

Isaiah 45:7

The weakness of RxF Character Perfection and the Investigative Judgement

The fact remains the Investigative Judgment [IJ] is at odds with 2 Timothy 1:9. As well as with John 5: 24.

Rev 13:8-9 is a voluntary removal of One's name from the Lamb's book of life.

It is the Unpardonable Sin [UPS] = an Eternal sin.

Since salvation, was on our behalf, **prior** to the foundation of the World and therefore, it's rejection, carries the Weight of Eternal separation from HWM.

This discussion establishes a methodology how to explain the weakness of Character Perfection based on the doctrine of R/F and why Isaiah 45:7 "I create evil" was to exist.

But first,
the axiomatic truth is

- ETERNAL RIGHTEOUSNESS is Eternal Truth
- ETERNAL RIGHTEOUSNESS is Divinity
- ETERNAL RIGHTEOUSNESS is Law of Two

Therefore ,

ETERNAL RIGHTEOUSNESS is the **Root of Romans 5**

and has

NOT been understood by those in Laodicea that claim that You have to accept Christ, **and then**, it's given.

The fact that HWM died for all mankind is the EVERLASTING and ETERNAL outworking of Eternal Righteousness , **prior to** the foundation of the World.

Paul confirmed this in Romans 5.

Romans 5:8

But God commendeth his love toward us,

in that,

while we were yet sinners,

Christ died for us

This text makes no sense in Laodicea when it comes to RxF for Patriarchs such as Adam, Abraham, Daniel etc
but 2 Tim 1:9 sure proves and secures
ER as truth,

and ERxF is a faith that knows
Christ was slain for them **prior to** the Cross.

God knew **mystery of iniquity** would exist; but within whom, and when?
What has this to do with Eternal Righteousness and the Law of Two Divines?
And so why is the mystery of Iniquity featuring in a twofold beastly front in Rev 13?

Isaiah 45:7

I CREATE EVIL.

I [am] the LORD, and [there is] none else, [there is] no God beside me: I girded thee, though thou hast **not known me**:

45:6 That they may know from the rising of the sun, and from the west, that [there is] none beside me. I [am] the LORD, and [there is] none else.

45:7 I form the light, and create darkness: I make peace, **and create evil**:

I the LORD do all these [things].

While yet sinners. Christ died for us

Gd knew Adam would be a sinner.

Therefore, LSFOTW Rev 13:8-9 remains the absolute proof of Eternal Righteousness and the **mystery of Godliness** and its subsequent corollary being CIYTHOG = Col 1:27 was also known **Prior to** the Cross

That, detail for the dull of hearing, confirms what Laodicea were instructed to understand by EGW which was the Seal of Gd in the sealing time of 144 and this is equated to Ezekiel 9 and Rev 7 and its final conclusion in Rev 21:17.

The Purpose of ER?

The purpose of Eternal Righteousness was in

Bringing many sons to glory. Heb 2:10

Heb 2:10 **can only** exist for all who lived,
and saved in Christ,

and including those **prior to** Calvary.

Right?

Both the Cross and Lamb slain is seen in Rev 5
And meets the demands of RxF

But the LSFOTW is the actual
Complete and full perspective of Eternal Divinity and ER.

Heb 2:10 confirms ER

Commends in the first sense of the law of first use
the Divinity of the Two Divines in John 1:1
and therefore, you have the

[Law of Two.](#)

The immediate conclusion now develops that the doctrine of RxF
alone doesn't make sense to get-the-job done
Prior to Calvary.

What covered those many sons and daughters prior to Calvary?

But ER by faith in LSFOTW does;
And it means all from all ages.

All praise to HWM.

Gd created evil, why?

Isaiah

45:5 I [am] the LORD, and [there is] none else, [there is] no God beside me: I girded thee, though thou hast not known me:

45:6 That they may know from the rising of the sun, and from the west, that [there is] none beside me. I [am] the LORD, and [there is] none else.

45:7 I form the light, and create darkness:

I make peace,

and **create evil**:

I the LORD do all these [things].

Satan was created perfect till the day the mystery of iniquity was found in him
[Ezek 28:14-15.](#)

What was it that Satan found alluring to be bound forever unto the mystery of iniquity?

The only thing that one can conclude is
The mystery of iniquity holds
as its origin, Self R.

This small detail about Self R is also
Exhibited by its cousin
Self-Justification

Think about it – this explains why HWM could not have
prevailed against the mystery of iniquity per the regular theology of RxF.
It explains why Paul said he was crucified with Christ
and self-Righteousness would **die daily**.
That Self-Justification dies daily

But what was the **power of Christ** or **the power of the Loud Cry** that overruled Paul's problems in Romans 7?

ANSWER - **ETERNAL RIGHTEOUSNESS** .

This Divine Fiat of Romans 5:8 meets and exceeds the demands of the RxF
stringent folk who today can see nothing else exists in the Righteousness of
HWM
other than RxF.

Is this why
they **cannot** fathom the details of Rev 13:8-9.

Right?

And then Unable to plumb the depths of Eternal
Righteousness [Isa 28:17](#)

Time to quickly review the following

EGW defend articles

[https://www.ellenwhitedefend.com/articles-Comp/righteousness by faith.htm](https://www.ellenwhitedefend.com/articles-Comp/righteousness%20by%20faith.htm)

“No man can cover his soul with the garments of Christ’s righteousness while practicing known sins, or neglecting known duties. **God requires the entire surrender of the heart, before justification can take place . . .** In order for man to be justified by faith, faith must reach a point where it will control the affections and impulses of the heart.

2 Timothy 1:9

⁹ who saved us, and called us with a holy calling, not according to our works, but according to his own purpose and grace, which was given us in Christ Jesus ^[a] **before times eternal,**

In other words, **while we were yet sinners, Christ died for us.**

Goes way back in time **prior to** the cross.

Are you seeing the weakness of the doctrine of RxF ?

Laodicea using EGW all say

“God requires surrender **before** justification takes place” ?

If above statement is true

Romans 5:8 and 2Tim 1:9 must be what?

Yep, untrue

The article on RxF hosted a hidden problem, which was the **weakness** of RxF, but it doesn't seem to be a problem at the same time.

The [article](#) if you are prepared to check it out, at first glance seems theologically wholesome and "correct" but when you look over it, it's buttressed with an inbuilt-wordage of a headstrong conviction about RxF

and the process of justification and of doing right, is woven nearly seamlessly in the articles entirety and directly into the meaning of the purpose of RxF.

Was the seamless literary device applied to garner an influence by the enemy of Righteousness under the name of EGW? That's a tough cookie to crumble for many, but here's the thing should Paul have been consulted correctly to gain the correct 'prism of eternal light' about the Righteousness of HWM to shine on our paths?

Take for example

Those only who through faith in Christ obey all of God's commandments will reach the condition of **sinlessness** in which Adam lived before his transgression. They testify to their **love** of Christ by **obeying** all His precepts.

And there you saw it the dogma of sinless perfectionism, and yet the clincher is this RxF doesn't resolve the Omega of Deadly Heresies

But ER does!

That shows immediately

a weakness in RxF.

That's not total victory.

This deficient problem exists throughout all of Protestantism.

Is there any proof that Luther reverted the Eternal Son doctrine and the Trinity back to the First Angel?

No, it was not for his time.

But if you are beginning to grow in the understanding of the 3AM of Rev 14, the weakness of R/F which didn't correct this matter but inherited it from Rome. NO, it had a side-saddle of help from the party of James and RxF +W

Right?

Whereas in the **New Vineyard** the matter for the 5pm workers is corrected with what?

Yes you got it -
with ER.

The **weakness** of the Protestant Reformation in reference to R/F was exposed by the use of James which appears to be when the Character Perfection problem came to light = works.

The 'defend' article appropriates the word "theology"

Well, here is the thing,

PPH couldn't totally defeat R/F, yet article mentions the latter events that actually took place in the **Counter Reformation** which for the reader

YOU NOW need to pay a whole LOT OF ATTENTION

For what is really the full bloom and the significant issue because there arose the emergence of mystics
in the Counter Reformation

[St, John of the Cross](#) and [Theresa of Avila](#) etc

It's hugely significant because it brings the
mystical element into the picture of RxF

since it is these same UC experiences which will be featured in the **Luciferian** age of the 1290 against R/F.

<https://www.britannica.com/event/Counter-Reformation>

Back to the article from EGWdefend and check out what it says about "perfect theology"

A Perfect Heart Is More Essential Than a Perfect Theology

There is to be no dread of anyone being borne down even in a widespread apostasy, who has a living experience in the knowledge of our Lord and Saviour Jesus Christ. If Jesus be formed within, the hope of glory, the illiterate as well as the educated can bear the testimony of our faith, saying, "I know in whom I have believed."

Well, the Omega of Deadly Heresies is THE PERFECT ATTACK on Eternal Righteousness, that Laodicea have never resolved,

so, what does the OMEGA of Deadly Heresies achieve when it comes to RxF?

Well for starters
it HAS EVERYONE,

like it has EVERYONE believing in the
central doctrine of the LH.

FB 2,4.

Right?

So, draw the conclusion
who do you really believe in, with that accomplished?
When it comes to the time of the 3AM and the First Angel
Gd on the Basis of Eternal Righteousness can no longer can wink at that
situation. Let He be a liar. But the father of lies has ran amok in the
theological circles and Laodicea is none the wiser.

Fact, Laodicea doesn't know how to, nor has resolved
widespread apostasy that EGW warned
and when it came to the OMEGA of Deadly Heresies

she said it would be received and it would be startling.

Right ?

All you are seeing and experiencing in theology today
is the weakness of RxF.

Add to the fact that there is no separation of the wheat from the tares in that
initial statement. Also, there is no *movement* from the corporate to the
individual [as stipulated in the type of the DoA in Lev 16

but the weakness simply confirms they say
that the individual **is still ... 'in Christ'**
albeit residing in the fallen corporate apostasy of FB 2,4,

and

[EllenWhiteDefend](#) 'theology' on RxF stipulated this is not the case, all the
while never recognising the OMEGA of Deadly Heresies.
Right?

So, who is SPEAKING WITH GUILE to whom, anyway.

Like hello?

Does that make sense for you?
There is No mention why Paul said I die daily.
Or I am crucified with Christ
Crucifying Self. = Self R.

Was Paul's confirmation of
" I die daily"
under the basis of RxF or ERxF?

Had to be ERxF because Paul experienced the weakness of RxF with James in the scenes of Jerusalem Council in Acts 15.

Pauls only **Divine Motivation** can arise from Eternal Righteousness which is the root of RxF

and

Because what HWM provides with Rev 13:8-9.

As you can see in Rev 13 is this double emphasis of Lamb slain.

Midst the both metaphors of the MYSTERY OF INIQUITY which can do only one thing - insists there is the greatness of Eternal Righteousness which is LSFOTW.

Can you not see HWM slain before the Fn of the world and Calvary, doubled downed on the mystery of iniquity?

When one insists the Investigative Judgement [IJ] is fully true, are you NOT realising the IJs only existence is for their RxF requirements of going on unto perfection?

Its easily proven RxF **fails them** and then there is their quest for Character perfection. [CP]. To be cleansed of all unrighteousness is not the state of sinlessness.

And sinlessness is not CP

God described ALREADY the requirement –
go and reread Rev 14:1

The IJ achieves another thing

It ruins any inquiry about ER.

The IJ theology is now destroyed by Eternal Righteousness because it spawns Self R and continues to weaken RxF keep in mind the mystics John of the Cross and Theresa of Avila and their QUESTS

But also, the fact the IJ generates many legalistic attitudes, this is Self R.

HWM said Satan, was as a murderer from the beginning, the **father** of lies John 8:44

Satan must've known and devised this ploy to understate and eliminate ER. And how? Through RxF. And its been done.

And the startling thing is Satan accomplished it all via RxF, thence developing Self R that he chose to become. And so, it's easy for God the Eternal Son FB#4 and the Trinity to be believed which is the central tenet of the LH.

In other words, the mystery of iniquity ran amok and who saw it happening in real time?

ANSWER

No one.

Therefore, Satan knows he cannot survive ER the true power of the LSFOTW.

Eternal Righteousness is the power of Christ and the Loud Cry.

It's not denied, there is a beauty about RxF that Paul illustrated often which proves conclusively as he said they await the Resurrection of the Life Giver and so those who DIED by faith are raised, and not knowing it was ER that wrought their salvation to reality at the Resurrection.
And eternal life.

Only Eternal Righteousness begets Eternal Life.

But in these discussions at 5Agendas it's all about the sealing time of the 144 and the reasons why Rev 13:8-9 is midst the two formations of the mystery of iniquity proponents,
known as First and Second Beasts.
If you miss this then you are not realising what Rev 13:9 was said by HWM anyway.

Eternal Righteousness Hidden

The doctrine of **ER = Rev 13:8-9** hitherto unknown for centuries, was hidden.
Hidden to the time, known as the time of the end but also imperative at the very end of time
= Dan 12:9

12:9 And he said, Go thy way, Daniel: for the words [are] closed up and sealed till the time of the end.

and now being reestablished by the grace of Christ
and frankly no one can disprove it's the LR = (Deut 32:2)

and there is nothing to stop it.

Eternal Righteousness is the firewall for protection for those sealed in the sealing time of Rev 7, of those who speak forth with the testimony of Christ and His Righteousness.

Rev 12:11

12:11 And from the time [that] the daily [sacrifice] shall be taken away, and the abomination that maketh desolate set up, [there shall be] a thousand two hundred and ninety days.

Let's Consider some cases of ER

Case of Philip, Nathanael

ER

The day following Jesus would go forth into Galilee, and findeth **Philip**, and saith unto him, Follow me.

⁴⁴ Now Philip was of Bethsaida, the city of Andrew and Peter.

⁴⁵ Philip findeth **Nathanael**, and saith unto him, **We have found him**, of whom Moses in the law, and the prophets, did write, Jesus of Nazareth, the son of Joseph.

Both found HWM = ER

John

1:47

Jesus saw Nathanael coming to him, and saith of him, Behold an Israelite indeed, in whom is **no guile!**

Case of Thomas.

Contrast from walking under the weakness of RxF a form of "disbelief" and ER

John 26:26-28

And after eight days again his disciples were within, and Thomas with them: then came Jesus, the doors being shut, and stood in the midst, and said, Peace be unto you.

²⁷ Then saith he to **Thomas**, Reach hither thy finger, and behold my hands; and reach hither thy hand, and thrust it into my side: and **be not faithless**, but believing.

²⁸ And Thomas answered and said unto him, **My Lord and my God.**

The Conscience of Character Perfection

How does the conscience respond to the recognition of sin and eternal Divinity?

Is it just a fact it's transgression of the law ?
Or is that a component?

But why does the conscience get "**pricked**" to respond to Righteousness?
Especially ER

What is the righteousness of Christ?

What is The Eternal Righteousness of Christ?

Consider now the following

Psalm

73:21

Thus my heart was grieved,
and I was **pricked** in my reins

The forefront of the cerebellum is where the engraving of the Man in Linen with the seal of Gd on the DoA was designed to recognise the Creator and Eternal Righteousness.

Was **Thomas** instant in recognition of ER?

No, a bit slow.

But how does Self R overrule the **mystery of Righteousness** in the seat of the mind?

Some would construe this is the pineal gland in the midst of the brain which has been fully adapted and compromised by the *mystery religions* = New Age which when you think about is RxF is now a very elevated compromise of the mystery of iniquity that prevails as "Righteousness."

Sparks of their kindling?

FB 2,4 are absolutely NO DIFFERENT

Many false Christ's? Right?

How can you serve God and mammon?

Cannot be done.

Cannot be done.

6:24 No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. **Ye cannot serve** God and mammon.

Why? - ER is an incontrovertible rule of Divinity and Law of Two.

Why does 'NO GUILE' mean the revelation of ER?

BECAUSE in the eternal Righteousness of Christ there is no guile. And no guile is the complete conclusion of the cleansing required on the DoA.

The **fallen sinful nature of the flesh** is why self-righteous weakens and eventually destroys the mystery of godliness even by the smallest point.

And its triumph is what?

To the ruination of RxF and the esteeming of Self R.

Eliju picked this up

Self-Righteousness problem with Job

Check out [Job 32](#)

How do you awake to righteousness and sin not,

Let alone go on unto perfection?

The call of the First Angel in the sealing time of the 144 is to Awake to ER = as Paul said was the Doctrine of Christ and then go on unto perfection.

6:1 Therefore leaving the principles of the doctrine of Christ, **let us go on unto perfection**; not laying again the foundation of repentance from dead works, and of faith toward God,

Yes!

ER is the glory of HWM.
the glory Isaiah 6

The answer is that relative to the cleansing on the Day of Atonement in the sealing time and as has been discussed previously the greatest competitor of the mystery of iniquity All relates to the ALPHA & OMEGA of Deadly Heresies.

Ability of Eternal Righteousness

Ability to cast Satan and the Beast and the MWFP into the Lake of fire and keep them there
for a very long time.

The weakness of RXF in the flesh

The Galatians began with R/F they worked
Miracles but something happened when they
Were visited by the legalisms, it appeared that
The witness was stunted by R/F and Works
= circumcision.

Yet in the Old Testament Moses
Was about to be killed by HWM for not being
Circumcised and Zipporah came to his aid and
Stayed the hand of HWM by circumcising
Moses.

No doubt that this created a powerful
Impact both at the moment, as well as historically.

This, making ancient Israel adamant in reference to the Ordinance. We are
told that these rules and regulations were blotted out on Calvary and that
they were against us.

So, it is rather obvious that this was not in reference to the 10
commandments since circumcision is no where
mentioned.

So, this had to be an Ordinance
Written in the book of the Law.

The true meaning
Had been hidden up to the time of Christ and
Later explained by Paul as being circumcision of
The Heart.

This marked the end circumcision as
A metaphor for a change of heart of being born

Of water and Spirit, yet in the Galatian church
This was **not** understood and there was witnessed a back tracking to the Old Covenant.

A **metaphor** such as circumcision could only be
Understood as a **school master** since it was a
Metaphor but once Christ died on the cross then
The anti- typical application relates to a new
Experience of being **born again** without having to
Experience the bloody and hurtful mess,

which was against us and would not profit anyone once the school master's lesson was understood.

I witnessed much of this legalism
In Spanish Laodicean circles. It was so extreme
That brethren were asking if your spirituality was
"**Up to par**" just because you didn't show up on
Friday evening. Later one of the members who
was always asking about up to par, moved and his
Wife committed adultery and he fell away from
Laodicea.

Even to this day, the matter of legalism has smothered the study of Scripture.
Neither hot nor cold.
Does Just enough = Self R ?

There are others who will ridicule Eternal Righteousness as novel and display proudly they are not legalists in any sense and that probably can be the case.

But guess what.

The ridicule of ER ends when there is the full exposure of

God the Eternal Son FB#4 and its implications in the FA, with the Alpha & Omega of Deadly Heresies.

And what are they?

No seal in the sealing time,
then no role in the LC other than to listen
and awake to ER

What is not outwardly mentioned is the precise
detail this advanced discussion is the implications to the LR and the 144 and
the engraving program
of Ezek 9 and how only they and certainly the 2W but if you have missed that
who then is asleep here?

Only the True Eternal Righteousness of HWM can or will expose the fake 1g
which is in reality the full monty of deception due to Deut 6:8 = Rev 13:16

Few recognise this
when it comes to the war with the Great Red D
via the 8th king and the 10-king coalition of Zech 8:23

Back to those guys in Laodicea and separated Laodicea who believe the
doctrine of RxF is all sufficient.

Well frankly, here is the deal - There is nothing in the writings about Rev 13:8
the problem then compounds in that it is impossible for them to explain
infinity of Ho Logos The Word of John 1:1 let alone how His ER is framed in
the First Angel, and let alone how they can explain how HWM overcame the
mystery of iniquity [Rev 3:21] upon the basis of RxF alone.

How does that work?
Or is it an impossibility?

Eternal Righteousness is the only 'blueprint' to **overcome as He overcame** = Rev 3:21

which is why is the existence of Self R
in fallen flesh prevails and weakens RxF.

Why would HWM believe in His own Righteousness to overcome, when it was His to begin with?

He laid down His life **prior to** the Fn of the world and that's an entirely different scenario, and it's all subsequent and implicated against the mystery of iniquity.

For HWM taking of the slave form = Phil 2 meant He took the slave form as man with no advantage –

**but was it with RxF
or was it ERxF in the Father?**

Would it put an advantage over regular men
who could not believe let alone
trust ERxF?

No.

The power of Gd Eternal Righteousness **does** exist
in the nadir of the condescension.

The diff being HWM trusted in the Father and this is well documented in John 17

This next point is really splitting hairs -
but really needs to be mentioned

because the stringent RxF guys will
no doubt be incensed maybe more likely perplexed
about these advanced discussions concerning ER and
the Incarnation, and RxF as being **insufficient** due to Self R.

This may sound dramatic but let's say if HWM trusted in RxF
it would immediately be considered as Self R
by the Dragon?

Satan should know. Right?

Again, these scenarios are not to ruffle feathers but need resolving and no
doubt many consider as weeds and unnecessary yet the fact remains

ER is the entire doctrine that distils as dew Deut 32:2
It's developing to the fulness of the LR

and is the final touch or requirement
for the sealing time and the engraving by the MiL
= Rev 7 / Ezek 9

Yes, RxF does have power and this is not denied –
but when everything about the mystery of Godliness and Heaven is up
against the entirety
of mystery of Iniquity

the only thing it cannot prevail over - is ER of the LSFOTW
which encompasses the ultimate power of Creation which
was all created with the ER of HWM

THE DIFFERENCE

What is the difference between Everlasting righteousness that was, and always self-existent, ever existent and Everlasting Righteousness, that was ushered in? Dan 9:24

The naysayers will say that R/F is what they believe in ER and It was RxF ushered in?

Well, isn't that a convenient response?
The text doesn't say that at all.

Case in point

Jesus established ER by saying
Before Abraham "I AM".

So, the R/F people will say they believe that.

But why do they tolerate the guile of
God the Eternal Son FB#4 anyhow and still cannot resolve the Omega of DHs?

Some people out there in the world field correctly say one is not justified by works

for CP

which is that Christ working in them, and they feel this is true and its true process of sanctification;

yet the works were prepared from the vantage point of Eternal Righteousness as stated in Rev 13:8-9.

Were when?

Prior to the Fn of the world.

The legalistic ones that overly confuse the matter of CP with R/F exist everywhere.

Fact is Paul cannot be wrong in Galatians.

Yet anyone should clearly see this letter as establishing also, the Doctrine of Eternal R.

There is a point in time when the heavenly RIGHTEOUSNESS is contrasted with the earthly RxF as in Rev 13:8-9.

That time is now. Why we are at the thresholds of the era of the Apocalypse.

The world will not see this in the Cross that is the reason for the witness of the TWO WITNESSES in the great city where our Lord was Crucified.

They will see "righteousness in 1 g unity" and respond accordingly;

and as you well know

the Beast **blasphemes** heaven,

and all who dwell there.

Blaspheming what? Eternal Righteousness!

Right?

Fear based new order:

The world sees the power in terms of who imposes a falsehood passing itself off as Truth and 'righteousness' by imposition of power.

The Key is why the blasphemy of the Heavens?
Has to be the defeat and the casting down
by way of ER and later the casting of the
3 into the Lake of Fire.

Let's review for the privilege of a stronger awareness and knowledge of HWM and Eternal Righteousness.

What is the difference between Everlasting righteousness that was always existent and Everlasting Righteousness that was ushered in?

The difference is Dan 9:24 proves ER existed before it was ushered in by Gd as DOCTRINE of Everlasting Righteousness = Eternal Righteousness .

The naysayers in Laodicea will say that R/F believes in ER that was ushered in?

They may so say. Then why would they then give lip service to God the Eternal Son FB#4 and say there was a TTD in beginning the Alpha & Omega of Deadly Heresies

contrary to John 1:1?

Case in point Jesus established ER by saying before Abraham "I am". So, the R/F people believe that.

Breaking news – It's a no, no,
when they established FB 2,4. As theological truth.

Some people out there say they are not justified by works or CP that its Christ working in them, yet the works were prepared from the vantage point of ER as stated in Rev 13:8-9.

Then why do they look at ER as being an oddity and are very sceptical?

Then there are the legalistic ones that confuse the matter of CP with R/F. Fact is that Paul cannot be wrong in Galatians.

Daniel was explained ER existed by Gabriel in [Dan 9:24](#)

²⁴ Seventy weeks are determined upon thy people and upon thy holy city, to finish the transgression,
and to make an end of sins,
and to make reconciliation for iniquity,
and to

bring in everlasting righteousness, and to seal up
the vision and prophecy,
and to anoint the most Holy.

yet HWM being **cut off in the midst of the week** = Cross, presents at that time when ER was ushered in
for everyone to uphold and cherish.

But why TWO millennia later and still it's not been understood?
That's due to Gods view point as seen in Dan 12:9

The early showers of 1888 was happening and of all things Satan snuck in with **Omega Deadly Heresies** and then created a permanent OMEGA STAINING in FB 2,4

which is why Laodicea and the world only see the cross and RxF and why the TWO WITNESSES must fill the gap

What is a point in time when the heavenly is contrasted with the earthly as in Rev 13:8-9. The world will not see this in the cross that is the reason for the witness of the Two in the great city where our Lord was Crucified. They will see Righteousness in one g unity.

**and the Beast blasphemes heaven
and all who dwell there.**

Yes, the Heavenly is compared by the Beast to be wrong with ER of HWM, the earthly are indignant with the 2W and the 144

And all the demonic onlookers all know ER is true because it was ushered in at the Cross. And after an ascendant program to weaken RxF diminishing it thru Self R the blame game is finally focused on the 2W and the 144.

Fear based.

**The world sees the power in terms of who imposes a falsehood passing itself off as Truth and
Righteousness by imposition of power.**

Paul saw this precisely the weakness of RxF

And no marvel; for Satan himself is transformed into an angel of light.

11:15 Therefore [it is] no great thing if his ministers also be transformed as the **ministers of righteousness**; whose end shall be according to their works.

There, You just read it

Satan was permitted by Gd to have a transformative influence and involvement with the doctrine and the realm of RxF?

It's crazy, but true and there as you saw it first hand is the weakness of RxF even without the works of the law or self R.

That Satan would be permitted to be to allocate the light of the truth with RxF and also his demons are **transformed also MINISTERS of Righteousness**

Is it any wonder

ER must be ushered in; it must be the LR that strengthens the call of the LC

and ER must be the entire voice of the 2W and the 144 testimony

for God said
it means no guile

Which when you think of it - all those in Christendom who speak and believe in RxF **would be always speaking with GUILF** in their mouths, = 1g GTF, = God the Eternal Son FB#4

yet preaching all the right stuff about RxF and everyone goes home satisfied and pleased!

It's incredible, almost unbelievable but has been foretold.

The Key is why the blasphemy of the Heavens? Has to be the defeat and the casting down by way of ER and later the casting of the 3 into the Lake of Fire.

Many ppl you speak to all say Hebrews 11 reveals really nicely it's the faith chapter and its R/F but when you read it its speaking of a greater basis of faith and its centred in Christ and ER.

What this discussion establishes for you a methodology,
how to explain this matter
of the weakness or R/F.

As one individual in the field fully conversant with the importance of Eternal Righteousness recently said **"trust me" this weakness of RxF which is spiritualism,**

It definitely will be an upcoming issue since a former Christian Jes mystic was speaking about the 'weakness' of Christians,
that after they accept Christ they are
still plagued with problems.

These spiritualism guys are shut down with the resurrection which is the power of ER and it's the very same matter as encountered by the Two Witnesses.

The Beast thought that he had put an end to the Two Witnesses but you will recall what occurred

- **ER raised them up.**

The era of the 1290 will be **strongly influenced by mystics** and **mysticism** and **no one is paying attention**

let alone capable to identify why RxF will be a weakness in that soon to encounter 1290era.

Check out The 5th trumpet.

Mystics and the mystical viewpoint

It is much easier to explain this matter about the **weakness** of R/F from the mystical viewpoint.

Since according to them, when UC takes place, you don't need R/F, you become that which you previously believed in.

So, this is the **trap** that is being prepared in reference to UC enlightenment. = [Luke 21:35](#)

THE BOOK OF JOB

So, by now you would realise the book of Job is the blueprint regarding the **weakness** of

R/F.

There is no need to go over the ground again.
Now here is the thing.

There are two dimensions of ER vs R/F.
The **GODLY one** and the **demonic one**.

Satan wasn't lying when he told Eve that she,
and Adam
would be as gods.

We all know that, that is the final objective
for man as revealed

in [Psalm 8](#)

as well as

Jesus quoting [Psalm 82](#) in [John 10](#).

The difference being was the order of HWM
was not to be disobeyed by Adam and
the result appears to be,

not only the entrance of death,
and disease

but spiritualism's ultimate
unfolding.

So just as **mysticism**
finds **weakness** in **R/F**

And this is what the New Testament church encountered with the **Gnostics** who kept claiming that they were saved by Gnosis = knowledge falsely called so, well, that was actually "UC".

6:20 O Timothy, keep that which is committed to thy trust, avoiding profane [and] vain babblings,

and oppositions of science falsely so called:

6:21 Which some professing have **erred** concerning the **faith**.

It is recalled at a Laodicean conference in which the attendees were told that the Gnostics were even perhaps more numerous than the early Christian church. The reason for that growth had to be "UC" as counteracting R/F.

Paul clearly reveals the matter.

There is a similar Allusion of the growth of an empty philosophy, whose teaching remains antagonistic to the teaching of Eternal Righteousness of HWM in Colossians 2:8,.

Paul contrasts Eternal Righteousness as the true "wisdom and 'knowledge" = gnosis in [ver. 3](#).

But the difference with Paul was in the fact that he had

experienced an **ascendence to the third heaven**
and was **taught the Gospel directly from Jesus.**

Here Paul hits hard at the Gnostics:

**18 Let no man
rob you of
your prize**

^[i]by a voluntary
humility and ^[j]worshipping of the angels, (Angelic
emanations = posing as manifestations of the one g)

^[k]dwelling in the things which he hath ^[l]seen, vainly puffed up
by his fleshly mind,

It was probably dwelling on the introversive and extroversive
mystical experiences which glues the person's reality **to the
universe**

or the **world of matter**.

¹⁹ and **not holding fast** the Head, from whom all the body, being supplied and knit together through the joints and bands, increaseth with the increase of God.

Not Holding Fast?

Not holding fast through R/F but the increase of God is ER.

Meaning that early Christians who "fell away" were captivated by the **mystical experiences** of UC

and here we have a glimpse of the weakness of R/F from the mystical perspective.

R/F being weak in the sense that there was no Christian response to the Gnostic "**Knowledge falsely called so**".

Yet Paul revealed it in **Colossians** and It was very alluring.

Yet, according to Paul, in order to overcome they were not to believe in human philosophies or even in mystical experiences since the fulness of the Godhead resided bodily in Jesus Christ "ER" and not in a God "consciousness"

that overshadowed a man by the name of Jesus who previous to that was not a Christ.

This is what the
Gnostics believed.

So, from this perspective Paul and the early Gnostic attack on the Incarnation was the warning to believers, that they had to believe and this would imply every segment of the plan of salvation from the downfall of Satan in the heavens,

up to the arrival of Eternal R and ushering in of Eternal Righteousness in the form of Jesus Christ.

It was not to be by mystical experience or abstention from material things.

But by believing just like Job prior to his self-righteousness being exposed.

The weakness of R/F.

So how do we sum this up?

R/F is believing in Jesus Christ in all aspects as revealed in the New Testament.

1 Timothy 3:16.

3:16 And without controversy
great is the mystery of godliness:

God was manifest in the flesh,

justified in the Spirit, seen of angels, preached unto the Gentiles,
believed on in the world, received up into glory.

But ER has to do with the **power** of the Holy Spirit and a typical case in point, **Simon Magus** wanting to purchase it.

So, getting back to Eden,

Satan knows his game plan of UC as well as the secret doctrine of soul cycling eternal sons and mysticism and UC etc.

Whereas with R/F it follows a blueprint of established facts that would guard one in order to escape the snare of UC.

Paul actually went **on to perfection = Eternal Righteousness** for he was betwixt two things.

Read this in [Philippians 1](#)

But in the long run ppl don't see the end conclusion of Eternal Righteousness with Paul and so there is 'weakness' in the form of who will **rid me of this vile body** and the answer to that is **ER** in the form of the resurrection or transformation of those who are alive.

This will be the **challenge** of UC and all the other miracle working activities of Satan **against** R/F

Yet in the case of the 144,000 what is praised by testimony from mouths **cleansed of guile** is ER which will be show-cased in the form of the death knell to the God the Eternal Son FB#4,

which has been presented from the 3rd Century to Christians in general and Laodicea as a **spiritualism snare** which prepares the way for UC as eternal sons or sparks of their own kindling

when they should be reaching maturity,
they abandon R/F since they themselves experience UC
and come to full maturity in the new era of
the Luciferian doctrine.

Let that sink in.

The whole idea of Character Perfection in this imminent Luciferian age will tie in with the concept of Mitsvah = works

and many Christians when brought before the public and their sins revealed in light of what the churches have been teaching in the form of CP in relation to R/F will be embarrassed and renounce Christ. Falling away.

Yet, with ER instead of renouncing Jesus Christ, what is brought into the picture of this scenario
is 2 Timothy 1:9 in relation to **Rev 13:8-9**

in relation to the false mitsvah
of Deuteronomy 6:4's
one g, which strives for CP via mitzvahs

https://www.chabad.org/library/article_cdo/aid/1438516/jewish/Mitzvah.htm

The matter of the Eternal Two of Deuteronomy 6:4 and the fact that while we were yet sinners, Rom 5:8, it was the Lamb or Root of David, that did everything for us **prior to** the foundation of the world.

It all boils down to that Suffering Servant of Isaiah 53 **prior to** the foundation of the world, in relation while we were yet sinners Christ died for us from the eternal perspective of laying down his life in the heavens.

Modern day Mitsvah in Japhet and inherited from spiritualism in T book. Is Specifically, 7N.

These things are contrasted with the doctrine of the **Two Eternal Fathers** specifically from Isaiah 9:6,7

with the restoration of the word in Rev 19 who will sit on the throne of David, as in Rev 22:1.

But

²⁰ If ye died with Christ from the ^[m]rudiments of the world, why, as though living in the world, do ye subject yourselves to ordinances, ²¹ Handle not, nor taste, nor touch ²² (all which things are to perish with the using), after the precepts and doctrines of men?

²³ Which things have indeed **a show of wisdom** in will-worship, and humility, and severity to the body; *but are* not of any ^[n]value against the indulgence of the flesh.

So, just as in **mysticism** they ALSO long for the transformation of the mind through a literal infusion of channelled demonic self-righteous and then self-revelation. = Sparks.

Eternal Righteousness is proven to be so, by way of the sealed 144,000, and then the showdown between the 2W and the Beast, the result is that the **Two Witnesses** win, since they are resurrected by ER.

Then comes the showdown at the 1290 and the question **who will be able to stand?**

The answer is those who believe **Eternal Righteousness** , and the **Two Fathers** in the Anthropomorphic

no more God the Eternal Son emanations or low or high souls.

What happens to the advocates of 3T, with the arrival of ER?

Isaiah 2

Their land also is full of idols; they worship the work of their own hands, that which their own fingers have made. ⁹ And the mean man ^[d]is bowed down, and the great man ^[e]is brought low: therefore forgive them not. ¹⁰ Enter into the rock, and hide thee in the dust, from before the terror of Jehovah, and from the glory of his majesty. ¹¹ The lofty looks of man shall be brought low, and the haughtiness of men shall be bowed down, and Jehovah alone shall be exalted in that day.

¹² For ^[f]there shall be a day of Jehovah of hosts upon all that is proud and haughty, and upon all that is lifted up; and it shall be brought low; ¹³ and upon all the cedars of Lebanon, that are high and lifted up, and upon all the oaks of Bashan, ¹⁴ and upon all the high mountains, and upon all the hills that are lifted up, ¹⁵ and upon every lofty tower, and upon every fortified wall, ¹⁶ and upon all the ships of Tarshish, and upon

all pleasant ^[g]imagery. ¹⁷ And the loftiness of man shall be bowed down, and the haughtiness of men shall be brought low; and Jehovah alone shall be **exalted** in that day. ¹⁸ And the idols shall utterly pass away.

¹⁹ And men shall go into the caves of the rocks, and into the holes of the ^[h]earth, from before the terror of Jehovah, and from the glory of his majesty, when he ariseth to shake mightily the earth.

²⁰ In that day men shall cast away their idols of silver, and their idols of gold, which have been made for them to worship, to the moles and to the bats; ²¹ to go into the caverns of the rocks, and into the clefts of the ragged rocks, from before the terror of Jehovah, and from the glory of his majesty, when he ariseth to shake mightily the earth.

²² Cease ye from man, whose breath is in his nostrils; for wherein is he to be accounted of?

Conclusion.

The 144,000 reveal the doctrine of ER at the LC this marks the death knell of the GTES. Then comes the **attack** upon those who were recently converted to the truth and exited Babylon because of the LC and Latter Rain.

Whereas the teachers received the latter rain = LR
and are protected in the coming storm of the
Beast's attack upon the church=Phillies
Which is what is said in the following ...

that thou [Phillies] hast a little power, and didst keep my word, and didst not deny my name.

⁹ Behold, I give of the synagogue of Satan, of them that say they are Jews, and they are not, but do lie; behold, I will make them to come and ^[c]worship before thy feet, and to know that I have loved thee.

¹⁰ **Because** thou didst keep the word of my ^[d]patience, I also will **keep thee** from the hour of ^[e]trial, that *hour* which is to come upon the whole ^[f]world, to ^[g]try them that dwell upon the earth.

The Two Witnesses face off against the Beast.

Result?

three days later the **Two Witnesses** are resurrected.

Love of the truth has been presented.

Then through the 1290 it appears that the **teachers** of Eternal Righteousness are tested on this same point and pass with flying colours, whereas others will die

and be resurrected = Rev 20:4

Many will die for their witness against the Mark and the number and the image, whereas the teachers of ER or 144,000 will not die. They were sealed in the sealing time of the 144

No doubt it has to do with the Seal of the Two Eternal Fathers in the sealing time Rev 14:1 which are in relation to the 1st and 3rd Angel's messages.

The Dichotomy of the 1290

The Dichotomy of the 1290 implies an "entrance" into the MHP of the 3T = Isa 2 and 2Thes2.

Yet, it also implies the arrival of the **second Beast** which is believed to be over at the land that "clasps hands with spiritualism."

Others, imply that the **MWFP** may come from the land that clasps hands with spiritualism.

If not, the land that clasps hands with spiritualism, then, an Orthodox Patriarch; since it has been recently stated that an order of transference has taken place from the Romanov era

which was taken by the Bolsheviks and now being returned to the Orthodox. Still, there is no proof for this. [Here](#) and [Here](#) appears to be false.

As you have now reviewed, RxF holds a **distinct weakness** with the fulfilment of Character Perfection, the Investigative Judgement is not compatible with RxF because of Romans 5:8 and you also should now be piqued with interest about the seal of Gd in the sealing time and what is true cleansing on the DOA and that true wisdom and knowledge of the Eternal Righteousness of HWM must sit front and centre in Rev 13.
And also why Gd said I create evil.

More to be discussed.
