Exodus 30:9-10 in its proper Day of Atonement Context

Grok checkmated

This analysis establishes why the God's Sanctuary Doctrine is true and based on **John 4:22**. This is an essential primer to understand how Gd resolves the sin problem, in sinful flesh, but exposing the errors of Laodicea's blunders of their half-starved Sanctuary theology, but includes the necessary Biblical dictums and historical accuracy, honed with facts. Therefore, this discussion is not for wannabes, theological thieves and troublemakers or the many know-it-all's.

In a debate that went ahead with 'Grok4 theology' concerning the typical and antitypical Day of Atonement and why the DoA gives the necessary insight concerning the ministrations of HWM after the Order of Melchizedek. Certain DoA specifics were not provided in relation to the Antitypical DoA this is where Grok 4 theology **fell apart**. Grok, short of facts was **checkmated**. how? By the reality of Exodus 30:9,10.

Look, that is to be expected,
but worse, it's exactly where Laodicea ALSO fell apart
with their conferences with the Evangelicals,
all those years ago.

Laodicea has a huge problem.

Why?

because if this altar of Exodus 30:9-10
was cleansed **once a year**, as stated by Gd was the case;

the next step, would be the **cleansing**
of the Altar in the court.

Laodicea would call this error and say it is
tracking from the MHP,
but we know better.

To obtain the big picture there is some history to **review and seriously reconsider**. Or don't.

What has to be tied-down tightly, is that the DoA is immovable truth that one must reexamine the foundational evidence which happens to be Heavens pronouncement to Daniel and what he beheld.

Daniel Beheld

Daniel **beheld** the broader time frame of the beasts and their contribution and final demise.

There will be many inner and strong academic challenges for those who read this discussion, **but then** what is the cost of Truth and truth alone?

So, from when the **books were opened**
and **Thrones were cast down**

you read Daniel's account

I beheld till the thrones were cast down, and the Ancient of days did sit, whose garment [was] white as snow, and the hair of his head like the pure wool: his throne [was like] the fiery flame, [and] his wheels [as] burning fire.

¹⁰ A fiery stream issued and came forth from before him: thousands of thousands ministered unto him, and ten thousand times ten thousand stood before him: the **judgment was set**, and the **books were opened**.

What must not be lost from the outset there is the twofold time frame of the LH in both its

- a) **pre** "HRE" aspect; and its
- b) **final** Luciferian iteration noted below

26 But the **judgment** shall be set, and they shall take away his dominion, to consume and to destroy it unto the end.

27 And the kingdom and the dominion, and the greatness of the kingdoms under the whole heaven, shall be given to the people of the saints of the Most High: his kingdom is an everlasting kingdom, and all dominions shall serve and obey him.

28 [i]Here is the end of the matter. As for me, Daniel, my thoughts much troubled me, and my [j]countenance was changed in me: but I kept the matter in my heart.

Daniel **BEHELD** from the point in time of the commencement of the LH, (Dan 7:9-10)

of the time when **thrones were cast down.**

That had to be **554AD**
+ 1290 = 1844.

Why?

since this was the historic *desolation* leading to admathay '**until when**' of **Dan 8:13** and the commencement of the Judgement Hour.

And that is **Daniel 8:13-14**

It is well known the **Judgement hour** is the antitypical 6th feast.
The DoA.

Also, the transgression desolation involves the timeframe of the **fall** of the first **5 Kings** of Revelation 17:10.

The reason for the "first 5 Kings" was on account of

Justinian's unique Authorisation,

the "John II letters" **in 533,**

<https://eternalchristendom.com/becoming-catholic/articles/number-43/>

(READ ARTICLE)

Yet, Justinian's pronouncement as the "first" of "five fallen Kings" was in **554AD.**

533AD is **the starting point** of the "Great words" of the LH by way of the **Legal Code**, that **Daniel BEHELD**

But from Heavens viewpoint there is **Exodus 30:9,10**

And there is the agenda of the Tabernacle, the corporate Tabernacle, of the Congregation

which in **essence** imposed the true church
to that Legal Code,

and how?

That code acknowledged another Priesthood.

The **"priest king alliance"** of Rev 17.

It was from this point in time that

Daniel **"beheld"** the **great words**
of the LH.

Yes!

Beginning in **533AD**,

And Daniel beheld the transgression of desolation
from **554AD + 1290yrs** up to 1844

Daniel then **beheld** the **Judgement Hour**.

While the **"beheld"** aspect, of **533AD** actually
began outside of the 1260 and 1290 yrs time frame,

the fact is this,

it was Justinian's Royal Pragmatic Sanction of **554 AD**
which on the **spiritual**,
as well as **physical side**,

united both Eastern and Western Europe,
that was in relation to the
Legal code of **533 AD**.

<https://eternalchristendom.com/becoming-catholic/articles/number-43/>

(READ ARTICLE)

533AD is simply the **starting point**
of the "**I beheld**"
of Daniel 7.

Justinian's Royal Pragmatic Sanction of **554**
made it official in relation to
the desolation of this *corporate Altar*

aka the *transgression of desolation*
unto the "**Judgement Hour.**" Commencing in Heaven.

God said that from the **starting point**
of the **judgement hour** there
required the **cleansing** of the Sanctuary
from the Transgression of Desolation
of the LH.

Rome might say that there was no persecution by then, 1844
but the Code is in reference to heretics
and that was coded as law, when?
in **533 AD**.

533 AD up to 554
was not a long period of prophetic time.

That is the reason, of
the parable time clock of Matthew 20,

That the Transgression of D, began between
the hours of **9 and 12**,

but specifically much later after
the 9:00 AM call.

So how would the parable reveal this?

Well, **Daniel 8:11-13** provides the evidence.

Just prior to **Daniel 8:14**
the prophetic clock
reveals **12 and 3pm**.

So, what transpired **prior** to **12 and 3pm**
is found in Daniel 8:11-13.

The era of 533AD:

During that era there were a number of groups considered heretical such as Jewish Christians that observed the Sabbath.

Groups that observed both Sunday and the Sabbath, as well as later groups that observed Biblical laws. (from chatgpt)

Daniel 8:13-14

It's pointing to the 1290 years

554 + 1290 = "**until when**"?

Answer

1844

Therefore, the Transgression of D is the abruption in relation to HWM's true **remnant church** at **12:00 and 3:00pm**.

The Blue Print

But also, the correct understanding regarding the **resolution of the sin problem** is revealed from the **Divine Blue Print**, given to Moses,

And stipulated the movement of the High Priest from the MHP to the Altar in the Court, on the DoA

Christ said this blueprint
forms the basis of Laodicea's spewing,

and why?

Because the Day of atonement agenda of
Exodus 30:9-10

was **never** taken into
consideration in the FA

or the sealing time
in relation to
Laodicea.

Leviticus 4, defines

corporate repentance

And **Lev 16** in relation to the ministration of the yearly
to that **corporate Altar of Incense**.

Probationary timeline

The principle of corporate probation
is well established in the Bible

As you know Daniel 9 stated **Ancient Israel** had their
70-week probationary time which was

from **457BC up to 34AD;**

Everyone knows, Daniel 8 speaks of the **Transgression of D** era
Desolation of the daily and that had its own
probationary time
from **533 up to 1844**

What then is the next prophetic step?

Its **Luke 21:24** tells you.

HWM told everyone about when the
probationary **times of the Gentiles**
(nations) was fulfilled.

Beholding

Daniel then keeps "**beholding**"

It's important to see there is
a **second phase**
after Luke 21:24;

And involves the arrival of
the "**diverse King,**"

which now entails
the **Fig Tree prophecy** of Luke 21.

The attention of believers is now directed

from the Transgression of D of the
woman of ill repute,
from 554-1844

to the now time which is

over to fulfilment of the
Genesis 9:27 prophecy
and **1948,**

which involves the entry
of the **cursed Fig tree**

and since it was HWM who said that.

Important to note is that Gen 9:27 is the
leaves budding metaphor then
moving towards
high summer;

Summer?

Yes the 'summer' of Isaiah 2

It is in relation to this fig tree.

This is **the** timeframe

when the **diverse King** (Dan 7:24) = Rev 13

The First Beast, reigns and is destroyed and his body given to the flames.

Yet this aspect and **crossover** from the Transgression of D over to the "**diverse King** (Dan 7:24)

also includes what?

The corporate Fall of Laodicea,

It's exactly what HWM said the "Laodicea" of Rev 3:16 is spued.

Which is equivalent to what?

Answer

Denying the call to denominational repentance and = **no corporate cleansing,**

of Exodus 30:9,10

in the FA.

How is this true?

Laodicea signed her *decree nisi*
in 1980 with FB 2,4.

The Alpha & Omega of DHs
that Egw **seriously warned** would be received.
She trembled.

What occurs then?

Then?

Then, **finally** the ministration of our
Great High Priest moves to
the **altar in the court**

Ezekiel confirms
those not judged, (sealed)
pass from death to life;

Whereas the '**diverse King's**' followers
which includes the whole planet,

Oh, don't forget that includes

the foolish virgins of Matt 25

And are being

“measured”

as presented by Ezekiel 9 **with no pity**.

9:5 And to the others he said in mine hearing, Go ye after him through the city, and smite: **let not your eye spare, neither have ye pity:**

9:6 Slay utterly old [and] young, both maids, and little children, and women: **but come not near** any man upon whom [is] the mark; and begin at my sanctuary. Then they began at the ancient men which [were] before the house.

Mind you, Ezekiel presents **no mediation nor mention**, of the **Tabernacle of the Congregation,**

only the Court.

The brazen Altar where and individual atonement was ministered in the sealing time.

Nothing to do with NSL or Character Perfection

Why?

**The corporate ministration of
Exodus 30:8-9
is involved, and is now long finished,
which is why.**

Measuring

Revelation 11 enters the picture.

11 And there was given me a reed like unto a rod: ^[a]and one said, Rise, and measure the ^[b]temple of God, and the altar, and them that worship therein.

2 And the **court** which is without the ^[c]temple ^[d]leave without,

and measure it not;

for it hath been given unto **the** ^[e]nations:

and the holy city shall they tread under foot forty and two months.

***Times probationary of the nations**

closed with Luke 21:24

So ask yourself does Rev11 also confirm
the **nation's time has closed**?

Those who are following the program of the "**diverse King**" are in fact following
the blueprint **of Isaiah 2**

which culminates in the
destruction of 3T.

and all those **who did not proceed** with
the ministration of the FA
to the Altar in the Court,

are measured,
judged or weighed
on the balances,
and found wanting.

Right?

Which is on account of what?

Answer

The denial of the Eternal Righteousness of HWM and included following the 1g doctrine of God the Eternal Son
And that is the A&O of DHs.

HWMs **ER** entails the **original** Sanctuary blueprint
given to Moses and confirms John 4:22
which is in relation to the

primordial Lamb

that was **slain prior**
to the foundation of the
world. = Rev 13:8. 2 Tim 1:9 etc

This is the reason as to why there is **no** measuring nor judgment, of the
individuals

who are called out of the fallen corporate
churches and are but a passing from
death to life.

Why?

Firstly, the Loud Cry of the Mighty Angel
of Revelation 18:1-5
would have absolutely no meaning,

Secondly, Because **ER** was established **prior to the foundation of the world** in the form of Melchizedek's **Alpha** ministration, as High Priest of ER.

Which means that Character Perfection is of no value, in the FA.

The third fact is this
The **Tabernacle of the Congregation**
the "**incense altar**" of mediation
is **not** present in Ezekiel 9.

Ezekiel 9 is saying HWM's attention is directed
not to the MHP,

but as Ezekiel describes
HWM's own Divine presence
rises from the MHP

and moves to

the "**threshold of the House**" Ezekiel 9:3

THE COURT

Right?

Ezekiel is present,
as well as the **6 men**
with sharp weapons

and **HWM** with writers inkhorn
they are
now at the **Brazen Altar**
the **Court**.

This completes Daniel's "**beholding**"
the time frame from the **533 AD up 1844,**

and then, there is as mentioned
the *dividing line* of corporate probationary time
closing with **Luke 21:24** – times of the nations fulfilled

So, the movement to the COURT
comes into the picture of the
parabolic clock;

all leading to the **close of all**
human probation,
in relation to Ezekiel 9.

In other words the Seal of Gd Rev 7
in the sealing time,
is a big deal.

Right?

So to answer Grok 4 theology the fact is

Ezekiel 9 is the **FA**,

**The FA upholds
the last ministration of HWM
in the Court**

And the Conclusion is this
there is **no corporate mediation**
for the church of Laodicea,
or anyone else corporately
speaking.

The foolish virgins sought their oil
from the 1g corporate Vendors over at 3T market place
for all things spiritual.

Right?

The final phase of Daniel **beholding**,
is then the finale the climactic
Abomination Desolation as distinct
from the Transgression of D

This is a literal 3 1/2-year period,
the same 42 months of Rev 13 the same
1260 days of Rev 11,

And there is as well the (+1) month to the total of
1290 days in literal time which is
All specified in Daniel 12.

Bearing in mind

That last month (**30 days**) involves the land of the *Second Beast* and the power of the MWFP who is **also** at war with the ER of HWM.

Fact is, "True worship"
is as Christ said **in spirit and truth**

The Three Angels Messages
Were NEVER involved with 3T

and its (1g) law
which literally
changed times and the Law.

How ?

Displacing the 10 Commandments

with a counterfeit law,

the 1g law of the fig tree.
Whereas scripture states
the 10C remains unchanged, to the measure of sin,
God said the only measure of transgression
Was the 10C. **Psa 119:142**

the 10C is for the **common person
as well as for the stranger residing
within thy gates.**

Right?

There is **no such** thing as a Righteous individual,
Because there is no Character Perfection
sufficient through Mitsvahs (works)
or the 'sparks' from the Universe.

Job realised this.

The only measure of Righteousness
is nothing other than, and,
is only by, **ER**,

of the **Lamb** slain **prior** to the
Foundation of the World.

ERxF the foundation and therefore
Revelation 13 verses 8-9 is a **priority**
not the two beasts or
the mark, or everyone yodelling 666.

If you don't see it now you hopefully will see it later
in real time of the Loud Cry.

Daniel "Beheld" the **4th Beast**

⁷After this I saw in the night-visions, and, **behold**, a fourth beast, terrible
and ^[c]powerful, and strong exceedingly; and it had great iron teeth; it
devoured and brake in pieces, and stamped the residue with its feet: and it
was diverse from all the beasts that were before it; and it had ten horns

This corresponds to **Daniel 11:36** and
has an apotelesmatic principle

as the **Beast**
that was,

yet the vision, has an apotelesmatic principle
which takes the beast
over to its end point,
by way of its **10 successive** horns.

How can this be proven?

³⁶ And the king shall do according to his will; and he shall exalt himself, and magnify himself above every god, and shall speak marvellous things against the God of gods; and **he shall prosper till the indignation be accomplished;**
for that which is determined shall be done.

The initial reference in **Daniel 11:36**
Confirms the reference to the
Roman Emperors

And,
dovetails with the
reference above in **Daniel 7:6-7.**

The reference in **verse 36**
brings in the phrase **he shall prosper**
till the indignation be
accomplished.

This verse marks the **endpoint** of the apotelesmatic principle which began with the Emperors in verse 36

as the **Beast that was,**

over to the **final 3 1/2 years of**
the final ascendance

the = '**yet is**' phase

of the Beast that "**was**"
as stated in Daniel 8:23-24 due to
the fact of the latter time reference

²³ **And in the latter time of their kingdom,** when the transgressors are
come to the full, a king of fierce countenance, and understanding dark
sentences, shall stand up.

the highlighted portion in verse 23
matches with what
we read in Daniel 11:36

in relation
to the **latter days** when

HWM's indignation will be poured out on this historic
and final, futuristic individual, the **8th king**

whose arrival marks the fulness of evil
and the wrath of HWM's fulness
will fall upon him.

Daniel 8:

²³ And in the **latter time** of their kingdom, when the transgressors are come to the full, **a king of fierce countenance**, and understanding dark sentences, shall stand up.

²⁴ And **his power shall be mighty**, but not ^[a]by his own power; and he shall ^[b]**destroy** wonderfully, and shall **prosper** and do *his pleasure*; and he shall ^[c]**destroy** the mighty ones and ^[d]the holy people.

The interim period of Daniel 11:37,38,39

But in his ^[z]place shall he honor the **god of fortresses**; and a god whom his fathers **knew not** shall he honor with **gold**, and **silver**, and with **precious stones** and **pleasant things**.

³⁹ And he shall deal with the strongest fortresses by the help of **a foreign god**: ^[aa]whosoever acknowledgeth *him* ^[ab]he will increase with glory; and he shall cause them to rule over many, and shall **divide** the land for a price.

The interim period

The Severan dynasty worshiped

this **god of forces**
known as

Jupiter Dolichenus

whose worship
came to an end
when his shrine was later brought down in Duluk, Turkey and explains why his
worship ended.

The **successive** religion, in reference to this *energetic system* of religion whom
his **forefathers knew not** ironically,
is to be in reference to the concept
of "**Holy Wisdom**",
But, when we break this down to its barebone
there is exposed what?

Holy Wisdom

The Greek **mystical** understanding of **Holy Wisdom**
as erroneously **personified**,

is fully in relation to concepts of the Eternal Son
"**I was brought forth**"

Yeh, the "brought forth"
in the book of Proverbs 8.

Just Another angle of the disastrous 1g Omega of DHs
and why it needs to exist in **Proverbs 8**.

Most just don't see it.

Prov 8 is Nothing, other than, an alternated version of the Omega of DHs.

Yes, it is deadly.

The shortest, short cut to the UPS.

But then,

the so-called *energetic principle*
stems from the belief

that Christ was birthed,
as an emanation
"brought forth" or
"begotten not made"

from the Universe, and when personified
would be the Son;

yet in **Neo Platonism** this
energetic principle is
known

as the

Eternal Son

who stems, or is **brought forth**
from the "one" in eternal ages from

The **so-called** **super-**
consciousness
of the Universe

which the Catholic fathers personified
in the trinity doctrine
as God the **Eternal Son**.

**It sits there, tight, rigid, fully fused
and rusted fast and unmovable
in FB 2,4
and every other religion
statement of belief you can name**

The Arians went gangbusters and were called heretics in the process. LOL

Are you now seeing why the Omega of DHs is deadly in the Christian walk?

This principle which is *energetic* and *Pantheistic* also dovetails with another doctrine known as the

Eternal generation of the Son

and

it is **non**-Anthropomorphic.

When every conceivable vesture of energetics / emanations is compared to John 1:1

You can see that **John is NEVER** speaking of any spiritualism energetic or emanation from the Universe or Source or super consciousness.

Why?

Because the Word = HWM

**was alongside God,
and was also
God.**

Listen [here](#)

Then listen [here](#)

There is **no hint** in John 1:1 of emanation or sonship.

Sonship from the Biblical perspective
is portrayed in Romans 1:3

**"Son of God according to the flesh
or seed of David"**

not the energetic principle, which is
a massive deception

which has been countenanced and
converted into kosher
"Christian doctrine"

by way of personification of
Greek mystical theology –
holy wisdom

which was then collated into
Neo Platonism.

It was this **"Holy Wisdom"** as being the reason for the
dedication of **Emperor Justinian** the **1st**

How? Justinian he began to build
the **Hagia Sophia**
in **532 AD.**

<https://www.britannica.com/topic/Hagia-Sophia>

Hagia Sophia = holy wisdom

Thus fulfilling Daniel 11: 38-39

Now, the **second phase** of this *energetic religion* masquerading as Christianity,

was later transformed and revealed by the Daniel, the prophetic oracle of HWM and it is proven with the following phrase,

"and a god whom his fathers knew not shall he honor with gold and silver and precious stones".

When you read about the building of the Hagia Sophia this was exactly what Justinian used.

Gold silver and precious stones.

It was supposed to rival Solomon's Temple.

Check out the following.

- <https://www.medievalists.net/2023/12/hagia-sophia-built/>
- <https://p-mbuilders.com/what-construction-materials-were-used-to-build-the.html>
- <https://www.pallasweb.com/deesis/sanctuary-of-hagia-sophia.html>

The final revelation

³⁹ And he shall deal with the strongest fortresses by the help of a foreign god: ^[aa]whosoever acknowledgeth *him* ^[ab]he will increase with glory; and he shall cause them to rule over many, and shall **divide** the land for a price.

This one is a real eye-opener

since this can be traced to the year **774AD**

and in relation to [Charlemagne](#)

who defeated the Lombards
in **765 AD** and
established **Feudal Fiefdoms =**
divide the land

and apportioned the land,
to his nobles.

The appearance of **these** first "2 Kings" of Revelation 17:10
sets the tone and actually took place after what Daniel
mentions in chapter 7:8

⁸ I considered the horns, and, behold, there came up among them another horn, a little one, before which **three** of the first horns were plucked up by the roots: and, behold, in this horn were eyes like the eyes of a man, and a mouth speaking **great things**.

It was **Justinian**
who built the **Hagia Sophia** in **532AD**,

who later defeated the final [3 Ostrogothic Kings](#) in **553AD**
who were Witigis, Totila and Teia

and the **Great Words** that were spoken
by this little horn power,

were linked
to what is referred to as Justinian's **Legal Code**

as well as **533 AD**

where Justinian established the decree
of the Bishop of Rome (John II)

as being the **head** of all the churches
in both the east and the west.
and the letters are published - [here](#)

The prophecy of **Daniel 11:39** then proceeds to reveal the system of
Feudalism whose main framework
appears to be this so-called religion of *energetic*
forces masked in Christian garments;

as well as Christian military tradition,
with knighthoods which extended itself
and developed from the time of
Charlemagne

over to the time frame
of **Britain's Arthurian legends**.

It has been suggested that **Arthurian** legends predated Charlemagne or were mixed with one another in reference to time frames.

Yet the clinical eye of Bible prophecy

pinpoints that **military** aspect in the form of **Knighthood** and **land** being apportioned to nobles during the era of Charlemagne,

as well, as a continued quest for the mystical tradition in the form of the "**Holy Grail**"

as depicted in *mystical* terms in reference to the search for **arcane mystical illumination**.

The rest of the prophecy takes us to the "time of the end."

What is important to note is

Revelation 17:10 later covers what is **not** revealed in Daniel 11:36-40.

Mainly, the fall of the **first 5 Kings** and afterwards in Revelation 17:11

17:11 And the beast that **was**, and **is not**, even he is the eighth, and is of the seven, and goeth into perdition.

Summarised by Daniel

¹¹ I beheld at that time because of the voice of the great words which the horn spake; I beheld even till the beast was slain, and its body destroyed, and it was given ^[e]to be burned with fire.

¹² And as for the rest of the beasts, their dominion was taken away: yet their lives were prolonged for a season and a time.

Judgement set and books.

What is most interesting about **533AD**.
And Daniel saying **I beheld**.

This date of **533** brings to the forefront
and the Day of Atonement theology of
Exodus 30:9,10 and in the process

Reveals the failures of Laodicean commentaries
About the Sanctuary doctrine.

How?

538AD fails.

Why?

The '**until when**' of Dan 8:13 must commence in **554AD**
To chronologically conclude at the end of the 1290 yrs.

Laodicea are double dipping to suit their failed history
of the [three fallen kings 'Ostrogoths'](#)
who fell in **553AD not** 538.

And then the year **554AD** of Justinian's **great words**

which means Laodicea shuffle their dates to sustain the quite disturbing
incongruity of 1260 and 1290,
the legacy of Miller and Josiah Litch.

In other words,
Laodicea have failed to verify facts from history.
Let alone the details of Exodus 30:9-10 and the DoA.

This is the Theological Achilles Heel of Laodicea
And they ALSO miss the following distinction
Of Who is the "**diverse King**"
of Daniel 7:24?

And the distinction of Dan 7:13 and the
details of Dan 7:26

Subdue vs 26 doesn't mean **uproot**. Verse 13

Two different timeframe scenarios exist in Dan 7,
And only then does
one understand the diverse king
who is not papal.

Also, the "**Latter time**" of 8:23 = 7:26
that is not the era of the Transgression of D of 7:9-11

Gd explained that the beast was in

It's, **is not** phase.

Right?

But the era of the **subdue** is
the era of the Abomination of Desolation
as spoken by HWM in Matt 24 and that is
the **yet is** phase.

That is **not** the **uproot** phase.

Right?

Laodicea has never been able to explain
Dan 7:26 in context of the latter time.

Yet they will run the NSL scenario
till the cows come home.

By the way, in respect to Exodus 30:9-10

there is the "**daily**" and that commences
at Romans 1:3. And the Son of the Resurrection.

And immediately after the Resurrection
included the Diocletian persecutions.

The '**daily**' was **taken away** by
the priest-king alliance.

Provable how?

The **legal code** 'great words' exists and is verifiable from **533AD** and officially **554AD** inaugurates the Pragmatic Sanction and that commences the Transgression of D. from 554AD + 1290 to 1844.

Then the judgment was set and books opened.

Summary

the type had to be advanced by its Antitype.
Isaiah 2 presents you the Antitype of the diverse king that triggered the 3T and antitypical, the Abomination of D of Matt 24:15

Right?

No wonder the 7 trumpets of Revelation 8 are heralded midst the unsealing of the seals of Revelation 6.

Again, it is the Divine Benevolence of ER that brings **Rev 13:8-9** as the Key of Davd and why HWM is Alpha & Omega of Rev 22:13-16.

Laodicea made a complete mess with the Transgression of D they are nowhere to be seen in respect to the Abomination of Desolation = Matt 24:15

and why?

Laodicea never included the dictum of Rom 1:3.

Let alone the correct purpose of 554AD to resolve until when of Dan 8:13.

Laodicea compounded the error with NSL.

And the abominations of the Omega of DHs with FB 2,4

The DAILY

The 'daily' then active, commenced in Heaven as based from Romans 1:3. But the daily was to be valid, but as Gd said it was **trodden underfoot** in the transgression of D by the beast that in its **is not phase**.

Otherwise Dan 8:13 is false.

Then I heard one saint speaking, and another saint said unto that certain [saint] which spake, How long [shall be] the vision [concerning] the **daily** [sacrifice], and the transgression of desolation, to give both the sanctuary and the host to be **trodden under foot?**

And yet ER was set in principle
In respect to the FA Blueprint.

How?

In eternal ages past With Primordial Melchizedek ;
then at the Resurrection;

then the **daily** ministrations of HWM
After the Order of Melchizedek is in existence.

Right?

Otherwise, there is a break in ER.
And that cannot be the case.

Why ?
ER is the focus of the Everlasting Gospel

Why?

Then I heard one saint speaking, and another saint said unto that certain [saint] which spake,

How long [shall be] the vision [concerning] **the daily** [sacrifice], **and** the transgression of desolation, to give **both the sanctuary and the host to be trodden under foot?**

Concerning the **DAILY** it has everything that means about the ER of HWM.
Everything.

So, the Transgression of D was the removal of the '**daily**'
And was ensured by the five fallen kings with PPH

and this

Brings about five fallen kings ending at **1814** (1260) years
with the end of the **Fifth fallen** king
Napoleon 1

and there is then, the 30 yrs difference to 1844
But Laodicea never saw to correct
the massive error of **538**.

Laodicea's text books were never been upgraded since the days of Wm Miller
and Litch.

It also explains why Egw said in [EW 74](#)
Gd winked at an error in the figures.

Prophetic Clock

Onward then, continues the Prophetic clock in respect to ER and combines
the entirety
into one big picture.

But then Gd said – in fact commanded
the **Court** is to be with no measure
Due to Ezekiel 9.

This aspect of the continuance from **5pm to 6pm**
when no man can work is also how ER

answers the demands of Rev 10
and **in the days of
the 7th Angel.**

To preach again?

ER ?

The powerful angel of Rev 18:1-5.
the Loud Cry?

The Angel of Rev 10 who stands not dissimilar
as HWM stands in Daniel 12

And as you all know Dan 12 incorporates
the **type** and **antitypical** of the
1260, 1290 and 1335 days.

Right?

For those interested, **Rev 10** stipulates
the **mystery of Gd should be finished**

Nothing other than **ER** of HWM
that finishes the ministration of the FA
in the **altar in the court.**

Revelation 10's command is
sweet in the mouth.
But bitter in the stoma.

**But the question is asked why is Exo 30:9-10
not immediately seen as
configured with the type
Lev 16 and DoA?**

Answer

It's the **corporate** aspect that explains the **yearly** provision in the Book of Exodus 30:9-10.

And it's in relation to the **corporate persecution**
Of the 7 churches but in particular to the **Thyatira**
Era of **Jezebel**
and in its **anti- typical Jezebel**
the purple hag, provision of PPH.

It's not the FA;

it's the *corporate nature* of the *corporate atonement*,
as specified in the ministration of the
Holy in Lev 4 and 16.

Later, in the LATTER TIME, or the time of the end
The ministration of Corporate Atonement
in reference to the true Church
as the movement **from** the Holy Place ends,

Ministration focus is the **individual** in the court
thru the 1260 days, terminates at the 1290.
And yes all the while the Abomination of Desolation is happening.

Laodicea is gone

Laodicea is **gone** in the corporate ministration
After the fulfilment of Luke 21:24.

She is "**Rev 3:16 spewed**" from the FA,

as seen in
Ezekiel 9.

Why?

Because of the Omega of DHs

Laodicea have to face the facts of Revelation 3
because it was definitively warned by Egw
in seal of Gd testimony

[here](#) and [here](#) .

Grok

Moving on, 'Grok 4 theology'
is proven wrong by way of this
specific detail of **Exodus 30:8-9**

and also by the question by **Ezekiel** is presented
to HWM and the response from HWM.

Which Confirms what?

The **spewing** in Revelation 3 of Laodicea and
Also establishes the significance as to why

The **Tabernacle of the Congregation**
is **missing**

From the overall picture of Ezekiel 9
and the seal of Gd.

If you miss this detail, you miss it all.

The FA, the Final ministrations of HWM after the Order of Melchizedek.

And once again, Grok 4 theology is corrected since the **door** that closes in Reference to the 'foolish virgins' is the same detail that corrected Grok 4 theology in the first place, and what is this?

which in the FA was the existence and purpose of Exodus 30:9-10.

This fact of **Exodus 30:9-10** was the downfall of Laodicea, and their spiritual insolence rejected the call to denominational repentance by two messengers Weiland & Short. See [AW&IR](#)

Which was a microcosm of the Grok 4 theology debate anyhow.

While Grok 4 theology was accepting of the concept of the FA in reference to cleansing it, as opposed to The investigative J.

Grok 4 theology would most probably perceive this matter as a personal issue, outside the scope of the FA.

Why?

Since it is ignorant of the **FA blueprint** and fails to realize is that the downfall of Laodicea marks the downfall of all churches,

Corporate entities,
and this ultimately takes us
To the 5 foolish virgins that were running out of Oil .

5 being the number of Grace or the unmerited Favor of ER as in the Melchizedek ministrations **prior** to the Foundation of the world. **2 Timothy 1:9.**

Whereas the final scenario of Grok 4 theology is a lack of theological iterations regarding the FA And that as you know involves the call of the bridegroom to **Come ye out** and not be in the fulness of unity UC of all believers.

This is in fact the whole theological issue of The parable of the 10 virgins.

The number 5 which began by Grace, unmerited favor of ER yet the foolish (Gk, morons) end up at the vendors of 1g oil. All because of the Omega of DHs

So who are the Counterpart of the 10 virgins?

Must be the upcoming 10 regional corporate heads and a sector of Laodicea just as HWM said designated the 5 foolish virgins will join the 1g Law of one

oil Vendors .

Grok theology might ask how do you prove your Belief regarding the fall of all the churches?

Answer

Jesus stated previous **Vineyard** spewed out.

A **new Vineyard** in Matt 20 which is based on **"Spirit and Truth"** John 4 and not on mountains, or city locations.

Neither, the Catholics **or** Protestants were ever part of this Vineyard.

There have been 'believers' within those groups that will be saved; yet neither group fulfills the blueprint of the Temple or Sanctuary theology which was given to Moses

And revealed by Jesus as himself, as the system of Truth.

The system?

Answer

The Sanctuary Doctrine

Yes! it is John 4:22

Everyone gives lip service to Jesus words but 99% are ignorant of what this system entails in the form of a Divine Blueprint.

The resolution of the **sin problem in sinful flesh** has an **architectural blueprint**.

Given to Moses as the commencement point **or** the starting point of the prophetic time clock of Matthew 20,

which includes the **unfolding of a system** of truth in relation to the 5 agendas, of the Sanctuary Doctrine.

Yet, Laodicea never unfolded it.

Why ?

because there was a starting point beyond its architecture, which could **only** be understood in light of

- Dead Sea scroll 11q13,
- Psalm 110.1-4
- Hebrews 7:1-3
- 2 Timothy 1:9
- and Revelation 13:8-9

And the Cornerstone foundational text being

John 1:1.

5PM

5 pm on the parable time clock, unveils the
Starting point prior to the Divine architectural
aspect given to Moses,

and that ER of HWM unlocks the **Key of David;**

which is in the fulness of
the **Law of Two**

= John 1:1

But there is in contrast to the **Law of 1**
it is the "another" law Isa 2:3
which did not
Exist from Mount Sinai;

For its origins is but from the **old Vineyard** which

produced a **cursed Fig tree**,
that would **never** again bear fruit.

See Matt 23:38, then Luke 21.
