

*"Watchman,
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"* Eze. 7:6 (Moffatt)

ETERNAL RIGHTEOUSNESS

What is it?

Law of 1
The Omega of Deadly Heresies
resists the

Eternal Righteousness
of He who made.

What is ETERNAL RIGHTEOUSNESS?

This short discussion looks at the Biblical evidence for Eternal Righteousness (ER) which is found throughout the Scriptures. But on first reads, many do not perceive its existence and therefore are extremely dubious of its salvational value for end time prophetic events particularly when it comes to **666**, the worship of the image let alone the MoB.

The reason why ER is poorly perceived is because of how the dominance of the Omega of DHs has smothered any opportunity to appreciate the Eternal Identity of HWM.

But now, you will realise why Paul emphasised **the First Principles of Christ** when it is all about the **ORACLES OF GOD**. Yeh, it been sitting there all along.

This 'order' of first principles from Heb 5 includes **Melchizedek** and why Christ Incarnate is of the Order of Melchizedek and therefore will provide the solid cornerstone of deeper insights exposing why the "**Law of 1**" resists the Biblical **Law of Two** = John 1:1.

The end time scenario – aka the apocalypse, will include the arrival of 'UFO' or 'ETs' which will mark the culmination of this conflict = **the 3 unclean spirits like frogs** which will manifest itself in the form of the arrival of either demons posing as Aliens as well as giants or ET races.

Not to forget, demons posing as spirits from the dead loved ones.

This delusion is now taking shape. There are countless YT videos of NDE which the devil is combining with prophecy of soon coming events such as the **first second and third woes** which can either be partly true or false. But who will discern the difference anyway?

One such prophecy appears to be about manifestations taking place in the skies above. No doubt that this would be not dissimilar to Project Blue Beemer.

For some time now when discussing ER in the field, most are surprised at the very expression and they look puzzled from an initial interest resort to their comfort zone = the 'love of Jesus' and then, those who are leery don't appreciate ER, its Divine Nativeness because as is the case, ER is its own definitive subject and they haven't given it a consideration with the Three angels messages of Revelation 14.

Fact is, ER has been often alluded to but **never** been published in the church paper or from learned professionals of the academies. Here's the thing: The concept of ER transcends Luther's epic conclusion of RxF from the 1500's.

You will gain insight why it never conquered self-Righteousness.

And yeh, The opponents, yes the Laodicea Christian guys – flat out deny repeatedly there is any uniqueness about ER that transcends everything beyond RxF, let alone be related with the 3AM of Rev 14 or that it equates to HWM, our Mighty God = who is and was Everlasting Father #2 and was ALSO GOD John 1:1.

For many a reason, Laodiceans of whatever ilk have been blindsided about the 'depths of Satan' because of the Law of 1. How? FB 2,4 which is the idea of the Law of 1 = FB 2,4 and that's one thing.

Why the concept of the Law of 1?

There is one Gd. Its monotheism in its fullest association with the purple woman otherwise the TTD is truth. They then fortune the God the Eternal Son FB #4 to be the proof of there is 1 Gd contrary to why Christ is ALPHA & OMEGA. Well didn't Satan wish to be like the Most High?

Well, the Law of 1 exists, its real, its foremost dazzling in deception within spiritualism and the New Age because as Laodicea say there is One Gd per FB 2,4 and everyone wants to school you by going into cognitive dissonance mode with the uniformity of a response because it, the Law of 1 is in their view seems to be the equivalent of the true therefore must be true.

But wait didn't Jesus say to Satan – **thou shalt not tempt the Lord thy Gd?** Luke 4:4 = The first person attributed to the Lord thy Gd was Christ Himself. Right? Meaning Law of Two = John 1:1 is immutable and incontrovertible from Heavens viewpoint.

Right?

In the series on the Alpha & Omega – it's been proven to be a DIVINE FACTOID, but that's deception for you and the deception is Alpha & Omega of Deadly Heresies.

It has been said that – "If the leader of the Law of 1 was eliminated by God and therefore removed, there would be disharmony in the kingdom of Gd." And so much so there would be endless doubt thru the eternal ages whether it was fair to eliminate the leader of the L of 1.

So, it leaves the obvious conclusion about the L o1 which is the ultimate essence of the abomination of desolation of Matt 24 and as HWM said that it would deceive if possible... the very elect.

Right?

That brings to life the very real conflict of the UPS – eternal sin which is palpable during the 1290 days of the AoD and the attack of the First Angel is centred on faith and faith in HWM and His ER.

Right?

Which means there is the importance of ER when it comes to the Three Angels Messages of Revelation 14.

Because Rev 13 presents the DIVINE COMMAND to worship HWM – which is the first angels message in verity.

Right?

and the only basis for that worship is not that He was Gd the **Eternal Son** of Gd which is a gross heresy of the Omega of DHs
the fact that the worship of HWM confirms His eternal Identity, as I AM and as also Gd and therefore Eternal Divinity it is rooted in ER.

That faith of ER = ERxF.

It transcends RxF since ER is the Root of RxF

Which is what is the very special and obvious conclusion of First Angel warning and its testimony when compared to LSFTFOW in Rev 13:8.

Nothing less than the full testimony of HWM
and His ER and his Eternal Identity.
Which was not as [Gd the Eternal Son](#).

No, because Isaiah stated He was
an **EVERLASTING FATHER**. Isa 9:6-7

The Revelator explains in chapter 12 in the war with the Great Red Dragon - they who are sealed in ER

"loved not their lives unto death"

for the LSFOTW of chapter 13:8.

And why?

ER is Divine Perfection

ER is transcendentally all powerful

ER = It is the power of His Christ.

Job took a while to figure that out.

The point is the **Law of Two** must have a

Witness at the Divine transcendent level,

which is Father #2 is on Eternal equality with Father #1.

Which places the condescension of the incarnation of Phil 2 into its Divine perspective.

He **thought it not robbery to be equal with Gd.**

ER exposes the mysterious root of evil and who exactly who was a liar from the beginning.

ER hateth liars from the beginning.

But not all creation were certain especially in the realm of the universe let alone of humanity, hence why the Judgement was set

A fiery stream issued and came forth from before him: thousand thousands ministered unto him, and ten thousand times ten thousand stood before him: the **judgment was set**, and the books were opened.

ER is the Root of RxF.

ER = Seal of Gd.

ER = law of Two.

ER = John 4:22.

ER = cleansing, no guile.

ER = the foremost discovery in context of Rev 13.

ER = exceeds both beasts of Rev 13. And prevails.

ER = The Word riding on white horse Rev 19 and his armies.

ER = looses, the pains of death.

ER = is the righteousness of the Law. = 10 C

Not one demonic entity the greatest to the least can deny ER.

They know ER confirms their great loss.

8:28 And when he was come to the other side into the country of the Gergesenes, there met him two possessed with devils, coming out of the tombs, exceeding fierce, so that no man might pass by that way.

8:29 And, behold, **they cried out, saying,** What have we to do with thee, Jesus, thou Son of God? art thou come hither to torment us before the time?

They know but everyone dismisses the Law of Two and they all feel by tradition the L of 1 is kosher. Right?

Read on.

ER = Alpha and Omega

ER = Jesus Christ

ER provides a glimpse of LSFOTW

ER is **NOT** Alpha & Omega of Deadly Heresies

ER - Who can deny what fallen angels cannot deny,
That the Lamb was not slain prior to foundation of the world

ER = Ancient, very Ancient, infinitely Ancient, infinitely powerful.

ER = is the summation of the Law of Two – the echad Elohim.

ER = Law of 2 = very Ancient.

Law of One actually contrives its own 'oldness'.

Its failure was of the created being Satan, devising the opportunity to be like the Most High. There were Two Divines – Ho Logos and Ho Theos en arche.

In that contrived L o 1 paradigm, that construct devised to exist to be like the Most High.
In fact, is the mystery of iniquity kill's LSFOTW

ER doesn't mean there is God the Eternal Son FB #4
ER doesn't mean Gods son was born in eternity.

ER does mean Death twice of HWM.

Slain **prior** to foundation of the world.

13:8 And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb **slain** from the foundation of the world.

Slain Calvary.

ER = Ushered in Everlasting Righteousness = Dan 9
That was being CUT OFF in the midst of the week.
= Died twice.

ER = Suffering Servant Isa 53.
ER = Gen 1:26

ER = Echad one.
ER and LSFOTW is what qualifies the seven seals to be Opened.

ER = I Am. = John 8:58

ER = Eternal Melchizedek
ER = Indestructible life of **Melchizedek**
ER established the **Order of Melchizedek**

ER = is the utmost theme of Revelation of A&O.

ER doesn't stop individual suffering or tribulation such as never was. Matt 24

ER confirms tribulations and suffering must eventuate.

ER = Every knee will bow to ER of HWM
ER = the seal of Gd in forehead of Two Fathers names engraved

ER is timeless
ER is all powerful
ER unlocks the obvious secrets of the Elohim

ER = Key of David
ER is the Authority that shuts and opens.
ER cannot be destroyed. Yet,
ER suffered the ultimate Loss. Death of HWM.

ER is the Glory of Gd
ER loves righteousness and hateth iniquity.
ER suffers all things.
ER is incomparable.
ER transcends infinity.

ER is the Everlasting Gospel.
ER has three messages.

ER knows the limit of the cup of iniquity.

ER must destroy iniquity

ER must suffer in an incomparable Divine Suffering of the removal of the 1/3 fallen, those who chose iniquity.

ER is in conflict with transgression of Righteousness
= Transgression of the law.

ER must encounter the abominations of desolation.
ER transcends all-natural and spiritual law.

The Law of ER = Law of 2 = John 1
ER is **eternal** = [Psa 119:142-144](#)

ER the measure of eternal Righteousness of the **Law of Two** and cannot be Law of 1

Undoubtedly much more can be added
and extoled about ER

unto the glory of HWM.

Eternal Righteousness

For the surface readers of Scripture – they bleat the only reference to ER is

Romans

5:21

That as sin hath reigned unto death, even so might grace reign through **righteousness** unto **eternal** life by Jesus Christ our Lord.

But they haven't read 2 Tim 1:9?

The detractors will say
5Agendas and ER
Is a construct.

Doesn't matter – they remain in full denial of HWM who is the LSFOTW anyway

and exposes their appalling ignorance
not having oil in their lamps

Law of One resists the First Angels warning.

Law of 1 is the Denial of Jn 1:1 , 2Tim 1:9 and
Eternal Divinity of the Law of Two.
The Two Everlasting Fathers of Isaiah 9.

Because ER is not explicitly mentioned it's a tremendous underlying theme of veiled glory it is not a human construct.

So here comes the inevitable problem of 2 Cor 11:14-15.

11:14 And no marvel; for Satan himself is transformed into an angel of light.

11:15 Therefore [it is] no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.

The Matt 18:6 problem.

There is to be a global exposure of the Matt 18:6 problem – a blood cult heading into 2026 and beyond and the narrative of exposing darkness by Satan’s “ministers of righteousness” about the appalling atrocities over many millenia from the Moloch worship.

So why the transition from gross darkness and evil to the age of light and love and judgment for the evildoers? Well it’s to counter the First Angel and ER. But also 2 Cor 11 is confirming a transition by Satan angel of light and his ministers be the same for the purpose of rendering their version of ER and the L o 1 making the Law of Two to be impossible to discern.

Which would mean the golden age augers well for the lead up and emergence of the ten kings of Rev 17, applying Matt 18:6 and booting out of the purple woman and then her complete destruction.

17:12 And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.

17:13 These have one mind, and shall give their power and strength unto the beast.

17:14 These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him [are] called, and chosen, and faithful.

17:15 And he saith unto me, The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues.

17:16 And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.

17:17 For God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.

17:18 And the woman which thou sawest is that great city, which reigneth over the kings of the earth.

Certainly, this is not Laodicea's description about the NSL.

Right?

What about you?

Other than with Allos, the future is foreboded with drama and supernatural events that are controlled by an angel of light.

Believe the L o 1 and what then? Read the last portions of Revelation 13.

So, what about the seal of Gd and ER?

Yes, ER is related to the sealing time because it means NO GUILLE and that's what is the focus of the Final ATONEMENT,

cleansing and the Seal of Gd emphasis is all about ER and the FA.

The cleansing is the lying lips to speak NO GUILLE.

Right?

ER is eternally linked with Melchizedek who was priest of God and the ministration was of the slain Lamb prior to the foundation of the world

and prior to David as pictured in Rev 5 and 13.

ER could NEVER have been in reference to eternal Sonship.

Something different was involved it had to be the Alpha of Eternal R.

Satan wanted to be like the Most High and here lays the fundamental issue of Eternal R, which was Melchizedek

Melchizedek had no father or mother or beginning of days nor end of Life.

Satan had a beginning,

that is why scripture states that he was perfect from the onset of his creation until iniquity was found.

The 'perfection' of Satan was **not** Eternal R.

28:14 Thou [art] the anointed cherub that covereth; and I have set thee [so]: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire.

28:15 Thou [wast] perfect in thy ways from the day that thou wast created, till iniquity was found in thee.

TWO GOATS

Then there are those two identical goats on the DOA
- one for the Lord, and the other Azazel.

The two distinct careers of the two goats reveals that something was fundamentally wrong with one of them, which was Azazel.

One goat lowered himself to death and the other was cast out into the wilderness bearing the responsibility for the Mystery of Iniquity since he was the 'father' of the matter. Satan wanted to be the other 'father'.

Why would Jesus have to bear upon himself the Mystery of Iniquity?

Jesus simply provided the Sacrifice for forgiveness on a daily basis, and the yearly required the Eternal R of the slain Lamb or Bull.

Only Eternal R could cleanse the heavens Heb 9 after a perfect sacrifice on earth , **only then** could reconciliation between the heavens and the earth take place.

Christ lowered itself unto death on the Cross in comparison to the Mystery of Iniquity, being the killer.

One was Eternally Righteousness and the other a murderer.

While Eternally valid in Eternal R, He "Christ" - had to qualify on earth by way of experience for representation.

When he overcame, he was designated Great High Priest of the **Order of Melchizedek**.

Eternal Relationship

The relationship between **Melchizedek** and the **slain Lamb** as the object of ministration prior to the literal Omega fulfillment is clear from the perspective of Melchizedek breaking out Bread and wine for Abraham **prior** to the Incarnation.

The ministration of the Priest of God in heaven revealed the reason as to why Abraham saw Christ's day. He also saw Christ day when he was asked to sacrifice Isaac.

Fact is that the Heavenly Sanctuary as presented to Moses on an architectural basis –

has its foundation in the slain Lamb,
not the structure.

The Lamb was the **Alpha** and at the very end in Rev 19 it is **Alpha** restored as the "**Word**"

and in Rev 22:1 it's the Lamb **prior** to David, based on his name in Rev 19 being the "Word".

This application of the Lamb in Rev 22:1 is also based on the Third Angel's message which in verity is Eternal Righteousness and showcased in Rev 13:8 in contradistinction to the Mark of the B.

The restoration of the FA in Daniel 8:14 and Revelation 14:6,7,8,9 **reveals** that the last facet of the FA is the restoration of ER, as the Key of David which will be the message of and by the Phillies.

Not Laodicea.
Why?

Laodicea is spued.

Considering the present importance of ER

Why has ER existed, just under the surface when reading the Scriptures and why has it been missed by everyone when of all Biblical evidence the concept of ER exists but was not specifically named? The answer of why is simple.

Eternal Righteousness

Was and has been thwarted for many millennia in its heinous deception the Alpha & Omega of deadly heresies

includes the 1290 years of the transgression of desolation by the purple woman and
Laodicea adopted carte balance
the AODH in its FBs in 1980.

For what? TO be good chums with BEM?

Well, what gets interesting after Luther and Wittenberg castle door
Something really weird crept into the onus of RxF.

which was ,

it was assumed to this day that the
"RxF" was all that
there was to there to be in regards to salvation.

Well when it comes to the Everlasting Gospel – there is the import of ER of HWM in
respect to the First Angels warning.

Right?

Well, guess what –

The formula ERxF doesn't alter one wit
anything about RxF
because ER exalts HWM to His Highest Identity – I AM ALPHA

And ER is HWM's
and His alone and the eternal righteousness is its own DIVINE VERITY
And from that vantage point, it magnifies the eternal
grace of the Elohim the Law of TWO
well beyond the concepts of RxF

ER Outreaches and is deeper than anything
that attempts to
Assail or resist the Law of Two Divines
Can only be one thing the L o 1.

That is not the responsibility of RxF

ER is the Testimony of the Two Divines
The Two Associates of John 1:1
= The Law of Two.

Therefore, the "**testimony of Jesus**" Rev 1:2, 1:9; 12:17

is not the condensed notions of RxF
but extends back and beyond the foundation
Of the world.

Whereas RxF is codified to the Cross and being born again.

By RxF one is Justified by repentance and the Righteousness of Christ is imputed and associated with the believer. ER transcends all.

The emphasis of RxF doesn't hold anyone's semblance to the doctrine of why Christ is ALPHA & OMEGA.

For the sheer reason that if RxF was about Eternal Righteousness then why did Laodicea adopt the Alpha & Omega of Deadly Heresies in FB 2&4?

Why did every Lutheran and all Protestantism to this day subscribe to the one gd affirmation of faith with the purple woman's Trinity FB#2 and God the Eternal Son FB#4 doctrines.
Doesn't make sense.

Right?

Are you now seeing the problem with RxF?
RxF in the Eternal Sin discussion [here](#)
concluded RxF by way of the example of Job
that RxF **cannot defeat Self Righteousness**

So, do you begin to see why RxF is ok, but insufficient for the requirements of the Everlasting Gospel and the Seal of Gd and also entirely deficient when it comes the first principles of Christ
let alone the ORACLES OF GOD?

Right?

Fact remains - RxF never saw the Alpha & Omega of
Deadly Heresies coming .

The facts of ER were impeded by the AODH which meant
Everyone could **not** venture forward in
the appreciation of ER

Why?

because of the limitations it placed upon the Oracles of God and the first principles of Christ and those GDHD limitations

Self R imposed huge restrictions on their thinkings by Omega of deadly heresies and therefore any knowledge or awareness of the depths of Christs Eternal Righteousness in the first instance,
could not meet the Eternal Plummet and be plumbed,

and so once you BEGIN to appreciate why ER is the
Root of RxF then only then,

can one begin to unshackle the chains spiritual burden and deception which is to retain
YOU as to be in continual
subservient disbelief about the Law of Two

but bedazzled by the mystery of Iniquity and the Omega of DHs,
even though you love God and Christ.

It is because of **disbelief** about the LAW OF TWO
The Truth of the Law of 2 was singularly drowned out
By the Omega of deadly
heresies

and as to the texts, you encounter when read in their proper setting
unfold essential realities of the Everlasting Gospel

and Gd presents to you those settings of the Final Atonement, the Seal of Gd and you
cannot be sealed with GUILE from your mouth about the First Principles of Christ or the
ORACLES of Gd.

For the fact is ER was **always eternal** and
To appreciate its Transcendent Divineness,
ER has the sole Association unto why Christ
said I AM ALPHA & OMEGA which is unto the **glory** of the
Law of Two

And that is a DIVINE COMMAND rendering the First Angel warning as an absolute
Immutable Divine Command

Which is In verity true from the standpoint
of John 1:1 and Gen 1:26 and the Alpha & Omega.

With that in mind the foundation of the
Cosmic Controversy = the Great Controversy

was always about ER and unto the thorough
Awareness of Rev 13:8 and the irrelevance of 666 or MoB.

Only until ER was discovered in reference to Rev 13
only then could the conclusion of its
SOLE RELATIONSHIP

with Rev 14 and the
Three Angels warnings be grasped in their accurate verity.

The basic premise of RxF when you review the theology.

Well, with RxF its primarily of how it's preached and
Yes it is ordained of Heaven and replete in the epistles of Paul – but that doesn't diminish
its purpose

but when Push comes to shove at the time of the Abom of Desolation of Matt 24:15 = war of the Great Red Dragon - RxF is self-centred and self-Righteous. For those trying to connect the dots – the answer is presented about RxF and ERxF when probation is closed is seen in Revelation 22:11

22:11 He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be **righteous still**: and he that is **holy**, let him be **holy still**.

That's quite a surprise isn't it.

Why?

RxF is effectually "my faith" in Righteousness of Gd

Well, from the perspective of ER we find RxF is deficient somewhat because you wouldn't be messing with or have no clue about the Omega of DHs and for one simple reason

ER was solely all about HWM the LSFOTW and the eternal glory of the echad Elohim

And HWMs Righteousness is his eternal glory.

Because ER existed **prior** to foundation of the world.
In the Ancient Eternal Times of the Two Everlasting
Father's Isa 9:6-7

It is evident ER was understood in the times of Paul
and earlier prophets.

Paul kindly chided the Hebrews and Colossians
For abandoning the FIRST PRINCIPLES of the
ORACLES of Gd. See Heb 5:12.

5:12 For when for the time ye ought to be teachers, ye have need that one teach you again which [be] the **first principles** of the **oracles of God**; and are become such as have need of **milk**, and not of strong meat.

Milk = RxF

Today, everything one assumes about RxF is leaving everyone to fail when it comes to the Alpha & Omega of Deadly Heresies that EGW warned.

The evidence of the transcendence of ER can be noted and if you read thoughtfully the following texts they are all about ER and not self-centric self-Righteousness assumptions of the GDHD are not seen with ERxF.

And so, without the Key of David, one cannot in a billion years
Even begin to unravel the Omega of DHs.

That is not an exaggeration.

Otherwise, Laodicea would have resolved the problem by now and quit the purple woman's theology of the Godhead.

But never did. So how deceptive is the OMEGA OF DHs?

Now for a couple of examples.

Context of ROMANS 1 you will note concerns the definition of "SONSHIP" = which was the Incarnation = Rom 1:3,4
gives you the context of Pauls theology on Eternal Righteousness is not the Law of one.

No,
ER was always
about the **LAW OF TWO**.

Romans

1:17

For therein is the **righteousness of God** (=ER) revealed from **faith** to **faith**: as it is written, The just shall live by **faith**

Romans

3:22

Even the **righteousness of God** (=ER) which is by **faith** of Jesus Christ unto all and upon all them that believe: for there is no difference:

Otherwise, If ER was not Eternal, then Christ was the Eternal SON.

So, all you are left with is RxF in the Omega of DHs.

And that prevails as it does today and why?

Because Christ could not claim to be ALPHA & OMEGA.

Right?
