

“Watchman,
what of the night?”

“The hour has come, the hour is striking, and striking at you,
the hour and the end!” Eze. 7:6 (Moffatt)

Bereshit bara Elohim

Genesis 1:1

Deceive, if possible, the very elect.

<https://youtube.com/watch?v=6WsekC1clrA&is=ddeAw-nz37LtfJ7XC>

The link above brings thoughtful insights and purposeful meaning of Genesis 1:1, by way of the Hebraic expression *bereshit bara Elohim*.

In the presentation of Genesis 1:1 there are two 'alien whispers' that transit certain information not implied by the text itself.

If you fail to listen to the 17-minute presentation, like **in full** and **pay close attention**, you may or may not hear the whispers of the abomination of desolation.

But worse, if you cannot perceive the serious error now, how will you respond, let alone stand when confronted in the Apocalypse?

If you choose to not bother or refuse to acknowledge the importance of the Scriptures that's your sovereign decision. And no, the answer pinpointing the error will not be pointed out.

Why?

Hast, thou forgotten Jesus often taught in this manner.

So, preparation for the tribulation is a waste of your time?

Verily, a great loss in the sealing time of the Man in Linen (Ezek 9) but then there comes the era of the Apocalypse, a tragedy of eternal proportions.

And hast thou forgotten God causes you to believe a lie?

And with all deceivableness of unrighteousness in them that perish; **because** they received **not** the love of the truth, that they might be saved.

2:11 And for this cause **God shall send them strong delusion**, that they **should believe a lie**:

2:12 That they all might be **damned** who believed not the truth, but had **pleasure in unrighteousness**.

Why?

Carelessness, eventually produces contempt.

HWM described the upside of the contempt that there was a very keen palpable recognition of great loss as in **weeping and gnashing of teeth**.

Ignorance in every case when it comes to the Omega of DHs permits the mystery of iniquity to render a subtle intrusion of unrighteousness beyond the barriers of critical thinking.

Since the answers to identify the whispers won't be spelt out in this discussion. HWM knew lazy ppl just do not appreciate the plainness of answers anyway. They forget and move on.
The seed sower?

And why?

For many are encumbered by Laodicean thinking, and for that, there is a price to pay.
Spued. Rev 3.

So, you have to pay very close attention even when listening to any amount of quality information these days by many, many, sincere speakers.

Jesus warned there will be **many false Christs** and their expertise is to nurture and to deceive in unrighteousness
And frankly today it is nigh seamless.

Hence your task in this discussion is to listen carefully and see if you can detect the alien whispers in the vid.

Critical thinking today when it comes to the doctrine of Gd is lost, if not completely.

Those today who cannot perceive how the **Law of 1** and why God **the Eternal Son heresy** exists will heed the many false Christs.

Why?

because of an all-prevailing presumption about the One Gd of Deut 6:4 and therefore its guaranteed you will miss the intrusion of the Law of One.

It is extremely important in the context of Rev 13 and First Angels warning.

Why Christ is Alpha & Omega and why the Eternal Righteousness of HWM will be your great loss.

This discussion is extremely precise.

You will never detect the 'whispers' of the mystery of iniquities Omega of Deadly Heresies that subtly **intrudes** and adapts an adjunct to the word usage of *Bereshit Bara Elohim*

and therefore, when the Omega of DHs is woven into any narrative, and it is in this vid, ask yourself what does that achieve, especially when you witness a lot of sublime truth but at the same time deceived!

If you don't realise you won't see the "**trodding underfoot**" of the Eternal Righteousness of **Law of Two**

of **John 1:1**.

Full attention, careful listening
can only determine what is missing
when it comes to the doctrine of **First Fruits**
and the Law of 2.

Ready?

Did you notice **twice** the guy is trying to prove the God the Eternal Son FB
#4?

The fact is this those whispers do not confirm **Romans 1:3**
And 1:4. And they don't.

Especially as applicable to the **First Fruits Feast**
as in **anti- typical fulfillment** of the feast
of the resurrection,

and the 'many' mentioned in
relation to Elohim,
cannot be ascribed to the Original 2 (Law of Two)

but perhaps to the many that were in
Their graves when Jesus died later walked around
The city.

First Fruits has to be tied to the **bread** and **wine** as well as what Jesus stated
about a seed that dies and what it later produces.

That **Melchizedek** presented as a future prophecy
Of Melchizedek at the resurrection was
made like unto the Son of God =

Acts 13:30-33.

If what the guy is saying was to be True then the prerequisites of the Order of Melchizedek **would be false.**

We know that he is contextually pushing for the GTES. He even quoted Proverbs on wisdom using the error of 'personification' to push forward the GTES. The Law of 1.

In other words, twice the guy applies the Law of 1 upon Gen 1:1. John 1:1.

And yes, if this discussion **pounds** your front door, hey wake up then also know there are missing essentials, and so then, is not Christ knocking at your door to sup with you? And you with Him? Revelation 3.

Right?

What is missing?

Melchizedek [Alpha] is missing.
Order of Melchizedek [Omega] is missing.

Missing is Romans 1:3,4. Acts 13:30-33.
There is no John 4:22.

You can never appreciate the true feast of first fruits in Eternal Righteousness as to its relation to the ALPHA & OMEGA.

Let alone any recognition DoA.
There is absolutely No seal of Gd.
No ER.

The issue is blown open
for all to see,
it's not semantics.

**Jesus wasn't
kidding about
if it were possible
It would deceive the
very elect.**

The intrusion of whispers comes from the playbook of SoS and
note very carefully - **the appeal to the Original Hebrew
is not the true issue.**

What is the true issue?

The true Issue is that there is no **First Fruits** when GTES is placed upon Christs identity in His Alpha

The True Omega is contextually fulfilled in the Omega anti- typically at 9:00am on the parable time clock.

Just as Psalm 2:7 is tied in with Acts 13:30-33,

So, if First Fruits is mentioned, it's all about Acts 13:30-33.

That is why through the **Sonship of the Order Of Melchizedek** the Son created all things because in

This Order of Melchizedek there is no father or mother or beginning Of days nor end of life.

Sonship was a messianic prophecy during the time frame Of Melchizedek and later came the fulfillment of the inclusion of Sonship for the express purpose of Psalm 8.

Which was for what?

For the Redemption of the planet Under the government of God and his ultimate Purpose for man as stated in Psalm 8

as **opposed** to the **emanations** theory from segments of individual Consciousness to universal so-called absorption

Into the 'universal spirit unity' of Pantheism.

This is deception,

it is the counterfeit of the unity of John 17

As to being the church which = the fulness of the body of
Jesus Christ which fills the Universe at all points in

The anthropomorphic as **opposed** to
the Pantheistic.

The former being the real deal in reference to
Humanity would include the physical spiritual retaking of
Melchizedek form of that **former glory**
which created all things.

Yet both Melchizedek and the Order of Melchizedek
possess the same prerequisite

no father or mother as
in the original,

as well as in the resurrection
which clothed the human form with the garment of Melchizedekian
prerequisites.

That is why it is written of the Son
" you oh Lord your throne is forever"

What is factored into the account is the unchanging
Nature of Melchizedek **and** the Order of Melchizedek.

Order of Melchizedek which is the 'branch' extension which = the 7 Spirits Of God, being the fulness of Melchizedek.

Hebrews 1:8-12

1:8 But unto the **Son** [he saith], **Thy throne, O God, [is] for ever and ever:** a sceptre of **righteousness** [is] the sceptre of thy kingdom.

1:9 Thou hast **loved righteousness**, and hated iniquity; therefore God, [even] thy God, hath anointed thee with the oil of gladness above thy fellows.

1:10 And, **Thou, Lord, in the beginning hast laid the foundation of the earth; and the heavens are the works of thine hands:**

1:11 **They shall perish;** but thou remainest; and they all shall wax old as doth a garment;

1:12 **And as a vesture shalt thou fold them up,** and they shall be changed: but thou art the same, and thy years shall not fail.

This is critical

And why?

Since the **mystery of iniquity** will use this for defining
The eternal nature of 'Sonship'
prior to the incarnation.

That is GTES

Acts 13

A microcosm of the 1290?

Just prior to Acts 13:30-33 in the very same chapter

Paul lasered his eyes on **mischief subtlety**

Elymas the sorcerer (for so is his name by interpretation) withstood them,
seeking to turn away the deputy from the faith.

⁹ Then Saul, (who also is called Paul,) filled with the Holy Ghost, **set his eyes on him.**

¹⁰ And said, **O full of all subtilty and all mischief, thou child of the devil, thou enemy of all righteousness,**

wilt thou not cease to pervert the right ways of the Lord?

¹¹ And now, behold, the hand of the Lord is upon thee, and thou shalt be **blind**, not seeing the sun for a season. And **immediately there fell on him a mist and a darkness; and he went about seeking some to lead him by the hand.**

Paul ventures to the synagogue, and then cometh verses 30-33.

The resurrection of the Son,
His true Omega status as distinct from
His Eternal Alpha Identity.

Now take note of Romans 11

[Romans 11:16](#)

For if the **first fruit** be **holy**, the lump is also **holy**:
and **if the root be holy, so are the branches.**

What is this saying?

The very **root** of the Omega of DH is GTES

**So, what makes the Omega of resurrection
and first fruits **holy** ?**

John 1:1 explains in concisely
the **Alpha scenario of ER**
that there was **no eternal sonship**

Just as David said in Psa 2:7.

Paul confirmed David that Christs ER
was the very root of Sonship.

How?

Christ was **decreed a son by Resurrection** = 13:30-33

Thereby Divinely establishes Romans 1:3,4.
As why Christ is ordained after the order of Melchizedek.

Therefore Acts 13:30-33 is then and can only be, true.

The root of First fruits is ER. = **Holy**.

Heb 7:1-3. Alpha. = **Holy**.

Son of the resurrection

Romans 1:4 Declared the Omega = **holy**

Then what is the 'sealing time' about?

He that is holy let him remain holy? Revelation 22:11.

Paul's encounter with Elymas

This guy, a sorcerer was mincing words in unrighteousness

While the detractors will blab oh, **subtlety** and **mischief** was not fully described, the very fact being a sorcerer all harks back to the Great Red Dragon and subtlety and mischief had to be occulted by Elymas in a way of **appearance** of words of righteousness.

Now ask yourself.

Was ancient Hebrew of Gen 1:1 inadvertently applied for the benefit of the L1?

Same difference. Paul sure picked up on the mischief and subtlety of **Elymas**.

Was GTEs developing from the Plato of vain philosophy?

Keep in mind, Sorcery, at its head, is L1.

What was the weakness of understanding of the **deputy**?

The doctrine of who Christ was eternal and not Gd the eternal son? For consistency sake the only focus of any Sorcerer, Is to what?

To destroy Christ Alpha was in flesh Messiah?

While it is not stated it is very clear the intrusion of unrighteousness prevailed.

Anything that destroys the ER of HWM is unrighteousness.

The bloodline of Jesse to David so
who was David's Lord?
Omega. Offspring.

But the Alpha scenario being David's Lord.

Sorcery is always first to DISSIPATE
and wash away, confuse
conflate deflate
misapply

is always the work of the mystery of iniquity
imposed endlessly upon ER of HWM.

And what happened?

13:44 And the next sabbath day came almost the **whole city**
together to **hear the word of God.**

13:45 But when the Jews saw the multitudes,

they were **filled with envy**, and spake against those things which were
spoken by Paul, **contradicting and blaspheming.**

“Contradicting and blaspheming” is the entire response of the 8th king in Revelation 13.

Right?

Is Acts 13 a microcosm of the LC?

Well?

If you take time to consider
it has all the ingredients what is your conclusion?

Did you listen properly?
Did you hear the mischief,
the alien whispers in the vid?

Still Don't know?

Pray. Oh Pray.
Earnestly.

The Omega of DHs is deadly.
