what of the night?”*

*“The hour has come, the hour is striking, and striking at you,
the hour and the end!”* Eze. 7:6 (Moffatt)

The Dynamics of the Elohim, Echad, “One”

The Tree of Life.

But first, popular in Laodicea is the experience of Daniel in the lion’s den and its seen as an equivalent of the time of test.

Interesting is the mention of a **30-day** duration.

⁷ All the presidents of the kingdom, the governors, and the princes, the counsellors, and the captains, have consulted together to establish a royal statute, and to make a firm decree, that whosoever shall ask a petition **of any God or man** for **thirty days**, save of thee, O king, he shall be cast into the **den of lions**.

The 30 days?

The decree / law holds to **30 days**, the worship of any Gd and meant Daniel faced the music, dropped into the lion's den, and this experience became a fact.

But, is this comparable as a type for the **last 30 days** of the 1290 days of Matt 24:15 which is the 30 days after the 1260, which is the time frame of the third woe. When the MWFP in accepts the power of the First Beast and brings the law with its decree of capital punishment, the Land of the Second B. What law? The law of Isaiah 2:3, the law of One (the 7N). A law in defiance of First Angel to breach belief of the Law of Two. The Two Elohim. Elohim echad one.

For those familiar, the *abomination of desolation*, its instigation is described with **Isaiah 2** and integrates the reign of the **8th king**, indeed the same **8th "who is of the 7."**

This individual, Daniel said is of "**fierce countenance**." And destroys by PEACE.

The "law" issues from the 'great city' Isa 2:3, and mind you this law is now in reality in the land of the Second B.

[Here](#)

additional proofs [here](#)

God said the reign of the First B is 1260 days (Rev 13).

The 1260 days is the 2nd portion, of the Second woe.

Then follows the transfer of power to the Second B from the First B. Revelation 13:12 and then the +30 days.

The first portion of the second woe

being the destruction of the purple hag,

And WW3 that involves the 7th king. And the 4 horse riders.

While the force of the decree, to worship the B is 'also' in the land of the Second B, it is the same count of 30 days

of Daniel 6. $1260+30=1290$.

$1290 = \text{Rev 13} = \text{Matt 24:15} = \text{abomination of desolation.}$

However, a **mismatch** exists applying

Daniel 6 to the final antitype.

The last 30 days of abomination of desolation

is when "*Protestantism (in the land of the Second B) clasps hands with Spiritualism*",

then its *national ruin*.

Followed immediately by **+45 days** which is

the blessing to, **he that waiteth unto the**

1335 days.

Keep in mind it was

HWM speaking of the Abomination of Desolation

= 1290 days

when He said

24:21 For then shall be **great tribulation**, such as was not since the beginning of the world to this time, no, nor ever shall be.

24:22 And except **those days should be shortened**, there should **no flesh be saved**: but for the elect's sake those days **shall be shortened**.

Conclusion 1

Why is there is a mismatch?

Well, the den of lions of Daniel 6 for non-cooperation of the kings decree, while similar in many respect to Isaiah 2, **doesn't fit with the details of Psa 83.**

The hidden ones. [here](#)

Conclusion 2

Egw's insight of the '**time of test**' was not updated.

You will know by now, Egw foresaw **the Omega of DHs**, but had no light on resolving it. Nor any light with Isaiah 2 or Revelation 17:16.

But said the Omega of DHs would be [received](#) and she [trembled](#).

For those using Daniel 6's decree to apply to a death decree in the NSL scenario. Think about it.

That is now an impossible comparison.

Gd said the LAW comes out of Jerusalem.

Why?

Due to the prophecy of Isa 2:3. The only **law** with capital punish issues from the 'great city' but who of you can muster sufficient courage to avoid the traditions of the elders,

because what is also related to this prophecy in Isaiah 2 is the **10/10 scarlet kings** destroying the p hag in Rev 17. In one hour. Who are then crowned for the destruction of the purple hag and bring in universal Righteousness and her palace, that God said is near [Mare Nostrum](#).

Conclusion 3

These are huge prophetic adjustments for Laodicea to even begin to trust, let alone realise actually exist in the Holy Bible.

What a shame NSL has erased "time and place" evidence of Scripture. And leads to what?

Misconceptions of the details of the Loud Cry.

Laodiceans do not even believe the LC follows the destruction of the woman and her palace even though,

the Scriptures states in Rev 18:1 And what?

“AND AFTER THESE THINGS”

The antecedent of **after these things** is the destruction of the p hag by the 10/10 contemporaneous kings.

Right?

Or, are you still
Unable to read
plain English in the
prophetic context?

The dynamics of Elohim Echad One

Ok. It's timely to provide a brief discussion that only scratches the surface about the Divine Dynamics
on **Elohim Echad One** –

So, to begin, how do you understand the Divine Identity in Revelation 4 known as ~ **Lord God Almighty**?

So, who is meant by the term **Lord Gd Almighty**?

But then, how do the dynamics of “**Elohim Echad one**” intersect to give you the beginning of wisdom?

Proverbs

9:9 Give [instruction] to a **wise** [man], and he will be yet **wiser**: teach a just [man], and he will **increase in learning**.

9:10 The **fear** of the LORD [is] **the beginning of wisdom: and the knowledge of the holy [is] understanding.**

Lord God Almighty

Revelation 4

⁸ And the four beasts had each of them six wings about him; and they were full of eyes within: and they rest not day and night, saying,

**Holy, holy, holy, Lord God Almighty,
which was, and is, and is to come.**

⁹ And when those beasts give glory and honour and thanks to him that sat on the throne,
who liveth for ever and ever,

¹⁰ The **four and twenty elders** fall down before him that sat on the throne, and worship him that liveth for ever and ever, and cast their crowns before the throne, saying,

¹¹ Thou art worthy, O Lord, to receive glory and honour and power: **for thou hast created all things,** and for thy pleasure they are and were created.

Who then is Lord God Almighty ?

The one who created all things and of course according to the First Angel of Rev 14:6-7 it was HWM.

14:6 And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people,

14:7 Saying with a loud voice, **Fear God,** and give glory to him; for the hour of his judgment is come:

and worship him that made heaven,
and earth, and the sea, and
the fountains of waters.

How does **Lord Gd Almighty,** make sense, when considering the the *dynamics* of **Elohim Echad, One?**

To most, its puzzling.

many are quite indignant about their conclusions,

but is there something deeper that involves the ER of **both** FATHERS and gives rise to the

dynamics of the Elohim, Echad one?

There is quite a mystery of Dual Identities, The Law of Two as both were eternal; but how do you conclude "safe theology" that is eternally settled and the **Law of Two** of John 1:1.

But many will resist and then insist

No, **Lord God Almighty** in Rev 4 is **Father #1**. aka God the Father.

Right?

Who is God, the Supreme God.
And so they conclude there is one Gd.

Right?

This reasoning is based on Christ being subservient,

the Son.

But the picture of Rev 4's is not in the context of SONSHIP Incarnate at all.

Until chapter 5.

There is a fundamental reason given by Isaiah to understand.

Isaiah's description of **Wonderful, Counsellor, Everlasting Father and Prince of Peace** are Not poetic descriptions, they have literal Application and meaning.

But in the times eternal, when HWM was **also Everlasting Father = Father #2**

Yet HWM is pictured in Revelation 4 as 7 lampstands.
Oil, light = I Am light of the world.

You could say the image of **Two Divines** is the perfect portrayal to the **Counsels of Peace between them Both.** Zech 6:13

Does it mean there has to be a rigid requirement for who is **Lord God Almighty** ?

Or are there things about the **Domain of the Divine** that ppl have yet to muster insights as to what

Elohim Echad One means
which in respect to
true duality = Echad one

or the false unity of the word ECHAD singular but should be YACHID one as believed in the Shema of Deut 6:4

And why?

because the Shema is interpreted as
One God = the Law of One.

But in all reality should be **Law of Two** = Echad one, that is truly adequate to the compound meaning of the word [ECHAD](#).

Compound oneness.

Not [Yachid](#) one singular.

Right?

The **Law of Two** and of the reference to the LSFOTW in **Revelation 13:8 is what** defeats the Law of One, the 7N, the First and Second Beasts. So why are you stressed out about the image and 666.

Right?

Further, the **Elohim Echad One** is described in **John 17** where HWM was Incarnate, in the counsel of peace, decreed son (Psa 2:7) confirmed in Psalm 110:1-4.

Right?

While similarity exists in the meaning of **Lord God Almighty** but is it that Heaven is revealing the *dynamics* of the **Elohim Echad One**

for our dull eyes

And ears and minds, darkened with poor understanding, forever trusting the traditions of the elders ?

Right?

Why does Echad one, of Deut 6:4 of just a solitary gd easily bypass critical thinking and misapplied, produces really bad theology, To bow to the 8th king and thereby caught in a snare and a trap?

Does Deut 6:4 actually provide counsel about **Echad** which cannot sustain the Law of One but only the Law of Two

– Yes!

Only by virtue of John 1:1 fore-explains the purest of meaning of a Duality of Lord Gd Almighty echad, the Us of Gen 1:26

and the "US" of Gen 1 confirms the Law of Two = Echad one
a compound unity not singular, one Gd.

John said Both Elohim are of a Divine Equality = Echad 'compound one' not
solitary one'

Read what is said in John 1:1

and

therefore the Elohim Echad one
is the same foundation of the LAW OF TWO from all eternity

To be rightly concluded as to Father 1 and 2 because as to Both, are
interchangeable as **Lord God Almighty?**

Because HWM the Logos the Word was **Also Gd.**

Right?

Both Eternal Divines are legitimate Identities of Elohim Echad one and both
rightly identified as
Lord God Almighty.

Right?

The **dynamics** of the **Two Fathers** is seen in Rev 4 for the fact the Domain of
the Divine presents the 7 lampstands = light of the world = Ho Logos of John
1:1

Stop now and
Listen to this -> [here](#)

The Law of Two is our FIRM FOUNDATION.

The ER of Both Divines, IS OUR FIRM FOUNDATION

Both Elohim, The Two Eternal Fathers and their express names are etched, sealed as stated in Rev 14:1.

14 And I saw, and behold, the Lamb standing on the mount Zion, and with him a hundred and forty and four thousand, **having his name,**

and **the name of his Father,**
written on their **foreheads.**

Revelation's Dynamics of Elohim Echad **one**

And I saw **no temple** therein:
for the **Lord God Almighty**

and the **Lamb**
are the temple of it.

Rev 15:3

And they sing the song of Moses the servant of **God,**
and **the song of the Lamb,** saying,

Great and marvellous are thy works,

Lord God Almighty;

just and true are
thy ways, **thou King of saints.**

Who is the king of kings, Lord of Lords,
the king of saints? Rev 17:14.

Well?

Conclusion

Yes there are dynamics about **Elohim echad one**
we so little perceive. The strong influence of lack of care
and doubt is due the theological engineering
of the Triune Trinity
and GTES

Without question.

The clincher of the
Elohim dynamics of the Domain of the Divine

¹⁶ And the four and twenty elders,
which sat before **God** on their seats,
fell upon their
faces, and worshipped God,

¹⁷ Saying, We give thee thanks,
O **Lord God Almighty,**

which **art**, and **wast**, and **art to come**;
because thou **hast taken to thee thy great power**,
and hast reigned.

The dynamics of Elohim ECHAD has been sorely

tortured by FB 2,4

and will remain so

in the allegiance to the law of Deut 6:4,

the Shema is globally known

as One singular Gd

the Law of One

that becomes ultimately the 'law' = Isaiah 2:3.

Endorsed by the ten kings.

Egw saw an *oppressive law*, and opined it was NSL

but Isaiah presents the proper final context of
time and place and it

is not aligned to the NSL.

Due to the destruction of the purple Hag.

The Elohim dynamics of **Lord Gd Almighty** is also

Eternally regulated by Jesus

saying **"I Am"**

and that

Explains **Revelation 19:15**

Another strong dynamic of Elohim Echad one

is the fierceness of the wrath of the sharp sword
as to the wrath of **Lord God Almighty**, the Word of John 1:1 the Rod sent.
Psa 110.

Take look

19:15 And out of his mouth **goeth a sharp sword**, that with it he
should smite the nations: and he shall **rule** them with a **rod of iron**: and
he treadeth the winepress of the fierceness and **wrath of Almighty
God.**

Yet, has everyone forgot,
HWM incarnate
defers his authority to Father # 1,

yet the Execution of destruction
of the winepress and fierceness,
is itself unique,

another **dynamic** as to the
fact **Echad Elohim One**

And to whom was all
Judgement was given?

The answer is John 5:22

5:22 For the Father judgeth no man,
but hath committed all judgment

unto the Son:

Right?

All Authorities in heaven worship him.

But the special command the First Angel to not only fear God
But to worship HWM is found in Rev 14:6-7

Now this detail of First Angel is vitally important.

It is only on earth that a pretender who claims this same
Authority by way of all, small and great, the rich and
Poor, the free and bound who take the mark
is indicative of supremacy on earth
of principalities and powers,

so the wrath that is executed, in denial of the First Angels warning this is
Indicative of **who** alone has the almighty power
to cast the Beast, The Dragon and the Miracle working false Prophet into the
Lake of fire.

The only conclusion that meets the requirements
of John 1:1 means

HWM is also The **Lord God Almighty**

Since He is also therefore,

Father #2 as based on Isaiah 9:6-7

**also the two fathers names sealed in the foreheads
in Rev 14:1-5**

Right?

To say no, implies this greatness to the beast which cannot in any way compare to Christ Jesus.

Right?

À real eye opener regarding this theme, is found
In **Isaiah 2:12-22**.

For the day of the **LORD of hosts** [shall be] upon every [one that is] proud and lofty, and upon every [one that is] lifted up; and he shall be brought low:

2:13 And upon all the cedars of Lebanon, [that are] high and lifted up, and upon all the oaks of Bashan,

2:14 And upon all the high mountains, and upon all the hills that are lifted up,

2:15 And upon every high tower, and upon every fenced wall,

2:16 And upon all the ships of Tarshish, and upon all pleasant pictures.

2:17 And the loftiness of man shall be bowed down, and the haughtiness of men shall be made low: and the Lord alone shall be exalted in that day.

2:18 And the idols he shall utterly abolish.

2:19 And they shall go into the holes of the rocks, and into the caves of the earth, for fear of the LORD, and for the glory of his majesty, when he ariseth to shake terribly the earth.

2:20 **In that day** a man shall cast his idols of silver, and his idols of gold, which they made each one for himself to worship, to the moles and to the bats;

2:21 **To go into the clefts of the ragged rocks**, for fear of the LORD, and **for the glory of his majesty**, when he ariseth to shake terribly the earth.

2:22 Cease ye from man, whose breath is in his nostrils: for wherein is he to be accounted of?

Notice that reference is to the **Lord of Hosts** !

Isaiah 2 in its final end time setting, describes what?

It is the Lord Jesus Christ

Executing wrath as **Jehovah of Hosts**.

Then, you have more things about the Dynamics of the Elohim echad one,

because of Echad

prevails for it is the Law of Two

in the Domain of the Divine

in that setting of

Rev 4, 5. [here](#)

The Tree of Life

It is understandable the Tree of Life would convey the Dynamics the Elohim Echad one, the Two Divines

And is to be noted HWM stated

He was **First and Last,** **Alpha & Omega.**

Take a debate of the T of Life with artificial intelligence with Chat where interaction with the artificial Intelligents records interactions

So, in reference the matter of Jesus possessing the Genetic Material of Mary, some may recall the dissertation [here](#) of the Anglican divine, [Henry Melvill](#) in Jesus being born, born again **within** the womb of Mary there is the footnote in the 27FBs.

While this particular version of chat didn't agree about the Incarnation chat got difficult to reason because it was always bringing up the context of the Biblical passage and trying to separate the vital Point of the incarnation concerning the sin problem in sinful flesh, and how that detail altered biological systems in both humans and the world in general, and chat didn't appear to accept that sin is ultimately responsible for altering the biological functions of mankind.

When the laws about leprosy and how the isolation Were methods of HWM were pointed out and the reason for the unseen matter of the biology were mentioned chat went on and on,

it then attempted to say the context was holiness, which is true.

Yet, the underlying issue is that sin is unholy and Entails damage in our biological functions.

Therefore, in Gds wisdom there is the requirement of the **Tree of Life** for the **healing of the nations**.

Gd states, the purpose of the **Tree of Life** its leaves and fruits for the healing of the nations, healing scars of the biological factor;

but within the biological nature, is there a healing of the conscience and healing of character, unto Character Perf?

The healing of the nations is not known to its full purpose but exists in the wisdom of Gd. Those who expect transformed perfect at Resurrection is somewhat inconsistent with the purpose of the T of Life.

Damage to the biological functions is ultimately the reason for death.

The main part of the discussion in relation to a change in biology at the Resurrection well that wasn't acceptable to chat and referred the matter to "Being" and Ontology.

Ontology is the branch of metaphysics that deals with the nature of being.

Two matters were brought up 1) the Tree of Life and it's leaves and fruit are designated by Gd for the healing of the nations and this has to involve the recovery of damage to the Biological functions since the leaves and Fruits are for **healing**.

Chat looked at those verses of the T of Life as 'symbolic' but this is wayward to the purpose of healing physical anatomies.

When you bring forward what Jesus mentioned about **flesh and blood cannot inherit the Kingdom** which sort of

gives the chat à plus.

But the underlying problem of sinful flesh
is an attack upon the Incarnation

That Jesus **didn't** possess Mary's genetics and
outside of chat, this doctrine is more common in Laodicea than you realise
and Laodicean pastors teach this heresy. Because of the **Melvill** footnote?

The 3rd point which chat conceded, was chat had
no verse to prove that Jesus was birthed in the
Heavens (eternity).

It tried to use Paul's statement that the
Universe was created by the "Son".

The response was some sort of artificial hindsight
for all things were created by the
One who is presently the Son;

but here is where key Biblical knowledge about **Melchizedek** exists and prior
He existed in eternal ages and was **not** made like unto the Son of God.

Chat used the verse about God gave his only begotten
Son John 3:16,

but the counter to that surface reasoning, is the Alpha & Omega Identity of
HWM which is confirmed in Isaiah 9:6,7.

À child is Born à Son given.

Right?

Because there is the Specific Point in time when the begetting actually took
place. And when was that ?

When Mary was **overshadowed**.

Luke 1:35.

Right?

The Conclusion is straight forward.

The Word was never begotten in eternity
And that is confirmed in
John 1;1.

And of all things, chat agreed.

So, can you rely on chat or equivalent to develop advanced doctrine, or should you become familiar with Scriptures and then under the Inspiration of Allos who gives the entirety of truth, in its full context?

The promise was what?
Who would 'guide' you,
into all truth?

HWM said

16:12 I have yet many things to say unto you,
but ye cannot bear them now.

16:13 Howbeit when he, the **Spirit of truth**, is
come,

he will guide you into all truth:

for he shall **not** speak of himself;
but whatsoever he shall hear,
[that] shall he speak:
and he will show you things to come.

16:14 **He shall glorify me:** for he shall receive of mine,
and shall show [it] unto you.

Right?

So, the so-called "being " and the ontological aspect of the study of man; now comes to a **crisis**, yes a theological crisis for Laodicea

Because in Laodicea relates to the continuation of the God the Eternal Son
FB#4 (GTES) in the Flesh, of the RCC

Paul said in Colossians 2,
spiritualism such as GTES has deep dangers

which destroys HWMs Alpha identity
and not only that,

but if you are **not** familiar GTES in the flesh,
Destroys the incarnation,

since a GTES doctrine and it is official in the 28FBs
does not support **Romans 1:3**,

Concerning his Son Jesus Christ our Lord, which was made of the seed of
David according to the flesh;

nor overcoming
In the fallen flesh of man
And so you have no valid representation,

And also, GTES is vastly different from **Romans 1:4**

And **declared** [to be] **the Son of God** with power, according to the spirit
of holiness,
**by the resurrection from
the dead:**

**since the culmination of the Omega is the retaking
of the Melchizedek 'prerequisites'
and that of course means
there**

**is no such thing
as GTES**

Yet Laodicea host it as doctrine and they
**don't realise it is the
OMEGA of DHs.**

So the underlying problem is what?

Any, attack upon HWMs Incarnation (Omega)
that affects His Alpha Eternal Identity,

always produces

Omega of DHs

Yet formerly sanctioned by FB#2, 4.
Very common in all Christendom.

So, the fact of the doctrinal belief of
no maternal genetics, means
HWM had **holy flesh**.

An event that destroys
the Alpha and Omega
Identity, of HWM.

“BORN, born again” is the same concept hosted in the numerous “degrees”
of spiritualism,

and Laodicea fell for the **Melvill** evangelical trap,
to justify the Incarnation, and theorised Mary
was preserved from the stain
of sin as did the RCC.

All versions of the Omega of DHs

For many, the many errors of meanings and word adjustments that exist in the big scheme of Omega of DHs and makes it very difficult to grasp because it's believed holds absolutely no relevance to their Christian "walk."

But why would Egw **tremble** about the Omega of DHs in the Christian walk, anyway?

Right?

Why?

The extent of deception HWM warned of worshipping **false christ's**.

Right?

Why would you disbelieve the Church its prowess of many baptisms and saving souls but all the while having borrowed doctrines from the RCC the purple hag who is to be destroyed?

But then FB 2,4 instigated the close of Luke 21:24. The close of corporate probation for Laodicea and the nations all because they adopted God the Eternal Son FB#4, the 1g TTD both doctrines of devils and Paul would never be settled with that.

But, until you realise the Incarnation (Omega) being imposed on HWMs Alpha Identity or its reverse spiritual iteration where HWM Alpha Identity is merged upon the Omega to be interpreted as **born, born again,** or born in eternity, it doesn't matter which

way you cut the cake

CHRISTIAN WALK

The downside is in your Christian walk and most don't know why the 1g is in denial of Elohim Schad one.

It's Influenced by doctrines of devils and you will have absolutely no clue when spiritualism is

ATTACKING THE FIRST ANGELS WARNING

and then into the era of the 1290 days,
the abomination of desolation, the apocalypse.

Many you talk to, say we are in the **last days**.

Yeh that is so true.

Well if you believe that, why don't you believe HWM
was also Gd, and not GTES anyway?

Padres failed you?

It is a very big problem for the Christian walk.

So, what is the abomination of desolation and the Law of One and Law of One really all about?

Rampant, near undetectable spiritualism.

Means you are worshipping what exactly?

Pay insufficient attention to the First Angels warning,

And what happens?

you will NEVER discern rampant deceptive SPIRITUALISM
or why the Omega of DHs is very DEADLY.

And it ultimately INVOLVES the UPS
of Matt 12:31-32.

The **Unpardonable Sin** is unacceptable.

Yes it affects your Christian walk
denying HWM who is also Lord Gd Almighty.

Right?

There can be no sealing, in the sealing time.

**Are you getting the gist yet
of the seriousness?**

Then your 'Christian walk' enters the era, the Apocalypse
only to be deceived to worship and believe
the **Law of one**.

Right?

Deceived by the **law** of Isaiah 2:3
the **Law of One**.

Right?

That denies The Righteousness of HWM in terms of HWMs separate
Alpha Eternal Self existent Identity of

no beginning,
and was ALSO Gd.

Yes its John 1:1 again.

Christs True **Alpha and Omega** identity is the gifting of the **Key of David**.
The gift helps you fully see why the Omega of Deadly Heresies is deadly in
the Christian walk.

It further means, HWM and why He said He was A&O
is the ONLY
nexus to establishing His
Eternal Righteousness and ERxF and the Law of Two.

That is why HWM held the Identity ALSO of **Eternal Father**
and in turn that would be the Key of Dvd which
unlocks the great blessings of
Eternal Righteousness.

The Revelation of the dynamics of Elohim echad one

Right?

The promise to be guided into all truth,
by the **Spirit of Truth** is essential.

The traditions of the Elders leaves you with the biggest unresolved theological
problem this side of eternity and is related to the attack on the First Angels
warning.

Pastors padres elders, the academics are unable to provide answers when you ask about the Omega of DHs.

The Spirit of Truth ~ Allos alone,
cleanses one lips from the errors .

Artificial Intelligence

Interaction with chat brings to the fore the use and application of LOGIC via algorithms and generic input,

but Eternal Truth for the sealing time is from the Bible
and can only be gleaned under Inspiration of Heaven.

The Word, also the eternal Gd '**thought it not robbery to be equal with Gd**' brings the entire decision to His Omega Identity as critical and must be correctly established.

HWM - **Who being in the form of Gd = Melchizedek**

who was what?

Without father, without mother, without descent, having neither beginning of days, nor end of life; but made like unto the Son of God; abideth a priest continually.

This is where the transition to the **Order of Melchizedek**
must be known because this was HWMs **OMEGA** identity with merging the Maternal DNA. Luke 1:35.

Mess this up and the problems of born, born again and Character Perfection hold sway and no are the wiser.

How could HWM be *born, born again = holy flesh* when Paul said the form of a slave,

any deviation about the **form of a slave taking** is another attack on His original decision to take the form of a slave in sinful flesh Omega all the while being Alpha from Eternity.

HWM lived, born of a woman, born under the law, the **Omega**.

The veil.

So without the appreciation of the veil what ppl miss in seeing why the Omega of DHs is all about the error of GTES doctrine

which is why it is a continual attack on His Eternal Righteousness that gives you the Triune trinity of Mystery Babylon Mother of Hs. With GTES

This really should be very easy to see.

Paul Never used the words Alpha & Omega in his letters but conveyed the principle of this

In 2Tim 1:9 with **Rom 5:8**

while we were yet sinners Christ died for us,

which merges precisely to **Rev 13:8**

being the entire point in that chapter of two beasts

but the fact is the details of LSFOTW

exceeds the Mark of the B and the number
of a man,
666.

**Therefore the doctrine of ER and the Alpha & Omega of HWM is
holy ground.**

It is the **power and wisdom of Gd.**

Lucifer cannot defeat it.

It is impenetrable,

it is beyond all principalities and powers
because the wisdom of Gd is perfect
unto Eternal Righteousness.

ER exposes all forms of spiritualism.

Without any exception.

And identifies true Character Perf which is
NO GUILT when speaking or teaching about
the Righteousness of HWM.

Yes, Christ and His Eternal Righteousness

**It's time to mention
the sealing time and the dynamics
of Elohim Echad one in its perfect sense.**

Why?

Because the A&O is the only way to determine precisely the UPS of Matt 12:31-32.

And faith in ERxF was the **faith of Jesus**
As is the stated promise **to overcome even**
as He overcame in sinful flesh. Rev 3

In other words, a discussion with chat machine you will find
Applies errors by supplemental applied theology.

Combined and expressed by so called
Intelligent machinery, but fails the finer
Unknown aspects of ER.

For example John the Revelator introduced a completely new summary to
the Identity of HWM and the
Returning **Word** in Rev 19.

In the case of Daniel 12,
HWM is seen traversing the river and prophesying.

And so it is very interesting why John follows Paul.

John got the final insights of Eternal Righteousness of why HWM said **I Am**
first and last, Alpha and Omega.

His name of Alpha & Omega was not given to Paul
but Paul was aware of the matter anyway.

Paul may have known Christ as A&O
yet his letters do not use this Divine Epithet.

One of the reasons would be because he established Christs Eternal identity and the purity of the concept in Phil 2.

The letter to Hebrews confirms the Two powers of Johns Gospel Jn 1:1 as the Ultimate Divine equation.

And it is all ER.

The Eternal Identity of HWM cannot be bettered
By any principalities or powers.

Plato and Philo

Are the epitome of the errancy of the ancient philosophers
and still used today in so-called modern theology.

The warning of the First Angel is grave.

Luther defined sola fide but the strength of sola fide of the Reformation was
the type the *transgression of desolation* era.

The anti-type of the transgression of Desolation Jesus mentioned Daniel the
Prophet and the Everlasting Gospel of Rev 14 must entail the Alpha & Omega
and ER of HWM

Why? Well, prevailing in the era of the *abomination of desolation* the central
theology holds the *Law of One*.

Includes FB #2 and God the Eternal Son FB#4 .

Thereby confirming Dan 8:13-14 and unto 2300 days was true and therefore
why HWM said in John 4:22
salvation is of the Jews.

That detail of itself, brings Isa 2 into its own elevated standing with the **law** coming from the city where our Lord was crucified.

Yes, the 2Thes2 guy and the law of one at the 3T

And the spiritualism of the **Law of one** can only be exposed

by the **Law of Two**. Elohim echad one.

The tricky 7N can only be bested from the vantage point of **the Domain of the Divine**.

Stop listen to this [here](#)

It is no wonder the 24 elders bowed in reverence and the beasts proclaim **holy, holy, holy, day and night**.

They beheld the Lamb with 7 eyes, as slain.

What should never be forgotten is this Alpha Identity HWM was slain **prior** to the Fn of the world. Rev 13:8.

This aspect, takes our dull minds back into the days of Eternity.

We are all confronted with the **Wall of Eternity**, **Beyond** our mindsets cannot perceive [here](#)

And then there are the Ancient of Days, both Divines of John 1:1.

Both, **Lord God ALMIGHTY** echad one.

But then, there's Dan 7 where one like the son of the gods is brought before the Ancient of Days,

which is again another dynamic of the Elohim Echad one, because is more dynamics of Divinity echad one.

Every factor is the Law of Two, the Domain of the Divine, Is the Interchangeable Powers of the term Elohim Echad = **Lord God Almighty**.

If in doubt, of interchangeable powers

read Isaiah 9:6-7

9:6 For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be

called Wonderful, Counsellor, **The**
mighty God,

The everlasting Father, The Prince of Peace.

So, Isaiah told everyone already
who is **ALSO**
Lord God Almighty.

Nothing to do with 1g, GTES Trinitarianism, or Binitarianism or Unitarianism
or Modalism , Monarchianism etc

And all those theological's impose constant very subtle
Conscious and subconscious pressures to
acknowledge the **Law of one**
or any other 1g version
to keep safe what?

the traditions.

Right?

No!

Why?

BECAUSE the Dynamics of the Elohim Echad one
is
as Isaiah said

HWM is **also** the MIGHTY GOD, (= Lord God Almighty)
Everlasting FATHER #2

and there is exceedingly much to Eternal Righteousness
of the Elohim and Law of Two.

ER is wonderful, defines Divine greatness
of both, **Lord Gd Almighty**

All praise to the Father #1 and
HWM Father #2
Elohim Echad one.
