

“Watchman,
what of the night?”

“The hour has come, the hour is striking, and striking at you,
the hour and the end!” Eze. 7:6 (Moffatt)

“And God wrought
Special miracles by the
hands of Paul”

The 7 sons of Sceva

Acts 19

While considering the **aprons** and **handkerchiefs** and the special **miracles**, it was clear, something very special existed about the teaching of Paul of Christ that the **evil spirit** recognised, and what it all pertained to was this - it belonged to HWM.

What is “this”?

Well, it’s easily concluded, it **was not RxF** or a **faith in Jesus** to save.

This discussion analyses this event about the **seven sons of Sceva (the high priest)** and their attempt to **counterfeit**

Eternal Righteousness

With this in mind, you will discover, the conclusion is undeniable:

And he [Paul] went into the synagogue, and spake boldly for the space of **three** months, disputing and persuading the things concerning the kingdom of God.

19:9 But when divers were **hardened**, and believed **not**, but spake **evil** of that way before the multitude, he departed from them, and separated the disciples, disputing daily in the school of one Tyrannus.

19:10 And this continued by the space of two years; so that all they which dwelt in Asia heard the word of the Lord Jesus, both Jews and Greeks.

19:11 **And God wrought special miracles by the hands of Paul:**

19:12 So that from his body were brought unto the sick **handkerchiefs or aprons,**

and the **diseases** departed from them, and the **evil spirits** went out of them.

Then certain of the
vagabond Jews, **exorcists**,

took upon them to call over them
which had **evil spirits**

the name of the Lord Jesus, saying,

We adjure you by Jesus whom Paul preacheth.

19:14 And there were **seven sons** of [one]
Sceva, a Jew, [and]
chief of the priests,
which did so.

And the **evil spirit answered and said**,

**Jesus I know,
and Paul I know;
but who are ye?**

19:16 And the man in whom **the evil spirit** was **leaped** on them, and overcame them, and prevailed against them, **so that they fled out of that house naked and wounded.**

19:17 And **this was known to all** the Jews and Greeks also dwelling at **Ephesus**; and **fear fell on them all**, and **the name of the Lord Jesus was magnified.**

19:18 And many that believed came, and confessed, and showed their deeds.

19:19 Many of them also which used curious arts brought their books together, and **burned** them before all [men]: and they counted **the price of them**, and found [it] **fifty thousand [pieces] of silver.** 19:20 **So mightily grew the word of God and prevailed.**

What?

What was the **evil spirit** aware specifically
About, Paul and Jesus?

The **evil spirit** recognised what?

The only one thing everyone else doesn't which is the ER of HWM and because Paul who brought out the doctrine of ER

which exceeds the Martin Luther's Reformation of RxF = sola Fide,
that's one thing,
but the ER of HWM was the power of Gd
and the power of His Christ. Revelation 12:10

It was not RxF.

Bears repeating

It was not RxF.

But not the 7 sons of Sceva.

They wanted it and they did ask but did adjure command to
exorcise

And what occurred?

The **evils spirit** beat up
the 7 sons brutally.

And the man in whom the evil spirit was leaped on them, and
overcame them, and prevailed against them, so that **they fled**
out of that **house naked and wounded.**

These **same evil spirit(s) then,**
They exist today,

For their presence and purpose is the last attempt of a triumph going into the era of the Apocalypse and during 1260, and +30 days of the Abom of Desolation.

Like as then in days of Acts 19,

this **same evil spirit** would know immediately those who are **sealed** by the Man in Linen – Ezek 9

and they also know whom they are permitted to torment and **not** torment in the events of the 5th trumpet.

Right?

But what was the **power** behind the **special miracles** from God? And then, what was it the evil spirit understood about **ER**.

19:11 **And God wrought special miracles by the hands of Paul:**

Was the **evil spirit's** awareness and knowledge of the 'miracles' because they occurred; or was there a stronger awareness of the power of Eternal Righteousness that ppl do not see?

Take it to another level

What **power** is actually involved to transmute the fabric of aprons and by handling, wrought special miracles of healing and the departure of evil spirits?

ANSWER

Eternal Righteousness of HWM

**It is the power of the Elohim as
in the Law of Two John 1:1**

It is the power of HWM.

It is also His Divinity.

It is also His ER

for He is the Alpha & Omega

Do you even begin to perceive then the deadliness of the Omega of DHs?

But Before moving on there is power in the **name** of Christ that even He explained the following

Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; **but** he that doeth **the will of my Father** which is in heaven.

7:22 Many will say to me in that day,

Lord, Lord, **have we not prophesied in thy name?**

and in thy name have cast out devils?

and in thy name done many wonderful works?

7:23 **And then will I profess unto them,**

I never knew you:

depart from me,

ye that work iniquity.

So where does that place those who cannot even see the **Omega of Deadly Heresies** but blab on that it's true?

What is the will of the Father in respect to the **seal of Gd** Rev 14 when it's not the Sabbath?

Why has HWM's true status of **Alpha & Omega** been forgotten? Is this because of the Omega of Deadly Heresies?

Answer

Yes

No one in Laodicea has resolved the Omega of Deadly Heresies?

Do the evil spirits know about this?

Yes of course they do.

What's not considered is this **SAME evil spirit**

who beat up the 7 sons of Sceva
was around in the days

BEFORE the **foundation of the world.**

So what does the **evil spirit** know about the Eternal Righteousness of HWM?

Everything!

These spirits were in heaven until they bowed to **the mystery of iniquity** and the **evil spirit** was fully aware of the power **and the REALITY of Eternal Righteousness**

The proof of course, as most will recall is the incident where the **spirits** got involved with the **Gergesenes**, and so as you know

HWM

met two possessed with devils, coming out of the tombs, exceeding fierce, And, behold, they cried out, saying,

What have we to do with thee,

Jesus, thou Son of God?

art thou come hither to torment us

before the time?

The evil spirits know their demise; they recognise the power of the doctrine of Eternal Righteousness in an instant

this was what identified Paul from the 7 sons of Sceva and anyone else. **The evil spirits** recognise the precise meaning **of the First Angels warning. They are masters when it comes to the trickery of the Omega of Deadly Heresies**

This **evil spirit** in Acts 19 knew all about the Eternal Righteousness of HWM

After Pauls sojourn in Arabia for 3 yrs then walked by the faith of Eternal Righteousness and related this to Timothy, to the Hebrews

**but the 7 sons of Sceva,
and their dad, (the high priest)**

They were flat-out full-blown fakes.

You saw how they got into a lot of trouble real fast, with the evil spirit.

Paul, sealed in Eternal Righteousness walked by the faith of ER of HWM who **was** as Revelation 13:8 states was slain from before the Foundation of the world;

HWM behoved by Divine Eternal Righteousness an eternal power and Paul gained these insights at the Damascus Rd experience.

Paul already explained set forth Eternal Righteousness

in **2 Tim 1:9** and **Heb 6:1-6** etc

Paul motivation was Eternal Righteousness of HWM and Christ crucified but by the doctrine of RxF this is limited to Calvary.

That shouldn't be the SINGLE ISOLATED MEANING because THE Word of God states

HWM was LSAIN PRIOR TO THE FOUNDATION OF THE WORLD

So when one catches to understand the accuracy of the Doctrine of Christ = (why HWM is Alpha & Omega) as Paul insisted this is why he could say in the same breath, could say from that vantage point

Let us go on to perfection.

Eternal Righteousness is based in the accuracy of the doctrine of Christ, the **Law of Two** as Paul confirmed in Philippians 2 as was confirmed in John 1:1

Now, the **power of** ER with Paul was *very strange* Because Gd wrought miracles blessings thru inanimate objects that Paul had touched or worn.

By the touching of the apron or handkerchief well guess what it's the same power that raised Lazarus from the grave.

in Pauls case, the **seven sons of Sceva** the high priest

friends of the vagabond exorcists

more likely than not
held a problematic issue of the 1g and therefore
with **God the Eternal Son** doctrine.

Well for one thing
here is an undeniable FACT

The **evil spirit sure didn't.**

Didn't what – the evil spirit never once had a problematic issue of the Eternal Identity of HWM who was never Gd the eternal son in eternity.

The **evil spirit** knew there was NO SUCH THING
As God the eternal Son

The **evil spirit** knew the
Divine Attributions of ALPHA and OMEGA
Meant a terminal ending for all evil spirits.

Torment us before the time?

The seven sons were beat up pretty bad.

Why?

because wanted-in on the spiritual prestige of their ideas of "RxF" but never realised it held an inherent weakness
and its weakness was it never was at the level of ER

Besides for what the remarkable power Paul, given by Father.

The 7 sons of the high priest of the day

never realised their attempt to
covet the concept of ER by saying -

Acts 19:13

We adjure [order] you by Jesus whom Paul preacheth.

In other words, ER wasn't their belief, and those guys didn't believe the Two Powers of John 1:1 at any stage.

Two Powers doctrine [here](#)

They assumed what?

There was what? 1g but

Regardless they wanted-in on the supernatural. It's the same concept when you come to Revelation 13 but in that case ER faces two beasts. And 666 and the image is not the importance of the chapter. Bears repeating for the hard of hearing – Revelation 13:8 and the ER of HWM is the most important

So put these details of FACT about Eternal Righteousness into the context of the First and third angels warnings, the 1290 days = the Abominatio of Desolation
Matt 24:15

That involves the timeframe of Revelation 13 and what becomes very real and regular encounter are the FALSE CHRISTS = evil spirits in the era of the Apocalypse.

Why?

It's clear, HWM said there would be **many false christ**s

Are you beginning to see why Paul witnessed ER, by defining the Eternal Identity of HWM as the doctrine of Christ

[Heb 6:1-6] in the synagogues for the space of 3 months

Recorded in the Book of Hebrews the letter to the Philippians and Colossians and in the process of his missionary tours and the common ppl saw the special miracles.

Well, the **evil spirit** knew the authenticity of ER and brutally beat the 7 sons of Sceva the fakes
the power,

the genuine power of the miracles
can only be sublimely related to
the **ER** of HWM

Paul magnified HWM and made much ado about
the death of Self Righteousness

Paul understood Job and his problem with RxF until Job saw the ER of HWM

So now let's put the matter of the **evil spirit** who exists today and yes will be there at the time of the Trumpet #5.

The evil spirit's authorised torment is **not** invoked on those who have the seal of Gd.

Why?

The evil spirits
must obey the Command of the Trumpet 5

The evil spirit would definitely recognise the 144
and the SoG on the foreheads
at the time of the 5th trumpet

So, is it a good thing to review for yourself the importance of the **seal of God, in the sealing time** like now?

Well we are in the sealing time of the 144 and Rev7.

[here](#)

Pauls apron, the miracles

Did Paul have the awareness of the miracles in his ministry
or was it just something that went forth
and characterised his testimony
that he was with Gd ?

When one recounts the many sermons about Paul over the years, every one of them, are all based in the candour and context of RxF. **Right?**

Undeniable fact

RxF has never solved the Omega of Deadly Heresies
Right?

Whether we like it or not –

this brings the party of James and Acts 15 back into the picture.
James holding to RxF+W, never had a clue about ER.

Neither did **Nicodemus** if you take time to
read John 3:1-5

Paul did understand Eternal Righteousness
and recorded are the miracles,
for there are none reckoned
with James in Holy Bible.

The other apostles grown in understanding of ER did miracles which is likely to be the case

For those who easily draw wrong conclusion notice the following

The power of ER of HWM and the response of the ppl.

John 6:26 Jesus answered them and said,

Verily, verily, I say unto you,

Ye seek me,

not because ye saw the miracles,

**but because ye did eat of the loaves,
and were filled.**

The ppl no doubt had their fill, a substantial meal and why would HWM say **ye did eat the loaves and were filled?**

They retreated to their safe haven, the fallen nature which is as everyone knows well which is the retreat to Self, and Self R.

Now, when it comes to the power of ER and those who have taken notice of this as well.

Can you imagine the depths of fake ER and why PPH gets the idea of holy relics, yet Allos doesn't think in terms of the pagan mindset of that day

and utilized this opportunity to convict the minds of the ignorant by way of real miracles and power?

A case for this is also mentioned in relation when HWM instructed Moses to lift the serpent in the wilderness.

Those familiar with Roger Morneau's book that the Israelites later **venerated** [Nehushstan](#) the serpent.

18:4 He removed the high places, and brake the images, and cut down the groves, and brake in pieces the **brazen serpent that Moses had made**: for unto those days the children of Israel did burn incense to it: and he called it **Nehushtan**.

In reality it was symbolic of "Christ made sin" on our behalf.

So, in a tangential manner via the healing of the brazen serpent by looking up it would heal, Paul well knew it was HWM and ER

so, this case of the 7 sons of Sceva and the **evil spirit** and the vagabond Jews, exorcists it means Acts 19 is a pivot point of the power of Eternal Righteousness in the unseen realm.

FAKE Character Perfection

Then there is a **character perfection element** that can pose as a prompting from Allos.

Today, the ministry in Laodicea major in Character Perfection and one would say easily recognise its **theology of choice #1**

and in the process overlook everything about the Doctrine of Christ and ER.

Yes, CP is the emphasis also by EGW yet she did not unravel the complexities of the Alpha & Omega of DHs and even said it would be **received** [here](#) and she **trembled**. [Here](#)

Ask yourself,

why would Egw TREMBLE

if you had perfect Character?

Well answer the question!

Now that becomes a **very serious problem** and brings the entire question over the emphasis of CP – the “perfect character” and yet all the while the **Omega of DHs** remains far beyond the scope of what RxF is all about and currently understood.

RxF is not ERxF.

If that's not a king size theological problem
Hit delete now, go away,

work on your character perfection.

And yet EGW "trembled."

So what really was received in Laodicea with the Omega of DHs?
why does it remain unresolved.

The evil spirit knows the answer.

They specialise in The Omega of Deadly Heresies.

Those who wish to resolve the problem, especially as it relates to the era of time of the Apocalypse, the seal of God in the sealing time of the 144 and many other things

then read on.

This concept of "**going on to perfection**" is erroneously self-styled with CP its wrought with an unbelievable measure of danger.

The reason is because the **Law of one** has been accepted as the 'doctrine of Christ' and in Laodicea it's the Omega of DHs, its FB 2,4

And if you think for one minute your church is immune – well you better check it out because its same problem with every other church across the lands. You see it everywhere in their statements of belief. No wonder membership of BEM was very successful after 1980 and Laodicea is part and parcel of that strategy otherwise if not they would have removed FB 2,4.

But didn't.

So you better check out what you as an individual or your church officially believes represents.

The **evil spirit** knows the folly.

The Law of one has **no possibility of resolving** the Alpha & Omega of Deadly Heresies.

But only The Law of Two Which is the Key of David.

Let that sink in.

Yet the fact ER actually exists from the promptings from Allos
Must never be despised

Take the three guys **thrown in the furnace** - they stood by faith in ER, despite the worship decree which was a version of the **Law of One** anyway.

Yes, but ask yourself
but what exactly is CP of those three
in that scenario?

Answer

Pure unadulterated truth in the ER of HWM = the Law of Two
You say what?

Well explain who stood with them in the furnace?

The Fourth individual? Dan 3:25?

1. Who is the Fourth man? [Here](#)
2. What is meant by the son of the gods [here](#)

That verse opens up another controversy since it implies that God had a son in the form of an Angelic being prior to the Incarnation.

If this were to be true
then it nullifies "I Am" as well as
the Alpha and relegates the **Omega** of heresies
to King Nebuchadnezzar's statement.

The translation fits Beni - Elohim in Job as in one of the sons of God and not the pagan " Son of the Gods.

Yet this could also be factual
since we have a duality in John 1:1
and Elohim is plural for Gods.

The Shema reads
Elohim Gods am one. Echad.

6 Now it came to pass on the day when the **sons of God** came to present themselves before Jehovah, that Satan also came among them.

If speaking about these individuals then King Nebuchadnezzar would be correct since it's an Angel like Gabriel.

Abraham was approached by 3 individuals
and one of them **was the God of Israel**.

Doesn't say the Son of God. [here](#)

A final conclusion about Eternal Righteousness is the following

That this is an aligned prophecy of **Melchizedek** Heb 7:1-3 made like unto the Son of God as in the fulfillment of

Romans 1:4

in the form of the resurrection of the Monogenesis Theos combo since the individual in the flames

is not in reference to Romans 1:3

but to Romans 1:4

as in a prophecy.

Metaphorically speaking the 3 worthies **in the flames** were rescued by the **power** of Eternal Righteousness of HWM who is of the order of Melchizedek as in **Romans 1:4**

Great High Priest of the Order of Melchizedek who is indestructible and lives forever.

This cannot be a literal sonship prior to the Incarnation.

As the translation conveys the Son of Gd who stood with them.

The focus of CP and RxF by Laodicea is their tippy top priority. It's in every sermon and publication and radio broadcast. All based in on the **weakness of RxF.**

But when it comes to accuracy in **Doctrine of Christ** and Prophecy Laodicea says

"oh yeh, that's fine enough
but we are really settled in with FB 2,4 "
There will be no need for change.
They are non-negotiable!

All the while saying
"while we haven't solved the Omega of DHs,
everything is fine"

In other words as Laodicea is prone
They Go back to sleep.

Now for some Bible

Is Jesus Eternal Father # 2 = Yes, Isaiah 9:6-7.
Is Jesus Allos the answer is Yes,

2 Corinthians 3:16-17.

Is Jesus the Son of God in the flesh according to Romans 1:3
as well as John 3:16 = The Lord is the Spirit, is he the Son?

The answer is yes.

Regarding his identity a 3-name formula would work but not as Trinitarian **since the Trinity states** that
the Father is not the Son
nor the Son the Father
nor is Allos either one.

Eternal Father # 2 is a Duality with Father # 1 = John 1:1

His identity as being the "Lord of Hosts" is confirmed in Zecharia 3:7-9 as well as Isaiah 6.

His relationship with the Holy Spirit is himself, in another form.

His "sonship" is based on being uniquely begotten. The monogenes theos.
John 1:14

Since it cannot be totally proven that Matthew 28:19 is all from PPH then this explanation above must replace the Trinitarian formula of deception as the duality of John 1:1
in the form of Jesus
threefold identity.

At the time of the Loud Cry Rev 18 that according to the Bible, ER will transcend CP and RxF by a long way.

why?

A true hunger for the Eternal Righteousness of HWM will then exist because the first four trumpets have come and gone and events are then thru the **First Woe**

But the Loud Cry Rev 18 is given strength PRIOR to trumpets 1-4 and then in fact it doubles down the Second Angel message of Revelation 14.

What is the **power** of the Second Angel?

Answer - ER

ER in reality is to become quite palpable especially when Laodicea realise their quest for CP fell way short, and they are not sealed in the sealing time for the events of the fifth trumpet and not going on unto the perfection as Paul said was to be the case Laodiceans face the reality the **First woe** And the unpardonable sin

And why? What is of absence is the accuracy of the doctrine of Christ and also because CP taught in Laodicea was all about RxF +W and the works is SELF Righteousness

As explained previously the **weakness** of RxF is Self R

The Padres will say – No, oh no it has to be RxF

but as readers here already know RxF is still in the domain of operation in the fallen nature - yes it will save raised in the Resurrection; no issue with that at all that's the theological facts but the reality is this

ER is the root of Righteousness only ER is the Root of R. Not RxF

It's a fine line, but **Job** found out it is a very big difference

Even Gd declared Job was RIGHTEOUS

1:7 And the LORD said unto Satan, Whence comest thou? Then Satan answered the LORD, and said, From going to and fro in the earth, and from walking up and down in it.

1:8 And the LORD said unto Satan, Hast thou considered my servant Job, that [there is] none like him in the earth, **a perfect and an upright man**, one that feareth God, and escheweth evil?

1:9 Then Satan answered the LORD, and said, **Doth Job fear God for nought?**

There's your answer from Satan –
doth Job fear Gd for nought?

This discussion is not saying RxF is wrong its saying Satan is about probing the weakness in RxF.

It has to be.

Job was taken thru the rigors of pain and great difficulties and great material loss and it was only then later in this condition he saw the grandeur of ER.

Laodicean outreach based on Rev 14 and First Angel fear Gd and to eschew evil is dedicated in the realm of RxF
they keep all the Commandments and the focus is to eschew evil from their Character;

do all the right things,
say all the right things,
pray all the right things

pray for victory over sin - this is true.

But when you check back in on the Phillies of **Rev 3** there is a contextual thing about their **weakness** and **little strength** – and its highly likely to be RxF and who out there would argue against that point?

But then the context brings in 3:21 that mentions overcoming

3:20 Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me.

3:21 To him that overcometh will I grant to **sit** with me in my throne,

even as I also
overcame,
and am set down with my Father in his throne.

With these two verses is the **Key of David** for there is the knocking on the door that in context has to be about ER and not RxF because the next verse states - **to him that overcometh will sit in my throne** - which is destined for the 144 anyway.
Right?

Many consider Rev 3:21 always in the light of **RxF** and

victory over sin and the motivation was unto holiness
to do right thing all the time for Father

Well Revelation 3:21 is in the context of John 4:22 and the last ministration of
the Final Atonement on the Day of A
in the court for the individual – the sealing time of the 144
yep that's true.

Missed by those unfamiliar with Eternal Righteousness
was the “**cleansing of guile from the mouths**” of 144
in the sealing time. And precisely what is then **the seal of Gd**.
It has to be stated again the Seal of Gd
is not the Sabbath.

The answer in full depth is [here](#)

but now in light of Eternal Righteousness the ONLY POWER
overcoming the Great Rd Dragon

can only be based on **Eternal Righteousness** which is
the root of RxF and its ER of HWM.

The same power in the aprons and handkerchiefs

Job didn't cut the grade even while declared righteous on RxF alone, no he
was brought to the realisation that ER transcended the entirety of
Righteousness

The reason for the answer of this
sits there in the text of Rev 3

which is those who **sup with HWM** about ER
are given the privilege to sit with Father #2

and Father #1

on the throne and Phillies are to be pillars in New J city.

Up to this point there are no mention of promptings of Allos

But the **knocking on the door is**

the prompt of all prompts.

As the months have passed and will pass ER is now foremost

there are the unchartered areas of how the conclusions of ER have to be discussed in the arena of the war with Dragon – Revelation 12:17

YES there is fake ER - but as has been pointed out this will flourish in the UC and the sparks that will be

and are even right now very powerful to deceive minds not familiar with ER. Job realised it, Paul a Pharisee of Pharisees saw the problem.

Do you?

So what was the power in the handkerchiefs and aprons?
