LAW OF ONE

Ra

“The Way of the Law”
“How Jesus taught the Law of
one”

The Higher Self

The Universe

The Holy Flesh Movement

1899-1901

This **Law of One** discussion is one which provides insights from the realm and dominion of ‘modern’ mysticism.

You will hopefully see how the mystics of today, tragically with words destroy Christ's Identity as ALPHA & OMEGA under the cover of Christ Consciousness, Universe, or Energetic Source teachings and yes of course, God the Eternal Son FB #4.

But first a video produced by a channelling mystic is provided so you can gain some clue of what this discussion entails.

"The Way of the Law"

"How Jesus taught the Law of one". [Here](#)

If you think you will get through the time of trouble that involves the Abomination of Desolation like Scott-free then unfortunately you are hugely mistaken because HWM said the events of this era of end time abomination would deceive if possible the very elect. So, you really need to be aware of what modern mysticism are pushing and how their language is taken duplicitously into the churches and minds of modern Christians because the speaker weaves in stuff and if you pay attention reverse interweaves a theological tapestry about

The [Doctrine of the Universe](#) and in the same breath orientates [the Secret doctrine](#) that arose in **1888**,

with The Bible

and guess what Bible TEXT is used!

It is John 1:1.

Who would even imagine this to be a possibility and this seemingly minor detail should be a **red flag**

for anyone who is serious about deception and why it has nothing to do with Christ's Eternal Righteousness and ERxF. The fact is spiritualism is all about the Gdhd it is flourishing today and its end game when it comes to the **7N**,

but it's how the proponents who channel spirits to their cause and which seems to be marvellous light and peace but ends in ruination of anyone who is trapped with the many expressions of modern spiritualism.

If you haven't watched at least 15 mins of the vid – the rest of this discussion will seem vitriolic hyperbole and unnecessary but there is a worse situation for those who choose neglect and as you will discover it also relates to Laodicea and all the daughters of Mystery Babylon. Who say there is One Gd.

The modern mystics are adepts, are new age high priests of modern mysticism and deviously speak with a mysterious slide of hand by way of redefinitions and misplaced meanings of words, which is all designed to sound really informative,

and if you have **not** done your homework you will be taken into the depths of the spiritual ocean

by the spiritual RIP TIDE

by what is seemingly 'intelligent' and wholesome lovely and good for humanity;

But alas, for the unwary it is mesmerising for it has hijacked the Counsels of Peace of Zech 6:13 and

is set **perversely**

and entirely **against**

the Divine Tenet of

Eternal Righteousness and

The **Law of Two** [here](#)

Of the Two Anthropomorphic Divines who

constitute the Elohim; yes the

Two Anthropomorphic Elohim of

John 1:1 Both of Whom

are totally discredited and this

Establishes the background of unpardonable sin

In the context of the Three Angels Messages.

To make it worse, the mystic(s) quote

Biblical narratives to state their case.

This discussion is important when it comes to accurate spiritual counsel where the Law of One is in contradiction to the Law of Two. But like everything the seasoned theology academics, and know-it-all padres and elders who have yet to resolve the Omega of DHs but their only reference is traditions of the elders.

it will become clear when the time of the Abomination of Desolation = Matt 24:15 they will be completely unfit as leaders of the flock.

If you have not been following the discussions about Eternal Righteousness, you will be at a significant disadvantage to even begin to determine the depth of mysticism and spiritualism when it comes to the Law of One and why it is

the summit of theological war. But then there are they who apply modern religious parlance with guile and word games.

In other words, the practical importance of the **Three Angels Messages** of Revelation 14 when you read them carefully, are illustrating the First Principles of Christ – as noted by Paul in Hebrews 6 and establishes why Christ is Alpha & Omega as it relates to the “**ORACLES of GD**” stated by Paul in Hebrews 5:12.

The sophistry of the **Eternal Sin** = UPS of Matt 12:31 [here](#)

Modern mystics are easily penetrating their theology into mainstream religions and while the obvious rejection of outlandish things are easily identified,

but when you have PADRES and ELDERS who have been mystified and do not realise why Christ said He was ALPHA & OMEGA that is incompatible completely with FB 2,4 you are in significant spiritual trouble.

 this discussion is not for novices on the milk.
Just as Paul defined but is essential meat in due season;
as we all enter the
 era of the Apocalypse and UC
in the
 astonishing world of spiritual deception
 and it goes by the name
 the **Law of One**.

Check the video out [here](#)

The speaker at [8.03](#) mark, quoting the mystic

Disarms you and then sustains that with the following

“In the beginning was the **law**
and the **law** was Gd, and the
Law was with Gd”

Can you even believe what is happening here?

The question is this

How do you determine anything about Truth, and Eternal Righteousness
about the LAW was God

When John 1:1 is speaking of
the **LAW OF TWO**

But WHAT LAW?

The problem you face is this

John 1:1 is channelled by mystic entity
to esteem what exactly?

Answer

the Law of 1.

You are witnessing the language of mysticism

That uses a word play about the Elohim of

John 1:1 which is actually all about the
LAW OF TWO. Not the Law if One.

Why invert Christ to the **law**,
and leave you with one divine = 1g
and erase Christ in the process

to not be the Eternal Logos the Word.

Right?

In other words, this channeler has repackaged you God the Eternal Son FB #4.

This is a very important situation because the speaker is borrowing John 1:1 adapting the **Law of One** with what they believe – it means and their agenda is to heighten the mystical enlightenment which is sparks of their imaginations about divinity and it is a very deep deception.

The channelling mystic works on the premise there is ONE GOD.

But John 1:1 does not say that.

But for the careless, who say
**“oh for sure it’s not really wrong,
but who can care less”**

not bothered or begrudged they are immediately being confronted with the territory of the UPS of blasphemy against Allos because this mystics teaching absorbs and bypasses your critical senses and delivers rhetorical advice that resonates with your feelings of their heart and the demon behind the channelling is to lift hope in their view of higher self which is = self-Righteousness.

What You are witnessing on this one example, is the fruitage of the Alpha & Omega of Deadly Heresies.

The speaker quotes the Gnostics and **Essenes**. And then goes full force with the thorough **ruination** of John 1:1.

Presenting you with an alien and abominable concept that clouds and darkens John 1:1
unto a wrong understanding,

The transformation of error is immediately in conflict
With Both ELOHIM of (John 1:1)

Because John 1:1 concerns the Elohim=
the **Law of Two** not the law of One
you are left with

wicked incorrigible & detestable concepts and it brings many to the final worship of the B and receiving the mark, when a channelled demon labels John 1:1 as the **Law of one**.

And so does Laodicea.

With FBs 2,4

The channeler provides **No proof**
how the Law of One is attributed
to John 1:1,

but guess what –

it's the tell-tale signature of a channelled entity who are all appear as 'light"

because the speaker is definitely reciting the teachings of the **demon spirit**

"Ra", a well-known demonic entity in the circles of mystics and as the go to guy with the Law of one.

Check it out [here](#)

The mystic then quotes "Jesus" and in the process is contradicting Christs Eternal Identity as the **Alpha**, then the mystic esteems that salvation is by 'good' works, all the while quoting Ra material,

So, you are drawn into the false matrix of Lucifer,

In contradiction to the Biblical matrix of HWM.

So, who of you can you stomach anymore?

This ensuing discussion will be very challenging for most and it's expected that many will throw their

**hands up, in the air
and quit.**

Why?

Oh, just too hard.

Just give me the lerve of Jesus.

But then what was cost of our decisions at this stage in the cosmic conflict and the value of salvation?

What about the regular warnings of Paul about this demonic influence especially at the end of time?

What about Matt 24 where HWM **specifically warns** of the false Christ's will deceive is possible who? the very elect?

But then

What value do those who throw their arms up in the air, hit delete and return to the lukewarm condition?

Well, that's how it goes.

Getting back to this **Law of One** – the fact is this - it has seeped into all of Christendom and Laodicea. Apart from being very subtle it is not easy to see error let alone

incorrect parallels to HWM,

For what you are observing is the fruitage of the conclusion of the Alpha & Omega of Deadly Heresies,

and so,

Laodicea, faces an impossible enemy to encounter

because of the 1g doctrine of FB 2,4.

= 1g Universe, the secret doctrine.

EGW said

So closely will the counterfeit resemble the true, that it will be **impossible** to distinguish **between them** except by the Holy Scriptures. By their testimony every statement and every miracle must be tested. {GC88 593.1}

Can you even begin to see Satan established at the time of the 1888 message of Christ and His Righteousness

the Secret Doctrine of the Universe

introduced in 1888 by Madame Blavatsky and then unbelievably the core snippet of the theosophy it was included in the writings by the two messengers of Christ and His Righteousness in Waggoner & Jones.

Rightly so, EGW was reeling in fear about the Alpha & Omega of Deadly Heresies, saying it would be '**received**' and she '**trembled.**'

But then if you are following the vid the mystic vindicates the book of James and quotes James, over Paul.

Why?

It's the works part, on account of **James** and the problems of **self-Righteousness.**

Which is the HIGHER SELF impersonating divinity.

AND Yet, you will see, the mystic makes no distinction between God and the Universe.

What you are watching and hearing presented by the channelling mystic

is **Classic Neo Platonism**.

Anyone who believes in Jesus Christ, should be paying close attention concerning this falsehood of Ra, and Law of One culminates in the 7N

and should be able to confirm the First Angels warning to dismantle the law of 1 from the Bible.

For example –

Hebrews 1

Paul explains the **Lord Jesus Christ who is The Word of John 1:1, created** the Universe and that the earth waxes old and **folds it like a garment**.

[n]Thou, Lord, in the beginning didst lay the foundation of the earth,

And the heavens are the works of thy hands:

¹¹They shall perish; but thou continuest:

And they all shall wax old as doth a garment;

¹²And as a mantle shalt **thou roll them up,**
As a garment, and they shall be changed:
But thou art the same,
And thy years shall not fail.

But ask yourself why do these modern mystics use

“love” ?

to avoid any and all spiritual indignation.

It's so they can step over the spiritual pitfalls and immediate indignation of apostasy.

The mystics says **all-seeing eye** is attributed to the Universe.
And the **Love** understands all perspectives
True and false.

CAN YOU BELIEVE THAT?

That is **not** True AGAPE as discussed
[Here](#)

and as you know, God says
by the end of the Final Atonement;
and the close of all human probation

there are

the **7 last plagues**,

not UC of the Law of 1.

This brings the **doctrine of Baptism** into the picture when dealing with the **Higher-self teaching of the Universe**

⁴ Nicodemus saith unto him, How can a man be born when he is old? can he enter a second time into his mother's womb, and be born?

⁵ **Jesus** answered,

Verily, verily, I say unto thee, **Except one be born of water and the Spirit**, he **cannot** enter into the kingdom of God.

⁶ That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.

NICODEMUS didn't get it.

That was the reason for the forerunner, John the Baptist, whose Baptism was of **repentance** which was not the same as Jesus' Baptism, but is revealed in **Malachi** as the forerunner.

The second aspect of "**Born again**" implies the resurrection or transformation at Jesus' Second Coming.

That which is born of flesh is flesh **and that** which is born of Spirit is spirit.

Flesh and blood cannot inherit the Kingdom of God.

Romans 1:4 clearly defines the concept as
"**Born of the Resurrection**"

The Kingdom of God within you,
is not UC or

the **immortal soul**
of the **Higher Self**.

No,

it is Baptism the **water** component mentioned by Jesus, and the entrance of **Allos** which the world cannot receive because it doesn't know Jesus Christ.

= Matt 7:22-23

Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works?

7:23

And **then will I profess unto them,**
I never knew you: depart from me,
ye that work iniquity.

Paul described born again this way

It is "Christ in you" the hope of glory.

A wrong interpretation
of being "born again" relates

to the **Law of One** and easily leads
you into UC as in **Holy Flesh**,

as in a second experience **after** baptism,
which Laodicea refers to as conversion.

If a decision was made based on the **1888 message** to get Baptized it was by
the leading of Allos. Yet, Jesus said the person can choose to disconnect
themselves
from the Vine.

Those who chose to remain in the vine,
are led to the **New Vineyard** of 6AM-5 PM
and from this point in time
we are in the 5 PM timeframe,

and if folk were awake
they would leave Babylon, in all of its formations
and that includes Laodicea due to the God the Eternal Son FB #4 and FB #2
the Trinity of the RCC,
right?

because the teachers of **Eternal Righteousness** are they
who understand the New Vineyard concept
as opposed to the Old.

The new Magan mystic deceivers such as this mystic you encountered in the vid 'teaching' the Law of ONE are all caught up with this [Mitzvot](#) teaching in conjunction with spiritualism and the Law of one =

And its fruitage is **7N** in relation to the wrong understanding of the Shema of Deut 6:4.

Also, the component of **water** and **Spirit** is clearly in reference to Baptism.= Born again, since Allos enters.

Ra and Law of One.

[Aron Abke](#), the speaker in the vid, is channelling the Mind materials of **RA** [here](#)

and channelling other demons themselves. Knowingly or unknowingly.

But he is very easy to expose from the Biblical perspective. The gnostic perspective for example uses "**assumed humility**"

and this is what he was saying that if someone gets mad at you, you are "**balanced with the Universe,**"

but 'they' are not;

and that's why you shouldn't get mad?

That is the “**assumed humility**” that Paul talks about in Colossians 2. [Here](#)

Paul says

2:18 Let no man **beguile** you of your reward in a **voluntary humility** and worshipping of angels, intruding into those things which he hath not seen, vainly puffed up by his fleshly mind,

That is why in a prior discussion we mentioned that episode in **Kung-Fu** which presented an episode of an old Protestant lady preaching out West which was the setting of Kung-Fu,

and ironically speaking,

she was implying Babylon had fallen and Kwai Chang Caine was looking at her in **assumed humility** [here](#)

and the first thought that would come to the mind of the viewer, is that the old lady was crazy preaching nonsense of salvation, but the ‘wise Shaolin monk on a path would respond with the **unity of one. UC.**

Pual already explained to you the deal

2:8 **Beware** lest any man spoil you through **philosophy** and **vain deceit**, after the **tradition** of men, after the **rudiments** of the world, and not after Christ.

2:9 For in him dwelleth all the fulness of the Godhead bodily.

2:10 And ye are complete in him, which is the head of all principality and power:

HOLY FLESH TEACHING 1899-1901

A wrong interpretation of being 'born again', can easily lead one into UC as in **Holy Flesh doctrine** of the Higher Self, as in a 'second experience' **after** baptism which Laodicea refers to as conversion.

Well, guess what, this **Holy Flesh** teaching at its height existed at the time of EGW and it was flourishing as the real deal at Indiana in **1899-1901**- [here](#)

There are two basic aspects which marked the **Holy Flesh Movement**, in Laodicea;
one was the music, and the other was the doctrinal teaching concerning Christ's Incarnation.

What nature did Christ assume or take at His incarnation - was it the nature of Adam **prior** to the fall, or after the fall

and then there comes the additional situation,
that,
if Christ took the nature of Adam **prior** to the fall, then one has '**holy flesh**'.

So is that information

sufficient in piecing the problem of the Law of One?

No, it's not.

But what you do have are the voices of modern mystics of today and the venerable voices of Padres and elders in Laodicea all affirming God the Eternal Son FB #4 which is the root endorsement of the Law of ONE and mind you, is believed in totality in Laodicea.

And yet never understood what it means and this is the OMEGA OF DHs.

If you miss this fact and you believe you are not going to be mistaken by the mystics – then think twice before you move forward.

So, what's the difference with the **mystics** and Neo-Platonism, or Gnosticism and the TTD and the spiritualism of

HIGHER SELF anyway?

NOTHING!

-regardless of how much you protest,
Even saying oh,
we all have a sinful nature.

It's all still

SELF RIGHTEOUSNESS

While that's the fact, a subtle acceptable belief in **the Higher self** = "holy flesh" exists and its obligated in the 28FBs and that changes the entire matter of sinful nature,
so much so, you have no consideration of a sinful nature; but a complete association with the Universe and so-called Deity of the Law of One

And yet, in actuality it is the belief by the **Higher self** – that you are **eternal** at the same time and that omits the cleansing of the FA, the seal Gd of Revelation 7.

All the while you disagree with salvation is by faith alone.

Well didn't HWM say the deception would deceive if possible the very elect. But who gives mind to HWM anyway?
Egw said it would be received and she trembled but the ministry in Laodicea today are not worried.

And if you really think about it
There is no need for the existence of the
Three Angels warning of Rev14.

Right?

And so, with the **higher self = self-divinity** thence cometh the immortal soul doctrine,

Interweaved by the Law of One
and that's sparks of your own kindling
fully inspired by the mystery of iniquity,
by a spiritual demonic entity,

Ra

So, you don't really require a Saviour **even tho say you do;**
and let's face it, you really don't require a Great High Priest
even though you believe otherwise in the
Sanctuary Doctrine.

ARE YOU GETTING THE GIST yet?

Christ just becomes a good avatar and motivation
for doing good. Inspired by what ?
Self-Righteousness = Higher Self.
The Nicodemus problem. Right?

Holy Flesh is the same Higher Self,
yes the doctrine of the **Universe**, the secret doctrine and
Law of One

It INFERS very carefully you cannot die eternally, because you are claiming
Soul Immortality at the same time all by self-faith belief of the "Source" of the
Universe.

And so that Removes Christ completely
with no fuss.

**And yet you are front and central,
absorbed
into the**

deadliness of the Omega of DHs.

Equality with the Universe

Higher self has that intrinsic **EQUALITY** with the Universe, or Source and therefore renders all for you wonderful feelings of that mystical commitment.

CONCLUSION

Why not

Draw the conclusion.

It's the belief of an innate **perfection** and It also known as **sinless perfectionism**.

No repentance because the Higher Self is co-equal with Divinity.

But yet you die.

And eternally die

and will bow to the image of the B anyway.

This is the entire problem of FBs 2,4 in Laodicea and its associations with the Law of One.

The complete denial of John 1:1 and the Law of Two.

IF YOU PERMIT THE BIBLE TO SPEAK,

it's so obvious,

but the trap is set for Laodicea

and all Christians

–and yes,

just by adopting FB 2,4 there is 1g
= they both mean the same thing because
they are also the LAW OF ONE
and this stuff gets woven into the Universe doctrine,
the Secret Doctrine and even though you will protest you are a Jesus
believing Christian.

Yet the **Alpha & Omega of Deadly Heresies** prevails and has instilled a
seamless deception of belief.

Higher Self inspired from the Universe,
its fully invited itself into Christendom
– and all the
while you are not claiming DIVINITY,

you are endorsing The OMEGA of DHs
which is sustained by
belief in the Law of ONE and it's an equality with God
via the Universe.

The sin that was detected in Satan Ezekiel 28:15

28:15 **Thou [wast] perfect in thy ways from the day that thou wast
created, till iniquity was found in thee.**

Wanting to be like the Most High – Isaiah 14.

Right?

How has the Law of one prevailed in Laodicea?

God the Eternal Son FB #4 is saying as was Waggoner and Jones in 1888, that Christ was emanated or born in eternity and not Co-Eternal with the Father as Father #2.

Which is completely in full denial of Philippians 2:5-7

2:5 Let this mind be in you, which was also in Christ Jesus:

2:6 Who, being in the form of God, thought it not **robbery** to be equal with God:

2:7 But made himself of no reputation, and took upon him the form of a servant, and was made in the likeness of men:

Higher Self = the robbery of Divinity.

Higher Self = claiming divine reputation

Higher self / **SELF RIGHTEOUSNESS** = the robbery of Divinity.

Higher Self / **SELF RIGHTEOUSNESS** = claiming divine reputation

And therefore this mystery of iniquity is alien to Christ and His Eternal Righteousness.

HWM will say – I NEVER KNEW YOU!

The original **Holy Flesh movement** in Laodicea was warned by EGW to have nothing to do with it but at the same time when you review her counsel nothing was really clear how the Holy Flesh concept bridged a connection to the GDHD. Nor why later Egw never rebuked Waggoner and Jones about God the eternal son.

Today the Holy Flesh doctrine has its modern theological accreditation and it's the full spectrum of the Law of One, Doctrine of the Universe and God the Eternal Son FB #4.

It centres on FB 2,4.

The Alpha & Omega of DH

And yeh, none are the wiser.

The **Doctrine of the Universe** and the **Higher self** = 1g.

Only to be in a short while

To then be conformed to the 7N

doctrine of Deut 6:4.

Which is why the book by **Shiela Holm** –discussed [here](#) is essential for those in America and to your awareness of the theological entrapment of the Second Beast as one is entering the era of the Apocalypse;

but **Shiela** never drew the theological conclusion of the 7N and its purpose voted in by Congress.

That knowledge was originally given to Adventism and it's painful to say they abandoned everything about the Three Angels Messages anyway.

So what do you do?

Read Heb 13:13.

Now, for those urging the importance of the energetics of the Schumann Resonance and connecting to the vibrations of the higher densities and also the Universe, they feel it inspires the proper reasoning about love of Gd.

Yet guile sits well with the sinful nature and its alter ego –

the **Higher Self**. In the saints mouth God said there is NO GUILE

Higher self has
No need of Christ and His Eternal Righteousness.

Is anyone out there beginning
to see the issues?

**The Law of One – is the same doctrine
of Soul Immortality.**

Contrary to Eccl 3:19-21.

The doctrine of the **Holy Flesh**, that arrived in Laodicea in the last years of 1899 – 1901 [here](#)

was in fact the doctrine applied to day by
.the modern mystics as (Higher Self),
the Doctrine of the Universe
and it is of the Occult and
erases ones baptism

for immersion in water
because there is no more ALLOS

- **and the kingdom of God**

is not in you.

In other words, ask yourself
why is this not considered as the **Eternal SIN**, the UPS?

The tricky part of **Holy Flesh** when it comes to the **Law of One** is you believe you actually have HF, at the same time

and flesh perishes at death anyway and in the context of the abomination of desolation that is what?

= non-immortality.

Adversaries say
oh, it's the **spirit** to love
do good works
that's the message of the universe in you.

But which spirit?

The spirit that Peter had when HWM rebuked him?

Matt 16:23

But HWM turned, and said unto
Peter,
**Get thee behind me,
Satan:**

thou art an offence unto me: for thou savourest not the things that be of God, but those that be of men.

What spirit did Peter have?

Holy Flesh and the Law of 1

does not require SANCTIFICATION, but the emphasis is works anyway; there is no need of the Final Atonement.

No cleansing and No seal of Gd contrary to Rev 7.

And apparently you are "ready" for the Second Coming.

Holy Flesh **is Rejecting Christ in you** the hope of **glory**.

Rejecting That glory of HWM = Alpha = John 1:1. = Isa 6 = ER.

Holy Flesh = the Higher Self of the Universe = Self R.

Today it's called New Age channelling.

It is not immortal.

Its all-fancy language that says ye shalt not die. Well Mother Eve fell for that and who are you to say otherwise?

Self and all self R must perish on the cross.

Self R debases the first principles of Christ and the ORACLES OF GD.

Which means FB 2,4 are an anathema to HWM and the Three Angels Messages of Revelation 14.

Self = consciousness,
is the creation of HWM.

The **soul**. In Greek = psyche.

Higher Self = the psyche has no need of the full armour of Gd.

It's deception is fake immortality. Just what Eve believed.

It's infectiousness in the **hive mind**
unto UC and Law of One.

Higher Self is the strong belief about your **own** divinity.
Has been justified by the Universe.

The 1g doctrine whether it's the Shema, Shahada or Nicene Credo version, or
FB 2,4 as is official in Laodicea

it doesn't matter –

they all provide plenty of wriggle room to instil **self-Righteousness** as a co-
equal with Father #1.

Even though they all disagree and protest otherwise.

Laodicea today with their emphasis on **Character Perfection** [here](#) you
should realise by now surely, the mystics in Laodicea are extremely good at
emphasising this, for
such is the deception.

They talk about the Cross and the love of God everything that means everything to a Christian but never recognise the Omega of DHs destroys it ALL

in one foul swoop when all along
you are really dealing with .000001% error.
Deceive if possible the very elect. ? Right?
That is absolutely true.

UC the Law of One is the antithesis to John 1:1.

It builds out the edifice of many fake christos.
Fake christos resonates

with 8th king.

Higher Self is not Col 1:27 = CIYTHOG.

Higher Self is the summit of mystery religions.

Why?

Well, listen to the Mystics themselves

The Ra channelled materials say

“Beyond a certain point the evolution of spirit is quite dependent upon the understanding of self and other-self as Creator.”

[Here](#)

Conclusion

And those of you who believe they are all safe from such mystic delusions then ask yourselves – **why has not Laodicea resolved the OMEGA of DH's** and why are you still peddling the magisterium of Mysticism the mystery of iniquity with FB 2,4.

Satan does not give one hoot, whether you disbelieve the channelers and **Ra** and all the rest and all the other 1g versions.

Doesn't matter at all. Why? If you are not deceived around the corner you will be around the hurdy gurdy. For those with eyes to see and ears to hear and are seeing the problem of the Omega of DHs is really incredibly deadly,

can you then begin to acknowledge the First Angels Warning is the warning against the Omega of DHs which comes in many formations, whether it's TTD, Source, Universe, God the Eternal begotten Son and found in Laodicea.

Laodiceans say it is an impossibility of committing the UPS and claiming it's not a problem; and yet they endorse the Alpha & Omega of Deadly Heresies.

Do they give the LOUD CRY of Revelation 18?

To be continued
