Notes :

Harvey Kellogg: Laodicea didn't recognize the Alpha Pantheism. Pantheism was just a general term which doesn't address its relationship to the Omega of Deadly heresy.

Minneapolis GC 1888

The failure of Eternal Righteousness.

Jones and Waggoner could not be successful in the preaching of the 1888 Message on account of their Arian erroneous Godhead belief namely that Christ was created or Begotten way back in time.

Meaning that he basically was an Eternal Son which was from its commencement point a Neo Platonist Greek Pantheistic **emanation** doctrine which is presented on the first section of this chart.

Flipside

There is no difference between the Arian belief of Christ being created or Christ being begotten prior to the Incarnation. Both are heresies and both are the flip side of each other.

In 1980, Laodicea placed this same Catholic- Arian view marking the failure of 1888 into their Fundamental Statements of Beliefs namely 2 and 4.

The Eternal Son doctrine and the Trinity.

Laodicea cannot place or present a new definition of the Eternal Son doctrine since the Catholic Creeds of both East and West historically defined the doctrine **as Christ being begotten or birthed in the heavens prior to the ages.**

This is the Classic definition of the Eternal Son doctrine which is opposite of the Incarnation son doctrine of Romans 1:3; as well as the 'Sonship' of the Resurrection doctrine of Romans 1:4.

Psalm 2:7

Cannot be utilized to prove a 'begetting' of Christ prior to the Ages since Act 13:30-33 states that the Resurrection of Romans 1:4 was the fulfillment of Psalm 2:7.

The "startling" issue with the Omega

is that it has gone unrecognized and clearly presents the idea of Sparks of their own kindling that EGW spoke about in reference to the Omega heretical belief that Jesus Christ is the first emanation from the Father or Universe as it would be referred to in Neo Platonism prior to the personalization of the Universe as the Father and the "thought" which issued forth as the "Logos" or Word as the Son.

The **Church Fathers** owe a debt to **Philo** of Alexandria who formulated this doctrine first in Judaism by declaring that the Dabar or "Word" was an emanation from the one true god.

Thus, the stage was set for the infiltration of Neo Platonism from the second century before Christ **up to** 1980 when the **Eternal Son doctrine** was placed into Laodicea's statement of Beliefs #4. [here](#) Continued into 28FBs [here](#)

This marks the time for the success of the **omega of deadly heresy within** the ranks of Laodicea's fundamental beliefs thus spewing out the church at the completion of Luke 21:24 the Kairoi of the Nations, a fulfilled prophecy that was presented in the Second Sabbath School quarterlies by way of Swiss Professor **Jean R. Zurcher** who upon fulfillment of this

prophecy in 1980, alerted the church that a prophecy had been fulfilled. [Here](#)

"[Kairoi](#)" translates from the Greek as "allotted times or probationary time." Laodiceans should study this matter in-depth and see for themselves the correlation between Luke 21:24 fulfilled in 1980 and the imposition of the **Eternal Son** into the statement of Beliefs of Laodicea [here](#) which is indeed of a "[startling nature](#)."

The 3 Angels messages gone:

Now replaced with the 3 wavy lines of Energetic Universe religion.

<http://www.ithsda.org/ith-studies/occult-symbolism-in-the-church/>

First Angel what was previously thought of as being the sabbath, is now the Omega of the Sparks emanating from the Universe in the form of Eternal Sons, or human potential movement.

Isaiah 9:6-7

Never called Jesus an Eternal Son.

The prophecy stated a child is born = Incarnation Son of **Romans 1:3**. A Son is given.

Later this Son given is called "Everlasting Father".

The difference between the **Omega of deadly heresies** lays in the fact that Christ was originally Everlasting Father #2,

alongside Everlasting Father # 1
as depicted in Psalm 110:1 and John 1:1.

It is an **Insult** to Jesus Christ that being Everlasting Father # 2 being the Alpha and Omega, the Great "I am" be relegated to an inferior role, thus diminishing his greatness from Eternal Father # 2 to god eternal son.

Two ex-Jesuits

Pierre Teilhard de Chardin:

Man will enter into the [Noosphere](#):

The definition of the Noosphere is that that the New Religion involves the new Tower of Babel in the form of the Noosphere or "one mind".

Noosphere appears to be borrowed from Neo Platonism.
Meaning humanity will reach a state of so-called unity.

Malachi Martin:

[Keys of this Blood](#) stated that all provincial globalists meaning different denominational structures will be experiencing **shocks**

and **mutations willingly or not** and will have to lay aside cherished beliefs and allow themselves to be expanded into a globalist mindset.

EGW predicted **this would happen to the church** and called the whole affair the New Movement. "The procession." [Here](#)

This is the reason as to why Adventists will be given their Sabbath. Which they still believe is the First Angel's message.

The Pope has already declared ([here](#)) the Sabbath as being the true day in his Holy Saturday discourse.

Catholics have now been deprived of their historic belief of Mary being Co-redemptrix and the Mediator of all graces. The Pope recently inferred Jesus Christ is the only Mediator between God and man.

As for Laodicea:

She has already laid aside the First Angel's message by accepting the **Eternal Son doctrine** of Neo Platonism into their doctrinal statement of Beliefs (#4) since the **Eternal Son defines the Trinity** as in the category of Father, Eternal Son and Holy Spirit.

With Jesus instead of being defined as both Eternal Father # 2 and Son of God according to the flesh of the seed of David = Romans 1:3. or the ALPHA AND THE OMEGA - root of David and Offspring of David, Laodicea has now been assimilated into the Noosphere by accepting the Omega of deadly heresy.

Depriving Jesus of his original inherent **Godhood of # 2** as presented in **Isaiah 9:6-7** and **John 1:1**.

And as stated in Revelation, the Lamb, is the Root of David since the term Root of David presents Jesus as God in the form of Alpha in contrast with his role of Omega as in the offspring of David as in Incarnation Sonship

The **Eternal Son doctrine** has replaced the proper understanding of Incarnation Sonship with the Eternal Son doctrine, the Omega of DHs.

Whereas **Jesus** being of the **Order of Melchizedek**

He could never be an Eternal Son of God since the Order of Melchizedek stipulates **3 prerequisites**.

- 1. Melchizedek had no father or mother**
- 2. He had no beginning of days nor end of Life and**
- 3. he was made like unto the Son of God.**

Jesus Christ fulfills these 3 prerequisites which is the reason as to why he could **never be the Eternal Son of God** as stated in the Catholic Creeds, which according to the creed was birthed or begotten prior to the ages, not created.

Protestants who relish themselves as believing in RxF will be impacted by the **Unity Consciousness** teachings; that when one experiences enlightenment, you no longer have to believe. You become what you previously believed.

This is the final stage of the Noosphere.

Satan will then appear on the world stage and be welcomed by the masses as the "Father" of this so-called universal enlightenment. It's as stated in Revelation 13: they worshiped the Beast and they worshiped the Dragon.

Conclusion 1

The Real Jesus Christ is Eternal Father # 2 as well as the Incarnation **Son of God according to the flesh** or **seed of David**.

The real Christ Jesus WAS NEVER AN ETERNAL SON OF GOD.

Philippians 2 states that he

existed in the form of God and thought it not robbery to be equal with God but lowered himself into the slave form of human genetics as the uniquely begotten Son of God.

Conclusion 2

Rome or Mystery Babylon the Great is not concerned with the external doctrines of cultural accruements of Christianity, or even of the figure of Jesus himself and the Resurrection etc.

All of these matters will pertain to the religion of the past or as they say - the Piscean age. The **New religion** will eventually do away with the historic concepts of Christianity and bring in the religion of the Noosphere.

Problem with mainline Laodiceans is that they have **never** properly perceived the role of Rome in its final stage of transformation.

She herself has permitted her own globalization and transformation. It has always been that way.

The 'mysteries' have always been the underground religion, and Christianity, has been the above ground.

So, it was at the end of the [Times of the Gentiles](#) Luke 21:24 that the '**old mysteries**' return and resurface in the form of the **Eternal Son** - to gather all her children under the umbrella of Sparks = frequencies/singularity,

or **Eternal Sons** that descend from the **Universe** in the form of souls.

In other words, the **human potential movement**.

Laodiceans need to read the final chapters of the [Great Controversey](#) to see what EGW states about how Satan is to transform Christianity into a new religion.

Laodiceans have been caught up in the old religion of Sunday observance etc, not realizing that the **key** to the Noosphere = Omega Point is **Unity Consciousness** and is by way of a **direct mystical experience/s**.

It will be that **this** transformation is to take place under the banner of Luciferianism, then the Mark of the Beast **cannot** be Sunday observance.

It's the Law of one.

In the Luciferian age.

The Law of one is to be dictated by demons and found in the false interpretation of Deuteronomy 6:4; which in its true light, entails the **Law of 2** but will be used by demons to promote the **Law of one** in the **Luciferian age** and all will be brought into compliance by way of 7 N # 1.
