

*"Watchman,
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"* Eze. 7:6 (Moffatt)

The *Weakness* of *Righteousness by Faith?*

The Final Test of RxF

THE FINAL TEST of RxF?

Every Christian should be interested in this discussion. Because Yes, the final test and the weaknesses of RxF is to be discussed but first, RxF is the gift of Gd is eternal life, by faith, which is resurrection from the dead in Christ, by the blood of the Lamb, by faith. That is undeniable. Also undeniable is the final test of RxF in the Apocalypse when its confronted with the 'peace orders' of the 8th king, = Rev 17:11 = Daniel 8:23-25, who does a 'number' on those guys who rightly esteem RxF.

That is something else, it is not perceived.

This must be discussed because this detail is appropriated to the Dragon's wrath with the "woman" of Rev 12:17. The end result of the 8th king, the 2Thes2 guys work which is over the 1260-day reign of Rev 13, is found in Rev 20:4.

This scenario of Rev 20:4 is **not** the same case with the "remnant" of the woman's seed.

They face the +30 days duration of the 1290 days with Second Beast of Revelation 13 and for that, the seal of God is critical, in the defence and testimony of Eternal Righteousness of HWM.

The testimony of Jesus.
Is why He is
Alpha & Omega

In other words, what HWM described concerning the 1290 days of Matt 24:15 which is **The Abomination of Desolation** as spoken by Daniel the prophet, are the events found in Revelation 13.

The question that confronts everyone is this,

**what tricked-up the guys
who esteemed RxF, to be experiencing
the weakness of RxF?**

but were sleeping, foolish when
entering the time known as the
Abomination of Desolation = the Apocalypse?

This must be discussed.

So consider the details of **Revelation 20:4**

What's apparent is

the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received [his] mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years.

They were all respondents to the Loud Cry and walked by RxF in **Christ**

so, what the RxF guys missed is the cleansing of guile on the Day of Atonement and what does that mean from the Apocalypse's perspective.

Well by then you are in the timeframe of Trumpet 5 of the second woe with no sealing of the seal of Gd and keep in mind the seal of Gd is quite specific. [Here](#)

Today, with Laodicea's huge emphasis on character perfection this actually exposes everyone to the weaknesses of RxF.

Why does Gd place a premium about the Seal of Gd in the sealing time" of Revelation 7 which entails the ministration of our Great High Priest in respect to Ezek 9:4? And cleansing when the Seal of Gd is not the Sabbath?

The cleansing of the FA not only includes repented and forsaken sin; there is cleansing from the lips of the guile of the Omega of DHs. Cleansing of The Law of One.

The question is then asked

What about UC and what it states about Faith not being necessary when you experience UC? [here](#)

Well, that's a different scenario to what's well known today in Laodicea .

UC in its 'universe' driven "unity" thrives on the **Inner self being** at unity with everyone else;

the unity masters, the Jedi, the avatars, the shamans all know something you don't, which is you return to believe, what you originally were.

Paul said

Brethren, be followers together of me, and mark them which walk so as ye have us for an ensample.

¹⁸ (For many walk, of whom I have told you often, and now tell you even weeping, that they are the **enemies of the cross of Christ:**

¹⁹ Whose end is destruction, whose God is their belly, and whose glory is in their shame, who mind earthly things.)

Enemies of the cross?

Who are these enemies being described?

Pagans atheists agnostics?

No, this specific statement when placed in reference
in its core meaning of Christ, is why He
is A&O = Rev 22:13

and the LSFOTW = Rev13:8
holds clearer insights.

One must never overlook the importance of Rev 13:8 (but you do) because
while this chapter is presenting Two Beasts who are at war with the Eternal
Righteousness of HWM,

and few see it why?

because they focus on 666 and MoB but guess what
Revelation 13:8 is a most powerful depiction of ER
in all Scripture and is all about the Prize of the High Calling of Gd and then,
due to its apocalyptic encounter
there is the exchange of the mystery of godliness vs the mystery of iniquity.

Rev 13:8-9 as you may now begin to see
has important information.

How?

because it states

HWM was slain **prior** to foundation of the world

Which is the entire basis of ER,

and the Law of Two

that immediate context of vs 8 stipulates
what the war with the Dragon in the revealing
is about everything doctrinally to denigrate Christ
Eternal Identity as I AM, First and LAST

and ALPHA and OMEGA

So, if you have eyes to see and ears to hear
Rev 13:8 = Christs Alpha Identity and
also confirms the **Law of Two** of John 1:1.

those with eyes to see and ears to hear (13:9)

recognise the war is over what?

the **Law of 1** vs the **Law of 2**

The apocalypse, the revelation or revealing,
is about why Christ is Alpha and OMEGA
and His Eternal Righteousness.

That explains why the Law of 1 hosts the Omega of DHs
So, if you **haven't** resolved the Omega of Deadly Heresies
you are all following what?

Answer

The law of one.

The challenge of the Old Serpent was the **law of one** in Heaven and that **mystery of iniquity** Exists From before the Fn of the world.

So what is the **enemy of the Cross** from before the Foundation of the world and who are the Enemies of the cross.

The **Law of One** the **mystery of iniquity** and there is nothing better for the mystery of iniquity which is to do word jumbles and misplaced overlays about God the Eternal Son FB#4 of why Christ is not Alpha & Omega which is featured in FB 2,4.

Right?

Philippians 3

The context of Phil chapter 2:5-7 introduces HWM who was, and was in the form of God; the **Root of David**, who **thought it not robbery to be equal with Gd (ALPHA)** and took the **slave form** the **Omega** which is **the offspring of David**

therefore, this context of Chapter 2 must carry over to Philippians 3. Where you have another application of the Key of David.

HWM being in the form of GOD, thought it not robbery to be equal with Gd establishes the **Law of Two** which is the entire point of John 1:1 – Two Divines en arche. The same Us of Gen 1:26

Now notice the **weakness of RxF** and then discover the power of Christ which

is not RxF but ER.

⁹ And be found in him, **not having mine own righteousness,**
which is of the law,
but that which is through
the faith of Christ,

the **righteousness** which is of God
by faith:

Eternal Righteousness in the **faith OF CHRIST**

The faith of CHRIST

The faith of who?
The faith of CHRIST

The faith of who? Of CHRIST

Like Three times you just read it
The Righteousness of Christ is what?

Eternal Righteousness
which is of God, the plural Elohim the Law of Two

Daniel prophesied ER to be **ushered in.**

So, it's the **faith of Christ**

What was His Faith?

Well it is **not**

THE REGULAR UNDERSTANDING
of RxF.

No it's
ER
And therefore
it's ERxF

That's the faith OF CHRIST.

Paul tells everyone this is the case.

ERxF is not about destruction.

The faith of Christ was always in ER.
Paul covers this as follows

⁸Yea doubtless, and I count all things
but loss for the excellency of the **knowledge**
of Christ Jesus my Lord:

for whom I have suffered the loss of all things,
and do count them but dung,
that I may win Christ,

Firstly,

Doesn't say the excellency of the knowledge of **Jesus Christ**

It states the reverse the knowledge of **Christ Jesus**

Paul reverses Jesus Christ to **Christ Jesus**

Not by accident at all. Why?

Christ = Alpha

Jesus = Omega

¹¹ If by any means I might attain unto
the resurrection of the dead.

¹² Not as though I had already attained, either were **already perfect**: but I follow after, if that I may apprehend that for which also I am apprehended of **Christ Jesus.**

RxF is the gift of eternal life = not perfect

To the Hebrews, Paul only then mentions about the doctrine of Christ and then says

“let us go on unto Perfection and is fully misunderstood by the legalists and so the basis of “perfection” is thought to be ones actions driven by Self Righteousness ?

Whereas the perfection of ER is sealed by the seal of God is in every respect confirms what Paul tells everyone in **Hebrews 6** the doctrine of

Christ Jesus = Alpha & Omega

and only then one can go onto perfection.

So, stuff-up the ER of HWM which is the objective of the Old Serpent and what?

there is no seal of Gd, in the sealing time of the 144.

Do not forget there are two sealings one is RxF and the other is ERxF and this is confirmed in Rev 22:11. [Here](#)

Christ's Alpha and Omega Identity

Meant He always was and always

will be and therefore the **doctrine of Christ** = Heb 6 and for the dull of hearing the Book of Revelation is all about the A&O but never ever confirms God the Eternal Son FB#4.

So, with the Alpha

Paul never said the **doctrine of Christ** was the = Omega.

That remains the ALPHA.

But the Omega is introduced by Paul in Phil 2:5-7

A real spiritual calumny exists which is you have no basis for the seal of Gd in the sealing time of the 144, no cleansing of guile based on anything from the Omega of Deadly Heresies.

To be blunt

RxF does not cleanse ones mouths of guile.

Only Eternal Righteousness x Faith. Otherwise Rev 22:11 becomes obnoxious and untrue.

So, ERxF is the only Divine basis of the seal of Gd.

The correct seal is described in Revelation 14:1-5. And Rev 3.

It is why Paul said in Heb 6 "**let us go onto perfection.**

And the it's the only basis was in **the doctrine of Christ**
And is why He is the A&O.

Pause - reread Heb 6:1-6
which includes the Unpardonable sin.

Back to Philippians 3
Paul then states

¹⁴I press toward the **mark** for the prize of the **high calling of God in Christ Jesus**.

The high calling?

The High Calling is not based in RxF

RxF is the gift of God and it is salvation,
eternal life at the resurrection. Rom 6:23

The weakness of RxF previously discussed [here](#)
Is no to be discussed a tad more.

First, RxF is not the faith of Christ,
nor is it related to Eternal Righteousness x faith because of its inherent
weakness.

Yes it is related to the last ministration of our Great High Priest in the Final
Atonement = Ezek 9

but the cleansing which is required before the seal of Gd is essential and only then there is the ministration of ER which is the seal of Gd in the sealing time of Rev 7. Let that sink in.

If you can refute from Scripture then post your comments.

So, **The prize of the high calling** in one sense is eternal life as is the common understanding but when you place the prize of the high calling into the era of the Apocalypse you get a glimpse of what is defined in Rev 17:14 for they are

Called chosen and faithful.

These (ten horns) shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are **called, and chosen, and faithful.**

The weakness of RxF was exposed with **Job**. Then if you think about if Job whom God said was 'perfect' what the lesson of Job is describing is this, anyone under attack of Satan the weakness of RxF is to give up and no longer be faithful.

Character Perfection is absolutely tied to works and works of Righteousness but there remains the weakness.

Take Phil 3 it is speaking about

ER is being described and is at another level, an eternal level concerning Christs Righteousness = the LSFOTW = Rev 13:8
The **RIGHTEOUSNESS** of Christ.

In the context of the GDHD = the doctrine of Christ of Heb 6 is

Eternal Righteousness =
the Eternal Divinity of the Elohim, of Gen 1:26

There were Two Divines en arche – John 1:1
The Law of Two

Right?

No question, the discovery of RxF was profound during the Reformation, it struck a big blow with the purple hag riding the seven headed purple beast that era of what Daniel described as the

**transgression of
desolation.**

And includes the handiwork of the Ignatiuse Loyaloa guys
that's settled, its unquestionable

But HWM said in Matt 24

- then cometh the **Abomination of
Desolation**

as spoken by Daniel the prophet and they who overcome, overcome even as Christ overcame by what?

They overcame the Dragon how? By what?

Answer

ERxF.

RxF is fundamental to salvation, the resurrection by faith unto eternal life, it is based on the death of Christ on Calvary = resurrection of Jesus Christ the Cross of Calvary is why the blood of the lamb washes ones sins.

But there is a weakness to RxF which is **Self R.**

This was covered in the many discussions previously about Job.

**There is another weakness
of RxF**

and is this ...

IT CAN **NEVER**

detect the omega of Deadly Heresies.

So, when dealing with the war of the **ten kings**, the First and Second B of Revelation 13, aka the era of the Abomination of Desolations,

one finds within Revelation 13:8 what is Heavens basis of why RxF holds its intrinsic weakness

because there is much more about the eternal Identity of HWM and as to what establishes His Identity as Alpha & Omega

And THAT ALONE exposes the OMEGA OF Deadly Heresies

It is why Christ's Eternal Divinity as being also God,
John 1:1 = Phil 2:5-7

And ER establishes the Law of Two
that continues to be challenged by that old
serpent the dragon who was a liar from the beginning.

Christ in eternal ages was **not** God the eternal son

This contrivance of Philo passed into the creeds of Nicaea
And finally LAODICEA gets involved with FB 2,4 when the probation of the
nations closed.

But ERxF is the entire point of Revelation 13:8

Which is why His name **Christ Jesus**
is defined
as I AM, the Alpha and Omega.

So, by now

if you cannot see why the **Law of One** is the **Omega of DHs** which is found
in Nicene Creed as well as official in the FBs 2,4 of Laodicea as well as the
BEM Lima Text of unity in religion

you have absolutely **no spiritual eyesalve** and remain **miserable poor blind and naked.**

The Omega of DHs is at complete war with the Law of Two from ancient times. Otherwise Matt 26:60-66 and Caiaphas response is false.

So if you cannot see what constitutes the truth of Christ Jesus and why He is Alpha and Omega,

Scripture guarantees you one thing – you will have great difficulty seeing the **Law of one** manifest in all its formations of theology and it's a deadly snare.

And what's left?

Oh, the unity with the "Christ Consciousness" of the New Agers with something you believe to be no issue

but HWM said it is a snare is UC.

So if you are unable to see this you

WILL

NEVER

see the error of why or how

Echad is misused in Deut 6:4 and Deut 6:8.
And what that is all about.

Yes, the enemies of the cross existed when Christ was
The LSFOTW prior to the Fn of the world.

Paul brought forth this fact in 2 Tim 1:9 and Heb 6 and also says

Brethren, be followers together of me, and **mark** them which walk so as ye have us for an ensample.

¹⁸ (For many walk, of whom I have told you often, and now tell you even weeping, that they are the **enemies of the cross of Christ**:

¹⁹ Whose end is **destruction**, whose God is their belly, and whose glory is in **their shame**, who mind earthly things.)

Whose end is destruction.

While This portion in the context of RxF marks the time frame of dying to oneself at the cross. Yet because of ER there is more.

So, what is to be noted

The **law of one** involves
Enemies of the cross.

The Law of Two does not.

The Law of one perpetrates the Omega of DHs

The law of one existed from before the Fn of the world.

Why?

because the **mystery of iniquity** = law of one
existed before the foundation of the world

Full discussion [here](#)

There is No doubt about the **mystery of iniquity**
And its alter ego is **the Omega of DHs**

If you read Philippians in the lens of Eternal Righteousness

it is confirming that the **God Eternal Son doctrine**
replaces the statement

in Philippians 2:5-10.

So how many times did Paul
warn about this anyway?

He said

¹⁸ (For many walk, of whom

I have told you often,

and now tell you even weeping, that they are the **enemies of the cross of Christ:**

So Laodicea has to die to the fleshy aspect of the **Law of one.**

Laodicea is drunken with food and wine and rejected the proper food, at the proper time.

And Hasn't died actually refused to die **corporately** to the **Law of one.**

Result?

Laodicea accepted the law of one the Omega of DHs officially when Luke 21:24 was fulfilled. FB 2,4

There is the head knowledge of Jesus which is not helpful but for Laodicea the matter lays in obtaining the resurrection by way of the **Law of 2.**

But all Laodicea did was it accepted the OMEGA of Deadly Heresies in its place.

Otherwise [FBs 2,4](#) would never have existed.

This is another example of the weakness of RxF.

As one begins to understand what is being said in terms of ER you find the 'daily dying' is the solemnity of the cross in relation to dying to self.

So applying this to ER surely by now you should begin to know **ER is superior** because it existed **prior** to the foundation of the world and RxF didn't.

Paul captured this entire point when he said

while we were yet sinners

(includes everyone before Adam and Eve)

Christ died for us = Romans 5:9

The LAMB SLAIN FROM **BEFORE**
the Fn of the world

ER is the gold tried in the fire for those
Rich and increased with goods and need of nothing

Although they have RxF and all of its weaknesses and includes things in relation to improper diet = **Law of one** which has brought spiritual gluttony into play

Whereas **moving on to perfection** entails an individual Laodicean dying to self, repentance of ignorance to the Omega of DHs and **departure** from Laodicea,

and moving on to the faith of Christ and
the Law of two
in its proper setting of

- I. Lamb slain LSFOTW
- II. 2 Timothy 1:9
- III. Romans 5:9

- IV. Third Angel is not based on Mitsvahs but on ER and the resurrection of HWM, and the Law of Two
- V. That ALL Judgement given to the Son incarnate and
- VI. Isaiah 9:6,7 Where He is referred to as **Everlasting Father**.

Yet there is still the element of **dying daily** that always remains and one can get caught up in the things of this World, even while still professing ER.

So, Paul is speaking about the Resurrection, not head knowledge or R/F,

and that this is now emphasized at the end of the age as we all enter the era of the Apocalypse

which is effectively now, in the sealing time of the Seal of Gd

and then moving on **to perfection** based on the attainment of the Resurrection of having not one's own righteousness.

But Christs Righteousness, which is ER.

And also having ones mouth cleansed of GUILE about Omega of DHs

But this also includes believing in the Lamb's ER of Rev 13:8 as the recognition of the agent of transformation in dying to self

rather than using Laodicea's concept of Character Perf based on RxF motif all the time. It leaves everyone what?

Yeh, stuck in first gear.

Yet, that death to self is literal and painful **when one must depart Laodicea**
and from the patterns of daily living

and so not

all things are spelled out in black and white

But you still have to **die daily. 1 Cor 15:31**

But ER is not about destruction, since its obtaining the Resurrection of life
through the Seal of God.

⁹ And be found in him, not having mine own righteousness, which is of
the law, but that which is through the faith of Christ, the **righteousness
which is of God by faith:**

RxF in the faith OF CHRIST

is not THE REGULAR UNDERSTANDING

of RxF.

No the Righteousness which is of God by faith is

ERxF

RxF is the gift of eternal life = not perfect

ERxF is the seal of Gd. = let us go onto perfection.

What is described by Paul about ER makes perfect sense.

So to sum up the matter

You die daily to the world.

But there is the ER

which is on another level outside of knowledge of the cross since the whole concept relies on Rev 13:8 and 2 Timothy 1:9 and proper understanding of John 1:1

But can all of the above be broken down in practical terms?

If a person is struggling to "die" in Christ and leaving behind earthly behaviour.

Isn't this in relation to R/F?

Dying daily. True.

Christ died

prior to the Foundation of the world.

Meaning that the resurrection of salvation is based on the **power of ER.**

So how is this to be broken down ?

The expression of the famous 1888 General Conference Session was "the third angels message in verity" which was "**Christ and HIS RIGHTEOUSNESS**"

Yes the doctrine of RxF was about the Righteousness of Christ, by faith; but the weakness existed and is probed thoroughly by Satan; but how many left Laodicea in the era of the attacks by the Evangelicals over the Sanctuary Doctrine? Right?

but when the Righteousness of Christ is seen from the Sanctuary Doctrine and John 4:22

there should never have been the theological collapse at the time of Dr Ford at all. Ford never attacked the Sanctuary Doctrine. But everyone said it was so and all along knew diddly squat about everything and this made the Omega of DHs easily to be absorbed in Laodicean theology and culture. Bar none.

So the failure of 1888 GC session is never perceived with the Arian inclusions and what was LOST was the truth about the Alpha and it is **Christ and HIS righteousness**

this expression is completely different to the understanding found in Laodicea about Character Perf of RxF in Christ by faith

Now ask yourself

how could HWM walk in fallen nature and do no sin by way of RxF?

That's an impossibility

Why? due to the weakness of RxF as has been explained with Job and also because if RxF alone is applied its easily assumed HWM had an advantage and thereby used his own power to be an overcomer.

You will soon see the importance of Revelation 3:21

So how did Christ overcome?

He was eternal and from times before the FN of the world thought it not robbery to be equal with Gd. And Taking the slave form. AS described in Psalms 110.

So, No it was never that Christ walked by RxF

it was Christ who walked by faith with ER
which is the Faith of Christ.

otherwise Pauls inclusions of
Romans 5:9, 2Time 1:19 and Rev 13:8
are meaningless.

HWM walked by Faith of ER
That faith was faith in the ER of the Father = John 17

17:5 And now, O Father, glorify thou me with thine own self with the
glory which I had with thee **before** the world was.

17:6 I have **manifested thy name** [=ER] unto the men which thou
gavest me out of the world: thine they were, and thou gavest them me;
and they have kept thy word.

Ushering in eternal Righteousness.

Ushering in eternal Righteousness = Dan 9 and this holds many facets about
a deeper level of the meaning of ER which confirms the Law of Two,
confirms His Alpha Identity for HWM once was and then for the Incarnation,
confirms the slave form taking – HWM thought it no robbery to be equal with
the Father but took the slave **form the Omega Identity**

HWM endured the cross at Calvary
and died

for the ushering in of Eternal Righteousness which sets a completely different
appreciation of Daniel 9
and certainly of Revelation 13:8 and

why HWM is the LSFOTW

Which means what about HWM?

His faith was a faith He had faith in ER

Does then the soliloquy **Christ and HIS Righteousness**
Incarnate mean HE could NOT see, things of the eternal

but had to behold them all by FAITH of Eternal Righteousness in the Father
as the son of God in flesh taking? = Romans 1:3

due to the slave form taking?

YES an emphatic yes!

For the BRANCH born in the fallen nature of man unto
the genetics of Mary to be the monogenes theos
at the incarnation

that He held no advantage in the slave form
to His brethren = Heb 2 = us
taking in access by faith to ER?

There is no question this HWM OMEGA status
Which was NOT in HEAVEN before the Fn of the world.

Those who are very familiar with the failure of 1888
with the Doctrine of Christ and the Arian formations will easily know this was
never rebuked by EGW and it's the eternal son doctrine, the Alpha heresy

Confirms the weakness of RxF permitted the entrance in Laodicea
fundamentals of belief 2,4 ?

Well who is bold enough out there
to make a challenge?

Everything about the weakness of RxF has what?
sullied Laodicea and Laodiceans in every respect and included the full denial
of the call to corporate repentance

This corporate weakness of RxF explains why the call to denominational
repentance by **Wieland and Short** was refused. [here](#)

and what's left today?

Chums with the BEM and religious unity but heck we keep the Sabbath and
therefore are different and therefore theologically kosher.

Nothing other than what Paul experienced in his day – but for his
recommendation about Laodicea
you will need to read HEB 13:13

leaving the reproach of Laodicea and Omega of DHs
and departing from the dreaded Omega of DHs and unrighteousness and
the Law of One.

To walk in the Righteousness of HWM.

So what was the weakness of corporate RxF?

Firstly those familiar with the "**Daily**" and "**Yearly**" services of the Day of
Atonement – Lev 4, 16 you will realise there existed the provision for corporate
repentance.

So with that in mind –

The Self R of Laodicea corporately is amply described in Revelation 3 and therefore just as the weakness of Self R in respect to the **corporate**, it follows the weakness of RxF for the **individual** exists.

The appeal is to SUP with HWM and not Laodicea.

Weakness of Self R exists at the corporate level as increased with goods in need of nothing rejected the call to denominational repentance.

The doctrine of RxF hosts its own weakness and Satan explored it fully.
This is easily seen from Job 1.

That Old Serpent, the dragon fully explored and in the process stole the purpose of the ER of HWM which was meant to arise from the 1888 GC session anyway

in the process the two messengers in Waggoner and Jones brought the Arian version of the Omega of Deadly Heresies

and

No wonder

EGW

never saw nor was enlightened about

the full complexity of A&O of DHs

but said it would be

received

and

she

trembled

without explaining the
problem.

EGW made things more complicated
by **never rebuking** Waggoner & Jones
over God the eternal son doctrine.

So those of you who are now aware the Omega of
DHs was received, and now perceive it,

then why are you not
trembling as was EGW ?

But also - With Everlasting Gospel ushered in as described in Daniel 9 the eternal Righteousness of HWM this is one thing

But today, long after the “**times of the nations**” has closed there is the Final Atonement and the seal of Gd as ministered by the Man in Linen = Ezek 9

and involves the cleansing of guile from ones mouths,

so ones testimony of Jesus is pure concerning LSFOTW and not tainted with the guile of Omega of DHs and for what purpose, yeh, ER eventually meets the war with the ten kings and the First and Second Bs of Revelation 13

which is in reality,
all about the Omega of DHs and the Law of One

but then there is more

there is still the ill-perceived aspect about the
“Seal of Gd in the sealing time”

Revelation 7 and the seal of Gd and Ezekiel 9
Entails what? the enormous
concept of

Christ and HIS Righteousness

And what was and always will be His Righteousness
It's His ER

And Paul was saying all along it was always ER
Which is why the Omega of DHs is the **enemy of the cross**
as is noted in Phil 3.

Tracing the failure back to 1888

The failure of 1888 was the Arian (Christ born twice once in eternity which is the core belief of Jones and Waggoner.

The problem ?

Since they believed that at a certain Point in the distant past Christ didn't exist.

So How could the message of "Christ's Righteousness" Be victorious if the root teaching of ER never existed at a certain point in time? Your reference point is Rev 13:8

Answer

The devilry of the Omega of DHs,
that's why.

1888 GC session was Destined to fail
on account of the Alpha of deadly Heresy
which **opposed** the prerequisites of
The Order of Melchizedek.

1. no father
2. no Mother,
3. No beginning of days or
4. no end Of life.

Since Melchizedek was made like unto the
Son of God

This "Order of Melchizedek" in the form of the uniquely
Begotten monogenes theos had to be about an Eternal
Identity = Ho Logos and not the Eternal
Son doctrine of Philo and then RCC.

Here is the impossibility

You cannot believe that Jesus Christ is of The Order of Melchizedek **and** be the Eternal son at the same time

since Romans 1:3 defines

The concept of **Sonship**

as being according to the Flesh or seed of David.

Whereas the **Eternal son Doctrine** of the Catholic church

the Omega of DHs states in the Creeds

Jesus was begotten, not made created prior to the ages

While some Adventists and Protestants teach à Second version of the Eternal son Doctrine ... That he always existed **as the Son** without being Begotten in the heavens

Both forms of the eternal son is a serious Attack on Christs Alpha Identity and are horrendously wrong.

Thence becomes the UPS of Matt 12:31.

For the simple Reason that **Isaiah 9** states that literally à **Child was born and a son given** and that

He

Would literally be the 4 names listed in
Isaiah 9:6-7 and that is another study.

Laodicean padres remain indifferent, many perplexed, doubtful and others
vehement about this Doctrine of ER that it holds no value since it's not taught
by faculty at seminary.

They say by RxF is solely by faith, has been well proven by Luther and was a
basic teaching of Paul. Back to sleep.

Yes RxF is unto salvation and the resurrection.
No issue.

Ask yourself

**If RxF was as complete as everyone believes
why did it not detect
the Omega of DHs ?**

Can anyone in Laodicea explain that?

Those who respond will be like Caiaphas anyway. And make another blunder.

Why do the padres and elders in Laodicea have as their foremost concept of
the Doctrine of Christ

= **God the eternal son** and the **Triune Trinity**
both doctrines of the RCC

and then try to claim based on Revelation 12:17
they keep the Commandments of Gd and
have the testimony of Jesus?

But the fact is the Omega of DHs
which is FB 2, 4 has been shown to be
conclusively the

Unpardonable sin! [Here](#)

Well concerning RxF nothing is denied, the padres and elders is about RxF
their flock are saved by faith but the problem today is as we all enter the era
of Apocalypse, and are to be

FULLY EXPOSED TO the weakness of RxF and renders the weaknesses (plural)
As insufficient with the war of the dragon
and the Two Beasts of Revelation 13 and the ten kings.

The Omega of DHs, is deadly, you remain in Laodicea at your own peril and
also for the reason the rank and file have no clue about why Daniel said
Eternal Righteousness would be ushered in, and Daniel never said RxF would
be ushered in
and

Laodicea ushered in the Law of One
with the Triune Trinity FB 2 and God the Eternal Son FB #4.

and for those still puzzled –

Daniel said ER is to be ushered in because of the Cross
and has to include Revelation 13:8
where HWM was slain prior to the Fn of the world.

Paul taught It – it's there, but never perceived.

But the dreaded question everyone in Laodicea
must face
Is

Why has Omega deadly heresies left Laodicea retaining the falsity of an eternal son doctrine?

**And what is Satan's objective?
there is only one**

Conclusion.

The UPS!

FB #2,4 is this enormous theological BLUNDER, and Laodicea is saying the Omega of DH is true, it has seamlessly entered into the theological vocabulary deception of 1 gd and UC = Law of ONE

regardless what you may
believe and teach
about Christ.

For most they prefer the joy of unity and peace.
Others don't suspect they are under
the spell of Satan. All the while
Exposed to the weakness of RxF.

But the dreaded question Laodicea
is now once more repeated

why has omega deadly heresies left everyone in Laodicea exposed to
**retaining the falsity of
an eternal son doctrine.**

The omega of DHs

The Eternal Son is the root of UC

confirms only one thing
the Law of One and never
can explain the Law of Two = John 1:1.

Its = Chickens coming to Roost.

Laodicea's corporate declaration of God the Eternal Son FB #4 was followed
by the unity with **BEM Lima Text** declaration and continues for over a
generation perfectly defiling the spiritual consciousness of those in Laodicea
with UC

which **outwardly** is what?
Peace and unity among all.

Internally?

The final test of RxF becomes sparks of their own kindling and belief of the
Omega of Deadly Heresies, =

the law of one and not
heeding the Loud Cry which is the First Angel
and the Law of Two,
John 1:1.

Final Conclusion

Most will say this discussion is alarmist without presenting the reason as to why we are in that era. But missed the point in the process. Right? And then the call for the golden Age ties the matter of peace and Safety into what is stated in Thessalonians About peace and safe then sudden destruction.

In the form of the trumpets with the 5th high-lighting the fact that one must be sealed When the Locusts torment men for 5 months.

To prove that Allos is guiding the study lays in the fact of the ER of the Sanctuary doctrine itself by way of Melchizedek's ministration as the slain Lamb in relation To 2 Timothy 1:9

and how this ministration which began with Melchizedek and was passed down to Moses Has to end based on the recognition of Melchizedek and ER Being Eternal father # 2.

And the Order of Melchizedek having no beginning or end Forms the basis of ER cleansing as fundamental Reason of not having guile in those final moments Of the FA which is the recognition of two eternal

Fathers as the basis for the Key of David and Not CP .

The final pages of the book of Job reveal His abiding in the eternal perfection of Melchizedek

Character Perf is self-R as well as being the main tenet of The MOTB.

When one is reflecting on this matter The study falls into line with the Sanctuary Teaching. And11Q13 says that Melchizedek officiates as high Priest. You should see there is weakness in the doctrine of RxF when it comes to the Apocalypse.

Now listen to "Handler of Destiny" song [here](#)
