

*"Watchman,  
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,  
the hour and the end!"* Eze. 7:6 (Moffatt)

## Laodicea and their First Angel's predicament

Padres, Elders, Laity of Laodicea and Faculty (yeh faculty) who should know better; all think, and believe in terms of the First Angel is NSL, and the Sabbath, and Seal of Gd.

But have never resolved the **Omega of Deadly Heresies.**

**Is this a problem?**

**Yes.**

How can Laodicea reach out with the truth of the First Angels warning when [FBs 2,4](#) and confirm the [Omega of DHs](#) at the same time, anyway?

Laodicea preached the first Angel up to 1980 which was the Sabbath, and then their "[kairos](#)" = corporate probationary time is up.

Therefore, Based on their Official [FBs](#) –

Did God the Eternal Son create the Sabbath?

- The Sabbath is supposed to represent the True God.
- Laodicea keeps the Sabbath and placed a PPH concept of God – **God the Eternal Son FB #4** as the creator of the Sabbath.
- Therefore, the First Angel was bypassed by the **wrong deity!**
- Yes, its spiritualism, the Omega of DHs

The Lima text is the timeframe of the inclusion of the Omega DHs. 1980 onwards - Lk 21:24

As evidenced BEM **Lima text** of 1982 and the "common witness" [here](#) and there was removal of the 3 Angels [theme](#).

Preaching of the new tolerance, to a purpose of Ecumenos,  
as stated by Dr Samuel **Bacchiochi**. [Here](#)

**Rev 10** states that a second movement preaches to many peoples nations  
and tongues, not to all.

Well, based on events of Rev 17:12-16 and Rev 18 new preachers, God said  
take Laodicea's place.

Why?

God hates modern Nicolaitanes,  
The True Witness spues Laodicea from His mouth.

Why?

They entrenched the Omega of Deadly Heresies with **God the Eternal Son**  
as the message of the First Angel .
