An Eternal Plan Always Trumps a Human Plan

ECHAD

Seven Noahides **vs**
Ten Commandments

Joint Resolution Congress

Sheila Holm

It is extremely rare to see two Biblical concepts that have everything to do with the era of the Apocalypse especially the First Angels warning be published.

That two theological concepts are integrated into the title of a book an Eternal plan of God and at the same time can be the UTMOST HINDRANCE to the Eternal Righteousness of HWM.

It is stunning to see in any contemporary publication when most do not realise they relate to the Apocalypse!

This is what Sheila Holm has achieved in her new book. These two specific concepts, are **spiritual mountain peaks** and apply to end time events, yes the Apocalypse.

But first, the Book

"AN ETERNAL PLAN ALWAYS TRUMPS A HUMAN PLAN" Countering the 45 Points to Destroy America and the World! [here](#)

The author Sheila Holm gifts quality information in easy-to-read format to the reader and outlining landmark events in the history of the USA led by God and raised as a Christian nation:

The **Mayflower, Plymouth Rock, Faith Monument**, the **Ten Commandments vs the Seven Noahides**, (more later), title deeds of lawful proper ownership of the **Panama Canal**, and then amazingly it's as if Sheila hit a perfect bullseye the **Joint Resolution of Congress to designate March 26, 1991, as 'Education Day, U.S.A.'** The 7N.

The overall focus of restoring greatness is the Aleph, that **ECHAD** = **"ABSOLUTE UNITY"** as Sheila portrays the divine destiny of America listing 45 points countering darkness.

But for this discussion, the index of the book presents **THREE ESSENTIAL CONCEPTS** and

are essential for those following end time events and the timing is breathtaking as we enter the era of the Apocalypse

because Echad , 7 Noahides vs 10C and Joint Resolution of the 102nd Congress

**all feature in the same book
that is exceedingly rare**

What is clear Father has provided these insights for many readers to consider but they really remain unknown in their proper context with America.

So the question is now posed –

was there an oversight by Sheila in respect the two Biblical of ECHAD and 7N that are the tallest mountains of influence in end events?

Yes. Because Father has **not** provided all the light to her about the matters raised. The Book is not a theological treatise but that it was the 45 points to restoration of America

The oversight however will be discussed.

Does that do any injustice to the book.

No! Why?

It is the will and the purpose of the Father, to have Sheila raise the critical theological issues, for the servants of God in USA and the Fathers will was to open these issues to a wide readership by patriots and servants of God so as a special awareness when the nation rises again in the golden age.

Father said the same nation inevitably will be hosting the final events of Rev chapter 13 when the second lamblike beast speaks as a dragon. When Protestantism clasps hands with spiritualism.

Of course! Yes!

Sheilas work is highly commendable
it's a must read.

For any author to introduce today in either a Book or anything it is marvellous
working of Divine Providence and
one can know they are led
by the God of the Bible.

So was there a **oversight** in the accuracy of Echad
the 7N and their association with the Joint Resolution?

The answer is yes.

This is not disparaging

it's that the conclusions of the concepts are light for the hour we live and it is
easy to see they have not been explored from the Bibles perspective so this
discussion touches again as has been discussed many times previously.

THE THREE MOUNTAINS

- 1.The Hebrew word **ECHAD** and
- 2.The **7 Noahides.**
3. Joint Resolution of 102nd Congress.

First, how are the above THREE theological mountains straight out of your
book Shiela **triangulated** to obtain their conclusions? More later.

It's ironic Father, raised Adventists in AMERICA to be watchmen and in a "special sense" light bearers for the Divine purpose with the Three Angels Messages,

and yet a book is penned with the ultimate theological issues by a non-Adventist author is not surprising for Sheilas work is for a wider insight and awareness in America.

This merely confirms Laodicea never faced up to their nemesis and inroads of spiritualism, by not resolving the **OMEGA of Deadly Heresies**.

Which involves the correct meaning of **ECHAD**.

Because **Isaiah** said a law would be raised = 7N
and the Joint Resolution sustains
to become a reality.

Father is praised for raising Sheila for her tremendous insights and contribution.

These theological concepts raised by Sheila are absolutely **so important** that no amount of words can overstate their importance.

Over the years research at 5Agendas has discussed the concepts ECHAD and 7N and yes the Joint R in many examples [here](#) and [here](#)

From this work, tremendous discoveries have been revealed by Father = pearls of great price of **Christs Eternal Righteousness**,

As to **why He is Alpha & Omega**;
why **Echad** of Elohim Deut 6
constitutes **Two Divines**

and why any misstep shatters Christs Identity as Alpha & Omega that becomes the Omega of Deadly Heresies,

That the Two Elohim of John 1:1 are yes **echad** one, who are one in purpose **and not one singular gd**

so any misstep about ECHAD is corrected because the answer is found in Rev 13:8-9

What is very strange is Sheila missed the most obvious fact that THE FIRST AMENDMENT of the US Constitution which states

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances. [here](#)

has been BREACHED by Joint Resolution of Congress in 1992.

What has that to with ECHAD ?

The Joint R snuck in the 7N which is a religious law in honour of the Babylonian Rabbi as Sheila asserts and then be figurate as "Education" under 1 singular gd.

From that comes the **blasphemy** laws of the 7N, but while the Snhdrn insist capital punish is "*maximal, not mandatory*"

Yet Father has said there is the "law" in Isaiah 2 and its correlation to the entire context with Revelation 13:15 cannot be overlooked.

This is not an opinion or conjecture.
It's Fathers warning.

This distinction of ECHAD is of such vast importance of what Sheila has introduced for the readers in Fathers ETERNAL PLAN, that

To get in **tight with the Father**, Isaiah told everyone a law would proceed forth from the great city Isa 2:3

EGW called it an '**oppressive law**' albeit it was woven in terms of counsel about the National Sunday Law which was for her era.

But today there is no capital punishment associated with Sunday laws (read the encyclicals) and all those handwringing about a NSL well it is no longer, due to destruction of the purple woman of Rev 17:16. Right?

So the readers here and the readers of Eternal Plan by Sheila have an appointment with Father to discover what the three theological mountains in her book mean. As EGW said

"These things should engross the whole mind, the whole attention."

Why?

After the truth has been proclaimed as a witness to all nations, **every conceivable power of evil will be set in operation,**

But how do you get to the bottom of a massive deception that's in the realm of asymmetrical spiritual warfare involving **ECHAD** and **7N** and the **Joint R**

and not miss the point of the mountainous theological issues which today are under the full power of Satan is a tragedy.

But does ECHAD mean ABSOLUTE UNITY ?

Absolute unity in what?

About what?

The Duality of the Elohim?

What has ECHAD have to do with the mark in forehead and hand? = Rev 13.

What has ECHAD to do with Deut 6:4,?

Why does ECHAD and 7N relate to Revelation 13 with mark forehead and hand concur with Deut 6:8?

In other words to get to the bottom of the deep spiritualism these critical concepts openly published by Sheila, are definitely led of Father,

Because you are dealing with the sophistries of the entire demonic realm. And as the cliché goes, 99.9 % truth with .01% poison, is still not truth.

Jesus said warned it would **deceive if possible the very elect**.

That's the power of Satan.

In other words, speaking generally about **ECHAD** and **7N** as and not seeing it connection with the Joint R in the Eternal Plan is one thing

but to not draw the Biblical conclusion is a lapse of judgement as to how it is interwoven with the 7N and its connective to the Joint R.

To be blunt - the snare has been set because the 7N is an integration by law to the worship of echad 1 gd

ECHAD

Is that one Gd or **one gd**, does it involve plurality or not?

For any misstep with its consequences are spelt out by Father in Rev 13 and is overlooked, that's a big problem.

Don't draw the correct conclusion now in the 'sealing time' for one's mouth cannot be cleansed by the guile and therefore there can **be NO SEAL OF GOD. See Ezek 9**

And then without the seal of Gd
there is the issues of the **Fifth trumpet**
Let that sink in

This word ECHAD and seemingly to many is not of importance it fosters the careless oh it's a fiddle with words and word meanings, but don't be fooled

The Godhead still remains the ultimate controversy and confirms why EGW had said USA "clasps hands with spiritualism"

Besides - The First Amendment is the last vestige for Religious Liberty.

So what does a Joint Resolution achieve?

Simple.

Religious Liberty in the time of the second B of Revelation 13 is **Gone**.

Gone?

It is ALREADY perfectly compromised in 1992
therefore it's the **epicentre** of the theological drama
of dramas.

Even if it was repealed by a Joint Session – it's too late anyway.

Why?

"Times of the nations" has closed.

The mystery of Iniquity has stolen a march.

From Heavens viewpoint, there won't be any change to the Joint R and Don't
think for one minute the Miracle Working False Prophet, the lamblike beast,
who speaks as a dragon and emerges in the land where Protestantism clasps
hands spiritualism doesn't use ECHAD to achieve the
final deception which is to what

to CAUSE to worship the image
of the 1gd, which is the penchant of the 2Thes2 guy.

= The "man in the arena"

Those guys are thrown in the Lake of Fire Rev 19:20

But when the time arrives and the power of the First B is **transferred** to the
Second B it's the VERY END and

no more golden age.

No chance to be our brother's brother.

Spiritualisms subtle specialty is the use of ECHAD in the Shema of the Israel Deut 6:4

The interpretation of the word ECHAD by the Chabad the Rabbi installs their theological goals for their Mashiach is clear.

The word ECHAD when explored you will find it's so dangerous when its meaning is obfuscated or even slightly bruised but when its seen to have been manipulated what's next is the destruction of religious liberty.

There is no longer Religious Liberty and the First Amendment when the 8th king = the 2Thes2 guy when he sets up shop.

Why?

The Joint R confirms the 8th kings integrity.

Daniel, Isaiah and John the Revelator confirmed that.

Why?

The Joint Resolution is subsequently endorsed by presidents, it sits so to speak, in the drawer of the Resolute Desk.

So Sheila, if you get the chance to eventually see this and see the seriousness of the subject your book has set out, bear in mind, there is much more to the three mountains.

If you speak to **Juan** "Jn Jn" pls convey his reprise of **ESTHER** was thorough and excellent, because your book has opened Pandera's box of the theology

realm, the breach of the First Amendment is a surprise, then one should be reviewing the conclusions as set out by Father Himself in Revelation 13.

Why?

Keep in mind,

Juan has spoken to the **BALFOUR DEC** and these concepts of **ECHAD** and **7N** and **Joint Resolution** ride together like "roughriders"

Juan rightly pointed out about the unwritten understanding of the **Balfour Declaration** is placing a monarch on the seat of the great city as was signed agreed in 1917.

God says this king "**lasts a short space**" and then comes the 7N law of Isaiah 2.

This conclusion is set out by Father.

Yes we must get tight with Father.

Sheila, both concepts **Echad** and **7N** you have correctly isolated in the "ETERNAL PLAN" means your work has been led by Father and therefore the Echad and the 7N and the Joint R 'roughriders' must never be generalised as absolute unity for patriots, servants of HWM.

When one does not see the end conclusions of the 7 N with Echad and the Joint R in its context for America as had Isaiah, it means folk will be easily deceived by an angel of light

these notes are not inconsequential regardless the “other physics” or whether gold and silver becomes ‘unobtainium’ thru this year 2026-27 and on with the rightful restoration of USA.

Why?

Well, the **conclusion** of the **Balf Dec** in reality means we find ourselves in the time of the **Second Woe** of the Apocalypse.

Juan may not realise this.

Thankfully, Father has explained this.

It’s a fact - Those who are not fluent in the Book of Revelation will **never** see this detail about the impact of the **Balf Dec**.

Patriots

The maxim WWG1WGA = Absolute unity. = Echad.

That’s all fine for **patriots**, and no issue at all, nor the Executive Orders that exist to root out and prosecute the sedition, treason, misprision of treason, election fraud and crimes against humanity as well as the dire evil Juan has explained over the last decade in the battle for Casino Royale, the entire earth,

But what you have brokered for general readership Sheila is so important it’s actually **so monumental**

from Fathers perspective,

**it’s literally breathtaking to see it published and
Even shocking to see it in anyone’s writings
at this time.**

Why breathtaking?
Father already told us!

We are all making decisions with the
**FIRST ANGELS WARNING OF
REVELATION 14.**

That First Angel has everything to do with the **Doctrine of Christ** as set out
by Paul in **Heb 6** as foremost why Christ is ALPHA and OMEGA.

But also involved is the **Unpardonable Sin.**

So that's involved with the word ECHAD as well.

Spiritualism has its goals and they too use –
“**absolute unity**” as their normative catch cry!

An incorrect lens on the meaning of ECHAD by the slightest degree leads to
agreement to **the mystery of iniquities** end state and no one will see what
the 7N ultimate intention as will unfold which for one thing is Unity
Consciousness, and the souls of men

so yourself, Juan and those in your respective communities may avail of an
opportunity at some stage to bear up
to the matter of **ECHAD and 7N in the full light of the Fathers “eternal
plan”**

which Jesus said involved the cursed **Fig Tree** shooting forth in summer and
the Fig Trees contribution in the end events,
which were sown via the Balfour Dec and prophesied
in **Gen 9:27**

and that being said it's naturally working towards what Rabby Schn had in mind ushering the Mashiach via his "Education Bill" and the 7N is perfect, which pinpoints why the Shema of Israel and the word echad is very poorly understood

How to triangulate the three theological mountains from the book Eternal Plan by Sheila Holm.

We all must know the Scriptures given by Father to be tight with Father, by the blood of Jesus.

The Bibles the emphasis on ECHAD is not "**absolute UNITY**" in the usual sense of how ppl associate absolute unity

but this word becomes the playground of the 8th king who uses stealth of Unity to achieve the mystery of iniquities end goal, as spelt out in Revelation 13.

What does ECHAD mean to Christ?

The generalised emphasis that echad = **absolute unity** means the Alpha identity of HWM **is washed out,**

it destroys the LAW OF TWO of John 1:1
the Two Divines en arche, and
destroys the Eternal Righteousness
[ER] of HWM.

Father is leading ppl towards the real issues a reorientation to the eventual issues in the last 30days of the 1290 days of Matt 24:15 and for those who take ER of HWM seriously they will be Teachers of ER with the very seal of Gd.

At 5Agendas we have always known that **Echad** is a “unity”
but there is the synonym word **Yachid** and both words mean ONE in Hebrew,

but Yachid doesn’t explain **one** in reference
to the **Shema** but when ECHAD is inferred to mean the same thing as
SINGULAR ONE

ultimately what occurs is the Shema from the Rabbi interpretations is to **DENY**
the **plurality** of Genesis 1:26

and the Two Divines that descended at Babel

as well as **the compound unity** of Adam and Eve.
Being one flesh.

There is no way that the Shema can be defined as Yachid (which it is) from
the use of Echad since the main examples of plurality in the Genesis 1:26
cannot be left out and besides John 1:1 totally demolishes Neo Platonism as
do the 5 prerequisites of Melchizedek .

Furthermore the test of 7N and 3T is
seen in the passages of Isaiah 2, as a failure.

The problem for the 8th king is Genesis 1:26
“Let us go down” at Babel to see what they’re doing.

Then there is the issue of the **“Evening and Mornings”** of Daniel 8:14 a
compound unity to form one day,

yet they retain their singularity as periods of light and darkness and Adam
and Eve as separate individuals.

A male is not a female and vice versa.

The **Law of one** through the rainbow coalition wants to blur these lines in order for there to be single units of consciousness connected to the 1g as expressions of the one g.

<https://www.jewsforjudaism.org/knowledge/articles/in-what-sense-is-echad-one-used-in-the-shema/>

The above argument is false.

John 17's reference of being one

they in us and we in them

is **not** an absolute unity of **Yachid = singularly one**

it is the unity which Allos brings which joins the body of Christ which fills the Universe, at all points and is **directly contrary** to the **Omega of deadly heresy**

since we are not dealing with units of consciousness

in the spirit realm

but in the Anthropomorphic resurrection

realm with **Christ in you** = Allos Parakletos **the hope of glory.**

²¹ that **they may all be one**; even as thou, Father, *art* in me, and I in thee, that they also may be in us: that the world may believe that thou didst send me. ²² And the glory which thou hast given me I have given unto them; that they may be one, even as we *are* one; ²³ I in them, and thou in me, that they may be perfected into one; that the world may know that thou didst send me, and lovedst them, even as thou lovedst me. ²⁴ Father, [□]I desire that they also whom thou hast given me be with me where I am, that they may behold my glory, which thou hast given me: for thou lovedst me before the foundation of the world.

Revelation 3

²⁰ Behold, I stand at the door and knock: if any man hear my voice and open the door, I will come in to him, and will sup with him, and he with me.

John 14:23

²³ Jesus answered and said unto him, If a man love me, he will keep my word: **and my Father** will love him, and **we** will come unto him, and make our abode with him.

Genesis 1:26 = **plurality** in the Anthropomorphic **not** a compound unity but separate entities that are one in purpose and accord,

yet separate in time and space as presented at the Burning Bush and the vision of Ezekiel 1 and 8.

Genesis 1:26 the root of the word Elohim as in Anthropomorphic, since man was made in HWM's image and likeness, because He Who Made [HWM] cannot be Pantheistic on account of this sole statement.

Adam and Eve being separate formed a compound unity in marriage and became

"one' Echad.=Unity

At Babel "**Let us go down**" to see = plurality.

Evening and morning a compound form one day Echad.

So who defined the doctrine of "sonship" regarding the [Dabar](#)?

Answer = **Philo**.

So then, what distinguishes the doctrine of Philo from the doctrine of Melchizedek which holds the prerequisites of the Order of Melchizedek and deeper meaning of ECHAD?

The answer is **no father, no mother,
no beginning of days nor end of life.**

This boils down to the **Order of Melchizedek**

and its prerequisites

**that truly define the
Shema of Deut 6:4.**

So the fact is that there is a **Law of 2** = John 1:1 which is based on the literal plurality or as a Divine Duality (not one Gd) which is the common misconception and as presented in the following verses.

Psalm 110:1-4 and John 1:1.

The next matter is the **plurality** in

Psalm 110:1 = that of John 1:1

Psalm 110:1 defines the plurality of Genesis 1:26
as does John 1:1

with John 1:1 confirming the prerequisites of the Order of Melchizedek from the vantage point of John 1:1
and John 1:14, as well as from the witness of King David

who wrote Psalm 110:1-4

since he called "Christ" **David's Lord** and Jesus quoted this Psalm when he asked the question of who did the people believe the Messiah to be?

They answered the **son of David**. Jesus then replied by quoting Psalm 110:1.

"How could the Messiah be David's son when David referred to the Messiah as his Lord?"

Right?

The Lord said to my Lord, sit at my right side until I put all your enemies under your feet.

What Jesus was referring to was the **pre-incarnate conversation** that he being Christ had with God which is clearly defined in John 1:1 as the "Word" existing in the beginning and being alongside God and being God.

When the people heard Jesus explain Psalm 110:1 in reference to the Messiah being **prior** to David and sitting next to the throne of God **they rejoiced**

because in one stroke Jesus **demolished the traditions** of the learned men and elders by stating the facts of the **duality** of Psalm 110:1-4.

In order for **Isaiah 9:6-7**

to be a literal reality
it has to follow the prerequisites
of the **Order of Melchizedek**

for **a child born and son given** and who is then
to be referred to as "**Everlasting Father**"
= **FATHER #2**

as defined by Psalm 110:1, 2 = sent Rod
and John 1:1 and verse 14.

Does 7N and its interpretation of Deut 6:4 follow the original Biblical Schematic?

No it doesn't

Genesis 1:26 is **critical** in reference to the understanding of Deut 6:4 and what the High Priest referred to as Blasphemy when Jesus was on trial see Daniel 7:13

¹³ I saw in the night-visions, and, behold, there came with the clouds of heaven one like unto a son of man, and he came even to the ancient of days, and they brought him near before him.

And it was none other
than **the sent Rod** of Psalm 110:2

which retook his glorified state as presented in
Psalm 110:4

which Hebrews 6:19 and 20

define as Great High Priest of the Order of Melchizedek after Jesus Christ resurrection from the dead.

[Document 11Q13](#) of the Dead Sea Scrolls confirms this ancient understanding that **Melchizedek was Deity** and the High Priest of the Day of Atonement during the 10 Jubilee.

Seven Noahides vs the Ten Commandments

7N is a counterfeit Law

which was **NOT** established on **Sinai**
which back then, was and still are
the ten commandments
and the book of the Law
which was not placed inside of the Ark of
the Covenant.

Furthermore in Leviticus we are told that there is only **one law** for **the common person and for the foreigner within thy gates.**

That is the 10 commandments.

7N was a concoction of the Rabby, was created by traditions that assume that it was a law given to humanity when in reality the Bible already presented the fact that there was
already one law given at **Mount Sinai**

with the Bible warning for us all that at the end of the age
**that a Law would be coming forth from Jerusalem
in the form of a counterfeit.**

So how do we know this for sure?

Answer

That by carefully reading **Isaiah 2**
we are told that the 3 T will
be at the heart of the deception and
that spiritualism

will be used to usher in this deception as to the **Law of ONE** courtesy of **Deut 6:4** and there is 1gd contrary
to the Scriptures and the Law of Two set out above

AND in respect to this law of one

which Isaiah 2 refers to as being "**replenished from the East**" and no doubt
that this had much to
do with the Babylonian captivity;

and later, in **1948** the fulfillment of Genesis 9:27

which includes the signing of the Balf Dec in 1917
is to be a counterfeit restoration of the FIG TREE
and is directly at odds with the cursing's of Deut 28,
with a most probable restoration of 10 tribes
as being seen today,

Yet, in unbelief, in order to rally them around the 3T as a supposed "fulfillment
of prophecy" which by the time we reach the end of **Isaiah 2** the whole
structure of lies and
deception is levelled down by a depiction
of the events mentioned in **Rev 6**.

Men hiding for fear in the rocks and mountains of the dread presence of the Lord.

If the 3T enterprise is to be so successful,

why is it then stated in Isaiah 2 that everything that exalts itself including 3T at the end of the age, **is going to be brought down?** vs 12

On that day, only Jesus Christ will be glorified as presented in Rev 19 when he comes through

the blazing heavens as King of Kings
and Lord of Lords.

Isaiah 2 mentions that the **heritage** of Jacob has been forgotten or ignored and that deals will have been struck with alliances in **relation to foreigners**.

This no doubt this is referring to **Zecharia 8:23**
with 10 men of different tribes nations and languages
**grabbing the skirt of a J and saying lead us
for we know that g is with you.**

Later Revelation 17:12-16 verifies the fulfillment of this information which is found in Zecharia 8:23 and these same powers are destroyed by the one sitting on the throne who issues a sharp sword coming out of his mouth.

The whole matter of Isaiah 2 is seen in relation to the Two Witnesses in Revelation 11

thus confirming that these two chapters of
Isaiah 2 and Rev 11

are in fact in relation to the Great City
and what will in fact take place in reference to the 3 sections of the Great City
and the **power** of the First B is **transferred** to the Second B and "national
ruin" follows

and then that is when Christ returns
as a blazing fire from the
heavens to **inflict judgements on the
nations whose time is up.**

Yes, Time to get tight with Father.
