

*"Watchman,
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"* Eze. 7:6 (Moffatt)

WHAT TRIGGERED THE MYSTERY OF INIQUITY?

&

Why does Revelation 13:8 identify this?

The misperception about **Rev 13:8** the **Lamb that was slain from the foundation of the world** = (LSFBTFOTW) is that its **erroneously** linked with **Calvary**; yet as has been stated previously this verse is in the context to the MOTB which

= the One G = **the Omega of Deadly Heresies.**

There is however the Divine Witness of the **Law of Two**

= **John 1:1** which is confirmed

in **John 17**

to **glorify me with the glory that I had alongside you prior to the foundation of the World.**

This is the answer to the matter of confusion and misperception.

Just prior to Calvary,

Christ was glorified **prior** to the cross (**Transfiguration**) and that detail conveys much because it reveals Eternal Righteousness of the **Law of Two prior** to the foundation of the world.

The slaying prior to the foundation of the world had to be Lamb's decision to lay down his life.

Its revealed in **Psalms 110:1**

the Right side of where he sits

was back then the Eternal Righteousness of the **Law of 2.**

The 'lowering' and the hanging out with the Angels may have produced a disrespect on the side of those Luciferian Angels.

That initial lowering may have resulted in the mystery of iniquity. Since you lowered yourself, I am like you.

The Two goats Lev 16

The two Sanctuary goats = identical, the Lord's goat reveals that **false equality** since what was behind the "Lord's goat" was Eternal Righteousness. (ER)

But, to the heavenly hosts there was some **mystery** involved as to why Lucifer could not be in that position. But as has been discussed, later or prior was the decision made.

Perhaps it was made when he decided to lower himself to hang out with the Angels as Angel of the Lord, as comrades, and not necessarily the other way around after the fall of Satan.

There is a saying about guilt by association.

This association with the Angelic host was not HWM tempting Lucifer or the Angels.

The **mystery of iniquity** was given birth by way of growing [Envy](#) that we are the same.

It is a fact Lucifer was created beautiful.

Ezekiel 28

**The question is, was it to fulfill his downfall,
if he would let sin dominate him?**

If Satan would not have permitted sin to dominate him, then there would have been **no sin or mystery of iniquity**.

Ultimately this results in the fact that HWM had to have known.

The fault did not lay with HWM, it was the outworking of his plan but he didn't sin. Lucifer sinned.

Fact is he was stupid.

For the creation was subjected to vanity, not of its own will, but by reason of him who subjected it, ^[g]in hope ²¹ that the creation itself also shall be delivered from the bondage of corruption into the liberty of the glory of the children of God.

²² For we know that the whole creation groaneth and travaileth in pain ^[h]together until now. ²³ And not only so, but ourselves also, who have the first-fruits of the Spirit, even we ourselves groan within ourselves, waiting for *our* adoption, *to wit*, the redemption of our body.

This Lowering of Christ and his relationship among the Angels somehow caused a split.

Christ was the only one permitted to enter into the
Counsels of Eternal 1 (=Zech 6:13) in the
Northern Sector = '**sides of the north**'. (=Isaiah 14:13)

This was prohibited for the angels.

Again, we can see the temptation or attitude as being if we are the same =
Two Goats on the DoA

The malfeasant thinking being –

why is it that "**I (Lucifer) am not permitted to enter into these divine
counsels? Well, let me find out for myself.**

**Let me fly over the nebulas and the Stars to arrive at that point of UC
where I can become**

like the Most High.

The Mystery of Iniquity

The **Mystery of Iniquity** = the mystery of ascending by my false
righteousness that I since I myself really don't possess true righteousness I
will now define my own Self-Righteousness

and seek my own knowledge

and not simply believe what this guy,

who claims to be the Creator, if he truly is or not.

If he is not, then I can become like him just like this other guy who is **equal** to me = **Two goats.**

Why would not this be the **self-talk** of Lucifer?

Well?

Because in those Divine counsels it was already determined that this **lowering** would trigger the **mystery of iniquity.**

Yet, it wasn't the sin of HWM, it was foreknowledge

that one day HWM could truly trust a creation in which he could truly lower himself by his Spirit = himself dwelling within them, as well as filling up the Universe at all points with "my tried and trusted people on planet earth"

through my first man Adam,

to later accomplish my goal of placing myself within them after their trials on earth,

thus completing **"I Christ myself placing myself within You as your hope of glory"**

which is not

and can never be based

on the mystery of iniquity

The reason this summary is peerless in accuracy is because of a lot of things.

First, the reference to Lucifer and the conclusions about the Mystery of Iniquity = being tested to the uttermost,

and why HWM hung out with the angels

= Angel of the Lord

So, that the entire concept of flushing out and the Mystery of Iniquity is a genius military strategy

exposing the enemy of Eternal Righteousness.

But also, because in respect to the Mystery of Iniquity there exists a difficult verse that has remained a mystery for many, and this lowering of HWM explains Isaiah 45:7

45:7 I form the light, and create darkness: I
make peace,

and create evil:

I the LORD do all these [things].

Other than Rev 13:8 with 2 Tim 1:9 with Philippians 2:5-10
what evidence can anyone get to the true basis and ultimate
meaning of why **Gd created evil** without any **reference to**
Eternal Righteousness ?

It's impossible.

It must be concluded **Isaiah 45:7** has a close relationship to **Rev 13:8** and
the mystery of iniquity because Rev 13 concludes with the MOTB and
worship of the image

because it is only Eternal Righteousness that explains the growth of
envy until in the fullest expression of the Mystery of Iniquity and is
experienced on earth.

Why?

so that conclusion of the **mystery of Iniquity** is known recognised and
understood with final forewarning of the three angels messages that have
always been based in Eternal Righteousness of HWM and also which is why
one worships HWM – see Rev 13:8-9

And why?

because He was ALSO Gd = John 1:1

What most do not see when they read Rev chapter 13 – what exists is a fact
- the First B and Second B surround either side Rev 13:8-9.

Why then the prominence of Rev 13:8?

When everyone else is geeking and hand wringing about the MoB and 666

If you can draw the proper conclusion about Eternal Righteousness of HWM which is not God the Eternal Son FB#4 or the Trinity baloney - one can only then begin to see why the MOTB and or the worship of the image, is ultimately the worship of Self = **Self Righteousness**.

And anything that justifies self = **the mystery of iniquity**.

This **mystery of iniquity** was detected in Lucifer, that Old Serpent the devil.

Rev 13:8 is telling everyone with ears to hear that the origins of the MOTB is for the purpose of the annulment of Eternal Righteousness and the Seal of Gd.

For those who wish to read further – Review Ezek 28 RSV. Note the word 'engravings' in vs 13 = meleketh.

The **mystery of Iniquity** is the ultimate example of the reversal of the seal of Gd, because The Elohim from eternity placed a Divine engraving as Author of all creation.

The Seal of Gd (Rev 7) effectuates the **engraving** of the Law of Two = Two Fathers in Rev 14:1 which is to signify the authenticity of the 144 and what – their faith in ERxF and their immortality.

The Eternal Righteousness of HWM is the First angels warning in verity.

First Angel pronounces the command - to worship HWM **not as a Trinity or God the begotten Eternal Son**

– NO!

There is another realm of things to consider about Lucifer **prior** to the creation of the Earth and Eternal Righteousness.

It is **his** Self Righteousness = **Mystery of Iniquity**.

A lot of ignorance is shared by the padres and elders of Laodicea and what comes with that is the confusion about **Rev 13:8** and the Cross, let alone the First Angel the Law of TWO and it's all there in Rev 13 sitting there for the contrast.

How?

That at the commencement of the **3 WOES** - the rest of the universe is watching the drama unfold.

Right?

The entire meaning of **Eternal Righteousness** of HWM and the transfiguration and then the Cross and at the end of the age, Daniel 12 tells you the controversy over the Mystery of Iniquity results in the contrast of the **MOTB** vs **the Seal of Gd** = and once fully exposed for all of its horrors unto humanity and creation – there is pronounced from Heaven –

IT IS DONE.

Is it then NO WONDER there is silence in Heaven at the time of the opening of the 7th seal that follows the seal of Gd and Rev 7?

8:1 And when he had opened the seventh seal, there was silence in heaven about the space of half an hour.

8:2 And I saw the seven angels which stood before God; and to them were given seven trumpets.

Rev 12:12

Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.

That **great wrath** is the disclosure to the universe and humanity what is the conclusion of Self Righteousness

John 1:1 states the WORD = HWM is eternal as God is eternal and Satan was created in whom was found the mystery of iniquity - why would not the Law of Two = the Two Fathers names be the SoG.

Think about it.

When one realises HWM chose to relinquish his Self, in the counsel of peace from days of Old which was Christ's Eternal ALPHA Identity = His Eternal Righteousness

First, as the LSFOTW = Rev 13:8 = death of Self,
and all Self Righteousness confirmed in Gen 3:15
to die, taking the form of a slave

= **the Offspring of David** (OMEGA) to usher in Everlasting Righteousness and furthermore, **God said the heavens and man require cleansing = Heb 9:23**

9:23 [It was] therefore necessary that the patterns of things in the heavens should be purified with these; but the heavenly things themselves with better sacrifices than these.

There is **individual** cleansing on the Antitypical Day of Atonement = Fall feast, there is the seal of God with two Fathers names = John 1:1. To establish forever Eternal Righteousness the true divine bedrock of Divinity of the Law of Two.

God is saying **The Mystery of Uniquity** will be exposed

By Rev 13:8.

Rev 13:8 is the trigger

that exposed the mystery of Iniquity from eternal ages past.

Now consider a chapter you have read many times

13:1 And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

13:2 And the beast which I saw was like unto a leopard, and his feet were as [the feet] of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.

13:3 And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

13:4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who [is] like unto the beast? **who is able to make war with him?**

13:8 And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the

Lamb slain from (prior) the foundation of the world.

13:9 If any man have an ear, let him hear.

13:11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.

There it is

The **Two Beasts**,

The first B and the Second B midst is the chapter

And **Rev 13:8** the LAMB slain before prior

the foundation of the world = Alpha & Omega

= 2 Tim 1:9

= the doctrine of Eternal Righteousness
that maketh war !!

Yes, the testimony of Rev 13:8 exposes the mystery of iniquity.

**This verse exceeds in importance
the MoB or 666.**
