UFO

Phenomenon

Northern Universe off limits

Disclosure of the UFO phenomenon is far deeper than what most people assume; for one main reason whose time has come, to expose.

Why 'now' the disclosures? and why is mainline Christianity being told by Luciferian elements that the church needs to get ready for the UFO disclosures?

The Answers from the Scriptures are all there for the finding and they provide in this discussion for the proper illumination about Eternal Righteousness and the war of the mystery of iniquity.

But the main reason for the failure of Christians to discern the Marketing error can be traced to two fundamental errors which were accepted by the church of Rome.

- **The first being the central teaching of spiritualism in the form of soul immortality, and**
- **The second was the personalization of the Universe religion.**

The **first** sets the stage for the establishment of a False dimensional concept of Heaven,

when in Reality it was the directional line that **Jesus** was heading to, as he lifted off from the earth,

and would ultimately pass through the **first Heaven**, being the clouds and the sky and then the **second Heaven**
Outer Space,

and would finally arrive at the **third Heaven,**

and
be received with glory and honor in both the second and third Heaven.

He would also present to the Father as well to the inhabitants of the second heaven, those saints who rose from the dead at his death and later walked around the city after the resurrection of Jesus.

As you can see after this specific resurrection, the saints would be taken to heaven **and were not there** when they initially passed away.

It was done in order to fulfill the prophecy about ascending to heaven and leading the captives from captive.

He freed them from the enemy which is **death**, and made them **Captive of his great salvation** in the Kingdom of God.

Many will ask, how can this be so?

The answer is simple.

For centuries, non-biblical Christianity has relegated heaven to a so-called **impersonal dimensional realm** that the person arrives at immediately, after they pass away.

So, according to this doctrine you either go to heaven or to Hell immediately after death.

Whereas the Bible teaches no such thing.

See [Ecclesiastes 3:19-21](#) and [Ecclesiastes 9:5-10](#).

The Bible actually clears up the matter by
Describing **Heaven in 3 forms.**

1. the sky above
2. Outer Space and
3. the throne of God where He dwells in inaccessible light where no man has gone.

Yet, in the Bible the physical location of
The 3rd heaven is to be a **literal locality**
known as the
Mount of the Congregation.

We know this for a fact because **Isaiah 14** mentions that this is
Where the 'Gods' meet and Satan wanted to
Ascend to that specific location

which from the Biblical description
is defined as to be

'the sides of the north'

Yes the **Northern location of the Universe.**

The entire story of this
is presented in the Bible

Attempts to disavow this is clearly noteworthy
in the religion of **Mithraism** [here](#)

and it's latter Manifestation as the secret religion

of Roman Soldiers. [Here](#)

And now notice the **lion headed god** standing on the **globe** with **crossed circles**, and then note the *tauroctony*, (bull slaying) by **David Ulansey**

<https://www.mysterium.com/mithras.html>

**Whether you like it or not,
believe it or not,**

**everyone is subject to,
and are facing the influence of spiritualism, daily.**

**At the forefront of the entire deception,
is The Law of One and in theological circles
is known as the**

“Alpha & Omega of deadly heresies.”

And what is the only remedy?

Answer

The Law of Two. John 1:1

Astrological meaning of North and South

There is the work of two scientists whose research aligned with the biblical concept of the **Universe** having a **North and a South** axis and was seen by the ancients as a criss-crossed globe

See the **lion headed god** of this religion standing on the criss-crossed [here](#)

The two scientists research was immediately attacked,

yet they never renounced their position on the matter and claimed bias on the part of other researchers.

According to another source, other scientists were not able to reproduce the same results.

After the theory of **soul immortality** is **discarded**, what we have left in **Revelation 12** is a narrative that pinpoints the earth in relation to a directional line that goes from The Heavens to the earth.

In other words, both coexist as **literal places** and the fallen angels were kicked out of a literal place from what was their former estate, perhaps the second heaven,

but **not the third** since that is Where Lucifer wanted to sit.

Something doesn't appear to make sense in relation to his role as a 'covering' Angel.

Since this is factual there may have Been a place in the heavens where Lucifer **Walked Among stones of fire.**

But then, why the **casting down** Especially in relation to an ascending flight to this

Prohibited Northern realm

of the universe?

**If he, Lucifer walked in the midst of
Fire stones,
was he not already present
in that prohibited
realm as a covering Angel?**

If this appears to be contradictory
then the answer can only be deduced
to a logical conclusion,
that there could be a section
Of **Mount Zion,**

where **no one except** for the
Original Duality of John 1:1 can go.

This appears to be the Most logical conclusion
that one can arrive at.

**The other question brought up is
the following, was Lucifer a mystic?**

I once read about this from the strangest of all places,
a black American Islamic group which may have been
a sect or cult of Islam. Their magazine hit upon a
vital Reason as to why Lucifer became twisted
and Self-centred.

We now refer to this mindset as The Mystery of Iniquity,

and if we can understand the Language of mysticism, we can then move on and disclose the reason as to why the 3 lettuce agencies are telling Christians, that disclosure will affect their Christian belief?

Well, in reality it **shouldn't**, unless they have the same belief system of the so-called Aliens through whom they have secretly have been interacting by way of secret covert operations,

such as **Majestic 12**, Galactic Federation Councils regarding a Secret government or society which was set up in order to interact with the **so- called Aliens.**

Years ago there was much talk about quite a bit of **psychic research** being conducted behind the Iron curtain and much of this research was for the express purpose of weaponization against the West, and the same thing was taking place in the West.

There have been writers that have provided information regarding what was taking place in the US especially under the Eisenhower administration in relation to so- called Aliens landing on a US Air force base.

This information was provided by way of the ex-Naval officer and investigator

William Cooper in his book titled

[A Pale Horse.](#)

He provided documentation as well as an eye witness accounts signed by a Journalist named Gerald Light. We are told by him that it was an incredible ground shaking event.

What was written by **Wm Cooper** was that there were at least **two other Alien races** in orbit around the earth

with one in particular called the '**Etherians**'

warned the administration see [p.203-04](#)

that they would not make any agreements regarding the acquisition of technology by the US government and they also warned the administration about not having any dealings with the Etherians.

According to the book, the Eisenhower administration did;

and the deal was that the '**Greys**' would abduct people

and give an account of the number of abductions to

the secret body that was dealing with them and that

in exchange, the '**Greys**' would provide technological assistance. [Here](#)

As it turned out, the '**Greys**' began to abduct people

and never gave the government an account of the number of abductions.

For those who have eyes to see, you would think that the heavenly host of so-called Aliens would be truthful and honest yet the opposite took place, along with the cattle mutilations for no apparent reason.

Were the Aliens not thinking about the farmers and that cattle was and is the livelihood of those who owned ranches?

Did they ask permission from these ranchers?

The answer
is **no**.

Jesus warned us about the fruit that a tree produces.

Jesus taught that if a Donkey fell into a hole on the Sabbath that it was okay to get him out.

The God of the Old Testament also took into account the animals when he sent Jonah to warn Nineveh of her upcoming destruction, if they didn't repent,

God told Jonah that there were people there that didn't know there left foot from their right hand (Jonah 4:11),
and there was also much cattle.

God takes into consideration not only livelihood of people
but of the animals as well.

This behaviour by the **Nordics**, if in fact it was them, or the **Greys**, is the disguise masquerade for fallen Angels
simply reveals that these entities are **sinner**s
and enjoy debauchery as in the

killing of animals, as well
as experimentation
on human beings
**without their
consent.**

UFO abductees have reported abuse in different forms and one in particular case they stuck a rod up his rectum. The individual will remain unnamed but that info was in one of his books. That type of behaviour is rape or abuse without consent. Many other abductees have reported the same abuses.

Mystery of iniquity

Listen [here](#)

Valient Thor

There is also the well documented story a real story of an Alien by the name of **Valient Thor** who penetrated the government without being invited and believe it or not, there are pictures of him along with another alien woman.

While there is no record of any abuses in reference to Valiant Thor there is a type of disclosure that the average UFO investigator is not aware of.

It is disclosure by way of Etymology of names and words and their meanings. This matter can be pictorial as well.

In the case of Valient Thor, his name is recognizable since [Thor was a Pagan Germanic god](#).

So why would an Alien have a name which is derived from a Pagan source?

That's question # 1.

Frank Stranges was a Christian who had access to [Valiant Thor](#) and was told by the Alien that humans had **no right** to get the rest of the Universe involved in the sin problem.

While this is true in reference to Adam handing over our planet to Satan, there is the fact that Revelation 12 specifically corrects the Valient Thor premise

by confirming the sin problem began in heaven

since Satan wanted to be like the **"Most High"**.

The tragedy in space.

Listen – [here](#)

Whereas the name **Valiant Thor** promotes the 'bravery' of a **Pagan Deity** and just with his name alone, we witnessed from the book how the US government

including a Pastor (Stranges) was **easily fooled** by a **demon** who was easily exposed by the First Angel's Message of Revelation 14:6,7.

The call of **the First angel** is to worship He Who Created the heavens and the earth and the seas.

This clearly takes us to John 1:1.

"In beginning was the Word, and the Word was alongside God, and the Word was God.

Verse 14 mentions **the Word became flesh and dwelled among us.**

The glory of the "**Word**" becoming flesh consisted **not** in flashy UFO aerial tactics, and Satan is an Angel of Light and colour.

HWMs glory was manifested in his Character and goodness and the miracles and healings were for the benefit of the nation of Israel, who at that time, were the recipients of God's greatest blessings since the **Messiah** would be **born** from the **Tribe of Judah**.

Whereas, the other tribes didn't have this privilege, except for **Ephraim** and **Manasseh** who were **the birthright nations**,

that would later become the greatest recipients of God's blessings on planet earth known as the Birthright.

This is a vast topic, yet it actually takes us to the time frame of **World War II** and the **role of Nazi Germany** in relation to Germany's own heritage.

This is a very deep rabbit hole but it's all a part of disclosure **whose time has come** in reference to what actually took place during **WWII**?

Back to the Pied Piper of Hamlin:

This is reflected also in the disclosure of abductions in past history as found in stories such as the [Pied Piper of Hamlin](#).

He came dressed in **many colours** and he got rid of a plague of rats that infested the city and

when he didn't get paid for his services, he used the hypnotic sound of the flute to abduct the children of

Hamlin who totally disappeared from that place.

There have been many writers that have documented so-called UFO phenomena for a very long time.

But most people will only believe the Aliens when they see them face to face and this is a fatal mistake.

Disclosure has been going on for a long time and by now Satan has formed a network of people on planet earth that do his bidding in the promotion of the Alien concept.

Years ago, two UFO investigators **Jaques Valee** and **John Keel** investigated the UFO phenomena and the remarkable thing is that neither of these two men were Christian.

Yet they both arrived at the conclusion that UFO entities rather than being from Outer-Space **were more like inter-dimensional beings.**

Both authors appear to believe that these visitors have an agenda and have secretly been manipulating humans

for a long time.

Well, there you have it “Bingo”.

The agenda is to fool humanity into believing the opposite of what the Bible teaches.

Jacques Vallee

[Jaques Vallee](#) wrote two books which are eye openers regarding the **malicious** aspect of UFO entities.

One of the books was [Messengers of Deception](#) and the other one was [Passport to Magonia](#).

The first book informs the reader that these so-called Aliens tell lies and create false prophecies that don't come to pass.

The second book [Passport to Magoni](#). addresses the fact that UFO entities conduct themselves in different forms,
Regarding the time period.

During the **Middle Ages** they would manifest as **fairies** and **pixies** as well as the **Devil having horns** with a long **tail** and the people that lived during that time believed that these manifestations were of the Devil,

but they also believed that **dwarfs, gnomes** and other creatures really existed,

but who in reality

were the **shape-shifting abilities of the demonic realm.**

Especially the church leadership.

Yet the church itself **prior** to Protestantism was riddled with superstition and along with that ignorance.

The devil used his shape-shifting abilities to further confuse the people of that period of time.

The link between the 3 lettuce agencies appears to be in relation the whole organizational structure of **Mystery Babylon** itself and like as God said, its Great men of the Earth as stated in scripture in Revelation 18.

What most fail to understand is that the Aliens Will speak the **same language of Mystery Babylon.**

How so one might ask?

Because the system on Earth is filled with **every unclean and hateful bird.**

Why would The Bible refer to hateful and unclean birds, but not as in a interdimensional reality as presented in soul immortality?

⁷ And there was war in heaven: Michael and his angels *going forth* to war with the dragon; and the dragon warred and his angels; ⁸ and they prevailed not, **neither was their place** found any more in heaven.

⁹ And the **great dragon** was **cast down**, the old serpent, he that is called the Devil and Satan, the deceiver of the whole ^[b]world; he was cast down to the earth, and his angels were cast down with him. ¹⁰ And I heard a great voice in heaven, saying,

Here it is stated that they had **a place in heaven**.

The directional analysis indicates that Satan was cast down from that lofty place along with his Angels which we now refer to as ET's down to the earth which is a literal planet.

The inhabitants of the Universe or families in the heavens refer to this leader of the coalition of rebels as the **Old Serpent**.

The present name of a certain race of Aliens known as **Reptilians** actually pinpoints their real identity, but not necessarily the way they look which is actually a shape-shifting distraction in order to create the persona of an Alien race.

The inter-dimensional element is later brought into the picture since they have been on the planet from the dawn of time with some of them being confined to a dimensional reality known as Tartaroo,

which the Bible describes as darkness as well as in chains of imprisonment such as those angels,

being held under the **Euphrates** river (Rev 9:14) which are later let loose and are the instigators of **WWIII**.

CAVES OF MALTA

From the incidents that have taken place in relation to the Caves on the island of **Malta** [here](#)

and as told by one particular Lady of having witnessed dark hooded figures in a subterranean section of the caves, as well as their blowing out her candle, as well as the warnings that she received,

along with the other story of **disappearing children** from a school excursion **into** the caves reveals that these **spirits or fallen angels** appear to be confined to those caves.

There are many other tales in other countries which speak of **subterranean worlds** such as the **Shangri-La** of the **Tibetans** or as is the well documented cases of different indigenous tribes of people residing in different parts of the world.

Yet, one of the most **crucial elements** regarding not only the matter of ETs but the **subterranean element** as well as the inter-dimensional aspect

reside in the story of Operation High jump which

is a documented fact, and falls into line with the story of Job

in reference to HWM asking the Devil about where has he been or what he is doing.

The Devil responds by saying,

roaming the earth to and fro and inside of it.

Then we have the temptation of Jesus Christ

and how the Devil was able to present Jesus all the Kingdoms of this world as well as the reasons as to why Adam was not present in council that was convened in the heavens in reference to Job who had a perfect Testimony about God

but the reason also involved the unfolding of a truth which is destined to rise in the last days as a pivotal point in the Everlasting Gospel message concerning the Eternal Righteousness of HWM which even Job had to accept after he became self-righteous.

Which is the weakness of RxF.

This matter of nurturing alien awareness lays at the heart of what is known today as 'disclosure.'

People are amazed to hear the stories

of abductions.

From the Biblical perspective, we are told that what is truly important than the narrative of **non-existence** of the Aliens or demons.

The Bible clearly addresses the issue and emphatically teaches that yes, they (demons = aliens) are here, in our reality and that it has been a problem for mankind from the dawn of human Civilization.

Jesus once told the disciples that it wasn't of such importance that demons submit to their authority,

but to be happy that their names have been written in the book of life.

This is the very issue of Revelation 12,13.

Not marketing programs of alien disclosure.

The whole issue is found in Revelation 13:8-9.

How to get to heaven?

It's not on an Alien Ship even technology given to humans by Aliens which is another deception.

The real deal involves the Eternal Righteousness of HWM and the Eternal Duality of John 1:1,

and when disclosure takes place either by the demons themselves or their human agents,

the same lie of the inherent 'immortality' of humans

as was presented to Eve by Satan in the garden of Eden

**will be repeated,
and is repeated now already ...
along with what?**

alongside the teaching of **Universal Consciousness** the Super Consciousness

the frequencies and that the ascent of human beings, to so-called godhood.

Since they have the inherent 'spark'.

This has been for quite some time the mindset and revelation coming **not only from** demons impersonating Aliens

but it has also been the way Ascended masters,
avatars (demons),

posing as 'Enlightened individuals'
have tried to explain this 'different facet' for many;

where one is led to believe it's apparently genuine facet of what they want
you to believe which **is man's fall from super-Consciousness of an
impersonal universe
and the true origin of man.**

**It's the same repackaged nonsense of the
Fall of Lucifer from
the Northern Universe,**

since he was in fact seeking what appears to be some Arcane knowledge
regarding **this Northern Sector
of the Universe.**

It is now repackaged by Satan in order to make you think that there is **another
invisible god** of so-called **higher consciousness** that created the original two
of John 1:1,

and, that these **Eternal Two,**
you are led to believe
by trickery of word meanings
they **mimic** the **Eternal Super Consciousness.**

In Revelation 13 you will recall it is all dominated by many **blasphemies** from the 8th king, the First Beast.

This **non**-anthropomorphic doctrine is usually seen in the Philosophical belief system known as Gnosticism

which promotes the idea that the God of the Old Testament was evil and that Jesus Christ of the New Testament was good and was all about the love.

Time and time again,

you explain to these people who have Gnostic elements woven into their Christian beliefs and they say that Christ was in fact the God of the Old Testament, who executed righteous Judgement on the Canaanites,

But they fail to perceive let alone understand this matter because of being **self-righteous**, **they are actually caught up into Gnostic Theology**,

which is the same doctrine of 'Ascendence' as presented by the Lucifer

when he ascended to the Northern Universe OFFLIMITS

and was cast down.

He wanted to be like the **“Most High”**.

There is more to this matter in relation to what is now ‘disclosure’ with the reason being that God, was righteous in his elimination of the giants, as well as the Canaanites.

Here again, this brings into the picture the **Eternal Righteousness of God** as learned by **Job**, a man who had a perfect testimony of God

but later turned **self-righteous**

and when shown the glory of God in reference to the creative process, and the challenges that God put forth to Job,

he was left speechless

**and had to repent in dust and ashes
of his ignorance and self-righteousness.**

This early facet of the Eternal Righteousness of God is brought into play in **Romans 8**

¹⁸ For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed to us-ward. ¹⁹ For the earnest expectation of the creation waiteth for the revealing of the sons of God.

**²⁰ For the creation was subjected to vanity, not of its own will,
but by reason of him who subjected it,
[g]in hope**

²¹ that the creation itself also **shall be delivered from the bondage of corruption** into the **liberty of the glory of the children of God.**

²² For we know that **the whole creation groaneth** and travaileth in pain ^[h]together until now.

²³ And not only so, **but ourselves also**, who have the first-fruits of the Spirit, even we ourselves groan within ourselves, waiting for *our* adoption, *to wit*, the redemption of our body.

²⁴ For ^[i]in hope were we saved: but hope that is seen is not hope: ^[i]for who ^[k]hopeth for that which he seeth? ²⁵ But if we hope for that which we see not, **then do we with ^[i]patience wait for it.**

The is in fact is the accusation of Satan against God.

He comes up with a theology which states that a God of evil created the material world or that the material world is all Maya or illusion.

Yet Romans 8: 18-19 reveals that there will be the real disclosure that takes place after the fake one.

¹⁸ For I reckon that the **sufferings of this present time** are not worthy to be compared **with the glory** which shall be **revealed to us-ward.**

¹⁹ For the earnest expectation of the creation waiteth **for the revealing of the sons of God.**

The 3 Angels messages in Revelation 14:6,7

The three angels messages are set in the context of the **hour of his Judgement** or the **Judgement of God**, at the **Heavenly Assize** – Daniel 7:9-10.

These 3 Angel's messages of Revelation 14 address the issues that have been presented.

The fallen angels will distort the message

of the Heavenly Assize.

Perhaps even claiming that God doesn't exist as a personal being and that they planted all life on planet earth and created our religions.

Yet this message does not align with other prophecies

such as the 10/10 king scenario which clearly present the **Eternal 2**

especially with **one of The Elohim** as having the semblance of the **Son of Man** flies over to the **Ancient of Days** and is presented with a Kingdom.

This one prophecy demolishes the claims of the Aliens and reveals the events that transpire on earth,

leading to the final facet of the Kingdom being handed over to Jesus Christ whom the Aliens might claim that they created.

This prophecy also comes into play in Daniel chapter 2 with the succession of world Kingdoms culminating in the return of the **4th Beast**

and later the arrival of Jesus Christ
from the heavens that **smashes**
all the Kingdoms of the earth
and becomes the **Mountain of God.**

**Meaning that, this planet will be relegated to the role of MOST
IMPORTANT planet
OF THE ENTIRE UNIVERSE**

since **the throne of God and the Lamb**
as stated in Revelation 22:1,2 will be
present on planet earth.

**Whereas, the Biblical Disclosure as stated in Revelation 12
and Revelation 13 says what?**

It presents the fact that the Aliens and those alive
who believe them will honor the Beast or
anti-Christ as **their** representative
here on planet earth. Their leader is Satan.

Scripture CONFIRMS, they worshipped
the Dragon
as well as the Beast.

**It won't be a difficult task
to unmask the Aliens.**

But without the Law of Two,

the Law of One
is very difficult to unravel.

Yet, many will in fact **depart from the faith**
and listen to **doctrines of demons** in the form of **Law of one** and
Unity consciousness
and **Ascension**

not realizing that these two teachings
lay at the root of **human self-righteousness,**
sparks of the **Universe,**

even though,
the person who is impacted
by the experience,

will **feel ecstasy** upon
encountering Satan, directly or by
hearing his voice.

That is why
Jesus' warning of the snare

is **so important**

the deceptions of aliens, the demons of Satan and their deception .

Why?

Satan is also an angel of light, It's how the 'light' experience of Satan an angel of light and his ministers of "Righteousness"

will impact the human mind, and if you are not grounded on the clear truths of the Bible the snare has been set.

what shall we say?
