14](#)

and you know how many find it?

Right?

But worse the deeper reference is with the reward of **Rev 14:9-11** you come face to face with the **Unpardonable sin**
of **Matt 12:31**.

Hence the gravity of the reward
of Rev 14:9-11

It's such a big problem, anytime today you speak to the padres, the elders in Laodicea they are oblivious, careless and utterly clueless when it comes to the *Alpha & Omega of Deadly Heresies*. = FB 2,4.

Clueless because they don't see the fact they agree with the RCC's central doctrine = TTD and present all sorts of excuses why they are different but their excuses and ignorance is immediately compounded by the **heinous** and very deadly **God the Eternal Son** teaching = **FB #4**.

All the excuses in the world - cannot change the fact
these expressions are all for the 1g
= the Lucy Fear Doctrine of the
Dragon and are from the
purple woman. **Rev 17**.

But first thing to recognise, the SoG of Revelation 7 and Ezekiel 9 establishes the soundness of John 1:1 and why HWM is the A&O = Revelation 22:13,16. And His REST.

Laodicea's REWARD

When you read plainly **Rev 14:9-11** you immediately arrive at a problem which is this.

Laodicea's reward for sustaining and cherishing the *Alpha & Omega of Deadly Heresies* = FB 2,4 is to be found in Revelation 14:9-11.

When you read and realise it – it is **stunning** and almost unbelievable to be true.

But true it is.

What is the reward for?

Why is it, the ultimate reward?

It is the reward for worshipping the 1g Dragon.

That is the Unpardonable sin.

The THEY, the THEIR, the SAME of Rev 14:9-11

- Who are the **THEY** the **THEIR** and **SAME** of Revelation 14:9-11?
- What ascends up for ever and ever ? and WHY?
- Why is this reward not understood today in Laodicea ?
- What is Gd saying about Laodicea's the doctrine of eternal Hellfire?
- Laodicea's teaching about Hell is * [here](#) *

Read the link * so you can gather the enormity of what's at stake.

The WARNING and the reward

The THEY,

The THEIR,

the SAME

And the third angel followed them, saying with a loud voice,

If any man worship the beast and his image, and receive his mark in his forehead, or in his hand,

10 The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

11 And the smoke of THEIR torment ascendeth up

for ever and ever:

and THEY

have no rest day nor night,

who worship the beast and his image, and whosoever receiveth the mark of his name.

The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

¹¹ And the smoke of their torment ascendeth up for ever and ever:

Yep that is **serious** and unanswerable by Laodicea .

Immediately, you can hear the protests from Laodicea about eternal Hellfire.

Fact is - Laodicea project the image they are the remnant of Revelation 12:17 and give the impression they are immune from eternal loss because they have the Sabbath as the SoG.

And they insist the Sabb is the SoG.

But what about, what Gd said in Rev 14:1 and 3:12?

Apparently, the evidence from the Bible - that doesn't matter!

God says the **reward** for

the **THEY'**

the '**THEIR'** ,

the SAME

Are they who worship the Dragon = eternal burning,
eternal torment and it's with .

How then can you conclude Laodicea worship the Dragon?

Well, you have answer as to why it's the Alpha & Omega of Deadly Heresies = FB 2,4 and that is serious issue that just won't go away.

**So how does Laodicea who say they truly worship Christ,
WHEN it's IN FACT – been duped and it's the Dragon?**

Laodicea forgets Rev 12 = Rev 17 = Rev 13.

Laodicea misled because the NSL Sabbath controversy of the late 1890's is not the SoG. And paid no attention to FB 2,4 = gift of the RCC to the LAODICEA in GC session in 27FBs of 1980. And no change since.

No, Laodicea dig their heels in and say no it's the NSL.

What?

The **1g doctrine** which = the **Law of One**

which is the fullest but calmest hostility of the **LAW OF TWO**

= John 1:1 which provides the basis of why Christ said

He was the ALPHA & OMEGA.

The Law of TWO = Revelation 14:1 and 3:12 otherwise the Two Fathers names have no meaning to the SoG and to John 1:1 - let alone Isa 9:6-7.

All of the above details of the **Law of Two** have been provided in the series of the A&O playlist.

In other words, the First Angel is saying **A&O of deadly heresies** has its reward.

What is the reward?

What does God say in Rev 14:9-11?

Eternal Hell-fire

as decreed by Gd –

which is reserved for the **unpardonable sin** which is for the **THEY**, the **THEIR**, the **SAME** are those

who refuse the First and third angels warning and

does include the foolish virgins (morons)

of Matt 25.

Revelation 14:9-11 puts a precise meaning on what EGW mentioned when she used exclusively the words

“peril”

and

Revelation 14:9-11 explains also why EGW

“trembled”

because like as Egw said,

the Alpha & Omega of Deadly Heresies would be received.

What does receive mean anyway?

The reward according to Rev 14:9-11 eternal torment, hellfire
is **jarring**.

Startling.

Ok that being the case – isn't it high time to review for yourself what constitutes heresy when it comes to the doctrine of God but also what it means from Gds perspective in entering HIS **REST**?

Of course, and if you want the answer – you have to go back to the Scriptures to reconsider the **REST** God asks all to enter,

and why it has to ultimately include **everything** about the First Angels warning and the SoG of Revelation 7,

which the seal concerns the truth of why Christ is the ALPHA & OMEGA and the Two Fathers,

from Heb 4's perspective.

Note the emphasis on FEAR and WRATH and entering into REST = ER.

4 Let us therefore **FEAR**, lest, a promise being left us of entering into his **rest**, any of you should **seem to come short of it**.

2 For unto us was the gospel preached, as well as unto them: but the word preached **did not profit** them, not being mixed with faith in them that heard it.

3 For we which have believed **do enter into rest**, as he said, As I have sworn in my **WRATH**, if they shall enter into my rest: although the works were **finished from the foundation of the world**.

Coming short of **REST**?

= AODH = FB 2,4 = Hellfire with no exclusions.

Heb 4 Rest = Eternal glory of HWM

19:18 And mount Sinai was altogether on a smoke, because the **LORD** descended upon it in **fire**: and the **smoke** thereof ascended as the **smoke of a furnace**, and the whole mount **quaked greatly**.

Moses on Mount met with God , he witnessed the glory of Gd.

24:16 And the **glory of the LORD** abode upon mount Sinai, and the cloud covered it six days: and the seventh day he called unto Moses out of the midst of the cloud.

24:17 And the sight of the **glory** of the LORD [was] like **devouring fire** on the top of the mount in the eyes of the children of Israel.

24:18 And Moses went into the midst of the cloud, and gat him up into the mount: and Moses was in the mount forty days and forty nights.

34:5 And the LORD descended in the cloud, and stood with him there, and proclaimed the name of the LORD.

34:6 And the LORD passed by before him, and proclaimed, The LORD, The LORD God, merciful and gracious, longsuffering, and abundant in goodness and truth,

34:7 Keeping mercy for thousands, forgiving iniquity and transgression and sin,

and that **will by no means clear** [the guilty];

= **Unpardonable sin**

visiting the iniquity of the fathers upon the children, and upon the children's children, unto the third and to the fourth [generation].

34:8 And Moses **made haste**, and bowed his head toward the earth, and **worshipped**.

That fire was HIS ETERNAL GLORY seen by Isaiah and Ezekiel.

That ETERNAL **glory** is

Christs Identity = John 1:1 =

ALPHA = REST,

His rest = Rest in His Righteousness

= Heb 4

which speaks about the **rest** prior to the foundation of the world
and that rest was His ER = Rev 13:8.

That REST is the “Righteousness of Christ”
and which is why Moses understood and MADE haste

33:12 And Moses said unto the LORD, See, thou sayest unto me, Bring up this people: and thou hast not let me know whom thou wilt send with me. Yet thou hast said, I know thee by name, and thou hast also found grace in my sight.

33:13 Now therefore, I pray thee, if I have found grace in thy sight, show me now thy way, that I may know thee, that I may find grace in thy sight: and consider that this nation [is] thy people.

33:14 And he said,

My presence shall go [with thee],

and I will give thee

rest.

Eternal REST = Christ's ALPHA Eternal identity
= His former glory and

future glory of His **Omega** Identity = A&O

= Rev 13:8 = LSFOTW = ER of HWM

Do you get the picture of why Rev 22:13,16 exists?

So, if you can read straight, plain language without piling on endless assumptions when reading – so exactly what is

the Reward for those in agreement

with the 1g =

the Alpha & Omega of Deadly Heresies ,

= FB 2,4

And what is the reward for being a moron ?

THEY are to drink the WRATH of Gd without mixture?

drink of the wine of the **wrath** of God, which is poured out without mixture into the cup of his indignation; and he shall be **tormented** with fire and brimstone

THEN what really is the importance of the A&O, = First Angels warning, = the

SoG in the sealing time and ER?

Since the SOG is not the Sabbath,

what then does it mean

Entering into Gods **REST** ?

What is His rest?

Answer

According to Heb 3-4 the allegory of Ancient Israels **failure** is noted by Paul and therefore that REST that MOSES MADE HASTE must be faith in Christ Divinity
Eternal DIVINITY = His ER.

A Divinity that is not brokered with MBMOHs doctrines that few see.

If you are **troubled** right now

and believe you have it all worked out about the **Fourth Commandment** and hold
doubt about

First Angels = ER, = John 1:1, = Two Father's

Remember this –

the 8th king who decrees

the 7N = Isaiah 2

are Sabb keepers.

So, you best pay attention to the articles about the 7N because it does have
capital punish as the reward for non-compliers. = Rev 13:16. Right?

So, gets back to your individual calling in the FA and the necessary **cleansing** of the Sanctuary and the individual in the Court = the Alpha & Omega of Deadly Heresies and then the SoG.

Cleansing in the court?

Yeh, cleaning the guile from the lips of clay,

By the coal off the altar = Isaiah 6

and then the SoG = the sealing of Revelation 7 = Ezek9:4

Right?

But what else?

A calling to be a Teacher of Righteousness = ER.

= the Latter R of Joel 2.

So where does Gd come into the picture for You? The knowledge of the First and Third Angels warning and the Genuine **Rest** entering into Gds **REST** is based solely in the ER of HWM,

otherwise, as the Bible describes our condition for we are actually for without Christs Righteousness = ER

we are

miserable, unclean and with nakedness

even though we claim the Sabbath.

But that's not all

and then there is the Fear, wrath that Laodicea experiences for unbelief in Christs eternal Righteousness ?

Why?

Laodicea missed the point of the 1888 GC session in Minneapolis but also the terrible consequences of the failure of 1888 comes home to roost.

Why?

Well, the fact is today - Laodicea has

No Fear of **AODH** = not entering rest of ER.

What?

Yes, the reward is eternal torment is as defined for those like Laodicea who are predisposed unto ignorance = Matt 25 and only wake up at Midnight when the Cry is made.

And with no oil in their lamps experience the wrath of Gd because they ignorantly in their belief chose to worship the 1g = Dragon believing otherwise,
= false Christs that HWM warned about in Matt 24

And never bothered or listened to the warnings and remain asleep with indifference because Laodicea is the remnant of Rev 12:17

and being foolish virgins = morons, are
only to experience the wine of the Wrath of God
for AODH. = eternal torment of Rev 14:9-11.

Something to think about ?

Do you really understand what you read when reflecting on Rev 14:9-11? Let alone
the THREE WARNINGS that exist in the same chapter?

FACT

Laodicea have never resolved the Alpha & Omega of Deadly Heresies to this day
and yet retain pride in FB 2,4.

It's Unbelievable!

So, What say you – about Christ – and His Righteousness
who is A&O

and entering into Gds (His) rest?

In addition to the Lake of Fire and **eternal torment** for those who worship the
Dragon that **ascends forever**,

hast though forgotten that right well prior to the LoF

– God puts all the morons thru the wringer of
His wrath

and that INCLUDES

- the torment of not being sealed and that duration is for FIVE MONTHS. When those not sealed yearn for death – and God said – No, that's not happening.

- Then there is the 1290 days of the Second woe.
- And then there is the SEVEN LAST PLAGUES

Yeh, all prior to the LoF.

So, if you have been lingering and fully indifferent or maybe even slightly convinced about the A&O of HWM and slacking it, trusting in the traditions of the elders, but

when it comes to the SoG of Revelation 7 = the call of the First Angels warning which is ALL ABOUT the danger of the **AODH**

which is extremely serious,

but to remain neutral about the subject of HWM and the Abomination of Desolation that He foretold = AODH

you never stood for Christ because of the pew and elders and padre pressure of what's taught today in Laodicea

then for you there exists the time to review the FA and the necessary repentance of being deceived and then unto the cleansing of the lips from GUILF.

Or the reward of Rev 14:9-11 ensues.

For those worried about the doctrine of RxF –
keep in mind as discussed in a prior papers

there are two sealings that sustain the reality of Rev 22:11.

One sealing = RxF = Revelation 20:4,
the other in respect to Revelation 7 and SOG = ERxF.

BUT and here is the BUT –

do you honestly believe RxF will save you **when you did nothing** about the AODH
when it comes to the time of the 1290 days?

Too late, moron.

CONCLUSION

In conclusion, Egw was hundred percent correct when it came to her emphasis – AFTER
the truth has gone to the nations you will be in **peril** and she may or may not have
known at the time but the LoF of Revelation 14 is why she **trembled**.

You will notice – her trembling was not explained, but she did say

I then saw the third angel. Said my accompanying angel, "Fearful is his work. Awful is
his mission. He is the angel that is to select the wheat from the tares, and seal, or bind, the
wheat for the heavenly garner. **These things should engross the whole mind, the
whole attention."**

which means Revelation 14:9-11 says what it says, there is a reward for the THEY, the
THEIR and God Himself puts it all in true context.

Gd said in Rev 14:9-11 there is **eternal torment** for **ever and ever** which is the reward for those who alive at the time of the +30 days of the 1290 and have **denied, disbelieved**

because they had no oil in their lamps as to the wisdom of the First Angels warning about the Eternal Identity of HWM.

Regardless, if you choose to or do not believe in eternal torment and to be tossed into the LoF – it means **you have a problem with Gd** to deal with and resolve –

The fact is the deceptions of the last days are vast and designed to keep **you** in the lockstep of mysticism, Gnosticism and happy to be believing in Christ yet persuaded otherwise about = the doctrine of 1g and the 3T.

If you think that is impossible then you need to revisit why the pastoral leadership Elijah confronted because they were worshipping BAAL.

Right?

1g today = BAAL worship.

Ok that being and undeniable fact – you choose to Remain **defiant** of John 1:1 and Revelation 14:7

that's one thing

but then you better read your **rebellious reward** published in Revelation 14:9-11 as promised and is sure.

⁹ And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand,

¹⁰ The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

¹¹ And **the smoke of their torment ascendeth up for ever and ever:** and **they** have **no rest** day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

No rest day or night =

WHAT?

Yeh, for not bothering to give thought about the **deadliness of the Omega of DHs** which means you are careless so very careless

to deny Christs eternal IDENTITY = ER with FB #4

And the THEY, the THEIR, the SAME of

Revelation 14:11 HAVE NO REST

The reward for AODH is NO REST.

These facts are jarring, startling and terrible to encounter.

NONE of YOU can say –

Oh, we were never warned.

Well, you have a Bible, get off your slack hineys
and check it all out?
