

*"Watchman,
what of the night?"*

*"The hour has come, the hour is striking, and striking at you,
the hour and the end!"*

Eze. 7:6 (Moffatt)

**"After the truth has
been proclaimed
as a witness to all
nations"**

We stand today 134 yrs after this counsel. There has been prophecy fulfilled, others set in sequence in process of fulfilment in 2026 with events in the immediate future confirming we are all heading to the era of the Apocalypse as confirmed by HWM. Verily, the **abomination of desolation as spoken by Daniel the Prophet.**

When you look at the Biblical structure of "**After the truth has been proclaimed as a witness to all nations**" it was set out in [RH Dec 13, 1892](#) you will discover a lot of exegetical soundness but at the same time strong challenges for Laodiceans.

That's important to recognise.

Now, in your review of Scripture surrounding this counsel which has a prophetic marker defined by Jesus, have you determined what does it mean every conceivable power of evil will be set in operation? Is it **ugly evil**, as everyone believes?

Or the innocuous, subtle apparently unblemished variety little perceived as evil.

The **"nice"** version that hides error in plain sight and yet it is believed to be truth.

Jesus called that deception. Matt 24:24.

In other words, this is exactly what the Omega of Deadly Heresies achieves. So, sit back and take your time.

Every conceivable power of evil is the overmastering effect of the mystery of iniquity, it achieves very subtle fraud about truth, And therefore 'truth' seems to be always 'good truth'.

Yes, the full spectrum of deception.

So, you are not wasting your time, with this discussion when you closely compare events given by Jesus, that give you the sound Biblical structure and for that effort you get to see a lot more things about prophecy that are **never discussed**.

There are a lot of ironies when you take this discussion seriously.

But will you?

Read slowly

After the truth has been proclaimed as a witness to all nations, **every conceivable power of evil will be set in operation**, and minds will be confused by many voices crying, “**Lo, here is Christ**, Lo, he is there. This is the truth, I have the message from God, he has sent me with great light.”

Then there will be a **removing of the landmarks**, and an attempt to tear down the pillars of our faith.

A more decided effort will be made to exalt the **false Sabbath**, and to cast contempt upon God himself by supplanting the day he has blessed and sanctified. This false Sabbath is to be enforced by **an oppressive law**.

Satan and his angels are wide-awake, and **intensely active**, working with energy and perseverance through human instrumentalities to bring about his purpose of **obliterating from the minds of men the knowledge of God**. [= L2]

But while Satan works with his **lying wonders**, the time will be fulfilled foretold in the Revelation, and the **mighty angel that shall lighten the earth with his glory**, will proclaim the fall of Babylon, and call upon God's people to **forsake** her.

[RH Dec 13, 1892](#)

So, who of you have taken the time, and had a really good look at the Biblical Structure of this counsel?

If you haven't. Why not?

How can you ever have a solid grounding of Scripture in our age the last generation. HWM said there would be a time when many 'false christ's'. This must be noted.

Midst the basic Biblical structure set out in [RH Dec 13, 1892](#) a lot of answers exist in tracing end events not set out by Egw and there arise serious conclusions. But most of you should know Egw said '[don't quote Sr W for doctrine.](#)'

But the padres, the elders, do.

And that's your basis of truth.

But it's what Egw didn't say that requires the full trust in the Bible and the Bible only. Egw set that out in GC 595.

But the problem is this,
for a ppl who were once known as the 'people of the book' those who should know, but today don't,
cannot explain the train of events that arise with the
First and Second Beasts of Rev 13 . So what does
after the truth has been given as a witness ... really
mean anyway?

And why bother?

Oh, the cares of this world really intrude.

Therefore we need to also discuss what Egw meant
by "time and place must be considered."

Which means –

More light was to arrive.

Unfortunately, ignorance is the common spiritual currency today. Very keen to know and have the hunger of Righteousness yet refuse the obvious? It's really tragic.

That is quite distressing for those
who sigh and cry for the abominations...

Read the 3-paragraph counsel in the following,

“The true people of God, who have the spirit of the work ...”
[here](#)

So, you completed reading the three paragraphs.

it's time to review the Biblical structure

of the RH counsel from 1892.

The Biblical Structure

[RH Dec 13, 1892](#)

Mark 13:10 Truth Gospel published to all nations

Luke 21:24 Times gentiles **fulfilled**, landmarks of the faith altered.

Luke 21:25 celestial events sun moon stars = trumpets 1-4

Luke 21:29+ Jesus confirms the Fig tree and high summer bloom and the last generation.

Luke 21:35 The great snare = **Omega Deadly Heresies** and no way to escape

Ezekiel 9

Rev 7 **critical detail.**

Rev 18 Fall of Babylon.
The mighty angel = **Loud Cry**

Inclusive to the above are the additional overlays (plural) of

Rev 17:16 Actions of the 10 kings by “will of Gd” renders the ‘false Sabbath’ **impossible**.
the 8th king is a Sabbath keeper.

Zech 8:23 **Ten men** join the 8th king of Rev 13

Rev 8 First of 7 trumpets commence up to and including completion of the **first woe**
all **prior** to the 1260 days

Rev 9 **Second woe** announced

Isaiah 2 Isa 2:3 enacts “oppressive law” the theocratic **Law of 1** contrary to the liberty of the **Law of Two**,
John 1:1

Ten men recognise 7N, are crowned, = Rev 13:1 the First B in the era of 1260 days, the Abomination of Desolation (apocalypse) = (Matt 24:15) is 1290 days

Add now to all the above the entrance of the 2 Witnesses of Rev 11 in the same 1260 days of Rev 13. And released is the Beast from B pit.

More detail exists to the Apocalypse
but that's sufficient for now.

So, why did Egw not set out all the Scriptures for you?

Why are there gaps in her own counsel, with
no commentary?

The answer to that is easy

but hey, what pains have you taken,
to be bothered to become

FLUENT in the Apocalypse?

Well?

Oh, There are many in Laodicea who rave on about Revelation's 'chiastic' structures and believe they have Revelation, all sorted.

Chiasms are novel, but the problem is that those who push this narrative, are unable to explain the many deep metaphors, or the sequences of events, accurately

let alone why the Eternal Righteousness of Christ
is the Three angels' message in verity,

or why it is found in Rev 13:8

or why the seal of Gd is
not the Sabbath.

Yes, the Apocalypse is renowned for metaphors
Yes, it is a struggle.

But then, it's too hard.
Give up!

Right?

So why did HWM leave all men that level of difficulty?

Why the following promise?

16:13 Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, [that] shall he speak: and he will show you things to come.

16:14 He shall glorify me: for he shall receive of mine, and shall show [it] unto you.

OK, now keep in mind Egw in [RH Dec 13, 1892](#) provided Laodicea a courtesy outline leading up to the Apocalypse.

The 'ppl of the Book' were meant to grow in Righteousness because of great advantages and privileges given. But what happened?

“Every conceivable form”

Every conceivable form of evil will be set in motion

to achieve what?

ANSWER

The theological **war** of Rev 12:17
led by the 8th king of Rev 17

But - Why the declaration in Rev 13?

“Who is able to make war?”

Answer

The first angel warning (Rev 14) provides the answer.

But it is not the Sabbath.

Read on to discover why!

Well, the answer of course relates to the question

who is able to respond to the declaration of war in Rev 13

Heaven tells you it is they who have the Eternal Righteousness testimony is
the Law of Two of John 1:1

God tells you there are they who are able to respond to
the 8th king's declaration and

make war against the L1

it's not that hard.

The **declaration of war by 8th King** has to be the complete converse of the First angels warning.

Right?

So, the answer sits there in 14:6-7

Where the L2 (John 1:1)
is confirmed by Gd
as the **First Angels warning**.

The 'sealed' warriors?

The first angel warning is NOT the L1

Because all along the answer just sits there
for all to see, there it sat
like for a long,
long time.

But Laodicea have changed their beliefs about God
to conform to the L1.

Further, the amplification of the First angel
is of course is found in **Rev 13:8-9**

That detail provides of a Glorious Divine elevation
of awareness about the **Law of Two (L2)**

in the war with **L1**

the war of the two final Beasts.

Right?

Who of you out there are brave enough, to challenge the L2 conclusion?

Keep in mind the 8th king **is a Sabbath kpr**

Isaiah 2 tells you where the
2Thes2 guy resides.

Resides where?

Yeh, Jerusalem.

Take a look.

So, the law cannot be the NSL.

Further, Jesus Himself confirmed in Luke 21
it's not false sabbath of the NSL in 1892.

The 1890s was of another time and place.

What?

Yeh, Jesus was telling you in Luke 21 about the
Fig T.

Right?

If you believe you can challenge the First B declaration
of war as given by the 8th king,
Who is the same king of Daniel 8:23 –
then speak up,

put your answer in the comments section.

You better have strong evidence

to explain why it's not the **L1**.

No responses will eventuate.

Does that mean you are already admitting
you are **unable to go to war** with the
First Beast?

Think about it!

HWM made something very clear.

What's very clear, are deceptive challenges will arise, as related to Matt 24:15
all from the 'spiritual guild' of "false christ's" and
Egw did mention that detail in RH Dec 13,1892.

But when you wish to appreciate the **real deal** of Biblical accuracy then its
HWM who fully qualified
what the First angel warning meant
and at the same time

He elevated that the answer was always to be the L2,
That He Himself was also God and an Eternal Father

And keep in mind Rev 7 is critical with what Egw said in RH Dec 13, 1892 in the sealing time and the seal of Gd. So that's also in the lead up to the Apocalypse. There **is no guile** and therefore those sealed respond to the war declaration of the First B with no guile.

Right?

Laodicea's problem.

The immediate problem today for Laodicea, is simple.

The **NSL** is no longer remains a viable exegesis.

Why?

Due to the fact Scripture tells you what is the '**will of Gd**' and that of course was what? The 10 kings, who destroy PPH and his 'great city.' **Rev 17:16-17**

The above is not in the Writings.

In other words, when dealing with the 'writings' of Egw she said your meat is the Bible, so USE IT.

Egw also countered '*time and place must be considered*' when applying the Writings.

But who are bothered to do that?

Seems not one Padre, Elder or the fancy academic at Seminary.

Right?

While a lot can be discussed as to these listed prophetic events and yes, they all are essential, the shocker when it comes to the matter of the Apocalypse, is not all the hue and cry about MoB or 666. That is not the critical detail of the chapter to be learning about.

What?

Decisions about the L1 mean the wrong decision will be peril.

Yeh, you read it correctly, 666 and MoB
is not the big-ticket item
not by a long stretch.

Why?

Well, if you cannot see by now why Rev 13:8-9 exists in Rev 13 and the many discussions here at 5A

you will never have a testimony of Christ
that defeats all the power of evil
set in motion after the truth
has been given, as a witness
to the nations,

let alone, even capable to see why, or even identify the principles of every conceivable power of evil is set in motion

As Christ said in Rev 13
if you have ears to hear, then, hear.

What?
Hear What, precisely?

what verse 8 means of course!

And then examine why HWM was slain **prior** to the Fn of the world. Paul tells you in 2Tim 1:9

Miss the importance of this rev 13:8 with John 1:1 and the Law of Two you miss entirely **why Christ is Alpha & Omega**

You have been conjured by the L1 already
nor do you know why Christ
is **not** God the Eternal Son FB#4
which is the Omega of Deadly Heresies of the L1

worse you will be powerless to stay the tide of evil in the church
and what's really bonkers is you have absolutely no testimony
of any accuracy about HWM in the declaration of the war by the First B.

The mammoth problem is this,

all the while your thesis rests with FB 2,4 and you believe that is a testimony
of Christ and Gd – the Godhead?
Well guess what – that is the same theological
Purview of the Two beasts.

Yeh the **L1**,
the Omega of Deadly Heresies is

Courtesy of what?

Yeh, FB 2,4 = L1

This achieves what EGW said in 1892 would occur

**Obliterating from the
minds of men the
knowledge of Gd**

The L1 sits in your 28FBs obliterating your knowledge of Gd

And what does this achieve? Leave you powerless
and completely USELESS.

If you think that's a harsh conclusion

Dang, don't you realise what Gd

Said to the Phillies?

They have what?

LITTLE STRENGTH. Read Rev 3.

Whereas, with **Rev 13:8** The Inspiration of the Scriptures is telling you this **war** of Rev 12:17 and Rev 13:4

is all about the Eternal Identity of HWM
for this is Divine Foundation of
Eternal Righteousness of the 3 angels' messages
in verity
and it is the

L2 of John 1:1

and that alone, will provide what?

the seal of Gd in the sealing time, which is
the entire point of Ezek 9 and Egw warning about that
leading into the era of the Apocalypse.

But, wait a bit

The Divine Junctures of the Eternal Glory of HWM are founded as the L2 and
that truly magnifies the testimony
and the power of Christ.

Therefore, the Man in Linen of Ezekiel 9 and the Seal of Gd in the sealing time
is precisely why Egw provided some serious counsel.

But who cares in Laodicea anyway.
Even if they read it, what then?

Oh, Padre and elder say
Must work **harder** about **character perfection.**

Right?
Right.

Padre says, No BAD words from thine lips.

This is blundering with the semantics of the CP
and those with this view all hold
the wrong focus,

it's still self-Righteousness.
Another version of **the L1**.

And mind you, when they don't see the need to apologise for their own
blunders, are bewildered when a blast bad words were sent their way.

Right?

Right.

The **weakness of RxF** has been discussed at length previously it's incumbent
to know why there was the
serious counsel

"After the truth has been given as a witness to all nations ...

Well, for one thing for those dependent of the Writings.
Yet, they pay little attention to the words of Christ?

Right?

So, it gets back to a major prophetic marker to determine when 'the truth has
been given to the nations' and what follows in train in the Biblical sequence.

What is stunning in Laodicea is the Scriptural illiteracy, when the importance
of the sequence in Luke 21 also involves the
Law of Two of John 1:1.

Right?

What is the importance of Christs Eternal Righteousness?

Oh, nothing-less than being the essential driver of discovery, and why the Key of David = L2 is Divinely inspired to expose the "oppressive law" L1 of Isaiah 2:3 in the time of the spiritual declaration of war by the First B

and keep in mind

Isaiah 2 said what would arise in the time of the resurgent supernatural work of Satan and lying wonders just as Jesus warned with the emergence of the FIG TREE in SUMMER after the fulfilment of (Luke 21:24).

Yeh, Luke 21 again.

So, what arises from Isaiah 2's conclusion about the "law" Is just as Isaiah said would occur but where is it declared? Isaiah told you, it would arise in the city of Jerusalem.

2:3 And many people shall go and say, Come ye, and let us go up to the mountain of the LORD, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word of the LORD from Jerusalem.

What is this law?

Nothing less than the L1.

And the **fig tree** is what defines with 100% accuracy the events of after the truth has been given as a witness to all nations

and Luke provides everyone with a **strong prophetic reference of the hour we live and**

confirms why Rev 13 and Dan 8:23 exists in Scripture
and why Zech 8:23 explains the same
conclusion as Isaiah 2 and in
the sequence of Luke 21.

So, what are to understand about this development [Here](#) ?

That every power of evil would be set in motion (has been set)
and is to culminate by way of Rev 13 and Isaiah 2 sets the agenda of the **law**
[L1] and guess what,
is occurring now!

And nothing can stop it!

Those wrapped up in their self-importance of 'chiasms'
And the NSL not realising that Egw holds no commentary to Rev 17:16 or
Isaiah 2, But Jesus gave you the commentary of commentaries.

So how will you explain your tenacious hold to ignorance,
like as to what is to begin in November this year. [Here](#)

The second last paragraph CONFIRMS what Jesus said in respect to the times of the nations fulfilled **and** the summer of the **fig tree**.

That is all after the truth has been given as witness to all nations

What is stunning are the similarities to Theodore Herzl's goal back in 1896 [here](#). But today the transitioning of summer is happening in real time establishing what Isaiah 2 meant would occur anyway.

Should bring [chills](#) to your spine.

The bloom of the **Fig T** is in full progress
Jesus said it would arise and yes, it is all
There in Luke 21.

Do not surf past the above detail.
Just slow down.

**Now notice what is in
the same testimony**

RH Dec 13, 1892

At the time of the **loud cry** of the third angel those who have been in **any measure** blinded by the enemy, who have **not fully** recovered themselves from the **snare** of Satan,

will be in peril,

What did that say?

"You will be in peril"

You will be in what?

Peril.

God provides the very last decision about the L1 which is the Loud Cry that follows the destruction of PPH and there is no neutrality at that time of the LOUD CRY of Rev 18:1-5

Here is the Laodicean problem.

How can Laodicea give the Loud Cry

when it's not about NSL?

Right?

Laodicea is desperately unprepared.

So, what does **peril** mean?

Answer?

Laodicea are to be recipients
of the Loud Cry.

Why?

Because for Laodicea, held to NSL and failed to deal with the Commentary of
God with
Isaiah 2 and Rev 17:16
because Laodicea have
no commentary by Egw.

Yet it is there, in RH Dec 13, 1892.

Right?

So, does that explain why Laodicea missed the boat and are spued Rev 3

and all the while is "continuing in the forms of religion"
and today deep into character perfection,

when in their mouths is **the GUILE of the L1**
the **O of DH's**

and at the same time Laodicea

cannot see when or how
every conceivable power of evil was
set in motion

or why the *operation of evil* was completely successful
and included the L1 as official doctrine in the
27FBs

Hosting FB 2 The root of the Trinity Doctrine.
And the central doctrine of the papacy
Includes the unpardonable sin the doctrine of
God the Eternal Son FB#4.

A supernatural powerplay has occurred,
very few saw it.

Padres' elders and the fancy academics
still don't get it.

The doctrine of the TTD FB 2 has led to some agitation with the laity but again
it is **placated** by the
mystery of iniquity.

Even those who claim today "to be wiser" than Daniel
To get away from PPH heresy,
adopted the flip side of the **L1**
by arriving at the Arian concept
that was never rebuked by Egw.

The **Arian doctrine** in Laodicea and separated Laodicea
is also another version of the Omega of Deadly Heresies.

There are many versions of the L1. Many, many, many.

So, ask yourself,
Does there, then,
exist where the mystery of iniquity has led to
a terrible problem thwarting the seal of Gd
in the sealing time?

Has to be ... Right?

The guile of the L1
the O of DHs.

Now read the following carefully

The same year Luke 21:24 was fulfilled Jesus said

**Jerusalem was no longer trodden down
of the nations,**

Hey, has not Jesus already
confirmed what Egw wrote

"After the truth has been given **to the nations**

Right?

Don't go past the above

without realising why,

the sequence of events from Luke 21:24
is important to obtain a clear firm appreciation of end events.

It is God who said that **Jerusalem**

would be a sign for
the last generation. Luke 21:32

Verily I say unto you, this generation shall not pass away, till all be fulfilled

Gd warned a great **snare**, 21:35
would, if possible, deceive the very elect
and has eventuated courtesy of
the mystery of iniquity.

And Where?

Oh, in Laodicea.

Because of what?

Oh, snare was buried in the 27FBs
the O of Deadly Heresies the **L1**

Ask yourself how could the **L1** a theological error of so vast and eternally
damaging proportions with the **peril** and
deadly implications, not be noticed when the 27FB
were published?

God told you why.

Laodicea doesn't have the **gold tried in the fire** = Eternal Righteousness

Neither hot, nor cold.

LUKEWARM.

Spued.

FBs #2,4 is the evidence of a supernatural intrusion within Laodicea, it was nothing more than the permitted activity of the '*lying wonders of Satan*' the mystery of iniquity

and the eventuality of the subtlety acceptance **was the L1** and that ultimately means **bowing to the 8th king** yet Laodicea believe it's still about the NSL

all the while Rev 17:16 occurs and destroys the purple hag,

Gd said her city utterly destroyed and the ship captains all wondered at the destruction.

Of course!

All the while, Laodicea not knowing why it's any different; are, and remain totally unprepared for the events of the ten kings.

Right?

Only the breastplate of Eternal Righteousness,
the shield of faith,
the two-edged sword of truth of Eternal Righteousness

and the helmet of salvation
which is Eternal Righteousness.
One's Feet surely shod
with the gospel of peace under the complete
terms of Eternal Righteousness

it is not RxF that meets the demands of the declaration of war due to the
weaknesses of RxF.
A 1000 times NO!!

Which means the **Law of Two** is as preserved
in the First Angels warning and Rev 13:8
is totally ignored.

Then, there is Laodicea's idea about the Fourth Commandment being the seal
of Gd **which is not true**
if you are prepared to consult the Bible.

You can check out why
in Rev 14:1 ASV or RSV.

Right?

Absolutely.

Jesus confirmed that when Lk 21:24 was fulfilled,
Has triggered the motions

every conceivable power of evil **will be set in operation**,
and that the truth had been given as witness to the nations
(past tense) and then every conceivable power of evil to occur.

Right?

Luke 21:24-36

is a very important prophetic sequence marker
that gave rise to the last day events.

Jesus told you the trigger of prophetic sequence of events.
Egw just provided a general outlay. "After the truth has"

But now notice something else
keep in mind
what **Egw** said in

Counsel to Writers and Editors p 24

**A Message for Frequent Appearance. --In the
twenty-first chapter of Luke**

Christ foretold what was to come
upon Jerusalem,

and with it **He connected** the scenes which were to
take place in the history of this world **just prior** to
the coming of the Son of man in the clouds of heaven
with power and great glory. **Mark the words:** "Take
heed to yourselves, ..."

Foretold by Christ.

Right?

**CWE 24 completely alters what Egw said in Early Writings about
“Old Jerusalem”** [p 75](#)

Confirms what happened in **Laodicea in 1980**

Gd said Jeru was no longer trodden
down of the nations –

yeh and what was the **unpardonable sin** in relation to
the First angels warning which is **the L1**.

The L1 was officialised in the
27FBs of the same year of 1980

Then emerged
the Omega of Deadly Heresies
in FB 2,4. The **L1**

**from Heaven’s perspective,
Not a good look. At all**

Ok, so, what is listed above in the prophetic sequence of Lk 21:24, 29, 35 **was
summarised by Christ**
not Egw

But guess what happened?

Apart from the fact as to what has arisen and is still arising upon the last generation (us today) the prophecy of Luke 21:24 witnessed times of gentiles fulfilled in 1980.

This was announced to the world-wide SS the same year.
The 2nd SSQ to be exact by Dr Zurcher is [here](#)

Dr Zurcher gave warning to the worldwide church.

So, why the equivocation, about Luke
as if it's something weird
to talk about anyway?

SAME YEAR what also occurred?

Well, the big distraction of 1980 was the Dr Ford meeting at Glacier View of his concerns with the Sanctuary Doctrine;
only to be disfellowshipped, for heresy.

Who of you were bothered to read his thesis given to theologians and delegates?

But what a timely insight provided from God
to tell the delegates and academics
you really need

to review Dan 8:13-14,
the Investigative Judgement etc

What Dr Ford did not state was his research was
to defend John 4:22.

But no, Ford was pilloried,

theologically excoriated to be a burdensome stone of heresy that his dissertation apparently denied the Sanctuary doctrine.

Well, if you read Ford's thesis this was not the case. He stated he never denied the Sanctuary Doctrine;

but rightly concluded there were serious questions and necessary corrections needed to develop "until when" of Daniel 8:13-14 and 1844.

This error of the Sanctuary doctrine has been discussed at 5A.

Being the error of 538 and "until when" (admathay) **how long shall the vision of the daily till** the **transgression of desolation** was no longer trodden underfoot that the commencement of 538 was not viable by a long shot

But why 554 was the correct commencement date of the transgression of D. The 1290 years of the 2300 years and that answered until when and had to align with 1844.

Those at this point who are all choked up and confused – well you have a lot of homework and you need to get to the bottom of that problem.

But you will choose not to.

Well, too bad

how are you able to explain

the set of events in Luke 21 and why NSL is impossible?

What a shame some of the best minds of Laodicea got entangled, remain trapped by the many snares in the category 'every conceivable form of evil' would be set in motion

it wasn't hard for the "hardliners", in 1980 who not only they buried Dr Ford but then doubled down with the L1 having followed the mystery of iniquity to set about to eternalise FB 2,4,

rather than to be remain an embarrassment to the Evangelicals concerns about the Sanctuary Doctrine

when all along the corporate leadership set in motion the **Omega of Deadly Heresies** that Egw forewarned. And trembled.

Nothing about that can be changed now.

28 FBs won't be changed.

Laodicea '**betrayed her sacred trust**' [here](#)
Egw said

"Our religion would be changed"

(Series B #2, p. 54).

Egw would ask,

"Shall We Be Found Wanting?"

In answer to her question, she would write:

In the balances of the sanctuary the Seventh-day Adventist Church is to be weighed. She will be judged by the privileges and advantages she has had.

If her spiritual experience does not correspond to the advantages that Christ, at infinite cost, has bestowed on her, if the blessings conferred have not qualified her to do the work entrusted to her, on her will be pronounced the sentence, "Found wanting." By the light bestowed, the opportunities given, will she be judged (*Testimonies*, Vol.8, p. 247)

But does God leave His ppl orphans?

No, not at all.

It's your choice to first seek the Eternal Righteousness of God, **Matt 6:33** especially as the nearness of the era of the apocalypse is closing all around

But also, to understand why Rev 13:8-9 exists within the chapter of TWO BEASTS

and why

at its infinite and deep foundation

Rev 13:8 turns out to be the **Law of Two of John 1:1,**

and then,

learn what is the basis of the answer to who can make 'war' with the first B and second B of Rev 13

and learn

from the theological perspective of Isa 2
what the 8th king is really all about.

Ok

Well ask yourself,

why in the world did Egw **warn** about the **Omega of Deadly Heresies** that it would be received and she trembled? [Here](#)

But for the tacky, the stuck in the mud know-it-alls in Laodicea who back themselves as the "guardians of the truth" due to the traditions of the elders who would pooh-pooh this Discussion.

Why do they not acknowledge what Christ said is to occur with Jerusalem from Luke and Isaiah and elsewhere, anyway?

because that changes entirely the Laodicean paradigm and means everything they ever learned is junked by Gd Himself

but they fail to be bothered about that and remain hogtied to
Egw said missing the point
"time and place must be considered"

The NSL concept of the 1890s is over

The '**oppressive law**' she mentioned in 1892
was corrected by Isaiah who said that would
be as the driver of unchecked and rampant
spiritualism and Egw's conclusion of
"National ruin" in the land of the Second B
In the time of the last generation,
Is true and remains unchanged,

but you all have to come to terms with the inclusion of Scripture set out by
Gd

must be resolved for you are to be comforted by Allos
that the Divine proof exists
as evidence of your walking
in the light

but also, **the L1** concerning the **7N** which are not the 10C
is why the declaration of war of Rev 13

then God makes the change for
clearer light of growing in grace.

to what is the meaning of
Isa 2 and Rev 17:16

and that does change and confirms the scriptural narrative to what Gd said would occur,

but also

What is coming upon the **Sweet Land of the Second B**,
Is that Protestantism clasps hands
with spiritualism.

But guess what!

Protestantism has **already “clasped hands”**
Bypassing the First Amendment
see this discussion for the
proofs, [here](#).

From that discussion it is Easy to see God has raised others in USA and is using 'other' patriots to bring to light things relevant to the era of the **Fig tree** as discussed in the link above if you had not checked it out.

God is no longer and **not using Laodiceans** who should know better
Gd is raising others to fill the void,
although not precisely accurate with their conclusions are sound, nevertheless of Gd

to bring to the mind of the many patriots
as to what is essential and
also

how the **First Amendment has been breached**
and yeh, it was quite recently, back in **1992**.

It occurred.

Registered as fact in Congressional decisions of law
and voted by both houses.

**No one can say it never occurred.
NO ONE!**

Bar NONE

So, don't even try to say otherwise.

Why then, ye be encumbered by the cares of this life or having the worries
the elders disagreeing with you about Luke 21 or whoever they may be, who
say it's not so.

Why? Lose your crown?

What?

As **Rev 3:11** states

**Behold, I come quickly: hold that fast which thou hast, that no man
take thy crown.**

That no man steals your crown and

Isaiah 2:22 says

cease ye from man whose breath is in his nostril

So, check out the link and learn
or don't.

**Hit delete now, return to what Peter
describes in 2 Peter 2:22**

What Jesus had to say about end events in Luke 21 is not what Egw said in
the late 1890s nothing about Jerusalem
But the papal warning of the NSL.

As noted, earlier Egw did provide the **update**

Of the NSL change as it is published in **CWE p24**
as you just read anyway.

Right?

Thereby, the fact is the Bible in Rev 17 and Luke 21
Is saying the focus has changed and that NSL
is IMPOSSIBLE to arise

and therefore, NSL
is not the prophetic bogeyman for Laodicea.
If any man hath and ear? Rev 13:9?

The L1 is where **peril** exists for all
individuals in Laodicea.

Choose not to leave Laodicea get out now
the obligation of that same call and decision

will be repeated once more
by the grace of God
at the Loud Cry

but why
wait till then?

No one in Laodicea can answer why wait till then.

Is it because they ignore what HWM said
would happen in Luke 21 and
the demise to Laodicea?
Proving what?

that every conceivable power of evil includes the many theological shackles
as to what is now set in motion
Cannot be what it was meant previously
And to what?
Be deceived?

By L1?

Right?

Isaiah was correct all along.

The L2 of John 1:1 and the First Angels warning have been discussed
extensively here at 5A, the reason is
because the entire matter of the **law of one**
of Isaiah 2 and the 3T is as God said will
be reality.

And it's not difficult to see why the sequence of Luke 21 confirms a massive
spiritual calamity exists as to the L1

Which if you care to consider includes UC,
the Luciferian era of Rev 13

L1 is same doctrine of the Universe, the L1 adjutants' variations being the UFOs, the Nordics the Greys and reptilians' and for many is outrageous but fact is it will remain spiritually addictive L1 deceptions and who in Laodicea at this time can deal with all that

when all they do is disavow the L2 and the Eternal Righteousness of HWM and **Rev 13:8-9** by way of the L1 as in FB 2,4.

Rev 13:8-9 and LSFBTFOTW

is telling you if you have ears to hear
that there exists from Eternity
the Reality of Two Eternal Divines, the Two Elohim
noted of John 1:1 who are
established as the basis of worship
in the First Angels warning

and as to why the worship of Christ who is also Gd
is based on His Eternal **Alpha Identity** and why Christ was,
and was also
with Eternal Father #1

as to why His Divine Eternality
means why HWM is Eternal Father #2
based on Isa 9:6-7

And why He is **not**

And can **never** be God the Eternal Son FB#4.

Eternal Righteousness is what completely sustains the complex yet at the same time profound summation of the **Alpha & Omega theology** of HWM of Rev 22:13-16

but also,

it is the ultimate Divine theology concerning the **Eternal Alpha Identity** of HWM who was Melchizedek = Heb 7:1-3

and He, who is of the Order of Melchizedek
by virtue of the incarnation **Omega**

His identity of Jesus Christ for he was

made like a son **Acts 13:30-33**

raised from the dead ...

God hath fulfilled the same unto us their children, in that he hath raised up Jesus again; as it is also written in the second psalm, Thou art my Son, this day have I begotten thee.

as proven with Romans 1:3-4.

1:3 Concerning his Son Jesus Christ our Lord, which was made of the seed of David according to the flesh;

1:4 And declared [to be] the Son of God with power, according to the spirit of holiness, by the resurrection from the dead:

Are you really serious about the Everlasting Gospel?

You can only be serious when you have the awareness of the Alpha & Omega Identity of HWM and why is essential for the era of the Apocalypse

Laodicea betrayed her sacred trust, lost their way
And after the fulfilment of Lk 21:24 with the 27FBs

and **the horror of horrors being
God the Eternal Son FB#4**

FB #2 is the central doctrine of the Catholic faith
Have a good look as for
the lost coin,
the pearl of great price,
to see for YOURSELF,
if it is not so.

But why the warning by Egw

after the truth has been given as a witness to the nations

The issue for Laodicea at hand is what occurred to trigger a series of prophetic events.

Landmarks and pillars

The fact is FB 2 the Triune Trinity and God the Eternal Son FB#4 were never landmarks or pillars of Laodicea, Egw said our religion would be changed

September 12-18, 2026

SSL Q3

Dealing with False teachers!

[Here](#)

Tuesday's lesson later this year
is the critical point of the weeks lesson.

So, how do you in Laodicea identify **false teachers** when you yourselves are confirming the vain philosophies of the **L1** and endorsing the Omega of Deadly Heresies with FB 2,4?

Egw said the Omega of DHs would be received.

Was it the reason Laodicea would themselves become **false teachers** with a bunch of truth at the same time and why

Egw trembled because the Omega of DHs would
be magnified as truth?

There is nothing about the deceit of vain philosophy Colossians 2, in the lesson. Take a look. [here](#)

In fact, Paul was already dealing in his day warning false teachers creeping in unawares and silly sisters laden with sins believing Neo Platonism the teachings of Philo,
the vain **philosophy** of men

Paul identified the "false teachers" who brought in heresies unawares

Paul advanced the **law of Two** (2Tim 1:9, Philippians 2)

Paul warned the Colossians of the **L1**, = **UC** = Plato's energetics = doctrine of Universe = begotten, = emanated 'eternal son.'

Is it no strange thing this would emerge in Laodicea?
As God the Eternal Son FB#4?
The sparks of their own kindling?

That after the truth has been given as witness to the nations every conceivable evil will be set in motion.

the starving laity will find the SSL lesson, Unhelpful for
due to the mystery of Iniquity and Omega of DHs

Ok

So, what is the capstone of the matter of false teachers.

Well, it is found in Mark 12

This is where the L1 is exposed by HWM Himself
Who sets out why it is important about the L2

So read now why did the ppl heard HWM gladly

This detail needs to be mentioned once more

12:32 And the scribe said unto him, Well, Master, thou hast said the truth: **for there is one God**; and there is none other but he:

12:33 And to love him with all the heart, and with all the understanding, and with all the soul, and with all the strength, and to love [his] neighbour as himself, is more than all whole burnt offerings and sacrifices.

12:34 And when Jesus saw that he answered discreetly, he said unto him, Thou art not far from the kingdom of God. And no man after that durst ask him [any question].

12:35 And Jesus answered and said, while he taught in the temple, **How say the scribes that Christ is the son of David?**

12:36 **For David himself said by the Holy Ghost,** The LORD said to my Lord, Sit thou on my right hand, till I make thine enemies thy footstool.

12:37 **David therefore himself calleth him Lord; and whence is he [then] his son?**

And **the common people heard him gladly.**

So, why was the Scribe not far from the kingdom, but not there?

And then why was it the **common ppl heard him gladly**

and the Scribe had already missed the critical meaning of the L2 and therefore NOT FAR?

That's the clincher and is brought out in the Revelation of Christ as Alpha & Omega.

The common ppl today in Laodicea don't know this.

Are you, one of the Scribes "**not far**" not too sure about the L1?
Or the L2?

The common ppl heard
About the L2 and heard HWM gladly?

If any man hath an ear? Rev 13:9?

CONCLUSION

The common ppl understood the Alpha & Omega.

How?

**David therefore himself calleth him Lord;
and whence is he [then] his son?**

This is amplified in Rev 5 and 22:16

22:16 **I Jesus have sent mine angel to testify
unto you these things in the churches.**

**I AM the root and the
offspring of David,**

Root and offspring of David.

Yeh!

But as with the Scribe, as it is today,
but also, as it is with the 7N and its bestowal of the First National Congress of
7N coming this November

The Scribe, the ancient rabbi would have known about the Two Powers.
Today, Laodicea are not prepared to deal with the problem of Deut 6:4,8 and
echad "one"
with Rev 13 and the Isaiah 2:3

but for those who cannot join the theological dots
there exists, as of right now

Laodicea are of absolutely no help.

They already acknowledge the L1 viewpoint and are ensnared and are clueless
why echad one Gd is not the L1
Let alone the 8th king's aspirations at the 3T,
the 2Thes2 guy.

Whereas the **Law of Two** is why the common ppl will hear Jesus gladly.
Today.

If you are one who has an ear to hear,
then would you today hear Christ gladly?

Well??

Listen up.

in other words, you guys really need to know your Bible, the sequences of the
events of the apocalypse and really
need to awake unto Eternal Righteousness,

yeh the RIGHTEOUSNESS of Christ which is the Third angel's message in verity to borrow Egw and become conversant with minutia of the trickery she warned about the Omega of Deadly Heresies for that every conceivable power of evil is now set on motion.

Or don't bother, don't share what you find and also glean and discover but rather remain self-Righteousness and become a miserable theological hermit with concern, but no fizz or the agape of God in your heart that bears little to very little interest in the Bible, take your sullen chances, and be in **peril** at the Loud Cry.

All the while some spiritual goofball
claims to have a message from Christ, steals your crown.

A lot is at stake, when you review the Biblical
events to be discovered in

RH Dec 13, 1892.
