

*"Watchman,
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"* Eze. 7:6 (Moffatt)

Sweet Land

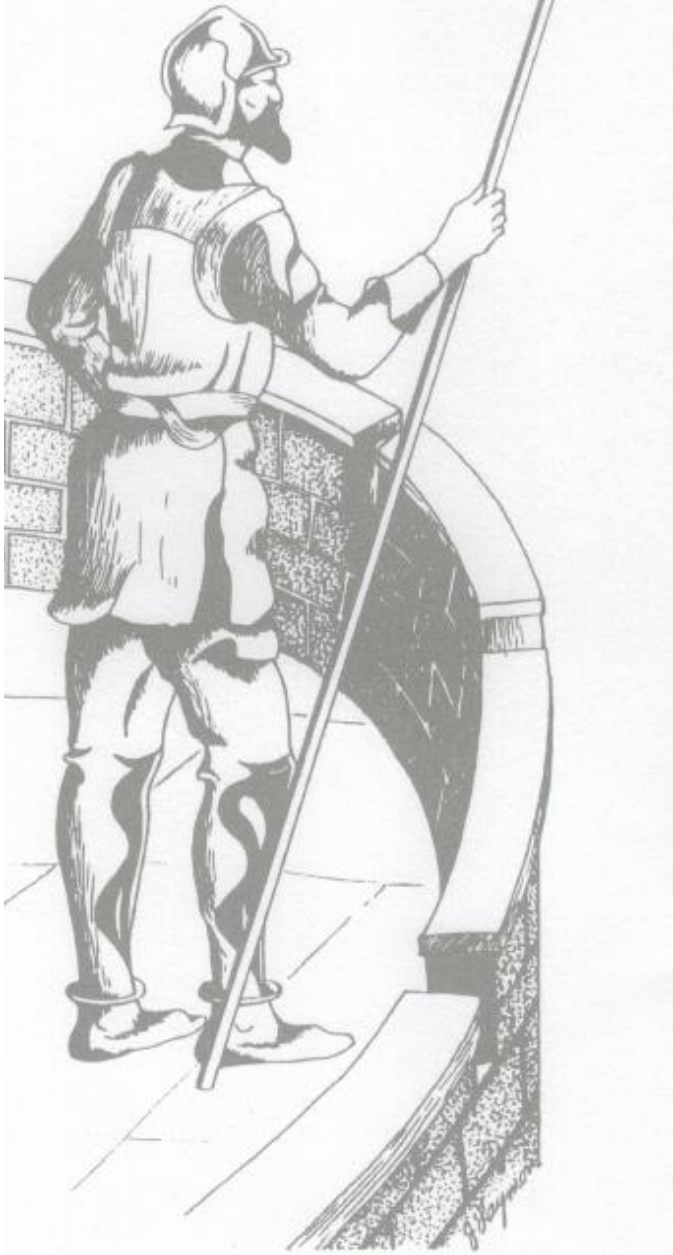

Ode to America

250

July 4, 2026

Coinciding with the **Fourth of July** celebrations was the release of a tribute song "**Sweet Land, an ode to America 250**" released by Heavy Pulp. [here](#)

Replete with nostalgic themes of a prior generation's hope, of what was meant to be possible, but badly failed. An ode to a new time reached, the restoration of the USA.

But why discuss this Fourth of July "ode"
Sweet Land?

President Reagan said

"Freedom is never more than one generation away from extinction."

But why of all things, should there even be a need, of a dialogue about **Sweet Land ode to America 250** at the Christian dinner table?

Well, **Sweet Land Ode to America** is a

"whoa" of a meme song,

and the backdrop, is the **Sweet Child**.

The AI generated music presentation using advanced graphic tools is nostalgic hat tip to the retro era of the 50's and the 60's,

But then, there is a strange juxtaposition of a star gate/**portal**; and presidents, with "red folders."

The last, seen passing thru the portal?

Is this backstory indicating the awaited, the long-withheld advanced technology? [here](#) and there is the line about 'free energy'.

Well, keep in mind **the ode 250** does use the following line

***'is it going to be free energy forever; or
continue to be the same, old, grind'.***

Evidently, big change is around the corner. The "other physics," torsion field energy, medical problems solved, quantum computing released, for the 'golden age.'

Perhaps it can mean they are hallmarks of the

"Great Awakening", with patriot idiom **"we all go one."**

Stop and think?

Does that mean there is more about Unity Consciousness than first thought?

Surely a profound change will occur, like attitudes to right vs wrong and good vs evil is about to play out, bringing about justice for the wrong and then bright future, yes it must arise.

Right?

Innovations. **Yes**

Releasing Suppressed tech. **Yes**

Peace. **Right?**

But with all this

Is the blinding obvious exists what's with the **portals**?

What then comes with the **spiritual** "slipstream"
by virtue of the Portals featured?

Is the **Sweet Land ode 250** conveying something,
not so obvious which is the intrusions of the burgeoning strivings of
Spiritualism and the **Law of One**?

The L1 has been proven contrary to the First Angel
Let alone why HWM is Alpha & Omega.

You be the judge.

Sweet Land Ode 250

brings to memory the 'great years' of the baby Boomers, the reminiscence of ample opportunity, of innovation, of freedom.

It can be said a sophisticated AI music genre such developing this **Sweet Land ode 250** is a "Q" inspired iteration. Validation is the captioned by the number #4559 and allegiance to the flag = [here](#). Be that as it may.

Restoration, hope and life of the pursuit of happiness and Unity. But is the **ode 250** in fact a theological matter, all reorienting to **One nation, under One Gd.**

Well yeh!

But what theological road does that take everyone down?

But how urgent is this for one's attention and what does it ultimately bring to the fore?

Well, when it comes to **portals** being prominent there is To be reckoned a **spiritual elevation**, and hitherto previously unknown and definitely not to be ignored.

The ultimate "portal" is found in Revelation 9 a key opens the bottomless pit.

By now you should be able to see something, which is the fact portals will only vouchsafe, one theological concept.

Which is what?

Answer

the **Law of 1.**

Spiritualism, portals and occult have been the doyen of the channelers and magans and warlocks for thousands of years and what about in the context of the Luciferian era?

Well, one thing becomes obvious the **Law of 1 theology,**

will never be advancing the

Law of Two of John 1:1

Does **Isaiah 8:19** now come to mind?

So, why is it the case that **ode 250** need to be "synched" with the mysteries of the portals for the great awakening, advanced tech and the imminent golden age?

Either way, whether it's now or later, no amount of side stepping or fence sitting, will suffice;
everyone will have to
'pick a lane'.

Everyone has a decision, and turns on the details of the First Angels warning and if you got to this point and have a few issues digesting the **ode 250 SWEET LAND** music,

then grow up

Ultimately, you are dealing with the First Angels warning

And **the L1 will leave you at** the cross roads

over John 1:1;

Whereas, the **Law of Two** is Heavens Freedom or
be led astray and remain shackled to the L1.

It is The Omega of DHs.

This theological fact is not
way out in far-left-field,
as many, of you would
conclude.

Portals

Think for a moment. Portals?

Yeh portals

and why need they be prominent in this
AI music and ode to the Future of
the **SWEET LAND of the USA.**

So, really!

Ought Christians need be bothered?

Well, Jesus in Matt 24 said deception will be rife
and so why wait till then to find out?

Fact is yes,

Spiritual portals do lead to new beginnings, of access to other dimensions. It's a proportional tool or conveyance unto "spiritual healing", that is to encourage **spiritual** growth and **not** by force, but by attention.

Portals can be described as an energetic gateway, or doorway to the Universe that connects one's mind to the higher state which is a state to higher level of consciousness, of an infinite dimension, and then to energetics of consciousness of bliss or Nirvana or energetics to or from another realm.

The **Spiritual** Realm, is a very deep topic and the consequences that arise, will render eventually to awkward decisions
Even at a time when one is powerless to prevent the existence.

Yes, the **L1**, will be palpable.
There is no escaping the snare.

Therefore, as we all now head to the era of the Apocalypse
Any mention of a **portal** is a reference subtly involves a doorway to the darker domain of the so-called light of
2 Cor 11:14-15.

And just as an aside, we are hearing this **Sweet land Ode 250** in July 2026, and for those who can add up, there's 3.5 years to **2030.**

Detail **that** coincides with
the well published "**Agenda 2030**"

Ppl who adopt and follow **that** agenda rely on Daniel 9's

70th week.

Is that a valid prophetic tool?

Many say it is, and they believe, it
has to have a bunch of potential.

But No
it's a big distraction,

to the events of Rev 17
of chapter 13
and as you will discover
and the ten kings

and with this detail comes a variation
with the meaning of Church and State

The Sweet Land, 250 ode to America,
includes not only the presence
of the "**portal**"

but there is a scene where there is the speaking thru the portal
to the other side.

This brings dimensions of altered space and time.

So what are you really dealing with ?

A state of "consciousness" connected to
an unknown realm

The so called 'benevolent beings' aliens,

yet they remain what they always were
fallen angels in disguise as
Federations of benevolent beings
With 'profound' messages
of 'peace' and
guidance?

Channelers, magans have been at this form of alchemy for a very long time.
Exponents all know this involves the state of higher consciousness, offered to
Eve and they believe there exists an inner godhood,
'sparks' monads.

Its sentience means to escape from the material
world of evil and to the
Spiritual realm of good and right doing.

But then, since there the gravitational pull of the spiritual slipstream just
mentioned is exceedingly strong and nearly
Undetectable and it is something like a
spiritual interlocutory,

for your spiritual peacefulness
and there It is, the **portal** again

reaching out to those intrigued,
who rightly hate the farce of religion,
yet still want to tap into other
dimensions and there exists of a 'power'
and a solace of an inner power
long sought
and ironically of all things it ties in
with the UAP disclosures.

Fourth of July **Sweet land ode 250**

is this a prelude announcement to
the renaissance of the USA.

The golden age.

From every angle you wish to consider,
There is the full potential to elevate the 'consciousness' of mankind from
immaturity to the foremost spiritual, development to **we go one all**

And had you noticed
they all claim every time
they say

there is ONE GOD?

Which from the portal perspective is the
"Source", the "Universe" the energetics
but what are you really encountering?

Certainly doesn't agree with the
First Angels warning. And the
Two Anthropomorphic Divines en arche. John 1:1

Sweet?

OK, here is a question.

Does God make a cross-reference to the **sweet?**
Yes, the command is

"Thou must prophesy again before many peoples, and nations, and tongues, and kings."

Which is **sweet** in the mouth,
but **bitter in the stomach**.

Does it mean the **Sweet Land Ode 250** will also
be bitter in the stomach?

Bitter in the stomach is definitely the
not optimal scenario, for a state of unity consciousness,
or elevated spiritual development.

Right?

The fact remains forever
the **Elohim of the L2** have and will permanently be
contradicted by the **L1** by way of a state of consciousness
and the need of portals.

Isaiah 8:19 is the reminder right?
Vain philosophy and the occult.
How?

For those who don't know, Is there a reference by Gd
to "Sweet".

Yes, there is a **sweetness" Rev 10 style**

And keep in mind, **it's in the days
of the 7th angel."** When time shall be no longer.

Well, there is more to consider.

Sweet Land 250 ode portal sees something else involved

Which is what?

The Second B of Revelation 13

Ironically, in the **Sweet Land of the Second B**

This is a different beast, to the first Beast

and not part of the 10 contemporaneous kings of Rev 17
or the transition over to Rev 13 combo
and those ten of Zech 8:23.

**The Sweet Land of the Second B
places a twist to the matter
of Laodicea's notions of
Church and State,**

But, before this aspect is briefly discussed
there is need to mention the foresight
of the Biblical millstone principle
of Matt 18.

Millstone principle

The restoration of the **Sweet Land** for the **sweet child**
rightfully gives full focus to children.

What is it about the Millstone principle of Matt 18:6 and the grievous sins against children?

A long-held dark secret about the sweet child down thru history and Christ made this known.

Matt 18:6

Seems, what we will soon find out sins against the children is the core reason for the "Rev 17:16" destruction of papa pointy hat (Pph) by the ten kings in **one hour**.

Seems there will be no stopping the disclosure of the great sins, = crimes against humanity, it will galvanise unity for the sweet child against evil and all unrighteousness.

Then, if Rev 17:16 is true,
The destruction of Pph,
is true.

For those familiar with the Bible,

God actually commands and takes the 10/10 guys to dole out the fullest disdain and destruction who **hate the whore**
and do Gds bidding in that **one hour** to give their kingdom unto the First B and destroy Pph

Rev 17:16-17.

17:16 And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.

17:17 For **God** hath **put in their hearts**

to fulfil his will,
and to agree,

and give their kingdom unto the beast,

until the words of God
shall be **fulfilled.**

17:18 And the **woman** which thou sawest is
that great city, which reigneth over the kings of the earth.

So, with that, what about Church and State?

Church and State

Revelation 17's ten kings, are there **to fulfil Gods will.**

OK.

So, does Rev 17:16-17 carry a need for a brief note to reconciling the meaning of **Church and State?**

Of course.

Laodicea's evangelism and religious liberty
thrives completely upon the concept of Church and State
as the basis of developing the events in Rev 13.

The big problem is Laodicea has no answer why the Purple hag of Rev 17:16 is destroyed and has no part with Rev 13.

Right?

How do you articulate accurately Church and State relations in the **Sweet Land** after the destruction of Pph?

Christ did explain a few things already.

He explained in Luke 21

When you see what **Jerusalem**
no longer trodden down of the nations
you will then encounter the **summer** of the **Fig Tree**.

He then stipulated there is a **snare**
the other fact remains that '**this generation**' living in
this era (yes, our era) will what?

Verily I say unto you, This generation shall not pass away, till all be fulfilled.

Restoration of the **Sweet Land**, is also combined with focus of peace in the M. East?

But what's not seen by every Joseph / Joanne out there
is the high summer of the Fig Tree and why that
initiates the snare as it relates to the 'law'
of Isaiah 2

HWM did emphasise

“for as a snare.”

So likewise ye, when ye see these things come to pass, know ye that the kingdom of God is nigh at hand.

³² Verily I say unto you, This generation shall not pass away, till all be fulfilled.

³³ Heaven and earth shall pass away: **but my words shall not pass away.**

³⁴ And take heed to yourselves, lest at any time your hearts be overcharged with surfeiting, and drunkenness, and cares of this life, and so that day come upon you unawares.

³⁵ **For as a Snare** shall it come on all them that dwell on the face of the whole earth.

What snare exactly?

The events are set forth in their sequence in Luke 21.
One can follow the accurate unfolding of events with 100% surety.

Shiela Holm [Here](#) provided American patriots an extremely rare insight, but never joined the dots relating to the theological mountain peaks and how the snare of Isa 2 eventuates as in the **law of 1**, the 7N.
Notice the development [here](#)

The theological problem for Laodicea is this.

Egw provided no commentary for Revelation 17:16
same as with Isaiah 2.

This is understandable, as to why Laodicea breathe life
into the expectation of the NSL

but then Laodicea have had plenty of time to identify the **Omega of DHs**
particularly **why** Egw said it would be "received" and "[trembled](#)" but
Laodicea ignored the counsel and its embedded in FBs 2,4 in the 28FB.
Laodicea ignore the raw details what Egw said also about neglecting the
sealing time and the seal of Gd. Laodicea say the Sabbath is the seal of God
whereas the Bible definition is found in Revelation 14:1. RSV, ASV etc

So, can anyone explain how Laodicea will recognise the twist in the tail and
the change in the Church and State problem
arising with the **L1?**

Laodicea completely ignore the Law of Two, and officiated this by instilling
the Omega of DHs into their 28 FBs

And that terrible blindness means they cannot
see there is no NSL due to Rev 17:16?

Egw wrote in 1885 the famous conclusion [here](#)

“Protestantism **clasping hands with spiritualism**”
and then “national ruin.”

“our country ([SWEET LAND?](#)) shall **repudiate** every principle of its Constitution as
a Protestant and republican government and shall make provision for the
propagation of papal falsehoods and delusions, then we may know that the time
has come for the marvellous working of Satan and that the end is near.-

Due to Revelation 17:16-17 it's easy to see the twist of Scriptural detail since the propagation of papal falsehoods is **impossible**, but Laodicea accepted the papal falsehoods

of the Triune Trinity FB 2 and God the Eternal Son FB #4

so who is kidding who?

"National ruin" Egw spake about, without the NSL seems to be an impossibility.

Yet, very few realised the *repudiation of every principle of the Constitution as a protestant and republican govt* occurred at the **102nd Congress**. Shiela Holm set that out for the wider readership for patriots of the **Sweet Land**. [here](#)

Yes, in easy-to-read format but unfortunately never drew the conclusion of the levels of occultism that is applied to the L1 let alone portals and their deep void of spiritualism.

But thank God for Revelation 13:8-9

But for only for the A&O of HWM

the Lamb Slain from the Foundation of the world (LSFBTFOTW) exists

and all the while it was

confirming the L2 as the crucial matter,

of the ER of HWM in Rev 13's 1290 days.

The First Angels warning is all about the L2

And this warning prevails thru Revelation 13 and the 1290 days.

If this was non-existent we all would remain

ignorant only to be ensnared to the L1. Right?
Shiela errantly described echad as a special formation of unity.

Yeh, the ultimate theological argument that leads the world to accept Deut 6:4 and the L1

Besides, why would HWM in Luke 21 call out the snare ?

and then everyone distracted with the MoB and the image and the 666, and yet they all ignore the power of the L2 and its implications with the sealing time?

So, you really have a twist with the rationale of the entire context of Church and State as a discourse with Rev 13.

And Laodicea are already snared by FB 2,4

Let's just say it.

Everyone is dealing with the very deep trickery and deception of spiritualism.

When it fuses unity via a portal that 'we go one all' the fact is the sentiment of patriots are still none-the-wiser when the repudiation of the First Amendment by the 102nd Congress by Joint resolution is already effectual law.

Regardless of the golden age.

Right?

**What is the true profound and deep spiritual theology of
Rev 13:8 and L2 of why Christ is Alpha and Omega
that constitutes the seal of Gd and therefore
true unity with HEAVEN**

**When the first and second B are part of the
same chapter.**

The question is
But why?

Ok.

The bigger contextual question about the Apocalypse is what is conveyed in
Revelation 13:8-9 and why it defines the background of the Eternal
Righteousness of HWM and
the Law of Two.

And by consequence
must include the Three Angels Messages.

Now follow closely how the Scriptures address all of this

It was the initial illustration of the Lamb
That was slaughtered prior to the fall of Adam
And introduced when Adam and Eve were told
To remove the **fig** leaves and place upon themselves
The animal skins.

The one who restrains and is removed toward the end of the golden age in
the Sweet Land of the Second B appears to
Be Allos which brings in the time frame of that
Wicked one whom the Lord shall slay with the

Brightness of his glory.

Needs to be kept in mind that $554 + 1290 \text{ yrs} = 1844$
Wherein the Sanctuary Day of Atonement ushered in.

So what do the **1260 days** of the First B involve = troddening under foot and is the same time frame of no measuring the court and then there is the **final +30 days**
= the abomination Desolation = Matt 24:15.

The final witness if Rev 10 is appropriate would include a second group after the finished work of the 144 which
Would be the "great multitude" of Rev 7

and there is the antitypical of Rev 6
whose heads will be removed and this
Is indeed a bitter time the Apotelesmatic events of Rev 6.

Then all probation closes during 7 last plagues.
This appears to be the **+45-day** period for the
Blessed and expectant ones of Dan 12.

The Davidians have a belief that they will be
Taken to a place of safety in J city but though its
far-fetched could there possibly be a rapture
Of the 144, to be taken to Mount Zion as the first fruits
Who represent Elijah who was taken up in a
Fiery chariot and then comes the second portion
Of the Great multitude who like Moses experience
Death? = Apotelesmatic of Rev 6?

It's the work of the 144, to give the **first Angels**
Message during the time frame of the 7th King

That is why they haven't been contaminated with
Women = the New post-Protestant reformation.

This is where harlotry takes place.

The First Angel deals squarely with the
God the Eternal Son FB #4 problem
which later turns into 7N
during the cry of the third Angel.

There is a teaching going around that states
That all churches outside of the Pph were
Founded by dissident leaders

No doubt that this is used to establish the primacy of the Pph.

The problem is who established the Roman
Church which outwardly professed to be the
True Christian church?

Yet, her doctrinal teaching veers off from the ER
of the Melchizedek ministration which
Began with the Ministration of
Eternal Righteousness

Whose Continuity was revealed to Abraham in the form
Of Passover and unleavened bread being
Symbols of the Lamb that was slain prior to the
Foundation of the world = wine = blood =
Slaying of ER with the bread coming down from
Heaven.

This was stated by Jesus metaphorically and entails the concept of the **New Vineyard** since the previous tenants were cast Out.

The **Old Vineyard** was replaced by the new One In Matthew 20 and confirmed by Jesus As not being present in any city or mountain in This world and this would entail the 3 sections Of that same great city.

Jerusalem city which includes the 3 T Enterprise as well as a Mecca of the Friday guys and V city who to this day are three centres of religious influence and Power.

The statement by Jesus relegates the True church to his statement in John 4:22

Yet this statement has its fulfillment in the Teaching of the **true Olive tree** whereas some Of the branches that were cut off,

mainly the tenants being represented by the wine and leavening Process were booted out to make way for the **ER of the New Vineyard** that was **ushered in**.

Whereas the V city and Pph does NOT adhere to the Wine and bread as being metaphorical symbols of ER.

And Have taken the disgust of the 70 who no longer

Walked with Christ in relation to literalism to a new
Level which negates the once for all perfect
Sacrifice and **repeats** it on a **24/7** days
a week basis By the human work
of **Transubstantiation**

being **their** 'continual' ministration which they believe is
Jesus high priestly ministration which in reality
supplants Jesus true 'daily' the **continual**
ministration

in the form of agendas 3-5 of the Heavenly Sanctuary
Which culminates in the resolution of
the sin problem

And how?

By way of ER as stated in Rev 13-8,9.

This means the concept of the woman riding the beast = church and State
hand-in-hand is

That the teaching of V city

actually resides in the
Old Vineyard of **crucifying HWM afresh** by their
"continual" concept of the Mass by way of an altered
Christos and also by way of the Mariolatry

Do you also now see why Pph is destroyed
by the 10 kings in one hour?

Whereas there is the deeper profoundness of Eternal Righteousness in the following

1 Melchizedek ministered in heaven as the centrepiece of Sanctuary theology John 4:22

2 The Sanctuary ministration moved to earth as primordial burnt Offering.

3 Moses built Sanctuary according to the heavenly. Heb 8

4 Jesus died on cross

5 transgression of desolation Daniel 8:11-13

6 Daniel 8:14, 12 and 13

7 Tabernacle of congregation spewed 5:00 PM

8 Back to imposition of 'Old Vineyard' at the 3T

9 No measuring for those in the court Rev 11

10 the "continual" ceases, for the abomination desolation Takes place.

These ten points are quite important when you are working on why there is the twist of separation

of **Church and State.**

**As it is applied in the 1290 days
of the abomination of desolation**

The question but why?

Viewed from the vantage point of the Bible,
Church and State is not the real war of Rev 12:17,
Because there is in reality a bigger
spiritual war. That commenced in Heaven.

The **First Beast** according to **Rev 13**
and **Isaiah 2** is a THEOCRACY.

Robert Meyer [here](#) stated

“People frequently confuse the idea of church/state separation with a "theocracy." While a theocracy technically means "Rule by God," the main feature of a theocracy is a nationally acknowledged and formal bilateral covenant with the Almighty.”

Therefore, in its simplest form

A THEOCRACY is **not** Church and State.

A THEOCRACY in its ultimate expression, is all about the L1
and its transcendental formation is the hallmark of the
pinnacle of spiritualism.

The war against God.
Yes, The war against
the First Angel
of Revelation 14.

Rev 13 describes the theocracy problem, in full.
Then there is the details of Isaiah 2 that gives rise to exclusive patronage of a
theocracy by any national govt. How?

And **they** worshipped the dragon
which gave power unto the beast:

and **they** worshipped the beast,

saying,

Who [is] like unto the beast?
who is able to make war with him?

13:5 And **there was given unto him** a mouth speaking great things and
blasphemies; and power was given unto him to continue forty [and] two
months.

13:6 And he opened his
mouth in blasphemy against **God**,
to **blaspheme** his name, and
his tabernacle, and
them that dwell in heaven.

There it is amplified by Gd
the same First B imposes a "LAW" (Isa 2:3).

Whereas, The **Sweet Land of the Second B** augments
this by way of a transfer of power.

What happens?

At the end of the 42 months of the First B of Rev 13, is well known and Gd
then says the **Sweet Land of the Second B** delivers this same momentum of
exclusive patronage

of the First B, and the 3T.

But on this occasion in the **Sweet Land of the Second B**
It is under the auspices of the MWFP

That in the last 30 days of the 1290, what you have is
the outward manifestation of the **L1** where the
Lamblike Beast is a full dragon speaking.

And so, surely you can see the old notions of Church and State fall flat on
their face and there is definitely a twist in the tail
due to the fact Gd said they
worship the Dragon

and the **First B and** then Also
the **Sweet Land of the Second B**
speaks as a dragon

and makes war

with everyone who **defies** the Law of One in full acknowledgement which is
against the Law of Two of John 1:1.

Resulting in what?

Resulting in Rev 20:4.

This is intentional result as noted by God and keep in mind there exist another
group in the Sweet Land of protestant reasoning who would arise as the sun
was setting in what is known in Revelation 10 as there is time no more.

Revelation 20:4 is describing a Two-tier scenario.
Glorious for the testimony of the L2.

The wall or breaching of the wall of the L1
appears to be a
Perfect witness = NO GUILE
but with the other tier which involves the
Added feature of martyrdom as noted in Revelation 20.

Right?

Laodicea Places excessive emphasis on Church and State with Rev 13 as being
PPH. Can you not now see the predicament?

and yet, Laodicea cannot see the backdrop of Zech 8:23, the 3T, the Ten kings
or why the twist changes with respect to Church & State, all the while there is
the 8th King
guy of Daniel 8:23-24.

The Laodicean concept of Church & State, as understood as
holding hands with Pph collapses.

Why? Rev 17:16

But also,
Egw said **Protestantism** (not the State)
clasps hands with spiritualism.

God said the spiritualism in the **Sweet Land of the Second B**
is courtesy of MWFP.

Also, **Spiritualism's Law of One** is the ascendant doctrine for 3.5 years and
rule of the 10 kings global realm.
Its zenith is the +30 days in the **Sweet Land of the Second B**

But as for the Sweet Land of the Second B

the First Amendment was already breached perfectly in the 102nd Congress.
No one protested.

Where have been the Protestants

Anyway? [Here](#)

Gd said the **10 kings** destroying the purple hag.
That is **not** in the **Sweet Land of the Second B**

Since when Rev 17:16 is effectuated in one hour
A huge spiritual vacuum arises.

That alone brings the fullest purpose of the Loud Cry **against** the Law of 1
which means the imminence of the
Wicked One, the dominance of the 2Thes2 guy,

You now have the context of the two beasts and spiritualism of the 1290 days.
The only way to respond with the power of Heaven to the prevailing iniquity,
is the Law of Two

and you now know why Rev 13:8-9 exists in Scripture and why the LSFOTW
is the critical issue about the **L2** of John 1:1 concerning the Loud Cry and what
Follows the Loud Cry is full the spectrum spiritualism
of Rev 13 goes into full swing.

If you have eyes to read you will see this.

The restored Republic of the **Sweet Land of the Second B**
is at the +30 days of the 1290 is now also a fully-fledged THEOCRACY whose
Dragon power

was transferred directly over from the 3T,

where the 10 crowned kings bidding fullest service.
For the 2Thes2 guy

How?

Luke 21:24-35 gives you the events of our time, the bigger picture. Fulfilment of the times of the nations
and then there is the summer full bloom of the Fig Tree.

And the snare is not Church and State but the 3T of the First B and as Isaiah 2 said it is the L1 as in its full 360 spectrum of spiritualism.

HWM said watch the summer of the fig tree or be caught in a snare, we are told what to watch and spiritually prepare.

There is obviously a problem with a **Church & State** as ones sole focus. And why?

Well you already saw how Gd said
the **Sweet Land of the Second B** only goes into 'action'
with the **last 30 days** of the 1290 of Daniel 12.
Yes, Rev 13 has 1290 days involved and includes the 42 months.
But The plus one month (+30 Days) is the doozy.

So what's the point then of Laodicea talking up
Church and State with Rev 13
when time the **Sweet Land of the Second B**
duration prophetically is 30 days?
Hey, Guys,
this the 3rd woe,
very end the THIRD WOE.
Time no more, and

then transitions to the 7LPs of Rev 16.
This event is post 1290 and is
the +45 days to the 1335 of Daniel 12.

Woe, woe, woe.

The Entire irrelevance of the Church and State at this time is the fact all the power of the First B, at leopard-like speed occurs and the "**Lamb like B**" ascends and now is to **speak as a Dragon** since all power of the First B is transferred to the Second B.

You are at the time of the Third Woe

The Third woe duration is 30 days to the end of the 1290 and the warning of the Third Angel is real and it's all over the Law of TWO v the Law of One and then there is the +45 days and the 7 Last Plagues. With time being cut short.

Those are the events.

If one cannot now see its summer and restored fig tree is in full bloom by way of changes already to the first Amendment by virtue of 102nd Congress then was Jesus incorrect about the resurgent Fig Tree?

No wonder Laodicea cannot see the 3T as holding
The entire answer to the question of why?

The question then is since Pph (the purple hag).
At the time first part of the second woe
The importance of the SEAL OF GOD takes
pre-eminence.

The daily continual ceases
then abomination of desolation takes place
this then has to do
with close of individual probation.

Not to mention the sealing and SoG.

When seen, the war of Rev 12:17 is reflected by the details of Rev 13 and 3T
enterprise with ten crowned kings
And one should be now looking for the **arrival**
of the 7th king.

That king **must continue a short space.** Rev 17:10

Since Tovia says Friday guys are 7N
And the earthquake at Great city involves
three sections.

The RCC is leaderless, destroyed by 10/10
contemporaneous kings of Rev 17.

So why bother with Church and State
when the era of the 8th king of Rev 13
is Luciferian.

HWM said the Abom of Des (Matt 24:15)
Means a supernaturally charged behest against
The "continual" daily of Melchizedek but despite
Whether you shrug or say it is still all about Eternal Righteousness

and the Law of Two.

Not the flux of Church and State.

The first thing is if the "continual" ceases, then individual
Probation had ceased
But is it ?

when the prophesy again Rev 10
Includes the 2W of Revelation 11?

This anecdote of the metaphors of Revelation 11
Means ER still offers ER and forgiveness. But

In respect to individuals with the Everlasting Gospel
by way of prophecy again
In the days of the
7th Angel.

ER is the Everlasting Gospel
And teachers of Righteousness are not only at Loud Cry
but thru the 1290-days of Rev 13.

As to why the L1 is not about the Eternal Righteousness of HWM, the First
Angels warning
let alone HWMs Identity
as Alpha & Omega.
The Everlasting Gospel is in defence of ER
Of Melchizedek and order of Melchizedek.
The war of Rev 12:17.

The first angels warning brings out the
Loud Cry of the **L2** and features prominently.
It's coupled with the Third warning and second.
at this time.

The 5th trumpet commences the first woe.
Rev 8:13-9:1.

A key opens the Bottomless P. The portal of portals

The fury of the demonic hoard ensues with
The **L1** - a global unified unity.

At its foundation
Is the **Omega of DHs**

Fullest rage of the First B is against Christ's Eternal Righteousness and its
Dragon war is a dire fury
For He being of the order of Melchizedek.

[Here](#) [Here](#)

The **Law of 2** is the **spiritual bedrock of John 1:1** as well as
the First Angel warning and remains the Divine Truth concerning Alpha &
Omega status of HWM.
