

Law of Two

Deuteronomy 6:4
'One Gd'

Accusations of
Idolatry?

What will true believers say to the SOS in reference to the accusations of idolatry?

Well, I would say that plurality of the Elohim is an established fact in Genesis 1:26. The modern Rabbinic world states that **God is one**, singular being. The seeds for this ideology were planted into Judaism, during the second century BC.

I would say that **Pagan Neo Platonism** was given theological power during the second century BC,

when [Philo of Alexandria](#) a Neo Platonist Jew came up with the matter of the [Dabar](#) = The "Word" being an *emanation* from the 1 g.

It was a pronouncement that set the stage for the attack upon John 1:1's ever existent Logos.

This no doubt is tied to the Law of 1.

It is this demonic "Law of one" that sets the stage for the Union between spiritualism, as well as the erroneous interpretation of the Shema of Deuteronomy 6:4 that reads

⁴ Hear, O Israel: ^[a] Jehovah our God is one Jehovah:

I would say that the K book influence in present day Judaism is a by-product of Neo Platonist Paganism just

as it was is in the RCC in the third century when the **Eternal Son doctrine** and the Trinity were formulated.

The Eternal Son doctrine sets the stage for the **Law of one.**

You might ask why?

The answer is because **Eternal Father # 2** being the pre-incarnate Word of **John 1:1** was designated by a mere human being, as being lower than his Original Status as presented in **Isaiah 9:6,7.**

One of the names of this child, who was to be born,

and Son given according to [Romans 1:3](#)

was **Everlasting Father**.

Many fail to perceive the words of Jesus,
when He declared the following

“ I Am ”.

Many brush this off not realizing that the religious leaders clearly understood what Jesus was saying and they picked up stones to stone him.

Or when Jesus told the Devil in the wilderness.

“Thou shalt not tempt the Lord thy God”.

The One god or one super-consciousness:

It is the root teaching of Mystery Babylon in the form
of **Pantheism** as well as the so-called

“[one super consciousness](#)” as the
so-called unknowable god of the Gnostics.

In [Ezekiel 8](#) men turn their backs to worship the sun.

This is where the occult utilizes its concept of the Solar Logos.

The Sun is representative of the "Cosmic Christ" or an emanation from the Universe which in turn created the rest of the material world.

According to the occultist it's not the literal Sun that heats the earth it's a metaphor.

<https://www.gnosticmuse.com/the-solar-logos/>

I would say that the present-day Magan aspects of the K book in such organizations as Chabad Lubavitch which is a major contributor to the 7N also has massive global financial operations and follows this massive intrusion of mysticism into a false understanding which utilizes mysticism to interpret the Torah.

This all began from one source which was Neo Platonism's incursion in the second Century BC which brought in idolatry to those who at one time followed the religion of the Bible,

but eventually deviated from the truth of the Messiah in 34AD.
See Daniel 9's 70 weeks and its culmination in Acts 8 and the latter

Jewish Messiahs who eventually in time would run parallel with either Neo Platonist, Gnostic or Babylonian **witchcraft**,

which in our day has culminated K book **Witchcraft**
which is the use of **Spiritualism** which is
used to interpret the Torah.

And it's clear that Deut 18 comes into the picture

18:10 There shall not be found among you [any one] that maketh his son or his daughter to pass through the fire, [or] that useth divination, [or] an observer of times, or an enchanter, or a witch,

18:11 Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer.

18:12 For all that do these things [are] an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee.

18:13 Thou shalt be perfect with the LORD thy God.

But spiritualism is easily theologically countered with Ecclesiastes 3:19-21 or Ecclesiastes 9:5-10.

Since the **doctrine of the immortality of the soul** is the foundational Tenant for Spiritualism, in whatever form it takes,

and that includes the K book as well which is rehashed Neo Platonism along Jewish cultural lines.

The accusation of Sonship

The Idea that God cannot be a man ?

Seen in both Islamic and Jewish circles.

The concept of **Sonship** in terms of **Messianic** prophecy is clearly set forth in the Old Testament in Relation to the Messiah being the Son of David for it is declared in **Proverbs 30**.

Who hath ascended up into heaven, and descended?
Who hath gathered the wind in his fists?
Who hath bound the waters in his garment?

Who hath established all the ends of the earth?
What is his name, and what is his son's name, if thou knowest?

This verse clearly outlines the information which is presented in Zecharia 3:7-9

The name of the one who ascended and descended is the "The Lord of Hosts".

The name of his Son is the **BRANCH** Messiah who would later be born on earth as Yahshua Hamashiah, or Jesus Christ, the Son of God in the flesh of his ancestor David. = Romans 1:3.

John 12:35-41

[John 12:35-41](#) clearly presents this **Father-hood** as well as **Sonship** in the form of the visions of Isaiah 53 and Isaiah 6 with the Gospel of John clearly presenting the fact that Jesus Christ's former **glory** was that of the Lord of Hosts that Isaiah witnessed in chapter 6 of the book that goes by his name.

Sonship of the Messiah

Sonship of the Messiah is a clearly established fact in the Torah see Genesis 3:15 with Isaiah 53 being the fulfillment of the former. Not by way of Neo Platonism and the Eternal Son doctrine which is the Pagan concept of emanationism prior to the Incarnation,

which was brought into Judaism around the second century BC by way of the influence

of Philo of Alexandria a Neo Platonist Jew

whose teaching about the "[Dabar](#)" = Word of God, see John 1:1
converted this matter into the

Eternal Son doctrine

**which later became prominent within
the Creeds of Catholicism and Eastern Orthodoxy.**

**Whereas the true Sonship of the Bible,
is based on Romans 1:3
and Romans 1:4.**

THE FIRST fact,

Jesus Christ born on earth

as the uniquely begotten Son of God and that fact

**CANCELS the belief that Christ was begotten as an emanation from the
Universe,
in the heavens prior to the Incarnation
in the form of an "eternal son" from
the so-called one-super consciousness.**

THE SECOND fact,

Jesus Christ,

**born of the Resurrection and declared to be by the Spirit of Holiness the
"The Son of God".**

**This is all confirmed in
[Acts 13:30-33](#).**

Son of God according to the flesh, according to the seed of David followed by Son of God according to the Resurrection from the dead which is declared to be Great High Priest of the Order of Melchizedek.

Hebrews 6:19-20.

6:19 Which [hope] we have as an anchor of the soul, both sure and stedfast, and which entereth into that within the veil;

6:20 Whither the forerunner is for us entered, [even] Jesus, made an high priest for ever **after the order of Melchisedec.**

An Ancient almost unknown prophecy of Zecharia 3 :

A Messianic prophecy
but by way of Zecharia 3: 7-9

**a Messianic prophecy that presents the Angel of the Lord
or Lord of Hosts as the Father of the Branch Messiah.**

⁷ Thus saith Jehovah of hosts: If thou wilt walk in my ways, and if thou wilt keep my charge, then thou also shalt judge my house, and shalt also keep my courts, and I will give thee ^[a] a place of access among these that stand by.

⁸ Hear now, O Joshua the high priest, thou and thy fellows that sit before thee; for they are men that are a ^[b]sign: **for, behold, I will bring forth my servant the ^[c]Branch.**

⁹ For, behold, the stone that I have set before Joshua; upon one stone are seven eyes: behold, I will engrave the graving thereof, saith Jehovah of hosts, and I will remove the iniquity of that land in one day.

This prophecy of Zech 3 totally aligns with the New Testament declaration of **Philippians 2:5-10**.

⁵ Have this mind in you, which was also in Christ Jesus: ⁶ who, existing in the form of God, counted not the being on an **equality** with God a thing to be grasped, ⁷ but emptied himself, taking the form of a ^[a]servant, ^[b]being made in the likeness of men; ⁸ and being found in fashion as a man, he humbled himself, becoming obedient *even* unto death, yea, the death of the cross. ⁹ Wherefore also God highly exalted him, and gave unto him the name which is above every name; ¹⁰ that in the name of Jesus every knee should bow, of *things* in heaven and *things* on earth and ^[c]*things* under the earth.

What is interesting about **Zecharia 3** is that this prophecy defines who Jesus Father truly was = The Lord of Hosts or Angel of the Lord and it also explains what father was within Jesus Christ when he declared that the Father was within him.

We know for a fact that Eternal Father #1 never lowered himself but Eternal Father # 2 of whose

glory Isaiah beheld in chapter 6
was clearly presented in John 12 as the pre-
incarnate "Christ or Word" of John 1:1.

Whereas the slave form of human genetics by way of the Holy Spirit descending into the
human genetics of Mary and utilizing
her genetics for the fusion of the

'Divine Spirit'
with the human genetics

culminated in the uniquely begotten Son of God
or Monogenes Theos.

So, the culmination of this matter is that Jesus Christ,
was the Son of his own self in his prior
identity as the **Lord of Hosts**.

Philippians 2:5 clearly presents the fact that the Lord of Hosts was in the form of God
and considered it not robbery to be equal with God.
This same Lord of Hosts **lowered**

himself into the 'slave form'
of human genetics as seen in Revelation 4 and 5

with chapter 5 presenting a two in one being = a Lamb
with marks of slaughter = human genetics

and the 7 Spirits of God within
this Lamb with marks of slaughter,
being **prior** to David.

The final portrait of **Isaiah 9:6-7** cannot be King Hezekiah or any other mortal King on account of the fact that the Lamb with marks of slaughter which has the 7 Spirits of God engraved on his human genetics,

and fused in a uniquely begotten God;
yet was prior to David which in fact that prior to the Incarnation;

he was **not** the Son of David and didn't have a Father or mother or beginning of Days nor end of Life. = Heb 7:1-3

This bring once again Melchizedek into the picture and purpose of prophecy in respect to His eternal status as Alpha and Omega.

He had to be **Melchizedek** and his "Son" would have to be the **Order of Melchizedek** thus completing the picture.

Melchizedek made like unto the Son of God.

This picture completes the scenario
of **Proverbs 30, what is his name and the name of his son?**

When Jesus was taken to trial, **Matt 26** - he was asked if he was indeed the Son of the Living Gd and Jesus responded by quoting **Daniel 7:13**.

¹³ I saw in the night-visions, and, behold, there came with the clouds of heaven one like unto a son of man, and he came even to the ancient of days, and they brought him near before him.

By quoting this verse the High Priest accused Jesus

of Blasphemy.

You might ask yourself, "how was this possible"?

Well, The verse is in the book of Daniel 7 verse 13.

It is rather obvious that the High Priest didn't believe his own scriptures.

Right?

Same thing can be stated about **Stephen** in the book of Acts chapter 7.

⁵⁴ Now when they heard these things, they were cut to the heart, and they gnashed on him with their teeth.

⁵⁵ But he, being full of the Holy Spirit, looked up steadfastly into heaven, **and saw the glory of God, and Jesus standing on the right hand of God,**

⁵⁶ and said, Behold, I see the heavens opened, and the Son of man standing on the right hand of God. ⁵⁷ But they cried out with a loud voice, and stopped their ears, and rushed upon him with one accord; ⁵⁸ and they cast him out of the city, and stoned him:

All this takes us back to Genesis 1:26 = plurality defined from prior to and after the foundation of the world.

Blasphemy Law in the Latter days:

Have you noticed lately on Facebook or Youtube that Jewish Rabbis are bringing up the matter of the 7 Noahide Laws as God's Law for the Gentiles while they the Jews observe the 10 commandments?

Here is another form of idolatry since Hashem stated in [Leviticus 24:22](#)

²² Ye shall have one manner of law, as well for the sojourner, as for the home-born: for I am Jehovah your God.

**So, from whose imagination did the
7 Noahide Laws come from?**

Especially Noahide Law # 1?

**We already established that the plurality of Hashem was an established fact from
Genesis 1:26.**

Jesus once told certain individuals that their father was the Devil.

Why would Jesus say such a thing?

ORGANISATIONS TODAY

<https://www.llresearch.org/>

As previously stated,

**Any organization that involves demonic practices such as the channelling of spirits
to gain occult information is of the Devil
and is therefore under his guidance.**

So, what is the Bible proof for such a denunciation?

⁹ When thou art come into the land which Jehovah thy God giveth thee, thou shalt not learn to do after the abominations of those nations.

¹⁰ There shall not be found with thee any one that maketh his son or his daughter to pass through the fire, one that useth divination, one that practiseth augury, or an enchanter, or a sorcerer, ¹¹ or a charmer, or a consulter with a familiar spirit, or a wizard, or a necromancer.

¹² For whosoever doeth these things is an abomination unto Jehovah: and because of these abominations Jehovah thy God doth drive them out from before thee.

A good question to ask is the following.

Why is there no difference between the Law of One as dictated by demonic entities and the Noahide Law # 1 which states

“thou shalt not blaspheme the oneness of god” ? [here](#)

They are both from the same source starting with Philo who labelled the [Dabar](#) as being an emanation.

This set the stage for the demonic **Law of one**

and its false intrusion into the Shema of Deut 6:4

by way of the theological misunderstanding

of the
Hebrew words for

"One"

which are "[Echad](#) and [Yachid](#)".

Part II

The Third Temple prophecy in Isaiah.
Is it idolatry?

The answer

is "yes"

and Jesus warned us about it

24 And Jesus went out from the temple, and was going on his way; and his disciples came to him to show him the buildings of the temple. ² But he answered and said unto them, See ye not all these things? verily I say unto you, There shall not be left here one stone upon another, that shall not be thrown down.

Some would argue and say that Jesus **lied** and that the proof is seen in the present day wailing wall.

Many years ago, a scholar by the name of **Ernest Martin** conducted in-depth research into the matter of the wailing wall as being the supposed remnant of the **second Temple** but who in fact discovered that it was **not** a remnant of the 2nd Temple but of the [Roman fortress of Antonia.](#)

Also, the area of the second Temple required an area with water in the form of Springs and there is no water source within the precincts of the Wailing wall.

It was stated by Ernest Martin that the decision to choose what the Jews refer to as the wailing wall was actually decided by a Cabalistic source.

Here again this Law of One takes us into the area of idolatry and witchcraft, in the form of Divination which is prohibited in the Bible = **Deuteronomy 18.**

⁹ When thou art come into the land which Jehovah thy God giveth thee, thou shalt not learn to do after the abominations of those nations.

¹⁰ There shall not be found with thee any one that maketh his son or his daughter to pass through the fire, one that useth divination, one that practiseth augury, or an enchanter, or a sorcerer, ¹¹ or a charmer, or a consulter with a familiar spirit, or a wizard, or a necromancer.

¹² For whosoever doeth these things is an abomination unto Jehovah: and because of these abominations Jehovah thy God doth drive them out from before thee.

It appears that the practitioners of the K book are not aware that their system of belief which entails **High souls** as well as the doctrine of the **immortal souls** as well as **Reincarnation** all stem from **paganism**,

since the Biblical matrix of **Soul sleep** and **the bodily resurrection** from the dead is seen in Genesis,

when Hashem tells Adam,
that the day that he would eat of the fruit
of the knowledge of good and evil
that he would surely die.

Whereas the serpent told Eve that
she and Adam wouldn't die and that their eyes
would open seeing good and evil.

Higher powers or High souls?

Here is what scripture has to say.

¹⁹ For that which befalleth the sons of men befalleth beasts; even one thing befalleth them: as the one dieth, so dieth the other; yea, they have all one ^[a]breath; and man hath no preeminence above the beasts: for all is vanity.

²⁰ All go unto one place; all are of the dust, and all turn to dust again. ²¹ Who knoweth the spirit ^[b]of man, ^[c]whether it

goeth upward, and the spirit of the beast, whether it goeth downward to the earth?

Then there is the idolatrous practice of having sex with the Shekinah which involves pelvic thrusting at the so-called Wailing Wall.

Ask any practitioner where they got this practice from and they will not be able to find a Torah based verse or explanation.

T book practices exposed and contrary to the Torah.

Jesus Millstone prophecy was a tip-off.

Is the Universe the source of Life, as well as emanation of life forms throughout the Universe?

The answer is **No!**

Hebrews 6

Contextually presents Sonship **not** from the standpoint of existing forever, with the 'starting point' being in the heavens.

The starting point is Romans 1:3 = **Son of God according to the flesh.**

and Paul states

that prior to that his throne was the throne of God, since John 1:1 states that the Word was alongside God and was God.

Later the context of Sonship is John 1:14.

“And the Word became flesh and dwelt amongst us.”

The proof being verse 10 which mentions that in the beginning, **“as God”** not Eternal Son, because as Gd he laid the foundation of the earth and the heavens were the works of his hands.

⁸ but of the Son *he saith,*

**[k][l]Thy throne, O God, is for ever and ever;
And the sceptre of uprightness is the sceptre of [m]thy kingdom.**

**⁹ Thou hast loved righteousness, and hated iniquity;
Therefore God, thy God, hath anointed thee
With the oil of gladness above thy fellows.**

¹⁰ And,

**[n]Thou, Lord, in the beginning didst lay the foundation of the earth,
And the heavens are the works of thy hands:**

**¹¹ They shall perish; but thou continuest:
And they all shall wax old as doth a garment;**

**¹² And as a mantle shalt thou roll them up,
As a garment, and they shall be changed:
But thou art the same,
And thy years shall not fail.**

Conclusion 1

we are told that when he created the Universe,
that he was originally God,
not an Eternal Son

and that when the Universe gets old,
he folds it up as a garment

and that the **Universe** is subject to change but
not HWM, since he remains
the same yesterday, today and forever
and his years shall not fail.

In other words, what we are dealing with here is the

First prerequisite of the [Order of Melchizedek](#)
no Father or Mother or beginning of Days nor end of Life.

The **second prerequisite** is
Melchizedek made like unto the Son of God.

Conclusion 2

Proverbs 30

What is his name and his son's name?

Who hath ascended up into heaven, and descended?

Who hath gathered the wind in his fists?

Who hath bound the waters in his garment?

Who hath established all the ends of the earth?

What is his name, and what is his son's name, if thou knowest?

Answer

Melchizedek and the Order of Melchizedek

Represents the ALPHA & OMEGA

Psalm 110:1 = Melchizedek, no father or mother or beginning of days nor end of Life.

Psalm 110:2 = Sent Rod

Psalm 110:4 = The Order of Melchizedek

Closing words,

there is **no** "One Super Consciousness" or UNIVERSE religion,
why?

there were originally "Two" Divines = in beginning
as in the **Law of Two**

as set forth in Genesis 1:26 and John 1:1.

Angels didn't have to be consulted since they were not Creators.

The **Law of Two** is defined by the

New Testament Shema of John 1:1.

Now you can see the accusations of idolatry
by the SOS fall flat on their face.

But resist they will, for 1290 days

What does Gd say is The final outcome?

READ – [Rev 3:9](#)

⁹ Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee.

End
