**TENTH
JUBILEE**

11Q13

When growing up in the education of the Catholic school, the nuns taught us that the Triune Trinity Doctrine was the greatest mystery. They said the "Keys were given to Peter."

Yet, Peter **never** believed, nor was taught the Trinity, or the **God the Eternal Son**.

The Bible explains the mystery of the **Key of Davd**
And is resolved, with the crucial application of
Eternal Righteousness, John 1:1
the Alpha & Omega of HWM
the Law of Two,

that presents the **Two** Eternal Fathers,
in reference to the **Order of Melchizedek**
and proofed by the Divine prerequisites.

The prerequisites are defined in
Heb 7:1-3

[Listen here](#)

The prerequisites explain, and define the
Lamb that was **slain prior**
to the foundation of the
World.

= Rev 13:8

The fact is, this Eternal Righteousness is a profound
A Divinely ordained masterful theological fact,

but it has to be properly
articulated vocally.

In the following way.

What was the ministration of Melchizedek ?

Explain and define.

Answer

What was presented to Moses as the starting Point the Temple in heaven. = Heb 8:1-5

Then, the Altar in
The Court, the primordial revelation
of the work

Of Melchizedek in the heavens
as **Eternal Righteousness.**

In the form of the Melchizedekian **prerequisites.**

Where then is the final revelation on earth,
in the form of **Revelation 13:8-9** is in
contrast to the human

[False Mitzvah](#)

of the MOTB.

For Laodicea, it involves the recognition of the
Commencement point at **6:00 AM**

which was,

Eternal Righteousness **prior** to that time,

**in the form of the Alpha ministration
Of Melchizedek**

and this is proven by way of [11Q13](#)

In the fragmentary passage the term "[Elohim](#)" appears a dozen times, mainly referring to the God of Israel, but in commentary on "who says to Zion "Your Elohim reigns" (Isa. 52;7) **11Q13** states that Zion is the congregation of all the sons of righteousness, while **Melchizedek** is "[Your Elohim](#)" who will deliver the sons of righteousness from [Belial](#).^{[5][6][7][8]}

And see this information [here](#)

Tenth Jubilee

A thoughtful person would acknowledge the **10th Jubilee** would have to somehow, have alignment with the counterfeit 10/10 kings of Revelation 17.

Especially, that **counterfeit Jubilee's** are in fact

counterfeit ministrations of the concept of the "**Priest King Alliance**"

In the historical setting of 7 Kings of Rev 17:10.

17:10 And there are seven kings: **five** are fallen, and one is, [and] the other is not yet come; and when he cometh, he must continue a short space.

The final **10th Jubilee** involves **Melchizedek** and **the Day of Atonement** just as you read from the articles on 11Q13 and therefore involves the millennium,

and the putting away of Satan into the bottomless Pit.

This is the fastest way of shutting down the Laodicean,
and anyone else for that matter,

who are the so called,
Defenders of Christ,
insisting He was

“God the Eternal son.”

Right?

The Fact is –
The typical earthly Jubilees or [Shmita](#),

**never resolved the sin
Problem
in sinful flesh
or gave rest,
to the planet,**

which means what?

That 11Q13 would be labelled as an unfulfilled Prophecy from the vantage point of **prior** Jubilees, that cannot be linked together in a typical or type format.

Right?

But manage to come together as the 10/10 Counterfeit of Zecharia 8:23,

and just as Gd said, in the completion of Revelation 17:12-16.

Right?

And fact is that would **have** to be seen from à "Jubilee" Perspective

of [Tikkun Olam](#).

Which is the intended repair, to improve the world.

Oh, but wait a second!

Chat GPT says they are similar, but unrelated .

This makes sense because à true Jubilee Accomplishes the purpose and purposes of HWM,

Whereas,

The historical Jubilee's were **interfered** with by
Way of the **captivity** of the **heritage** of Jacob.

The only way of ascertaining the correctness of
11Q13 as a prophetic event, and the
(Day of Atonement),

would be **not** by
Way of its historical links
with past Jubilees ,

but by

By way of the concept of 10, or tenth being final,
And complete,
without the hindrances of the weakness
of God's people,

who were following à divine blueprint,
of giving the land à respite
from farming,

And there is debt relief or forgiveness
from indebtedness.

The jubilee known as the [Shemitah](#)

So, the 11Q13 concept derives its meaning **not**
From à human successive aspect,

but by the

Completeness of the number 10,
at the **11th Hour** of the prophetic time clock

just prior to the
end of the working day,

and Scripture says, that is
At the **12th hour** or **6:00** PM

when no man can work. John 9:4

This is also the true message of Document 11Q13 and **Melchizedek** and the
DoA with that is the
knowledge of ER at the
11th hour or **5:00 PM**
(which is now)

And then ends
At **6:00 PM**,

as seen Revelation 15:8

15:8 And the **temple** was filled with smoke from the glory of God, and
from his power; and **no man was able** to enter into the temple, till the
seven plagues of the seven angels were fulfilled.

Conclusion

11q13 reveals that the Biblical FA, and this is

not about

Character Perfection

or **human mitsvahs,**

but is all about the ER of HWM,

who being (Melchizedek)

who had no father, or mother, or beginning of Days, nor end of life.

This means the conclusion about **Melchizedek,**
and His **prerequisites** is true,

and what does that do?

It is the demolishing, obliteration of
the *Law of One* doctrine,

The Law of one is fully front and central
of **God the Eternal Son.**

The Omega of DHs

So, from another perspective:

The **tenth day of seventh month** was the DoA
and the jubilee was as Scripture said,
announced by trumpets.

The Evangelical contribution says the
10th Jubilee = Daniels 490 yrs
ending in AD 34 (Psa 82:1 and Isa 61:1),

And yet HWM confirmed their "**House was
left desolate.**" (Matt 23:38)

It could be said, to be the type.

But Laodiceans know the antitypical DoA,
never commenced until Dan 8:13-14
which was in 1844.

Ending that long era includes the **5 fallen kings**,
transgression of desolation,
but not **the 6th or 7th**.

The detractors, the Evangelical Larlars
are always stuck in a mire with their literal type,

and will never see and still don't know,
or want to be bothered to know
the antitypical DoA

Right?

so why should they claim a jubilee in any of their selfish concepts and then
deny DoA and the Sanctuary Doctrine
in the process?

If that doesn't stick in your craw,
what will?

But then, when you look at doctrine of **jubilee**
Larlars speak out of the sides of their mouths
to milk the principle of the Shmita Tenth jubilee
for its money's worth.

And yeh it means,
a lot of money (indebtedness).
A massive wealth reset and redistribution
of wealth ensues.

But hang on,

The Larlars get their wish of a "jubilee" of debt forgiveness
and have this reckoned with **July 4, 2026**,
the **250th** anniversary of
"we the people."

And as it so happens,
their jubilee count
is from their
reckoning
arising from **1776** is

1776 or 250 yrs or (5x50yrs),
a jubilee continuum

which is incredible

because in their version of events, it
will bring forth a **Great Awakening** and
then the **Golden Age**.

But hey,
they cannot have their cake
and eat the rest.

Why?

The Larlars will never see **7 king-priest alliance**
connects to the **tenth** Jubilee
this side of the Loud Cry of
Revelation 18:1-5,

Why?

It is because of their denial.

What denial?

The doctrine of the
Dual Atonement which is central to the Jubilee
But also must include
the Order of Melchizedek.

Right?

but God said something to you, that the missing
jubilees were lost because it was
interrupted by the *transgression of desolation*,

involving who?

the **purple hag** and **her king consorts**,

Right?

and this **1290 years** of transgression of desolation is an extremely long break in jubilee cycles,

but the desolation was the **removal** of Christ after the order of the ministration of Melchizedek, and as any regular reader of Daniel

can see

the *transgression of desolation* concluded the **2300 years**

and then

the commencement of the Heavenly Anti-type of the Day of Atonement in Dan 8:14 (1844)

which was, and is known, as the **sixth feast** on tenth day of the seventh month and involves beyond any question

what?

Answer the purpose of **John 4:22**,

That Biblical fact replaces the literal 70x7yrs of the 490yrs of Daniel 9 that the Larlars have invested a lot of effort to establish, and prove their case of jubilee interpretations

but further,

but further, what the *transgression of desolation* debunks is their theology of jubilees

why ?

Answer

**The famous answer is that all
Larlars, everyone all say
the atonement was
finished at the cross.**

So their reasoning is bonkers.

Right?

This is placing the thumb to the nose to the ministration of Christ after Order of Melchizedek, in the Heavenly Sanctuary and the Divine purpose of the cleansing of the Sanctuary,
the cleansing of the repentant man in the Court
in the Final atonement ministration.

Right?

So who is kidding who?

Larlars are kidding themselves,
they have no answers how God resolves
the sin problem in sinful flesh.

They have to come clean with the Bible
(no pun intended) to the meaning of
the beastly priest king reign

thru the *transgression of desolation*,
the type, the **1290 years**.

Ending in 1844.

Right?

That, the type, is as God said to Daniel
Is at the **end** of the 1290 years,

Unto 2300 days and then the cleansing of the sanctuary.

and then there has to be the
commencement of the DoA by Christ as High Priest after the Order of
Melchizedek.

Right?

Which includes the era of the Abomination of Desolation = Matt 24:15

The antitypical

Right?

Further, the events of the apocalypse that arise
with the antitypical,

are described by HWM and HE said it was
the Abomination of Desolation.

Right?

which is the **antitypical**

its duration is **1290 days**,
and then there is the commencement of
the tenth Jubilee
in Heaven after
the **1335 days**.

Right?

The feast of tabernacles is the seventh feast, that
begins after the DoA.

Right?

Die-hard detractors will swear,

Oh, there is nothing in the 10/10 kings of Revelation 17
Or the final 7 kings for a 70 yr of sevens
Or the 49 yrs in jubilee cycles.

Irrelevant argument!

Why?

Larlars just don't see **Jn 4:22**.

They

ignore **Heb 8:1-5**

describing the doctrine of the Sanctuary in Heaven as
a colossal face-saving device,

they remain
indignant,
about what?

the atonement was **completed** at the Cross,

removing the entire need of Christ's ministration
after the Order of Melchizedek,
and the ministration of the
Anti-typical DoA.

Right?

In the process of the Larlars reasonings,

they have done what?

omitted HWM
after the Order of Melchizedek
as Great High Priest,

**and supplied that,
with what ?**

yeh, the doctrine of
God the Eternal Son.
The Omega of DHs

Chained and trapped to what?
the **LAW OF ONE. 1g**

A huge deception is involved.

But who are the wiser?

**What actually has fully debunked the law of one
theology and jubilees?**

Answer

is the fact
the **heritage of Jacob**
has led to **nil** jubilees anyway,

And why?

Jesus said by the heritage being
Trodden down of the gentiles,
until the times of the 'nations' was fulfilled.

Restoration of the State.

Larlar followers in America today

talk up the **50** yrs from

the Balfower Declaration

1917 - 1967,

followed by the next 50yrs

1967-2017

And what occurred in **2017**?

Of course, there was the temple coin, a special temple shekel minted in **2017**

with **King Cyrus** and the President on the flip side. [here](#)

Yet, no jubilees.

But the big deal that overlays the jubilee stubbornness
Are the events the 10/10 kings of Revelation 17
that dictate important events

such as the **termination** of the **king priest alliance**
and you can read that in Revelation 17:16,

and then, that fact, brings in
the rule of **Zech 8:23**.

It would then be complimentary
for them to announce their replacement,
and introduction and they
bow to who?

the 2thes2 guy

for their "tenth" jubilee.

To hold the investiture of
a newbie priest
at the 3 T enterprise,

the **8th**,
who is of the 7

and then follows are the promises
of **tikkun Olam**

10 Jubilees in light of the 10 horns,
and it's important to note

signal that the first 3 horns who fell
hosted the man-made concept of
1g **Arianism**,

which culminated in
Self-Righteousness,
as did the next 7 kings.

The **8th** **who is of the seven**
is in immediate competition of worship,
with Melchizedek = HWM
for Universal,
supremacy.

otherwise there is no point of the First angels warning.

Right?

What is clear that the **Times of Gentiles** –
from AD 70 brought rest
to the land,

from Self -Righteousness,
and false Temple worship.

Paul said, the whole sacrificial system was demolished
and Jesus said there is established the **New Vineyard**
of Matthew 20
and that confirms Hebrews 8:1,2.

The land literally rested from **34AD to 1948**

with the land once again being converted
from a **wilderness**, to the beginning of the
expansion of the tents of Shem

to a blooming land, fig tree metaphor
described by Christ in Luke 21.

**The Larlars talk with Messianic zeal,
yet it's nothing more than fulfilment of
Genesis 9:27.**

So, what happened afterwards?

The Land that had the anti- typical "rest" from the first
Desolation, is as stated by Jesus Himself,

reverts to the same process as
stated by Jesus Himself

In the form of the cursed Fig tree,
it's branches turning green,
Luke 21:29

The branches are Japheth Descendants
bringing back old cursed Fig Tree to **life**
of Rabbi Japh,

and,

in the **New Vineyard** the same
Takes place with the **true Olive Tree**
of Laodicea

with the **rich root stock**
being impacted by the events

from both the **cursed fig tree** as well as
From the **woman of ill repute**.

Yet, the **Olive Tree** with
Rich root (not the fig)

continues to thrive as the seed of
Remnant of the woman = Phillies.

They being
the continuation of the
Root of the true historical faith, with the natural

Branches being the Phillies,
or the 6 churches and
Laodicea is still present, or was.

Then the Loud Cry of Revelation 18 occurs and
that brings those **wild Olive shoots**, the Larlas,
and the many other branches,
that were formerly natural

can be "Grafted" back into the **true Olive Tree**
John 4:22

which is relative to what?

the
Rich root, and that means
then "**all Israel**" ("spiritual Israel")
shall be saved Romans 11:26

Which is according to the true **Olive Tree** which
is now located **outside** P land;

Yet, HWM said this return to the rootstock
must be in spirit and truth.

John 4:23-24

4:23 But the hour cometh, and now is, when the true worshippers shall
worship the Father **in spirit and in truth**: for the Father seeketh such to
worship him.

4:24 God [is] a Spirit: and they that worship him must worship [him] **in
spirit and in truth**.

That worship involves the meaning of the First Angel.

Right?

The **TEN missing tribe's** theory has a major problem

It's located within the **spirit** and **leaven** and **wine** of the former tenants, who were booted out in 34 AD.

Therefore, their boasting and pride will be centred on The Old Vineyard,

unless brought into the Christ's Teachings of the New Vineyard

And that must be in **spirit and truth** with **no physical location** in which to latch onto as their pride, and self R and yes the 3 T enterprise

Which is measured by Rabbi J and the 8th king, by way of what?

7 King Priest false Jubilees,

and why?

It's based on **Augustine's** theological treatise of **The church being the New Kingdom of Christ**

On earth. Or New Jerusalem.

Since the Augustinian concept of the RCC being the New Kingdom on earth, read it [here](#)
And while being a false construct,
was a true historical idealistic
interpretation.

This then brings into the picture
the *Transgression of Desolation*
and *wilderness*
Scenario of Rev 12

in relation to
the **woman of ill repute,**

whose ideas of these
desolations are firmly confirmed by Daniel,

But were in fact claimed by RCC as "new revivals"
of the **New Jerusalem**
On earth,

along with God's **two vicegerents**
On Earth.

And who were they?

- a) The world priest and**
- b) the world monarch.**

Right?

The HRE or Grand Design of this time-honoured tradition, which many past and future politicians consider as being the 'glue' which historically unites all of Europe, into patterns of revival and catastrophe

of which historically speaking

there have
Been 6 thus far,

as well as the final 7th who is soon on the Horizon.

God said MBMOH's, she ceases.
described at Rev 17 and 18.

The **end** of the 7 kings priest jubilees.
Follows the **Augustinian** treatise of doctrine.

But

The 8th king enters the picture at 3T.
And **Isaiah 2** that confirms this does NOT describe a jubilee.

So what's the chances of jubilee by 8th anyway?

While it is impossible to infer or claim,
one thing known,

This 8th is the king of fierce countenance who destroys by peace. Dan 8:25

That's not a jubilee.

There's the commencement of a string of seven trumpets sounding. Those events are desolation and woe.

7 Trumpets are the announcements of three woes. But in a way these 7 trumpets are announcing end of the DoA, in the Court

that is not measured, then following are the 7 Last Plagues and then, the feast tabernacles.

Tenth Jubilee Conclusion

The 10th Jubilee makes no sense on account of all the Interruptions.

11q13 properly identifies Melchizedek From Psalm 110:1-4

So, if **Melchizedek is Elohim Deity** as seen Known from 11Q13, then

the concept of 10, entails completeness of **Heaven's DoA** rather than human successions.

Right?

There is no evidence
Of succession of previous Jubilees.

When Jesus Opened the scroll and read about
the ***captives*** being freed, there was
some fulfillment,

but the rest of the picture **had to include**
the day of Àtonement.

Right?

As in the final DoA and fully
in reference to ER of HWM which
brings into the picture of completeness.

What the **7 Kings priest prophetic map** confirms is
They are **Not** the Jubilee cycles,

but the **incomplete**
Nature of the Melchizedek, a counterfeit.

This is a valid Assessment,
since Satan's historical utilization of
The 10 Kings in the Arian and then with PPH,

Demonstrates human weakness
and non-ER concepts

in reference to The blueprint of the Godhead,

which is First angel in verity and is all about
the Eternal Righteousness of HWM.

Not the Triune Trinity or God the Eternal Son,
