## Last work- The closing work- **FOR** the church- In the sealing time-

Laodicea was raised for a Divine purpose and it is described strikingly by EGW and is described as **"In a special sense ... "** [3T288](#)

In a **special sense** Seventh-day Adventists have been set in the world as watchmen and light bearers. To them has been **entrusted** the **last warning** for a perishing world. On them is shining wonderful light from the word of God.

They have been given a work of the **most solemn import**—the proclamation of **the first, second, and third angels' messages**.

There is no other work of so great importance. They are to allow **nothing else** to absorb their attention.

Now, overlay the **“special sense”**

with why EGW said she “[trembled](#)” for the people because the **Alpha & Omega of Deadly Heresies**

would be **received**.

“The Omega will follow and will be **received** by those who are not willing to heed the warning God has given.”

It's a fact.

Over many discussions on the subject the Alpha & Omega of Deadly Heresies it was received in General Conference Session in 1980 with 27FBs.

It has been embedded in the Fundamentals and therefore

[FB 2,4,5](#) = Alpha & Omega of Deadly Heresies

**So, how does that affect Laodicea**

***“in the sealing time of the 144”?***

## Did Laodicea Betray their sacred trust as EGW warned?

Here we see that the church--the Lord's sanctuary--was the first to feel the stroke of the wrath of God. The ancient men [Ezekiel 9:6], those to whom God had given great light and who had stood as guardians of the spiritual interests of the people, **had betrayed their trust.** [5T 211](#) (1882).

Who can say the **betrayal of the sacred trust** is not the Omega of Deadly Heresies with God the Eternal Son FB#4 and Trinity

Only to think you stand ok  
with Gd in the  
sealing time of  
the 144k?

What do you make of the meaning -

## IN A SPECIAL SENSE?

Does a special sense mean Laodicea by officialising FB 2,4 in the 27FBs the guardians for the people have not betrayed their sacred trust?

Surely, you would not require the  
answer to be spoon fed to you.

## But worse –

Laodicea today host a new generation of ministers and elders and have an adept media like other churches, sharing also the love of Jesus, church growth,

baptisms and church building programs, and the Sabbath, which is no longer unique – there are today over **500+** churches recognising the Sabbath - [here](#).

But then how can Laodicea proclaim  
the “**pure mark of truth**” of EZEKIEL 9

in respect to the FIRST ANGELS warning of Rev 14?

in the SEALING TIME OF THE 144?

and parrot the abominations, the doctrines of Rome at the same time about the Godhead?

Answer

IT IS IMPOSSIBLE

Laodicea have never not once resolved  
the Alpha & Omega of Deadly Heresies.

HOW DOES that make any sense “in a special sense”?  
There is no longer a special sense existing at all.

The problem?

**The A&O of Deadly Heresies** has never been resolved

And yet according to EGW  
the **pure mark of truth** is crucial in the sealing time of the 144K.

And what is the **pure mark** engraved by  
the Man in Linen in the sealing time  
= Rev 7?

See [here](#) and [here](#)

Yes, you read correctly –it's **the pure mark of Truth**  
= **no guile** of Rev 14:5

and over what issue?

### **The First Angels warning**

Which confirms HWM who is the Alpha & Omega of Truth

So, **the only way to resolve** the Omega of Deadly Heresies is giving heed to  
Christs Eternal Righteousness, His Eternal Identity and that is predicated in  
Rev 13 with

the LSFOTW = Rev 13:8

### **But even worse –**

The **betrayal of a sacred trust** is an *abomination* that leads to what?

Answer –

as discussed recently and it is unthinkable.

The Alpha & Omega of Deadly Heresies is the Unpardonable Sin.

[Here](#)

God said the sleeping virgins = the pastors' elders and laity of Laodicea, who given much light, say all the right contextual things about the Three Angels Messages and yet

and yet today its badly tainted and compromised with two main aspects –

- 1) the Alpha & Omega of Deadly Heresies FB 2,4
- 2) constrained by the NSL of the 1890s contrary to Rev 17:16

So, what does the Bible really contribute about the closing work for the church in the sealing time?

What did EGW really contribute and why have few paid any attention?

### **What's grossly worse**

Laodicea baptise folk in a growing church/building programs into the fullest doctrinal theology of Papa Pointy Hat –

which is **the deadly theology of  
God the Eternal Son FB 4**

and it's the OMEGA of deadly heresies and its verbatim the doctrine of the scarlet woman's teaching of Gd.

The problem of the “Omega deadly heresies” is that Laodicea have no clue that they Destroy He who is the ALPHA & OMEGA AND HAVE NO FIRST ANGELS WARNING in the process.

How?

The obliterate Christs eternal Identity from John 1:1

and Laodicea does this with

- **Triune Trinity, [FB2]**
- **God the eternal son [FB4] abominations and the**
- **Heteros Holy Spirit abomination = [FB5]**

which is the central doctrine of the woman MBTG MOHs.

**Open and see page 17 –**

Handbook for today’s Catholic - [Here](#)

These facts cannot be denied and those who to try and do so –  
Continue their blasphemous affront before Heaven.

So, the obliteration of Ho Logos of John 1:1 and ensure that with God the Eternal Son FB#4 even ever be considered the **pure mark of truth**

in the **sealing time** of Rev 7  
and the 144?

It doesn’t.

## But far worse

Heaven has described Laodicea's condition – miserable wretched and in need of nothing which means their mouth is **FULL OF GUILLE** and

Heaven said - those sealed in the SEALING TIME  
in their mouths  
**was no guile,**

otherwise, Rev 14:1-5 is false.

The individual cost for not paying attention?

Forfeiture of the SEALING  
In the sealing TIME OF THE 144k of Rev 14?

Has to be.

## Matthew 25

Is the parable of the ten virgins then relevant for this discussion?

Has to be.

Fact is the wise virgins have oil in their lamps and they respond to the call to come out and the gift is

guess what – ERxF and the Key of David –

because there exists the **free gift** of Eternal Righteousness with the Everlasting Gospel, there is Eternal Righteousness by faith and this is the root of RxF.

And how?

By way of the purity of Christs eternal Identity for He is the A&O doctrine of Rev 22:13-16

Even the devil doesn't argue about that fact and frankly who is around to argue that it's false – well if you try there is no seal of God in the sealing time so where does that leave you with TTD FB #2 and God the Eternal Son FB#4 anyway?

But guess who you are supporting in the time frame of the Abomination of Desolation = Matt 24:15?

ANSWER

The 2Thes2 guy

because he totally is the Law of One Gd and with no competition now in Laodicea because that was settled with FB 2,4,5

is it any wonder the closing work is FOR the church in the sealing time

and confirms why EGW said the Omega of Deadly Heresies would be received and she trembled?

It's not difficult to realise the 2Thes2 guy will have no objections to those who support the 1g especially unknowingly of blasphemy against heaven

It's listed in Rev 13.

Why not reread those set of blasphemies

13:5 And there was given unto him (8<sup>th</sup> king) a **mouth speaking great things and blasphemies**; and power was given unto him to continue forty [and] two months.

13:6 And he opened his **mouth in blasphemy against God, to blaspheme his name**, and **his tabernacle**, and them that dwell in heaven.

13:7 And it was given unto him **to make war** with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

Why the need to reread the list of blasphemies is because of the testimony against the Law of 1 which is if you haven't realised as yet is for its purpose to trash the First Angels warning. **Which is why ERxF of Rev13:8 exists and why Jesus said it is for those who have ears to hear.**

And the Beast blasphemes Gods **Tabernacle** in Heaven where the ministration of Christ as Great High Priest after the Order of Melchizedek presides – right ?

Does that now give you a semblance of insight why the COURT = earth probation for individuals  
is NOT MEASURED = Rev 11:2.

Important in the 1260 days of the First B and then the +30 days of the Second B so what then does it matter about the SEAL of GOD = Revelation 7 now?

Most think nothing of or about it. Just got to do good works and work on perfection of character which is the motivation of **Self Righteousness** anyway.

Those who are '*sealed in the sealing time*' are sealed with **NO GUILF** and therefore in no manner can they annul the First Angels warning

But what about the foolish virgins of Matt 25?

## **TWO THINGS**

There are two things to consider about the foolish virgins

1. in their mouth **was** guile and
2. the door was shut –

Shut because they have no KEY OF DAVID – the door is shut.

That's as serious as it gets –

and keep in mind it's at Midnight the time of the Loud Cry of Rev 17:16 and Rev 18.

They get the last call first  
to go ye out to a meeting of the bridegroom.  
Why? The closing work for the church.  
Out of what?

Yes, away from and out of those FBs 2,4,5 of MBMOHs for she is destroyed in the events of Rev 17:16-18

If you wish to argue read first what the True and Faithful witness said about Laodicea - is spued according to Rev 3.

This 'calling out' was mentioned uniquely at the Tasmanian camp meeting in Australia in **1896**,

"My mind was carried to the future when the signal would be given ..." [here](#)

### **Another must read**

Returning to the "**In a special sense ...**" and back to the sealing time of the 144

It is evident to be in Laodicea today; there are good folk who love Gd yet why did Egw say in a special sense the work and then say the Omega would be received

and she also said the *closing work is FOR the church in the sealing time* and

if you DO NOT get those basics right all that one must rely upon is the basics of salvation RxF in the Gospel but the time today is far elevated than the hundred years from **1880 to 1980**.

So, the question for the reader to think thru is because of Rev 13:8 and ERxF of the LSFOTW – will the basics of RxF completely miss the importance of the terms EGW applied which was "**In a special sense" the engross the entire mind and whole attention and then the "pure mark of truth."**

There exists an accumulation of counsel in the closing work.

## **So, about the closing work which is for the church in the sealing time of the 144, the last work**

this is more important than first seems to be the case because EGW in 5T207-212 is saying because the closing work is for the church = [Laodicea] -

It like there is the answer that's where the last 5pm workers are to be found for the very reason they were raised for the 3AM and they were sent a most precious message - it failed in 1888 and now the most precious message in its right setting ERxF of the Gdhd = First Angel

the reason is Laodicea were given *a most precious message* ~ the 3AM and they say they are preaching this – but how does that work when the pure mark of truth about the Credal Doctrines of FB 2,4 remain in their mouths?

And then there are those who hear the warning of the First ANGEL AND acknowledge it is true but choose to remain in Laodicea believing they can effect change inside is a foolish conclusion. Those who remained with the temple in AD 70 ended up destroyed as HWM warned anyway.

But none are willing to recognise the call out of Laodicea and to be amongst the Phillies of Rev 3?

EGW own conclusion about the closing work in the sealing time of the 144.

It's one thing to share details of the Scriptures - but the other thing is the importance of the "last work" which is a special status and even EGW compares it to the 144k

and when that subject of the 144 is mentioned – whoa - it's a really touchy subject to even mention. It's like taboo! It is spiritualised away and do you get a smorgasbord of theological poor food

So, comes a problem.

Is the *closing work for the church* to those who remain inside and then to explain why there are NO commentaries about Lk 21:29 = fig tree parable and then of Rev 17:16 and the destruction of the scarlet hag? Or Zechariah 8:24.

Laodicea have no Scriptural thesis to rely upon let alone resolve what EGW trembled about with respect to the Alpha & Omega of Deadly Heresies.

Is EGW saying – *the closing work for the church* that in Laodicea is where the final workers for the sealing are to be found?

Why would this be the case - for the main reason- The church was raised by HWM at the time of 1844 and it has been their main purpose and mission since inception.

When the workers begin to realise there is no NSL to occur and they recognise the Bible emphasis moves to Isaiah 2 and its relationship with **Zech 8:23** and the ten men kings who grab the skirt in fact fulfills Rev 17.

Should we reread the Scriptures,  
yes because it is so little read:

8:23 Thus saith the LORD of hosts; In those days [it shall come to pass], that **ten men** shall take hold out of all languages of the nations, even shall **take hold of the skirt** of him that is a Jew, saying, **We will go with you: for we have heard [that] God [is] with you.**

17:7 And the angel said unto me, **Wherefore didst thou marvel?** I will tell thee the mystery of the woman, and of the beast that carrieth her, which hath the seven heads and **ten horns.**

17:8 The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.

17:9 And here [is] the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth.

17:10 And there are seven kings: five are fallen, and one is, [and] the other is not yet come; and when he cometh, he must continue a short space.

17:11 And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.

17:12 And the **ten horns** which thou sawest are **ten kings**, which have received no kingdom as yet; but **receive power** as kings one hour with the beast.

17:13 **These** have one mind, and shall give their power and strength unto the beast.

17:14 **These shall** make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him [are] called, and chosen, and faithful.

17:16 And **the ten horns** which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.

17:17 For God hath put in **their hearts** to **fulfil his will**, and to agree, and give their kingdom unto the beast, **until the words of God shall be fulfilled**.

Laodiceans problem is EGW had no commentary on the above as well as the content of **Isaiah 2** and **law** and **great city** – though she did refer to an 'oppressive law',

There is absolutely nothing by way of commentary on Zech 8:23.

## Two adjustments

the last 5pm workers only require two adjustments

the two main adjustments

- 1) = awareness the prophecy
  - a) Lk 21 = FB 2,4,5 then
  - b) fig tree parable
  - c) Isaiah 2 = 3T and its settings and
  - d) Zech 8:23 with 10/10 kings of Rev 17
- 2) That the grandest insight ever given to mortals is the simplicity of John 1:1 in connection to the First Angel and then there is the call to depart Laodicea because Laodicea won't change her FBs 2,4,5; and if they don't heed the initial call they lose out in the sealing time and have to respond when Gd brings about the **destruction** of the Scarlet hag and her palatial shack (Rev 17:16) and then it's their last opportunity to come out of her.

That's when the sealing time is just about over. [Over at the end of the 4<sup>th</sup> trumpet] So then there is Ezekiel 9 to deal with and the work of the MiL and the 6 men with sharp weapons. Well EGW gave a strong

commentary on Ezek 9 in 5T207-212 and few even want to acknowledge its content.

But God said there would be 4 trumpets prior to the First Woe. That is an important detail.

8:12 And the **fourth angel sounded**, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so as the third part of them was darkened, and the day shone not for a third part of it, and the night likewise.

8:13 And I beheld, and heard an angel flying through the midst of heaven, saying with a loud voice, **Woe, woe, woe**, to the inhabitants of the earth by reason of the other voices of the **trumpet** of the **three angels, which are yet to sound!**

and they occur prior to the King of the North and King of the South battle and it can be shown the 4 horse riders of the apocalypse = WW3 = Dan 11:40-45

BY the time of the **5th trumpet** - the time of the **first woe** there is no opportunity of the seal of Gd – the sealing time has finished and those not sealed are badly tormented.

Concerning the 5<sup>th</sup> trumpet

9:4 And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men **which have not the seal of God** in their foreheads.

9:5 And to them it was given that they should not kill them, but that they should be tormented five months: and their torment [was] as the torment of a scorpion, when he striketh a man.

The question then is –

do they get another chance going further into the **second woe after the first woe is past.**

The answer has to be no.

The clincher is Gd has already identified in the sealing time who were sealed by the Man in Linen and when the sealing time of 144 by the Man in Linen has closed. Ezekiel 9

9:4 And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which **have not** the seal of God in their foreheads

That detail gives a depth of truth to the details of the first woe.

Because the seal of the Two Fathers in the forehead [here](#) is essential for the time of the 1290 days of Matt 24:15.

According to the context of the above events those who are reading along and also the casual observer having a gander,  
Do they really take their Christianity seriously?

It's not about trying to right the ship of Laodicea that's impossible, it's now the closing work for the church  
and it's all about the sealing of the 144 .

Or EGW was telling a bunch of porkies.

That should hold some attention like bare minimum at least?

The prob immediately with the worldly-minded in Laodicea is this approach set out by EGW "*the closing work for the church in the sealing time of the 144*" is

it could be argued that any sharing this sort of call are ipso facto claiming to be of the 144.

Possibly, but guess, that's irrelevant – it's the fact that the demons know who are and who are not sealed at the time of the 5<sup>th</sup> Trumpet.

To be sure one is a servant of HWM whether one is sealed with ER the end conclusion is inevitable - it means no guile in their mouths and that the TWO FATHERS are engraved which is an indicator of importance of why the Alpha & Omega of Deadly Heresies must be resolved.

Did this call arise in the time of Christ?

Yes.

[Matthew](#)

[10:6](#)

But go rather to the **lost sheep** of the **house** of Israel.

So, why did EGW place the context of the **seal of Gd** with **Laodicea** and then speak of it as *the sealing time of the 144*?

And Not Laodicea.

Read again the context and the

3T 266

The true people of God, who have the spirit of the work of the Lord and the salvation of souls at heart, will ever view sin in its real, sinful character. They will always be on the side of faithful and plain dealing with sins which easily beset the people of God.

Especially in the closing work **for** the church,

**in the sealing time of the  
one hundred and forty-four thousand**

who are to stand without fault before the throne of God, will they feel most deeply the wrongs of God's professed people.

This is forcibly set forth by the prophet's illustration of the last work under the figure of the men each having a slaughter weapon in his hand. One man among them was clothed with linen, with a writer's inkhorn by his side. "And the Lord said unto him, Go through ...

you can read the rest [here](#)

“Who are standing in the counsel of God at this time? Is it those who virtually excuse wrongs among the professed people of God and who murmur in their hearts, if not openly, against those who would reprove sin? Is it those who take their stand against them and sympathize with those who commit wrong?

No, indeed!

Unless they repent, and leave the work of Satan in oppressing those who have the burden of the work and in holding up the hands of sinners in Zion, they will **never** receive the mark of God's sealing approval.

They will fall in the general destruction of the wicked, represented by the work of the five men bearing slaughter weapons.

**Mark this point with care:**

Those who receive **the pure mark of truth**, wrought in them by the power of the Holy Ghost, represented by a mark by the man in linen, are those “that sigh and that cry for all the **abominations** that be done”

**in the church.**

Their love for purity and the honor and glory of God is such, and they have so clear a view of the exceeding sinfulness of sin, that they are represented as being in agony, even sighing and crying. **Read the ninth chapter of Ezekiel.**

But the general slaughter of all those who do not thus see the wide contrast between sin and righteousness, and do not feel as those do who stand in the counsel of God and receive the mark, is described in the order to the five men with slaughter weapons: “Go ye after him through the city, and ...

So, do you now wish to remain passive and yielding to Credal doctrine of the RCC and call yourself the remnant church

when all you have is the Omega of Deadly Heresies as in FBs 2, 4 and then in the process and the old ideas of the NSL and in the process **forfeit** the seal of Gd in the sealing time of the 144?

The pure mark of truth is **not** the Alpha & Omega of Deadly Heresies.
