White Horse rider

Rev 6:2

7 Toxon's

The Apocalypse Era?

When modern memes used within the realm of modern communications and are noticed, they go viral. For example last northern summers' **Paris Olympics** the mechanical "white horse rider" appeared galloping over the **Seine River** [here](#); and then just a week ago PPH gifted the WHITE HORSE [here](#)

Regardless of how viral, few perceive the existence for a complex operation by design, or portents they are heralding.

But then, who has first class discernment anyway? HWM said “**Few be that find it**”. But, as it is, ppl see these memes and move on with life. Forgetting Gd ALSO spoke in memes. For the literate, the illiterate and the spiritually illiterate.

But then, are we witnessing the ‘arrival’ of the “Apocalypse era” regardless these adopted memes by the men of this world who borrowing apocalyptic memes, to use them for their cognitive memorabilia?

Cognitive memory is a direct connection to the conscience.

= UC ?

Right?

Well, for those who consider themselves ‘first class operators’ when it comes to spiritual discernment of Gds vast meme catalogue = the Book of Revelation, it’s suggested to note

the **SEVEN TOXONS in prophetic history.**

What are the seven toxons?

How are they relevant to the 7 seal and trumpets?

To get to a basic level of the “bow” a toxon the white horse rider is carrying
= [Rev 6:2](#)

I looked, and kai behold idou, a white leukos horse hippos! And kai the ho
one seated kathēmai on epi

it autos had echō a bow toxon

bow = toxon;

and kai there was given didōmi to him autos a crown stephanos, and
kai he went exerchomai out conquering nikaō and kai to hina conquer
nikaō.

Yeh, you saw the word, toxon,

sure, jumps off the page doesn't it and the rider on white horse had a bow a
toxon.

Its root meaning **titko** is quite something.

So, what are the wider, if not surreal implications about the white horse rider
meme of the first seal of Gd which was borrowed and presented at **Paris in**
2024 by design and how is it then connected to **PPH** another design in the
goal of conquering and to conquer in **2025**?

Those unprepared best set aside their rigid assumptions, or hit delete now
and go away.

For those who wish to see why this word **toxon** = 'covenant' and its relevance down throughout history, well, for one thing it's worth considering it holds a

unique meaning [here](#)

= birth as seen from **Englishman's concordance** and root meaning is stunning when placed in its correct prism.

toxon a bow.

From the base of [tikto](#); a bow (simplest fabric) -- bow.

see **GREEK** [tikto](#)

READ for yourselves the list of examples cited from the **Englishmen's concordance**

The emphasis is birth of HWM = New Covenant

Then the bow would be a **covenant** of an origin.

CONCLUSION 1

The toxon = "bow" of the White Rider = the birth of a

covenant which goes forth riding and to conquer

= agreements, peace accords and goodly trade arrangements = birth of the era of the apocalypse.

Most would respond – oh, that's far-fetched.

Well good for them and for them to be even be bothered to get this far, they be fidgety clanging cymbals, **unaware** the era of the Apocalypse has commenced.

CONCLUSION 2

A prominent individual recently travelling widely **and establishing agreements, peace accords and signing goodly trade pacts and there's the case for a Peace Prize.**

Fact is, these accords and signed trade covenants are reestablishing things into a newer order of business and spiritual goodwill by design.

The golden age.

Right?

No one can deny what's going on today follows Paris meme, and **Leo** the American pontiff receiving the gift of the (*leukos hippos*) the white horse.

What then is the BOW = **TOXON** = covenant?

Is it something novel and inappropriate?

No!

When one considers Biblical history – Toxons are nothing more than the 'Great Words' spoken by the **Little Horn** whose career began with the emergence of **Justinian** but in these last days there is an apotelesmatic Principle,

which presents the emergence of another end time Emperor known in **Catholic Circles** as the **Great Monarch**

but is prophetically identified in scripture as the **7th King** of the latter part of Revelation 17:10

The toxon = bow of the White Rider = the birth of a covenant which goes forth riding and to conquer and agreements, peace accords and goodly trade
= birth of the ERA of the apocalypse.

This all takes us back to the concept of Pontifex maximus but there is more.

There is the concept of the "Great words" spoken by the Little Horn.

This concept of Toxon of Revelation 6:1 agrees with history because that has been the role of the 'woman of ill repute' throughout history.

She has brokered deals between nations. It's called **fornication with the Kings of the earth**.

Revelation 18 describes **all** of her financial exploits as well as her secret dealings with the Kings of the earth. They reference her as the 'great city.'

They cry and lament on account of her downfall with respect to the matter of trade both licit and illicit.

Then there is the matter which carries **more spiritual weight and responsibility** as

in making

slaves the souls of

men. [Rev 18:13](#)

The general description of the items mentioned in reference to **world trade** implies that this organization has been a 'mover and shaker' of world economies, but **especially, at the end of the age.**

Ancient historical sources point to the fact that prior to its acquisition of the name of Jesus Christ it was a **hill of divination** an important part of statecraft,

as well as been purported to have been founded by Simon Magus, the magician of the book of Acts, which Peter encountered while he was preaching

along with Philipp in Samaria.

Whether this is so, still remains a mystery, but this organization while promoting Christianity on the surface, as well as it being the surface religion, there has always been an underground religion of the Gnostic type, mystery religion.

Even though that in the past, commencing in the 3rd Century AD, she was faced with an internal conflict when

Marcion the Gnostic teacher

within her organization

began expressing the **Gnostic** belief that the God of the Old Testament was evil and that the God of the New Testament was good.

While **she was neither the founder of true Christianity** or the **establisher of the Canon of the Bible**,

the latter was one of the greatest feats

that can be credited to her –

since her scholars knew which of the New Testament books were authentic and separated them from the **Gnostic counterfeit** mythos-based books which were not written by either Peter, Paul or John or Thomas.

Even though, they may have used these names, the style of writing and the Gnostic theological elements within these writings, easily exposed them as counterfeits.

She has also been credited with being a 'light' during the dark ages. Perhaps from a cultural perspective but not a spiritual one.

Same can be stated about Islam during the 700-800 hundred years when it was the religion of Southern Spain,

Yet, like Catholicism in Western Europe or in the New World we see this continuance of the concept of "**Toxon**" especially under **Charlemagne** in the year **774AD**

which was accurately predicted in the **Book of Daniel**,

here under Charlemagne, the church spearheaded the concept of **Feudalism** and eventually took it to new heights in the New World as specifically in Latin America where the concept of land ownership of the Hacienda was a carryover from old Feudal Europe.

³⁷ Neither shall he regard the gods of his fathers, nor the desire of women, nor regard any god; for he shall magnify himself above all.

³⁸ But in his ^[z]place shall he honor the god of fortresses; and a god whom his fathers knew not shall he honor with gold, and silver, and with precious stones and pleasant things.

³⁹ And he shall deal with the strongest fortresses by the help of a foreign god: ^[aa]whosoever acknowledgeth *him* ^[ab]he will increase with glory; and he shall cause them **to rule over many, and shall divide the land for a price.**

There is no doubt that there was a **transference** of power from the Roman Emperors,
over to the Papacy,

Yet, what is being referred to in **Daniel 11:38-39**
is the concept of the World Priest **and** the World Monarch **which**
many historians referred to as the 'Grand Design' **which was the**
idealistic belief

that the Church would continue the heritage of the Roman Empire, and submit the nations to Jesus Christ, and finally set up the Kingdom of God on earth.

Augustine wrote about this matter believing that the New Jerusalem was in fact the Catholic church reigning over the Kings of the earth.

This is exactly what is presented in Revelation 17 a mystery woman riding over a Scarlet coloured Beast.

Also, the reason for the apotelesmatic in relation to the 4 horsemen of the apocalypse is on account of the first and 7th **heads** of the Scarlet Beast.

As well as the Death Decree by the image.

For - It's the main basis for the Apotelesmatic of the 4H.

The SEVEN TOXONS

1st Toxon

It is only logical to assume that based on **the Seals of the book of Revelation 6** that there is an Apotelesmatic application = a dual aspect of prophecy and this principle emerges to involve the “white Horse rider.”

Phase 1 of Toxon would be Justinian in 533AD

<http://moellerhaus.com/studies/JUS533.HTM>

Following this decree which supplanted Jesus Christ as the Great High Priest of the 7 Churches in the book of Revelation,

we then witness the results as presented by the 4 horses.

Starting from **533** and later **536** AD the sky went dark and crops were affected. This can be found under the heading “**536AD worse year of human history**”. [Here](#)

2nd Toxon

The next Toxon would be the [Royal Pragmatic Sanction of 554AD](#) of which Daniel 7 predicted would that coming out of the 4th Beast would be 10 horns and that a Little Horn would arise and would uproot 3 of 10 Horns.

This great words of the Little Horn
= "Roman Emperor of the East " Justinian
would mark the final defeat of the

Arian Ostrogoths by

554AD

thus, fulfilling the uprooting portion of the 3 Kings -

Witiges, Totila, Tia [here](#)

3rd Toxon

Entails the **genealogy** of the White Horse and rider.

It will be declared by **genealogy** that he is a descendant of the Zara line of Kings of the Davidic throne in England after the downfall of the Perez line of Kings by way of the Babylonian captivity.

With King Zedekiah being the last of the Perez line of Kings to sit on the throne of Judah.

4th Toxon

The Ensign of David ?

He will gather the 'lost tribes of Israel' in an end time deception. They will be gathered under the **Old Vineyard** teachings, rather than by way of the Parable of

the **New Vineyard**, of Matthew 20.

The 4th Toxon revolves around a false restoration of unsaved people who will still come under the heading of the Lost tribes or false 144,000.

<https://www.britannica.com/biography/Zedekiah>

This **7th Holy Roman Emperor** of Revelation 17:10 last portion of the verse,
Will be referred to as **Messiah Ben Ephraim**.

He is destined to be the White Horse rider that Gd said will fight the wars
for latter day Japhet's descendants.

Possible things to take place during his reign.

A so-called **Universal peace**, a **New Reformation**
which will totally **eradicate** Protestantism and submit it as
just another branch of the Catholic mother-church,

which will be one of the **3 sections** of the up-coming Great
City.

Daniel 11:40 reveals that when he enters into the 'glorious
land' he will be hailed as the great
defender of Japhet.

Glorious victories of the 7th King.

⁴¹ He shall enter also into the glorious land, and many *countries* shall be overthrown; but these shall be delivered out of his hand: Edom, and Moab, and the chief of the children of Ammon.

<https://byzantineprophecy.com/wp-content/uploads/2020/01/medieval-legend-of-the-last-roman-emperor-and-its-messianic-origin-1978-paul-j.-alexander.pdf>

His **war chariots** will be based in Jerusalem as indicated

The White Horse and its conquering aspects

⁴⁰ And at the time of the end shall the king of the south ^[ac] contend with him; and the king of the north shall come against him like a whirlwind, with **chariots**, and with horsemen, and with many ships; and he shall enter into the countries, and shall overflow and pass through.

⁴¹ He shall enter also into the **glorious land**, and many *countries* shall be overthrown; but these shall be

delivered out of his hand: Edom, and Moab, and the chief of the children of Ammon.

⁴² He shall stretch forth his hand also upon the countries; and the land of Egypt shall not escape.

⁴³ But he shall have power over the treasures of gold and of silver, and over all the precious things of Egypt; and the Libyans and the Ethiopians shall be at his steps.

The downfall of the Great Monarch 7th king

¹⁰ And I will cut off the chariot from Ephraim, and the horse from Jerusalem; and the battle bow shall be cut off;

The Legend states that he will stall the coming of the antichrist and finally lay down his crown in Jerusalem and **Zecharia 9** describes this in the following way.

His **successor** will be The Antichrist,

or 8th King

of Revelation 17:11.

The Beast is an "8th King, and of the 7."

17:11 And the **beast that was**, and **is not**, even he is the **eighth**, and is of the seven, and goeth into perdition.

Zecharia 9:10 latter section:

Jesus stated if **another come in his own name you will receive him: John 5:43**

" and **he** shall speak **peace** unto the nations: and his dominion shall be from sea to sea, and from the River to the ends of the earth".

This is **not** referring to Jesus Christ,

it's in reference to **Messiah Ben David**, = another who comes in his own name and he is

**the 8th King who dethrones the 7th King
or White Horse rider.**

The 3 Messiahs of Zecharia 9:9-10

- **First one** in verse 9 is riding on a Donkey.

This is **Jesus Christ, the true Messiah**.

- **The second** will be the **white horse** rider or **Messiah Ben Ephraim**.

- **The 3rd** will be **Messiah Ben David** or **8th King of Revelation 17:11**.

More commonly known as the **Beast** or “man of fierce countenance” in Daniel 8:24.

Zechariah 9

⁹ Rejoice greatly, O daughter of Zion; shout, O daughter of Jerusalem: behold, thy king cometh unto thee; he is just, and ⁱⁱhaving ⁱⁱsalvation; lowly, and riding upon an ass, even upon a colt the foal of an ass.

¹⁰ And I will cut off the chariot from **Ephraim**, and the horse from Jerusalem; and the battle bow shall be cut off; **and he shall speak peace unto the nations: and his dominion shall**

be from sea to sea, and from the River to the ends of the earth.

5th Toxon

Revelation 13

⁴ and they ^[c]worshipped the dragon, because he gave his authority unto the beast; and they ^[d]worshipped the beast, saying, Who is like unto the beast? and who is able to war with him? ⁵ and there was given to him a mouth speaking great things and blasphemies; and there was given to him authority ^[e]to continue forty and two months.

⁶ And he opened his mouth for blasphemies against God, to blaspheme his name, and his tabernacle, *even* them that ^[f]dwell in the heaven. ⁷ ^[g]And it was given unto him to make war with the saints, and to overcome them: and there was given to him authority over every tribe and people and tongue and nation.

⁸ And all that dwell on the earth shall ^[h]worship him, *every one* whose name hath **not** been ^[i]written from the foundation of the world in the book of life of the Lamb that hath been slain

= The reign of the 8th king.

6th Toxon

Ends with a global contract 666

¹¹ And I saw another beast coming up out of the earth; and he had two horns like unto a lamb, and he spake as a dragon. ¹² And he exerciseth all the authority of the first beast in his sight. And he maketh the earth and them that dwell therein to ^[m]worship the first beast, whose death-stroke was healed. ¹³ And he doeth great signs, that he should even make fire to come down out of heaven upon the earth in the sight of men.

¹⁴ And he deceiveth them that dwell on the earth by reason of the signs which it was given him to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast who hath the stroke of the sword and lived.

¹⁵ And it was given *unto him* to give breath to it, *even* to the image of the beast, ^[n]that the image of the beast should both speak, and cause that as many as should not ^[o]worship the image of the beast should be killed.

¹⁶ And he causeth all, the small and the great, and the rich and the poor, and the free and the bond, that there be given them a mark on their right hand, or upon their forehead; ¹⁷ and that no man should be able to buy or to sell, save he that hath the mark, *even* the name of the beast or the number of his name.

¹⁸ Here is wisdom. He that hath understanding, let him count the number of the beast; for it is the number of a man: and his number is ^[p]**Six hundred and sixty and six.**

7th Toxon and true Toxon

¹¹ And I saw the heaven opened;

and behold, a **white horse**, and he that sat thereon ^[g]called **Faithful and True**; and in righteousness he doth judge and make war.

¹² And his eyes *are* a flame of fire, and upon his head *are* many diadems; and he hath a name written which no one knoweth but he himself.

¹³ And he *is* arrayed in a garment ^[h]sprinkled with blood: and his name is called The Word of God.

¹⁴ And the **armies** which are in heaven followed him **upon white horses**, clothed in fine linen, white *and* pure.

¹⁵ And out of his mouth proceedeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the ^[i]winepress of the fierceness of the wrath of God, the Almighty.

¹⁶ And he hath on his garment and on his thigh a name written, King of Kings, and Lord of Lords.

¹⁷ And I saw ^[j]an angel standing in the sun; and he cried with a loud voice, saying to all the birds that fly in mid heaven, Come *and* be gathered together unto the great supper of God; ¹⁸ that ye may eat the flesh of kings, and the flesh of ^[k]captains, and the flesh of mighty men, and the flesh of horses and of them that sit thereon, and the flesh of all men, both free and bond, and small and great.

¹⁹ And I saw the **beast**, and the kings of the earth, and their armies, gathered together to make war against him that sat upon the **horse**,
and against **his army**.

²⁰ And the beast was taken, and with him the false prophet that wrought the signs in his sight,

wherewith he deceived them that had received the mark of the beast and them that ^[l]worshipped his image: they two were cast alive into the lake of fire that burneth with brimstone:

²¹ and the rest were killed with the sword of him that **sat upon the horse**,

even the sword which came forth out of his mouth: and all the birds were filled with their flesh.
