Rome Today and Fourth Commandment

<https://www.youtube.com/shorts/ex6Miqo8XUg>

Here is current proof that the Roman church doesn't feel that the Sabbath is a threat anymore and is advocating staunch support. While Laodicea has been seamlessly assimilated by Fundamentals 2&4 and so now what you have subtly projected by PPH is a huge adjustment and acceptance for the Noosphere, and 7N and this is THE ISSUE.

Why?

Rome knows the ultimate issue is not Sunday, or the Sabbath or Friday.

The sincerity of PPH you have encountered is a smokescreen for the Noosphere. That was discussed [here](#)

Laodicea in the meantime is **fooled into thinking** this is the “calm before the storm” of a Sunday Law.

Problem is that Rome thinks that all religions will have to find their destiny in the PPH. You will recall the saying
All roads lead to Rome?

Right?

She, the purple woman, very likely believes that she will run things in the very end,
(via the Grand Monarch
= the 7th King).

Yet, begorrah, they did receive the warning from the so-called **third secret** of **FATIMA** which was rumoured to be tied to Pope Pius X's vision prior to his death in 1914;

as pointed out [here](#),

but because there is no reference to Pius in the third vision other than a scene of the 'holy father' bearing much suffering, so what's happening long after Fattima?

But today – Well, somethings up!

Why the new sincerity and endorsed respect of the Sabbath?

Revelation 18 states that she, the purple woman, believes that she is a queen and will not experience widowhood = (Rev 18:7).

Read for yourself what Gd said is exactly to happen.

18:7 How much she hath glorified herself, and lived deliciously, so much torment and sorrow **give** her: for she saith in her heart, I **sit a queen**, and **am no widow**, and shall see **no sorrow**.

18:8 Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong [is] the Lord God who judgeth her.

Someone in the higher ranks of the PPH knows that the final inheritors of evil are the SoS.

This was told to us in the book [Keys of this Blood](#) that on the Day of reward and punishment, each element of truth will be taken from each of the Provincial globalists [here](#) = different religious groups which have a great amount of influence in different parts of the world .

We were also told that these groups will experience shocks and mutations and they will be experiencing 'globalization' from more powerful groups and will either become thoroughly globalized, or lose members, or cease to exist.

Does that kind of confirm what Gd said about ten kings?

Well?

Globalizations is what has taken place **after** 1980.
Yes After the fulfilment of Luke 21:24.

In the meantime, Laodicea has been thoroughly globalized,
which in this case is the non-issue of the Sabbath,
as you heard in the opening link,

and then there is the hidden hand
of the **Omega Noosphere** = **One mind** the **Law of One**
such as exactly what took place at **Babel**.

Fact is today PPH is quoting what they call as the so-called 'Jewish Law' which
are the true 10 commandments.

Whereas, via [Teilhard de Chardin](#) the J. Order the Noosphere is confirmation
of what an old Catholic friend mentioned on two occasions - he wasn't
specific,
but the Pope was calling for a **new religion**.

And how does that develop?

“Under **Teilhard's** vision, God created the Big Bang, which created an
evolutionary process starting with the energy of the Big Bang leading to
increasing “complexification” to matter, to initial life forms, to human
consciousness, to a collective human consciousness (the noosphere). The
noosphere emerges through and is constituted by the interaction of human
minds.

The new nominative religion is all the mystic accumulations and then zeniths to guess what, it's none-other than the [Noosphere](#) = **Law of 1,**

Which, will be an overmastering delusion, a powerful real genuine delusion when demons and ETs that enter into the picture and forge their interaction with a collective human consciousness and interaction of human minds.

And Produces what?

Answer

Unity C.

There is now no excuse for the independents in Laodicea.

The Laodicean Conference is already in the pocket of the New Reformation. Otherwise, they would resolved the Alpha & Omega of Deadly Heresies and would never have signed to the BEM credal formulation of

1 g = FB 2,4.

Right?

Whoever is not grounded in the true understanding of why Christ is ALPHA & OMEGA and remain DUPED by the **Omega of deadly heresy** in the form of the 1 g,

will not see the fascinating delusion entrapment

which is the finishing trap for Laodicea, and the so-called Independents.

What a lament,
what a disgrace.

That is why the Elder of this Publication stated that there will be a “long weekend” between the Friday Keepers, Sabbath Keepers and Sunday keepers.

And it is the **Noosphere** of the **Law of 1** in relation to 7N, = the Fundamentals 2 and 4,
= Allah being one = [Shahada](#) the Law of 1,
= the false [Shema](#) of the SoS.
= ([Yachid](#) One, rather than [Echad](#) one.)

You will notice that Tovia’s use of Rome and the New Testament Canon [here](#) is nothing more than a way to “Reel in the Larlas”, thinking that they have no argument to counteract the PPH, and her daughters but the fact all this exists affirms **why**

John 4:21-22 –
Salvation is of the Jews

is so important.

If Holy Saturday was the **Seal of Gd** as specified by LAODICEA in their prophetic teachings of the First Angel,

you would have to conclude the **SoS**
got **a very bad deal.**

When Laodicea and SoS finally realise the Seal of Gd wasn't the Fourth Commandment

but the **Divine Law of Two** [here](#)

and the [Two Fathers names](#)
engraved in forehead = Rev 14:1-5 [here](#)

what then?

Then pray tell – How successful has the Alpha & Omega of Deadly Heresies been? If you have read this far?

Do you really trust the word of God
or the traditions of the elders?

Fact is the padres and elders are now left bamboozled with their love gospel emphasis and guess what happened?

The Alpha & Omega of Deadly Heresies **prevailed.**
With that comes Self Righteousness

Why would Laodicea on the Day of Atonement at the Court which is fully in respect to John 4:22

relinquish the truth of Two Fathers of the First Angels warning, especially when it comes to the seal of Gd which is in respect to Ezek 9?

EGW –said

Study the ninth chapter of Ezekiel. These words will be **literally** fulfilled; yet the time is passing, and the people are asleep. [here](#)

What EGW penned is of the most severe bluntest conclusions and its literal impact poses the severest conclusion in the failure of perceiving the importance of the Seal of Gd.

see - [5T207ff.](#)

Right?

Laodicea must answer two questions

1. Why did the SoS not receive the Seal of Gd ? Laodicea will say they didn't believe in Christ. But why do Laodicea say Christ is God the Eternal Son FB#4. But they kept the Fourth which Laodicea says is the seal of Gd.

2. Why does Laodicea have the **same** Seal of Gd problem as SoS? =
Which is the AODH ?

The fact is both SoS and Laodicea acknowledge the Fourth.

So, what about John 4:22 and Everlasting Gospel and the First Angels warning?

Right?

Yet, both not sealed?

HWM said Laodicea is spewed. Rev 3

Then there's Midnight Parable of Matt 25

The emphasis at Midnight is - **go ye out to meet the Bridegroom** out of what ?

Oh, the Alpha & Omega of Deadly Heresies.

Repent and then be cleansed and sealed because Christ is the ALPHA & OMEGA.

He is not about anything in relation to FB 2,4 because that leaves you with Alpha & Omega of Deadly Heresies.

Its equivalent to have the plague on your lips and tongue festering unrighteousness with a loving smile. Oh, how ghastly is deception of unrighteousness!

Hence the First Angels warning.

Right?

Caiaphas was a stickler for the law and the Sabbath because of the indefatigable stringent pursuit of the law of 1 – meant that for all of that Caiaphas could do was this – he committed the UPS of Matt 12:31-32 = [Heb 6:4-6](#) –

Right?

So, does that mean SoS and the **false Shema** – Yachid one = Law of 1 is that the same conclusion as well for Laodicea with their Credal purple woman 1g = FB 2,4 = false Shema committed the UPS?

When the **Law of 2** = echad one.

Well, what's the obvious answer?

YES!

So, then comes the matter of why Jesus said in John 4:22

That Salvation is of the Jews
and to **NOT BE SEALED** = Ezekiel 9
by Man in Linen = Great High Priest after the Order of Melchizedek

And after the Order of Melchizedek = Heb 5-7 = **Revelation 7**
during the **antitypical Day of Atonement** = Jn 4:22

Would it not be the utmost urgency for laity of Laodicea to ask their padres and elders at least something about the Omega of DHs and that it **must be resolved**
or if you get a blah answer –

What should you do?

Get out of Dodge now!

Because Luke 21:24 is fulfilled there is no chance Laodicea will amend or change her ways let alone repent. The call was refused when given by two other messengers – Weiland and Short – see [AW&IR](#)

Repentance is An impossibility. Why?
Laodicea was called to denominational repentance
and refused.

Therefore, your individual decision about the Seal of Gd is totally dependent on solving the Alpha & Omega of Deadly Heresies. Otherwise, Matt 25 parable of the ten virgins
to **go ye out** is false at **Midnight**.

And EGW was hopelessly wrong when it
came to what she said about

"after the truth has gone to the nations ...
would be in PERIL". [Here](#)

But the Omega of DHs is the common that exists – Laodicea continue to wax lyrical church about growth all the while encumbered with the Creeds of the purple woman = TTD = FB#2 and God the Eternal Son FB#4

which according to Gds perspective = **unclean lips**
Its like the declaration of the leper and Unclean, Unclean!!

Well, that problem stares individual Laodiceans in the face.

To be blunt

Omega of DHs = No Sealing in the sealing time.

Right?

If the Seal of Gd was the Sabbath –

Explain why Laodicea cannot define why the “oppressive law” in Isaiah 2 exists or why they cannot resolve the Alpha & Omega of Deadly Heresies which is after all

the purple woman’s and she is headed to destruction as declared by Gd in Rev 17:16?

Right?

The Laodicean Dilemma

The Padres and elders in Laodicea insist from [EW p 75](#) there is no 3T because EGW said Old Jeru would not be built up.

Paul said otherwise when speaking about the 2Thes 2 guy. Paul was well aware of Isaiah 2.

So, what’s up in Laodicea anyway?

The *Laodicean Dilemma* about Omega of DHs and no idea that Isaiah 2 is a never-ending predicament

And it has left Laodicea spiritually incapacitated, in a coma and unable to resolve the Alpha & Omega of Deadly Heresies, unable to see the First Angels warning, until too late.

It becomes obvious why Isaiah 2
is no help to them.

Why?

Well, guess what makes it worse.

There is no commentary for Isaiah 2 by EGW to rely upon.

And by then PPH is destroyed. = Rev 17:16.

Right ?

By that juncture, you have as Gd said – the foolish (morons) virgins are left with no oil in their lamps.

They “hear” the Loud Cry of Rev 18
but cannot make a decision and

worse they experience what Matt 25 described

and the **DOOR WAS SHUT.**

And don't have the Key of David.

Laodicea will realise then, they lost out big time in their ignorance of Isaiah 2; Zech 8:23, and Rev 17 and the destruction of the purple woman = no NSL in the catalogue of end time and Final Events.

Laodicea fail the challenge of John 4:22,
by advocacy of FB 2,4 = the 1g
= salvation of the purple woman
= unclean lips

and they confidently say to the world, in conjunction with the 3AM of Rev 14 that the Alpha & Omega of Deadly Heresies is truth,

Right?

Never attempting basic Bible research + a tad of critical thinking.

If that's too hard ...

Well, they better respond positively at the time of the Loud Cry of Rev 18.

Here is an example

When you mention to Laodicean's that a
"son is given" = Isa 9:6-7 that He
was **Everlasting Father** #2 from eternal ages
= John 1:1

they all look at you, like you just STUNK-Up the room
with some foul doctrine,

when all the while the cleansing and the seal of Gd
by the Man in Linen = Sanctuary Doctrine = John 4:22

on the DoA,
= **Ezek 9** is "literally fulfilled".

So how is one sealed with the Fourth Commandment which is as supposedly to be the First Angels warning when you are in full support of the Omega of DHs?

Well, the Omega of DHs is the subtle annihilation of the HWM. Why? He was never God the Gd Eternal Son FB#4 in eternity.

And with lying lips you destroy Eternal Righteousness in the process. Which is the entire point of Rev 13:8. Without awareness of this texts importance which is eternal and the Everlasting Gospel you have no idea of deception of the Abomination of Desolation of Matt 24.

Therefore, a literal **cleansing** of guile from useless lips of clay is required prior to the final sealing otherwise Ezekiel 9 is false.

Because what follows the 'sealing time' are many astonishing apocalyptic events all in context to the **three woes**.

8:13 And I beheld, and heard an angel flying through the midst of heaven, saying with a **loud voice**,
Woe, woe, woe, to the inhabitants of the earth by reason of the other voices of the trumpet of the three angels, which are yet to sound!

There is no reason for regular worship in Laodicea.

Main reason?

The Law of Two is saying one big thing Laodicea are worshiping a **false** First Angel which is NeoPlationism and sparks that is Spiritualism.

Therefore, a False First Angel = Great Red Dragon that Old Serpent.

Egw said Satan breathed on them an unholy alliance and Laodicea didn't know difference. Saying it was Holy Ghost.

Exactly! why would you go to Lao to worship another god?

Result?

Here we see the church was first to feel stroke of the wrath of Gd. As Egw said.

In other words, the UPS Matt 12:31.

But it gets

worse what is the reward for ignoring the Three Angels messages when you are worshiping a **false first angel?**

Answer - Rev 14:9-11 [here](#)

The reward which is for UPS is recorded after third angels warning.

What a tragedy!!

But few can be bothered to draw the 3AM conclusion as written.

When you present the Biblical fact of Rev 17:16 the purple woman is destroyed and therefore impossible for a NSL being the First Angel warning

What happens?

Laodiceans laugh you to scorn.

An offended Gd and His indignation cannot be trifled.

It is written

same shall drink of the wine of the wrath of God, which is poured out without mixture into the **cup** of his **indignation**; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

Its timely to refer back to Job and what his discovery of ER was to him anyway.

- [Job 12:4](#)
 - I am as one mocked of his neighbour, who calleth upon God, and he answereth him: the just upright man is laughed to **scorn**.
- [Job 16:20](#)
 - My friends **scorn** me: but mine eye poureth out tears unto God.
- [Job 22:19](#)
 - The righteous see it, and are glad: and the innocent laugh them to **scorn**.

1. [Job 34:7](#)

- **What man is like Job, who drinketh up scorning like water**

Drink scorn like water. ?

Is that the infinite value and Eternal power and glory of ER that Job saw in every respect?

Has to be.

In effect it is the seal of Gd and the First Angels warning.

Goof around with the NSL which is entirely contrary to Rev 17:16 and then what?

But as you now know
Job drank scorn like water

Job was mindful of ER.
