The Alpha & Omega

VS

**The alien demonic challenge
against the Eternal
Righteousness of HWM**

Ephesians 6:12

This discussion is definitely not everyone's cup of tea. Many cringe with what this topic tends to bring; intensity of demonic influences in theology is one thing, yet visual encounters is something else requiring explanation.

And now the Alien / UFO declassification. But what's true and what's not? The Bible provides all readers insights to the matter. But, why cringe? When the ER of HWM exists and prevails? Right? This topic can be difficult to navigate but without an elementary insight, danger exists at many levels and angles.

Many forms of interdimensional beings exist such as the famous UFO's but what are they? Are they relevant to a discussion about God the Doctrine of God the **Law of Two**, As applied to the Everlasting Gospel and the ER of HWM? or should we ignore it all and kick it to the curb or with a whim, hope this subject just goes away? Or do we need to come face to face with what is the Luciferian 'light' matrix?

The mystery of iniquity

| [Listen – here](#) |

Whether the reader wishes to be informed or remain ignorant - it's your sovereign decision - but the fact remains the experiences of demons is a subject found all throughout the Bible, in all cultures will become an inevitable experience especially at the time of the **Fifth trumpet** at a point where men – **seek to die** and intend to take their lives but cannot.

Why?

[Eph 6:12](#) says we are dealing with interdimensional beings with shape shifting capabilities, principalities and powers of the mystery of iniquity, of untold demons kicked out of Heaven once their home. (Rev 12).

This world is a **very haunted place** whether we believe it or not. Oh thank God - we have protecting angels.

Roswell is quite famous for the events of the late [1940's](#).

But have you ever considered there is the **true Remnant's "Roswell"** which is the [Real Mount Sinai](#) as well as the burnt beach shoreline with fused rocks, along with the explanation of the Great Pyramid. 5Agendas discussed the GP previously and will return to that discussion in the future.

Now, in conjunction with the Biblical evidence there is the research of two *non-Christian* investigators **Jacques Vallee** and **John Keel** as well as the Alien resistance.org website along with the explanations of the [history of UFOs](#) in relation to the Middle Ages of fairies and Pixies and devils.

THE DEVIL KNOWS TIME IS SHORT

Of course you know that.

What is the important perspective the reader should note with ETs?

Well, the recent 'declassification' of the ET phenomenon **needs** to be explained and can only be explained in terms **Christ's Eternal Righteousness** which brings into the weighty aspects of why HWM is the **Alpha and Omega.**

With its summary in John 8

Before Abraham, I Am.

Right?

Why is it important to grasp Christ = Alpha and Omega?

because HWMs **ETERNAL RIGHTEOUSNESS**
is utterly feared by all demons.

Besides, it's impossible to counterfeit the Eternal Divinity of The Word = HWM of John 1. But many areas of theology have just about completed the perfect deception.

Thankfully, the very existence of **Revelation 13:8** is a major indicator, because its immediate relation to the Abomination of Desolation = Matt 24:15. Where demons resort to every tactic to deceive.

Ask yourself.

Were they not successful in controlling the mindset of **Caiaphas** to enforce the charge of blasphemy,
Christ was worthy of death?

Matt 26:60-66?

Let's put this in its proper perspective.

Why?

Because Demons know their time is short = [Rev 12:12](#) -

They are all at war.

We can thank Gd for now, that those demons chained,
remain chained in bottomless pit

and under the River Euphrates etc.

Rev 13:8.

Rev 13 illustrates Christ is the LSFOTW and this Eternal Righteousness is a power greater than all the Universe, and includes the **demons** and **two beasts** of the same chapter. .

Eternal Righteousness is defined by Christs Eternal Identity. The command to worship, is the First Angel warning of Rev 14

Therefore Rev 13:8 = He Who Made = ER = First Angels Warning.

"Christ" was HWM Eternal Alpha Identity,

Christ and His Eternal Righteousness is the three angels messages in verity and this is John 1:1.

He was also God and was with Gd = Alpha.
Jesus was HWMs Omega Identity.

It has to be repeated – HWM declared His Identity was Alpha and Omega. If we have ears to hear and eyes to see brings to us FORMIDABLE INSIGHTS about Rev 13.

Yet the Omega of DHs complicates a Christian's walk to our failure.

How is this instructive to the discussion?

FIRSTLY –

You will recall Jesus rose from the dead said he was not a ghost. How is this relatable to the demonic hordes?

Jesus presented the evidence of flesh and bone to doubting Thomas.

This detail cannot be over-stressed, because Jesus made it very clear He was operating in the **spiritual/physical** realm as the second Adam,

whereas the first Adam lived in the same realm **prior** to the fall **and** after the fall.

It was the same realm - but a change had taken place which was **death, deterioration, disease and decay.**

SECONDLY,

Events of the [Fifth trumpet](#) Rev 9:1-12 states a beast arises from the Bottomless pit and includes release of untold billions of demons, at the time portion of the **First woe** [Rev 8:13](#) as stated by God.

This demonic infestation **occurs prior** to the reign of the First Beast of Rev 13.

Why?

First B's reign is the second portion of the **second woe.**

Few realise the Devil can present unimaginable miracles such as dead relatives returning from a Galaxy of the dead and in what would appear to be UFOs.

Why would this seem so far-fetched?

Our recent history of **WW2** brings all of this to life. Serious research exists that should alert one's attention. How?

The years leading to WWII the [Nazis](#) claimed they were communicating with Aliens by way of the [Vrill](#) the [Ahnenerbe](#) secret societies using beautiful young witches.

One in particular was [Maria Orsic](#) and [here](#).

The result?

Germany though losing WW2 were years ahead with advanced rocketry and antigravity machines. This and more was accomplished by occult-based spiritualism.

NB - It is beneficial to review the links, above before continuing.

This is not the first time that spiritualism mimics the physical realm but using the false premise of spirit vehicles = anti-gravity machines or UFOs which are referred to as [Merkabahs](#)

The spiritualist K book describes Elijah's ascent to the heavens as a 'light vehicle' but this concept borders on spiritualism

since the [Merkabah](#) in occult terms is symbolic of movement in the **so-called realm of "Consciousness"** which negates the physical world,

and in that supposed reality there is no need for material physical propulsion since the so-called soul or **higher Consciousness** becomes the **"light" vehicle**.

This is what demonic entities such as [Commander Ashtar Galactic Federation](#) are currently doing.

They want to confuse the matrix of physical material reality with the spiritual matrix of the Serpent = [Amaru](#) which is the Gnostic belief that the "non-physical realm" is good, and that the physical realm or world of matter, is evil.

So, by way of an **Outer-Space deception**, [Commander Ashtar](#) whose name Etymologically speaking comes from Astarte the female deity and wife of Baal,

who were both **enemies** of Israel during the time frame of Jeremiah the prophet. In the book of [Jeremiah 7:18](#) the worship of Ashtarte or female consort of Baal was detestable in the eyes of the God of Israel.

So, we can clearly see how the **UFO outer space deception** deceives those who get excited about entering into contact with so-called Aliens. What truly takes place is a mind-boggling deception of which the believer rather than interacting with space aliens is in fact **interacting with fallen angels** introduced into the world by magic, the occult by way of infestation.

Esotericisms and the Experiences of Ezekiel

Ezekiel and space travel

In reference to Ezekiel,
it was **not solely** a spiritual experience;

it was **physical** as well

since space craft-like behaviour is akin to that of what today can be called Jet fighter planes, along with landing gear like the feet of calves and wheels within wheels whose cherubim presented the hall marks of a space-craft,

yet the Bible clearly reveals in the **book of Revelation** that these Cherubim's that **behave** like a space craft, are definitively is in fact

"Living machinery"

as best as can be described in human terms which might also be mistaken.

Yet, the **Anthropomorphic God of Israel** who was on board and sitting on the throne is **described** as being humanoid, from the waist up and fire from the waist down.

Here we can clearly see the Revelation of the Holy Spirit or the Word in both his physical = humanoid anthropomorphic figure from the waist up,

as well as spiritual in the form of fire from the waist down and this appeared to be the same fire that didn't burn the burning bush.

Anthropomorphic Elohim

| Listen – [here](#) |

It was a **fire** that was seen physically but apparently was **not** the same as physical fire which burns since it was on a higher level = Holy Spirit which **didn't** burn the Bush,

and that is the reason as to why **Malachi** also mentions that when the **Messenger of the Covenant** would arrive at the Temple he would also Baptize with the Holy Spirit.

² But who can abide the day of his coming? and who shall stand when he appeareth? for he is like a **refiner's fire**, and like fullers' soap: ³ and he will sit as a refiner and purifier of silver, and he will purify the sons of Levi, and refine them as gold and silver; and they shall offer unto Jehovah offerings in righteousness.

Present day UFOs

UFOs lack an **Eternally Righteous** Being sitting at the helm, And is Omniscient and Omnipotent.

UFOs appear to be a [transmogrification](#) of energy, or of the demons themselves as well as in the **form of orbs** = "light" vehicles.

Yet, when the vision of Ezekiel takes place what is revealed is a **physical Transcendent Being** who is able to penetrate Ezekiel's mental state and interact with him on a Godly level with no abuse but with a mission to preach to a disobedient people of Israel.

The Spirit is present and takes Ezekiel on a journey to Tel Aviv all the while interacting with the Prophet, as Jesus did in the New Testament by breathing upon his disciples the Holy Spirit Allos, therefore

the True ET presence on planet earth
known as the other Elohim, The Logos or **Counsellor = Comforter.**

BTW transmogrification is the new science of plasma

PLASMA

[here](#)

Plasma the new science for L1. Plasma is the universe, the consciousness, the basis of energetics how thought operates. Other insist plasma entities exist. Aliens.

What you now have is another class of pseudo-scientists with a spiritual agenda. Yes, high priests of energetics

And they have their marching orders and are moving

Yet **Heb 1** states the universe is in **decay, folded as a garment.**

"Consciousness," "Source" or "plasma" cannot fold or restore. Plasma is science falsely-called so doesn't resolve the entropy described in Heb 1. Plasma guys say that these Entities are units of consciousness.

The End of the Old Universe

21 **And I saw** a new heaven and a new earth: for the first heaven and the first earth are passed away; and the sea is no more.

2 **And I saw** [a]the holy city, new Jerusalem, coming down out of heaven from God, made ready as a bride adorned for her husband.

Nothing new, Colossians 2's presents elementary principles of the universe. Others, always try to replace Christ who alone has the Fulness of God, alongside Eternal 1.

The **Enneads of Plotinus** is an ancient treatise explaining the "Universe" through the lens of the L1. See Enneads Central Doctrine – "**The One**" [here](#)

Now read Colossians 2:8.

8 Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ.

The True ET presence is found in Ezekiel 1

The true presence of God is both physical Anthropomorphic and spiritual **but not Pantheistic**, yet capable of being everywhere at the same time through the unbounded Spirit.

| [Listen here](#) |

Its ultimate objective is to **fill the Universe**

at all points with the
Anthropomorphic and Manifest Sons of God

not segments of Pantheistic consciousness.

That is why a literal city called the New Jerusalem is involved in the restoration of Planet earth.

In the introversive mystical experience there is the timeless feeling of unity within a **void**

which impresses to the mind of the mystic,
that this **blackness**

was all there was,
prior to the creation of matter.

Unravelling the myth

https://en.wikipedia.org/wiki/Esoteric_Nazism

Notice **Savitri Devi** and what it states in reference to **Kalki**.

"will act with unprecedented ruthlessness"

Is this not the **8th King** of Revelation 17?

Is this *act of unprecedented ruthlessness*
as in [Daniel 8:24](#) ?

The *King of fierce countenance*

The First B of Rev 13 ? the 2 Thes 2 guy?

Kalki also stated that Hitler was the 9th Avatar of Vishnu which would be the Beast Apollyon or the destroyer as depicted at Cern as Shiva.

From the same page –

Notice how the answer comes up under **Miguel Serrano** and the Aztec myth of **Quetzalcoatl** the feathered Serpent.

The type is Devil and Satan = blonde fallen angels = “Aryan” myth and the anti-type = Phoenicians, which interacted with the Aztecs and is synonymous with the **King of Tyre** and the Sidonians = Sidon Poseidon.

<https://www.jasoncolavito.com/phoenicians-in-america.html>

Tyre and Sidon

What stands out about this matter in relation to the **Canaanite Red Heads** is this statement in the Bible.

[Ezek 28:2-3](#)

I am a god, I sit in the seat of God, in the ^[a]midst of the seas; yet thou art man, **and not God**, though thou didst set thy heart **as** the heart of God;— ³ behold, thou art wiser than Daniel; there is no secret that is hidden from thee;

Why a Lament over the King of Tyre?

The behind-the-scenes **supernatural**

element [Ezekiel 28:11-19](#)

¹¹ Moreover the word of the LORD came unto me, saying,

¹² Son of man, take up a lamentation upon the **king of Tyrus**, and say unto him, Thus saith the Lord GOD; Thou sealest up the sum, full of wisdom, **and perfect** in beauty.

¹³ Thou hast been in Eden the garden of God; every precious stone was thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created.

¹⁴ **Thou art the** anointed cherub that covereth; and I have set thee so: thou wast upon the **holy mountain of God**; thou hast walked up and down in the midst of the stones of fire.

¹⁵ Thou wast perfect in thy ways from the day that thou wast created, **till iniquity** was found in thee.

¹⁶ By the multitude of thy merchandise they have filled the midst of thee with violence, and thou hast sinned: therefore I will cast thee as profane **out of the mountain of God**: and **I will destroy thee, O covering cherub, from the midst of the stones of fire.**

¹⁷ **Thine heart** was lifted up because of thy beauty, thou hast **corrupted** thy wisdom by reason of thy brightness: I will cast thee to the ground, I will lay thee before kings, that they may behold thee.

¹⁸ Thou hast **defiled** thy sanctuaries by the multitude of thine iniquities, by the **iniquity** of thy traffick; therefore will I bring forth a fire from the

midst of thee, it shall devour thee, and I will bring thee to ashes upon the earth in the sight of all them that behold thee.

¹⁹ All they that know thee among the people shall be astonished at thee: **thou shalt be a terror, and never shalt thou be any more.**

Conclusion

In other words, the Book of Genesis said Satan was in Eden and wiser than Daniel. It's the **same power** behind he who sailed the seas during the era of 700 BC.

This means that the character of **Sidon** and **Tyre** was intimately linked with the **Dragon/Satan**, on a massive scale.

Probably just like Christ is becoming 'one Spirit' with his people. Same can be stated about the **Canaanites** and the **giants**.

It appears that Asshur has done the same.

It appears that their motto is the following "*better to rule on earth, than to serve in heaven.*"

The final outcome is the alliance of **Psalm 83** and Asshur being among them. While the **secreted** ones don't have a problem. The S of Satan does.

The era of Abraham / Melchizedek and Genesis 14

At the time of Abraham meeting **Melchizedek** there is so much evidence of Extra-Terrestrial ETs paintings on walls and caves.

Yet this was also advanced Tech such Helicopter hieroglyphs as in [Abydos Temple](#) in Egypt as well as the 6th generation prior to the flood when tech exploded during the Antediluvian era with the arrival of [Tubal Caine](#)

which revealed the advent of the **industrial era** since he was an artificer of metal and brass.

Melchizedek at the same time could be interpreted as ET or as an [Ascended Master](#) as done by occultists.

Yet what is important is this, that there is a very fine line between an ET and Ezekiel 1.

The matter lays in distinguishing between those who are created which = [Ephesians 6:12](#) = **fallen angels**

as well as good angels and the original Two Elohim that are Transcendent Divines John 1:1, and worship He who made. Rev 14

Then there are the families in the heavens, and there is the matter of the reconciliation of the heavens and the earth.

We know for a fact that the earth is populated and so are the heavens.

ET MATRIX

The problem with the ET question has been the **matrix of Satan** and the belief in the dualism of "*matter and spirit*"

which is basically the Gnostic belief that the world of matter is evil, whereas the spirit is the 'Righteousness' reality.

When Hindus refer to our material existence as [Maya = illusion](#), they are peddling this Gnostic paradigm.

Lately, even some Physicists are posturing this same theological mindset or contemplating the belief that we exist in a hologram.

Yet the words of Jesus always bring us back to reality, when after his resurrection his disciples believed that he was a ghost.

Jesus clearly told them to touch him and when they did, he clearly contradicted the Gnostic belief by clearly referring to the fact that a ghost does not possess flesh and bone.

With this statement **Jesus clearly refuted the Gnostic matrix** of 'soul **immortality**' by presenting himself as a **glorified God-man** in a Physical-Spiritual combine that could disappear and reappear and alter its appearance such as when the two disciples on the [road to Emmaus](#),

unable to recognize him as well as the eating of physical food in the form of fish and a honeycomb which were given to him.

Matrix of Gd

This mindset of illusion is **contrary** to the **matrix of God** who created the world of matter in the form of planets to be inhabited by those very same families that are mentioned in **Rev 12** as well as the **book of Ephesians**.

Rev 12 provides the Key in reference to the true Revelation of the ET presence, the (unfallen) beings and not necessarily angels.

Also, there is the brotherhood that exists between them and man on earth which is declared in the following verses.

For the accuser of our brethren is cast down, who accuseth them before our God day and night.

Whereas Angels are considered messengers and servants alongside those who will inherit salvation. [Revelation 19:10](#)

Sent by God to aid those who will inherit eternal life.

All the while, the Bible mentions "**Principalities and powers**" in the universe, it'd be a mistake defining them only in the form of Angels.

7 And there was war in heaven: Michael and his angels *going forth* to war with the dragon; and the dragon warred and his angels; ⁸ and they prevailed not, neither was their place found any more in heaven.

⁹ And the **great dragon** was cast down, the old serpent, he that is called the Devil and Satan, the deceiver of the whole ^[b]world; he was cast down to the earth, and his angels were cast down with him. ¹⁰ And I heard a great voice in heaven, saying,

^[c] Now is come the salvation, and the power, and the kingdom of our God, and the authority of his Christ:

for the accuser of our brethren is cast down, who accuseth them before our God day and night.

11 And they overcame him because of the blood of the Lamb, and because of the word of their testimony; and they loved not their life even unto death.

12 Therefore rejoice, O heavens, and ye that ^[d]dwell in them. Woe for the earth and for the sea: because the devil is gone down unto you, having great wrath, knowing that he hath but a short time.

The ones that are **rejoicing** in the heavens over the expulsion of Satan may not necessarily be all Angels as assumed by religious leaders from the first century to this day.

In our humble opinion the verses seem to imply that while Angels fought with fallen angels, there were **other** groups of the citizens of heaven, watching everything that was going on.

It is unfortunate that Bible doesn't define this matter, but there may very well be a reason, and the reason might be **the ET question arising at the end of the age which is now, in our time.**

The key matter might have something to do with figuring out that there is a true fact about a populated universe out there and not necessarily just populated with Angels.

There may very well be humanoids that are **not** like the men and women of planet earth,

who according to **Psalm 8**

were chosen for a special purpose and were to fulfill other purposes than the Angels.

When I consider thy heavens, the work of thy fingers,
The moon and the stars, which thou hast ordained;

4 What is man, that thou art mindful of him?
And the son of man, that thou visitest him?

5 For thou hast made him but **little lower than ^[b]God**,
And crownest **him** with glory and honor.

6 Thou makest him to have dominion over the works of thy hands; Thou hast put all things under his feet:

Hebrews 2

For in that he subjected all things unto him, **he left nothing** that is not subject to him. But now **we see not** yet all things subjected to him.

9 But **we behold him** who hath been made ^[f]a little lower than the angels, *even* Jesus, because of the suffering of death crowned with glory and honor, that by the grace of God he should taste of death for every *man*.

¹⁰ For it became him, for whom are all things, and through whom are all things, ^[g]**in bringing many sons unto glory**, to make the ^[h]author of their salvation perfect through sufferings. ¹¹ For both he that sanctifieth and they that are sanctified are all of one: for which **cause he is not ashamed to call them brethren**,

¹⁶ ^[p]For verily not to angels doth he give help, but he giveth help to the seed of Abraham.

¹⁷ Wherefore it behooved him in all things **to be made like unto his brethren**, that he might become a merciful and faithful **high priest** in things pertaining to God, to make propitiation for the sins of the people. ¹⁸ ^[q]For ^[r]in that he himself hath suffered being tempted, he is able to succor them that are tempted.

Why was it suggested by someone in the RCC that ET's might need to get baptized or they might radically alter the religions on planet earth?

First and foremost, there is no baptism for ETs that are residing on our planet in the form of **inter dimensional beings** since the Bible calls these so-called ETs = **demons**.

They are the same fallen angels which will in the near future even masquerade different Alien races.

You might already be familiar with some of them which are referred to as **Nordics, Grey's, Reptilians** etc.

| [Listen Here](#) |

In the **Garden of Eden** there was the Serpent.

Why is the Pope giving us a preview of ET's almost as if they already knew what is coming?

What does the Bible have to say about Aliens in V city?

Notice carefully and obtain an eyeful ...

18 After these things I saw another angel coming down out of heaven, having great authority; and the earth was lightened with his glory.

2 And he cried with a mighty voice, saying, **Fallen, fallen is Babylon the great, and is**

become a habitation of

demons,

and a ^[a]hold of every unclean spirit, and a ^[b]hold of every unclean and hateful bird.

3 For ^[c]by ^[d]the wine of the wrath of her fornication all the nations are fallen; and the kings of the earth committed fornication with her, and the merchants of the earth waxed rich by the power of her ^[e]wantonness.

Can the Bible, be warning us to come out of the paradigm and belief that ETs are actually Aliens from other planets?

Well, Yes and No!

Yes, they were originally not from this world but after the Fall of Adam and Eve they became what is referred to as Interdimensional beings.

No one can see Satan and his Angels physically unless they appear.

Yes, implies that we must come out of the current thinking or belief that ETs are visitors from other planets.

No implies that we should never believe that they have come to assist the inhabitants of planet earth in the form of transitioning from our current warlike state over to being received as a newly entered planet in a Federation of our Galaxy.

Jesus stated that a [snare](#) would come over the inhabitants of planet earth.

It is submitted this snare will involve the ET matter.
WHY?

They now live on our planet.

Planet earth is a very haunted planet.

This can be proven by the works of authors such as [Jacques Valley](#) and [John Keel](#) who have books that prove that the ET phenomena is as old as history itself

and as they said, the

so-called messengers **lie** and **cheat**,

and they do not operate in the scientific realm as a tangible phenomenon that can be studied, and both these men arrived at the conclusion

that **we are dealing with a more complex subject** that finds itself in the Psychic and spiritual realm, rather than the scientific realm.

The book of Job gives us a glimpse of the mode of Satan's operations.

⁶ Now it came to pass on the day when the sons of God came to present themselves before Jehovah, that ^[d]Satan also came among them. ⁷ And Jehovah said unto Satan, Whence comest thou? Then **Satan** answered Jehovah, and said, From going to and fro in the earth, and from walking up **and down in it**.

Pope Francis whose cosmology now echoes that of [Zechariah Sitchin](#) as well as the Sumerian narrative, as well as that of Darwinian evolution, is paving the way for the erroneous interpretation of the **ET visitation**

which would probably result in the belief that the underground Gnostic religion of PPH is the "true faith" of the "universe" which is Pantheism and higher consciousness,

So what is promoted by the ETs is the **Law of one** which is strangely similar to "*where one goes, so do all*" and if this be the case, it matches the scenario of Rev 18,

since we are told that she deceives with her sorceries and makes captive the souls of men

The Biblical theological paradigm for ET based on the words of Jesus

There is a Biblical theological paradigm for ETs based on the words of Jesus not being from below, yet being from above, his existence as A&O provides a proper framework for the proclamation of John 1:1.

Biblical Cosmology

The Biblical Cosmology for the refutation of **Pantheism** is what the Bible states about the Son, in relation to the universe.

The **universe changes** whereas the **Son doesn't change** and the reason for that is that the **Lamb** in the **Omega scenario** was the root of David. = **Alpha**.

The retaking of the **former glory (Alpha)** in the **Omega** scenario is the same thing.

Whereas the change to the flesh or lowering down was for qualification purposes in the flesh, of the **Order of Melchizedek**, in order to replace the fallen first Adam who was flesh and install the throne of God over planet earth with a descendant of David.

Whereas in Spirit, HWM was purely **Melchizedek**, (**Alpha**) the Logos of John 1:1,

He was in fact the **Melchizedek** of **Hebrews 7:1-3** and this refutes the Neo Platonism of the ET message God Eternal Son .

Some - 1g advocates believe that the “**Ezekiel** phenomena” was in relation to the Indians and their [Vimanas](#).

Problem is the guy inside the vimanas cockpit from the waist down was fire, and from the waist up **was humanoid**.

Whereas the **Vimanas** were anti-gravity vehicles powered by men.

The vision of Ezekiel was vastly different and powered by the Spirit along with the Cherubim who behaved somewhat like living machinery.

The vision of Ezekiel clearly confirms the Anthropomorphic nature of God

[| Listen Here |](#)

whereas the present-day **imitation** of ETs by **fallen angels** appears to be the ability to shape change and

appear as an Angel of light.

[| Listen Here |](#)

**That is the reason as to why UFOs make use of lights, orbs.
Satan claims to be an Angel of Light.**

As you will have concluded by this juncture this summary builds the scriptural evidence and the reality of **Rev 18's demons**.

Back in **1917** was the [visitation of Mother Mary](#) with messages to the three children.

Much has been suppressed and some stuff released. There is the repentance and warnings **but contrary** to the Scriptures and the rainy day and how they all dried out.

The altered reality of the Marian appearance sent a long-term jolt to religious faith of the RC church but provided a real materialistic experience that supercharges FAITH in the esoteric **and the inter dimensional paradigm** of that same faith.

Rev 17 and the destruction of V city obliterates that narrative and that is another reason to come out of mystery B.

The fact God said Babylon was the **habitation of devils** is what should immediately awake the nonchalant, not only is the mystery B theology shattered, the call out has several aspects of departure **but few consider the demonic** concerning what they cannot counterfeit, which is the Eternal Righteousness of HWM and frankly this aspect has not been fully explored.

CONCLUSION

The one thing that remains which is how God informs us all of the theological Segway for the **alien/ demonic invasion** which is relative to the [Eisenhower UFO matter](#);

But the Bible says in Revelation 7 and Ezekiel 9 that Christ after the Order of Melchizedek seals and **protects** from every hateful and unclean birdy phenom at time of the first woe. [See Rev 9:4](#)

Why should A&O theology be that important?

Answer - It bursts the demonic bubble.

Alpha & Omega and the **SEAL OF GOD** in Rev 7 or the Mark of the B, and the Law of 1.

Besides, "light" messages are already here as the [Galactic Federation](#) the Captain Thor, Commander Ashtar with a message of global unity of law of one and Christ consciousness

Universe before the Big Bang

Bible

Universe before the Big Bang

Thou, Lord, in the beginning didst lay the foundation of the earth, **And** the heavens are the works of thy hands:

11 They shall perish; but thou continuest: And they all shall **wax old as doth a garment;**

12 **And as a mantle shalt thou roll them up,** As a garment, and they shall be changed:

But thou art the same,

And thy years shall not fail.

A question remains for the L1.

How can the "Universe" of the Law of 1 **be God when it perishes?**

So, "**infinite Consciousness**" **cannot** be possessed by man in relation to man being a component of the Universe,

since the present Universe

by way of the **Law of Entropy** arrives at a point of disintegration.

You read it in Hebrews 1

Right?

So the conclusion from Hebrews 1 is obvious that the **doctrine of the L1 god,** the **gd of the Universe**

perishes, and comes back?

Right?

If it perishes, how can you as a believer of L1 continue infinitely?

Were you there, to bring it back into being?

No!

According to **Hebrews 1**

There is a Divine Law, the cause,
that creates a **new Universe**
and is outside of it.

Right?

There is only one book that presents this matter, and the Scripture is being confirmed
by way of a **new scientific source**.

ROGER PENROSE

That science insight is [Earlier Universe](#) from Roger Penrose [here](#) .

Who provides the explanation without perhaps knowing what is stated in the Bible?

New Universe after entropy?

Revelation 21:1,2 confirms Hebrews 1

21:1 **And I saw a new heaven** and a **new earth**: for the first heaven and the first earth were passed away; and there was no more sea.

21:2 And I John saw the holy city, new Jerusalem, coming down from God out of heaven,

Rev 21: 6 confirms Hebrews 1

“I am the Alpha and the Omega” Christ Jesus.

Before Abraham was, I Am John 8

God has also stated, **the inhabitants of the Universe** are in fact concerned about the inhabitants of planet earth.

Revelation 12:

10 **And I heard a great voice in heaven, saying,**[c]Now is come the salvation, and the power, and the kingdom of our God, and the

authority of his Christ: for the accuser of our brethren is cast down, who accuseth them before our God day and night.

11 And they overcame him because of the blood of the Lamb, and because of the word of their testimony; (no guile) and they loved not their life even unto death.

12 Therefore rejoice, O heavens, and ye that dwell in them.

Woe for the earth and for the sea: because **the devil** is gone down unto **you**, having **great wrath**, knowing that he **hath but a short time**.

These individuals in the Heavens are described in Rev 12

They are **the real ETs** that form a part of God's government.

The so-called ETs that are **here** on our **planet**, are the **demons** of Rev 9, 18 etc

They are man's enemies.

Ephesians 6:12

12 For our wrestling is not against [a] flesh and blood, **but against** the principalities, against the powers, against the world-rulers **of this**

darkness, against the spiritual hosts of **wickedness** in the heavenly places.

Christ is Alpha and Omega - John 8, Rev 21

It is **His Eternal Righteousness** noted in **Rev 13:8**
And ER prevails over all
alien demonic powers and principalities;
And that sets the Biblical record straight.

Amen
